Myrtenaster sword began merging together, and they were surrounded by a kaleidoscope of white energy, snowflakes, ice, darkness, and shadows, and when it emerged, it was transformed into Ullr's Ice Phoenix Sword of Dark Justice, it's a new large sword with a 6'7" massive, wide, double-edged white blade with the Norse God of Snow, Ullr with Nordic Runes around him, etched on it, large white phoenix heads with pale blue gems for eyes, large pale blue gem for the hilt, longer black handle, and four large white phoenix heads with pale blue gems for the eyes and large pale blue gems in its mouths for the pommel. Weiss has on her new large gold cuff Bracelets of the Champions of The Universe with pale blue gems on her wrists, gold Belt of Elemental Bravery with a gold phoenix head with a large pale blue gem in its open mouth for the belt buckle, large pale blue Spellbook of The Gods and The Universe and large pale Universal Spellbook of The Elemental Forces on her left hip and Eater of Sins revolver holstered on her right hip. There's a pale blue kanji below the phoenix that said, "Weiss Schnee, Amazing Member of RWBY, Amazing Friend of Ruby Rose, Weiss, and Yang Xiao Long, Loving Future Wife of Lincoln Loud, Former Daughter and Destroyer of Jacques Schnee and Many of Remnant and Atlas' Enemies, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Darkness, Swords, Ice, and Phoenixes."

ワイス・シュニー、RWBYの素晴らしいメンバー、ルビー・ローズ、ワイス、ヤン・シャオロンの素晴らしい友人、リンカーン・ラウドの愛する未来の妻、ジャック・シュネーの元娘と破壊者、そしてレムナントとアトラスの敵の多く、悪の殺し屋、混乱した、殺人的で冷酷でサディスティックな野郎、驚くべき強力な教師の驚くべき強力な学生、そして闇、剣、氷、そしてフェニックスのマスター

Weiss has transformed into SUPER ANGEL INFINITY DIVINE DARKNESS ICE PHOENIX ANGEL OF ARCTIC JUSTICE AND DIVINE LOVE!

We were amazed by Weiss' Super Angel Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes. But, when Jacques Schnee saw it, he fell into an insane unstable rage and tried to kill her by shooting her with a gun, but Weiss fired a powerful blast of pale blue energy with ice, snowflakes, darkness, and phoenixes, which hits Jacques Schnee's arm with the gun in hand, and he drops the gun, and Lincoln magnetizes it, and it flies into his large right hand, and he crushed it with his immense brute superhuman strength, and that caused Jacques to piss his pants in horror.

Ruby Rose: Alright, now Team RWBY has transformed.

Nico: And when that asshole tried to shoot Weiss, she attacked him, and it caused him to drop the gun, and Lincoln crushed it in his hand with his immense brute superhuman strength, and that also caused him to piss his pants in horror, so awesome!

We also got a photo of it, for it'll be the last time we deal with Jacques Schnee.

Lincoln: Wow, Weiss, you look beautiful. How do you feel?

Weiss: (Divine Echoing Cosmic Voice of The Ice Phoenix and Divine Dark Love) **I feel incredible, Linky. Now, then, shall we say our goodbyes to my so-called father?**

Lincoln: (Smiles) With pleasure.

Ruby Rose: Hold on, you two, you also better count us in.

Yang Xiao Long: Yeah, I've had it with that asshole to last an eternity.

Lincoln unholstered his improved massive Sword of Universal Hope and Elemental Bravery from his wider and muscular back and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, Ruby Rose got out her massive Bloody Rose Scythe of Dark Justice and transformed into Super Angel Infinity Crimson Blood Rose Darkness Angel of Rose Love and Dark Justice, Blake got out her massive Belladonna's Black Cat Sword of Dark Justice and transformed into Super Angel Infinity Divine Darkness Feline Angel of Dark Justice and Divine Love, and Yang got out her Golden Dark Fire Fists of Justice and she transformed into Super Angel Infinity Golden Flame Darkness Angel of Phoenix Love and Dark Justice, and they joined Weiss.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **This is the last time we'll deal with you, Jacques Schnee.**

Lincoln, Ruby, Blake, Weiss, and Yang went after Jacques Schnee, and they fired powerful blasts of rainbow energy, rose red, yellow, blue, and black energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time Energy, Gravity, Magic, Thunderbirds, Phoenixes, Angels, Buffalo, and Black Cats, and they exploded with incredible power as they hit Adam Taurus. This enraged Jacques Schnee and he tried to attack again, until Lincoln, Ruby, Weiss, Blake, and Yang trapped him inside a tornado of rainbow, rose red, black, pale blue, and yellow energy, and he was being attacked by the powerful blasts of rainbow, rose red, black, pale blue, and yellow energy, fired by them, and he was knocked down.

Then, Lincoln tied him up in a rainbow energy straitjacket, and when Jacques saw it, he went mad with rage and insanity.

Lincoln: **Now, to condemn you to an eternity of nightmares, Jacques.**

Suddenly, shadows and creatures of darkness started to dance around Lincoln, as his massive deep sapphire blue angel wings with gleaming stars on them and rainbow tips on the large deep sapphire blue feathers spread out.

Lincoln: (Singing Divinely) **I see a cold wind blowing through, I see days neither fun nor free, I see a future caused by you, I see a path not meant to be. Your future should filled with magic, dreams, and wishes brought to life. But, the days ahead are dark and tragic, no time for hope when all is strife, whatever might have been, all the dreams that you did share, because of you, Jacques Schnee. Now, the future is a cold nightmare.**

That sent chills down my spine and Nico's, as we saw ice forming on our spines.

Lincoln fired two massive dark energy blasts from his massive deep sapphire blue angel wings, and they hit Jacques Schnee, and he was hit by Lincoln's curse: Eternal Life Without Eternal Youth and Plagued By The Demons of The Past forever. Lincoln had him beamed to the same prison where we sent Corsac, Fennec, and Adam Taurus, but, he's put in a separate cell in Solitary Confinement and was chained to the wall with rainbow energy chains and Neutronium chains, and because of Lincoln cursing him with Eternal Life Without Eternal Youth and Plagued Forever By The Demons of The Past and Eternal Nightmares, Jacques Schnee screamed in horror as he saw the ghosts of those he had tormented moaning in pain and agony, and screaming for his blood to be spilled.

We cheered wildly as Lincoln, Ruby, Weiss, Yang, and Blake holster their weapons and power down, and Weiss's new body, clothes, weapons, and jewelry are permanent. Suddenly, Weiss felt a sharp pain on her back. Then, massive white angel wings with pale blue tips on the large white feathers, had sprouted out from her back.

Weiss: Goodbye forever, "father". Thank you for helping me deal with my former father, Ruby, Blake, Yang, and especially you, Lincoln.

Lincoln: (Smiles Warmly) You're welcome, Weiss.

Suddenly, Weiss wraps her arms around Lincoln's waist, and he wrapped his abnormally massive and powerful muscular arms around Blake Belladonna's waist, and brought her into an embrace, which took her by surprise and that brought an atomic red blush to her face. Then, as Lincoln leaned down to her face, they kissed passionately as she wraps her left arm around his wider and muscular back, and her left hand was on his massive and wide right pec, and right behind them was a Thunderbird, Phoenix, and Angel flying in the air, and we also saw a herd of Buffalo and snow falling down and the display of the elemental forces behind them, and we cheered for them. He also did the same with Ruby, Weiss, and Yang, as he wrapped his abnormally massive and powerful muscular arms around their waists, and he leaned down to their faces, and kissed them on the lips passionately, as we saw the same display behind them, and we cheered even more.

Me: Now, that's awesome.

Nico: You said it, bro, and we threw Jacques Schnee in prison where he belongs, and Lincoln gave him the dreaded curse: Eternal Life Without Eternal Youth and Plagued Forever By The Demons of The Past and Eternal Nightmares.

Suddenly, we heard Jacques Schnee scream in horror as he saw the ghosts of those he'd tormented moaning in pain and agony, and screaming for his blood to be spilled.

Lincoln: (Smirks) Pleasant dreams, Jacques.

Qrow: (Smirks) Remind me never ever to cross my future in-law.

Salem (RWBY): The screams coming from that prison will be more than enough to keep the inmates there up all night.

Lincoln: Which is why I also soundproofed Jacques' cell, Salem. That way, none of the inmates there will have to hear him. But, good riddance to that monster, this time, for good.

Me: You got that right, big guy.

Nico: What Jacques did has proven that he's nothing more than a monster, he abused his own daughter, delighted in the torment and misery of others, and like Lincoln said, doesn't give a damn about anyone but himself.

Rita: And I'm still surprised at how my only son really laid down the law on Jacques for what he did, but I'm not surprised though, he did lay down the law on Gabriel Tinsley and Amy McKale.

Lynn Sr.: I hope Lincoln does the same thing with any more evil in-laws from his future wives.

Me: We're also counting on that one, Mr. Lynn.

Nico: Oh yeah, and we'll be recording every minute of it for everyone to see.

We recorded the moment when Lincoln laid down the law on

Jacques Schnee, and when it was sent to everyone around the world, they cheered wildly for what Lincoln did, and everyone back in Gotham Royal York were hollering and screaming with cheers.

Man: Yeah, you tell that son of a bitch, Lincoln! Yeah!

Nico: But this was an awesome adventure. Great job today everyone. We all earned an awesome rest.

Me: Yep.

Brandish: (To the viewers) I hope you all loved this adventure. I am now going to be one of J.D.'s future wives and it will be great for me to be with him too.

Nico: Awesome.

We all enjoyed the rest of the day and went to sleep.

Another awesome fanfiction done.

This was a funny and awesome adventure. The episode of SpongeBob called The Krabby Patty That Ate Bikini Bottom was one awesome and funny episode. Can you believe that? A Krabby Patty as big as a whole football field that engulfed and ate all of Bikini Bottom? That would be crazy and awesome and scary. The episode aired on November 25th, 2011 and it was so funny. The first part was for the Alvarez Empire Arc of Fairy Tail and that was a strange one. But it was sad seeing that happen to Brandish and her mom. Part 2 was for the awesome movie The Transporter 3 and that was a great movie with Jason Statham and it was so awesome! NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, XP4Universe, Darkhai, vinjedi1995, Drako1234658, Nflemingful, Etstheclarencefan and ninjakingofhearts gave me the ideas for this and so did the guest reviewer. Nico's next rescue is gonna be in the Earthworm Jim 2 game episode of Flamin Yawn and me, Nico and M.J. are going to battle Flamin Yawn, an Anthropomorphic Steak that can breath fire! And we're going to fight him in a world of pizzas!

We're also going to convince him to join the M.O.E. as the archenemy of Roast Most from Chowder. Big Meat VS Fire-Breathing Steak. Funny. Also we're going to meet 2 Gene-Slammers for this one. One is a Maiden of The Moonlight Gene-Slammer named Yumi Ratara and she is from Japan and she is one of Lincoln's Guardian Angels and she is gonna be in Nico's rescue for this one. We're also going to meet an Evolved Arachnichimp Gene-Slammer named Aniya Florrentine and she is from Nico's Gym Classes. Also the reason I have 2 Gene-Slammers appearing for this chapter is because I have 3 Archenemies for the next chapter for Ophelia Nasturtium, Yumi Ratara and Catherine Torres. The next rescue for Lincoln is gonna be a really awesome and funny one and that is gonna be for the world of the awesome comedy war movie Hot Shots Part Deux and we're going to also meet Evelyn Zuckerberg The Hungry Burger Gene-Slammer. During the exercise scene, Yumi and Evelyn are going to reveal 2 HUGE and horrible revelations about Flip and Morag. For Flip, Yumi is going to tell everyone that he was serving severed fingers and arms and chopped up limbs from dead humans he killed into his beef jerky and we're going to throw up from that. Also for Evelyn's revelation she is going to reveal that her ancestor REALLY killed the Loud's ancestors 400 years ago. Ophelia is going to have The Tickler, Yumi is going to have Lip Cervas and Catherine is going to have Filthy Phil as their archenemies in the M.O.E. and as you probably guessed from this the next chapter is gonna be a LAND Version of the awesome episode of SpongeBob called Karate Island and we're going to make that one in honor of Pat Morita who was the sensei in Karate Kid. Concentrate!

See you all tomorrow.

# KARATE ISLAND ADVENTURE

IN MEMORY OF PAT MORITA

This chapter is a parody of the SpongeBob episode Karate Island

---

Flying through a REALLY strange world was me, Nico and M.J. and the world was made entirely out of pizzas and pizza boxes.

Nico: Thanks for coming with me, M.J.

M.J.: No problem Nico and it's an awesome honor to be part of your rescues. This is gonna be so fun.

Me: It always is fun.

Nico: Yeah. But this is really strange. Look at all these pizzas and pizza boxes.

Me: Someone sure has a really huge appetite.

Nico: Honestly, M.J., Pete revealing his identity to the world was a good decision. Most of his enemies, including the Sinister Six, are in the Masters of Evil. And the others have been dealt with. It's pretty much like getting 100% on a video game.

M.J.: Yeah I agree with you there Nico.

Me: Same with me.

Nico: Yeah. Also I have a feeling this world has 2 Gene-Slammers for us to meet.

Me: I have that same feeling myself and one of them is one of Lincoln's Guardian Angels.

Nico: Also, I hope you and Peter have a child in the future.

M.J.: I do too Nico and it will be awesome for me and Peter to start a family. After everything that happened we earned it.

Me: I agree there.

We landed on a pizza.

Me: (Sniffs) Mmm it smells good. But man whoever put all these pizzas here is one MESSY slob.

?: HEY That hurt!

A figure came out and it was an Anthropomorphic Steak! It was THE FLAMIN' YAWN!

---

The Flamin' Yawn is a minor villain from Earthworm Jim 2. He is a giant beef steak who lives on a planet completely made of food. He walks around on his levitating dinner plate, roasting anyone that enters his planet. To make things easy, he attracts his victims by controlling the Deadly Salt Shaker of Doom. Jim, being an invertebrate, had to run for his life to avoid the salt, only to be trapped inside a giant pizza box, where the Flamin' Yawn awaited for him. Needless to say, Jim had to fight the fire-breathing steak, but ended victorious.

---

Nico: The Flamin' Yawn!

Me: Oh I get it like Filet Mignon, a really expensive cut of beef.

Nico: Yep.

The Flamin' Yawn fired a blast of fire from his mouth.

Me: Whoa!

We absorbed his fire.

Me: That is one bad breath steak.

Nico: You mind telling us WHAT THE FUCK YOU'RE DOING MESSING WITH ALL THESE PIZZAS?!

Me: Yeah are you either really hungry or are you just hoarding them all for yourself?

Flamin' Yawn: Neither. They came with the planet. It's a world made entirely out of food and I roast and torch anyone that enters my world.

?: You really need a better hobby!

A Maiden of the Moonlight appeared!

Maiden of The Moonlight: Sorry to drop in like this. My name is Yumi Ratara and I was hoping to run into Lincoln's group here.

Me: Well Lincoln's rescue is after ours. Are you one of Lincoln's guardian angels?

Yumi Ratara: I sure am and it's an honor to meet you J.D. And you too Nico.

Nico: Pleasure.

Yumi Ratara: Also you are not going to like what I have to say about Flip.

Nico: Oh boy.

Webbing then appeared and wrapped Flamin' Yawn in it.

Nico: Whoa! Was that from Peter?

Me: He's not with us.

?: That was from me.

An Evolved Arachnichimp appeared.

Nico: An Evolved Arachnichimp!

Evolved Arachnichimp: (In a girls voice) Awesome to see you again

Nico.

Nico: Aniya Florrentine? Wow I knew it was going to be you next.

M.J.: What's your favorite memory of Nico?

Aniya reverted back and she was a girl dressed in purple sports clothes and she had long purple hair and purple eyes.

Aniya Florrentine: I have a lot but my favorite is when me and Nico won the Tennis Championship.

Nico: That was awesome.

Me: That's cool!

Aniya Florrentine: Yep. We were up against Lemonbrook High School and we kicked their butts and won the title.

Nico: Yep.

Yumi Ratara: That is awesome.

Nico and Aniya hugged.

Nico: I really missed you.

Aniya Florrentine: Me too Nico.

Me: Aww. Flamin' Yawn you would make a great candidate for our frenemies in the M.O.E. and you don't need this planet and all this food here. You would be with all sorts of awesome friends in our frenemies.

Nico: Yeah.

Flamin' Yawn: Oh you're right.

We later went back home and told everyone what happened and it was was awesome.

After Nico's rescue, Lincoln, Nico, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, Heathcliff, Sonja (Heathcliff), Riff-Raff, Hector (Heathcliff), Wordsworth, Mungo, Cleo, Leroy, and Spider-Man are heading into the world of the 1993 comedy war movie Hot Shots Part Deux, and not only is Lincoln going to rescue the sixteen girls there, but we're also going to kill Saddam Hussein and arrest Michelle Huddleston for sabotaging and betraying the previous rescue attempts to the Iraqis.

Lincoln: Wow, we're in the world of the 1993 comedy war movie, Hot Shots Part Deux, and I know what we're going to do here, not only am I going to rescue the sixteen girls there, but we're also going to kill Saddam Hussein and arrest Michelle Huddleston for sabotaging and betraying the previous rescue attempts to the Iraqis.

Me: That's right, big guy. I watched that movie with my dad long ago, and we were rolling around the floor laughing hysterically throughout the whole movie.

Nico: I hope we use the same method that Topper used on Saddam Hussein.

Lincoln: But, we're going to add our own spin on that one, and thanks for letting me join in on your rescue this morning, Nico. Not only did you meet your old friend, Aniya, but I also met with another of my Guardian Angels, Yumi Ratana, and she was Gene-Slammed into Maiden of The Moonlight.

Nico: You're welcome, big guy.

Yumi Ratana: (Japanese Accent) Plus, Lincoln said he'll change me back later, and I also know why: there's also another Guardian Angel of Lincoln's who's here in this world.

Lincoln: That's right, Yumi. And thanks for joining me on this rescue, Peter.

Spider-Man: You're welcome, Lincoln. This is going to be one hilarious and action-packed rescue.

Heathcliff: I can't wait to see what we're going to do to those two. (Cackles)

?: HELP!

Suddenly, Lincoln heard the sound of sixteen girls calling for help. With his deep sapphire blue cyborg eyes and superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the sixteen girls, but they, along with Topper Harley and his team, have been cornered by Saddam Hussein and Michelle Huddleston, and they're going to kill them.

Lincoln: Guys, I found the sixteen girls, but they, along with Topper and his team, have been cornered by Saddam Hussein and Michelle Huddleston, and they're going to kill them.

?: That sadistic butcher and traitorous bitch! Let's rip them to shreds!

Suddenly, we saw the Hungry Burger Duel Monster appear before us.

Nico: (Drools) The Hungry Burger Duel Monster. Oh man, my mouth is watering.

Lincoln: Wait, Nico, that's my old friend from Kansas, Evelyn Zuckerburg. But, we'll have to talk later. Let's take down Saddam Hussein and arrest Michelle Huddleston.

We rushed on over, and Lincoln fired a powerful barrage of rainbow energy balls and elemental forces, which hits Saddam Hussein and Michelle Huddleston, and that allowed the sixteen girls, along with Topper and his team, to get to safety. When Saddam Hussein and Michelle Huddleston saw us here, they were enraged.

Lincoln: You've caused so much pain and suffering to the Middle East for the last time, Hussein, and don't think you're getting out of this, Michelle. Once Hussein's been dealt with, you're heading right for prison for what you've done.

Lincoln unholstered his improved massive Sword of Universal Hope and Elemental Bravery from his wider and muscular back and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, The TLPS Bad Guys Gang transformed into their Super Angel Infinity forms and unholster their massive swords, Lincoln's sisters transformed into their Super Angel Infinity forms and unholster their massive swords from their backs, Lincoln's sisters transformed into their Super Angel Infinity forms and unholster their massive swords from their backs, Lincoln's harem unholster their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark Compassion and Demonic Justice, and he unholstered his massive Sparda's Demon Fang of The Demon Hound sword from his wider and more muscular back, Spider-Man, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their swords, Hector got out his massive Heaven's Maw of Judgement sasumata pike, and Me, Nico, Eli, and Nicole also unholstered our massive swords and transformed, and we went at Saddam Hussein and Michelle Huddleston, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time Energy, Gravity, and Magic, webs, stars, rainbow flames, rainbow crystals, orange flames, blue flames, ice, and green flames at the Iraqi dictator and traitor to the U.S., and they exploded with incredible power as they hit them.

Lincoln then got out a fire extinguisher and sprayed Saddam Hussein with it, but the spray was also infused with nitrogen, and Saddam Hussein was frozen solid, and as Lincoln tipped him over, the evil Iraqi dictator cracked into pieces, and as if that wasn't enough, Lincoln throws a piano on top of him, and he was crushed.

Me: Ah, my favorite note, B-Flat.

When Michelle Huddleston saw what happened, she tried to attack, but Lincoln fired a blast of stars at her, and knocked her down, and he tied her up in a rainbow energy straitjacket and rainbow energy chains. Then, as soon as Saddam's spirit appeared, Lincoln marked his forehead with a kanji, and he was erased from existence by The

Black Gates. We cheered wildly as we holstered our weapons and power down.

Lincoln: That's it for the infamous Iraqi dictator and traitor to The U.S. (To Yumi Ratara and Evelyn Zuckerburg) And it's so good to see you and Yumi again, Evelyn Zuckerburg.

Evelyn Zuckerburg: You too, Lincoln. It's been a long time.

Yumi Ratara: (Japanese Accent) Bring it in, Lincoln.

Lincoln went up to Yumi and Evelyn, and they hugged, and they were surprised at just how much taller and much more muscular Lincoln's gotten since she last saw him.

Lincoln: It sure has been a long time since we last saw each other, and as the both of you see, I have grown a lot since then.

Yumi Ratara: (Japanese Accent) Yeah, and Nico was right about that, you've really grown a lot from the eleven-year-old cute little boy into a 17-year-old 7'0" tall and very handsome and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs.

Evelyn Zuckerburg: Yeah, you definitely look like you've been eating a lot of beef, and in the process, you've become one hunky, handsome, and manly beefcake.

Me: Wow, Lincoln, you know them?

Lincoln: Yeah, I do, J.D. The Hungry Burger is Evelyn Zuckerburg, she's originally from Kansas City, and she's a great barbecue pit master and she does all kinds of awesome meats and everything, and the Maiden of The Moonlight is Yumi Ratara, she came to Michigan from Japan when she was younger and she's from my Astronomy Class, and she knows so much about the moon and is a really skilled astronomer.

Me: Awesome, and you and Nico said you met Yumi Ratara when you guys battled Flamin Yawn in the world of Earthworm Jim 2, that's awesome.

Yumi Ratara: (Japanese Accent) And I've got a pretty nasty revelation to tell you all and it involves that mutant tub of lard, Flip.

Laney: Oh dear, what did that mutant, ugly, fat tub of lard do?

Evelyn Zuckerburg: And I've also got a pretty nasty revelation to tell you guys, and it involved Morag, and what her ancestor did to your ancestors 400 years ago.

Lincoln: As if what that miserable witch tried to do to kill us wasn't bad enough. We'll hear about the revelations later, right now, let's get you both back to normal. Boys, cover your eyes. Evelyn, Yumi, hold still, this is going to hurt.

Me, Nico, Eli, and the rest of the boys covered our eyes as Lincoln snapped his fingers, and Yumi Ratara and Evelyn Zuckerburg reverted back to normal.

Yumi Ratara is a beautiful 17-year-old girl with long black hair going to the upper part of her back, light green eyes, fair skin, she's 6'5" in height, she had the body of a goddess, and she has massive black white angel wings, as she reigned in the power of Maiden of The Moonlight.

And Evelyn Zuckerburg is a beautiful 17-year-old girl with long red hair going to the upper part of her back, red eyes, fair skin, she's 6'5" in height, she had the body of a goddess, and she has massive red angel wings, as she reigned in the power of Hungry Burger, and the two girls are in their birthday suits.

Lincoln: Yumi, Evelyn, how do you girls feel?

Yumi Ratara: (Japanese Accent) Good. (Realizes she and Evelyn are in their birthday suits) But, me and Evelyn are in our birthday suits.

Lincoln gave Yumi Ratara her new wardrobe, a sleeveless yellow blouse and sleeveless yellow shirt with a white phoenix on it, yellow skirt with Maiden of The Moonlight on it, yellow pants, yellow high heels, and a long yellow sleeveless trenchcoat with stars and the full moon on the coattails and Maiden of The Moonlight on the back, and on her back is a large Maiden of The Moonlight-themed sword with a 6'5" massive, wide, double-edged, man-sized white blade with the Maiden of The Moonlight etched on it, Maiden of the Moonlight's white angel wings for the crossguard, large yellow gem for the hilt, longer black handle, and a large yellow gem surrounded by angel wings for the pommel.

And Lincoln gave Evelyn Zuckerburg her new wardrobe, a sleeveless black blouse and sleeveless orange shirt with a red phoenix on it, orange skirt with Hungry Burger on it, orange pants, orange sneakers, and a long orange sleeveless trenchcoat with burgers, meat, and flames on the coattails and the Hungry Burger on the back, and on her back is a large Hungry Burger-themed sword with a 6'5" massive, wide, double-edged, man-sized orange blade with the Hungry Burger etched on it, red angel wings for the crossguard, large yellow gem for the hilt, longer black handle, and a large red gem surrounded by yellow angel wings for the pommel.

Evelyn Zuckerburg: Wow, I love the outfits and large swords you made for us, Lincoln.

Suddenly, a Thunderbird Necklace of Eternal Love appeared on Yumi Ratara's neck with yellow gems on the gold lightning bolts and yellow crystals links from her new Crystal Necklace of the Buddha, and a Thunderbird Necklace of Eternal Love appeared on Evelyn Zuckerburg's neck with red gems on the gold lightning bolts and red crystal links from her new Crystal Necklace of the Buddha.

Evelyn Zuckerburg: (Surprised) Whoa, are these…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love, which means you and Yumi are now part of my harem and my many future wives, Evelyn.

Evelyn Zuckerburg and Yumi Ratara had a smile on their faces and tears in their eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around their waists and he leaned down and he kissed them on their lips, and they returned the kiss, and we cheered for them. Then, we went up to the sixteen girls here, and when Lincoln saw them, he immediately recognized them. The sixteen girls are Frearika, Ririetta, and Rose Rowe from Armor Shop for Ladies and Gentlemen, Hibachi, Oharu, and Mitsuki from Mushibugyo, Momoko, Onihime, Enki, Kaguya, Karin, Kijigami, Kushinada, Maron, Ringo, and Suika from Momo Kyun Sword.

Lincoln: Oh wow, it's Frearika, Ririetta, Rose Rowe, Hibachi, Oharu, Mitsuki, Momoko, Onihime, Enki, Kaguya, Karin, Kijigami, Kushinada, Maron, Ringo, and Suika.

Helena McTroy: From Amor Shop for Ladies and Gentlemen, Mushibugyo, and Momo Kyun Sword, awesome.

Lincoln: Are you girls okay?

Frearika: Yeah, we're okay, thanks to you.

Then, when Frearika and the other fifteen girls saw who it was that saved them from Saddam Hussein and Michelle Huddleston, their faces turned atomic red upon seeing the 17-year-old 7'0" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide right pec and it was surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top was the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, and Buffalo, and below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, and The Thirteen Elemental Forces, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-

Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and a Mark of Manhood tattoo of a bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

He had his massive Sword of Universal Hope and Elemental Bravery holstered on his wider and muscular back, his orange Crystal Saber holstered on his left hip and his Eater of Sins revolver holstered on his right hip, the Pisces the Fish constellation and Aquarius Zodiac sign on the back of his neck and the Cygnus the Swan constellation on the back of his massive left hand, large weighted orange bands on his massive biceps and thighs with silver phoenixes on them, his large gold Cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, massive and indestructible deep sapphire blue angel wings and the stars and blue nebulae reflecting on them with rainbow tips on the large deep sapphire blue feathers, and he was dressed in an orange version of He Man 2002's loincloth with hanging silver lightning bolts and long orange trenchcoat coattails with elemental forces, Thunderbirds, Phoenixes, and Buffalo on them and with hanging mini silver lightning bolts held up by his large gold Belt of Elemental Bravery with large orange gem for the belt buckle on his waist, a pair of large blue pants with multicolored lightning bolts on the thighs with the orange kanjis "Savior of The Loud House, Powerful Student of Many Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of The Thunderbird, and The Unifier of The Three Kingdoms" on the left legs, and large white leather combat boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and armor on the toe area, silver Buffalo head stud earrings with the Thunderbird and Eternity Kanji on it, a large Thunderbird Necklace of Eternal Love with colored gems on the gold lightning bolts with a large deep sapphire blue gem in the shape of a Thunderbird on top of a silver Buffalo head with the Thunderbird and Eternity Kanji on his neck and across his bare chest, large fingerless orange gloves with the symbol of The Loud House on it and surrounded in a diamond formation are a Phoenix, Thunderbird, Buffalo, and Angel, a large Orange Buffalo Animal Spirit Ring on his left ring finger, large Blue Lantern ring on his right ring finger, he had eight large orange orbs orbiting around his legs, and circling around his feet on the floor are eight golden crosses with angelic runes.

Frearika: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made fifteen clones of himself, and he and the fifteen girls went up to the girls, and picked them up and hugged them in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrap their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Frearika: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, sixteen Thunderbird Necklaces of Eternal Love appeared around the necks of Frearika, Ririetta, Rose Rowe, Hibachi, Oharu, Mitsuki, Momoko, Onihime, Enki, Kaguya, Karin, Kijigami, Kushinada, Maron, Ringo, and Suika with colored gems and crystals on the gold lightning bolts. We return to the Estate, and we told everyone what'd happened, and they were shocked when they found out the villains we went after were Saddam Hussein and Michelle Huddleston.

But, when Lincoln showed what we did to Saddam Hussein and Michelle Huddleston, they all cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln, Yumi Ratara, and Evelyn Zuckerburg have a lot of catching up to do, now that she's back in town. As for Michelle Huddleston, she was convicted for her sabotage of the rescue attempts and betrayal to the Iraqis, and she was sentenced to Life in Prison in The Neptune Prison for Traitors, where she was chained to the wall of her cell in Solitary Confinement with rainbow energy chains and Neutronium

Chains.

---

After getting rid of Saddam Hussein and throwing Michelle Huddleston in prison, we were training intensely in the gym, this time, doing 150,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Yumi Ratara and Evelyn Zuckerburg saw Lincoln working out like crazy, they had atomic red blushes on their face.

Evelyn Zuckerburg: Whoa, Lincoln's really grown to be a 17-year-old 7'0" tall, really big, and really strong man, just look at those abnormally massive and powerful muscles hard at work, and to work out with those 9,500-lb barbells and not even get tired, incredible.

Yumi Ratara: (Japanese Accent) Truly amazing.

Lincoln: And I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and now, I can also fight and defend myself.

Yumi Ratara: (Japanese Accent) That's incredible.

Nico: It sure is, Yumi and Evelyn. So, what are those revelations about Flip and Morag that you were going to tell us?

Lincoln: Yumi, you go first, then, you're next, Evelyn.

Yumi Ratara: (Japanese Accent) Thanks, Lincoln, and you guys aren't going to like what I'm going to tell you about Flip. One day, I went undercover and I'd found out in a hidden room in Flip's Food and Fuel, and I saw that Flip had used the severed fingers, hands, and chopped up limbs of dead humans that he killed into his beef jerky. This sickened me to my stomach, and before Lincoln and his family were about to buy that beef jerky, I kicked the door in, and told them not to, and when I told them of the severed fingers, hands, and chopped up limbs of the dead people Flip killed and mixed into his beef jerky, they threw up all over the place, and when Flip found out, he wanted to kill me. But, I had called the cops on him, but Flip got away.

When Yumi Ratara was done, our faces turned green, and we stopped our workouts, and we ran for the trashcans, and we hurled like crazy.

Nico: Damn, now that was really sickening. Now, we can also add cannibalism to Flip's list of many charges.

Me: That was just fucking sick.

Lincoln went outside, and from far away, he dropped a piano on Flip's head, and he screamed in pain. Then, he shouted at Flip.

Lincoln: (Yelling) That's for mixing the limbs of dead humans in your beef jerky, you ugly, mutated cheapskate pig!

Then, we came back inside to the gym, and we continued our workouts.

Nico: That was one disgusting revelation, and awesome payback on him, Lincoln. So, Evelyn, what's the revelation about Morag?

Evelyn Zuckerburg: You won't like it, Nico, and this also goes for Duke Lincoln, Lucille, their family, Elizabeth O'Carroll, and you too, Mira. I'd found out in the history books from Loch Loud in Scotland that Aggie McLaughlin, Morag's ancestor, killed the Loud Family's ancestors 400 years ago, by using a mystical stone that mind-controlled Leia, the guardian dragon of Loch Loud, and incinerated them to ashes, as she laughed cruelly and insanely. She got away with it, and Loch Loud fell to ruin, because of her.

We gasped in shock and horror at the revelation, Mira and Elizabeth O'Carroll were so enraged at that witch for what she did to the Loud Family's ancestors 400 years ago, and when Duke Lincoln, who's in his kid form, Lucille, and their family found out, the memories of that dark incident four centuries ago came back to them.

Mira McLaughlin: (Scottish Accent) I knew that my mother was bad enough for what she tried to do, but to also find out that Aggie

McLaughlin had killed the rulers of Loch Loud 400 years ago, and all for peace and quiet, that very evil had indeed left its mark on Morag.

Elizabeth O'Carroll: (Scottish Accent) Both your former mother and Aggie were nothing more than evil, spiteful, heartless witches who'll kill anyone who gets in their way, Mira. Which is why I'm glad you're nothing like your mother and Aggie. Lincoln told me everything about you, and I'm glad that you've severed your ties to Morag before you got Gene-Slammed.

Mira McLaughlin: (Scottish Accent) Thank you, Elizabeth. But, this doesn't change the fact that now, the McLaughlin family are now the most hated family in Scotland and the world, because of what Aggie did 400 years ago, and what Morag tried to do to Lincoln and his family, and allying with Team Dark Phoenix Storm last year.

Suddenly, Duke Lincoln's orange eyes have turned red with rage and hatred towards Morag and Aggie McLaughlin, and we saw his orange energy aura with elemental forces flare up, and we felt something snap in his mind.

Duke Lincoln: (Scottish Accent) Aggie… , Morag… , I will never forgive you both. What you did to me and my family 400 years ago, Aggie, you killed us and brought ruin to Loch Loud, and what you tried to do, Morag, I will personally see to it that the both of you are erased from existence forever!

We gasped in shock.

Lincoln: Oh no. Duke Lincoln's snapped.

Suddenly, Duke Lincoln's massive Sword of The Loud Clan unholstered from his back, along with the Swords of The Loud Clan from the backs of Lucille and their family, and they were surrounded by a kaleidoscope of turquoise, sea foam green, purple, yellow, red, orange, brown, black, blue, pink, light green, lavender, salmon pink, and dark green energy and elemental forces. Then, when they emerge, they were transformed into Lugus' Celtic Dragon Swords of Elemental Justice, they're brand-new large swords with 6'9" massive, wide, double-edged, man-sized blades with the powerful Celtic God, Lugus, and a Celtic Knot circle with the elemental forces on top of the Celtic Knot circle surrounding him etched on it, large turquoise, sea foam green, purple, yellow, red, orange, brown, black, blue, pink, light green, lavender, salmon pink, and dark green dragon heads with turquoise, sea foam green, purple, yellow, red, orange, brown, black, blue, pink, light green, lavender, salmon pink, and dark green gems for eyes for the crossguards, large blue gems for the hilts, longer black handles, and four large turquoise, sea foam green, purple, yellow, red, orange, brown, black, blue, pink, light green, lavender, salmon pink, and dark green dragon heads with the colored gems for the eyes and in their open mouths.

Lincoln: Whoa, now those new swords look really awesome.

Lincoln 2: I knew those swords looked familiar. Duke Lincoln, Lucille, those new swords before you all are Lugus' Celtic Dragon Swords of Elemental Justice, they've evolved from your Swords of The Loud Clan.

Duke Lincoln: (Scottish Accent) Incredible.

The other Lugus' Celtic Dragon Swords of Elemental Justice were holstered on the backs of Lucille and the other members of Duke Lincoln's family, and Duke Lincoln's massive Lugus' Celtic Dragon Sword of Elemental Justice called out to him, and he had grabbed the longer black handle of his new sword. Suddenly, Duke Lincoln's orange eyes glowed even more, and his white hair grew longer and it went down to the bottom of his neck, and he has orange highlights in the bangs of his hair, but it wasn't over yet. Next, we saw Duke Lincoln grow to 7'0" in height, and we saw all his upper and lower body muscles growing abnormally massive and powerful at a very incredible rate, and it caused the top of his outfit to rip, and his long blue pants tear and turned into shorts, and his black boots were still intact, and we saw that Duke Lincoln now has powerful upper and lower body muscles and eight-pack abs. When we saw what happened to Duke Lincoln, we were really stunned, Duke Lincoln has turned into a very muscular hunk. Suddenly, Duke Lincoln felt a sharp pain on his wider and more muscular back, and then, massive white angel wings with orange tips sprouted out from his wider and more muscular back.

We also saw that Lucille and the rest of Duke Lincoln's family grew to 6'5" in height, their clothes have gotten longer, and they now have massive angel wings in the same colors as their hair sprout out from their backs.

Me: Whoa, now that's so awesome!

Nico: New weapons and transformations for The Louds' Scottish Ancestors, that's so awesome.

Duke Lincoln: (Scottish Accent) Indeed it is, Nico.

We gasped when we also heard Duke Lincoln's voice become deeper after his transformation, and Lincoln made a mirror out of water, and when Duke Lincoln saw just what happened to him when he grabbed his brand-new sword, he was amazed. Then, his orange Scottish kilt around his waist with long red trenchcoat flaps held up by his new Belt of Elemental Bravery with large red gem for the belt buckle on his waist, large weighted orange bands on his massive biceps and thighs, his new Bracelets of The Champions of The Universe with red gems on his wrists, dark blue pants with the elemental forces, and black leather ankle-length combat boots, large Blue Lantern ring on his left ring finger and eight large orange orbs orbiting around his legs appeared again.

Suddenly, the memory of what Aggie did to Duke Lincoln and his family 400 years ago in Loch Loud caused something within his mind to snap, and Duke Lincoln's orange eyes turned neon orange, and he was surrounded by an orange energy aura with the elemental forces of Fire, Ice, Water, Earth, Light, Darkness, Nature, Lightning, Wood, Crystal, Time, and Stars.

Duke Lincoln: (Scottish Accent) Aggie McLaughlin, what you did to us 400 years ago by killing us and just for peace and quiet can never be forgiven, and what you tried to do to my descendent, Lincoln, and his family, last year, Morag, and for the same reason as Aggie, is completely despicable. (Getting Angry) But, to also ally with Team Dark Phoenix Storm and use the dark forces to accomplish your selfish deeds… , THE BOTH OF YOU DESERVE NO FORGIVENESS FROM ME OR MY FAMILY, AND FOR THAT, BOTH OF YOUR DAMNED SOULS DESERVED TO BE WIPED FROM EXISTENCE!

We gasped in pure shock.

Nico: Uh oh, Duke Lincoln's snapped even more.

Eli: HIT THE DECK!

We ran for cover, and then, Duke Lincoln screamed like a madman, and he was then surrounded by a massive vortex of orange energy with the elemental forces of Fire, Ice, Water, Earth, Light, Darkness, Nature, Lightning, Wood, Crystal, Time, and Stars, we also saw the legendary creatures of Scottish Myth circling around the vortex, and there was a red phoenix inside the vortex. Then, as the vortex faded, Duke Lincoln emerged, but he was changed forever.

The 7'0" tall, handsome, and extremely muscular Duke Lincoln remained the same, along with his clothes, large eight orange orbs orbiting around his legs and massive white angel wings with orange tips on the large white feathers, he has neon orange eyes and a neon orange energy aura with the elemental forces of Fire, Ice, Water, Earth, Light, Darkness, Nature, Space, Stars, and Lightning surrounding him, he has a Celtic dragon with the Eternity Kanji in its claws emblazoned on his forehead, he has on Celtic dragon head stud earrings with orange crystals for eyes and the Eternity Kanji on top of its head, and his large Crystal Necklace of the Buddha with orange crystal links and with a Celtic dragon head with orange crystals for eyes and the Eternity Kanji on top of its head across his bare chest. Duke Lincoln's large weighted orange bands on his massive biceps and thighs now have silver phoenixes on them.

Duke Lincoln had his massive Lugus' Celtic Dragon Sword of Elemental Justice in his large left hand, and he has on his new large gold cuff Bracelets of the Champions of The Universe with orange gems on his wrists, long red trenchcoat flaps with elemental forces and Celtic Dragons on the coattails around his orange Scottish Kilt around his waist and held up by his new large gold Belt of Elemental Bravery with a golden dragon head with orange gems for eyes and a large orange gem in its open mouth for the belt buckle on his waist, large orange Spellbook of The Gods and The Universe and large orange e Universal Spellbook of The Elemental Forces on his left hip and Eater of Sins revolver holstered on his right hip, and a Blue Lantern Corps ring on his right ring finger. Duke Lincoln has a Celtic

Dragon with the elemental forces of Fire, Ice, Water, Earth, Light, Darkness, Nature, Space, Stars, and Lightning surrounding it tattooed on his wider, brawnier, and more muscular back, and there's an orange kanji below the Celtic dragon that said, "Duke Lincoln, 16th Scottish Ancestor of Lincoln Loud and Duke of Loch Loud, Protector and Male Heir of The Loud Clan, Loving Son and Brother, Brave Defender of Scotland's Vast History, Destroyer of Aggie and Morag McLaughlin, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Emissary of Lugus, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of The Elemental Forces and Celtic Dragons" Duke Lincoln has transformed into SUPER ANGEL ETERNITY INFINITY ELEMENTAL CELTIC ANGEL OF SCOTTISH BRAVERY AND DRACONIC JUSTICE AND CELTIC HOPE!

We were amazed by Duke Lincoln's Super Angel Eternity Infinity transformation, including his family and Lincoln and his family.

Duke Lincoln: (Divine Echoing Cosmic Voice of Celtic Elemental Bravery and Celtic Draconic Hope and Justice) (Scottish Accent) Incredible, now, I've transformed into my new Super Angel Eternity Infinity form. This is indeed amazing.

We then got a shower afterwards, but then, the alarm sounded, and we saw that Rakan Dahkaran is causing havoc.

Fa Yuiry: Oh great, Rakan Dahkaran is causing havoc.

Lincoln: Not for long, let's head out there and teach that monster a lesson.

We then headed out, and suddenly, we also saw that he's fighting another figure, it was none other than Sumeragi Tennyo, a friend of the Momo Kyun Sword girls in Lincoln's harem.

Lincoln: Oh, no way, it's Sumeragi Tennyo, and she's fighting Rakan Dahkarvan.

Momoko: Let's give her a hand.

Lincoln fired a powerful rainbow energy blast, which hits Rakan

Dahkarvan, and Sumeragi Tennyo was surprised to see us, along with Momoko, Onihime, Enki, Kaguya, Karin, Kijigami, Kushinada, Maron, Ringo, and Suika. But, when she saw the Thunderbird Necklaces of Eternal Love with colored gems on the gold lightning bolts and crystals from the Crystal Necklaces of The Buddha, she knew Lincoln was the one who saved them, and she's proud of them. When Rakan saw us here, he was enraged.

Rakan Dahkarvan: How dare you show your faces, Team Loud Phoenix Storm? You will all pay for what you did to Haman Karn!

Lincoln: Don't even think about it, Rakan. You're just as guilty as Haman for assisting her in her evil schemes, and you've got a lot of blood on your hands to prove our point, you monster.

Duke Lincoln: (Divine Echoing Cosmic Voice of Celtic Elemental Bravery and Celtic Draconic Hope and Justice) (Scottish Accent) And we don't take kindly to those who kill innocent people, especially those who show absolutely no remorse for the lives they've taken. A monster like you deserves only death.

Karin Kanzuki: And that's exactly what you deserve.

Suddenly, Karin Kanzuki's brown eyes turned neon brown, and she was surrounded by a red energy aura with sakura blossoms, fire, and phoenixes, she unholstered her massive Sword of The Street Fighters, and as she approached Rakan Dahkaran, she left red energy, sakura blossoms, fire, and phoenixes with every step. Suddenly, Karin Kanzuki was surrounded by a massive vortex of pink energy with sakura blossoms and fire surrounding the vortex, there's a phoenix flying around the vortex, and in the vortex is a red phoenix. Then, as the vortex faded, Karin Kanzuki emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Karin Kanzuki grew to 6'5" in height, she had the body of a goddess and has red highlights in the bangs of her long blonde hair, she has neon brown eyes and a red energy aura with sakura blossoms, fire, and phoenixes surrounding her. She has a phoenix with a sakura blossom and the Fire Kanji in its claws emblazoned on her forehead, she has on phoenix earrings with red crystals for the eyes and the Fire Kanji in its claws, and she also has a phoenix with red crystals for the eyes and the Fire Kanji in its claws for the second pendant of her Thunderbird Necklace of Eternal Love with red gems on the gold lightning bolts and red crystals from her Crystal Necklace of The Buddha which merged with her Thunderbird Necklace of Eternal Love. Karin Kanzuki was dressed in a red long-sleeved jacket with a blue frill shirt with a red phoenix on it, white frill folded sleeves underneath, a white ascot tie at the center of her collar, a red frill skirt, black tights, black shoes, and a red long-sleeved trenchcoat with sakura blossoms and flames on the coattails, and a phoenix holding the Street Fighter logo in its claws on the back. Suddenly, Karin Kanzuki felt a sharp pain on her back, and then, massive blonde angel wings with red tips on the large blonde feathers, sprouted out from her back.

Suddenly, Karin Kanzuki's massive Sword of The Street Fighter was surrounded by a beautiful kaleidoscope of red energy, sakura blossoms, and fire. Then, as the kaleidoscope fades, it was transformed into Hestia's Sakura Blossom Sword of Fiery Justice, it's a brand-new large sword with a 6'7" massive, wide, double-edged, man-sized red blade with the image of Hestia, The Greek Goddess of Fire etched on it, large red angel wings for the crossguard, large blue gem for the hilt, longer black handle, and large red gem with surrounding angel wings for the pommel. Karin Kanzuki has transformed into SUPER ANGEL INFINITY CRIMSON SAKURA BLOSSOM ANGEL OF FIRESTORM LOVE AND INFERNO JUSTICE!

We were amazed by Karin Kanzuki's Super Angel Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes. But, when Rakan Dahkaran saw it, he fell into a murderous rage and tried to attack her, but Karin Kanzuki fired a powerful red energy blast with sakura blossoms, light, and phoenixes, and it hit him.

Lincoln: Wow, Karin, you look beautiful, how do you feel?

Karin Kanzuki: (Divine Echoing Cosmic Voice of The Sakura Phoenix and Firestorm Love) **I feel incredible, Linky, and now, shall we put an end to this murderous monster?**

Lincoln: (Smirks) You got it, Karin.

Duke Lincoln: (Divine Echoing Cosmic Voice of Celtic Elemental Bravery and Celtic Draconic Hope and Justice) (Scottish Accent) Hope you don't mind me joining in too?

Sumeragi Tennyo: Same with me.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Sure, Duke Lincoln and Sumeragi. Let's put an end to this monster. Eli, if you would?**

Eli rang the bell.

DING! DING!

As soon as he did that, Karin Kanzuki, Lincoln, Sumeragi Tennyo, and Duke Lincoln went after Rakan Dahkaran, and they fired powerful blasts of red energy, rainbow energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time Energy, Gravity, and Magic, Thunderbirds, Phoenixes, Buffalo, Angels, and sakura blossoms, and they exploded with incredible power as they hit the remorseless war veteran. Then, they attacked him with their massive swords, and left painful scars on him. Then, they fire massive energy beams which hits Rakan Dahkaran, and they exploded with incredible power, and the resulting explosion killed him, and as soon as his spirit appeared, Duke Lincoln marked his forehead with a kanji, and it also affected Morag and Aggie who are still in Hell, and after being found guilty by those they've killed, Haman Karn, Morag, and Aggie McLaughlin were erased from existence forever. We cheered wildly for Lincoln, Karin Kanzuki, Duke Lincoln, and Sumeragi Tennyo, as they holster their weapons and power down, and Karin Kanzuki and Duke Lincoln's new bodies, clothes, weapons, angel wings, and jewelry are permanent.

Lincoln, Karin Kanzuki, Duke Lincoln, and Sumeragi Tennyo: In the immortal words of Nico, Rakan Dahkaran, Morag, and Aggie McLaughlin, you three monsters have failed this entire world!

Nico: Ah yeah, that's telling 'em, guys!

Karin Kanzuki: Thank you for helping me take care of Rakan Dahkaran, Linky.

Lincoln: (Smiles Warmly) You're welcome, Karin.

Lincoln wrapped his abnormally massive and powerful muscular arms around Karin Kanzuki's waist, and he brought her into an embrace, which took her by surprise and that brought an atomic red blush to her face. Then, as Lincoln leaned down to her face, they kissed passionately as she wraps her left arm around his wider and muscular back, and her left hand was on his massive and wide right pec, and right behind them was a Thunderbird, Angel, and Phoenix flying in the air, and we also saw a herd of Buffalo running across the field and sakura blossoms falling behind them, and the display of the elemental forces. We had tears in our eyes and a smile on our faces.

Me: Now, that is so beautiful.

Nico: You said it, bro. And now, we're rid of Rakan Dahkaran for good.

Duke Lincoln: (Scottish Accent) Along with Morag and Aggie McLaughlin. (Smirks) And Lincoln's also getting another member to his harem.

Suddenly, we saw that Sumeragi Tennyo went up to Lincoln after he and Karin separated, and then, she wrapped her arms around Lincoln's waist, and he responded by wrapping his abnormally massive and powerful muscular arms around Sumeragi's waist, and he leaned down to her face and kissed her passionately, which she returned, and we saw a Thunderbird Necklace of Eternal Love with red gems on the gold lightning bolts and red crystals from her Crystal Necklace of The Buddha which merged with her Thunderbird Necklace of Eternal Love appear on Sumeragi Tennyo's neck.

Nico: Whoa.

Me: Way to go, big guy. (To Duke Lincoln) And don't worry, Duke Lincoln, you'll also get a chance to rescue a girl.

Duke Lincoln: (Scottish Accent) That's true, but for now, I have to be patient.

We returned to the Estate, and not only are Sumeragi Tennyo is a new member of the team and a new member and future wife of Lincoln, but we're now rid of Rakan Dahkaran, Morag, and Aggie McLaughlin for good, and they're never coming back.

---

Later, Me and Qin were getting ready for Qin's 3rd Ambassador Mission and Captain Cold was with us too. Then Heat Wave, Weather Wizard, Trickster, Mirror Master and Top appeared too.

Captain Cold: What are you guys doing here?

Heat Wave: C'mon! You really thought we'd let you go with Qin and J.D. by yourself?

Captain Cold: This will be just like old times.

Nico: I get it. The Flash Rogues will be all with you this time.

Zoe Orimoto: I think we'll tag along too.

Taranee, Shane Clarke, Raimundo, Zoe Orimoto and Ant Man Decided to come with as wel.

Me: That's fine with us. Wouldn't be the same if their archenemies weren't with. But it will be awesome for Mike to meet you all.

Taranee: It sure would.

Qin: Awesome. Lets head out.

We were off to Detroit.

Mike Chilman: Hey guys!

Me: Hey Mike.

Qin: Guys, meet my archenemy. And his team.

Captain Cold: Awesome to meet you. Leonard Snart but everyone calls me Captain Cold.

Heatwave: Mick Rory but I go by Heatwave.

Weather Wizard: I'm Mark Mardon but you can call me Weather Wizard.

Trickster: The name is Giovanni Giuseppe Axel Walker but I go by Trickster.

Mirror Master: I'm Evan McCulloch but you can call me Mirror Master.

Top: And I'm Roscoe Dillon but everyone calls me the Top.

Me: They are the Flash Rogues and these are their archenemies too.

Taranee: Awesome to meet you. Taranee Cook.

Shane: Shane Clarke, Red Ninja Storm Power Ranger.

Raimundo: Raimundo of the Xiaolin Dragons.

Zoe: Zoe Orimoto, master of the Spirits of Wind and Water

Ant Man: And I'm Scott Lang but you can call me Ant Man.

Mike Chilman: Wow! Awesome to meet you all.

Julie Kang: Same here and it's an honor.

Captain Cold: So, I take it we're going after one of Kane's hideouts?

Mike Chilman: Yes we are.

Me: Awesome. We can raid it and find information we can use from it to use against Kane for when we come here on April 14th.

Top: Good thinking.

Qin: Yep.

Julie Kane: That is a good idea.

Jacob: Lets hope that Kane's hideout is still active with power.

Me: I have a feeling it is.

Mike Chilton: So, Qin. While we're walking to the hideout, can you tell me what your reversion to human form feels like?

Qin: It was excruciatingly painful at first. But I got used to it from over the years. I now have the power to change at will. It feels like someone is tearing me apart and pasting me back together in a weird way.

Me: Yeah it was scary for her.

Captain Cold: Yeah it sure was.

Zoe Orimoto: But we helped her get through it.

Ant Man: We sure did.

We arrived at Kane's hideout.

Guard: Freeze!

Captain Cold: You first. (fires cold gun)

He froze them in blocks of ice.

Me: And now you two shatter.

I fired energy beams and blew them into pieces.

Julie Kane: Take that.

Heatwave fired beams of fire and incinerated more guards everywhere.

They were all dead.

Me: That was easy.

Mike Chilman: Too easy.

Captain Cold: Do you guys see if there's anything here?

Me: Computers. Lets take a look.

I got onto the computer and we saw more plans to expand Detroit Deluxe and also for making EVERY Major City in The World Like it as well as destroy the originals underneath it.

Me: Wow! Kane really went and thought of everything.

Qin: Wow! He was going to turn every major city in the world like Detroit Deluxe?

Captain Cold: That is insane. Kane's still not worth killing. Besides, Gotham Royal York is fine the way it is.

Me: You got that right. But I don't think Kane would have the expertise or the resources to build a place like Detroit Deluxe over a city with a huge 100 mile high tree in it. But there's more than just plans like this for every major city. He has robots, guards, weapons, plans for all kinds of schemes.

Qin: Does it say how he got his power and money?

Me: Hmm lets see.

I pulled up his records and money information and it showed that all his money WAS STOLEN! It showed that he stole all his wealth and money from shady underworld criminal organizations like the mafia and terrorist organizations and they were surprisingly all the terrorist organizations and mafia rings that we all brought down. He stole $529,395,973,487,392,963.00 from them all and used it to fund his empire.

Me: Whoa! So that's where he got his money from. I can't believe I'm saying this but Kane did us a massive favor and defunded all these organizations for us so they would be easier to destroy and take down.

We later came back.

Nico: Hey guys. How did it go?

Me: Really awesome Nico and we found out something interesting.

I told him everything and showed everyone how Kane got all his money and more.

Nico: Whoa! So that's how Kane rose to power. He defunded many crime rings and terrorist organizations. Looks like he is now numero uno on the World Mafias and Terrorists Of The Worlds Hit List.

Me: And that will be perfect. Let THEM kill Kane in prison.

Eli: Yeah it will show him.

May: Who should come with you next time?

Qin: Nico next time.

Nico: I would be honored Qin.

Qin: Awesome.

Erica: Mind if me, Ellie and Missy all go too?

Qin: Sure.

---

Outside the bathroom, Lori was pounding on the bathroom door.

Lori: Leni hurry up! There are many other bathrooms you know.

Leni: But Lori mom said no running on the stairs.

Lori: Oh sorry Leni. I thought. Wait. If you're out here then who is in there?

Me: Oh Himiko is in there. She wants to show us her new awesome Hero Costume that Leni and Maria made for her.

Lori: Wow.

Himiko came out and she had a hero costume that looked like Layla Williams except it was rainbow color and had the kanjis of Fire, Water, Earth, Wind, Lightning, Time, Light, Dark, Lava, Crystal, Inferno, Explosion, Ice, Aurora, Steam, Steel, Swift, Scorch, Typhoon, Blood and Plants in a circle and she had a really awesome sword on her back.

Himiko Toga: How do I look?

Me: Wow! That is an awesome outfit Himiko!

Lori: That outfit is literally amazing!

Leni: It totes is perfect for you Himiko.

Me: It looks awesome on you.

Himiko Toga: Thanks guys. If I were a hero I would be called Lady Elementa.

Nico: Wow! That is a great hero name for you.

Eli: Lady Elementa. I like the sound of that.

Himiko Toga: Thanks guys.

Later we were at the hospital.

Kurumu: So this is where the Cybertronian signal came from, right?

Me: Yep. At the hospital.

Optimus Prime: I think we're going to meet a Live Action version of Ratchet here.

Nico: I have that same feeling too.

Eli: I sense he's close.

We then saw an ambulance and there was no one driving it.

Nico: I know that's you Live Action Ratchet.

Live Action Ratchet transformed and he was here on our Earth!

Live Action Ratchet: I hope you're proud of yourself, Barricade! Because of what you, Sentinel, Starscream, Soundwave, and Megatron caused, our kind are being despised by our Earth!

Lucy Loud: I wonder if you guys can get stronger from the hatred of the people of your Earth.

Barricade: Are you trying to make a joke while Ratchet is yelling at me?!

Lucy Loud: Sorry.

Me: Ratchet I'm sorry you had to go through what you went through on your Earth.

Nico: Yeah it was horrible and I'm sorry that happened to you. But I promise you that Megatron, Starscream and the remainder of Cemetery Wind and those monsters will all pay for their crimes.

Sentinel Prime is in exile here on our world in our Frenemies in the M.O.E. He felt so bad about what he did to your world because the stress of war got to him over the years and it took a toll on his mind. He didn't mean for all this to happen to all of you. He's now in exile because of it.

Lori Jimenez: It's true.

Live Action Sentinel Prime showed up.

Live Action Sentinel Prime: Ratchet. I'm glad you're here.

Live Action Ratchet: Tell me, Sentinel. Was humanity betraying us really what you wanted?!

Live Action Sentinel Prime: (sighs) No. Like I said before, all I wanted was the survival of our race. I sincerely regret all the actions I took to try and ensure that. I just hope you can forgive me

Live Action Ratchet: (sighs as well) I DO forgive you, Sentinel. But it's Optimus you should be apologizizing to.

William: Something tells me that's gonna be VERY hard to do.

Me: The scars of betrayal are very deep ones and THEY are usually the hardest to overcome.

Nico: No kidding.

Lugnut: (to Lincoln) I know usually you would go with your harem on the second missions. But this time, you should go with Starlight on her first in your muscular form. Especially considering how badly the main Live Action Autobots will react to the mere mention of Sentinel's name.

Lincoln: Noted and agreed on that.

Me: That is a wise call there Lugnut.

Elita One: Look on the bright side. At least you get to work with our medics on this world.

Live Action Ratchet: That's true. (to G1 Ratchet, Animated Ratchet, and Aligned Ratchet) And it's better since 3 of them are my other selves.

Nico: That is true. I think it's awesome now that we have 4 versions of Ratchet with us.

Eli: That is really cool.

Ratchet: It's like I have 3 more brothers!

We laughed.

Aligned Bulkhead: Alright! We got 4 versions of Ratchet now!

Unfortunately, Bulkhead accidentally punched one of Ratchet's equipment, destroying it.

CRASH!

Drill Man: Shouldn't have done that, Bulkhead.

All 4 Ratchets: BULKHEAD! WE NEEDED THAT!

We laughed!

Laney: (Laughs) That's funny!

Nico: (LAUGHS) Just like what happened when I saw that in the Aligned Transformer world.

Me: (LAUGHS) Deja-vu.

Eli: So funny.

Later we were getting ready for our next mission.

Me: I wonder what this mission will be like.

Nico: Well we will find out soon. And we got to act fast however. We got word that Chandler's mom Kara was captured.

Laney: Oh no! Mrs. Henderson is in trouble!

Chandler: You guys go on. I'll stay here. I don't want to face my mom after everything I did.

Nico: It's your choice Chandler. We won't push you and we understand.

Captain Cold, Vanitas, Waffle Woman, Ghost, Pete, Trickster, Box Ghost, Ssserpent, Onyx and Rojo then appeared.

Captain Cold: I know I JUST was on Qin's mission. But can me, Vanitas, Waffle Woman, Ghost, Pete, Trickster, Box Ghost, Ssserpent, Onyx and Rojo go with you guys?

Nico: You all sure can. Scans show that Kara Henderson was taken to an island right here.

Nico pointed on a map to an island not even listed on it. It was located at Latitude: 25.633871 | Longitude: -126.38685

Me: Wow that's 500 miles off the northwestern coast of Mexico.

Himiko Toga: Oh boy.

Gravity Man: So, Nico. Which Gene Slammer do you think you'll meet on your next rescue?

Nico: I'm hoping to meet a… Hmm.

Me: You'll think of something. How about a Predator alien this time?

Nico: Good idea. And I have just the one. A Colicrensis Gene-Slammer.

Shanan: Wow! The natural predator of the Viscosians. That's a great idea.

Eli: This wil be interesting.

Nico: It sure will.

Laney: Those looked like mosquitos.

Twilight Sparkle: That will be cool to see.

Lana: Yep.

Lincoln: That island is bound to be a trap, so this time, all of us are going there prepared. We don't even know what we're going to face there.

Nico: Good idea, big guy.

We were getting prepared for our mission to the island, but before we could go out, Lincoln's deep sapphire blue eyes glowed even more, as he sensed a dark energy, and he saw a vision of who that dark energy belonged to, it was none other than our old enemy, Victor Creed A.K.A. Sabretooth, and he's returned from the dead and he wants revenge on us for ending him six years ago. When we saw that, it definitely meant trouble.

Nico: Uh oh, Lincoln, trouble?

Lincoln: Afraid so, Nico, and none of us are going to like it one bit, especially you, Wolverine: the figure I saw is none other than our old enemy, Victor Creed A.K.A. Sabretooth, and he's returned from the dead and he wants revenge on us for ending him six years ago.

We gasped in shock.

Me: Sabretooth's back?! This is so not good!

Nico: You said it, J.D. I can't believe that animal is back from the dead.

Wolverine: I'm not surprised though, I knew nothing could keep Victor down for good, so if he's come back for more, I'm more than ready to go a few rounds with him again.

Lincoln: And I also sense that Sam's going to transform, as well.

Sam Simpson: That's right. But, first, Wolverine will get in his few rounds with Sabretooth, and then, we swoop in and destroy him for good, and give him The Black Gates.

Lincoln: Right, Sam. That animal made the big mistake returning from the dead, but he's in for one nasty surprise when he sees us.

Nico: You got that right, big guy. Oh, here, you'll need this.

Nico handed Lincoln the Vibranium sword that Rotwood was about to use to kill him years ago.

Lincoln: The Vibranium sword.

Eli: If I remember correctly, the Vibranium has a negative effect on Wolverine's healing factor, so this will also have a negative effect on Sabretooth. Awesome.

Lincoln: Yep, with a couple of slashes from this bad boy, Sabretooth's in for one nasty surprise.

Nico: Alright, everyone, let's get going.

We then headed for the mysterious island, and later on, Wolverine, Sam Simpson, and Lincoln are going to fight Victor Creed A.K.A. Sabretooth, who's returned from the dead and wants revenge, but he's in for a nasty surprise.

---

We arrived at the island.

Me: Wow so this is the island and it's all the middle of the Eastern Pacific Ocean.

Nico: Sure looks like a cool place.

Eli: I sense a lot of things here.

SpongeBob: Something about this is familiar.

Sserpent: What do you mean?

SpongeBob: Well this reminds me of Karate Island.

Lily: I remember that. That was a really harrowing adventure for me and Sandy and I thought it was awesome.

Sandy: It sure was Lily. We had to save SpongeBob from buying a condo. The whole island was a front for a scam to sell real estate.

Nico: Whoa! That doesn't sound like a good plan for people to buy houses.

Lana: Yeah.

Lily: The cool part is the man that was the ringleader of that whole scam, I complimented him on sounding like the great legendary actor Pat Morita.

We then took off our hats and had our hands on our chests and had a moment of silence for the legendary actor of the Karate Kid movies.

Nico: Pat Morita will never be forgotten and may he rest in peace.

Me: He will always be a great inspiration to many people for many years to come.

Eli: Yeah.

Lily: We had to face 3 very silly villains there.

Gluko: I think this might be a different kind of plan.

Nico: I have a feeling you're right Gluko. We better get over there and quick.

Box Ghost: But Pat Morita really will be remembered.

Nico: Yes he will. And I love his trademark line. (Japanese Accent and Imitating Pat Morita) Concentrate.

Eli: That will always be legendary.

Laney: It sure will.

Dreamcatcher: You think we'll fight those same villains?

Lily: I have a feeling we will and they will make perfect archenemies for Ophelia, Yumi and Catherine.

Catherine Torres: Who are they?

Lily: They are awesome and really funny. They are The Tickler, Lipp Cervas and Filthy Phil.

She went over their history.

---

The Tickler

The Tickler is a fish villain who appears in the episode "Karate Island" and the video game Fists of Foam.

The Tickler is one of the colleagues in Condo Island, and he is on the first floor of the Four Floors of Fear building. When Sandy reaches him, he is winning the fight against Sandy until she pulls out jelly-filled doughnuts and stuffs them in his face.

Lipp Cervas

Lipp Cervas is a fish villain who appears in the episode "Karate Island" and the video game Fists of Foam.

She is an orange fish with yellow hair and pink lipstick. She wears a blue shirt and blue pants with an orange belt along with black boots.

Role in episode

Lipp Cervas is one of the colleagues in Condo Island, and she is on the second floor of the Four Floors of Fear building. When Sandy reaches Lipp Cervas Sandy uses a hair dryer on her lips, making them dry and shatter into small pieces, forcing her to use lip balm to fix them.

Filthy Phil

Filthy Phil is a fish villain who appears in the episode "Karate Island" and the video game Fists of Foam.

He is an overweight fish who is dark green on the back, sides, lips, and pupils. He is light green on his stomach and chest, and has lime fins.

Filthy Phil is one of the colleagues in Condo Island, and he is on the third floor of the Four Floors of Fear building. When Sandy reaches him, he tries to defeat her, but because of her helmet, she is not able to smell it and stands perfectly safe. The smell, however, comes to him and causes him to faint, allowing Sandy to get to the top floor of the building to save SpongeBob.

---

When she was done we were shocked and amazed and even trying to hold in laughter.

Nico: Okay that is funny.

Me: Those are some silly names for villains. But that Filthy Phil guy must REALLY smell horrible!

Lily: He smelled worse than Lori's farts! And his body odor was so terrible that I hurled my guts out all over him when he fainted from his stench!

Nico: YUCK!

Me: He must've really smelled worse than a hundred shitfilled buckets of raw sewage.

Lily: Well he wasn't called Filthy Phil just for show.

Pete: Who are we gonna face first?

Lily: I forgot to mention that Condo Island was in every way like what happened in that movie with the Great Bruce Lee and he had to defeat every foe on each floor. The Tickler is first.

Ophelia Nasturtium: I'll face him first.

Nico: Awesome.

Me: We should be just about there and it'll be like living one of the great Bruce Lee's movies.

Fei Long: I'm always up for a challenge.

Laney: Same with me.

We arrived at the tower.

Nico: This is it.

Kara Henderson: (From in the top floor) SOMEONE GET ME OUT OF HERE!

Nico: Hang on Mrs. Henderson!

We went in.

We then came across THE TICKLER!

Teen Titans Lightning: You must be the Tickler.

The Tickler: (French Accent) Ha. Ha-ha-ha. You cannot pass unless you defeat me, The Tickler, and my iron-finger style.

Ophelia Nasturtium: Bring it on tickle boy.

The Tickler: Look over there!

Ophelia Nasturtium: I'm not falling for that!

Ophelia jumped and kicked him and knocked him down and then he got up and she blocked his iron fingers and kicked him in his face and smashed and pounded him and then she jumped back and Tickler went at her with a tickle attack and she used her magnetic powers to pulled his iron hands out and then she used them against him and tickled him all over.

Ophelia Nasturtium: Coochie coochie coo!

He was laughing hysterically!

Then he jumped back.

Ophelia Nasturtium: Now for this. (Pulls out a tray of donuts)

Tickler: OH NO! Jelly-filled donuts? How did you know they were my weakness?

Ophelia Nasturtium: No one can resist jelly filled.

Ophelia threw them into his mouth and knocked him down.

Nico: Awesome Ophelia!

Ophelia Nasturtium: One down and 2 to go. The Tickler will make a great addition to the M.O.E. as my archenemy.

Nico: Yep.

Vanitas: Maybe one of you should use Gojo Ryu on the next opponent.

Nico: That would be cool.

They got to the second floor.

Lipp Cervas: (Russian Accent) Halt! No one advances past me, Lipp Cervas, and my power-flexi dynamo-lip thruster style.

Yumi Ratara: I will take you on.

Lipp Cervas: Then lets dance!

She sent her power thruster lips at Yumi and blocked her strikes.

Yumi Ratara: Lets see how you like this one.

She formed a moon in her hands and fired a moonlight beam and

Lipp Cervas's lips got dry and chapped!

Lipp Cervas: Oh no! Not chapped lips!

She pulled out lip balm and then when she put in on her lips shattered into dust!

Lola: Ooh ouch!

Sandy: This is giving me a very strong sense of deja-vu.

Lily: Same here Sandy.

Yumi Ratara: But Lipp Cervas will make an awesome archenemy for me in the M.O.E.

Lily: Yep. But plug your noses everyone. This is gonna be rancid.

Meowth: Alright! Who are you three working for?!

Nico: Meowth I think that from experiences from Lily and Sandy like this they are working for a land version of Master Udon.

Sandy: That could be it.

They went to the third floor and they saw FILTHY PHIL!

Filthy Phil: No one has ever made it to the lair of Filthy Phil. No one passes except me. Now, feel the steam of my horrible body odor.

Catherine Torres: Bring it on stink boy!

He groaned and released a REALLY PUTRID AND HORRIBLE STENCH FROM HIS BODY and Catherine held her breath and then pulled out a can of Shower in a Can and she then sprayed him and he was smelling fresh as a daisy and flowery too.

Nico: AWESOME!

Catherine Torres: Now he will be perfect for being my archenemy in the M.O.E.

Nico: We are just about there.

Me: Shall we do the entrance?

Trickster: First, we need to get Filthy Phil to tell us the name of his boss!

Maria: Good idea.

Catherine Torres: Right. Filthy Phil who are you working for?

Filthy Phil: You won't like him and he is someone that Robin knows. Not only is it a land version of Master Udon but also It's Katarou.

Robin gasped when he heard that name.

Me: Robin wasn't he that evil martial artist that tried to kill you through cheating and wasn't he one of the villains in the Brotherhood of Evil?

Robin: That's right and he was a rotten martial artist.

Robin told us all about him and it was terrible.

---

Katarou is a villain from the Teen Titans show. He is an Asian villain and an enemy of Robin, the leader of the Teen Titans.

Katarou first fought Robin when he was raiding a store in Jump City. He defeats Robin and tells him that if he wanted to be a better fighter, he should train with the True Master, and stole the staff. When Robin goes to Asia to train under the True Master, Katarou follows him so that he would be apprenticed instead.

After Robin defeats the three masters and learns their new experiences, he comes face to face with Katarou. With his newfound fighting skills, Robin manages to defeat Katarou. Angered by this Katarou attacks Robin, stating that the True Master must train him, but the True Master, who was witnessing Robin's newfound strength, stops him, denouncing him as a thief and a cheater and will not ever train him, and was taken off the mountain. It is presumed Katarou was sent to prison for his actions.

At some time, Katarou was recruited into the Brotherhood of Evil. Under the Brotherhood's orders, he successively captured Bushido. However, when the Titans fought the villains in the Brotherhood's base, Bushido got his revenge on Katarou by stomping on his face, which knocked him out. He was defeated along with his fellow villains afterwards.

---

When he was done we were shocked!

Nico: WHOA! He's really bad news.

Bushido: Yeah and I thought I had seen the last of him.

Laney: Whoa.

Me: At least we know who we are up against.

Nico: Yep. J.D. you can face Katarou while we have the usual battles to keep him distracted long enough. Lily you face the land version of Master Udon.

Lily: Right.

Me: This will be fun. I've been wanting to try my hand at fighting a martial arts villain like him.

Starlight Glimmer: One last thing. Who's the land version of Master Udon?

Filthy Phil: His name is Shen. Crane Hermit.

Tien gasped!

Master Roshi: Crane Hermit is back!?

Me: I thought me and Nico killed that monster!

Twilight Sparkle: Who is Crane Hermit?

Me: He was once Master Roshi's friend.

I went over his history.

---

Master Shen is the Crane Hermit (鶴仙人 Tsurusen'nin), master of the Crane School and Mercenary Tao's older brother. Whilst they both trained at the Mutaito Training Academy, a rivalry quickly grew between Shen and Master Roshi. Master Shen and Mercenary Tao, likewise, began to fight over the smallest things. Eventually, a simple spilled bowl of rice was enough to break the brothers apart.

Shen and Roshi were both students of Master Mutaito, and they quickly became rivals. Shen and Roshi later became friends and in the anime only, for a time, the creature known as InoShikaCho was their pet.

In anime filler it was shown that Shen and Roshi competed over a girl named Fanfan. When Fanfan rejected Shen's advances he knocked her out and took her hostage with his two friends. Roshi and the time-travelling Goku arrived and Goku manages to stop Shen's plan, with Shen being forced to start his training from the start by Mutaito.

Master Roshi states that when King Piccolo defeated Mutaito, he could not deal with the shame of losing in front of his pupils. Roshi believes that on that day, Shen changed for the worse. Mutaito returned and sealed King Piccolo with the Evil Containment Wave, but died in the process. Shen was never the same again. His heart became dark, and his Master's failure and eventual death weighed heavily on his mind. He eventually started the Crane School, whilst Roshi started the Turtle School, and their rivalry continued.

Master Shen's students Tien Shinhan and Chiaotzu enter The World Tournament while Master Shen watches. His rival Master Roshi, disguised as Jackie Chun, and his students Goku, Krillin, and Yamcha also enter the tournament. All of them reach the final eight. Tien Shinhan fights Yamcha and defeats him in the first match. The second match has Jackie Chun fighting Man-Wolf, which he defeats easily. Chiaotzu fights Krillin, but loses, in the third match. Goku defeats Pamput in the last match. Tien fights Jackie Chun in the first semifinal, and during this match, Master Shen figures out who

Jackie Chun really is and tells Tien by using telepathy. Tien tells Roshi he knows it is a disguise. Roshi starts lecturing Tien, which ultimately leads to Tien and Chiaotzu leaving Shen. Roshi forfeits the match, and Tien is ready for the final round. Goku and Krillin fight an intense fight next, but Goku is victorious.

During this tournament Master Shen finally hears what has happened to his brother Mercenary Tao. Only in the anime, Shen tries to kill Goku the night before the tournament, but he fails when Tien intervenes. Tien states that he will kill Goku during the final. After finding out that Shen ordered Chiaotzu to constantly paralyze Goku during the match, Tien has an argument with Shen and decides not to be an assassin anymore. This results in him no longer wanting to kill Goku. Furious after hearing this, Shen then angrily orders Chiaotzu to paralyze both Goku and Tien, in order for him to kill them both. As Chiaotzu refuses to paralyze either of them, Master Shen then grabs Chiaotzu and tries to kill him. Having seen enough, Roshi uses his Kamehameha to blast Shen away, thus saving Chiaotzu. Tien wins the tournament, but Shen is not present at the time.

In the filler episode, "The Time Room", Goku goes back in time and meets a teenaged Master Roshi and Master Shen when they were students under Mutaito. During this time, Shen and Roshi are rivals and Shen is as ruthless as in the present timeline, striking Roshi's love interest Fanfan and taking her hostage when she refuses to go out with him. He later challenges Goku to a fight, but Goku quickly proves to be much stronger and faster than Shen. When he realizes he cannot defeat Goku, he attempts to kill both Goku and Roshi by trapping them in a deadly ring of fire, but is finally stopped by Goku and is thereafter scolded by Mutaito, who tells him that if he wants to stay in his school he will have to restart his training from the beginning.

In the present time, he appears three years after King Piccolo's defeat when he returns to the tournament with his rebuilt brother Cyborg Tao. Tao brutally defeats Chiaotzu during the preliminary rounds and easily qualifies for the final rounds. Before Tien's match with Tao begins, Shen claims that Tien will stand no chance against his brother's new and improved body and that the Turtle School students should all give up before they get themselves killed. When the match finally begins, Shen eagerly watches. After a long match, Tien easily defeats Tao with one fell swoop, knocking Tao unconscious. Tien carries Tao over to Shen (who is in complete shock over his brother's defeat), telling Shen to never bother him or his friends ever again. Master Shen then carries away Tao and leaves in shame, swearing revenge on Tien, claiming he will not die peacefully.

Death

At some point after the 23rd World Martial Arts Tournament, Master Shen and his brother Tao got mixed up in something and died as a result of the event.

---

When I was done everyone was shocked.

Nico: I remember him. I was there when J.D. killed him. He was so evil. He was in a way a Martial Artist gone bad.

Me: Yep. The man that Master Roshi knew was gone.

Eli: Not good.

Waffle Woman: How about we eat first? I brought waffles.

Nico: Good idea.

We got to eating.

Filthy Phil: Can I have some?

Nico: Sure.

We got to having our little snack.

Nico: It's just hard to imagine that Shen the Crane Hermit is back after all this time. I thought we were rid of him for good.

Tien: Same with me. After everything he did at the World Martial

Arts Tournament we thought we had seen the last of him.

Eli: Why does Shen want to kill Goku and everyone Master Roshi knows?

Me: Master Goku killed his brother Tao. But also he wanted to eliminate the entire competition by wiping out all of Turtle School.

Master Roshi: J.D. is right. Shen was once my friend. But the man I once knew as my friend is gone. Whether it was our master Mutaito leaving in shame or the alluring power of evil, no one knows. He snapped.

Me: I have a feeling he used Chandler's mom as bait to draw us out so he can kill us.

Cynder: You guys know we still have to rescue Chandler's mom, right?

Nico: Yes we do Cynder and now it's personal. Change of plans. J.D. you face Master Shen and Eli you take on Katarou.

Me: Right.

Nico: This is gonna be good. This time we banish Shen to the Warp.

Laney: Good idea.

Nico: Lets do it. Entrance time.

Ghost: First, how about I rescue Chandler's mom from underneath their noses?

Nico: That's actually a good idea.

Me: Go for it.

Ghost used her skills and tactics.

Shen: Where are those fools? They should have been here by now.

Ghost snuck around him and got to Kara and then grabbed her and teleported away to us and Laney and Lana untied her.

Kara: Thanks guys. I owe you all.

Laney: You're welcome.

Nadira: Listen, can we take this time to talk to you about a few things?

Nico: Like what happened with your son.

Kara: I have no son. That mistake was never my son.

Onyx: Long story short, Chandler's a good guy now.

Kara: I don't care. I never want to see that monster again. He was a mistake and was just like his father.

Yumi Ratara: I don't blame her for hating Chandler for everything he has done.

Laney Sonnya Romanov: (Russian Accent) I don't either comrades. After everything he has done because of the witnesses of Lincoln's Guardian Angels she deserves to sever her ties to Chandler.

Nico: I'm sorry about everything Chandler did Mrs. Henderson and I don't blame you for hating him. But you got to let this hatred towards Chandler go now. He has completely changed for the better ever since his dark side was removed from him. At least give him a chance to prove it.

Kara: Why should I? He was a mistake that I had with that psychotic monster.

Sunny Tennyson: C'mon. We know deep down, you still love your son.

Laney: Mrs. Henderson please let this hatred go. I forgave you for what he did and I can never hate you for it. Can you give him another chance?

Kara had a lot of thinking to do.

Kara: Oh I will think about it.

Rojo: Now, why don't you get somewhere safe?

Nico: We can beam her to the estate.

Rojo: Okay but only away from Chandler.

Nico: Done.

Nico teleported her to the estate in her own room.

Grave Clobber: Time for our entrance.

Nico: Lets do it.

We flew for the ceiling.

Shen then saw that Kara was gone!

Master Shen: NO! SHE'S GONE!

Then the spirits of Disney, The Xiaolin Dragons, Marvel and Overwatch then appeared and swirled around him and blasted him all over and smashed him down and then converged and then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted through the floor and a phoenix cry was heard and we came out.

Nico: Hello Shen.

Me: You picked the wrong day to come back Shen. This time we're going to make sure you stay dead.

Katarou then came out!

Me: Katarou. Honor to meet you.

Katarou: Same here J.D.

Robin: Can't you see Shen's just using you? As soon as he gets what he wants with you, he's gonna dispose of you just like he plans to do with everyone else!

Katarou: I'll worry about him. You need to worry about yourself. I'll give you all one chance. Leave. And never return. Otherwise, you'll be in fates far worse then being frozen.

Maria: Not gonna happen. Besides, I think you know by now that we have tricks up our sleeves.

Nico: Tons of them.

Me: And Shen you and I have an old score to settle just like when I killed Tao for good.

Master Shen: YOU KILLED TAO!?

Then he exploded INTO A BALLISTIC RAGE! HE WENT AT ME!

Master Shen: DIE YOU MOTHERFUCKING CUR!

Me: Hey! Save that name for Evil Sasukes!

I went at him and kicked him in the face and he came at me and I dodged him and kicked him in the back and he crashed into the wall and then he got up.

Master Shen: I HATE YOU!

My aura flared up with an incredibly unbelievable intensity and he came at me and punched and kicked at me with incredible savagery and I dodged all his strikes.

Then Robo-Blaze, Dr. Light, Skulker, Brain Freezer, Manboy, Toiletnator, Diabolico, Riddler, Zexion, Chalmers and Killer Shrike appeared.

Nico: Robo-Blaze, Dr. Light, Skulker, Brain Freezer, Manboy, Toiletnator, Diabolico, Riddler, Zexion, Chalmers and Killer Shrike.

Robo Blaze: So, what do we call this place?

Dr. Light: I was thinking Karate Island 2.0

Skulker: We'll think of a name later.

Nico: Good thinking.

Brain Freezer: (to me) We heard you found a new recruit for us.

Me: I'd love to talk but (Dodges Shen's strikes) But I'm a little preoccupied at the moment.

Nico: Yes we did find a new recruit.

Man Boy: Was pizza really involved?

Nico: Yep TONS of it.

?: That is crazy.

A figure came out and it was GRINATAUR from episode 10 of Super Samurai!

He is sent by Serrator to cause misery by using his evil black sand to make people so hungry they will eat and drink until they explode. He attacked Panorama City and fought the rangers. He managed to fire his sand at all the Rangers except Emily, and she and Jayden go battle him. Emily then destroys him in Super Samurai Mode. He turns into a Mega Monster, but is destroyed by the Samurai Gigazord.

---

Jayden Grinataur!

Grinataur: Been a while rangers.

Nico: I remember you! You were sent to use your black sand to make people so hungry that they will eat and drink till they explode.

Grinataur: That's right Nico. Good memory.

Nico: That was an awesome one.

Grinataur: I don't suppose my powers will affect you guys?

May: They won't. Besides, we just ate.

Grinataur: I see.

Nico: This will be fun.

We got the usual battles underway.

## Sora, Twilight Sparkle, Starshine Sparkle, Magic Skylanders, Bloxx, Drill Man and Blade Man VS Robo Blaze - Nico's rescue

Robo Blaze was first.

Robo Blaze: (to Sora) Nico did a good job recruiting the Flamin' Yawn on his rescue. Too bad he didn't bring any pizzas home.

Sora: That was a strange but cool planet though and Flamin' Yawn will make a great addition to the group.

Twilight Sparkle: He sure will and he is awesome and fun.

Starshine Sparkle: I agree too. He's an anthropomorphic steak that breathes fire.

Spyro: A spicy steak with a flaming personality.

They laughed.

Bloxx: Hey that was a good one.

Robo-Blaze: That was funny. But true. Lets do it!

They fired waves of magic and light and smashed him down.

Sora: ALL RIGHT!

Twilight Sparkle: That was great!

## Kairi, Princess Celestia, Amber Morning, Light Skylanders, Pesky

Dust, Magnet Man and Gravity Man VS Dr. Light - Lincoln's rescue

Dr. Light was next.

Dr. Light: (to Kairi) I heard Lincoln's rescue was in Hot Shots Part Deux. How was it?

Kairi: It was REALLY FUNNY! We went after Saddam Hussein and Michelle Huddleston. We did all kinds of crazy shenanigans against the comedic version of Iran's most infamous dictator.

Princess Celestia: I've never laughed so much befoore.

Amber Morning: It was so funny and in the end we crushed him with a piano.

Spotlight: Yeah it was great!

Pesky Dust: It was so funny. I've never laughed that hard before.

Dr. Light: That movie always makes me laugh and it was awesome. Lets do it!

They fired waves of light and magic and smashed him down.

Kairi: ALL RIGHT!

Princess Celestia: That was so awesome!

Aqua, Rarity, Sweetie Belle, Water Skylanders, Feedback, Gluko and Storm Shadow VS Skulker - Meeting a Maiden of The Moonlight and a Hungry Burger Gene-Slammer

Skulker was next.

Skulker: (to Aqua) I heard you guys met a Maiden of The Moonlight and a Hungry Burger Gene-Slammers. What are their names?

Aqua: The Maiden of The Moonlight gene-slammer is Yumi Ratara and the Hungry Burger Gene-Slammer is Evelyn Zuckerberg and the sight of Evelyn's Hungry Burger form made Nico's mouth water. We found Yumi on Nico's Rescue Mission.

Skulker: Ah in two different rescues. Really neat.

Rarity: Indeed and it was amazing.

Sweetie Belle: But we found out some things that you will not like about Flip and Morag. Here's Flip first. One day, Yumi went undercover and she'd found out in a hidden room in Flip's Food and Fuel, and she saw that Flip had used the severed fingers, hands, and chopped up limbs of dead humans that he killed into his beef jerky. This sickened Yumi to my stomach, and before Lincoln and his family were about to buy that beef jerky, Yumi kicked the door in, and told them not to, and when she told them of the severed fingers, hands, and chopped up limbs of the dead people Flip killed and mixed into his beef jerky, they threw up all over the place, and when Flip found out, he wanted to kill me. But, Yumi had called the cops on him, but Flip got away.

Skulker was shocked!

Skulker: He is a total cannibal!

Sweetie Belle: Yeah. But here's what we learned about Morag. Evelyn'd found out in the history books from Loch Loud in Scotland that Aggie McLaughlin, Morag's ancestor, killed the Loud Family's ancestors 400 years ago, by using a mystical stone that mind-controlled Leia, the guardian dragon of Loch Loud, and incinerated them to ashes, as she laughed cruelly and insanely. She got away with it, and Loch Loud fell to ruin, because of her.

Skulker was shocked even more!

Skulker: She is a monster! I'm glad we sent her to prison.

Gill Grunt: And that curse did her in.

Feedback: It sure did.

Skulker: Good riddance. Lets do it!

They fired waves of water, jewels, ice and energy and smashed him down.

Aqua: OH YEAH!

Rarity: Rapture darling that was grand!

Brain Freezer: (to Bloom) I don't blame Kara for hating her son. Especially considering the f*** up things he did in the past.

Bloom: We've only begun to scratch the surface of how bad Chandler was because of his dark side.

Sunset Shimmer: Yeah what Chandler did because of his dark side was horrible.

Pipsqueak: (British Accent) It was terrible.

Sunburn: Yeah it sure was horrible.

Gravattack: It's awful that Chandler was doing all that because of his dark side.

Brain Freezer: I don't blame him for wanting to stay back. Lets do it!

They fired waves of fire and energy and smashed him down.

Bloom: YEAH!

Sunset Shimmer: That was amazing!

Toiletnator: (to Layla) Master Roshi and Shen really hate each other, don't they? And to think they used to be close friends back then.

Layla: Blame King Piccolo for that. He overpowered Master Roshi's master and disgraced him and Shen snapped and wanted Roshi and his students all dead.

Diabolico was next.

Diabolico: (to Musa) Shen is a totally dishonorable slimeball. Almost like the late Queen Bansheera.

Musa: Yeah no kidding! And he used to have honor too. But it was because of King Piccolo that he was lost to the darkness.

Rainbow Dash: Yeah no kidding. King Piccolo was a powerful foe and he really gave Goku an amazing challenge.

Scootaloo: He sure did and it was really strange how King Piccolo and Kami were both one.

Rainbow Dash: Wait a second! If the dark sides of the Loud Siblings and many of their friends came from them do you think it's possible that they will be like how Kami and Piccolo were?

Diabolico: Hmm. That is highly possible. Kami and Piccolo were both one and when Kami casted him aside he made a separate being. But they were linked and that shows that if one of them dies they both suffer the same fate. So that probably means the same for the Louds.

Rainbow Dash: Oh man. Locking them in crystal was a good idea.

Whirlwind: It sure was.

Walkatrout: I agree too.

Diabolico: I am glad that you thought that. Lets do it!

They fired waves of rainbows, wind and lightning and music and smashed him down.

Musa: OH YEAH BABY!

Rainbow Dash: That was AWESOME!

Tecna; (British Accent) Yeah he is not worth it to kill.

Pinkie Pie: He may be a dirty fighter but he is a worthy foe. Eli is having fun with him though.

Featherweight: Yeah he sure is.

Eli and Katarou were really going at each other.

Sprocket: Wow. Eli is really going at him.

Misty Tredwell: That's a great idea.

Pink Ranger Slayer: Yeah. Lets do it!

They fired waves of fire and energy and elements and smashed her down.

Fiona Hernandez: FIRE WINS!

Cutie Mark Crusaders: CUTIE MARK CRUSADERS VICTORY! YAY!

---

Weddinmon was next.

Weddinmon: I wonder how many villains we have left after J.D. destroyed many of them in the world of MHA?

?: I will tear every last one of you to shreds for what you did in killing me!

Suddenly, the eight large planets and stars orbiting around my legs, the eight large orange orbs orbiting around Lincoln, Linka, TLPS Ms. Tarantula's, and Duke Lincoln's legs, the eight large dark blue orbs orbiting around Ed Cowart's legs, the eight large midnight blue orbs orbiting around TLPS Mr. Wolf's legs, the eight large crimson red orbs orbiting around Naruto and Nate Adams' legs, the eight large fiery red orbs orbiting around Zach Gurdle's legs, the eight large silver orbs orbiting around Clyde McBride's legs, the eight large black orbs with the Eye of Horus orbiting around Cody (OC)'s legs, the eight large black orbs orbiting around Lucy, Lars, and Dudley Puppy's legs, the eight large pink orbs orbiting around Lola and Lexx Loud's and Steven Universe's legs, the eight large green orbs orbiting around Lynn Sr.'s legs, the eight emerald green orbs orbiting around Yakko Warner's legs, the eight large sapphire blue orbs orbiting around Wakko Warner's legs, the eight large hot pink orbs orbiting around Dot Warner's legs, the eight large marine blue orbs orbiting around Liam, Lana, and Leif Loud's legs, the eight large scarlet red orbs orbiting around Lynn Loud and Lynn Jr.'s legs, the eight coral red orbs orbiting around Timon's legs, the eight large blood red orbs around Marco Diaz's legs, the eight large blue orbs orbiting around Lori, TLPS Mr. Shark, Skippy, Sean Bolton, and Loki Loud's legs, the eight large sea-foam green orbs orbiting around Leni and Loni Loud's legs, the eight large yellow orbs orbiting around Luan, TLPS Mr. Snake, and Lane Loud's legs, the eight large brown orbs orbiting around Laney and Larry Loud's legs, the eight large light green orbs orbiting around Lisa and Levi Loud's legs, the eight large lavender orbs orbiting around Lily and Leon Loud's legs, the eight large colored orbs orbiting around Bobby Santiago and Nico's legs, the eight large rainbow orbs orbiting around Rainbow Dash's legs, the eight large aqua and ocean blue orbs orbiting around Varie, William Dunbar, and Adam Lyon's legs, the eight large white orbs orbiting around Timmy Turner's legs, and the eight large purple orbs orbiting around Luke Loud's legs and Menat's legs, along with our gems on our Bracelets of The Champions of the Universe were glowing, and that means we've got big trouble incoming, especially when we heard that familiar voice and Wolverine caught the scent.

Wolverine: That scent and voice, I knew there's no mistaking it. You can come out now, Sabretooth.

A figure came out, and it was none other than our old enemy, Victor Creed A.K.A. Sabretooth, and he was pissed off big time.

Wolverine: Sabretooth. I should've known you'd show up again, you just don't even know when to quit, do you?!

Sabretooth: And now that I'm back, I'll enjoy tearing out your throat,

Logan!

Wolverine got out his claws, and he and Sabretooth began attacking each other, slashing at each other with their claws, and with every slash from their claws, blood was being spilled all over the place.

Lincoln: Whoa, this is no ordinary fight we're witnessing, this is a bloodbath!

Nico: A nasty one, Lincoln. But, this is nothing to be worried about, not with Wolverine's healing factor, along with Sabretooth's healing factor.

And as expected, Wolverine's healing factor then kicked in, and his slash marks on his body are being healed, and the same went with Sabretooth's slash marks. The two of them continued tearing at each other with their claws, spilling more blood, and their wounds continuing to be healed.

Sam Simpson: Alright, that's it. Someone needs to put a stop to this bloodbath, before this entire island is stained with blood.

Suddenly, Sam Simpson's green eyes turned neon green, and she was surrounded by a green energy aura with flames and wolves, she unholstered her massive Defender of W.H.O.O.P. and International Defender of Spy Security swords from her back, and as she approached Sabretooth, she left green energy, green flames, and wolves with every step.

Sam Simpson: You really make me sick, Sabretooth, you attack innocent people who get in your way and go on a rampage whenever you feel like it. You have no concern about the consequences for your own actions, and for that, I'm putting you down once and for all!

Suddenly, Sam Simpson was surrounded by a massive vortex of green energy with green flames surrounding it, there's a wolf running around the vortex, and in the vortex is an orange phoenix. Then, as the vortex faded, Sam Simpson emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Sam Simpson grew to 6'5" in height, she had the body of a goddess and has green highlights in the bangs of her long flowing orange hair, she has neon green eyes and a green energy aura with green flames and wolves surrounding her, she has a fire wolf with the Fire Kanji in its claws emblazoned on her forehead, she has on wolf head stud earrings with green jewels for the eyes and the Fire Kanji on its head, and she also has a wolf head with green gems for the eyes and the Fire Kanji on top of its head for the second pendant of her Thunderbird Necklace of Eternal Love with green gems on the gold lightning bolts and green crystals from her Crystal Necklace of The Buddha which merged with her Thunderbird Necklace of Eternal Love. Sam Simpson has on a long long-sleeved green coat with green flames and wolves on the coattails and right on the back is the logo of WHOOP with a wolf and flames around it, a short-sleeved green blouse, green shirt with an orange phoenix on it, green pants with flames on the legs, green leather ankle-high combat boots, and she has on a Star Sapphire ring on her left ring finger.

Suddenly, Sam Simpson's massive Defender of WHOOP and International Defender of Spy Security swords began merging together, and were surrounded by a kaleidoscope of green energy, flames, and wolves, and when it emerged, it was transformed into Wepwawet' Emerald Fire Sword of Espionage Justice, it's a new large sword with a 6'9" massive, wide, double-edged emerald green blade with the Egyptian God of War, Wepwawet, with Egyptian Hieroglyphs around him, etched on it, large green wolf heads with orange gems for eyes for the crossguard, large orange gem for the hilt, longer black handle, and four large green wolf heads with orange gems for the eyes and large orange gems in its mouths for the pommel. Sam Simpson has on her new large gold cuff Bracelets of the Champions of The Universe with green gems on her wrists, gold Belt of Elemental Bravery with a gold wolf head with orange gems for the eyes and a large green gem in its open mouth for the belt buckle, large green Spellbook of The Gods and The Universe and large green Universal Spellbook of The Elemental Forces on her left hip and Eater of Sins revolver holstered on her right hip. There's an orange kanji below the logo of WHOOP that said, "Sam Simpson, Great Friend of Clover, Alex, and Jerry, Loving Daughter of Gabriella, Agent of WHOOP, Loving Future Wife of Lincoln Loud, Destroyer of WHOOP's Many International Enemies, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Flames, Wolves, and Espionage."

サム・シンプソン、クローバーの親友、アレックス、ジェリー、ガブリエラの愛する娘、WHOOPのエージェント、リンカーン・ラウドの愛する未来の妻、WHOOPの多くの国際的な敵の駆逐艦、悪の殺し屋、狂った、殺人、冷酷、そしてサディスティックな野郎、驚くべき強力な教師の驚くべき強力な学生、そして炎、オオカミ、そしてスパイのマスター

Sam Simpson has transformed into SUPER ANGEL INFINITY DIVINE EMERALD FIRESTORM WOLF ANGEL OF INFERNO JUSTICE AND DIVINE LOVE!

We were amazed by Sam Simpson's Super Angel Infinity transformation, including Clover and Alex, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes. But, when Sabretooth saw it, he fell into an animalistic feral rage and tried to kill her, but Lincoln attacked him with the Vibranium sword Nico gave him, leaving a very nasty scar on his chest, and we saw that his wound wasn't even healing, and Sabretooth roared in agonizing pain.

Lincoln: Animal. Don't you know it's impolite to attack a lady?

Nico: Yeah, you tell him, Lincoln.

Wolverine: Nice save, kid.

Clover: That animal tried to attack Sammie, that was really rude.

Alex: But, Lincoln saved her, and he left quite the nasty scar on Sabretooth with that Vibranium sword Nico gave him.

Lincoln: And Sam, you look beautiful. How do you feel?

Sam Simpson: (Divine Echoing Cosmic Voice of The Inferno Wolf and Espionage Love) **I feel incredible, Linky, and now, shall the three of us put that animal down for good?**

Lincoln: (Smiles) With pleasure, Sam.

Wolverine: Sorry, Victor, but it's time for us to end this rivalry once and for all, and this time, stay dead.

Lincoln unholstered his improved massive Sword of Universal Hope and Elemental Bravery from his wider and muscular back and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he and Wolverine joined Sam Simpson.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **This is the last time we'll deal with you, Sabretooth.**

Sam Simpson, Lincoln, and Wolverine went after Sabretooth, and they fired powerful blasts of rainbow energy, green energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time Energy, Gravity, Magic, Thunderbirds, Phoenixes, Angels, Buffalo, and Wolves at Sabretooth, and they exploded with incredible power as they hit him. Then, Wolverine slashed at Sabretooth again with his claws, spilling more blood. Then, Sam Simpson and Lincoln attacked him with the Vibranium sword, and that disabled his healing factor even more, and Lincoln shoved the sword right into Sabretooth's stomach, as he howled in agony. Then, Lincoln got behind Sabretooth, and he plunged his large left hand into Sabretooth's chest, and ripped out his beating heart.

Lincoln: **Nice snack.**

Lincoln devoured Sabretooth's heart, and Sabretooth died after having his heart ripped out. Then, as his spirit appeared, Sam Simpson chained him up with rainbow energy chains, so he couldn't go after Wolverine again, and then, she marked his forehead with a kanji, and as she, Lincoln, and Wolverine got back, Sabretooth was confronted by those he'd killed, and when he was found guilty, Sabretooth's evil spirt was erased from existence forever, and we also assimilated Sabretooth's powers. We cheer wildly for what Wolverine, Sam Simpson, and Lincoln did, as they holster their swords and sheathe their claws and power down, and Sam

Simpson's new body, clothes, weapons, and jewelry are permanent. Suddenly, Sam Simpson felt a sharp pain on her back, and then, massive orange angel wings with green tips, sprouted out from her back.

Wolverine: Rest in Hell, Victor, and may you never return from the dead again.

Sam Simpson: And this time, stay dead. Thanks for helping me deal with Sabretooth, Logan, and you too, Linky.

Lincoln: (Smiles Warmly) You're welcome, Sam.

Suddenly, Sam Simpson wrapped her arms around Lincoln's waist, and he wrapped his abnormally massive and powerful muscular arms around Sam Simpson's waist, and brought her into an embrace, which took her by surprise and that brought an atomic red blush to her face. Then, as Lincoln leaned down to her face, they kissed passionately as she wraps her left arm around his wider and muscular back, and her left hand on his massive and wide right pec, and right behind them was a Thunderbird, Phoenix, and Angel flying in the air, and we also saw a herd of Buffalo and wolves running around and howling and the display of the elemental forces behind them, and we cheered for them.

Me: Now, that's awesome.

Nico: You said it, bro.

Clover: I'm so proud of Sam.

Alex (Totally Spies): She's come a long way, and she transformed and she, along with Wolverine and Lincoln, destroyed Sabretooth, and sent him to The Black Gates.

Lincoln: That's right, and tomorrow, Clover's going to transform. But, I can't help but get the feeling that Mandy's going to try and break out to get revenge on us for tossing her butt in prison years ago.

Lori: Same here, bro. But, if that spoiled psychotic bitch breaks out of prison, you and Clover will send her right back to prison.

Lincoln: Yeah, and of course, I have another punishment for her: she'll also be subjected to the humiliations, alongside Flip, Lewis Travolta, and Billy McLean.

Nico: Ooh, now that's perfect, big guy.

Me: Awesome, and I can't wait to see what Clover's got in store for humiliating that bitch, Mandy.

Nico: Yeah. But this was great! Great job everyone.

Tien: I'm sorry about what my former teacher did.

Me: It's not your fault Master Tien. What Shen became he brought all on himself.

Laney: Yeah he had it coming.

Tien: Yeah. (To the viewers) What Master Shen did was awful and he had it coming. He needed to be stopped or else.

Nico: Yeah. Shen crossed a huge line. But at least we made sure he would never return.

Lana: Good riddance.

Lola: Yeah.

Nico: But at least we saved Kara.

Laney: Thank goodness.

Nico: Yeah. Lets head home everyone.

We went back home and Kara decided that she would have to one day repair her relationship with Chandler. It was not going to be easy. But it was going to have to happen one way or another. Laney decided to spend some time with Kara to help her out. We later enjoyed the rest of the day and went to sleep.

THE END

Another awesome fanfiction done.

This was an awesome and really fun chapter! Karate Island was a great episode from SpongeBob and that was so funny how SpongeBob back in 2005. It was made in honor of the great legendary actor Pat Morita and he was well known for his acting in the Karate Kid Movies and many movies that I have known for years. He will be a legend for many years to come. He will never be forgotten.

R.I.P. Pat Morita: June 28, 1932 - November 24, 2005.

CONCENTRATE!

The episode Karate Island aired 6 months after he died. It aired on May 12, 2006.

The first part was for Earthworm Jim 2 and that was one of my favorite games from my youth. The second part was for Hot Shots Part Deux and that movie was so funny! It was really funny! NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, XP4Universe, Darkhai, vinjedi1995, Drako1234658, Nflemingful, Etstheclarencefan and ninjakingofhearts gave me the ideas for this and so did the guest reviewer. Nico's next rescue is gonna be in the world of the movie A Cure For Wellness and Nico and Leif are going to the Beelitz-Heilstätten which was once a German Military Hospital. Also they are going to take down Colicrensis Gene-Slammer named Noralai Coramenshikov from Ukraine and she is one of Nico's friends that wants to be an airplane pilot. The next rescue for Lincoln is gonna take place in the world of Naruto and they are going to The Blood Prison to kill Mui and stop him from hurting the Blood Prison Inmates and also they are going to kill many of the prisoners there and recruit Ryuzetsu. Lincoln is also going to meet a Firewing Pegasus Gene-Slammer named Ophelia Nefertiti and she is from Lincoln's Music class and she has a great story about how she stopped Lori from going after Rita and Lincoln in a nasty rampage after Lori had her phone taken away. The next chapter is gonna be an awesome video game chapter as we go help Scott Pilgram and kill his girlfriends evil ex boyfriends. We're going to make those chauvinistic buttfaces pay.

See you all tomorrow.

# SCOTT PILGRIM VIDEO GAME ADVENTURE

Flying over the Alps in Central Europe was Nico and Leif.

Nico: Thanks for coming with me, Leif.

Leif: Anytime Nico and it's gonna be awesome for me to tell my sister and brothers about this awesome rescue we're doing.

Nico: Glad you're gonna have fun on this. I'm just a little nervous about what it is we're going to do though.

Leif: What do you mean?

Nico: I remember seeing this movie from 2016 called A Cure For Wellness and that was a really creepy movie and the guy that was running that sanitarium was an absolutely insane nutcase.

Leif: What was it about?

Nico: You won't like it.

Nico told him what the movie was about.

---

Lockhart, an executive at a financial services firm in New York City, is sent by the board of directors to retrieve CEO Roland Pembroke, who had abruptly decided to stay at a "wellness center" in the Swiss Alps. At the spa, Lockhart is met with resistance by the staff and Dr. Heinreich Volmer in attempting to speak with Pembroke.

Lockhart leaves, but is involved in a car accident and awakens at the center - supposedly three days later - with his leg in a plaster cast. In spite of the horrendous accident, both he and the driver suffer only minor injuries. Lockhart meets a mysterious young girl named Hannah who, among others, doses herself with a mysterious fluid from small, cobalt-colored bottles.

Patient Victoria Watkins and residents of the nearby town regale a fascinated Lockhart with the history of the spa. It was built on the ruins of a castle owned 200 years ago by a baron, who desired an heir of pure blood and married his sister. Learning she was infertile, he performed hellish experiments on the peasants to find a cure. He succeeded, but after finding the carelessly buried bodies of his victims, the peasants stormed the castle and set it on fire. They captured the baron's pregnant sister and the baby was cut from her womb before she was burned. The baby was thrown into the local aquifer, but somehow survived.

Lockhart attempts to escape the center but finds no one is allowed to leave. After gifting Hannah a ballerina figurine, Lockhart bikes into town with her help, leaving her in a bar and seeking out a translator for Pembroke's German medical dossier. He learns that the people of the spa suffer from dehydration despite the water they imbibe from the aquifer. Hannah, kept at the spa her entire life, explores the bar and attracts the locals' attention. Lockhart returns and gets into a fight with a man who was dancing with Hannah. He is rescued by Dr. Volmer, by whom the locals are curiously cowed.

Lockhart discovers the transfusion wing of the spa is a front for macabre medical experiments, and that the water from the local aquifer possesses unique properties - toxic to humans, but with life-restoring properties for the eels living in the water. The baron had devised a process to filter the water through the bodies of humans and distill it into a life-giving essence; Volmer uses the patients as filters for this process.

This "cure" is ingested by Hannah, Volmer, and his staff to gain vastly lengthened lifespans. Lockhart realizes that his leg is not broken and he is being kept prisoner. Volmer subjects Lockhart to nightmarish treatments, warping his mind until he believes he is insane. Hannah perceives this change and gives Lockhart back the ballerina figurine, breaking him out of his delirium.

Hannah has her first menstruation, and Volmer marries her. During the reception, he leads her to a secret bedroom in the ruins of the castle and begins to r*** her. Lockhart breaks into Volmer's office and discovers Volmer is the baron and Hannah is his daughter, the baby who was thrown into the well; both have been aging very slowly due to the "cure". Spurred by this information, Lockhart confronts Volmer in the bedroom.

In the ensuing fight, Volmer's face is revealed to be a mask hiding his hideous burns. Lockhart sets Volmer and the castle on fire, but is overpowered by Volmer. Hannah saves Lockhart by killing her father, who falls into the aquifer and is eaten by the eels. Lockhart and Hannah escape on her bicycle as fire engulfs the center, and crash into a car carrying Lockhart's employers, having come to retrieve him and Pembroke. Lockhart tells his employers that Pembroke died, and is ordered into the car; he rides away with Hannah, smiling as they finally escape the asylum.

---

When he was done Leif was shocked!

Leif: Volmer things that disease is the way to eternal life!? That is insane!

Nico: Yep and that's why it's best that we either kill him or lock him up forever.

Leif: Lock him up is good.

Nico: Good idea.

They continued on.

Nico: Leif, I think Garbage World from Zenkaiger will get along great with you.

Leif: I think so too. And he would get along great with Lana too. So awesome and funny.

Nico: Yep and also I noticed something and told J.D. about it. I saw that the Copy World from Zenkaiger, he did something that reminded me of the adventure we did when we met Dudley and all of T.U.F.F. We saw that what happened in that episode was very similar to what happened with Verminous Snaptrap and he did the exact same thing with duplicates of the mascots.

Leif: Whoa! I remember that! That was crazy! Talk about living one of the episodes.

Nico: Exactly. So coincidental. Just like what happened when we lived some of the adventures of the LupinRangers VS PatRangers, ToQgers, Zyuohgers, Kyurangers and now Zenkaigers. What are the odds of that?

Leif: Not good with statistics but that is amazing.

Nico: It sure is.

Leif: Yep.

Nico: When we get to Zarya's special missions, I have something to reveal regarding the Zenkaigers.

Leif: What is it?

Nico: That I made a copy of the Super Sentai World knowing that some douchebags like the Tojitendo Dynasty would try to conquer it.

Leif: That makes sense.

Nico: Yep. But it'll be awesome to meet the Zenkaigers in the future. They have gears that contain 45+ Years of Rangers at their command.

Leif: That is so cool.

They arrived at the sanitarium in Germany and it was a weird place.

They went in.

Nico: Hello?

Leif: Anyone here?

They looked around.

Nico: Wow this place gives me the creeps.

Leif: Same with me.

Nico: I've got a bad feeling about this.

Leif: Me too. Just like in the movie.

Nico: Yep. Volmer is doing crimes against humanity and that shows how messed up in the head he is.

They got to a pool and hid and looked down and they saw Volmer talking. He was telling the patients that the true path to eternal life is to use disease and filth.

Nico and Leif were shocked.

Nico: I think I've heard enough.

Leif: Me too.

Nico and Leif fired an energy blast and the blasts hit the wall behind Volmer and exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Nico and Leif jumped down and flew above the pool.

Nico: Everyone! Don't believe this monster's lies! He is only using you all as Guinea Pigs to further his insane beliefs that the cure to wellness is to live forever in disease and filth. It's all absolute bullshit!

Leif: That's right! He is a liar and a monster!

?: I agree!

A Colicrensis then appeared.

Colicrensis: (In a girl's voice) (Ukrainian Accent) You need to wake up and stop listening to his lies!

Nico: Noralai Coramenshikov. I knew you would be here.

Noralai reverted back and she was a girl in orange clothes and had orange hair and red eyes.

Noralai: Its been a long time Nico. You are looking great.

Volmer: YOU RUINED EVERYTHING FOR ME!

Nico and Leif fired rainbow energy and entrapped him in a straitjacket and chained him up.

Nico: Maybe spending 75 years in the padded cell will do you some good.

Nico teleported Volmer to the Solitary Confinement wing of the Saturn Insane Asylum.

Leif: What's your favorite memory of Nico?

Noralai: I have a lot but my favorite would be where me and Nico actualy flew a Concorde Jet and that was so awesome flying one. Flying a Supersonic Airliner was so fun.

Nico: That was cool. Noralai always wanted to be an airplane pilot and she has the awesome skills for it.

Leif: Wow! She sure does.

Nico: Yep.

Nico and Noralai then hugged.

Noralai: Same here Nico. Same here.

Leif: We got rid of this mad nuthouse too.

Nico: Yep.

They went back home to the estate and Interpol handled the rest and arrested all the staff and also got the patients to better mental health facilities.

After Nico's rescue, Lincoln, Nico, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, Sima Shi, Sima Zhao, Sun Jian, Guo Jia, Zhang Bao, Guan Xing, Cao Cao, Liu Bei, Sun Quan, Sima Yi, Jiang Wei, Yukimura Sanada (Samurai Warriors), Keiji Maeda (Samurai Warriors), Kanetsugu Naoe (Samurai Warriors), Hanzo Hattori (Samurai Warriors), Musashi Miyamoto (Samurai Warriors), Heathcliff, Sonja (Heathcliff), Riff-Raff, Hector (Heathcliff), Wordsworth, Mungo, Cleo, Leroy, Naruto, Sasuke, and Sakura are heading to the Blood Prison in the world of Naruto, and not only is Lincoln going to rescue the twenty two girls here, but we're also going to kill Mui and stop him from hurting the Blood Prison Inmates, along with killing many of the prisoners there, and we're also going to recruit Ryuzetsu.

Lincoln: Whoa, we're here in the Blood Prison, and I know what we're going to do here, not only am I going to rescue the twenty two girls here, but we're also going to kill Mui and stop him from hurting the Blood Prison Inmates, along with killing many of the prisoners there, and we're also going to recruit Ryuzetsu.

Nico: That's right, big guy.

Me: Yeah, I got the call from Lady Tsunade that Mui is hurting the Blood Prison inmates, and he's let out the most dangerous inmates that were thrown in there, and they're causing a riot in the prison. She eventually gave us the order to kill Mui, and give him the Black Gates.

Lincoln: And from what we heard from Naruto, Ryuzetsu has a deep hatred for Mui, because of what he did in sacrificing his own son, Muku, in a failed attempt to open the Box of Ultimate Bliss, and she wants nothing to do with him.

Naruto: That's right, Lincoln.

TLPS Mr. Wolf: And we got word that the Firewing Pegasus Gene-Slammer is here. First things first, we need to put a stop to the rioting prisoners there, then, we get after Mui.

We travelled through the prison, and we began rescuing the Blood

Prison inmates who were injured by Mui. Then, we saw many of the prisoners that were let loose from their cells, and they're heading for us. But, Lincoln spread his massive and indestructible deep sapphire blue angel wings, and he'd fired threads of rainbow energy, and they wrapped around the inmates, and Lincoln sucked out and absorbed all of their Chakra and energy, and they were killed.

?: YOU MOTHERFUCKING CUR!

Lincoln: Oh, great, don't you ever quit?

We then saw the Evil Sasuke that we threw into the Blood Prison years ago, and he wants revenge on us.

Me: Should've known you'd also break out, Evil Sasuke, now, we can get rid of you for good.

Lincoln: Let me handle him, J.D.

Lincoln fired rainbow energy threads, and they tied Evil Sasuke up, and then, he put his hand on Evil Sasuke's head, and he sucked out all of Evil Sasuke's Chakra, along with his Sharingan, and he made them his own. Then, he marked Evil Sasuke with a kanji on his forehead, and then, he was erased from existence by the Black Gates.

?: Nice work getting rid of him.

We then saw who we were looking for, it was Ryuzetsu.

Lincoln: Oh, you must be Ryuzetsu, it's a pleasure to meet you.

Ryuzetsu: You too, Lincoln, along with all of Team Loud Phoenix Storm. And it's good to see you, Sakura, and Sasuke again, Naruto.

Naruto: You too, Ryuzetsu, and you also know why we're here: to kill Mui.

Ryuzetsu: Of course, he deserves to pay for what he did in sacrificing his own son and my childhood friend, Muku. He has to die, so that way, Muku can finally rest in peace.

?: HELP!

Suddenly, Lincoln heard the sound of twenty two girls calling for help. With his deep sapphire blue cyborg eyes and superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the twenty two girls, but they've been cornered by Mui, and he's going to kill them.

Lincoln: Guys, I found the twenty two girls, but they've been cornered by Mui, and he's going to kill them.

?: That heartless monster, let's get him.

Then, we saw the Firewing Pegasus fly by and land in front of us.

Lincoln: That voice, I knew it was you, Ophelia Nasturtium. But, we'll have to talk later. Right now, we've got a murderous Shinobi to get rid of.

We rushed on over, and Lincoln fired a powerful barrage of rainbow energy balls and elemental forces, which hits Mui, and that allowed the twenty two girls to get away. When Mui saw us here, along with Ryuzetsu, he was enraged.

Mui: How dare you interfere?! Those girls must be sacrificed to open The Box of Ultimate Bliss! Kusagakure must be revived, and my son will be returned!

Lincoln: That's enough out of you, traitor to The Five Great Nations!

The loud booming voice of Lincoln got Mui to shut up.

Lincoln: You really make me sick, Mui. You sacrificed your own son to open a forbidden box, which in the wrong hands, will lead only to destruction. You claim you're doing this to revive your village, but I can see right through it: by opening The Box of Ultimate Bliss, you'll doom the entire world, and we can't allow that to happen. Mui, as punishment for your schemes, you are hereby sentenced to death!

Me: Time to die, traitor!

Lincoln unholstered his improved massive Sword of Universal Hope

and Elemental Bravery from his wider and muscular back and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, The TLPS Bad Guys Gang transformed into their Super Angel Infinity forms and unholster their massive swords, Sima Shi, Sima Zhao, Sun Jian, Guo Jia, Zhang Bao, Guan Xing, Cao Cao, Liu Bei, Sima Yi, Sun Quan, and Jiang Wei got out their weapons, The Samurai Warriors got out their weapons, Lincoln's sisters transformed into their Super Angel Infinity forms and unholster their massive swords from their backs, Lincoln's sisters transformed into their Super Angel Infinity forms and unholster their massive swords from their backs, Lincoln's harem unholster their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark Compassion and Demonic Justice, and he unholstered his massive Sparda's Demon Fang of The Demon Hound sword from his wider and more muscular back, Naruto, Sasuke, Sakura, Ryuzetsu, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their swords, Hector got out his massive Heaven's Maw of Judgement sasumata pike, and Me, Nico, Eli, and Nicole also unholstered our massive swords and transformed, and we went at Mui, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time Energy, Gravity, and Magic, steel orbs, stars, rainbow flames, rainbow crystals, orange flames, blue flames, ice, and green flames at the traitorous Shinobi, and they exploded with incredible power as they hit him.

Then, Lincoln fired a magnetic blast, which got the Box of Ultimate Bliss out of Mui's hand, and puts it into the vault in the World Tree Estate.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) It's time for to die, traitor to the Five Great Nations. UNIVERSAL ELEMENTAL STYLE NINJA ART: UNIVERSAL ELEMENTAL JUSTICE RASENSHURIKEN!

Lincoln formed a massive black Rasenshuriken with stars and nebulae inside it, and orbiting around a rainbow energy core are smaller Rasengan made of Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Gravity, Blood, Lava, Explosion, Inferno, Plants, Steel, Steam, Aurora, Scorch, Typhoon, Swift, Aurora, and Magic. Then, Lincoln threw it, and as it hits and overwhelms Mui, it was sent up into space, and it exploded with incredible power, and as soon as Mui's spirit appeared, Lincoln then marked his forehead with a kanji, and his spirit was erased from existence forever. We cheered wildly for what Lincoln did, as we holster our weapons and power down.

Me: Whoa, Lincoln, that was one incredible technique you used.

Lincoln: Thanks, J.D. This was something that I created.

Lori: Lincoln's right, we decided to test out just how Lincoln's powers have evolved by giving him a piece of Chakra paper, and he held it. Then, it exploded into stardust and elemental forces, and that means that Lincoln's Chakra has evolved, now it's both Universal and Elemental.

Nico: (Stunned) Incredible.

Lincoln: And that's the end for that traitor, Mui. (To Ophelia Nasturtium) And it's so good to see you again, Ophelia Nefertiti.

Ophelia Nefertiti: You too, Lincoln. It's been a long time.

They went up to each other and they hugged, and Ophelia Nefertiti was very surprised at just how much taller and much more muscular Lincoln's gotten since she last saw him.

Lincoln: It sure has been a long time, I haven't seen you when you were seventeen, and as you can see, I have grown a lot since then.

Ophelia Nefertiti: Yeah, you've really grown a lot from the eleven-year-old cute little boy into a 17-year-old 7'0" tall and very handsome and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, that's so awesome.

Nico: Whoa, Lincoln, you know her?

Lincoln: Yeah, I do, Nico. This is Ophelia Nefertiti, she's one of my

Community College friends who helped me with difficult homework assignments and is a great Guardian Angel, and she's also from my Music class.

Nico: That's awesome.

Ophelia Nefertiti: And I've got an awesome story of how I stopped Lori. But, we'll hear about that later.

Lincoln: Right. Let's get you back to normal, boys, cover your eyes. Hold still, Ophelia, this is going to hurt.

Me, Nico, Eli, and the rest of the boys covered our eyes as Lincoln snapped his fingers, and Ophelia was reverting back to normal. Ophelia Nefertiti is a beautiful 17-year-old girl with long orange hair going to the upper part of her back, orange eyes, fair skin, she's 6'5" in height, she had the body of a goddess, and she has massive orange angel wings, as she reigned in the power of Firewing Pegasus.

Lincoln: How do you feel, Ophelia?

Ophelia Nefertiti: Good (Realizes she's in her birthday suit) But, I'm also in my birthday suit.

Lincoln gave Ophelia Nefertiti her new wardrobe, a short-sleeved orange blouse and short-sleeved orange shirt with a blue phoenix on it, orange skirt with Firewing Pegasus on it, orange pants, orange sneakers, and a long orange sleeveless trenchcoat with pegasi and orange flames on the coattails and Firewing Pegasus on the back, and on her back is a large Firewing Pegasus-themed sword with a 6'5" massive, wide, double-edged, man-sized blue blade with the Firewing Pegasus etched on it, Firewing Pegasus's wings for the crossguard, large orange gem for the hilt, longer black handle, and a large orange gem surrounded by angel wings for the pommel.

Ophelia Nefertiti: Wow, I love the new outfit and sword you made for me, Lincoln.

Suddenly, a Thunderbird Necklace of Eternal Love appeared on Ophelia Nefertiti's neck with blue gems on the gold lightning bolts and orange crystals links from her new Crystal Necklace of the Buddha.

Ophelia Nefertiti: Surprised) Whoa, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love, which means you're now part of my harem and my many future wives, Ophelia.

Ophelia Nefertiti had a smile on her face and tears in her eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around her waist and he leaned down and he kissed her on the lips, and she returned it, and we cheered for them. Then, we went up to the twenty two girls here, and when Lincoln saw them, he immediately recognized them. The twenty two girls are Anne from Monster Maulers, Alice Wishheart from Magical Halloween, Aoba Anoa, Arnval, Erul Tron, Esmeralda, Gesshi Hanafuuma, Kokoro Belmont, Madoka, Meta Lium, Neko Sencho, Poini Coon, Strarf, and Tita Nium from Otomedius, Hikaru, Akane, Eliza, Medusa, Sue, and Memim from Parodius, Stephanie McBain from the Salamander anime, and Elpeo Ple from Mobile Suit Gundam ZZ.

Lincoln: Oh wow, it's Anne, Alice Wishheart, Aoba Anoa, Arnval, Erul Tron, Esmeralda, Gesshi Hanafuuma, Kokoro Belmont, Madoka, Meta Lium, Neko Sencho, Poini Coon, Strarf, Tita Nium, Hikaru, Akane, Eliza, Medusa, Sue, Memim, Stephanie McBain, and Elpeo Ple.

Nicole Knudson: From Monster Maulers, Magical Halloween, Otomedius, Parodius, the Salamander anime, and Mobile Suit Gundam ZZ, awesome.

Lincoln: Are you girls okay?

Alice Wishheart: Yes, we're okay, thanks to you.

Then, when Alice Wishheart and the other twenty one girls saw who it was that saved them from Mui, their faces turned atomic red upon seeing the 17-year-old 7'0" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide right pec and it was surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top was the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, and Buffalo, and below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, and The Thirteen Elemental Forces, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and a Mark of Manhood tattoo of a bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

He had his massive Sword of Universal Hope and Elemental Bravery holstered on his wider and muscular back, his orange Crystal Saber holstered on his left hip and his Eater of Sins revolver holstered on his right hip, the Pisces the Fish constellation and Aquarius Zodiac sign on the back of his neck and the Cygnus the Swan constellation on the back of his massive left hand, large weighted orange bands on his massive biceps and thighs with silver phoenixes on them, his large gold Cuff Bracelets of The Champions

of the Universe with large orange gems on his large wrists, massive and indestructible deep sapphire blue angel wings and the stars and blue nebulae reflecting on them with rainbow tips on the large deep sapphire blue feathers, and he was dressed in an orange version of He Man 2002's loincloth with hanging silver lightning bolts and long orange trenchcoat coattails with elemental forces, Thunderbirds, Phoenixes, and Buffalo on them and with hanging mini silver lightning bolts held up by his large gold Belt of Elemental Bravery with large orange gem for the belt buckle on his waist, a pair of large blue pants with multicolored lightning bolts on the thighs with the orange kanjis "Savior of The Loud House, Powerful Student of Many Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of The Thunderbird, and The Unifier of The Three Kingdoms" on the left legs, and large white leather combat boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and armor on the toe area, silver Buffalo head stud earrings with the Thunderbird and Eternity Kanji on it, a large Thunderbird Necklace of Eternal Love with colored gems on the gold lightning bolts with a large deep sapphire blue gem in the shape of a Thunderbird on top of a silver Buffalo head with the Thunderbird and Eternity Kanji on his neck and across his bare chest, large fingerless orange gloves with the symbol of The Loud House on it and surrounded in a diamond formation are a Phoenix, Thunderbird, Buffalo, and Angel, a large Orange Buffalo Animal Spirit Ring on his left ring finger, large Blue Lantern ring on his right ring finger, he had eight large orange orbs orbiting around his legs, and circling around his feet on the floor are eight golden crosses with angelic runes.

Alice Wishheart: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made twenty one clones of himself, and he and the twenty one girls went up to the girls, and picked them up and hugged them in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrap their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Alice Wishheart: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, twenty two Thunderbird Necklaces of Eternal Love appeared around the necks of Anne, Alice Wishheart, Aoba Anoa, Arnval, Erul Tron, Esmeralda, Gesshi Hanafuuma, Kokoro Belmont, Madoka, Meta Lium, Neko Sencho, Poini Coon, Strarf, Tita Nium, Hikaru, Akane, Eliza, Medusa, Sue, Memim, Stephanie McBain, and Elpeo Ple with colored gems and crystals on the gold lightning bolts. We return to the Estate, and we told everyone what'd happened, and they were shocked when they found out the villain we went after was Mui.

But, when Lincoln showed what he did to Mui, they all cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Ophelia Nefertiti now have a lot of catching up to do, now that she's back, and Ryuzetsu is now a new member of the team, and we also avenged Muku's death, and Mui paid the price for his misdeeds.

* * *

After getting rid of Mui, we were training intensely in the gym, this time, doing 150,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Ophelia Nefertiti saw Lincoln working out like crazy, she had an atomic red blush on her face.

Ophelia Nefertiti: Whoa, Lincoln's really grown to be a 17-year-old 7'0" tall, really big, and really strong man, just look at those abnormally massive and powerful muscles hard at work, and to work out with those 9,500-lb barbells and not even get tired, incredible.

Lincoln: And I've also trained a lot under some very powerful teachers, J.D. and Nico included, Ophelia, and now, I can also fight and defend myself.

Ophelia Nefertiti: That's incredible.

Nico: It sure is, Ophelia. So, what's this story that Lincoln mentioned that you saved him and his mom from Lori?

Ophelia Nefertiti: You're going to like this one, everyone. One day, while I was going for a power walk through Franklin Avenue, I heard the sound of smashing objects and screams coming from The Loud House. I ran to the house, and I knew where those screams came from: it was from Lincoln and Mrs. Loud, and I saw them shaking in fear. I then found out what, or who caused it: Lori, she was on a nasty rampage, and I found out from Lincoln that Mrs. Loud took Lori's phone as punishment for two whole weeks for forcing Lincoln to do her chores. It really set Lori off, and she went on a nasty rampage. When Lori saw them, she was about to pummel them both, but I knocked Lori out by punching her in the jaw, and tied her to a chair with nylon rope. As punishment for going on a nasty rampage, Lori got grounded for five weeks, and we had her put in a containment cube down in the basement.

When she was done, we gasped in shock.

Luna Loud: Yeah, I remembered that incident, dude. Thank goodness Ophelia heard the scream from Lincoln and Mom, and she rushed in and knocked Lori out.

Lynn: We knew just how violent Lori is when she gets mad, but to get that mad at Mom and Lincoln and tried to viciously pummel them, that just proves just how much of a bloodthirsty control freak Dark Lori is.

Lincoln: And I've had about enough of our Dark Sides. I overheard the conversation Musa's group had with Diabolico yesterday, and he's right: even though we've been freed from our Dark Sides, they're still linked to us, and if they die, we'll suffer the same fate. But, I've developed a technique to sever the links our Dark Sides have with us, and it'll turn them into separate individual beings.

Lincoln put the 9,500-lb barbell in its holding place, and he got up. Then, his rainbow energy aura with elemental forces, thunderbirds, phoenixes, angels, and buffalo flared up.

Lincoln: Now, to sever our Dark Sides from us for good. DARK SIDE ETERNAL PURIFICATION!

Lincoln spreads his massive deep sapphire blue angel wings and they fire a massive wave of purifying rainbow energy, which enveloped him, his sisters, and all those who've had their Dark Sides removed and put in crystal prisons in The Pluto Prison for Tyrannical and Murderous Dark Sides. Back in The Pluto Prison for Tyrannical and Murderous Dark Sides and inside their crystal prisons, the Dark Sides of The Louds and all those who had their Dark Sides removed felt a pain in their heads. This was the severing of their psychic ties to their true selves. When Lincoln was done, he, his sisters, and all of those who had their Dark Sides removed and imprisoned in crystal had a bit of a headache, but they recovered.

Luna: (Groans) Whoa, dude, what was that?

Lincoln: That was my new technique, it's called Dark Side Eternal Purification, it's a technique that I'd developed to permanently sever the psychic link of our Dark Sides for good.

We were amazed.

Nico: That's so awesome!

Rainbow Dash: Then, that means…?!

Lincoln: (Smiles) Yep, we're no longer connected to our Dark Sides who are still imprisoned inside the crystal prisons in The Pluto Prison for Tyrannical and Murderous Dark Sides, Rainbow Dash.

The girls in Lincoln's harem hugged and kissed him, and Lincoln's family, The Royal Defenders, The L-Ementals, and the Louds' Scottish Ancestors hugged Lincoln, and he returned them all.

Me: Wait until The Masters of Evil hear about this, they'll be cheering like crazy.

Eli: And I heard that she also attended Lincoln's Music Class.

Ophelia Nefertiti: That's right, Eli, and when I also heard Lincoln sing, we had tears in our eyes, he had the voice of an angel when he sang.

Ophelia played the clip of Lincoln singing, and when it ended, we had tears in our eyes.

Nico: (Voice Breaking) Lincoln's got the voice of an angel, if he can sing that great.

Me: (Voice Breaking) Same here. That's way too beautiful.

We then got a shower afterward, but then, the alarm sounded, and Lincoln checked it out, and he'd found out that Glemy Toto is running loose.

Elpeo Ple: Oh great, Glemy Toto's causing havoc.

Lincoln: And if I remember correctly, he's also among one of Haman Karn's army. Let's go, guys, let's take him down.

We head out, and Lincoln fired a powerful rainbow energy blast, which hits Glemy Toto on the back. When he saw us here, he was enraged.

Glemy Toto: So, the killers of Haman Karn, along with the traitor are here?! Now, I will have my revenge on all of you for what you did to Haman Karn!

Lincoln: Don't even try it, usurper. You've caused The Anti Earth Union Group enough trouble for the last time.

Alex (Totally Spies): And now, this is the end for you.

Suddenly, Alex's light honey-brown eyes turned neon light honey-brown, and she was surrounded by a yellow energy aura with lightning bolts and phoenixes, she unholstered her massive Defender of W.H.O.O.P. and International Defender of Spy Security swords from her back, and as she approached Glemy Toto, she left yellow energy, lightning, and phoenixes with every step.

Suddenly, Alex was surrounded by a massive vortex of yellow energy with yellow lightning bolts surrounding it, there's a phoenix flying around the vortex, and in the vortex is a black phoenix. Then, as the vortex faded, Alex emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Alex has on a long long-sleeved yellow coat with yellow lightning bolts and phoenixes on the coattails and right on the back is the logo of WHOOP with a phoenix and lightning bolts around it, a short-sleeved yellow blouse, yellow shirt with a black phoenix on it, yellow pants with lightning bolts on the legs, yellow leather ankle-high combat boots, and she has on a Star Sapphire ring on her left ring finger.

Suddenly, Alex's massive Defender of WHOOP and International Defender of Spy Security swords began merging together, and were surrounded by a kaleidoscope of yellow energy, lightning bolts, and phoenixes, and when it emerged, it was transformed into Cocijo's Topaz Lightning Sword of Espionage Justice, it's a new large sword with a 6'9" massive, wide, double-edged topaz yellow blade with the Zapotec God of Lightning, Cocijo, with Aztec glyphs around him, etched on it, large yellow phoenix heads with black gems for eyes for the crossguard, large black gem for the hilt, longer black handle, and four large yellow phoenix heads with black gems for the eyes and large black gems in its mouths for the pommel. Alex has on her new large gold cuff Bracelets of the Champions of The Universe with yellow gems on her wrists, gold Belt of Elemental Bravery with a gold phoenix head with black gems for the eyes and a large black gem in its open mouth for the belt buckle, large yellow Spellbook of The Gods and The Universe and large yellow Universal Spellbook of The Elemental Forces on her left hip and Eater of Sins revolver holstered on her right hip. There's an black kanji below the logo of WHOOP that said, "Alex, Great Friend of Sam, Clover, and Jerry, Loving Daughter of Carmen, Agent of WHOOP, Loving Future Wife of Lincoln Loud, Destroyer of WHOOP's Many International Enemies, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Lightning, Phoenixes, and Espionage."

Alex has transformed into SUPER ANGEL INFINITY DIVINE TOPAZ LIGHTNINGSTORM PHOENIX ANGEL OF ELECTRIC JUSTICE AND DIVINE LOVE!

We were amazed by Alex's Super Angel Infinity transformation, including Sam and Clover, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes. But, when Glemy Toto saw it, he fell into a murderous rage and tried to attack her, but Alex fired a powerful yellow energy with lightning bolts and phoenixes, which hits Glemy Toto, and electrocuted him.

Sam Simpson: Whoa, now Alex has transformed, that's so awesome!

Clover: And what she did in attacking that creep, that was amazing.

Lincoln: Wow, Alex, you look beautiful. How do you feel?

Alex (Totally Spies): (Divine Echoing Cosmic Voice of The Lightning Phoenix and Espionage Love) **I feel incredible, Linky, and now, shall we put an end to this creep once and for all?**

Lincoln: (Smiles) With pleasure, Alex.

Lincoln unholstered his improved massive Sword of Universal Hope

and Elemental Bravery from his wider and muscular back and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Alex.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Let's tear him to shreds!**

Alex and Lincoln went after Glemy Toto, and they fired powerful blasts of rainbow energy, yellow energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Gravity, Magic, Blood, Thunderbirds, Phoenixes, Angels, and Buffalo at Glemy Toto, and they explode with incredible power as they hit him. Then, they fired powerful energy beams of rainbow energy and yellow energy which hits Glemy Toto, and they exploded with incredible power, and the resulting explosion killed him. Then, as his spirit appeared, Alex marked his forehead with a kanji, and just like with Haman Karn and Rakan Dahkaran, Glemy Toto's spirit was erased from existence forever. We all cheered for what Lincoln and Alex did, as they holster their weapons and power down, and Alex's new body, clothes, weapons, and jewelry are permanent. Suddenly, Alex felt a sharp pain on her back, and then, massive black angel wings with yellow tips, sprouted out from her back.

Alex (Totally Spies) and Lincoln: In the immortal words of Nico, Glemy Toto, you have failed this world!

Nico: Ah, yeah, that's telling him, guys!

Alex (Totally Spies): Thanks for helping me take care of that creep, Linky.

Lincoln: (Smiles Warmly) You're welcome, Alex.

Suddenly, Alex wrapped her arms around Lincoln's waist, and he wrapped his abnormally massive and powerful muscular arms around Alex's waist, and he brought her into an embrace, which took her by surprise and that brought an atomic red blush to her face. Then, as Lincoln leaned down to her face, they kissed passionately as she wraps her left arm around his wider and muscular back, and her left hand on his massive and wide right pec, and right behind them was a Thunderbird, Phoenix, and Angel flying in the air, and we also saw a herd of Buffalo running across the field, and the display of the elemental forces behind them, and we cheered for them.

Me: Now, that's awesome.

Nico: You said it, bro.

Sam Simpson: Alright, Alex has become the next one to transform.

Lincoln: Which means, you're the last one to transform, Clover.

Clover: This is going to be so awesome, and if that little monster, Mandy, breaks out, this is going to be one nasty cat fight!

Me: Uh oh.

Nico: Uh oh is right, J.D. None of us forgot that Clover and Mandy hated each other with an intense passion, and I didn't forget that Clover viciously pummeled Mandy years ago, and got her expelled.

Lincoln: Same here, Nico. But, that spoiled brat doesn't realize that I'm also going to help Clover with pummeling Mandy.

Lori: That's right, bro, and we only have one thing to say: drag that spoiled brat by her hair, and trash her!

Clover: (Smirks) We'll make sure of that one, Lori.

Lincoln: (Smirks) Yeah, Mandy's not getting out of this fight without a couple of scratches, and I might slash off her hair.

Me: (Snickers) Ooh, that'll get her boiling mad!

Nico: (Snickers) I'll be sure to get the camera for that one!

We returned home to the Estate, and now, we're rid of another of Haman Karn's goons for good, but there's still more of them running loose. But, we'll be ready for them.

Dr. Nick was facing Kyoka and he won.

Me: My turn.

I went up to the arena and I was facing Izuku.

Izuku: This is gonna be a great honor to face you J.D.

Me: I won't disappoint you Izuku. You already have seen some of my powers and what many of us can do but I have only begun to scratch the surface with my abilities.

Izuku: Wow! I'm sure you have many more where that came from.

Me: Oh believe me I do.

Izuku flared up a Green Lightning Plasma aura!

Me: Wow! You have green lightning surging all over you.

Izuku: Comes with my quirk.

The 5 Star Dragonball on Nico's bracelet glowed and Nico fired a powerful blast of lightning and Bakugo dodged it and the lightning hit the arena and exploded!

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOM

Bakugo: WHOA! How did you do that?

Nico: Like J.D. I have many powers. But my most amazing one of them all is my ability to use all the powers and abilities of all the villains we killed or capture. It's one of my most amazing skills.

Bakugo: Wow! That is incredible.

Nico: Yep.

Nico later won.

Marcus Damon: I'm up next. Kinda suspicious how no one's intruding at the moment.

Lincoln: That is crazy.

Marcus went up and he was facing Mashirao Ojiro.

Marcus Damon: Your tail is really cool.

Mashirao: Thanks. I think so too.

Marcus Damon: Yep.

Marcus and Damon went at each other and Mashirao used his tail to swat him around and Marcus dodged all his strikes. Marcus knocked him down.

Nico: Way to go Marcus!

Me: The villains are just biding their time.

Nico: That could be.

Eli: Wait. I sense something. I sense 2 villains. Up there!

We saw them and they were the Gentlemen Thief Duo: GENTLE CRIMINAL AND LA BRAVA!

---

Gentle Criminal

**Danjuro Tobita**, also known as the **Gentle Criminal** or simply **Gentle**, is a major antagonist from the manga/anime series *My Hero Academia* . He is an infamous criminal seeking to spread his name across media as the villainous criminal he is today. He serves as the main antagonist of the *U.A. Cultural Festival Arc* alongside his partner in crime, La Brava.

Tobita was once striving to become an iconic Pro Hero, but after facing tragic rejections and failures, decided to seek fame as a villain instead.

He was voiced by Kōichi Yamadera in the Japanese version, and John Gremillion in the English dubbed version, whom also voiced the Holy Sol's Shadow Captain.

In the past, Gentle was a young teenager named Danjuro Tobita, who dreamed of becoming a Pro Hero. However, he was struggling greatly in high school, as he was continually failing his classes. Despite this, Tobita continued his best to be a hero and attempted to save a window cleaner who had fallen off from a skyscraper. Instead, however, he had gotten in the way of a Pro Hero that was trying to save him, ultimately leading to the window cleaner receiving serious injuries. Tobita ended up getting charged with obstructing justice, and his parents landed in deep debt to pay reparations to the victim, as well as for Tobita hindering a hero and using his Quirk while unlicensed. Eventually, Tobita was expelled from school and his parents threw him out, refusing to support him any longer. Tobita was eventually able to gain rent and earned money as a part-timer.

Some time later, Tobita met one of his old classmates, who had recently became a Pro Hero named Takeshita. His friend did not recognize him, however, leaving him greatly shocked and saddened. Tobita eventually gave up his dream on becoming a hero, as he realized that he could never accomplish his goal.

As time goes by, Tobita resurfaced as the criminal known as Gentle and was accompanied by his partner, La Brava. The two had finished robbing a store, as La Brava filmed the scene. She eventually uploads the video online, which gains a lot of views. Gentle begins to think of how people can start taking him more seriously.

When the two reach back to their hideout, Gentle explains that he does not commit crimes simply for his attention, but with a reason as well. He then reveals that the only reason he attacked the store was because they were hiding the expiration dates on the branded Fluffy Pudding, when they were about to expire. The two then look back at the documentary video made about Stain, in which they believe stole their attention. Gentle then reveals that his next plan is to infiltrate the U.A.'s Cultural Festival, hoping that the commotion will bring him as the center of attention.

The next day, Gentle is seen brainstorming in preparation, while also observing the U.A. High School itself. La Brava asks if he plans to get the students involved in the incident, to which he replies that the incident alone is enough to grab their attention, much to her satisfaction.

Gentle and La Brave then make their move in disguises, until they come across Izuku Midoriya, who was out getting supplies for the Cultural Festival. The two attempt to leave in order to avoid blowing their cover, but were stopped when he asks about Golden Tips Imperial Tea. Gentle was pleased to see that he knew of the coffee shop, but Izuku was then able to figure out who he was. Having no choice, Gentle decided to reveal himself, while La Brave begins film.

The two then engage in a battle. Gentle attempts to shake him off by using his Quirk on him, flinging him back away. Izuku was able to catch up to them, but then gets caught by one of Gentle's attacks again, sending him back away. When La Brave reveals that they're facing off *the* Izuku Midoriya, Gentle attempts to keep his distance further and rush to the U.A. However, Izuku was able to knock him back into a construction area.

Gentle gets caught in the construction beams, but eventually frees himself as he bounces back up into the air, only for Izuku to charge at him. Gentle tries escaping serval times, bouncing off the construction beams, but Izuku manages to sidestep into his every path. Backed into a counter, Gentle slams a mental bar towards an elderly bystander to distract the young hero. When Izuku accuses him of harming a civilian, Gentle argues it was a certainty he'd be saved, either Izuku caught the deam or Gentle used his Quirk to make the deam bounce harmlessly. With Izuku pinned, needing to hold the massive weight, Gentle prepares to escape by slingshotting himself and La Brava with a nearby crane. Izuku attempts to stop them with a charged attack, but the two were able to escape.

Eventually, however, Izuku was able to confront them once more, having them cornered. Gentle was able to free themselves after receiving a power-up from La Brava's Quirk. The two then collide into each other once more. Gentle begins to overpower Izuku with his strength. Before finishing him off, Gentle asks him why Izuku wishes to become a hero in the first place, to which he replies that he wishes to bring a bright future that everyone can be around for, much to Gentle's satisfaction. While Gentle continues holding him down, La Brava begins to hack into the U.A's network to disarm the security.

Gentle then disregards his plan of creating attention and instead focuses solely on defeating Izuku, after developing respect for the young hero. Izuku sends a couple of wind attacks at him, but Gentle is able to evade them with his Quirk. Izuku manages to land one hit on him, however, causing Gentle to lose his balance. With a clear opening, Izuku finishes him off with a St. Louis Smash, finally knocking down Gentle for good.

Seeing Gentle defeated, La Brave rushes to the scene as she begins hitting Izuku, demanding that he lets him go while yelling how Gentle worked so hard to achieve this one goal of his. Gentle then begins to fear that if he allows La Brava to escape on her own, she will commit worse crimes than he has done. Refusing to accept this fate, Gentle sends Izuku flying back while wishing him to bring a brighter future for La Brava's sake. The two are then confronted by the Pro Heroes Hound Dog and Ectoplasm, placing them under arrest.

As Hound Dog interrogates him, Gentle begins to reflect on his past, on how he's lived for himself and was glad to spend his last time battling Izuku Midoriya. At the same time, he reflects on the crimes he's committed, coming to the conclusion that his worst one is manipulating La Brava. Eventually, Izuku returns to clear up the situation that he was simply a prankster that he got in a dispute with. Hound Dog hesitantly accepts his words, but nonetheless, prepares to take him the police station to clear up the story with Gentle. Before he is taken away, Gentle tells Izuku that he was like him in the past; someone who wanted to be a hero that was born out of despair. He wishes for him to bring a bright future for others that reach to it.

Gentle sat down with one of the officers, who was going over his crimes and checking his background. He tells him that he was scared as he simply wanted to achieve his dream, regardless of the path he was going on. The officer tells him that it was a good thing they stopped him and that he should focus on rebuilding his life. Gentle makes one last request, in which he asks for black tea to drink, much to the officer's annoyance.

# La Brava

**Manami Aiba**, also known as **La Brava** and sometimes **Loverlover**, is a major antagonist in the manga/anime series, *My Hero Academia* . She serves as the secondary antagonist of the U.A. Cultural Festival Arc.

Originally a simple schoolgirl that was a fan of his videos, La Brava is a villainess that now acts as Gentle's partner in crime, in which she will do everything she can to make sure Gentle accomplishes his goal of becoming a famous villain in history.

She is voiced by Yui Horie in the Japanese dub of the anime and Megan Shipman in the English dubbed version.

Manami Aiba was once a schoolgirl at Junior High where she would often write letters to a boy she had a crush on. In return, the boy thought of her as nothing more but a stalker, causing her to lose motivation in herself. It wasn't until she came across one of Gentle's videos of himself, which lead her to meeting up with him, wanting to do everything she can to help him.

La Brava is first seen recording Gentle on her phone as he finishes robbing a store. When he meets up with her, she informs him that the video's views are stagnating, despite how "awesome" he was. Gentle didn't show much concern, however and continued on as he accidentally spills his tea on her.

Eventually, the two returned back to their hideout, in which La Brava began to upload the video, while also admiring one of Gentle's past videos. The two then prepare to film their next video regarding Gentle's next project. While they travel around the city brainstorming their idea, the video La Brava uploaded receives negative comments. Despite this, Gentle continues to ignore them.

Gentle is later seen working on his plan, which involves invading the U.A. Cultural Festival, believing that if he were to launch an attack, he will gain the fame desires. When La Brava asks if he plans to get the students involved, Gentle believes that him invading in the school would be enough to get their attention, much to La Brava's admiration.

Eventually, the two partners begin to head off in the city, as they follow their own route to U.A. They end encountering one of the students, Izuku Midoriya, who was tasked to bring back rope. They attempt to make their leave, but Midoriya was able to figure out Gentle's disguise, causing the two to drop the act. Gentle then prepares to take on Midoriya, while La Brava prepares to film the battle.

While Gentle faces off against Midoriya, La Brava does her best to keep the camera recorded. Once he was able to blast Midoriya away with his Quirk, Gentle continued to move forward to U.A. with La Brava. La Brava eventually remembers Midoriya as the student from the Sports Festival, causing Gentle to keep further distance away from him. However, Midoriya was eventually able to catch back up and knock Gentle back into a construction site.

La Brava continues to film while staying out of the battle. She attempts to call out Gentle for him to get out of the situation, in which he does by using a construction beam and launching the two away once more. The two then land nearby close to the school, but Midoriya was able to reach to them once more, pinning the two down to the ground. Eventually, La Brava uses her Quirk and bestows her power into Gentle, giving him a tremendous boost in strength, causing him to overpower Midoriya.

As the two continue to battle, La Brava begins to hack into U.A.'s internal network, in order to disarm the alarms. However, she is unable to receive a connection, so she makes a further attempt by moving closer to the school, until she is caught by Hound Dog and Ectoplasm. Immediately, she runs back to Gentle, only to find him defeated at the hands of Midoriya. She attempts to stop Midoriya, refusing to let him turn in Gentle, while Gentle simply wishes for her to run while she has the chance. However, he soon realizes that if she were to escape, she will begin committing far worse crimes in his name.

Gentle then decides to take the blame for himself, in which he blasts Midoriya away from the scene, while he remains comforting La Brava, as Hound Dog and Ectoplasm confront the two surrendering. The two are then eventually taken to a police situation. Two officers look over La Brava's computer, in which they were impressed by her computer skills. They asked if she was ever interested in using her talents for the world's sake in which she says no, as everything she does is for Gentle's sake.

Nico: WHOA!

Me: They look like Gentlemen Thieves!

Kairi Yano: Wow! Awesome to meet fellow thieves.

Me: Yeah.

Nico: The Gentle Criminal and La Brava.

Gentle Criminal: Apologies. But All For One told us to put an end to you all.

Kameo: You're more then welcome to try.

Kameo turned into Snare.

Me: Wait! Let me take care of this one. We are not only awesome fighters but we are also great negotiators.

Nico: Okay.

I went over.

Me: Gentle Criminal and La Brava it's a pleasure to meet you both.

Gentle Criminal: Pleasure is mine J.D. my good man. I've head so much about you from All For One.

Me: I'm glad he has heard about the reputation we hold. But I actually have a much better proposal for the both of you and it would fit your much better than working for someone like

All For One. How would you like to be one of our great archenemies in our frenemies the Masters of Evil?

Gentle Criminal: I'm afraid we wouldn't fit in with Baron Zemo's group.

Me: I apologize but this is completely different than Baron Zemo's version. It's run by our friend Vypra and she is now the leader of a Masters of Evil that took the place of our old enemies in the Legion of Doom after The Battle with Thanos on December 26th, 2019.

I told them everything and it was amazing.

Gentle Criminal: I see. Well you definitely have an amazing set of great frenemies and I would be more than happy to join said organization.

La Brava: Me too. I'm in.

Me: Great.

I gave them a card for them.

Me: That will get you into the group.

Gentle Criminal: Thank you my good man.

Me: You're welcome.

They then teleported.

Izuku: Wow! J.D. is an awesome negotiator.

Bakugo: (to Nicole) Sorry you didn't get to fill up the Book of Vile Darkness this time, Nicole.

Nicole: I'll be fine. Besides I have all the time in the world to do that.

Me: But I have one last message for All For One.

I flew up into the air.

Me: Lets see how he likes this when I leave my mark on him.

(CALL OF THE DRAGON THEME PLAYS)

I then spread my arms and legs and flared up my power with incredible fury!

Nico: WHOA! THIS IS GONNA BE POWERFUL!

THUNDERCLAP THUNDERCLAP THUNDERCLAP!

Lightning struck all over the place with incredible power and I cupped my hands in front of me and flared up my power to incredible intensity and the ground was shaking violently!

Eli: WOW WHAT POWER!

Nico: UNREAL!

Me: Get ready All For One. This is my mark on you. (ECHOING) FINAL FLASH!

I FIRED AN INCREDIBLY MASSIVE AND POWERFUL BLAST OF ENERGY AND IT WENT ALL THE WAY TO ALL FOR ONE'S HIDEOUT AND THE BLAST EXPLODED THROUGH THE WALL OF THE HIDEOUT AND IT SLAMMED INTO ALL FOR ONE'S CROTCH WITH FULL FORCE AND EXPLODED WITH INCREDIBLE POWER!

**EXTREMELY MASSIVE EXPLOSION OF INCREDIBLE POWER!**

THE MASSIVE MUSHROOM CLOUD COULD BE SEEN FOR MILES!

Nico: WHOA! WHAT POWER!

Eli: UNREAL! I sense that J.D. blew All For One's manhood completely into dust and even blew off one of his legs too! He even burned him all over the place and even blew his entire hideout to dust too.

Himiko Toga: Incredible!

Izuku: Wow! That was awesome!

Thunderlegs: I think it's time I reverted back.

Nico: Okay! But no peeking at her everyone! Nicole is known for having an intensely brutal hatred towards perverts.

Nicole: It's true! I'm watching you all!

Nicole was not bluffing.

I gave Nanette new clothes and covered her in a dome of darkness and she reverted back to human and then put on her clothes.

Nanette emerged back to human and in red clothes.

Nanette: There.

Izuku: Nanette, don't laugh at this. But ever since I met you, I've come to see you as a big sister.

Nanette: Oh Izuku. Thank you.

She hugged him.

Camie Utsushimi: You did amazing J.D.

Me: We all did. You all have incredibly amazing potential and you all have what it takes to be part of the team.

Nico: Yeah you all were great.

Eli: That's true.

Me: Yep.

Ibara Shiozaki: But you all will see us take All For One down for good when we come here on April 7th.

Nico: That you can count on.

We all later came back.

May: How did it go?

Me: It was epic.

Nico: We tested many of the students powers and it was amazing. They all have amazing potential to be great additions to the entire team.

Eli: And J.D. dealt a devastating and crippling blow to All For One.

Vegeta: How did you hurt him?

Me: I fired a Final Flash blast and wounded him all over. But mostly I blew his entire crotch apart along with his leg and burned him all over and destroyed his entire hideout.

Vegeta: (Gasp) That is amazing!

Goku: Incredible! You really let him have it.

Me: Yep. And we recruited 2 new archenemies into the M.O.E. Gentle Criminal and La Brava.

Sly Cooper: Wow! They are Gentleman thief villains.

Diddy Kong: Wow! I would love to face them and Sly and Lupin would be awesome for my group in the future.

Nico: Yep.

May: Fluttershy, the day after tomorrow is the start of your Ambassador missions.

Fluttershy: Oh I'm looking forward to this one and I hope I like where I'm going on them.

Nico: You'll love it Fluttershy.

Laney: That was so amazing.

The doorbell rang.

Me: Oh. Visitors.

Nico: Come in!

It opened and in came Andy and his mom and little sister as well as

Hannah Phillips.

Bertie: Hi, Ms. Davis!

Me: Oh hello Ms. Davis and hey Andy what's up?

Andy Davis: Not much J.D. Sorry to come in like this but we just want to talk to you about something.

Nico: Is this about what happened when you all came here for a vacation on August 2nd last year?

Hannah Phillips: Yeah how did you know?

Nico: Well we were going to war back then and we couldn't let you guys get hurt.

Me: There was a terrible war that we were about to go into on August and we didn't want you all to be caught in firestorm so to speak.

Sora: Yeah it's crazy.

Me: We had to get you to the estate for your protection.

Ms. Davis: We thank you for looking out for us.

Me: Anytime Ms. Davis.

Finn: Okay, you want to know the truth? Well…

William: They're alive.

Andy: Say what?

William: Your toys are all alive! And yours aren't the only ones!

Me: It's true. Woody, Buzz, guys, it's time the truth came out.

Woody, Buzz and all of Andy's toys came out and they gasped.

Molly Davis: Oh wow! This is awesome!

Andy Davis: My toys are alive!? Wow! I always knew they were alive!

Varie: Your toys are all very special Andy.

Ms. Davis: Wow.

Fellbat: We don't know how this came to be. But they and every toy on their world is alive.

Nico: It's true.

Hannah Phillips: Wow! My brother said that the toys were alive and I thought he was crazy!

Me: That was for an emergency time. Desperate times call for desperate measures.

Eli: Sid strapped Buzz to a big firework rocket and he was about to blow Buzz to smithereens and Woody and everyone saved him by revealing the truth about the toys being alive. It was during when Ms. Davis and family were in the process of moving.

Laney: That's right.

Chromia: And Al tried to get Woody shipped to Japan a couple of years after that.

Stinky Pete: It's true.

Jessie: Yeah.

Me: Al wanted Woody, Jessie, Bullseye and Stinky Pete to last forever in a special museum for toys.

Eli: I remember that. That was crazy but cool.

Andy Davis: Wow. You guys went through so much.

Woody: We all have Andy.

Buzz: But there is always a place in our hearts for you.

Me: Yep. You guys and Andy went through so much together. But deep down we are all kids at heart and you are never too old for toys.

Aylene C.: That's true.

Meta Knight: That went better then I hoped.

Maria: Let's hold off on showing them the Robot Chicken sketches for now.

Nico: Good idea. We don't want to do that right away. But instead I have something better for us and it's our next mission.

Laney: Ooh what is it.

Nico pulled out the case for the awesome movie Scott Pilgrim VS The World.

Me: OOH! Scott Pilgrim VS The World!

Eli: That's one of my favorites.

Lana: Mine too.

Lincoln: That is an awesome movie and if I were to guess we're going to destroy Ramona's evil exe's: Gideon Graves, Matthew Patel (Mystic Pirate), Lucas Lee (Pretty good Skateboarder/Actor), Todd, Ingram (Vegan Rockstar), Roxie Richter (Bi-Furious Half Ninja), Kyle Katayanagi (Handsome Jerk) And Ken Katayanagi (Perfect Asshat).

Nico: Yep and we're going to stop EVERY Single one of those Motherfucking Assholes from Hell.

Then Man Boy, Robo-Blaze, Dr. Light, Skulker, Brain Freezer, Toiletnator, Diabolico, Riddler, Chalmers and Killer Shrike appeared.

Man Boy: Can me, Robo-Blaze, Dr. Light, Skulker, Brain Freezer, Toiletnator, Diabolico, Riddler, Chalmers and Killer Shrike go with you guys?

Nico: You all sure can. We're going to start by watching Scott Pilgrim VS The World and then we're going to go into the world of the movie for an awesome battle.

Toiletnator: AWESOME!

Brain Freezer: That's one of my favorite movies. Thank goodness I wouldn't do that to Aylene.

Aylene C.: Thank goodness.

Nico: Yep. Lets get to watching.

We got to watching.

---

In Toronto, 22-year-old Scott Pilgrim is a bassist for his unsuccessful indie garage band Sex Bob-Omb. He is dating Knives Chau, a 17-year-old high-school student, to the disapproval of his friends in the band, his roommate Wallace Wells, and his younger sister Stacey Pilgrim. Scott meets an American Amazon delivery girl, Ramona Flowers, after having first seen her in a dream. He loses interest in Knives, but does not break up with her before pursuing Ramona. When Sex Bob-Omb plays in a battle of the bands sponsored by record executive Gideon Graves, Scott is attacked by Ramona's ex-boyfriend Matthew Patel. Scott defeats Patel and learns that, in order to date Ramona, he must defeat her remaining six evil exes.

Scott finally breaks up with Knives, who blames Ramona and swears to win him back. Meanwhile, Scott proceeds to get attacked by, and defeats, the next three of Ramona's exes: Hollywood actor and skateboarder Lucas Lee, super-powered vegan Todd Ingram, and lesbian ninja Roxy Richter, while also confronting his own ex, pop star Envy Adams. However, Scott grows frustrated during the process, and after an outburst regarding Ramona's dating history, she breaks up with him.

At the next battle of the bands, Sex Bob-Omb defeats Ramona's fifth and sixth evil exes, twins Kyle and Ken Katayanagi, earning Scott an extra life. Despite this, Ramona appears to get back with her seventh evil ex, Gideon. Sex Bob-Omb accepts Gideon's record deal, except for Scott, who quits the band in protest. Gideon invites Scott to his venue, the Chaos Theater, where Sex Bob-Omb is playing. Resolving to win Ramona back, Scott challenges Gideon to a fight for her affection, earning the "Power of Love" sword. Knives interrupts the battle, attacking Ramona, and Scott is forced to reveal that he cheated on both of them. Gideon kills Scott and Ramona visits him in limbo to reveal that Gideon has implanted her with a mind control device.

Scott uses his 1-up to come back to life and re-enters the Chaos Theater. He makes peace with his friends and challenges Gideon again, this time for himself, gaining the "Power of Self-Respect" sword. After apologizing to Ramona and Knives for cheating on them, and accepting his own faults, Scott and Knives join forces and defeat Gideon. Now free from his control, Ramona prepares to leave. Knives accepts that her relationship with Scott is over and, at her encouragement, he leaves with Ramona to "try again".

---

When it was done we were amazed and we cheered wildly!

Nico: That is always awesome!

Laney: But those boyfriends are a bunch of evil jerks!

Eli: Yeah they sure are.

Me: It's a darn shame this movie wasn't a big hit in the Box Office. But it did win a bunch of awards.

Nico: It sure did.

Laney: Yeah and it was a great movie though.

Lincoln: Alright, we're ready for our mission, and we'll put an end to Ramona's evil ex-boyfriends.

Nico: Yeah, let's get those chauvinistic buttfaces!

But, before we left to help Scott Pilgrim and Ramona deal with her evil ex-boyfriends, Lincoln's deep sapphire blue eyes glowed even more, as he sensed a dark energy, and he saw a vision of who that dark energy belonged to, it was none other than our old enemy, Mandy, who's broken out of The Neptune Prison for Traitors, and she wants bloody revenge on us for tossing her in prison. When we saw that, it definitely meant trouble.

Nico: Uh oh, Lincoln, trouble?

Lincoln: Afraid so, Nico, and none of us are going to like it one bit, especially you, Clover: Mandy's broken out of The Neptune Prison for Traitors, and she wants bloody revenge on us for tossing her butt in prison years ago.

We gasped in shock.

Clover: That miserable snob's broken out of prison?! Grr, now, it's personal!

Nico: Big time. I can't believe that murderous spoiled brat's broken out of prison!

Caitlin: As it stands, she's no longer our friend.

Dominique: I don't even know what we're thinking of when we were hanging out with her.

Clover: Yeah, and me and Lincoln are going to viciously pummel that heartless spoiled brat into the dirt!

Lincoln: And it's also very personal: Clover and Mandy hate each other with a passion, and years ago, Clover viciously pummeled Mandy, and got that spoiled brat expelled from school for good. She also hates us and calls everyone in her path losers. She thinks she's so high and mighty, she can look down on others. I'm also looking forward to giving her a nasty cold dose of reality, and even worse, I'm going to make her worst nightmares come true.

Nico: Just like you did to Heather during one of your rescues, when we she and Billy McLean broke out of prison to get revenge on us.

Lincoln: That's right, and of course, after we've pummeled her, she's going right back to The Neptune Prison for Traitors, but she's going straight to Solitary Confinement, and she's getting chained to the wall of her new cell with Neutronium Chains and rainbow energy chains, and we'll also have her put through the humiliations.

Robo-Blaze: Now, that's a good idea, Lincoln.

Lori: Yeah, putting her through the humiliations, that'll break her sanity even more, and she'll go insane.

Nico: So, you're planning on driving her even more insane with the humiliations? (Smirks) Pretty clever of you, big guy.

Me: It's a perfect punishment for her, Lincoln.

Lincoln: Thanks, guys. Now, then, shall we?

Nico: Right. Let's go, everyone.

We then head out to help Scott Pilgrim and Ramona, and then, after we've dealt with Ramona's evil ex-boyfriends, Clover and Lincoln are going to deal with that psychotic spoiled brat bitch, Mandy, who's broken out of prison and she wants revenge, but she's about to get a really nasty surprise.

---

We were flying to Toronto.

Future Maria: So, Nico. Which Gene Slammer do you think you'll meet on your next rescue?

Nico: I'm hoping to meet a Galvanic Mechamorph Gene-Slammer next time.

Laney: Good choice there.

Me: So Julie Yamamoto, Levi, Dexter, Lisa or Missy will go with you next.

Nico: Yep.

Lana: That will be cool to see.

Lola: Yep.

We flew on and we saw Scott.

Scott Pilgrim was about to be trounced by Kyle Katayanagi!

Kyle Katayanagi: You are going to die a horrible death! Ramona is my girl!

Scott Pilgrim: She would never date a pig like you!

Kyle Katayanagi: JUST FOR THAT ONE I WILL SLIT YOUR F*** THROAT!

Tink tink!

A finger tapped on his shoulder.

Kyle Katayanagi: Huh?

He saw me and then.

POW!

I punched him in the face and knocked out some of his teeth and sent him crashing into the wall! He got up and he was SEEING RED!

Kyle Katayanagi: YOU GOT A FUCKING DEATH WISH!?

Me: You should be asking yourself that you motherfucking asssucking shitface!

Kyle Katayangi: WHY YOU MOTHERFUCKING SHIT!

He unsheathed a sword and then went at me and I unsheathed my sword and we clashed and then I slashed off his arm and he screamed in pain and then I kicked him in the face and sent him flying far!

Me: Take that!

Scott Pilgrim: Wow! Thanks man. I owe you one.

Me: No problem.

Toiletnator: Hi! You must be Scott!

Scott Pilgrim: Whoa! I thought you all looked familiar! You're all Team Loud Phoenix Storm. It's such an honor.

Nico: Pleasure is ours Scott.

Scott: J.D., I really hope you don't use the Black Gates on me for asking this. But ever stop to consider that you might be overdoing it a bit?

Me: Overdoing what? Saving lives?! Giving scumbags what they deserve?!

Scott: It's just that you're scaring people.

Me: (growls) Good! They should be scared! Too scared to pull the trigger or press the button! They should be too scared to fucking hurt each other!

Scott: Do you tell that to the many people you guys permanently took out?

Me: Not people. Monsters.

Scott: Monsters might be a bit of oversatement

Me: Scott, a few lives to save millions.

Scott: I admit that's a good argument. But I know you guys have killed more then a few

Brawl & Chain: Okay, why don't we focus on stopping Ramona's stalkers?

Nico: That's what we intend to do.

Eli: Yep.

Scott: Look, I'm not one of the people who believe the lies of Plakkton's former buddies. But don't you guys think you might be taking it a bit too far?

Me: (sighs) I do think about it. And I sincerely wish that there were other ways to deal with criminals. But our methods are necessary to prevent more death.

Riddler: He's right. Riddle me this, Scott. How many lives do you think my good friend Batman and Superman could've saved if they had just killed the likes of my former ally Joker and Lex Luthor after the first few times they fought them? (to Batman and Superman) No offense.

Superman: None taken.

Batman: None taken.

Nico: Scott you do bring up a good argument and that is true.

Me: You're right. But what these monsters are doing shows that they will not stop until everyone dies. That shows how dangerous people can be.

Nico: Yep.

Ramona Flowers then came.

Ramona: Hi. You guys must be Team Loud Phoenix Storm.

June: We sure are. You must be Scott's girlfriend.

Me: Ramona Flowers I presume?

Ramona: That's right. Awesome honor to meet you all.

Nico: Same here. J.D. slashed off Kyle's arm.

Ramona: Awesome! He'll be back though.

Scott: And we'll be ready for him.

I then gave Scott and Ramona a katana of fire and lightning for

them.

Scott: I'm sorry, guys. I know it sounds like I'm questioning you guys. But I'm just concerned. That's all.

Chalmers: You're right to be concerned, Scott. After all, now that I think about it, I think Ramona's exes might be Masters of Evil material.

Ramona: Sorry to barge into this conversation. But I think you guys should give the Black Gates a break for a while after today. They might be taking a toll on your sanity.

Nico: Maybe you're right. At the very least, we should take a break from using the Black Gates until March 14.

Me: Yeah. But at least we're trying our best to make sure all the villains never return. Thanks for your concern though Ramona.

Ramona: You're welcome.

Kate Lloyd: By the way Ramona has anyone ever told you that you look so much like me.

Ramona: Do I really?

Kate Lloyd: Yeah.

Scott: Also, maybe I should say goodbye to the members of my band, Sex Bomb Omb, in case me and Ramona die.

Fubuki: Scott, first of all, Nicole probably finds that name questionable. And second, there's one other thing you need to fully understand about us. We always come out on top. (thinks about it) Well, almost always.

Nico: Actually yes we ALWAYS come out on top.

Nicole: Yeah and I do find the name of that band very questionable because of my hatred towards perverts.

Scott: Oh. Sorry.

Nicole: No worries.

Me: But we're not going to let you die Scott.

Diabolico: First up is Matthew Pattel.

Nick Russell: I'll face him first.

Me: This will be awesome.

Nico: Yep.

Me: Hmm. Hey I got an idea! Lets spice this up by taking the battles for each boyfriend to different worlds.

Nico: Not a bad idea J.D.

Me: And I know just the place to start for this one.

Eli: This will be awesome.

We walked on and then we faced MATTHEW PATTEL!

Matthew Pattel: You all must be Team Loud Phoenix Storm.

Nick Russell: They say you're a Mystic Pirate. I'll show you Mystic!

Lemmy Koopa: Anyone else want to join in?

Eli: I will.

Nico: What world should we face him?

Me: This one. (Snaps fingers)

We were in the world of Pirates of The Caribbean 4: On Stranger Tides and we were in Whitecap Bay!

Eli: Wow! Whitecap Bay.

Nico: From the 4th Pirates of The Caribbean Movie. Great choice.

Me: Figure it would fit someone of Matthew Pattel's tastes.

Matthew Pattel: I do like pirates.

Skulker: You can't be a Mystic and a Pirate at the same time. Unless you're the Megaforce Rangers in their Super Mega Mode.

Nick Russell: That's true.

Me: But I have this planned for Nick.

Nick Russell: LEGENDARY SOURCE! MYSTIC FORCE!

He turned into his Red Legend Warrior form!

Nick Russell: ELEMENT OF FIRE! RED LEGEND WARRIOR!

He was ready.

Me: Now for the final touch. (Snaps fingers)

I gave him an awesome red pirate coat and his staff turned into a cool sword!

Nick Russell: Now that's more like it!

Eli: Awesome bro!

Me: I call it Mystic Pirate Mode. All the Mystic Force Rangers can now use this form too.

Vida Rocca: AWESOME! I'm looking forward to this.

Nico: Yep.

Nick punched and blasted and smashed Matthew down.

Maria: Give up right now, Matthew. We're in a very merciful mood right now. Don't change that.

Nico: It'll save you a whole mess of pain. Besides. You would be a much better member for the Masters of Evil. You would have a much better style of fighting and have fun in our usual battles.

Matthew: I'll look into it.

Bowser: That Lucas Lee guy is next.

Nico: This will be good.

Laney: I have a feeling it will be fun.

Me: I hope there's a side battle for each boyfriend.

Allie Wilde: That will be cool.

In the jungle we faced LUCAS LEE!

Lucas Lee: Team Loud Phoenix Storm, right? Don't take this personally. Just doing my job.

Duncan: I know. So are we.

Robo Blaze: Anyone want to join in?

Varie: I will.

Lucas: Oh and I have some special guests for you J.D.

The Sound 4 Came out!

Me: I knew it was gonna be them. All righty.

I was walking up to the Sound 4 and they were back with a vengeance.

Dark Tayuya: You are a fucker that is always ruining evil's plans! Damn that pisses me off!

Jirobo: Tayuya, watch your language.

Dark Tayuya: Oh shut up fatso!

Me: How about you fuckers BOTH shut up!?

Sakon: We will still get our revenge on you for killing us!

Me: Even after 150,000 years, you 4 fuckpots just won't take a hint. Even after spending all that time in Hell. Like I already told you assholes, I am far more powerful than I was when we fought the last time.

Dark Tayuya: Don't underestimate us you piece of crap! Got it!?

Me: Says the pot calling the kettle black you fucked up bitch! You are the ones who underestimated me. Because you had no idea that you were fighting the long lost leader of Team Loud Phoenix Storm. You guys are still as weak as you were the last time we fought.

Jirobo: I'm gonna shut that big mouth of yours for you!

Me: Two words Jirobo: FUCK YOURSELF!

The Sound 4 charged at me and I flared up my Super Angel Friendship God power and went at them! I punched Dark Tayuya in the face and kicked Kidomaru in the stomach and punched Sakon and kicked Jirobo and fired a powerful blast of fire and energy and Dark Tayuya and the blast hit her and exploded. Blowing her chest open and I kicked her head and kicked Jirobo in the face and punched him in the stomach and punched Sakon & Ukon in the face and fired a powerful blast of lightning at them and electrocuted them all over and I kicked Jirobo and fired a powerful barrage of leaves and cut them up.

I landed in front of them and I asked them a question.

Me: I don't understand you fuckwits. Why are you serving someone like Gideon all just to get revenge on me for killing you 150,000 years from now? All you are is nothing but a bunch of tools to the League of Evil Exes.

Sakon: What? We're nothing but tools? Is that what you called us?

Me: Uh yeah.

Sakon laughed.

Jirobo laughed too.

Kidomaru: You ignorant fool. We have nothing whatsoever to do with the League of Evil Exes.

Sakon: Our reanimation is simply because of our loyalty to Lord Orochimaru.

Me: (Sighs) Even after all this time you still follow someone as fucked up and as delusional as that snake fucker.

Sakon: Quite so. He made us a promise long ago and this is the result of that.

Me: Humor me.

FLASHBACK - 150,000 YEARS HENCE

Orochimaru was watching a bunch of prisoners fight each other mercilessly and Kabuto Yakushi was with him.

Orochimaru: Yes, that's it. Kill each other off. And if you are not taking this battle seriously, then I'll just kill you myself.

It was a gruesome and terrible battle and there were many people dead. The only ones left standing were Tayuya, Sakon & Ukon, Jirobo and Kidomaru.

Orochimaru: The feeling that's born when one transcends the fear of death. Yes that's it. That's what I wanted to bring out in you. Just look at those fine eyes of yours. Now I shall bestow upon you greater power and you shall carry out my bidding as my favored ones.

Sound 4: NINJA ART: 4 FLAMES FORMATION!

A powerful blackish purple barrier formed during the fight with Orochimaru and the 3rd Hokage.

Sakon: (Narrating) Standing at Lord Orochimaru's side, we've been witnessed to many jutsu. But the ultimate is the Reanimation Jutsu.

After I defeated Orochimaru and destroyed his entire career as a shinobi permanently, he was lying in bed and seething in rage and burning in pain.

Orochimaru: That fucking brat! I can't believe he ruined me! HOW

DARE HE!?

He had the Sound 4 by his bedside.

Orochimaru: What? Do you have something to say?

Sakon: No.

Orochimaru: In the condition I am now, you four might be able to kill me. This is your chance if you dare to try.

But the Sound 4 wouldn't do so.

Orochimaru: Well it seems that as long as the Curse Mark binds you, you cannot bring yourself to raise your blade against me. Although the invasion was a failure from the start, you did make yourselves useful in the attack on the Hidden Leaf. For that I shall reward you. What do you wish for?

Sakon: There's only one thing Lord Orochimaru.

Jirobo: Power. Power as a shinobi. We wish for nothing more than that.

Orochimaru: So it shall be. That's quite impressive. All of you. I commend you on your choice. I'll add each of you to the sample. To access the next level of power within you, you will need a vengeful heart. Possessing an extreme desire for revenge will rapidly increase the power of the Curse Mark.

Kidomaru: What's the connection between that and the Reanimation Jutsu?

Orochimaru: The emotions you 4 learned from overcoming the fear of death at that laboratory are resentment and hatred towards me. No, an even stronger feeling. I'm sure you swore to get back at me one day. Even if you were killed in the process. That emotion, when you can hate someone as strongly as that. Once you're actually killed you take it with you. That hatred towards the one who put you to death. You die thinking that you could be resurrected, it will be to only seek revenge. Yes. Through the Reanimation Jutsu, you will return as one seeking vengeance. You will attain power unlike anything you've ever had before. The source of your newfound strength will be your consuming desire for vengeance. Embrace that power. Take pleasure in it, revel in its might.

FLASHBACK ENDS

Sakon: Today just as it was in the future you killed us in, we belong to Lord Orochimaru!

A massive blast of wind blew and I felt their power increase dramatically!

Kidomaru: We are Lord Orochimaru's very own Seekers of Vengeance!

Malevolent dark purple auras flared up around the Sound 4 as their powers were rising dramatically at an accelerated rate!

Jirobo: The intense hatred and resentment that we harbor towards you will allow us to unleash the full depths of our power!

Sakon: The way it stands now, no one can stop us!

Dark Tayuya: And don't you even dare to lump us in with all those other fuckpots you fought you fucking piece of trash!

Storm clouds rapidly formed and the sky was darkened and lightning struck all over the place. My aura was getting stronger because of their hatred.

Me: So you all were brought back just to get revenge on me? You 4 are just as fucked up as ever. Then it's time for me to get serious and show you fuckers that I am far more powerful than I look right now.

I unleashed my SUPER ANGEL ETERNAL INFINITY FRIENDSHIP HARMONY GOD POWER!

I went at them at a tremendously blinding speed and punched Jirobo in the face with devastating force and kicked Dark Tayuya in the face and sent them both crashing into a bunch of trees and I fired a powerful blast of fire at them and it hit them and exploded with incredible power.

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I kicked Kidomaru in the face and teleported behind him as he fired gold arrows at me and I grabbed his four extra arms and pulled and I ripped them clean off and he screamed in excruciating pain! I kicked Sakon in the face and fire a blade of light and cut Sakon and Ukon in half and fired a powerful blast of lightning at him and electrocuted them both and fired a powerful blast of lava and burned them all over and fired powerful shards of crystal at Kidomaru and skewered him all over the place and I kicked him in the face and teleported and kicked him in the back and fired a blast of fire at him and burned him all over and I kicked him high into the air and dealt a spinning axe kick to his stomach and sent him crashing into the ground. I sensed Dark Tayuya coming at me from behind and she kicked at me and I dodged her strike and grabbed her leg and elbowed it and there was a nasty sickening crunch and she screamed in excruciating pain and I elbowed her in the face and swung her around and sent her crashing into the ground. I formed a Supernova energy ball and sent it at Tayuya and it hit her and exploded in a massive fiery explosion of incredible power.

KRABBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Jirobo jumped at me and I sensed him coming from behind and I teleported as he did a powerful punch at an incredible speed and I fired a massive barrage of wind blades at him and cut him all over and I fired a powerful ball of light at him and it hit him and exploded.

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I then teleported and punched Sakon and kicked Ukon in the face and fired powerful blasts of water at them both and sent them crashing into a bunch of trees. The Sound 4 were down, but they were severely weakened and badly beaten. I have completely overwhelmed the Sound 4 like they were 150,000 years from now.

Dark Tayuya got up and she saw how much I've changed.

Dark Tayuya: I can't fucking believe it! He's changed so much!

Kidomaru: I HATE YOU J.D.!

My aura flared up with incredible power.

Me: **You fuckers hate the fact that you're completely powerless to stop me. That you are completely outclassed and outmatched. Your power up fueled by revenge has only made you weaker than you were before. Well imagine feeling the way you do now all of the time like those that were killed by Orochimaru once felt. Fools! How do you think everyone felt when they were experimented on and turned into dangerous barbarian mutants like you guys were. They wanted to be put out of their misery. But I granted their wish after I killed Orochimaru. Now it's your turn you Sound fuckers. I hope you like the surprise I have coming for you.**

Jirobo: We'll see!

Dark Tayuya: YOU MOTHERFUCKING BASTARD!

I flipped the bird at her and then all of the Sound 4 came at me from all 4 directions and just as they were about to hit me, I teleported into the air and they collided and they rammed into each other and fell down.

Me: **Now you will go back to hell. SPECTRUM STYLE NINJA ART: VISIBLE LIGHT RASENSHURIKEN STORM!**

I formed 70 Rainbow Rasenshuriken of each of the 7 colors of the rainbow. 10 for each color and I threw them all at the Sound 4 and they hit them all at once and exploded with incredible power!

EXTREMELY MASSIVE AND POWERFUL EXPLOSION!

The explosion was so powerful and so devastating that it blew much of the area apart and the power it had was incredible! When the smoke cleared, all of the Sound 4 were lying in the ground in the middle of a crater.

Me: **You four have no right to live.**

I landed on the ground and they got out of the crater.

Me: **Got to admire their spirit.**

They still had an incredible fighting spirit after everything I did to them.

They came at me charging and then I teleported and drew kanji on their heads.

Me: **UZUMAKI BLACK JUDGEMENT SEALING ART: BLACK GATES!**

They were judged by the people they killed and found guilty and they were being erased from existence forever!

Dark Tayuya: DAMN YOU TO FUCKING HELL J.D.! (FADES AWAY!)

Kidomaru: WE WILL BE BACK! (FADES AWAY!)

Jirobo: YOU HAVEN'T SEEN THE LAST OF US! (FADES AWAY!)

Sakon: YOU WILL BE IN HELL WITH US! (FADES AWAY!)

They were obliterated from existence forever as if they never were born in the first place.

Me: Not gonna happen ever again.

I powered down.

Duncan kicked and smashed Lucas down.

Stewie: You know, I think you would be great for my archenemy.

Lucas Lee: You think so Stewie?

Stewie: Indeed good sir.

Nico: Neat.

Deadpool: Todd Ingram's next. His actor played Superman and Ray Palmer in various media.

Laney: Really? Neat!

Leni: Totes cool.

Deadpool: Yep.

Me: Awesome. And I think so too.

Todd Ingram came out.

Brain Freezer: You're a vegan, right? Does that mean you're a vegetarian?

Todd Ingram: (chuckles) Oh, it means much more than that.

Jared: But you are my kind of guy that likes vegetables as much as I do.

Todd Ingram: Thanks. But I'm much more than that.

He then WENT SUPER SAIYAN!

Nico: AWESOME! You're a Saiyan!

Todd Ingram: I sure am.

Nico went Super Saiyan 3.

Nico: So am I.

Hay Lin and Nico blasted and smashed him down.

Maria: Fighting you just convinced us to look more into the word "Vegan".

Nico: It means from the planet Vegeta.

Todd Ingram: That's right.

Laney: So cool.

Nico: Yep.

Tae Kwon Crow: Next is Roxie Ritcher.

Ramona: I forgot to mention. Roxie's a girl.

William: SAY WHAT?!

Nico: Oh boy. This is gonna be awesome.

Lori: I'll face her.

We then faced ROXIE RITCHER!

Killer Shrike: It must suck being the only girl in the group.

Roxie Ritcher: Yeah but I'm used to it.

Varie: That is crazy though.

Lori and Yusei went at her and punched and kicked her down.

Poromon: Scott, after this, do you want to play Altered Beast with me?

Scott: You bet I do!

Me: I haven't played that game in a long time.

Nico: Me neither. So fun.

Ravage: Next is someone we sent packing when we got here. Along with his brother.

Nico: Yep.

Me: I already left my mark on Kyle and he is really pissed off at me.

Eli: He sure is.

Laney: He had it coming.

Lana: Yep.

Lincoln: Me and Luna will face him and his brother.

We then faced KYLE AND KEN KATAYANAGI!

Dr. Light: Don't worry. You two will be healed in the prison infirmary.

Lori: But first Nico pick me up and hold me like a bazooka.

Nico: Oh I see.

Nico did so.

Eli: Oh no! HIT THE DECK!

We ducked.

Nico: FIRE IN THE HOLE!

Lori strained and then…

KRAFFFFFFFFFAAAAAAAAAAAAAAAAAAAAAAARRRRRRRTTTTTTTT!

She fired a massive blast of farts at the 2 brothers and they SMELLED HORRIBLE!

Lincoln and Luna smashed and pulverized them down.

Maria: Time to use our entrance against Mr. Graves.

Nico: Yep. Lets get him.

Me: And I know just the place to face him.

I snapped my fingers and we were in the Super Smash Brothers Ultimate stage of Planet Venom from Star Fox!

Nico: Awesome choice. Planet Venom from Star Fox is perfect.

We went to find Gideon Graves.

Gideon was wondering where he was. But then suddenly the spirits of The Winx Club and The Keybladers came out and swirled around him and then converged and then…

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted out and a phoenix cry was heard and we came out.

Nico: Gideon Graves. So we meet at last.

Gideon Graves: Welcome to the boss level, Team Loud Phoenix Storm! Congratulations on getting this far. Now, you get to fight the final boss. Said final boss? Me!

Nicole: We'll see how you fair against the Goddess of Video Games: Yours truly.

Nico: This time you will pay for your crimes Gideon.

Laney: Yeah you are no boyfriend. You're nothing but a big bully!

Then Salami Swami, U-Foes, Gramma Stuffum, White Lightning, Yenaldooshi, Grodd, Trombipulor, Scorpion, Toad and Doctor Octopus appeared.

Nico: Salami Swami, U-Foes, Gramma Stuffum, White Lightning, Yenaldooshi, Grodd, Trombipulor, Scorpion, Toad and Doctor Octopus.

Doc Ock: We rounded up the rest of the Evil Exes.

Nico: How are they?

Scorpion: Pretty fine. All things considered.

Nico: Except we beat them to a pulp and Lori farted in two of their faces.

Yenaldooshi: All that's left is Gideon.

Nico: Yep.

Grodd: (to Nico) We heard you fought Volmer.

Nico: Sure did and he was nuts.

White Lightning: Was the place you went to really dirty?

Nico: It sure was and it was one screwed up place.

Leif: Yep.

?: Wow.

A figure came out and it was SAROGE-DT OF THE IMITATION from episode 42 of Goseiger!

---

Saroge-DT of the Imitation is a sea sponge-themed member of the Machine Onslaught Empire Matrintis and is the main antagonist in episode 42 of the 2010 TV series called Tensou Sentai Goseiger.

He is voiced by Takahiro Miyauchi.

History

Built by Robogog after Metal Alice captures the real Datas in a hostage scenario, Saroge-DT was both an experiment to gather information on Gosei World technology and to understand how an outmoded machine could be allied with the Gosei Angels. The Goseiger initially encounter him due to Alata misreading the wind thinking that it was Datas, even as Hyde used Matrintis' trademark plasma bursts to find them instead. The Matroid quickly proves itself as the superior of Datas and the Goseiger, reading all their moves and defeating them with ease.

However, when Hyde and the real Datas return to the battle, Saroge-DT is caught off guard by the effects of Gosei Blue's Camoumirage Card, which confuses him into seeing all of the Goseiger as other Goseiger using the same attacks but in different forms. This defeats the analyzer before being destroyed by the Miracle Gosei Knight Dynamic, then enlarged and beaten by Datas Hyper before he and Gosei Ultimate finally destroy the Matroid.

---

Eli: Saroge-DT of the Imitation! I remember you! You were sent to capture the real Datas and you assumed their identities to steal the Gosel World Technology!

Sarode-DT: That's right Eli.

Nico: Wicked.

Saroge-DT of the Imitation: It's a shame I wasn't adapted in America.

Me: Yeah what a rip!

Nico: I know. You would've made a great analyst in Warstar.

Eli: Yeah no kidding. Many of your fellow monsters weren't adapted to America.

Lana: What a darn shame.

We later got the usual battles underway.

## Donkey Kong, Fluttershy, Tornado Bolt, Life Skylanders, Surge, Meta Knight and King Dedede VS Gorilla Grodd - Nico's Rescue

Grodd was first.

Grodd: (to Donkey Kong) Tell me more about where Nico went for his rescue. Was it really that dirty?

Donkey Kong: It was just absolutely horrible and disgusting! The whole place was a nasty cesspool of disease and filth.

Fluttershy: It was terrible.

Tornado Bolt: Not good and Volmer was using disease as a path to immortality.

Grodd: That's insane! That is more like crimes against humanity and nature.

Stealth Elf: Yeah it sure is.

Surge: What a bunch of brainless monsters!

Grodd: Yeah no kidding. But I hope all those people get better. Lets do it!

Donkey Kong: HERE COMES DONKEY KONG!

They fired waves of coconuts, leaves, flowers, grass and energy and smashed him down.

Donkey Kong: (HOWLS AND POUNDS ON CHEST)

Fluttershy: That was fun.

---

## Duncan, Starlight Glimmer, Cozy Glow, Undead Skylanders, Rath, Kumiko and Future Maria VS Scorpion - Lincoln's Rescue

---

Scorpion was next.

Scorpion: (to Duncan) I heard Lincoln went to the Blood Prison for his rescue. How was it?

Duncan: The Blood Prison is worse than any prison I've ever seen. It was for the worst of the worst bad guys in all of the Five Great Nations and it is called the Alcatraz of The Elemental Lands.

Starlight Glimmer: Wow! That is super scary.

Cozy Glow: It sure is.

Hex: No one would like a place like that.

Rath: No kidding.

Scorpion: No kidding there. Lets get it on!

Rath: LEMME TELL YA SOMETHIN MAC GARGEN! YOU ARE GONNA BE TROUNCED BY THE TIGER! (ROARS)

They fired waves of energy, magic, stars and bones and smashed him down.

Duncan: AW YEAH!

Starlight Glimmer: That was amazing!

## Seto Kaiba, Rarity, Sweetie Belle, Water Skylanders, Overflow, Brawl & Chain and Fisticuffs VS The Yenaldoshi - Meeting a Firewing Pegasus Gene-Slammer

Yenaldooshi was next.

Yenaldooshi: (to Kaiba) I heard you guys met a Firewing Pegasus Gene-Slammer. What's her name?

Seto Kaiba: Her name is Ophelia Nefertiti. She is a really gifted girl.

Rarity: Yeah she sure is and she is really amazing.

Sweetie Belle: But she is also a really awesome Guardian Angel. She stopped Lori from going on a rampage when she had her phone taken. While she was going for a power walk through Franklin Avenue, she heard the sound of smashing objects and screams coming from The Loud House. Ophelia ran to the house, and she knew where those screams came from: it was from Lincoln and Mrs. Loud, and she saw them shaking in fear. She then found out what, or who caused it: Lori, she was on a nasty rampage, and Ophelia found out from Lincoln that Mrs. Loud took Lori's phone as punishment for two whole weeks for forcing Lincoln to do her chores. It really set Lori off, and she went on a nasty rampage. When Lori saw them, she was about to pummel them both, but Ophelia knocked Lori out by punching her in the jaw, and tied her to a chair with nylon rope. As punishment for going on a nasty rampage, Lori got grounded for five weeks, and they had her put in a containment cube down in the basement.

Yenaldooshi: Goodness! Lori sure had a nasty temper.

Gill Grunt: No kidding!

Overflow: Thank goodness Lori's dark side is gone.

Yenaldooshi: No kidding. I'm glad they are now separated forever and now the Loud's won't die when we destroy them.

Seto Kaiba: Thank goodness for that.

Yenaldooshi: Yeah. Lets do it!

They fired waves of jewels, ice, water and energy and smashed him down.

Seto Kaiba: That was great!

Rarity: Rapture darling that was grand!

Pinkie Pie: It was really amazing to see! I think it was awesome.

Featherweight: Yeah so cool.

Sprocket: I think it's amazing how everyone there has all sorts of powers.

Slapback: Yeah it sure was.

Doc Ock: Awesome. Lets do it!

They fired waves of metal, gears and lightning and smashed him down.

Scarlet: A most great victory!

Pinkie Pie: BEST USUAL BATTLE EVER!

---

White Lightning was next.

White Lightning: (to Frosta) I guess Andy now knows about the War on August 2nd last year. As well as Woody and the rest of his toys being alive.

Princess Frosta: Andy and his toys all had a very special connection from minute one and it's so awesome.

Applejack: But thank goodness that Andy is happy that he and his family are all safe.

Apple Bloom: Yeah.

Flashwing: Yeah that is so wicked.

Shockrock: No kidding.

White Lightning: But it's good that Andy and everyone are happy with Andy and his family knowing the truth. Lets do it!

---

Gramma Stuffum was next.

Gramma Stuffum: (to Luster Dawn) (German Accent) Looks like All For One is now a crotchless villain. He's lucky that he still has a whole month to live!

Luster Dawn: Yeah and he is not gonna have a big manhood when we face him now.

Rainbow Dash: That was so awesome how J.D. blasted him like that.

Scootaloo: I thought it was so awesome.

Whirlwind: Me too. The ultimate castration is being blasted in the crotch with an energy blast that has enough power to destroy an entire planet.

ChamAlien: That is for sure!

Gramma Stuffum: (Laughs) That is true! Lets do it!

They fired waves of rainbows, lightning, wind and energy and smashed her down.

---

Supergirl, J.D. Knudson as Wolf Moon, Twilight Sparkle, Starshine Sparkle, Sunny Starscout, Magic Skylanders, Clockwork, Lobo and Deadpool VS Toad - The Blood Prison and it being like Alcatraz

---

Toad was next.

Supergirl: It sure is and everyone knows that Alcatraz was the home of the country's worst of the worst. The Blood Prison like Alcatraz was home to the Five Great Nations Worst of The Worst. NO ONE has even come close to getting out of that prison alive.

Me: That's right. And we sent an Evil Sasuke there years ago and he still has it out for me there even after all this time. Just like Alcatraz over half a century ago, The Blood Prison is just as ruthless and dangerous. It's hard to imagine that the Warden is that evil.

Twilight Sparkle: Yeah no kidding. It's crazy.

Starshine Sparkle: That is nuts! And Ryuzetsu was sent there to avenge her brother? How awful.

Sunny Starscout: That is crazy.

Spyro: Yeah no kidding.

Clockwork: (Swedish Accent) Ja it sure was.

Toad: That is crazy. Lets do it!

Me: KIBAL LETS HOWL! (HOWL)

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON!

We fired waves of fire, magic and lasers and smashed him down.

Izuku and his friends. (laughs) Camie even flirted with J.D.!

They laughed.

She-Hulk: (Laughs) Yeah no kidding and Camie is beautiful. She has a really ample chest and is really sexy and her Quirk is really amazing too.

Princess Luna: She has the power to make Aurora's with wind. What a beautiful power.

Moondust: It sure was beautiful.

Snowdrop: It sure is awesome.

Gari: That is an awesome power.

Blackout: We all thought so.

Juryrigg: It sure is.

Trumbipular: We saw the battles and they were amazing. Lets do it!

They fired waves of atomic energy and darkness and smashed him down.

She-Hulk: OH YEAH!

Princess Luna: A True Victory of the night!

---

Syd Chang, Princess Celestia, Amber Morning, Light Skylanders, Fasttrack, Ravage and Ratbat VS U-Foes - Nico, Eli and me facing some of the students and Gentle Criminal and La Brava being recruited

---

The U-Foes were next.

Vector: (to Syd) It's good that Nico, Eli, J.D., and several of the others battled some of the students.

Vapor: Let's not forget that Gentle Criminal and La Brava got recruited into our ranks.

Syd Chang: That is so awesome and Sly Cooper said that he and Lupin III would be perfect for whoever faces them in their usual battes.

Princess Celestia: Diddy Kong said he would volunteer for that one.

Amber Morning: Wow Peanut Flinging Kong VS Gentlemen Thieves. How cool.

Spotlight: So awesome and that's a perfect theme for them.

Fasttrack: I agree too.

X-Ray: That is so awesome.

Ironclad: You said it.

Vector: Yep. Lets do it!

They fired waves of light and magic ad leaves and smashed them down.

Trixie Lulamoon: You're not kidding. They are monsters.

Triple Berry: Yeah no kidding.

Flynn: But they are tough and awesome!

Cali: Yeah but they are dangerous.

Hugo: They have no love for Ramona at all.

Tessa: They are ruthless.

Control Freak: No kidding. Lets do it!

They fired waves of stars and magic and smashed him down.

Nicole Knudson: Game over!

Trixie Lulamoon: An amazing victory for The Great and Powerful Trixie!

Flynn: That's right! BOOM!

---

Fiona Hernandez the Uria, Lord of Searing Flames Gene-Slammer, Himiko Toga, Apple Bloom, Sweetie Belle, Scootaloo, Diamond Tiara, Silver Spoon, RD Lola and Misty Tredwell VS Kimberly Ann Hart the Pink Ranger Slayer

---

The Pink Ranger Slayer was next.

Pink Ranger Slayer: That's it for Nanette's Ambassador Missions and it was so awesome to see everyone in U.A. High.

Fiona Hernandez: It sure was awesome and it was really cool meeting lots of kids that have amazing powers and are going to become amazing heroes like some of the great heroes of that world. They all have such incredible potential to do great things and they are also perfect future recruits for the team.

Himiko Toga: That's my friends for you all. I just can't believe that I would become a villain because of my quirk.

Fiona Hernandez: It's not your fault Himiko. Your quirk was unstable and it was destroying your sanity and you completely.

Apple Bloom: Yeah and the Hernandez Sisters all saved you from yourself.

Sweetie Belle: But it was awesome that we know so many awesome heroes there and it was so cool how we have so many villains there that would make awesome recruits for the M.O.E.

Scootaloo: It sure was awesome. And everyone did so much for that world. But the cool part is we helped Himiko reconcile with her family.

Diamond Tiara: That was a big achievement during that time.

Silver Spoon: And on April 7th we take the battle to All For One and put an end to him for good.

Misty Tredwell: You said it. J.D. really left his mark on him and blasted his entire crotch and his left leg off.

Pink Ranger Slayer: (Winces) Ouch! That really did destroy his manhood. Lets do it!

They fired waves of fire and energy and smashed her down.

Fiona Hernandez: FIRE WINS!

Cutie Mark Crusaders: CUTIE MARK CRUSADERS VICTORY! YAY!

---

Marie Hernandez the Gene-Slammer of Hamon, Lord of Striking Thunder, Ibara Shiozaki, Frozen Fright, Thunder Terror, Magma Gloom, Toxic Horror, Louie PoisonSea, RD Lincoln and Elena VS

# Weddinmon

Weddinmon was next.

Weddinmon: What is the primary goal of All For One?

Marie Hernandez: He wants to destroy the entire global economy and enslave the entire human race with him as king! So that everyone will obey and rely on him only. He was going to raise Tomura Shigaraki so that he can become stronger and so he can become his successor. But J.D. and Nanette's Ambassador Missions really threw a wrench into his plans when he was killed and locked into the Book of Vile Darkness.

Frozen Fright: Yeah and bringing back all those he and the villains killed made this worse for him.

Thunder Terror: And he'll be completely powerless when we take him down at his weakest when we use Ed's poison on him.

Magma Gloom: No way in hell are we going to let him get away with everything he has done to the world of MHA.

Toxic Horror: Yeah he needs to be stopped.

Louie PoisonSea: The world of MHA will never be at peace until All For One is destroyed for good.

Ibara Shiozaki: Yes and fast. He must be stopped.

Weddinmon: I agree. And April 7th will be his date with death. Lets do it!

They fired waves of lightning and elements and smashed her down.

Marie Hernandez: LIGHTNING WINS!

Fearful Five: FEARFUL 5 WINS!

# Nicole Hernandez the Raviel, Lord of Phantasms Gene-Slammer, Star Swirl the Bearded, Rockhoof, Somnambula, Mistmane, Flash Magnus, Mage Meadowbrook, Gusty the Great, Clover the Clever, RD Lucy and Carly Atlas VS Marcel Bonaparte

Marcel was next.

Marcel: All For One is gonna be in for one helluva shock when he sees all the heroes that were killed brought back to life.

Nicole Hernandez: Boy no kidding. It'll be like he saw a bunch of ghosts. Now everyone knows the kind of Godly powers that J.D. possesses and he can do anything. But All For One thinks he is a god but I would call him a false god.

Marcel: You got that right. J.D. is a true god and All For One is a 24K Fools Gold Phony.

Nicole Hernandez: 24K Fools Gold. I like that. And Iron Pyrite is known as Fools Gold.

Star Swirl: That fits him perfectly and with the death of Tomura J.D. threw a huge wrench into all of All For One's plans. We got him backed into a corner.

Rockhoof: (Scottish Accent) Aye. But knowing All For One he's not going to go down without a fight lads.

Somnambula: (Egyptian Accent) That's why we need to stop him fast.

Mistmane: All For One is a monster and he must be destroyed.

Flash Magnus: I agree. He is worse than any villain we know.

Mage Meadowbrook: Not nearly as bad as many villains we have faced but right up there.

Gusty: Yeah and he must be destroyed.

Clover the Clever: Yeah no kidding.

Marcel: I agree. Also Carly great job filming the battles for us to watch. They were awesome.

Carly Atlas: Thanks Marcel and it was so awesome to see.

Marcel: It sure was. Lets do it!

They fired waves of darkness and magic and elements and smashed him down.

Nicole Hernandez: DARKNESS WINS!

Star Swirl: That was fun!

## Laura Wynn the Florauna Gene-Slammer, Crysta, Laney, Ren, Tula, Ioz and Niddler VS Morpho (Pirates of Dark Water)

Morpho was next.

Morpho: Who do you think is worse than All For One

Laura Wynn: By all accounts I would say that Tomura is just as bad because he killed countless people with his quirk. He is an absolutely remorseless, pitiless and completely heartless monster.

Crysta: Yeah but if he can be in the Masters of Evil maybe you can help him.

Laney: Maybe you can give him an Indigo Lantern Ring and help him out by lobotomizing him with only compassion.

Morpho: You know that's not a bad idea. We'll have to look into that in the future.

Ren: That is a good idea.

Tula: It will be helpful. We'll have to have Indigo 1 help with that.

Ioz: She will be helpful with that.

Niddler: Yep.

Morpho: Yeah. Lets do it!

They fired waves of leaves, grass, flowers and energy and smashed him down.

## Laniya Momoshiki the Water Dragon Gene-Slammer, Bai-Tza, Maria, Girl Jordan, Genki and Holly VS Baddie Undine

Baddie Undine was next.

Baddie Undine: What was Himiko like when the crew of U.A. High before she was cured?

Laniya Momoshiki: (Japanese Accent) She was a problem from day one and it was because of her unstable quirk. She needed blood in order to stay alive.

Bai-Tza: I would call her quirk in its entirety a disease rather than a power because it was destroying her physically and psychologically.

Maria: Yeah I agree with you there. What happened to her was just absolutely terrible and her insanity caused by her unstable quirk lead to her being thrown out by her family and causing tons of problems. And it wasn't her fault.

Girl Jordan: Yeah I feel bad for her. There are many villains out there that we feel sorry for.

Genki: Fuzzy Lumpkins, Gabriel, Mr. Freeze, Himiko and many villains like them we can feel sorry for because they just need love and all that.

Holly: Yeah poor guys.

Baddie Undine: No kidding. That is sad. Lets do it!

They fired waves of water and energy and smashed her down.

## Logan White the Black Tyranno Gene-Slammer, Tyranno Hassleberry, Aylene Carter, Littlefoot, Cera, Ducky, Petrie and Spike VS Kru'll The Eternal

Kru'll the Eternal was next.

Kru'll the Eternal: What is the history of Dabi in the world of MHA?

Logan White: From what I read he was born with a more powerful fire quirk that uses blue fire and his limits held him back when his father was refusing to train him and he was thought to be a burden. His father was abusive and his mom was hurt as a result. I feel sorry for Dabi. He went through abuse and did nothing to deserve this.

Tyranno: No he didn't and I think he has awesome potential to be a hero too. But his father ruined it!

Aylene C.: I feel bad for him too.

Littlefoot: Me too. Poor guy.

Kru'll: Yeah he is a sad case. Lets do it!

They fired waves of energy and elements and smashed him down.

?: I WILL TEAR YOU STUPID LOSERS TO SHREDS FOR WHAT YOU'VE DONE IN HUMILATING ME!

Clover: (Growls) I should've known there's no mistaking that snobby voice from anywhere, you can come out now, Mandy.

A figure came out, and it was none other than our old enemy, Mandy, who's broken out of prison, and she's extremely pissed off, and her eyes are blazing red with extreme hatred and insanity.

Sam Simpson: You just don't even know to quit, do you, Mandy?! Even after we kicked your butt and sent you to prison for good, you just don't even know when to give up!

Mandy (Totally Spies): As long as you losers are still alive, I'll never be free from this torment, and now, I will kill all of you!

Lincoln fired a powerful blast of rainbow lightning at Mandy, and the rainbow lighting electrocuted her with 500,000,000,000,000 volts of lightning, and she had her skin burned badly, and when she saw what happened to her in a compact mirror, she screeched in anger, and we laughed hysterically at what Lincoln did.

Mandy (Totally Spies): I HATE YOU! I HATE YOU! I HATE YOU! I HAAAAAAAATTTTTTEEE YOOOUUU!

Our energy auras flared up extremely, and we gained a tremendous power boost.

Lori: Looks like her time in prison has destroyed every last sense of reason, and she's been driven completely insane by hatred.

Lincoln: She's always been nothing more than a total hate-filled, self-centered, conceited, selfish, inconsiderate, heartless, excuse for a human being, in every way, she's just like Heather.

Clover: And I've had it up to hear with Mandy to last an eternity.

Suddenly, Clover's blue eyes turned neon blue, and she was surrounded by a red energy aura with flower petals, and fairies, she unholstered her massive Defender of W.H.O.O.P. and International Defender of Spy Security swords from her back, and as she approached Mandy, she left red energy, flower petals, and fairies with every step.

Clover: You just don't even know when to quit, Mandy. You've caused us far too much trouble for the last time. Now, it's personal, and I'm going to enjoy pummeling you into the dirt for every last thing you've done to us.

Suddenly, Clover was surrounded by a massive vortex of red energy with flower petals surrounding it, there's a fairy running around the vortex, and in the vortex is a blue phoenix. Then, as the vortex faded, Clover emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Clover grew to 6'5" in height, she had the body of a goddess and has red highlights in the bangs of her medium length bob cut blonde hair, she has neon blue eyes and a red energy aura with flower petals and fairies surrounding her, she has a fairy with the Nature Kanji in its hands emblazoned on her forehead, she has on fairy earrings with red jewels for the eyes and the Nature Kanji in its hands, and she also has a fairy with red gems for the eyes and the Nature Kanji in its hands for the second pendant of her Thunderbird Necklace of Eternal Love with red gems on the gold lightning bolts and red crystals from her Crystal Necklace of The Buddha which merged with her Thunderbird Necklace of Eternal Love. Clover has on a long long-sleeved red coat with flower petals and fairies on the coattails and right on the back is the logo of WHOOP with a fairy and flower petals around it, a short-sleeved red blouse, red shirt with a blonde phoenix on it, red pants with flower petals on the legs, red leather ankle-high combat boots, and she has on a Star Sapphire ring on her left ring finger. Suddenly, Clover felt a sharp pain on her back, and then, massive blonde angel wings with red tips on the large blonde feathers sprouted out from her back.

Suddenly, Clover's massive Defender of WHOOP and International Defender of Spy Security swords began merging together, and were surrounded by a kaleidoscope of red energy, flower petals, and fairies, and when it emerged, it was transformed into Áine's Ruby Nature Sword of Espionage Justice, it's a new large sword with a 6'9" massive, wide, double-edged emerald ruby red blade with the Celtic Goddess of the Fairies, Áine, with Celtic glyphs around him, etched on it, large red fairy wings for the crossguard, large yellow gem for the hilt, longer black handle, and a large blue gem surrounded by angel wings for the pommel. Clover has on her new large gold cuff Bracelets of the Champions of The Universe with red gems on her wrists, gold Belt of Elemental Bravery with a gold phoenix head with red gems for the eyes and a large red gem in its open mouth for the belt buckle, large red Spellbook of The Gods and The Universe and large red Universal Spellbook of The Elemental Forces on her left hip and Eater of Sins revolver holstered on her right hip. There's a yellow kanji below the logo of WHOOP that said, "Clover, Great Friend of Sam, Alex, and Jerry, Loving Daughter of Stella, Agent of WHOOP, Loving Future Wife of Lincoln Loud, Destroyer of WHOOP's Many International Enemies, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Flower Petals, Fairies, and Espionage."

クローバー、サム、アレックス、ジェリーの親友、ステラの愛する娘、WHOOPのエージェント、リンカーンラウドの愛する未来の妻、WHOOPの多くの国際的な敵の駆逐艦、悪の殺し屋、狂った、殺人、冷酷、そしてサディスティックな野郎、素晴らしい驚くべき強力な教師の強力な学生、そして花びら、妖精、そして諜報活動のマスター

Clover has transformed into SUPER ANGEL INFINITY DIVINE RUBY FAIRY ANGEL OF NATURE JUSTICE AND DIVINE LOVE!

We were amazed by Clover's Super Angel Infinity transformation, including Sam Simpson and Alex, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes. But, when Mandy saw it, she screamed in insane rage and tried to kill her, but Clover fired a powerful blast of red energy with flower petals and fairies, and it hits Mandy, and she went flying into a wall.

Nico: Hah, that'll teach you, bitch!

Me: She's not done yet, and this cat fight's about to get crazy.

Lincoln: Wow, Clover, you look beautiful. How do you feel?

Clover: (Divine Echoing Cosmic Voice of The Nature Fairy and Espionage Love) **I feel incredible, Linky, and now, shall we pummel Mandy into the dirt?**

Lincoln: (Smiles) With pleasure, Clover.

Lincoln unholstered his improved massive Sword of Universal Hope and Elemental Bravery from his wider and muscular back and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Clover.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **This is the last time we'll deal with you, Mandy!**

Clover and Lincoln went after Mandy, who went ballistic and tried to attack them, but they dodge her, and they fired powerful blasts of rainbow energy, red energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time Energy, Gravity, Magic, Thunderbirds, Phoenixes, Angels, Buffalo, and Fairies at Mandy, and they exploded with incredible power as they hit her. The blasts also messed up her outfit, then, Lincoln fired a blast of rainbow fire, and it burned off Mandy's hair, and when she saw it, she screamed in horror. Lori took a picture, and she uploaded them onto our phones, and when she sent it to everyone in Gotham Royal York, everyone laughed hysterically at Mandy's humiliation.

This drove Mandy even more insane, and she tried to attack again. But, Clover and Lincoln got the jump on her, and they viciously pummeled her badly, and when they were done, Mandy looked like she got into a fight with a pack of bikers. Then, Lincoln tied her up in a rainbow energy straitjacket and rainbow energy chains, and this drove Mandy even more insane, as soon as she realized that she is now done. We cheered wildly for what Clover and Lincoln did, as they holster their massive swords and power down, and Clover's new body, clothes, weapons, jewelry, and angel wings are permanent, and then, Lincoln beamed Mandy back to The Neptune Prison for Traitors, but this time, she was put in a cell in Solitary Confinement, and was chained to the wall of her cell with rainbow energy chains and Neutronium chains.

Clover: Now, Mandy's back in prison for good, and she's also going to be subjected to humiliations in the future. (To Lincoln) Thanks for helping me take care of that spoiled monster, Linky.

Lincoln: (Smiles Warmly) You're welcome, Clover.

Suddenly, Clover wrapped her arms around Lincoln's waist, and he wrapped his abnormally massive and powerful muscular arms around Clover's waist, and brought her into an embrace, which took her by surprise and that brought an atomic red blush to her face. Then, as Lincoln leaned down to her face, they kissed passionately as she wraps her left arm around his wider and muscular back, and her left hand on his massive and wide right pec, and right behind them is a Thunderbird, Phoenix, Angel, and Fairy flying in the air, and we also saw a herd of Buffalo running across the field, flower petals falling around them, and the display of the elemental forces behind them, and we cheered for them. We also had Gabriella, Stella, and Carmen, Sam, Clover, and Alex's moms with us, and they had tears in their eyes and smiles on their faces.

Gabriella: That was so amazing.

Carmen: Indeed, Gabriella. Our daughters had transformed, and they've become beautiful women.

Me: They've come a long way, Carmen.

Nico: That's right, and you should've seen it: yesterday, Sam transformed, and she, Wolverine, and Lincoln took down and destroyed that vicious animal, Sabretooth, and now today, Alex transformed, and she and Lincoln took down and destroyed Glemy Toto, and Clover transformed, and she and Lincoln took down Mandy, and sent her back to prison.

Lori: But, that'll be until the future humiliation, and that'll mean she'll be subjected to the very same humiliation as Flip, Lewis Travolta, and Billy McLean.

Diabolico: And we heard about what you did this morning, Lincoln.

Lincoln: That's right, I permanently severed the psychic links that we still had with our Dark Sides, and now, they're separate individual beings. But, like I said, they're never getting out ever again.

Eli: After all the trouble they've caused, there's no place in society for those animals.

Lincoln: You got that right, Eli. The Dark Sides of the Louds, along the dark sides of those we've met and freed have failed this entire world!

Nico: Yeah, that's telling them, big guy!

Me: With those Dark Sides now individual beings and forever imprisoned in crystal prisons, now, we won't have to deal with those monsters ever again.

Lincoln: Yeah, we've already dealt with them long ago, and we have no plans on dealing with them ever again.

Scott Pilgrim: Yep. (To the viewers) This was an awesome video game adventure and I hope you all had fun with this one.

Me: We all did.

Nico: We sure did. Great job everyone. This was a mission that will be remembered.

Eli: Yep.

Nico: Lets go home.

We later went back home and enjoyed the rest of the day and went to sleep.

THE END

---

Another awesome fanfic done.

Scott Pilgrim VS The World was a really awesome movie and Nico showed it to me and one of my friends and followers introduced it to me. It was AWESOME! But too bad it was a box office bomb. But it did get a lot of awards. That was so awesome how one kid was battling seven evil exes. The first part was for the 2016 movie A Cure For Wellness and that was a really scary movie and was a strange one. The second part was for the 5th Naruto Shippuden movie called Blood Prison and that was a strange one. Also I changed Ophelia's last name to Nefertiti to avoid confusion with the one Nico knows. NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, XP4Universe, Darkhai, vinjedi1995, Drako1234658, Nflemingful, Etstheclarencefan and ninjakingofhearts gave me the ideas for this and so did the guest reviewer. Nico's next rescue is gonna be in the Ripping Friends episode STINKY BUTT! Plug your noses everyone because that is gonna be a really funny farttastic episode as Nico, Julie Yamamoto and Lori Loud take on an evil version of Stinky Butt. Also they will meet a Galvanic Mechamorph Gene-Slammer named Lola Ferrington and she is a tennis master from Nico's sports clubs and she REALLY knows how to play tennis. Julie and Nico are gonna love having her on the team and Julie is a tennis star. Same with Sora Takenouchi. The next rescue for Lincoln is gonna be in the awesome and great episode of Popeye called Popeye Meets Sindbad the Sailor and they are going to meet Sindbad and trounce him like in the episode and also meet Anya Rodriguez the Roaring Ocean Snake Gene-Slammer and she is one of Lincoln's Nautical Guardian Angels and has a seadog accent. She is also going to reveal during the exercise scene that Flip was much worse than what we had previously thought and that he was getting rich by selling babies on the black market all for a big stack of money! HOW

HEARTLESS CAN YOU GET!? Also We're going to have Sindbad recruited into the M.O.E. Forgot to mention that. The next chapter is gonna be for the awesome 2008 movie Bolt and we're going to meet the superhero dog Bolt and help him out and take down Dr. Calico! That monster is gonna pay for his crimes.

See you all tomorrow.

# A Dog Superhero Superstar

Over by RIPCOT or the Really Impressive Prototype City Of next Tuesday, Nico, Julie and Lori were walking around. It was gonna be a really silly and funny adventure.

Nico: Thanks for coming with me, Julie.

Julie Yamamoto: No problem Nico. This is gonna be so awesome to go on an amazing rescue with you.

Nico: Glad you're gonna have fun.

Lori: This is literally gonna be so awesome. Lincoln, Luna and the Ripping Friends are a great team on the team.

Nico: (Laughs) They sure are. And the Ripping Friends all live in a really amazing city too.

Julie Yamamoto: This will be so fun.

Nico: Julie, I know that you and Ben aren't a couple anymore. But look on the bright side. At least you two shared special moments with each other.

Julie Yamamoto: That's true Nico and we went on amazing adventures in space and on many awesome planets. It's so awesome.

Nico: It sure is and you saw things that no human can even fathom long before the team formed. That is awesome.

Lori: It literally is.

Julie Yamamoto: It sure is.

Nico: I'm sorry you and Ben broke up. That must've hurt him a lot.

Julie Yamamoto: It did but at least he's happy with Riley.

Lori: We're glad though.

Nico: It could've been a lot worse. You and him could've broken up over a video game and you probably would've cheated on him with a random French photographer.

Julie and Lori laughed.

Julie Yamamoto: (Laughs) That's true. But no I wouldn't go that far.

Lori: (Laughs) That is literally funny though.

Nico: Yeah.

Julie Yamamoto: But I would not want a Random French Photographer.

Nico: But I'm sure you'll find someone else who will be a perfect boyfriend to you.

Lori: There's literally plenty of fish in the sea out there.

Julie Yamamoto: That's true. Metaphorically speaking. Me and Ben would compete over lots of things. One time in Minigolf, Ben used Brainstorm and did a REALLY Impossible shot that

was really crazy.

Nico: Wow! That must've been a shot that defied the laws of physics and possibility.

Julie Yamamoto: Oh it was.

Lori: We'll have to see that if we go to Hole In Wonderland.

Nico: That would be something to see.

Julie Yamamoto: You'll be shocked when you see it.

Suddenly…

FFFFFFFFFFFFAAAAAAAAAAAAAAAAAAAAAAAAARRRRRRRRRRRTTT

Nico: Oh man! Lori did you cut the cheese?!

Lori: That literally wasn't me this time! It was from up there!

They saw STINKY BUTT! An Evil version of him!

Nico: We're used to fighting Stinky Butt. This evil version of him will be no problem.

Julie Yamamoto: And we just have to light his farts on fire.

Lori: This looks like a job for…

Lori's eyes turned red and she spun around and she was enveloped in a tornado of fire and she turned into LORI VOLCANA!

Lori: LORI VOLCANA!

Nico: YEAH!

?: Let me help too!

A Galvanic Mechamorph came!

Nico: Whoa! A Galvanic Mechamorph.

Galvanic Mechamorph: (In a girls voice) Been a long time Nico.

Nico: Whoa Lola Ferrington! Its been a while.

Lola Ferrington: We can catch up after we take down this evil version of Loki's archenemy.

Nico: You got it.

They flew up to Evil Stinky Butt.

Nico: We haven't seen your Volcana form for a while.

Lori: No we literally haven't.

They flew up to Evil Stinky Butt.

Nico: HEY FARTFIGNEWTON!

Evil Stinky Butt.

Lori Volcana: Lets see if your farts can handle the heat!

Lori fired a powerful blast of fire and it hit Evil Stinky butt and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He exploded and was burned to a crisp! OUCH!

He fell to the ground and then…

THUD! OUCH!

Lola Ferrington reverted back and she was a girl with long green hair and green eyes and she was dressed in all green clothes.

Lola Ferrington: That was great!

Julie Yamamoto: What's your favorite memory of Nico?

Nico: You'll like this Julie. She is an amazing tennis star like you.

Julie Yamamoto: Really? Wow that is amazing.

Lola Ferrington: I'm also a computer whiz and a great tinkerer. Tennis is one sport that I excel at greatly like Nico. We used to play in the 2 on 2 Tennis Matches and me and Nico won the tournaments together. We even won Wimbleton.

Nico: Good times. That was so awesome.

Julie Yamamoto: Wow! That is cool! You'll have to show me your skills sometime.

Lola Ferrington: I would be honored.

Nico and Lola then hugged.

Nico: I really missed you.

Lola Ferrington: Same here Nico.

Lori: You'll be a great addition to the team Lola.

Julie Yamamoto: Same here and it will be so awesome.

Lola Ferrington: Thanks Julie and Lori.

They later went back home and Evil Stinky Butt was thrown in jail.

Lincoln: Wow, we're in the episode Popeye Meets Sindbad the Sailor, and I know what we're going to do here, not only am I going to rescue the eighteen girls, but we're also going to take down Sindbad and have him sent to Vypra, as a new member of The Masters of Evil.

Me: That's right, big guy. I saw this episode long ago when I was a kid, and it was so awesome!

Nico: Hope you packed some spinach for this one, Lincoln.

Lincoln: (Smirks) I did, Nico. Trust me, this is going to be one awesome fight.

TLPS Mr. Wolf: And we got word that the Roaring Ocean Snake Gene-Slammer is here, and why do I have the feeling that she has something very dark to reveal to us about Flip?

Me: (Growls) As if that cheapskate can't sink any lower than he is right now.

Lincoln: Whatever it is, we'll hold off on pelting him with rotten foods and other harmful objects after we hear the full story. And thanks for joining us, Shope.

Shope: You're welcome, Lincoln. I've heard about the rescues you and Nico have gone on, and now, I'm also joining in.

?: HELP!

Suddenly, Lincoln heard the sound of eighteen girls calling for help. With his deep sapphire blue cyborg eyes and superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the eighteen girls, but they've been tied up by Sindbad the Sailor, and are hanging over a pool of sharks.

Lincoln: Guys, I've found the eighteen girls, but they've been tied up by Sindbad the Sailor, and they're hanging over a pool of sharks.

?: (Seadog Accent) That no-good, overgrown, bottom feeder! Let's get him!

We then saw the Roaring Ocean Snake slither in front of us.

Lincoln: There's no mistaking that seadog accent from anywhere, I knew it was you, Anya Rodriguez. But, we'll have to talk later, right now, we've got a rotten sailor to clobber.

We rushed on over, and Lincoln fired a powerful barrage of rainbow energy balls and elemental forces, which hits Sindbad, and Lincoln got the eighteen girls out of their bounds, and they hid behind us. When Sindbad saw us, he was really mad.

Sindbad the Sailor: Who do you think you are?!

Lincoln: Someone who's about to give you the worst pummeling of your life!

Lincoln took out a large jumbo can of spinach, he turned his left pointer finger into a claw, and opens the can, and he swallows and devours the spinach.

GULP! DING!

Lincoln flexed his abnormally massive and powerful muscular arms, and in his abnormally massive and powerful biceps are the images of cannons firing, and the image of a ship firing cannons was on his chest. Then, Lincoln swooped in, and he began pulverizing Sindbad the Sailor like crazy, and he knocked Sindbad out with a powerful Hurricane Left-Hook, and he tied him up in a rainbow energy straitjacket and rainbow energy chains.

Lincoln: That's it for this rotten seadog. (To Anya Rodriguez) And it's so good to see you again, Anya Rodriguez.

Anya Rodriguez: (Seadog Accent) Aye, you too, Lincoln. It's been a long time.

They went up to each other and they hugged, and Anya Rodriguez was very surprised at just how much taller and much more muscular Lincoln's gotten since she last saw him.

Lincoln: It sure has been a long time, I haven't seen you when you were twelve, and as you can see, I have grown a lot since then.

Anya Rodriguez: (Seadog Accent) Aye, indeed, lad you've really grown a lot from the eleven-year-old cute little boy into a 17-year-old 7'0" tall and very handsome and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, that's so awesome.

Nico: Wow, Lincoln, you know her?

Lincoln: Yeah, I do, Nico. This is Anya Rodriguez, she's a sailor from Maine, and she knows everything about the ocean.

Nico: Awesome, and since she's a sailor and has a seadog accent, she'll get along great with the seadogs of the team.

Anya Rodriguez: (Seadog Accent) And I've also got something to reveal about that rotten, mutated, bottom feeder, Flip. But, you'll hear about it later.

Lincoln: Right, now, let's get you back to normal, Anya. Boys, cover your eyes. Hold still, Anya, this is going to hurt.

Me, Nico, Eli, and the rest of the boys covered our eyes as Lincoln snapped his fingers, and Anya was reverting back to normal. Anya Rodriguez is a beautiful 17-year-old girl with long light blue hair going to the upper part of her back, blue eyes, blue lipstick, fair skin, she's 6'5" in height, she had the body of a goddess, and she has massive blue angel wings, as she reigned in the power of Roaring Ocean Snake.

Lincoln: How do you feel, Anya?

Anya Rodriguez: (Seadog Accent) Good (Realizes she's in her birthday suit) But, I'm also in my birthday suit.

Lincoln gave Anya Rodriguez her new wardrobe, a short-sleeved blue blouse and short-sleeved blue shirt with an ocean blue phoenix on it, ocean blue skirt with Roaring Ocean Snake on it, blue pants, blue sneakers, and a long blue sleeveless trenchcoat with snakes and ocean waves on the coattails and Roaring Ocean Snake on the back, and on her back is a large Roaring Ocean Snake-themed sword with a 6'5" massive, wide, double-edged, man-sized blue blade with the Roaring Ocean Snake etched on it, large snake heads for the crossguard, large ocean blue gem for the hilt, longer black handle, and a large blue gem surrounded by angel wings for the pommel.

Anya Rodriguez: (Seadog Accent) Wow, I love the new outfit and sword you made for me, Lincoln.

Suddenly, a Thunderbird Necklace of Eternal Love appeared on Anya Rodriguez's neck with blue gems on the gold lightning bolts and ocean blue crystals links from her new Crystal Necklace of the Buddha.

Anya Rodriguez: (Seadog Accent)(Surprised) Whoa, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love, which means you're now part of my harem and my many future wives, Anya.

Anya Rodriguez had a smile on her face and tears in her eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around her waist and he leaned down and he kissed her on the lips, and she returned it, and we cheered for them. Then, we went up to the eighteen girls here, and when Lincoln saw them, he immediately recognized them. The eighteen girls are Koizumi Akira, Amakasu Maki, Arigase Ryouko, and Umemiya Yuuki from Iketeru Futari, Saphentite Neikes the Lamia, Arahnia Taranterra Arachnida the Spider Girl, Dione Nephilim the Giant, Illy the Harpy, Kay Arte the Centaur, Kunai Zenow the Zombie, Lorna Arte the Centaur, Lulala Heine the Mermaid, Meme Redon the Cyclops, Skadi Dragenfelt the Dragon Girl, and Tisalia Scythia the Centaur from Monster Girl Doctor, Sharon Areru, Makoto Kotobuki, and Sophia Rayleigh from Numan Athletics.

Nicole: From Iketeru Futari, Monster Girl Doctor, and Numan Athletics, awesome.

Lincoln: Are you girls okay?

Koizumi Akira: Yes, we're okay, thanks to you.

Then, when Koizumi Akira and the other seventeen girls saw who it was that saved them from Sindbad the Sailor, their faces turned atomic red upon seeing the 17-year-old 7'0" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide right pec and it was surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top was the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, and Buffalo, and below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, and The Thirteen Elemental Forces, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and a Mark of Manhood tattoo of a bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

Koizumi Akira: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made seventeen clones of himself, and he and the seventeen girls went up to the girls, and picked them up and hugged them in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrap their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Koizumi Akira: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, eighteen Thunderbird Necklaces of Eternal Love appeared around the necks of Koizumi Akira, Amakasu Maki, Arigase Ryouko, Umemiya Yuuki, Saphentite Neikes the Lamia, Arahnia Taranterra Arachnida the Spider Girl, Dione Nephilim the Giant, Illy the Harpy, Kay Arte the Centaur, Kunai Zenow the Zombie, Lorna Arte the Centaur, Lulala Heine the Mermaid, Meme Redon the Cyclops, Skadi Dragenfelt the Dragon Girl, Tisalia Scythia the Centaur, Sharon Areru, Makoto Kotobuki, and Sophia Rayleigh with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha. We return to the Estate, and we told everyone what'd happened, and they were shocked when they found out the villain we went after Sindbad the Sailor.

But, when Lincoln showed everyone what he did to that rotten seadog, they all cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Anya Rodriguez now have a lot of catching up to do, now that she's back, and Lincoln handed the bound Sindbad the Sailor to Vypra, and he'll be made a new member of The Masters of Evil.

---

After pummeling Sindbad the Sailor, we were training intensely in the gym, this time, doing 150,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Anya Rodriguez saw Lincoln working out like crazy, she had an atomic red blush on her face.

Anya Rodriguez: (Seadog Accent) Great Neptune, Lincoln's really grown to be a 17-year-old 7'0" tall, really big, and really strong man, just look at those abnormally massive and powerful muscles hard at work, and to work out with those 9,500-lb barbells and not even get tired, incredible.

Lincoln: And I've also trained a lot under some very powerful teachers, J.D. and Nico included, Anya, and now, I can also fight and defend myself.

Anya Rodriguez: (Seadog Accent) That's incredible.

Nico: It sure is, Anya. So, what's this dark revelation that you're going to tell us about Flip?

Anya Rodriguez: (Seadog Accent) You won't like it, Nico. One day, I was asked by The Royal Woods Police Department to go undercover, and my target: find out about the selling of babies on the Black Market for money, and they had an idea on who'd profit from it: Flip. I went undercover at Flip's Food and Fuel, and I found out that Flip was selling babies on the Black Market and all for a big stack of money, and I also found out Flip was planning to kidnap Lily Loud, so he can sell her on the Black Market, so he can get another stack of money. I was so mad that I wanted to rip his jumbled up organs out of his body, but I relented, and I recorded everything and sent the information to the Royal Woods Police Department. They moved in, and they stopped Flip's operation cold, and all those who had their babies kidnapped and sold by Flip on the Black Market not only got their money back, but they also got their babies back. When I told Lincoln and his family of what Flip was about to do in kidnapping and selling Lily on The Black Market, they wanted to rip him in two as well. But, Flip ran for his life, and we also found out that Flop, his brother, was also in on this as well.

When Anya Rodriguez was done, we were really enraged at Flip, as if he couldn't sink any lower than that. Now, he's gone too far.

Me: (Growls Ferociously) As if Flip wasn't that much of a heartless, greedy, mutated, cheapskate asshole with trying to rip people off, now, we found out he resorted to kidnapping babies and selling them on The Black Market?!

Nico: (Growls Ferociously) That asshole, I'll rip him limb from limb, and feed him to the buzzards!

But, Lincoln grabbed Nico and I by our shoulders.

Lincoln: Excuse me, guys, but it's time for me to discipline the nanny goats.

Lincoln bonked our heads together.

BONK!

We held our heads in pain, and we heard and saw birds tweeting and flying around our heads. Then, we recovered as we shook our heads.

Nico: Thanks for stopping us, Lincoln.

Me: Yeah, but what Flip did, that's something we can never forgive. Now, we hate him even more.

Lincoln: And for us to find out he was also planning on kidnapping Lily and selling her on The Black Market, we now have even more reason to hate Flip and his brother, Flop, even more. In fact, I'm going to drop another piano on Flip's head.

Lincoln summons a piano, and as it's over Flip's head, he dropped it, and it crashed on Flip's head, and he screamed in pain, then, he threw an El Mongo Stink Bomb into Flop's cell in prison, and it explodes and he now smells just like his brother.

Lincoln: That'll teach those cheapskates, and remind me to also call to have Flop's sentence upgraded to Life in Prison Without Possibility of Parole.

Eli got off the phone.

Eli: It's already done, Lincoln, and I told the cops everything Anya told us, and Flop got Life In Prison Without the Possibility of Parole.

Lincoln: Thanks, Eli.

We then got a shower afterward, but then, the alarm sounded, and Lincoln checked it out, and he'd found out that Chin Ron Foo and Chen Ron Ryo A.K.A. The Chin Ron Brothers from Double Dragon, are causing havoc in the city.

Nicole Knudson: Oh no, The Chin Ron Brothers from Double Dragon.

Lincoln: The twin Shadow Warrior brothers, then, this means, we're about to face off against the enemies of The Lee Brothers. Let's put those two criminals down, and Scott, we're not going to use The Black Gates, there's also another form of banishment that we also use: Banishment to The Warp by Hakaing them or Banishment to Oblivion by Super Hakaing them.

Scott Pilgrim: Hmm, let's banish those two to Oblivion, that way, it'll send a message to Duke and the rest of The Shadow Warriors.

Lincoln: Alright, then, come on, guys, let's go.

We flew out of The World Tree Estate, and Lincoln fired two powerful rainbow energy blasts, and they hit the Chin Ron Brothers in the back. When they saw us land, the Chin Ron Brothers were enraged.

Chin Ron Foo: So, the legendary Team Loud Phoenix Storm has arrived. Now, we can destroy you all and claim Gotham Royal York in the name of The Shadow Warriors.

Lincoln: Not going to happen, Chin Ron Foo, you and your brother are getting a one-way trip to Oblivion for good.

Kyoko: That's right, and we don't take kindly to criminals like you.

Misako: And we've had it with you two dorks to last an eternity.

Suddenly, Misako's brown eyes turned neon brown and Kyoko's blue eyes turned neon blue, and Misako was surrounded by a blue energy aura with rocks, lava, and dragons, and Kyoko was surrounded by an orange energy aura with lightning and dragons, and as Misako approached Chin Roo Foo, she left blue energy, rocks, lava, and dragons with every step, and as Kyoko approached Chen Ron Ryo, she left orange energy, lightning, and phoenixes with every step. Then, Misako was surrounded by a massive vortex of blue energy with rocks and lava surrounding it, there's a dragon flying around the vortex, and in the vortex is a brown phoenix, and Kyoko was surrounded by a massive vortex of orange energy with lightning surrounding it, there's a dragon flying around it, and in the vortex is a blue phoenix. Then, as the vortexes faded, Misako and Kyoko emerged, but they were changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Misako grew to 6'5" in height, she had the body of a goddess and has yellow highlights in the bangs of her short black hair, she has neon brown eyes and a blue energy aura with rocks, lava, and dragons surrounding her, she has a lava dragon with the Lava Kanji in its claws emblazoned on her forehead, she has on dragon earrings with blue jewels for the eyes and the Lava Kanji in its claws, and she also has a dragon with blue gems for the eyes and the Lava Kanji in its claws for the second pendant of her Thunderbird Necklace of Eternal Love with blue gems on the gold lightning bolts and yellow crystals from her Crystal Necklace of The Buddha which merged with her Thunderbird Necklace of Eternal Love. Misako has on a long long-sleeved white coat with lava and dragons on the coattails and right on the back is a dragon and lava surrounding it, a short-sleeved blue blouse, white dress shirt with a green phoenix on it, black skirt with lava on it, blue pants with lava on the legs, black leather ankle-high combat boots, and she has on a Star Sapphire ring on her left ring finger.

And Kyoko grew to 6'5" in height, she had the body of a goddess and has yellow highlights in the bangs of her long flowing light orange hair, she has neon blue eyes and an orange energy aura with orange lightning bolts and dragons surrounding her, she has a lightning dragon with the Thunder Kanji in its claws emblazoned on her forehead, she has on dragon stud earrings with orange jewels for the eyes and the Thunder Kanji in its claws, and she also has a dragon with orange gems for the eyes and the Thunder Kanji in its claws for the second pendant of her Thunderbird Necklace of Eternal Love with yellow gems on the gold lightning bolts and orange crystals from her Crystal Necklace of The Buddha which merged with her Thunderbird Necklace of Eternal Love. Kyoko has on a long long-sleeved orange coat with orange lightning bolts and dragons on the coattails and right on the back is a dragon with lightning bolts surrounding it, short-sleeved blue blouse, white dress shirt with a blue phoenix on it, black pants with lightning bolts on the legs, black leather ankle-high combat boots, and she has on a Star Sapphire ring on her left ring finger.

Suddenly, Misako and Kyoko now have two new swords in their hands called River City Destroyers of Crime, they're two new large swords with 6'9" massive, wide, double-edged blades with the anti-Yakuza symbols etched on them, large dragon heads with blue gems for eyes for the crossguards, large orange gems for the hilt, longer black handle, and four large dragon heads with blue gems for the eyes and large orange gems in its mouths for the pommels. Misako and Kyoko have on their new large gold cuff Bracelets of the Champions of The Universe with orange gems on their wrists, gold Belts of Elemental Bravery with gold dragon heads with blue gems for the eyes and large orange gem in its open mouth for the belt buckles, large orange Spellbooks of The Gods and The Universe and large orange Universal Spellbooks of The Elemental Forces on their left hips and Eater of Sins revolvers holstered on their right hip. There's a brown kanji below the dragon on Misako's coat that said, "Misako, Student of Nekketsu High School, Friend of Kyoko, Powerful Fighter, Loving Future Wife of Lincoln Loud, Destroyer of Yamada and The Yakuza, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Lava, Earth, and Dragons."

ネケツ高校生の美佐子、京子の友達、パワフルなファイター、リンカーン・ラウドの愛する未来の妻、山田とヤクザの駆逐艦、悪の殺し屋、狂った、殺人、冷酷、そしてサディスティックな野郎、アメージングとパワフルな学生強力な教師、そして溶岩、地球、ドラゴンのマスター

Misako has transformed into SUPER ANGEL INFINITY DIVINE VOLCANIC EARTH LAVASTORM DRAGON PHOENIX ANGEL OF VOLCANIC JUSTICE AND DIVINE LOVE!

And there's an orange kanji below the dragon on Kyoko's coat that said, "Kyoko, Student of Nekketsu High School, Friend of Misako, Powerful Fighter, Loving Future Wife of Lincoln Loud, Destroyer of Yamada and The Yakuza, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Lightning and Dragons."

京子、猫月高校生、美佐子の友達、パワフルファイター、リンカーン・ラウドの愛する未来妻、山田とヤクザの駆逐艦、悪の殺し屋、狂乱、殺人、冷酷、そしてサディスティックな野郎、アメージングとパワフルな学生強力な教師、そして稲妻とドラゴンのマスター

Kyoko has transformed into SUPER ANGEL INFINITY DIVINE LIGHTNING DRAGON ANGEL OF ELECTRIC JUSTICE AND DIVINE LOVE!

We were amazed by Misako and Kyoko's Super Angel Infinity transformations, and when Lincoln saw them, he had an atomic red blush on his face and hearts in his eyes. But, when Chen Ron Fu and Chen Ron Pyo saw them, they fell into a rage and tried to attack them, but Misako and Kyoko kicked the two Chen Ron brothers away with superhuman strength, and they were sent flying into a wall.

Nicole Knudson: Whoa, now that's awesome. Those two criminals are in big trouble now.

Nico: But, they'll be in even more big trouble, because their man's not going to just let them fight the Chen Ron Brothers.

Lincoln: Wow, Misako, Kyoko, you both look beautiful. How do you feel?

Misako: (Divine Echoing Cosmic Voice of The Lava Dragon and Divine Draconic Love) **We feel incredible, Linky.**

Kyoko: (Divine Echoing Cosmic Voice of The Lightning Dragon and Divine Draconic Love) **And now, shall the three of us take down the Chen Ron brothers for good?**

Lincoln: (Smiles) With pleasure, Misako and Kyoko.

Lincoln unholstered his improved massive Sword of Universal Hope and Elemental Bravery from his wider and muscular back and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity

Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Misako and Kyoko.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Let's trash them.**

Misako, Kyoko, and Lincoln went after The Chen Ron Brothers, and they fired powerful blasts of rainbow energy, orange and blue energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Gravity, Magic, Blood, Thunderbirds, Phoenixes, Angels, Buffalo, and Dragons at the Chen Ron Brothers, and they exploded with incredible power, as they hit the two criminal brothers. Then, Misako, Kyoko, and Lincoln brutally pummel the Chen Ron brothers with powerful punches and kicks, and they overwhelmed the Chen Ron Brothers with powerful martial arts. Then, Misako, Kyoko, and Lincoln fired three powerful energy beams, which hits The Chen Ron Brothers, and they exploded with incredible power, and the resulting explosions killed them.

Then, as their spirits appear, Misako went up to Chen Ron Fu and Kyoko went up to Chen Ron Pyo, and they put their hands to their faces, and we knew what that meant.

Misako and Kyoko: **SUPER HAKAI!**

The Chen Ron Brothers screamed in excruciating pain, as they were Super Hakaied and are banished to Oblivion for good. We cheered wildly for them as Lincoln, Misako, and Kyoko holster their massive swords on their backs and power down, and Kyoko and Misako's new bodies, clothes, weapons, and jewelry are permanent. Suddenly, Misako and Kyoko felt a sharp pain on their backs, and then, massive black angel wings with blue tips on the large black feathers sprouted out of Misako's back, and massive orange angel wings with blue tips on the large orange feathers sprouted out of Kyoko's back.

Misako, Kyoko, and Lincoln: In the immortal words of Nico, Chen Ron Brothers, you have failed this world!

Nico: Ah yeah, that's telling those two douchebag criminals, guys!

Misako: Thanks for joining us in beating down those two dirtbags, Linky.

Kyoko: Yeah, they didn't stand a chance.

Lincoln: (Smiles Warmly) You're welcome, Misako and Kyoko.

Suddenly, Lincoln made a second clone of himself, and Misako and Kyoko wrapped their arms around the waists of Lincoln and his clone, and the real Lincoln wrapped his abnormally massive and powerful muscular arms around Misako's waist, and his clone wrapped his abnormally massive and powerful muscular arms around Kyoko's waist, and they brought them into an embrace, which took them by surprise and that brought atomic red blushes to their faces. Then, as Lincoln leaned down to the faces of Misako and Kyoko, they kissed passionately as they wraps their left arm around their wider and muscular backs, and their left hands on their massive and wide right pecs, and right behind them was a Thunderbird, Phoenix, Dragon, and Angel flying in the air, and we also saw a herd of Buffalo running across the field, and the display of the elemental forces behind them, and we cheered for them.

Nico: Now, that's so awesome.

Me: And this has sent the message to The Shadow Warriors: Attack Gotham Royal York, and they will pay with their lives and in blood.

Nicole Knudson: That's right, Dad. Those monsters have caused so much pain and suffering to many in their paths, and they deserve to be banished to Oblivion for good.

Scott Pilgrim: But, they also have some capable fighters in their ranks, and some of them might have honor, which could make them candidates for The Masters of Evil.

Nico: That's true, Scott. Which is why we need to see which one of them will join The Masters of Evil, or who'll suffer the same fate as the Chen Ron Brothers and get sent to Oblivion.

Me: You got that right.

We return to the World Tree Estate, but this also means: we're now at war with The Shadow Warriors of Double Dragon, but we're ready for those dirtbags.

* * *

Later it was time for Qin's final ambassador mission.

Me: Time for Qin's final ambassador mission.

Qin: Yep.

Missy: Thanks for letting us come with you, Qin.

Qin: No problem girls. This is gonna be awesome.

Nico: You girls are gonna have an awesome time.

Me: And we'll bring down another of Kane's men.

Erica: This will be awesome.

Ellie Singh: It sure will be fun.

Missy: I'm always ready for some fun.

Me: Me too. Lets head out.

We were off.

We arrived in Detroit and Mike and crew saw us.

Mike Chilman: Hey guys!

Qin: Guys, these are my fellow Quantum Girls.

Missy: Awesome to meet you all. Missy Rodgers, Mewtwo Gene-Slammer.

Erica: Erica Haddock, Tyrannosaurus Rex Gene-Slammer.

Ellie: And I'm Ellie Singh, Kineceleran Gene-Slammer.

Mike Chilman: Awesome to meet you all.

Julie Kane: Wow! You are the Quantum Girls? That is a cool name.

Me: It's a name that Nico came up with for them.

Qin: Yep.

Me: I thought it was awesome too.

Qin: Before we go after our target, it's time I showed you guys my Scalebreath form.

Me: You're in for a surprise.

Julie Kane: Okay.

Qin: Here we go!

Her eyes turned green and slit and then her body grew muscular and then her skin turned reptilian and she grew a tail and she grew and her clothes ripped and her teeth turned into fangs and her hair fell out and her hands turned into claws. Then she growled and then she turned into SCALEBREATH!

She roared ferociously!

Mike Chilman: Wow!

Scalebreath: What do you think?

Jacob: That is amazing!

Missy: What's our target this time?

Me: The Duke of Detroit. He and I have some unfinished business to take care of. He is a big talker and loves cars.

Missy: Wow. He must be bad.

Me: Yep.

We went to his house and we faced him.

Me: Hello there.

Duke of Detroit: What the Hell are you?!

Me: I'm hurt that you don't recognize me Dukey.

Duke of Detroit: Wait. Only one person has ever had the gall to call me that. J.D. Knudson? Is that you?

Me: Surprise! And I'm here to kick you butt!

Scalebreath: Wait. Were you talking about me?!

Duke of Detroit: Yes I was.

Scalebreath: Someone who you don't want to mess with!

She fired a blast of fire from her mouth and it hit a bunch of his cars and MELTED THEM INTO WHITE HOT SLIME!

Missy: OH YEAH!

Duke of Detroit: NO! MY CARS! MY BEAUTIFUL CARS!

Me: Get a better hobby Dukey!

Texas: They probably weren't worth much anyway.

Duke of Detroit: YOU WILL PAY FOR THAT!

Me: Then you will feel this! I've been wanting to try this out.

I pulled out the Zenryoku Zenkai Cannon!

Scalebreath: Whoa is that?

Me: Yep the Zenryoku Zenkai Cannon. Kaito made me my own version of it. Now I have the powers and summons of 45+ Years of Super Sentai with me.

Missy: That is cool!

Erica: Wow! This I got to see!

Me: Yep. And brace yourselves. This has one helluva recoil.

I charged it up!

BURN BRIGHT! SUPER SENTAI POWER!

Me: FULL POWER ZENKAI FINALE BUSTER!

I fired a powerful energy blast and it blew me back with intense force and the blast slammed into the Duke of Detroit and exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was knocked down from the blast and beaten and defeated!

Erica: THAT WAS AWESOME!

Missy: WOW! What a blast!

Scalebreath: Time for me to revert back.

Me: You guys better cover your eyes.

Mike Chilman: Oh right.

They did so and I covered my eyes and Qin reverted back and she was given new clothes and she put them on.

Qin: That was awesome.

Mike Chilman: Qin, don't take this the wrong way. But ever since we met, I've started to see you as a little sister to me.

Qin: Really? Oh Mike.

They hugged!

Me: So awesome.

Mike Chilman: Yeah. Man this was awesome.

Me: Just like old times huh?

Mike Chilman: You said it.

Me: And now Duke of Detroit is gonna be looking at some really hard time in prison for his crimes.

Julie Kane: He sure is.

Me: In the Uranus Prison.

Erica: He has had it coming.

Me: And he needs a better hobby. Maybe cleaning the toilets for the rest of his life.

We laughed.

We went back home. The Duke of Detroit was sentenced to life without parole in the Uranus Prison and was put on Sanitation Duty cleaning the toilets with only a toothbrush.

Nico: How did it go?

Me: Another one of Kane's flunkies busted.

Qin: And J.D. blew him down with a new blaster.

I showed him the Zenryoku Zenkai Cannon.

Eli: WHOA! The Zenryoku Zenkai Cannon!

Nico: Where did you get that!?

Me: Kaito made his own version of it for me and it REALLY packed a wallop with one helluva powerful recoil.

Nico: That is so awesome! Kaito sure is coming through for us in many awesome missions.

Me: He sure is.

Laney: That is so awesome. Now we can't wait to meet him and the Zenkaisers on May 14th.

Lana: This will be amazing to see.

Me: Yep. Qin's Ambassador Missions are done.

Nico: Yep. Starlight, two days from now will be the start of YOUR ambassador missions.

Starlight Glimmer: Whoa man and I already know where I'm going and it's the world of the Live Action Transformers.

Me: This is gonna be one big challenge for all of us.

Lincoln: But yeah. This will be interesting.

Me: Me, Nico and Lincoln will go with you on that one Starlight.

Starlight Glimmer: Thanks guys.

We later went to the city.

Then we were facing some of Calico's henchmen. And then Bolt appeared.

Calico Henchman: You there. Saiyan.

Nico: (menacingly approaches them) Yeah?

Calico Henchman :(nervously) By the order of Dr. Calico, I am ordered to place you, your friends, and the dog under arrest. And have you all sentenced to death… via… firing squad?

Snow White 2: Oh really? (smirks) You and what army?

The goon turned around and saw that his buddies fled. He decided to do the same as Nico and the others started walking back home.

Bolt: Can I say something to you? Listen, you were really, really something back here. Amazing!

Nico: Are you talking to… (Nico turn around and Bolt is gone)… me?

Nico turned back around and Bolt is right in front of him

Nico: Whoa!

Bolt: Yes. I was talking to you. Can I tell you that you were great back there? Man, those sinister goons! They thought they were gonna get me. Then you showed up and bam! That really made me feel good to see that.

Nico: (annoyed) Oh, that is great. Really.

Bolt: Boy, it's good to be saved.

Nico: Now, why don't you go celebrate your freedom with your own friends? Hmm? (walks away)

Me: That was strange. Like with Donkey and Shrek.

Shrek: Very similar.

Laney: Yeah.

Bolt: But, uh, I don't have my friends and family with me. And I'm certainly not going out there by myself. I'll stick with you. You're a mean, brawny, fighting machine. Together we'll scare the spit out of anybody that crosses us.

Nico turn and regards Bolt for a moment before pretending to have cardiac arrest, thinking if he pretended to be dead, Bolt will go away.

Bolt: Nice. That's a good way to fake a death. That way your enemies will leave you alone and think you're dead.

Nico: Listen. Little dog. Take a look at me. What am I?

Bolt: Uhh… really tall?

Boom Bloom: No! He's a Saiyan!

Nico: Exactly! And I kill dangerous criminals to keep the world safe. Doesn't that bother you?

Bolt shakes his head no.

Bolt: Nope.

Nico: Really?

Bolt: Really, really.

Me: Aw.

I picked Bolt up.

Me: I remember watching you on TV Bolt. You are so cute. Let me guess. You're trying to find Penny and your family right?

Bolt: That's right. You know me well J.D.

Me: Yeah.

Me: Sora have you ever encountered Bolt on any of your journeys?

Sora: To be honest no I haven't.

Me: First time for you.

Nico: Wow.

Bolt: I like you. What's your name?

Nico: Uh, Nico.

Bolt: Nico, eh? Cool name.

Aligned Knock Out: And I'm Knock Out, one of the Decepticon's medics.

Nico: Yep.

Me: You already know about us. We're Team Loud Phoenix Storm.

Bolt: Yep. Awesome to meet you all.

Laney: Yep.

Bolt: Can I stay with you?

Nico: What?

Bolt: Can I stay with you, please?

Nico: (sarcastically) Of course!

Bolt: Really?

Nico: No.

Bolt: Please! I don't wanna go back there! You don't know what it's like to be scared and alone. Well, maybe you do. But that's why we gotta stick together. You gotta let me stay! Please! Please!

Nico: Okay! Okay! But one night only.

Bolt: Ah! Thank you! (he runs inside the house)

Nico: HEY! WHAT THE HELL ARE YOU-? (Bolt hops up onto the living room couch)

Bolt: This is gonna be fun! We can stay up late, play video games, and in the morning… I'm gonna party.

Nico growled angrily.

Bolt: Where do, uh, I sleep?

Nico: OUTSIDE!

Bolt: Oh, well, I guess that's cool. I mean, I don't know you, and you don't know me, so I guess outside is best, you know. Here I go. (solemnly walks outside) Good night.

Nico slamed the door, shutting Bolt outside.

G1 Firestar: That was harsh.

Me: Nico let him sleep inside.

I opened the door and he came in.

Me: Also Nico you acting like Shrek is really starting to scare me.

Shrek: Yeah you don't want to be in every way like me.

Nico: Oh you're right.

Nico went up to Bolt.

Nico: I'm sorry for yelling at you, Bolt. I just wasn't expecting you to come today.

Hood Sickle: It's okay, Nico.

Bolt: Yeah it's okay.

Me: And you arrived just in time however because our next mission is all about you.

Nico: Yep.

Bolt: Really?

Nico: Yep. First we're going to watch the movie and then we're gonna go meet Penny and take down Dr. Calico.

Lana: This will be fun!

Then Yenaldooshi, Salami Swami, U-Foes, Gramma Stuffum, White Lightning, Grodd, Trombipulor, Scorpion, Toad and Doctor Octopus appeared.

Yenaldooshi: Can me, Salami Swami, U-Foes, Gramma Stuffum, White Lightning, Grodd, Trombipulor, Scorpion, Toad and Doctor Octopus go with you guys?

Vapor: I take it you guys are about to watch a movie first?

Nico: Yep we're going to watch Bolt from 2008 first. And shockingly he's here with us.

Bolt: Yep.

Grodd: Amazing!

Vapor: Wow!

Nico: I know and I was acting like Shrek when we met.

Bolt: It's true.

Shrek: Talk about crazy huh?

Vector: No kidding.

We got to watching the movie.

A White Shepherd puppy named Bolt is adopted by an eight-year-old girl named Penny. Five years later, Bolt and a 13-year-old Penny star in a hit television series called Bolt, in which they fight crime with Bolt using various superpowers to protect Penny from the villain, Dr. Calico, who kidnapped Penny's father. To gain a more realistic performance, the show's producers have deceived Bolt his entire life, arranging the filming in such a way that Bolt believes everything in the show is real and that he really has superpowers including a devastatingly powerful sonic scream-like "superbark". After a cliffhanger episode causes Bolt to believe Penny has been kidnapped, he escapes from his on-set trailer in Hollywood, but knocks himself unconscious in the process and is trapped inside a box of foam peanuts being shipped to New York City.

In New York, Bolt resumes his search for Penny. Much to his dismay and confusion, he finds out the hard way that his "superpowers" are useless. He encounters Mittens, a cynical feral cat who bullies pigeons out of their food. Believing that Mittens is an "agent" of Calico, Bolt ties her to him with a leash and forces her to guide him back to Penny. Mittens is convinced her captor is a lunatic, but the two start their journey westward by truck. Meanwhile, in Hollywood, a less-experienced Bolt look-alike is brought in so filming can resume. Penny is genuinely distraught over Bolt's disappearance, but reluctantly agrees to halt the search so production can continue.

Surprised at his first feelings of hunger, Bolt is shown by Mittens how to act like a cute but needy dog, obtaining food for them both at an RV park. They are joined by Rhino, a fearless hamster and huge Bolt fanatic. Rhino's unwavering faith in Bolt substantiates the dog's illusions about himself, but allows Mittens to figure out Bolt is from a television show. She tries to tell Bolt this, but Bolt simply becomes frustrated as everything he believed to be real starts to crumble around him. Attempting to "superbark" her repeatedly, the noise draws the attention of Animal Control and Bolt and Mittens are both captured and taken to an animal shelter.

Bolt, freed from the patrol van by Rhino, finally realizes and accepts that he is just a normal dog. However, he regains his confidence after Rhino (oblivious to this revelation) exhorts him to heroism. They rescue Mittens from the shelter and as they continue west, Bolt and Mittens form a close friendship in which she teaches Bolt how to be an ordinary dog and enjoy typical dog activities. Mittens makes plans for the three of them to stay in Las Vegas, but Bolt is still drawn to find Penny. Mittens tells him that Penny is only an actor and humans never truly love their pets because eventually they will betray and abandon them as it happened to her. Bolt refuses to believe her and continues on alone to Hollywood, but Rhino encourages Mittens to stand by him as friends and they follow shortly after.

Bolt reaches the studio and finds Penny embracing his look-alike, unaware that Penny still misses him and her affection for the lookalike is only a part of a rehearsal. A broken-hearted Bolt leaves, but Mittens sees Penny telling her mother how much she misses Bolt. Mittens follows Bolt and explains. At the same time, the Bolt look-alike panics during the show's filming and accidentally knocks over some flaming torches, setting the sound stage on fire with Penny trapped inside. Bolt arrives and the two reunite inside the burning studio, but are unable to escape before Penny begins to suffocate from the smoke. Penny begs Bolt to go, but Bolt refuses to leave her. Bolt uses his "superbark" through the building's air vent, alerting the firefighters to their location and allowing both of them to be rescued in time.

Penny and her mother quit when their overeager agent proposes they exploit the incident for publicity purposes. The show continues with a replacement "Bolt" and "Penny" and a bizarre new storyline involving alien abduction. Penny adopts Mittens and Rhino as she and her family move to a rural home to enjoy a simpler, happy lifestyle with Bolt and her new pets.

When it was done we were cheering wildly.

Laney: Always awesome!

Lana: YEAH!

Me: Love that movie.

Nico: Yep and our next mission is meeting Penny and we're going to go after Dr. Calico.

Thetis: Nico, which Gene Slammer do you think you'll meet on your next rescue?

Nico: Well now that we have the Original 10 Aliens covered, we'll go for the additional aliens next and we'll go for an Opticoid next.

Ben: Eye Guy's kind next.

Me: So it'll be an ice user or someone that has eyes all over and can see in all directions.

Laney: Yep.

Lincoln: Alright, now that we're ready, let's go meet Penny, and help her and Bolt take down Dr. Calico.

Nico: Yeah, let's get that monster!

But, before we left to go meet Penny and stop Dr. Calico, Lincoln's deep sapphire blue eyes glowed even more, as he sensed an energy signal, and he saw a vision of who that energy signal belonged to, it was Yosemite Sam, the short-tempered, ornery, trigger-happy, rabbit-hating mustached Looney Tunes outlaw. When we saw that, it definitely meant trouble.

Nico: Uh oh, Lincoln, trouble?

Lincoln: Afraid so, Nico, and this concerns the Looney Tunes: the figure that I saw is none other than Yosemite Sam.

The Looney Tunes gasped in shock, along with the rest of us.

Me: Yosemite Sam's shown up?!

Nico: Uh oh, that ornery, short-tempered, ornery, trigger-happy, rabbit-hating mustached outlaw from Looney Tunes, and the same one who's been constantly defeated by Bugs, he's here?!

Lincoln: That's right, guys.

Bugs Bunny: We haven't heard any word about him after you guys had Montana Max thrown in the Mariana Trench Prison six years ago after you sent his crimes to the police.

Buster Bunny: And now, he's come back. If he still bears a grudge on you guys for throwing Montana Max in prison, you better be ready to pulverize him.

Babs Bunny: Yeah, and you should also get his guns and bullets before he tries to shoot you guys.

Lori: Sheesh, that guy is literally a trigger-happy, gun-toting outlaw, and with a very short temper to match.

Shadow the Hedgehog: He could be a potential member for The Masters of Evil.

Lincoln: Yeah, that's true, after all, Vypra recruited Montana Max into The Masters of Evil. But, we'll still need to throw him in prison, so that way, he can cool down and not get riled up.

Me: You got that right, big guy.

Suddenly, Shadow the Hedgehog's massive Sword of The Dark Wind and Defender of Mobius swords unholstered themselves from his back, and they began merging together, and were surrounded by a kaleidoscope of black and red energy, chaos energy, dark flames, and hedgehogs, and when the new blade emerged, it was transformed into Erebus' Darkness Sword of Dark Wind Mobian Justice, it's a new large sword with a 6'9" massive, wide, double-edged, man-sized black blade with red outline on the blade with the image of Erebus, the primordial Greek God of Darkness with crimson red Greek runes around him etched on it, large black crow heads with red gems for eyes for the crossguard, large red gem for the hilt, longer black handle, and four large black crow heads with red gems for the eyes and red gems in their open mouths for the pommel.

Nico: (Stunned) Whoa, now that's one awesome and dark looking sword.

Lincoln 2: I knew that blade looked familiar. Shadow, that new large sword you see before you is known as Erebus' Darkness Sword of Dark Wind Mobian Justice, it's the result of your massive Sword of The Dark Wind and Defender of Mobius swords merging together, and this sword is said to have been forged in the blacksmith's forge and imbued with the powers of Erebus, the primordial Greek God of Darkness.

Eli: Incredible.

Suddenly, the sword called out to Shadow the Hedgehog, and he grabbed the new large blade's longer black handle. Then, we saw something happen: Shadow the Hedgehog's red eyes glowed a brighter red. Suddenly, we saw Shadow the Hedgehog grow to 7'0" in height, and we saw all his upper and lower body muscles growing abnormally massive and powerful at a very incredible rate, and we saw that Shadow the Hedgehog now has powerful upper and lower body muscles and eight-pack abs. When we saw what happened to Shadow the Hedgehog, we were really stunned, Shadow the Hedgehog has turned into a very muscular hunk.

Sonic the Hedgehog: Whoa, now that's incredible!

Shadow the Hedgehog saw what happened to him, and he was stunned. Then, he snapped his fingers and he was now in a new outfit: a long long-sleeved black coat with crows on the coattails, black shirt with red phoenix on it, black pants held up by a black leather belt, he has on his now larger jet shoes, and he has on large weighted bands with silver phoenixes on his massive biceps and thighs.

Shadow the Hedgehog: Okay, now, I'm ready.

Nico: Alright, now then, let's go.

We then head out to meet the superhero helper of Bolt, Penny and take down Dr. Calico, and later on, Shadow the Hedgehog is going to take down Yosemite Sam and throw him in The Masters of Evil's prison in The Center of The Earth.

## NEBRASKA

---

We were in front of Penny's house.

Toad: Is this the place?

Nico: Yep.

Eli: Nice place.

Me: She and her family made the right call quitting fame.

Aylene C.: Yep. The price of fame is never good.

Qin: No it's not.

We went up to the house and Nico knocked on the door and answering it was Penny herself.

Penny (Bolt): Wow! Team Loud Phoenix Storm!? It's such a huge honor.

Nico: Same here Penny.

Bolt jumped into Penny's arms and licked her all over.

Thorn: We saw Bolt earlier. What were those guards doing chasing him?

Penny (Bolt): What guards? You mean the ones from Dr. Calico? I thought they were just actors.

Nico: Well they are now real.

Laney: They wanted Bolt for some reason.

Me: Yeah I don't know what but it's not good.

Eli: They are trying to kill us now.

Varie: Yeah.

Doctor Octopus: Would you mind if we came inside?

Ironclad: We're getting pretty hungry.

Nico: And I can make us food.

Penny (Bolt): Sure thing.

We went inside.

Nico used his Imagination powers and we had Every Meat Burritos and Ultimeatum Burgers as well as Inferno Wings.

Nico: Now we're talking.

We got to eating.

Penny (Bolt): Wow this burrito is delicious.

Eli: It's an Every Meat Burrito. Filled with every kind of meat there is.

Lana: Yep.

Me: And the Ultimeatum Burgers are awesome.

Fellbat: So, tell us more about this tv show you starred in.

Penny (Bolt): Well it was a TV Series called Bolt and it was where me and Bolt here would go on awesome superhero adventures where we faced Dr. Calico.

Lola: Wow! Partners of heroes.

Lola Ferrington: Sounds like a cool show.

Lola Namiko: I think so too.

Penny (Bolt): It was a great show. But after a fire and me and Bolt wound up in the hospital, mom had us quit.

Celica: That was a good call on her part.

Me: It sure was.

Misty Tredwell: But thank goodness that you all are okay.

X Ray: I'm guessing you guys learned the hard way that fame isn't everything, right?

Vector: And filming TV shows sometimes lead to people getting hurt.

Penny (Bolt): Yeah we sure did learn the hard way.

Moe Howard: We feel ya kid. We got hurt many times during our setups back when we were popular and were very famous back 75 years ago.

Penny (Bolt): What the!? Are you the Three Stooges?

Larry Fine: That's us.

Me: Really strange story. The Three Stooges were very popular back during the Great Depression and World War II. 75 to 85 years ago.

Penny (Bolt): Wow!

Curly: But it was tough. Just ask Moe. Nyuk nyuk nyuk nyuk nyuk.

SLAP!

Moe slapped Curly on his face.

Moe: What's a matter with you?

We laughed.

Sydney: At least you two weren't killed. Unlike the New Warriors from the Ultimate Alliance Earth.

Lusamine: Are you still thinking about Tony and the others on that world?

Sydney: How can I not?! We're still here on this Earth while Tony, Cap, and the others are fighting each other all because of that damned piece of paper!

Maria: That piece of paper had a very powerful effect, Sydney.

Me: It sure did. And I don't blame you on that Sydney. March 19th is only 15 days away though.

Laney: Lets hope that world is hanging in there.

Nico: Same here.

Penny (Bolt): What are you talking about?

Me: Sydney had an Ambassador Mission to another universe and we witnessed a terrible catastrophe happened there. We go there on March 19th. The Ambassador Missions are part of a special diplomatic mission program we made to help us get ready for future missions and help out against their major enemies.

Penny (Bolt): Wow that is interesting.

Gramma Stuffum: Would you two like food from me next?

May: Don't worry. It's not full of poison.

Me: Just don't feed her till she explodes.

Gramma Stuffum: I won't.

She made some of her food and it was awesome for Penny and Bolt.

Charmcaster: What do you two think?

William: Pretty tasty, right?

Penny (Bolt): It sure is! I think it's great!

Me: Yep. Oh and Bolt talks.

Bolt: It's true.

Penny (Bolt): Really?! Wow!

Nico: Yep.

Salami Swami: (Hindu Accent) Why don't you try some of my Salami next?

Nico: Now now guys we don't want to make her bloated.

Salami Swami: Sorry.

Eli: Yeah.

Kerchak: Aren't Rhino and Mittens with you two as well?

Penny (Bolt): Yes they are.

They came out.

Mittens: Wow! Team Loud Phoenix Storm! What an honor.

Rhino (Bolt): Same here.

Rhino: It sure is.

Nico: Aleksei shares your name as his Supervillain name and Mittens has Mr. Mittens sharing his name. Funny.

Scorpion: Well, all 4 of them are still cool.

Me: Yep. Wait a second. Trent can I borrow your dagger for a second?

Trent Fernandez: Sure J.D.

He handed me his Dragon Dagger.

Nico: What are you gonna do J.D.?

Me: I want to see something. If the Abarangers, the Japanese Version of Dino Thunder can do this then so can the American version.

I used the dagger on Penny and then drew a pair of lightning angel wings on her back and instantly they became real and she now has the powers of a lightning angel!

Nico: WHOA!

Laney: Wow! That was amazing!

Eli: Wow!

Weather Vane: To be fair, Trent CAN draw Laser Arrows with that.

Nico: Yep.

Me: I just wanted to see if the same function like with the Abarangers applies with that too.

Trent Fernandez: At least it works the same way.

Nico: Yep.

Me: I saw that on Zenkaiger and I wanted to test it to see if it does the same thing.

Trent Fernandez: That does make sense.

Nico: You've been watching Zenkaigers?

Me: In secret. I wanted to get ready for the future when we go meet Kaito and friends in the future on May 21st.

Leni: That is totes gonna be cool.

Me: And in episode 21 I noticed a similarity with the Clone World Monster and what happened with us when we took down Snaptrap. Snaptrap used the same thing with the mascots except they were robots. He didn't have a scanner and copier that did that. It was a bunch of robots.

Nico: I remember seeing that. That was nuts!

Eli: Wow! So that's how Snaptrap did that.

Laney: Very crafty.

Nico: Talk about deja-vu.

Grodd: I've been keeping track of the Zenkaigers as well. And that Jetman gear actually is very funny.

Eli: That was really silly! It reenacted the infamous ending of the finale where Ryu Tendo and Kaori Rokumeikan get married and Gai Yuki gets stabbed, with the World taking G**'s place. It also summoned Yellow Owl to throw a tomato he likely grew at an enemy.

Nico: That was funny.

Penny (Bolt): What are you talking about?

Me: The Zenkaigers. They are a Japanese Power Rangers show that celebrated 45+ Years of Power Rangers. They started in Japan back in 1975 and Power Rangers started here in America in 1993.

Nico: Yep. We have over 45+ Years of Rangers with us.

Penny (Bolt): Oh I get it!

Me: Yep.

Burner Man: Maybe we should have Daikon World appear on Earth Day.

Nico: Good idea.

Me: That was a great one. Daikon World is awesome.

Eli: Yep.

Nico: Yeah.

White Lightning: Kaito will understand. One special appearence from a World during a holiday won't hurt.

Nico: I agree. The Masters of Evil were going to recruit the monsters of Zenkaigers in the future anyway.

Laney: That's true.

Me: Yeah and it'll be awesome to see what they can do.

Nico: Yep. And 30 days before the main event.

Luan: Yeah and it'll be awesome. There's no Horseradishing out this one! (LAUGHS) Get it?

We laughed at that one.

Eddy: (Laughs) That was a good one!

Teresa: I'll go fly over and see where Calico is.

Donna Diego: Be careful, Teresa.

Scream: Yeah we don't want to lose a flyer.

Teresa: I'll be all right.

Teresa flew off to find him.

Maria: Bolt, you and Penny wanna come with us?

Bolt: We would like that!

Penny (Bolt): Yeah this will be awesome!

Eli: Cool.

Teresa came back.

Teresa: Found his hideout. It's actually a floating fortress and it's right over the ruins of Brightburn.

Nico: Of all the places in the country it had to be that one.

Laney: Oh boy.

Maria: Time for our entrance.

Nico: Lets head out.

Then we were off. Penny was having a hard time flying.

Penny (Bolt): Whoa! This is hard!

Rainbow Dash: No sweat Penny. We'll teach you.

Rainbow Dash and Lincoln were helping her learn how to fly.

Nico: There you're getting it. It takes practice.

We were flying as she was learning. Then we saw Dr. Calico's flying fortress.

Nico: Target sighted.

We flew in.

Dr. Calico was looking at his machines.

Dr. Calico: Soon my plans will be complete.

Then the spirits of the Animals of the World swirled around him and they roared and screeched ferociously.

Then they converged and then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted through the wall of the fortress and a phoenix cry was heard and then we came in!

Nico: Dr. Calico, I presume?

Dr. Calico: Team Loud Phoenix Storm!?

Me: That's right! Your 9 Lives are up!

Trombipulor: If you're a real villain, that means you're in for a real buttkicking!

Dr. Calico: Come and try it tusk boy!

Trombipulor then rammed him and smashed him into a wall!

Dr. Calico: (Stupidly and Dazed) Mama can I have some more tuna casserole?

Trombipulor: He's real all right.

Then Copperhead, SkullMeramon, Ben Ravencroft, BlackWarGreymon, Thundermon, Atomic Skull, Pyros, Hydros, Lythos and Evil Green Ranger appeared.

Nico: Copperhead, SkullMeramon, Ben Ravencroft, BlackWarGreymon, Thundermon, Atomic Skull, Pyros, Hydros, Lythos and Evil Green Ranger.

Copperhead: So, Penny has wings now, huh?

Nico: I hope that's ok with you guys.

SkullMeramon: Of course it is.

Ben Ravencroft: She has to defend herself somehow.

Nico: Yep.

BlackWarGreymon: (to Nico) We heard you took down a dark version of Stinky Butt.

Nico: We sure did.

Thundermon: There's only room for 1 version of him!

Me: You got that right and no one farts better than the original.

We laughed.

?: That was funny.

Then 3 figures came out and they were BIBABOO from episode 44 of Gokaiger and BASCO TA JOLOKIA from episode 15 of Gokaiger!

---

Bibaboo

Bibaboo is an effeminate fairy-themed Action Commander who is an old friend of Dyrandoh.

With his Biba Stick wand, Bibaboo is able to turn people into dolls with his Dollrunpa spell and reverse the process with Returunpa.

When the Gokaigers learn this, Luka pulls off a gambit to get the wand from Bibaboo and restore everyone to normal before they first use an all yellow warrior transformation, then use the Battle Fever Keys in conjunction with Gokai Silver's Gokai Christmas form to defeat Bibaboo before destroying him with Kanzen GokaiOh with the Gokai Kanzen Super Burst.

Basco ta Jolokia

**Basco ta Jolokia** is the central antagonist in *Kaizoku Sentai Gokaiger* and the archenemy of Captain Marvelous. He was originally a member of the Red Pirate Gang and friend of Marvelous until he betrayed them to the Zangyack Empire and attempted to seize the Ranger Keys of the Super Sentai for himself. When the Zangyack invade Earth, Basco resurfaces as a privateer working under them to fight the Gokaigers.

He is portrayed by Kei Hosogai, who would later go on to portray Ignis/Trigger Dark in *Ultraman Trigger: New Generation Tiga* .

Past

Originally, Basco was a pirate who was recruited into the Red Pirate Gang by AkaRed to assist in the search for the Ranger Keys, which contained the powers of the past 34 Super Sentai that had been cast out into space to repel the first Zangyack invasion force. After the keys were all gathered however, Basco betrayed the group by revealing their location to the Zangyack before attempting to steal the Ranger Keys. However, before he could get his hands on the chest containing the keys, AkaRed passed the chest off to Marvelous and told him to go find the Greatest Treasure in the Universe before charging down the Zangyack forces.

*Kaizoku Sentai Gokaiger*

Basco eventually arrives on Earth after having been recruited as a privateer by the Zangyack. Upon confronting Marvelous, the Gokaiger Captain immediately tries to attack him, but is forced to divert his attention when Chief of Staff Damaras sends out three giant Sugormin to attack the Gokaigers.

After the Sugormin are defeated, Marvelous heads out to confront Basco again reluctantly assisted by his Gokaiger comrades. Revealing he has the Ranger Keys of the extra Sentai, Basco initially summons Key Clones of DragonRanger, KingRanger, TimeFire, Shurikenger and DekaBreak with his Rapparatta trumpet to do battle with the Gokaigers. The Gokaigers defeat the Key Clones, but Basco then manages to overwhelm the pirates with clones of KibaRanger, MegaSilver, GaoSilver, AbareKiller, MagiShine, Bouken Silver, the Go-On Wings, Shinken Gold and Gosei Knight and defeat them before taking Marvelous' crew hostage and exiting.

Basco later contacted Marvelous and demanded the Ranger Keys in exchange for his crew's lives. Marvelous eventually called Basco to arrange an exchange but at the meeting, Marvelous manages to free his crew by knocking the chest in the air and causing the keys to spill out, allowing Don to transform using the ShinkenGreen key and free his crewmates. Basco then summons his ten Key Clones to battle the Gokaigers, but the Gokaigers are able to fight them off and defend the chest. Basco then has Sally unleash Liquidroid Wateru to cover his escape before fleeing.

Basco later surfaces and attempts to steal the Greater Powers of the Gingamen. He summons DekaMaster, MagiMother and WolzardFire to battle the Gokaigers while he goes after Gai and Hyuuga. However, before he can take the powers of the Gingamen from Hyuuga, Marvelous appears and interrupts his attack. Basco summons Black Knight to hold Marvelous off and initially gains the advantage over the Gokaigers with his key clones, but the

Gokaigers soon manage to defeat them all. Basco then takes back the Black Knight key and has Sally summon Moonroid Tsukki to attack the Gokaigers while he flees again.

After Basco defeated the Earth Defense Force, he was contacted by Goro Hoshino, the former OhRed, who offered to give him the greater powers of the Ohrangers in exchange for the location of the Gigant Horse, the Zangyack flagship. Meeting in a warehouse, Gorou went back on the deal and tried to blow himself up with Basco, but Basco then revealed that he had already had his Ranger Key Clones disarm all the bombs in the warehouse. Basco then tried to steal the Greater Powers of the Ohrangers from Goro with his Rapparatta, but Marvelous shoots the trumpet out of his hands. After the Gokaigers obtain the greater powers of the Ohrangers they use it to defeat all of Basco's Ranger Key Clones. Sally then jumped in to collect them, but Gai shot at her and took them instead.

Facing the Gokaigers without any of his Ranger Key Clones, Basco had Sally stand aside as Marvelous was about to attack him. A red force-field blocked Marvelous' GokaiSaber and even pushed him back, before Basco's eyes glowed red and he transformed into his armored form. Basco goats the Gokaigers and was attacked by Gai, whom he easily stopped and broke his arm, before using red and black energy emitted from his body to badly damage Gai and knock him out cold. He then proceeded to attack the rest of the Gokaigers, beating them up harshly. While Marvelous struggled to remain conscious, Basco showed him three small orbs, revealing that he already had the greater powers of Changeman, Flashman, and Maskman. He told Marvelous to keep collecting the Greater Powers as it made things easier for him and then left.

After Warz Gill was killed by the Gokaigers, Basco hatched a scheme to take the Greater Powers of the Megarangers. Using Sally to draw out Kenta, Basco revealed that he had planted bombs throughout Moroboshi high school and demanded the Megaranger powers in exchange for the safety of the students. However, the Gokaigers manage to locate all of his bombs and contain them, foiling Basco's scheme. The Gokaigers then go off to confront Basco before he take the Greater Powers and become the Megarangers to battle Basco and Sally. GokaiRed and GokaiSilver manage to defeat

Sally, but before they can finish her off Basco gets in the way and has Sally release Soilroid Doririn and Woodroid Moririn before taking off.

Basco was later approached by Damaras, who had been punished by Ackdos Gill for failing to protect Warz and given one final chance to defeat the Gokaigers. Angry at Basco for not killing the Gokaigers when he had the chance, Damaras demanded his help in defeating them. Basco assisted Damaras in his attack against the Gokaigers, taking care of the others while Damaras dueled and defeated GokaiRed. After beating the Gokaigers, Damaras and Basco took them all hostage except for Don, who they deemed insignificant.

However, Basco later backstabbed Damaras and helped save the Gokaigers, citing them as key to his plan to obtain all the Ranger Keys. After gathering the powers of the Sun Vulcan and Fivemen, Basco took his leave once more. For his betrayal, Basco had his bounty reinstated by the Zangyack.

*Kaizoku Sentai Gokaiger Vs. Uchuu Keiji Gavan: The Movie*

Basco appeared to inform the Gokaigers of the prison where Gavan was being held so he could raid the Gokai Galleon and steal the Ranger Keys while they were distracted. However, as Basco attempted to break into the Gokai Galleon, the Go-Busters appeared to fight him off. After Yellow Buster distracted Sally by giving her fruit to eat, depriving Basco of his backup, Basco whacked Sally on the head and fled.

Final Showdown

After the Gokaigers gathered the last of the uncollected Greater Powers, the powers of the Kakurangers, they prepared to face Basco as he still held five of the powers they needed to obtain the Greatest Treasure in the Universe. After Marvelous called Basco to arrange a confrontation, Basco had Sally unleash two Pseudo Lifeforms on the city, but the Lifeforms were easily dispatched by the Gokaigers in Kanzen GokaiOh. Blaming Sally for the defeat, Basco shot her several times before abandoning him, causing the Gokaigers to take pity on him and bring him aboard the Gokai Galleon. However, this was all part of a scheme concocted by Basco and Sally, and when the Gokaigers weren't looking Sally stole the chest of the Ranger Keys. However, the Gokaigers were aware this might happen and emptied the chest before Sally stole it.

Despite Sally's betrayal, Marvelous still offered Sally a place with the pirates and told him that Basco would eventually dispose of him when he no longer needed him, causing Sally to defect for real. Basco then pressed a switch and activated the bomb on Sally's necklace, causing it to start beeping. Marvelous tried to remove the necklace but before he could the bomb exploded, killing Sally and seriously injuring Marvelous. The other Gokaigers then furiously attacked Basco, but Basco fought them all off in his Complete Body and stole the rest of the Ranger Keys along with the Gokai Galleon and Navi.

After uniting all the Ranger Keys, Basco prepared to take possession of the Greatest Treasure in the Universe, only for Navi, who was needed to unlock the treasure, to escape. Basco then created clones of the five Gokaigers to search the ship for Navi, but when the clones returned with Navi five of them suddenly attacked Basco and revealed themselves to be the actual Gokaigers, who had defeated and taken the place of their clones. With only the GokaiRed clone remaining, the five Gokaigers battled Basco and the GokaiRed Key to take back Marvelous' powers. With the powers of other Red Sentai, the Gokaigers defeated the key clone and returned Marvelous his powers. The Gokaigers then formed the Gokai Galleon Buster and fired it at Basco, but Basco was able to deflect the blast back at them.

Basco prepared to finish them off, but Marvelous appeared and engaged Basco in a brutal one-on-one duel. During the fight, Marvelous impaled Basco's and his own foot to ground and struck Basco with his Gokai Saber to finish him off while Basco at the same time shot Marvelous. Initially assuming Marvelous had planned to sacrifice himself and go down with him, Marvelous then reveals he was saved by the leftovers of Sally's necklace. Fatally wounded and realizing his betrayal of Sally was what did him over in the end, Basco lets out a final smug grin before dying and evaporating into red smoke.

However, his ship was used to ram into the Gigant Horse so they can take down Ackdos.

Tokumei Sentai Go-Busters Vs. Kaizoku Sentai Gokaiger: The Movie

Basco was later summoned as an avatar alongside Damaras by Bacchus Gill to do battle against the Gokaigers and Go-Busters. He is destroyed by GokaiRed, GokaiBlue and GokaiYellow.

Eli: Bibaboo and Basco ta Jolokia! I remember you both! Bibaboo you were sent to turn people into dolls and reverse the process of Returunpa and Basco you were the traitorous Red Pirate that wanted the Ranger Keys all for yourself.

Bibaloo: Good memory Eli.

Basco: Awesome analysis lad.

Nico: Yeah.

Bibbaboo: A shame I wasn't adapted in America.

William: I think it's because your episode was a tribute to Battle Fever J.

Me: Yeah that could be it.

Bibaboo: But I'm not that only one that came.

Bibaboo stepped aside to reveal… a monkey?

May: A monkey? That's the special newcomer?

Me: A Monkey? What the?

Basco: Her name is Sally and she loves Bananas.

Basco gave her bananas.

Poromon: I want those bananas!

Basco: Now now. These are for Sally, not for you.

Poromon growled at him.

Basco: Marvy Chan's bird was never like this.

Nico: Poromon! BAD! Down!

Poromon whimpered.

Maria: Look, you're welcome in the Masters of Evil. But you look like an average human pirate to me.

Basco: (chuckles) Looks can be deceiving.

Nico: That's true. But it's cool.

We got the usual battles underway.

Tea, Fluttershy, Tornado Bolt, Life Skylanders, Ultimate Humongousaur, Hood Sickle and Cuckoo Clocker VS Nathan Prince A.K.A. Copperhead - Nico's rescue

---

Copperhead was first.

Copperhead: (to Tea) Nico defeated Evil Stinky Butt very easily in his rescue. Considering that the usual battles include the one we know and love, he probably had lots of practice.

Tea: He sure did but this time it wasn't Nico that did it. It was Lori. She turned into Lori Volcana and lit his farts on fire and they exploded in his face.

Fluttershy: Lori has fire powers now too?

Tea: She sure does. Lori has the powers of wind and fire. Lori got wind powers from the Winds of Ga'Oh and also Fire Powers from when she became Lori Volcana. She became Lori Volcana when we first took down Dr. Robotnik.

Fluttershy: Oh wow. That is interesting and Lori must have done a great job too.

Tornado Bolt: I think it's so awesome that Lori has Wind and Fire powers now.

Stealth Elf: It sure is amazing. Fire and Wind are perfect for her.

Ultimate Humongousaur: They sure are and Lori sure kicks butt with both powers.

Copperhead: I had no idea Lori could do that.

Tea: It's not just Lori but Leni, Luna, Sam, Dana and Becky can do that too. Leni has Plant Powers from Poison Ivy and we call her Leni Ivy, Luna got Ice powers and we call her Luna Frost, Sam has Lightning powers and we call her Sam Livewire and Becky has Green Fire Powers and we call her Becky Fire.

Copperhead: That is amazing! You guys are lucky to have friends with 2 sets of powers. Lets do it!

They fired waves of leaves, grass and flowers and energy and smashed him down.

Tea: ALL RIGHT!

Fluttershy: That was fun.

## Shannon Deluth Sanderson Loud, Starlight Glimmer, Cozy Glow, Undead Skylanders, Ultimate Spidermonkey, Thorn and Misty Tredwell VS Ben Ravencroft - Meeting a Roaring Ocean Snake Gene-Slammer

---

Ben Ravencroft was next.

Ben Ravencroft: (to Shannon) I heard you guys met a Roaring Ocean Snake Gene-Slammer. What's her name?

Shannon: You would like her Ben. Her name is Anya Rodriguez and she is a sailor and a seadog. She knows so much about the high seas, fishing and all that. One time she helped her dad in fishing for King Crabs in the sea in rough water. She knows a lot about fishing.

Ben Ravencroft: Sounds like she has lots of experiences.

Shannon: She sure does. But she also discovered something that added Human Trafficking to Flip's list of crimes.

Starlight Glimmer: You will not like this. One day, Anya was asked by The Royal Woods Police Department to go undercover, and her target: find out about the selling of babies on the Black Market for money, and they had an idea on who'd profit from it: Flip. Anya went undercover at Flip's Food and Fuel, and she found out that Flip was selling babies on the Black Market and all for a big stack of money, and she also found out that Flip was planning to kidnap Lily Loud, so he can sell her on the Black Market, so he can get another stack of money. Anya was so mad that she wanted to rip his jumbled up organs out of his body, but she relented, and she recorded everything and sent the information to the Royal Woods Police Department. They moved in, and they stopped Flip's operation cold, and all those who had their babies kidnapped and sold by Flip on the Black Market not only got their money back, but they also got their babies back. When Anya told Lincoln and his family of what Flip was about to do in kidnapping and selling Lily on The Black Market, they wanted to rip him in two as well. But, Flip ran for his life, and they also found out that Flop, his brother, was also in on this as well.

Ben gasped in shock!

Ben Ravencroft: That is incredibly low! Flip just keeps reaching lower and lower levels every day.

Cozy Glow: You're not kidding there Ben! Lincoln bashed his head in with a piano and we heard him yelling all the way from Lynn's Table on the surface!

Hex: Yeah it was brutal! But Flip had it coming.

Ben Ravencroft: Now I want to turn Flip into an Inside Out Sausage!

Shannon: You and about the entire population of Earth.

Ultimate Spidermonkey: Yeah I feel the same way. Flip is a heartless mutated freak!

Ben Ravencroft: You're not kidding there! Lets do it!

They fired waves of magic, stars, bones and energy and smashed him down.

Shannon: OH YEAH!

Starlight Glimmer: That was amazing!

Nikiya, Applejack, Apple Bloom, Earth Skylanders, Ultimate Swampfire, Fellbat, and G1 Iron Bison vs BlackWarGreymon - Penny and Bolt are amazing

---

BlackWarGreymon was next.

BlackWarGreymon: (To Nikiya) Penny and Bolt are amazing. And Bolt's awesome with his superpowers.

Nikiya: Well in that show it was all done by computer graphics. But in real life he doesn't have powers.

Applejack: Now he does now that he's with us.

Apple Bloom: So does Penny. They are both awesome partners.

Flashwing: It sure was awesome to watch in the movie.

Ultimate Swampfire: It sure was amazing.

BlackWarGreymon: It sure is cool. Lets do it!

Sage, Rainbow Dash, Scootaloo, Air Skylanders, Ultimate

## Cannonbolt, Mai (Avatar), and Lusamine vs Thundermon - Nico acting like Shrek

---

Thundermon was next.

Thundermon: (to Sage) Should I be concerned about Nico acting like Shrek? After all, he did act harsh to a fellow hero, not to a bully.

Sage: Well it was pretty funny seeing Nico act like Shrek at first. And that's how Shrek and Donkey first met and that was really funny. But if you ask me I think Nico is running on empty from lack of sleep.

Rainbow Dash: I think so too. Nico has been really sleepy these last few days.

Scootaloo: Yeah he has been really tired and cranky.

Whirlwind: Maybe we should take him to Dr. Lopez to get him help.

Ultimate Cannonbolt: Yeah we probably should.

Thundermon: That could be it. But we'll have to see just to be sure.

Sage: There has been massive crime waves going on in the early morning hours these last few days and Nico is really doing his best.

Thundermon: I can tell. Lets do it!

They fired waves of lightning, wind and rainbows and smashed him down.

Sage: OH YEAH!

Rainbow Dash: That was AWESOME!

* * *

Atomic Skull was next.

Atomic Skull: (to Maggie) Looks like Qin's ambassador missions are done. I honestly didn't expect her, J.D., Mike, and the rest of the Burners to deal with the Duke of Detroit.

Maggie: Neither did we and it was really amazing that he was brought down.

Princess Luna: And it was really amazing to see how J.D. and the team used the Zenkaiger Cannon on him too.

Moondust: That was so awesome to see. I didn't know J.D. got his own version of that from Kaito.

Blackout: That was is cool.

Ultimate Wildmutt: It sure is amazing.

Atomic Skull: It sure is cool. Lets do it!

They fired waves of darkness and energy and smashed him down.

Maggie: Darkness wins.

Princess Luna: A true victory of the night!

* * *

Lythos was next.

Lythos: (to Ebonwumon) Starlight's ambassador missions are next. I hope no one ends up getting shot by the Live Action Autobots still on that world.

Ebonwumon: (Irish Accent) That is gonna be quite a challenge for the young lass but she is more than ready for this amazing challenge coming up.

Pinkie Pie: Starlight will be okay and she did a great friendship problem by herself and she got that do so she can do this next.

Featherweight: It sure will be amazing.

Sprocket: But it will be a challenge but she can do it as long as J.D., Nico and Lincoln are with her.

Ultimate Echo Echo: (Techno Voice) The Live Action Transformers world has been through lots of turmoil because of Sentinel Prime and bringing it back together when we go there on April 28th is gonna be a challenge.

Lytho: That is gonna be rough. Lets do it!

They fired waves of earth, metal, gears, sound and lightning and smashed him down.

Ebonwumon: That was a grand victory for the Sovereign of the North!

Zhuqiaomon: (Laughs) Yeah that part might have worked on Shrek but not someone as sensitive and tough as Nico.

Sunset Shimmer: But that part from Shrek was so funny. I laughed hard at the parts with The Donkey and Shrek.

Pipsqueak: (British Accent) I never get tired of the movie Shrek. It was funny.

Sunburn: It sure was funny.

Ultimate Grey Matter: Yeah that was hilariously funny.

Pyros: It sure was funny. Lets do it!

## Mary Jane, Twilight Sparkle, Starshine Sparkle, Sunny Starscout, Magic Skylanders, Ultimate Gravattack, Scream and Toxin VS Evil Green Ranger - Awesome how I used the Zenkaiger Zenryoku Zenkai Cannon on the Duke of Detroit

---

Evil Green Ranger was next.

Evil Green Ranger: (to M.J.) It's awesome how J.D. used the Zenkaiger Zenryoku Zenkai Cannon on the Duke of Detroit. I hope he remembers that it can also summon Ranger copies.

Mary Jane: He sure does know that and that is so cool how it can that. 45+ Years of rangers all in one awesome blaster.

Twilight Sparkle: Kaito and the Zenkaigers all knew how to kick some butt with a blaster and amazing weapons like that.

Starshine Sparkle: Yeah they sure did. That is awesome and amazing.

Sunny Starscout: I think so too.

Spyro: All the rangers weapons are awesome but that cannon has one powerful recoil. And I thought the Noisy Cricket packed a wallop.

Ultimate Gravattack: Yeah that was intense! 45+ Years of rangers packed into one blaster really packs a punch.

Evil Green Ranger: Wow! That is amazing. Lets do it!

They fired waves of magic and energy and smashed him down.

Mary Jane: ALL RIGHT!

Twilight Sparkle: That was amazing!

## Fiona Hernandez the Uria, Lord of Searing Flames Gene-Slammer, Himiko Toga, Apple Bloom, Sweetie Belle, Scootaloo, Diamond Tiara, Silver Spoon, RD Lola and Misty Tredwell VS Kimberly Ann Hart the Pink Ranger Slayer

Pink Ranger Slayer was next.

Pink Ranger Slayer: Flip sure has caused a huge number of problems for all of Lincoln's family hasn't he?

Fiona Hernandez: You're not kidding there. But it's not just Lincoln's family that he has caused problems to, it's everyone in Gotham Royal York and Royal Woods. Flip is an absolute menace to society and he should have gotten the death penalty. But I think being humiliated and tortured by us and everyone in the city is very fitting for him.

Himiko Toga: I agree with you there. Flip is a monster and it's amazing how many of Lincoln's Guardian Angels know so much about his crimes. The police have REALLY had Flip under their watch for a long time and sent many of Lincoln's guardian angels to spy on him.

Apple Bloom: Flip has done SO MANY terrible crimes.

Fiona Hernandez: He has done EVERYTHING that is terrible! His RAP Sheet is bound to be thousands of pages long!

Sweetie Belle: I can't even imagine what it would be like if a monster like Flip was in Ponyville.

Scootaloo: Princess Celestia would likely banish him to the moon.

Diamond Tiara: That is a strong possibility.

Silver Spoon: Yeah it sure is.

Misty Tredwell: Thank goodness that Flip was stopped before he was stopped before he could do anything else.

Pink Ranger Slayer: No kidding. Flip was a monster. He's now the most hated monster in America. Lets do it!

They fired waves of fire and elements and smashed her down.

Fiona Hernandez: FIRE WINS!

---

Marie Hernandez the Gene-Slammer of Hamon, Lord of Striking Thunder, Ibara Shiozaki, Frozen Fright, Thunder Terror, Magma Gloom, Toxic Horror, Louie PoisonSea, RD Lincoln and Elena VS Weddinmon

---

Weddinmon was next.

Weddinmon: How can Flip be so evil to everyone and he is doing all those crimes all for money?

Marie Hernandez: He just went up the charts from being just like Mr. Krabs to 10 times WORSE than Mr. Krabs. His love for money is insane!

Ibara Shiozaki: I would say that may the Lord have mercy on his soul but in my opinion he has no soul to save at all.

Frozen Fright: Yeah he is a monster!

Thunder Terror: What he has done shows that he is nothing more than a mutated cheapskate freak!

Magma Gloom: Yeah what a jerk and a fat mutated tub of lard!

Toxic Horror: Flip is no human being at all. He's nothing but a total freak!

Louie PoisonSea: Yeah what a monster.

Weddinmon: Yeah he is a terrible business man and a cancer that needs to be destroyed. Lets do it!

They fired waves of lightning and elements and smashed her down.

---

Nicole Hernandez the Raviel, Lord of Phantasms Gene-Slammer, Star Swirl the Bearded, Rockhoof, Somnambula, Mistmane, Flash Magnus, Mage Meadowbrook, Gusty the Great, Clover the Clever, RD Lucy and Carly Atlas VS Marcel Bonaparte

---

Marcel was next.

Marcel: If any of the people that we humiliate at Lynn's Table, Mercer from Dead Space and Glenn Quagmire were placed in the 9 Circles of Hell, where would they go?

Nicole Hernandez: Oh gosh that's a tough one. I'm no expert in the Divine Comedy and also it's not up to me to decide that. But if I were to place a guess I would say that they deserve this. Flip obviously because of his own greed would get the 4th Circle of Hell - Greed because of everything he did all just for money. Amy would get the 8th Circle of Hell - Fraud for her constant lies and how she tried to make Sammy look bad. Icky Vicky for sure would get the 7th Circle of Hell - Violence because of her evil ways in killing kids in her babysitting. Billy McLean deserves the worst of all and be put into the 9th Circle of Hell - Treachery because he betrayed Canada and the world and did all kinds of horrible crimes just to boost ratings and he humiliated and tortured people and and nearly killed them too. Lewis Travolta deserves the 3rd Circle of Hell - Gluttony because he eats a lot and is ALWAYS a total jerk. Trina Riffins I definitely know what she deserves and that is the 5th Circle of Hell - Anger because she is wrathful and sullen monster that should have gotten anger management therapy. Glenn Quagmire from what I heard about his crimes deserves the 2nd Circle of Hell - Lust for being a total pervert. Mercer would get the 6th Circle of Hell - Heresy for following the beliefs of a malevolent force that is out to destroy the entire universe and eradicate all life.

Marcel: That does make sense on that.

Star Swirl: What those monsters all have done show that they have no humanity at all.

Rockhoof: (Scottish Accent) Aye. They deserve it laddies.

Somnambula: (Egyptian Accent) I agree there everyone.

Mistmane: What they have done shows that they have no love in their hearts.

Flash Magnus: But I definitely agree with all of Nicole's judgements on that.

Mage Meadowbrook: Same with me.

Gusty the Great: Me too. Those 8 are nothing but pure evil.

Clover the Clever: You said it.

Carly Atlas: Yeah they are monsters.

Marcel: I agree with you all there. Lets do it!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was knocked down and smashed down and we tied him up and beamed him to prison.

Atomic Skull: Calico's going to jail for a long time.

Penny (Bolt): You guys were awesome!

Lythos: Of course we were.

Hydros: Almost as awesome as J.D., Qin, and the Burners this morning.

Me: (Blushes) Ohhohoho stop guys you're embarrassing us.

Pyros: Even without the Ridonculous Race, we'd still meet them on April anyway.

Evil Green Ranger: I hope they can be patient.

Nico: Yeah but we'll still talk to them.

Me: How did you like the Zenryoku Zenkai Cannon?

Penny (Bolt): That is so awesome! What does it do again?

Me: It has the power to summon Power Rangers from over the course of 45+ Years. Power Rangers started in Japan back in 1975 and the most recent series is Zenkaiger to commemorate 45 years of Super Sentai. In America in 2023 we're going to commemorate the Power Rangers 30th Anniversary.

Laney: Wow! It sure has been amazing how many adventures the Rangers have been on.

Bolt: That is so cool!

Lana: Yep.

Penny (Bolt): It sure is.

Me: Uh oh, there's no mistaking that loud mouth from anywhere, you can come out now, Yosemite Sam!

A figure came out, and it was none other than the famous Looney Tunes outlaw, Yosemite Sam, and mentor of Montana Max, and he had his guns out.

Nico: Should've guessed you'd show up here, Yosemite Sam.

Yosemite Sam: Yeah Yosemite Sam! The Roughest Toughest He-Man Stuffest Hombre that's ever crossed the Rio Grande!

BANGBANGBANGBANGBANG!

He raised himself up with his guns.

Yosemite Sam: And now, all of you are gonna be eatin' lead!

Yosemite Sam fired his guns, but Lincoln used his superhuman speed, and he caught the bullets in his large left hand.

Lincoln: You dropped these.

Lincoln crushed the bullets and tossed them away, and this got Yosemite Sam so mad, steam came out of his ears, and we laughed.

Yosemite Sam: OOOOOOOOOHHHHHHH!

Nico: (Smirks) Looks like we've got him even more madder than ever.

Me: That always cracks me up every time.

Shadow the Hedgehog: But, it's time for me to put a stop to you and throw you in prison.

Suddenly, Shadow the Hedgehog's red eyes turned neon red, and he was surrounded by a red and black energy aura with chaos energy, dark flames, and hedgehogs, he unholstered his new massive Erebus' Darkness Sword of Dark Wind Mobian Justice from his wider and more muscular back, and as he approached Yosemite Sam, he left red and black energy, chaos energy, dark flames, and hedgehogs with every step. Suddenly, Shadow the Hedgehog was surrounded by a massive vortex of red and black energy with chaos energy and dark flames surrounding it, there's a hedgehog running around the vortex, and in the vortex is a red phoenix. Then, as the vortex faded, Shadow the Hedgehog emerged, but he was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

The 7'0" and extremely muscular Shadow the Hedgehog remained the same, along with his new clothes, he has neon red eyes and a red and black energy aura with chaos energy, dark flames, and hedgehogs surrounding him, he has a hedgehog with the Chaos, Dark, and Eternity Kanjis in its paws emblazoned on his forehead, he has on his Crystal Necklace of The Buddha with red crystal links and a hedgehog with red crystals for the eyes and holding the

Chaos, Dark, and Eternity Kanjis in its paws for the pendant, and on the back of his long long-sleeved trenchcoat is a crow surrounded by the Seven Chaos Emeralds. Suddenly, Shadow the Hedgehog felt a sharp pain on his wider and more muscular back, and then, massive black angel wings with red tips on the large black feathers, sprouted out from his wider and more muscular back.

Shadow the Hedgehog has on his new large gold cuff Bracelets of the Champions of The Universe with red gems on his wrists, his new large gold Belt of Elemental Bravery with a golden crow head with red gems for eyes and a large red gem in its open mouth for the belt buckle on his waist, large red and black Spellbook of The Gods and The Universe and large red and black Universal Spellbook of The Elemental Forces on his left hip and Eater of Sins revolver holstered on his right hip, and a Indigo Lantern Corps ring on his right ring finger. There's a red kanji below the crow that said, "Shadow the Hedgehog, Son of Gerald Robotnik, Guardian of Maria Robotnik, Friend of Sonic the Hedgehog and Many, Leader of Team Dark, Agent of GUN, Destroyer of Dr. Eggman's Delusional Ambitions, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Emissary of Erebus, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of The Seven Chaos Emeralds, Chaos Energy, Darkness, and Hedgehogs."

シャドウ・ザ・ヘッジホッグジェラルド・ロボトニックの息子、マリア・ロボトニックの守護者、ソニック・ザ・ヘッジホッグと多くの友人、チーム・ダークのリーダー、ガンのエージェント、ドクター・エッグマンの妄想的野心の破壊者、悪の殺し屋、混乱、殺人、冷酷、そしてサディスティックろくでなし、エレバスの使者、驚くべき強力な教師の驚くべき強力な学生、そして7つのカオスエメラルド、カオスエネルギー、闇、そしてハリネズミのマスター

Shadow the Hedgehog has transformed into SUPER ANGEL ETERNITY INFINITY DARKNESS CHAOS HEDGEHOG ANGEL OF CHAOS JUSTICE AND DARKNESS COMPASSION!

We were amazed by Shadow the Hedgehog's Super Angel Eternity Infinity transformation, but when Yosemite Sam saw it, his face turned red and steam came out of his ears, and he was about to fire again, but Shadow the Hedgehog fired a powerful blast of red and black energy with chaos energy, darkness, and hedgehogs, which disarmed the short-tempered outlaw of his guns.

Sonic the Hedgehog: Incredible, Shadow's transformed.

Maria Robotnik: That's amazing.

Lily Loud: And he's got Yosemite Sam even more riled up than ever. He's toast if he tries to attack Shadow now.

Yosemite Sam: W-who do you think you are to get in my way?!

Shadow the Hedgehog: (Divine Echoing Cosmic Voice of Chaotic Darkness and Dark Compassion) **Someone who's not going to let you get away with whatever you want, and you're not laying one finger on any of Team Loud Phoenix Storm.**

Shadow the Hedgehog then went after Yosemite Sam, and he fired powerful blasts of red and black energy, chaos energy, darkness, and hedgehogs, and they exploded with incredible power as they hit the short-tempered Looney Tunes outlaw. Then, Shadow the Hedgehog, with his massive new sword in hand, slashed off Yosemite Sam's hat and shaved off a part of Yosemite Sam's mustache, and it shocked him badly. Yosemite Sam continued to fire bullets, but Shadow the Hedgehog kept dodging the bullets, and this was also causing Yosemite Sam's temper to get even more worse than ever. Then, Shadow the Hedgehog knocked out Yosemite Sam with a strong punch, and then, he tied him up in a black and red energy straitjacket and tossed him into the Masters of Evil's prison.

We cheered for what Shadow the Hedgehog did, as he holstered his massive Erebus' Darkness Sword of Dark Wind Mobian Justice on his wider and more muscular back and power down, and the brand-new improvements to his body, clothes, weapons, jewelry, and angel wings are permanent, and the dark hedgehog came back to us.

Nico: Whoa, Shadow, that was so incredible.

Shadow the Hedgehog: Thank you, Nico.

Lily Loud: You did an awesome job in putting a stop to Yosemite Sam.

Bugs Bunny: That'll teach that outlaw, doc.

Lincoln: Now, he'll have some time to cool down, before Vypra recruits him to The Masters of Evil, but it'll take some time though, I'm sure by now, he's already muttering angrily at us for throwing him in prison again.

Me: Knowing him, he's already doing just that.

Lincoln: (Yosemite Sam Voice) Why, that ornery, trigger-happy, gun-toting, short-tempered, rabbit-hating varmint!

We laughed.

Nico: (Laughs) Oh man, that was a good imitation of Yosemite Sam, Lincoln.

Lincoln: Thanks, Nico.

Nico: But this was an awesome adventure. (YAWNS) It was awesome taking down Calico for real.

Me: Yep. Lets get you some sleep now.

Nico: (YAWNS) Yeah you're right. But great job today everyone.

Bolt: (To the viewers) My adventures are only just beginning with Team Loud Phoenix Storm. It's going to be awesome. Now my adventures are going to be great.

Nico: Yep.

We went back home and Nico went to sleep and we enjoyed the rest of the day and went to sleep ourselves.

Another awesome fanfic done.

Bolt is a great movie from 2008 and it was so awesome how a dog found his way to Penny. I originally wanted to go after the agent that made Penny and Bolt the way they got but Dr. Calico is much more fitting. John Travolta and lots of awesome stars were in that movie. It was awesome! The first part was for the awesome Ripping Friends Episode Stinky Butt where the Ripping Friends faced Citracett who got Superfart powers and it was funny! I laughed myself to the point where I peed my pants and it was so funny. The 2nd part was for the Popeye episode Popeye Meets Sindbad the Sailor and that was one of my favorites from my childhood. NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, XP4Universe, Darkhai, vinjedi1995, Drako1234658, Nflemingful, Etstheclarencefan and ninjakingofhearts gave me the ideas for this and so did the guest reviewer. Nico's next rescue is gonna be in the Popeye episode Popeye Meets Ali Baba's Forty Thieves and Nico and Superman are going to meet and pulverize Aba Hassan and the 40 Thieves. Get ready to laugh your heads off when you see this and Nico is going to reunite with Bianca Delhi who is a girl from India that Nico knows and she has mastery over the Nirvana and Chakras and she has a 3rd Eye right in the middle of her forehead. The next rescue for Lincoln is gonna be in the Scooby Doo episode Don't Go Near the Fortress of Fear and the group is gonna stop the Ghost of General Juan Carlos and they are also going to meet a Souls of The Forgotten Gene-Slammer named Shannon Simpson and she is a goth girl and she has another terrible revelation about Flip and it's going to involve Biological Weapons. Fluttershy's Ambassador Missions start tomorrow and she is going to the world of Lego's Legends of Chima so get ready for an awesome adventure in the worlds of awesome Lego Characters that use Chi. The next chapter is gonna be for an awesome spy adventure as we go to the Greek Island of Acidophilus and we're going to help Spy Fox stop the nefarious William The Kid from getting rid of all the dairy cows and flood the capitol with milk and replace the milk in the world with Goat Milk. No way are we going to let that happen. It's going to be a non-combat chapter and we're going to make it kid friendly.

See you tomorrow

Flying over the Sahara Desert was Nico and Superman and they were going on an awesome and great rescue. They got word that Abu Hassan and his 40 Thieves escaped from Prison and are out robbing everything all over the entirety of Africa with extreme swiftness and speed.

Nico: I can't believe that Abu Hassan escaped from prison with his 40 Thieves. Sly Cooper would love to steal all their loot.

Superman: You're not kidding.

Nico: Thanks for coming with me, Kal.

Superman: Anytime Nico and it's going to be awesome taking down Abu Hassan. I heard Popeye, Olive and Wimpy took him and his men down the first time.

Nico: So did J.D. and his rescue. Wow this is technically the 3rd time.

Superman: These guys are really cunning and dangerous.

Nico: You got that right. But it's awesome how crafty they are too. I should have brought Salim Al Kupar with me on this one. He lead his own band of the 40 Thieves too back over 1,000 years ago.

Superman: That was awesome.

Nico: You know, Kal. Most people consider you the leader of the Justice League. Myself included.

Superman: That's right. I am the one that helped found it. It was not easy but it was a big job.

Nico: It sure was. Just like we're always recruiting new teammates. One thing still puzzles me though.

Superman: What's that?

Nico: Do you know what it was like on the planet Krypton before it exploded? Do you have any information on that?

Superman: I don't really know. I was sent away from the planet before it exploded back when I was a baby. But my planet was home to race of superhuman beings with powerful intelligence and capabilities. We had advanced technology that rivaled that of Earth's current technology.

Nico: Wow. That is amazing. Krypton was an advanced civilization until they started mining the core of the planet which lead to its destruction.

Superman: Yeah that was suicide. Because of that Krypton was doomed from the start.

Nico: That is awful. I'm sorry about your home planet. Just like what happened to the planet Vegeta.

Superman: I'm sorry Nico.

Nico: You know, Kal. Most people consider you the leader of the Justice League. Myself included.

Superman: That's right. I am the one that helped found it. It was not easy but it was a big job.

Nico: It sure was. Just like we're always recruiting new teammates. One thing still puzzles me though.

Superman: What's that?

Nico: Do you know what it was like on the planet Krypton before it exploded? Do you have any information on that?

Superman: I don't really know. I was sent away from the planet before it exploded back when I was a baby. But my planet was

home to a race of superhuman beings with powerful intelligence and capabilities. We had advanced technology that rivaled that of Earth's current technology.

Nico: Wow. That is amazing. Krypton was an advanced civilization until they started mining the core of the planet which lead to its destruction.

Superman: Yeah that was suicide. Because of that Krypton was doomed from the start.

Nico: That is awful. I'm sorry about your home planet. Just like what happened to the planet Vegeta.

Superman: I'm sorry Nico.

Nico: Guess you and I have more in common then we both thought.

Superman: Yeah we sure do and so does Emma Gale. She is from the planet Honou Prime.

Nico: Right! I remember that. That was amazing. And that was so cool that Emma has those amazing powers.

Superman: It sure was.

Nico: The worst part is that Zod tried to save Krypton by killing Earth and turning it into another Krypton.

Superman: Yeah and history would have ultimately repeated itself. Earth would have exploded like how Krypton did.

Nico: Yeah. That's the last thing we would want for Earth.

Superman: That's right.

Nico: Yeah.

They flew and saw Abu Hassan and his 40 Thieves head into some mountains.

Nico: There they are! Lets head them off at the pass.

They flew on and went over to the pass. Then Abu Hassan stopped at a big rock.

Abu Hassan: OPEN SESAME!

He held out his hand and the ROCK OPENED LIKE A GARAGE DOOR and they all went into a cave!

Nico: Whoa!

The rock closed.

Nico: Think you can use your X Ray vision?

Superman: Lets see.

He used his X-Ray vision and saw through the door and in it was a huge cave and it HAD A MASSIVE TROVE of treasure and jewels and more.

Superman: Wow what a haul! They stole all those jewels from many people. And they have an Opticoid with them that's washing their clothes and Abu Hassan is eating.

Nico: Looks like my next guess was spot on about the Opticoid Gene-Slammer. OPEN SESAME!

Nico opened the cave door and they went in.

Nico then pulled out a can of spinach.

Nico: Hi there. We're gonna be taking those jewels off your hands.

Abu Hassan: Not if we have anything to say about it!

Nico: Try me!

POP!

Nico popped the can open and ate the spinach and then he swallowed it.

DIND DING!

He flexed his muscles and then an atomic explosion going off was pictured in his muscles.

Then Nico punched the thieves down!

Abu Hassan: 1 Line FORM!

He had them go at Nico and Nico punched and pulverized all 40 thieves.

Nico: And then there was one!

Abu Hassan went at Nico and then Nico and Superman punched and pulverized him all over.

?: Let me help!

The Opticoid came and it blasted Abu Hassan with lightning and then fired a beam of ice and froze him in a block of ice.

Nico: That did it!

Superman: That was amazing!

Opticoid: (In a girl's voice) (Indian Accent) It sure was and its been a long time Nico.

Nico: Bianca Delhi? Wow you look awesome as an Opticoid.

Bianca reverted back and she was a girl with blond hair and in beautiful yellow clothes and the surprising and most amazing feature she had was a third eye in the middle of her forehead.

Bianca Delhi: I'm glad you think so Nico and it's great to see you again.

Nico: Same here.

Superman: It's an honor.

Nico: Bianca is from India and she is a master of the powers of Chakra and has achieved the peak of Nirvana. She has a 3rd eye in the middle of her forehead because of that.

Superman: That is amazing

Bianca Delhi: It is. And I learned how to master the power of Tranquility.

Nico: No wonder you got Gene Slammed into an Opticoid!

Bianca Delhi: When I'm an Opticoid I have 360˚ Vision and it's amazing to see what they have.

Nico: It sure is.

Superman: That is amazing. What is your favorite memory of Nico?

Bianca Delhi: I have a lot. But there's the one time me and Nico were over in Calcutta and I dared Nico to eat a cup of Super Spicy Sauce and Nico bursted into flames and he fired a blast of fire from his mouth and burned an entire criminal stand at the bazaar down.

Nico: That was funny.

Superman: It sure was.

Nico and Bianca hugged.

Nico: I really missed you.

Bianca Delhi: Same to you Nico.

Nico: Now lets give these jewels and everything that was stolen back to the people.

Bianca Delhi: Lets hurry.

Superman: Lets do it!

They rounded up all the jewels and more and then captured all the thieves and Abu Hassan and then put them back in jail and then brought the jewels and treasure back to the places they came from and it was awesome. Then they went back home. They told us everything that happened and we were amazed. Nico and Bianca were watching TV.

Nico: Where did you first get Gene Slammed?

Bianca Delhi: I got slammed in a Buddhist Temple in Tibet as I was meditating. I didn't feel the changes but then the next thing I knew I was an Opticoid and I had the power to transform at will.

Nico: Wow.

Superman: That is amazing. But at least you're back with Nico and his friends now.

Bianca Delhi: Yeah.

It was awesome.

Lincoln: Wow, so our rescue is taking place here in Puerto Rico, and I know what we're going to do here, not only am I going to rescue the twenty one girls here, but we're also going to stop the Ghost of General Juan Carlos, who's really Captain Eddy, who's broken out of prison and he wants revenge.

Me: That's right, big guy. Last time this happened, we found out that

Captain Eddy was smuggling the treasure that was hidden in the El Moro Fortress, and selling it for a fortune, and he disguised himself as The Ghost of General Juan Carlos to scare people away, and keep them out.

Nico: What happened after you guys caught him, J.D.?

Me: After Captain Eddy was convicted for his crimes, he got a 20 year sentence in prison, and all of the treasure he'd stolen was sent to the museum here in Puerto Rico.

Lincoln: And now that he's broken out, he wants revenge.

Batman: However, he's unaware of the consequences: the Mystery Inc villains who try to get revenge on Mystery Inc will be returned to prison, but their original prison sentences will be upgraded to Life in Prison without parole.

Lincoln: That's right, Batman, and that's exactly where Captain Eddy's heading: back to prison and with a life sentence without parole.

?: HELP!

Suddenly, Lincoln heard the sound of twenty one girls calling for help. With his deep sapphire blue cyborg eyes and superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the twenty one girls, but they've been cornered by The Ghost of Captain Eddy on top of the El Moro Fortress, and he's going to kill them.

Lincoln: Guys, I found the twenty one girls, but they've been cornered by The Ghost of Captain Eddy on top of the El Moro Fortress, and he's going to kill them.

?: Let's put a stop to that phony ghost.

Suddenly, we saw the Souls of The Forgotten Duel Monster appear before us.

Lincoln: That voice, I knew it was you, Shannon Simpson, but we'll have to talk later, right now, we got a phony Conquistador ghost to stop.

We rushed on over, and Lincoln fired a powerful barrage of rainbow energy balls and elemental forces, which hits The Ghost of General Juan Carlos, and that allowed the twenty one girls to get away. When The Ghost of General Juan Carlos saw us, he was enraged.

Lincoln: You've plundered your last fortress, you phony!

Lincoln unholstered his improved massive Sword of Universal Hope and Elemental Bravery from his wider and muscular back and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, The TLPS Bad Guys Gang transformed into their Super Angel Infinity forms and unholster their massive swords, Sima Shi, Sima Zhao, Sun Jian, Guo Jia, Zhang Bao, Guan Xing, Cao Cao, Liu Bei, Sima Yi, Sun Quan, and Jiang Wei got out their weapons, The Samurai Warriors got out their weapons, Lincoln's sisters transformed into their Super Angel Infinity forms and unholster their massive swords from their backs, Lincoln's sisters transformed into their Super Angel Infinity forms and unholster their massive swords from their backs, Lincoln's harem unholster their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark Compassion and Demonic Justice, and he unholstered his massive Sparda's Demon Fang of The Demon Hound sword from his wider and more muscular back, Batman, Mystery Inc, Young Mystery Inc, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their swords, Hector got out his massive Heaven's Maw of Judgement sasumata pike, and Me, Nico, Eli, and Nicole also unholstered our massive swords and transformed, and we went at The Ghost of General Juan Carlos, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time Energy, Gravity, and Magic, steel orbs, stars, rainbow flames, rainbow crystals, orange flames, blue flames, ice, green flames, and Batarangs at the ghost, and they exploded with incredible power as they hit him.

Then, Lincoln tied him up in a rainbow energy straitjacket with rainbow energy chains.

Lincoln: It's over for you, Ghost of General Juan Carlos, or should I say, Captain Eddy.

Lincoln removed the mask, and it was none other than Captain Eddy.

Captain Eddy: And I would've gotten away with a King's Ransom, if it weren't for you Meddling Kids!

Then, Nikiya arrived, along with the Puerto Rico Police Department.

Nikiya: Nice work, guys. This treasure hunting scumbag's looking at Life in Prison for what he tried to do.

The Puerto Rico Police officers took Captain Eddy away.

Lincoln: That's it for another enemy of Mystery Inc. (To Shannon Simpson) And it's so good to see you again, Shannon Simpson.

Shannon Simpson: You too, Lincoln. It's been a long time.

They went up to each other and they hugged, and Anya Rodriguez was very surprised at just how much taller and much more muscular Lincoln's gotten since she last saw him.

Lincoln: It sure has been a long time, I haven't seen you when you were twelve, and as you can see, I have grown a lot since then.

Shannon Simpson: Whoa, you sure have, you've really grown a lot from the eleven-year-old cute little boy into a 17-year-old 7'0" tall and very handsome and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, that's so awesome.

Nico: Wow, Lincoln, you know her?

Lincoln: Yeah, I do, Nico. This is Shannon Simpson, she's a goth girl from Royal Woods before it became Gotham Royal York.

Shannon Simpson: And I've also got another terrible revelation about Flip, and it involves Biological Weapons.

We gasped in pure shock.

Nico: (Gasps) Biological Weapons?! Now, that's even more serious.

Lincoln: We'll have to hear that later. Right now, let's get you back to normal, Shannon. Boys, cover your eyes, hold still, Shannon, this is going to hurt.

Me, Nico, Eli, and the rest of the boys covered our eyes as Lincoln snapped his fingers, and Shannon was reverting back to normal. Shannon Simpson is a beautiful 17-year-old girl with long purple hair going to the upper part of her back, purple eyes and she has blood tears, fair skin, she's 6'5" in height, she had the body of a goddess, and she has massive purple angel wings, as she reigned in the power of the Souls of the Forgotten.

Lincoln: How do you feel, Shannon?

Shannon Simpson: Good (Realizes she's in her birthday suit) But, I'm also in my birthday suit.

Lincoln gave Shannon Simpson her new wardrobe, a short-sleeved purple blouse and short-sleeved purple shirt with a purple phoenix on it, purple skirt with the Souls of the Forgotten on it, purple pants, purple sneakers, and a long purple sleeveless trenchcoat with souls and darkness on the coattails and on the back are the Souls of The Forgotten, and on her back is a large Souls of The Forgotten-themed sword with a 6'5" massive, wide, double-edged, man-sized purple blade with the Souls of the Forgotten etched on it, large purple angel wings for the crossguard, large purple gem for the hilt, longer black handle, and a large purple gem surrounded by angel wings for the pommel.

Shannon Simpson: Wow, I love the new outfit and sword you made for me, Lincoln.

Suddenly, a Thunderbird Necklace of Eternal Love appeared on Shannon Simpson's neck with purple gems on the gold lightning bolts and purple crystals links from her new Crystal Necklace of the Buddha, which merged with her Thunderbird Necklace of Eternal Love.

Shannon Simpson: (Surprised) Whoa, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love, which means you're now part of my harem and my many future wives, Shannon.

Shannon Simpson had a smile on her face and blood tears coming from her eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around her waist and he leaned down and he kissed her on the lips, and she returned it, and we cheered for them. Then, we went up to the twenty one girls here, and when Lincoln saw them, he immediately recognized them. The twenty one girls are Sakuragasaki Fubuki from Arcade Gamer Fubuki, Nozaki Anzu from Juliet, Rubette La Lette from Gokudou, Mio, Tomoe, Louisa, Rinon, and Toa from Tsukimichi: Moonlit Fantasy, Andou Sayuri, Kamijou Mizuki, Lyune Frank, and Ozaki Nanase from Psybuster, Allison Whittington and Lilliane Acacia Corazon Whittington Schultz from Allison & Lillia, Rico from Mega Man X Dive, Ciel from Mega Man Zero, Aile from Mega Man ZX, Fairy Leviathan from Mega Man Zero, Jasmine from Mega Man NT Warrior, Roll Casket from Mega Man Legends, and Ferham from Mega Man X.

Lincoln: Are you girls okay?

Sakuragasaki Fubuki: Yes, we're okay, thanks to you.

Then, when Sakuragasaki Fubuki and the other twenty girls saw who it was that saved them from Captain Eddy, their faces turned atomic red upon seeing the 17-year-old 7'0" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide right pec and it was surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top was the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, and Buffalo, and below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, and The Thirteen Elemental Forces, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and a Mark of Manhood tattoo of a bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

He had his massive Sword of Universal Hope and Elemental Bravery holstered on his wider and muscular back, his orange Crystal Saber holstered on his left hip and his Eater of Sins revolver holstered on his right hip, the Pisces the Fish constellation and Aquarius Zodiac sign on the back of his neck and the Cygnus the Swan constellation on the back of his massive left hand, large weighted orange bands on his massive biceps and thighs with silver phoenixes on them, his large gold Cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, massive and indestructible deep sapphire blue angel wings and the stars and blue nebulae reflecting on them with rainbow tips on the large deep sapphire blue feathers, and he was dressed in an orange version of He Man 2002's loincloth with hanging silver lightning bolts and long orange trenchcoat coattails with elemental forces, Thunderbirds, Phoenixes, and Buffalo on them and with hanging mini silver lightning bolts held up by his large gold Belt of Elemental Bravery with large orange gem for the belt buckle on his waist, a pair of large blue pants with multicolored lightning bolts on the thighs with the orange kanjis "Savior of The Loud House, Powerful Student of Many Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of The Thunderbird, and The Unifier of The Three Kingdoms" on the left legs, and large white leather combat boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and armor on the toe area, silver Buffalo head stud earrings with the Thunderbird and Eternity Kanji on it, a large Thunderbird Necklace of Eternal Love with colored gems on the gold lightning bolts with a large deep sapphire blue gem in the shape of a Thunderbird on top of a silver Buffalo head with the Thunderbird and Eternity Kanji on his neck and across his bare chest, large fingerless orange gloves with the symbol of The Loud House on it and surrounded in a diamond formation are a Phoenix, Thunderbird, Buffalo, and Angel, a large Orange Buffalo Animal Spirit Ring on his left ring finger, large Blue Lantern ring on his right ring finger, he had eight large orange orbs orbiting around his legs, and circling around his feet on the floor are eight golden crosses with angelic runes.

Sakuragasaki Fubuki: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made twenty clones of himself, and he and the twenty girls went up to the girls, and picked them up and hugged them in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrap their arms around the

necks of Lincoln and his clones, and we cheered wildly at the scene.

Sakuragasaki Fubuki: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, twenty one Thunderbird Necklaces of Eternal Love appeared on the necks of Sakuragasaki Fubuki, Nozaki Anzu, Rubette La Lette, Mio, Tomoe, Louisa, Rinon, Toa, Andou Sayuri, Kamijou Mizuki, Lyune Frank, Ozaki Nanase, Allison Whittington, Lilliane Acacia Corazon Whittington Schultz, Rico, Ciel, Aile, Fairy Leviathan, Jasmine, Roll Casket, and Ferham with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha. We return to the Estate, and we told everyone what'd happened, and they were shocked when they found out the villain we went after The Ghost of General Juan Carlos, who's really Captain Eddy, who broke out from prison and wanted revenge.

But, when Lincoln showed everyone what we did to Captain Eddy, they cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Shannon Simpson now have a lot of catching up to do, now that she's back. As for Captain Eddy, he was sent back to prison, but this time, his original 20 year sentence has been upgraded to Life In Prison Without Possibility of Parole, and he was chained to the wall of his cell with rainbow energy chains and Neutronium chains, and he'll never be free again.

* * *

After throwing Captain Eddy back in prison, we were training intensely in the gym, this time, doing 150,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Shannon Simpson saw Lincoln working out like crazy, she had an atomic red blush on her face.

Shannon Simpson: Whoa, Lincoln's really grown to be a 17-year-old

7'0" tall, really big, and really strong man, just look at those abnormally massive and powerful muscles hard at work, and to work out with those 9,500-lb barbells and not even get tired, incredible.

Lincoln: And I've also trained a lot under some very powerful teachers, J.D. and Nico included, Shannon, and now, I can also fight and defend myself.

Shannon Simpson: That's incredible.

Nico: It sure is, Shannon. So, what's this about another dark revelation about Flip, and you said that it involved Biological Weapons?

Shannon Simpson: You won't like it, Nico, along with the rest of you. I was approached by the Royal Woods Police Department, and I was asked to go undercover and find out what Flip's up to. I agreed to the task, and they knew of my ability to take to the shadows to remain hidden: one of the perks of being a goth girl. I went to Flip's Food and Fuel, and remained hidden in the shadows, and I snuck in to the hidden room. When I got there, what I saw was horrifying: Flip was selling Biological Weapons to terrorist cells within the US and to some of the powerful crime lords around the world for a huge stack of cash. I recorded everything, and not only did I get the officers from the Royal Woods Police Department here, but I also called in The FBI. They raided the place, and they arrested the terrorists who came to Flip's Food and Fuel via a hidden tunnel underneath there, along with the crime lords, and they were about to arrest Flip, but he got away again.

We gasped in pure shock and horror.

Lincoln: Now, Flip's gone too far: selling Biological Weapons to terrorist cells and the international criminal organizations there, as well, just to make money?! That's an act of treachery and treason!

Nico: You said it, big guy. Flip's more than just a greedy cheapskate mutant asshole, what he did in selling Biological Weapons to terrorists and international crime lords, he's also a traitor to The United States.

Me: That asshole, he's in big trouble when the next humiliation session starts!

Nicole Hernandez: Now this upgrades my guess on Flip to being judged to the 9th Circle of Hell - Treachery.

Lincoln summoned another piano, and as soon as it's over Flip's head, he dropped it, and it crashed on Flip's head, and he screamed in pain.

Lincoln: That was one nasty and dark revelation you revealed to us, Shannon. But, this is no surprise to us: we knew what kind of greedy, disgusting, gross mutant Flip is, and we just begun to scratch the surface on Flip, he's not only endangered me and my family, but he's also endangered everyone in Michigan.

Shannon Simpson: And now, he's paying the price with being humiliated for life.

We got a shower afterwards. Suddenly, a bright light descended on the World Tree Estate, and we covered our eyes. Then, the bright lights faded, and we uncovered our eyes. Suddenly, we saw a couple of figures in the World Tree Estate, and when Roll Casket saw who they were, she recognized them immediately: they were MegaMan Volnutt and his girlfriend, Tron Bonne, along with the Bonne Family.

Roll Casket: Whoa, it's MegaMan Volnutt, Tron Bonne, and the rest of the Bonne Family. Then, that means… (Gasps) My world's merged with yours, Lincoln.

Lincoln: Awesome.

Then, as soon as MegaMan Volnutt, Tron Bonne, and the Bonne Family adjusted their vision, they saw they were in the World Tree Estate, and when they saw us here, they were surprised.

MegaMan Volnutt: Oh, no way, Team Loud Phoenix Storm!

Lincoln: That's right, and it's a pleasure to meet you, MegaMan Volnutt.

MegaMan Volnutt: You too, Lincoln, along with all of you. But, how did our world merge with yours?

Lincoln: Allow me to explain.

Lincoln explained to MegaMan Volnutt, Tron Bonne, and the rest of the Bonne Family that their world had merged with ours, because he rescued Roll Casket from Captain Eddy this morning, and when they saw Roll here, they ran up to her and hugged her. Then, when they saw the Thunderbird Necklace of Eternal Love with gems on the gold lightning bolts and crystal links from her Crystal Necklace of The Buddha, which merged with her Thunderbird Necklace of Eternal Love, that meant she is now a member of Lincoln's harem and one of his future wives, and they know Lincoln will take good care of her. When Lincoln was finished, they were floored.

Tron Bonne: Wow. That's a lot of information to take in, but we're glad Roll's okay, and I'm proud of her and Lincoln getting together.

Nico: Same here, Tron. And I think your family can be good members of The Masters of Evil, and you can be a member of Team Loud Phoenix Storm.

MegaMan Volnutt: That's a good idea, Nico.

Tron Bonne: It sure is.

Lincoln: And we've also met your many incarnations, in fact.

Lincoln then introduced our new guests to the other MegaMan incarnations, and they were stunned.

Tron Bonne: Whoa, that's a lot of incarnations!

MegaMan Volnutt: That's right.

Eli: And you don't have to worry about Dr. Wily.

Lincoln: Yeah, many years ago, we sent him to The River of Fire.

TLPS Mr. Wolf: But, he could return one day, and he'll want revenge on you guys for ruining his plans for world domination.

Nico: The second that mad scientist does, there's only one thing waiting for him: a cold eight by ten cell, and chained to the wall of his cell with Neutronium and rainbow energy chains.

Lincoln: That's right, oh, and now, we should get ready: it's time for our beach date.

MegaMan Volnutt: Can me and Tron come with you, Lincoln?

Lincoln: Of course.

We then welcomed MegaMan Volnutt and Tron Bonne to Team Loud Phoenix Storm, and the Bonne Family were made members of The Masters of Evil, as soon as we told Vypra about them, and she understood Tron's choice of being a member of Team Loud Phoenix Storm.

Later on, Lincoln and his harem were getting ready for their beach date, this time, it's at La Jolla in San Diego, California. But, they're not the only ones going, MegaMan Volnutt and Tron Bonne are also going as well.

Lincoln then snapped his fingers, and the 17-year-old 7'0", white-haired, handsome, and extremely muscular teen was dressed in large orange swim trunks with a phoenix, thunderbird, buffalo, angel, and elemental forces on it, along with his large weighted orange bands with silver phoenixes on his massive biceps and thighs, his jewelry, large orange sandals, and eight large orange orbs orbiting around his legs, and he also had his weapons holstered, in case of trouble.

MegaMan Volnutt was dressed in a pair of blue swim trunks with a phoenix and gears, blue sandals, and he had his weapons, in case of trouble.

Lincoln's harem were dressed in two-piece bikinis in their favorite colors, sandals, along with their jewelry, and they also had their weapons holstered in case of trouble.

And Tron Bonne was dressed in a two-piece dark purple bikini and dark purple sandals.

Lincoln: Alright, everyone, are we ready?

MegaMan Volnutt: We're ready, Lincoln.

Lincoln, his harem, MegaMan Volnutt, and Tron Bonne left the Estate, and they head for their place for the date: La Jolla in San Diego, California.

Tron Bonne: Wow, what is this place?

Lincoln: This is La Jolla, a smart seaside area in San Diego, California, this place is known for its rugged coastline, it's surrounded on three sides by ocean bluffs and beaches, and La Jolla's home to many educational institutions and a variety of businesses in the areas of lodging, dining, shopping, software, finance, real estate, bioengineering, medical practice and scientific research. Stella told us about La Jolla, since she used to live in California before she moved to Michigan, and I figured that it would be the perfect place for our date.

Lincoln, his harem, MegaMan Volnutt, and Tron Bonne got started by diving into the ocean, and they began swimming, and they also saw the sea creatures that live there. Then, they also saw the many beaches that surround La Jolla, along with its many neighborhoods located here, and they were very amazing, then, they had lunch in a picnic area that Lincoln made. Then, as soon as the sun sets on La Jolla, Lincoln made clones of himself, and he and the clones went up to the girls in his harem and MegaMan Volnutt went up to Tron, and they picked the girls up in their arms, and as the sun turns orange, they passionately kissed and hugged with supercharged and intense passion. Then, they came back home to the Estate, and they were in their original clothes.

Nico: Hey, guys, how was your date?

Lincoln: It was so awesome, Nico, we went to La Jolla in San Diego, California.

Me: No way, you guys went to La Jolla, in San Diego, California? That's so awesome.

Stella Zhau: I haven't been to La Jolla ever since I was little, was it everything that I told you guys about?

Lincoln: It sure is, Stella, and it was so awesome.

MegaMan Volnutt: It sure was amazing, and we had a lot of fun there.

Tron Bonne: And Lincoln did say that La Jolla was home to its many educational institutions.

Lisa Loud: Ah yes, The University of California San Diego and National University, those two are the main institutions of higher education, and we've also gotten funding from those two institutions, as well.

Nicole Knudson: And La Jolla is home to the San Diego Unified School District, and its public schools include La Jolla High School, La Jolla Elementary, Muirlands Middle School, Torrey Pines Elementary, and Bird Rock Elementary, as well as Preuss School, a public charter school.

Me: Along with the community's prep schools, such as The Bishop's School, The Children's School, Delphi Academy, Stella Maris Academy, The Gillispie School, the Evans School, and La Jolla Country Day School, which is located in the nearby community of University City.

Stella Zhau: The schools are still the same as I remembered them when we first visited La Jolla so long ago.

Lincoln: Hey, maybe one day, you can show us the place where you grew up in California, Stella.

Nico: Yeah, that's a good idea, we'll get to see which part of California you grew up in, Stella.

Stella Zhau: It sure would be nice to show you guys. Alright, one day, we'll take a family trip to California, and I'll show you guys the place where I grew up in there.

Lori: Perfect. And is there going to be any surprise villains showing up, Lincoln?

Lincoln: Nope, there's not going to be any surprise villains showing up on our mission later today, Lori.

Nico: This'll be a first for us.

Me: You have a point, Nico. So far, the surprise villains we've been dealing with are villains whom we haven't dealt with before and villains whom we've faced long ago and have returned from the dead to get revenge on us. So, it looks like we're getting a break from them today.

Lincoln: But, it's only for one day, J.D. Tomorrow, they'll be coming back for more, but we're more than ready for them.

Nico: And we will.

---

Later it was time for Fluttershy's first ever ambassador mission and it was gonna be a really awesome one.

Nico: Fluttershy, prepare yourself to meet another set of Lego heroes!

Fluttershy: Oh. This will be amazing. Where am I going?

Nico: You're going to the world of Lego Legends of Chima.

Me: Wow! That''s one of my favorite series in the Lego World.

Eli: That must mean that Fluttershy is going there to visit the Warriors of Chima and meet Prince Laval and his friends and the masters of Chi.

Po: That is gonna be AWESOME!

Nico: It sure will be awesome.

Me: I can't wait to see what this world is like. That's why I'm going with you to see how you do and provide support.

Fluttershy: Oh thank you J.D. It'll be great having you with me.

Me: You're welcome Fluttershy and this world is gonna be right up your ally. It's a world full of Anthropomorphic Animals.

Fluttershy: Oh wow. I'm looking forward to this one.

Nico: I had a feeling you would like this.

Me: Well lets head out.

We were off to the world of Chima.

We then arrived in Chima and we saw that we were in front of the Lion Palace which was in front of Mount Cavora.

Me: Wow!

Fluttershy: This is amazing.

Me: It sure is. The land of Chima is breathtaking and the amount of life energy coming from this world is amazing.

Fluttershy: It sure is.

Then out came Laval, the Prince of the Lion Tribe.

Laval: Hi there. Welcome to Chima. You must be new here!

Fluttershy: Oh hello there. And yes um we are new here.

Me: We should introduce ourselves. I'm J.D. Knudson, Former leader and now 2nd In Command of Team Loud Phoenix Storm.

Laval: Whoa! It's an honor to meet you! I heard so many awesome things about all your adventures and everything you have done for the world and the universe and it's an honor.

Fluttershy: I'm glad. I'm sorry my name is Fluttershy and I'm the Princess of Kindness, Animals and the Life Skylanders.

Laval: It's an honor.

Me: Fluttershy is one of the founding members of the Knights of The Friendship Table. It's a branch team that I made.

Laval: I see and it's an honor to have you both here.

Me: It's a pleasure.

Fluttershy: Um it sure is.

Laval: I take it you're shy a lot?

Fluttershy: Oh yes. But I'm not shy around my friends and animals.

Me: Fluttershy is here on her first ever Ambassador Mission and I'm going with her for support. It's part of a special diplomatic mission program that we made where we send some of our team on missions to those worlds to get to know the people there and help out with some of their problems. It's to help us prepare for future upcoming missions.

Laval: That is interesting. Let me introduce you to all my friends.

Fluttershy: Oh that would be nice.

We followed Laval.

Fluttershy: If you don't mind me asking, do you have any bad guys here?

Laval: Well we do but many of them are in hiding. We used to be divided but the appearances of many of our enemies brought us all together and made us close.

Me: How did the world of Chima become like this? It's amazing.

Laval: Well it's a really amazing place.

He told me and Fluttershy the history of Chima.

* * *

After thousands of years of peace, Chima is once again torn in conflict because a misunderstanding, and the Crocodile Tribe leads it's allies into battle against the Lions. Soon, Laval the Lion Prince is tricked into throwing the Crocodile's CHI into the "Gorge of Eternal Depth" and more tension comes… Finally after months of fighting the tribes must unite because of a "Black Cloud" threatening Mt. Cavora, the source of CHI, yet when the CHI Falls stop, the Lions are blamed and the final battle for Chima has come. Though, when Laval and Cragger's showdown comes they find themselves falling to their deaths, until Laval sacrifices his life, reminding Cragger of his friendship with him. By faking his death Laval finds the Crocodile Legend Beast one of the eight Legend Beasts which can restart the falls, and returns, much to Cragger's relief. Soon after the Tribes unite as allies to go and save the other Legend Beasts who are trapped in the Outlands. There they find shelter in Lavertus (the exiled Lion's) base and are able to free seven, until it is revealed that the CHI Laval threw was what created this new enemy that had trapped the Legend Beasts, the final Beast is saved and the Heroes barely escape, if not for Lavertus who uses his Golden CHI to support the exit and sacrifices his life. Finally the Falls are restarted and Chima is flourishing, that is until Scorm the Scorpion King accidentally awakens Sir Fangar an accent enemy, that was frozen for a millennia. With plenty of CHI the Tribes are joyful, except for Laval's friend Eris who has dreams about a Phoenix Tribe who are masters of Fire. While at home, Cragger finds his swamp under attack by the reawakened Ice Tribes, and hardly escapes with his Sister (who had secretly been the real reason for war in Chima in the first place). The Tribes try to fight back, but find themselves defenceless against the forces of Ice, until Eris convinces Laval and Cragger to go inside Mt. Cavora, because of her dream, much to their unbelief they meet Fluminox and discover the Phoenix, who have Fire CHI, the secret to the Ice Tribes' defeat, now the battle is on and the fate of an eternal Ice Age is in the 8 Heroes' hands. They manage to hold the Hunters back for a while, until the Hunters trapped the Phoenixes and blocked the ways to the Fire Chi, so they were able to spread in hole Chima. When the Phoenixes were freed, the 8 heroes started searching for the 8 Fire Harnesses, artifacts for performing the Great Illumination,an ancient ceremony that could cure the Hunters and make them good again. Also, the Hunters released the Ice Bears, the most powerful tribe in Chima, but they were defeated by the normal Bears. After the 8 heroes found the Harnesses, they flew into Mt. Cavora and performed the

Illumination, transforming Flinx into the Ultimate Phoenix and curing the Hunters. The Phoenixes then left Chima and all of Chima's problems were solved, though it was shown that Chima was only a small part of a larger world…

---

When he was done we were shocked and more.

Me: Wow! What a history. And it's incredible that you all went through so much.

Fluttershy: That is really fascinating.

Me: And you guys all brought down the Ice Tribe with the powers of the Phoenix Tribe. That is amazing and the Phoenix is what we govern on the team. (Spreads fire wings) Out of the ashes left by the cleansing flames, comes new life in the seeds of beauty and evil will be cleansed from the good of all things in life.

Laval: Wow! That is amazing.

We then met a bunch of Laval's friends.

Laval: Guys, these are my friends.

We were introduced to Cragger, the Prince of the Crocodile Tribe, the son of Crominus and Crunket, and the twin brother of Crooler and the former enemy of Laval, Eris, the Princess of the Eagle Tribe and a close friend of Laval, Worriz, the alpha male of the Wolf Tribe, Gorzan, the Prince of the Gorilla Tribe and close friends with Laval and Eris, Razar, the Prince of the Raven Tribe and will ally himself to anyone with the right price tag, regardless if it is right or wrong in morality, Rogon, the Prince of the Rhino Tribe, Bladvic, the Prince of the Bear Tribe and Bezar, a white beaver who is the apparent leader of the Beaver Tribe.

Eris (Chima): Wow it's an honor to meet you J.D. and you too Princess Fluttershy.

Worriz: Same here. Wow! It's an honor.

Razar: Same here.

Me: It's an honor to meet you all.

Fluttershy: Oh um just call me Fluttershy. I don't like formalities but thank you.

Cragger: But it's amazing to have you here.

Me: I'm glad we're here too.

Cragger: Being a former villain myself, most of our enemies are hiding like Laval said. But I have a feeling one of them might make their move today.

Me: You'll make a great addition to the Redemption Squad. Also if your enemies do appear we'll gladly deal with them. They will go to our prison in our world.

Cragger: Thanks.

Me: We'll have to face the leader of the Mammoth Tribe. But from the looks of things you all have a bunch of major enemies.

Laval: Yeah we do.

Me: Hmm.

I then sensed something and up in the sky we saw VARDY THE LEADER OF THE VULTURE TRIBE!

Laval: Oh no! It's Vardy the Leader of The Vulture Tribe!

Me: Vultures are Natures Cruelest Mistake. My friend Jet Vac calls them that.

Fluttershy: I can face him.

Me: Get ready guys. You're going to see Fluttershy's Stare in action.

Vardy came and landed.

Vardy: Long time no see, Laval. And I see you brought two new friends for me to kill.

Laval: Well it will be the last.

Me: Perhaps you don't know who I am.

Vardy: Oh should I?

Me: Where are my manners? You probably haven't heard about me. My name is J.D. Knudson, former leader of Team Loud Phoenix Storm and I heard so much about you and you and many of the warriors of Chima's enemies. Have I introduced you to one of my teammates?

Fluttershy looked at Vardy and the Vulture Tribe and then…

(WARBLING NOISE)

Fluttershy used her Stare on them and it was like the Vultures were seeing the Devil and they were scared and the I spun around and tied them all up.

Me: You will make awesome members for our frenemies in the M.O.E. You all may be good reconnaissance and spies but you make good candidates for our frenemies in the future.

Vardy: Really?

Me: We do.

We later came back.

May: How was it?

Me: I'm happy to report that Fluttershy did great on her first ever Ambassador Mission without any problems.

Nico: That's great! And is that Vardy and the Vulture Tribe?

Me: Yep. Fluttershy used her stare on them and we figured they would make good members of the Masters of Evil in the future.

Nico: Awesome!

Fluttershy: It was really fun going to the world of Chima and I had a great time there. I met Laval and his friends and they were amazing.

Me: They sure were. And the history of Chima is a really amazing and mystical one too.

Nico: It has a lot of history.

Laney: I can't wait to see that world.

Lana: It'll be awesome.

Me: Yep. We're going there on April 21st?

Nico: That's right.

Me: Wow.

Fluttershy: And I was thinking of bringing Lincoln with me next time.

Lincoln: I would be honored.

Me: Awesome and the next target will be the Mammoth Tribe.

Nico: Neat.

* * *

We later were getting ready to enjoy some quality time for the morning.

Nico: Poromon, Poliwag. Me and the others will gone for the morning. We would've left you two here alone but because of the unauthorized party, you both have proven that we can't leave you both by yourselves.

Me: That's right. So Lucy, Kimi and Lexx are going to be watching you two like a hawk.

Poromon: We actually didn't have any plans for a party anyway.

Me: Well that's good but it still doesn't absolve you of the fact that you've been untrustworthy.

Nico: Yeah.

Poromon: We know.

We left.

Poromon: Thanks for agreeing to babysit us, Lexx.

Lexx: No problem Poromon.

Kimi: And I think it's awesome that you all are getting babysat by us too.

Poliwag: Thanks Kimi.

HIC!

Kimi: Huh? Lucy?

Lucy Loud: HIC! HIC! HIC!

Kimi: Uh oh you got the hiccups?

Lucy Loud: HIC! Yeah.

Kimi: Yeah hiccups are no fun.

Poromon: No they aren't.

Poliwag: Kimi, what's your greatest achievement?

Kimi: Well it's a really stupid one. Me and my family were over in Springfield, Illinois and I took on the Firebrand Chili Challenge.

Poromon: What's that?

Kimi: It was one of the hottest chilis I've eaten. I had to eat 10 bowls of chili that was SO Incredibly spicy and I loved it. But the recipe for it is REALLY Secret.

Poromon: Wow! You are a spicy girl.

Kimi: Yep. I ate 20 bowls of the chili. And I got an awesome t-shirt and I hold the record for the most eaten.

Lucy Loud: HIC! You are tough. HIC COUGH!

She coughed too and then out of her mouth came an old Antique radio into Kimi's lap.

Kimi: What the!?

Poliwag: I've never seen a hiccup do that!

Kimi: And this is a 1938 Zenith Radio. We haven't used radios like these in over 84 years.

Poliwag: Wow.

Lucy Loud: That is amazing. HIC COUGH!

She coughed a mailbox and it hit Kimi right on her head!

CLANG!

It was full of bills and letters.

Kimi: OW!

Kimi looked.

Kimi: Wow. These are old bills and letters from a long time ago.

Poromon: We have to get rid of those hiccups!

Kimi: I've never seen hiccups like these before. We got to get the team back here.

Poliwag: Yeah!

Krumm, Ickis and Oblina then came.

Oblina: Lucy is everything all right?

Lucy Loud: Actually no. I have these HIC COUGH!

She coughed out blue paint and it hit Poliwag and splattered all over him.

Krumm: Uh oh. You have the Dreaded Nolox.

Kimi: What the heck is that?

Ickis: It's a really bad Hiccough that is the worst kind of Hiccough of them all.

Oblina: It can only be given to a monster by prolonged exposure to perfume and air fresheners.

Lexx: Lola's perfume did it.

Kimi: But how do you get rid of them?

Krumm: You have to use a very powerful scare on them.

Lexx: I have an idea! Let's dress Lucy in some of Lola's clothes!

Lucy Loud: Gasp! Not that. HIC COUGH!

She fired a sword from her mouth and Kimi ducked and it stuck into the sofa!

Kimi: Whoa! Lucy you need to watch where you're aiming that! Although I could use this.

She picked up the sword.

Oblina: I had no idea that humans can even get the Dreaded Nolox.

Ickis: That is really strange.

Krumm: Yeah it sure is.

Oblina: It must be because of Lucy's powers and her being with us.

Kimi: Maybe.

Lexx: Lucy, I'm sorry. But this is for your own good!

Kimi: It's the only way Lucy.

Lexx then fired a beam of pink energy and formed an illusion where EVERYTHING was all pink and everything was girly and everything and then she screamed in fright!

The illusion lifted and then she was cured.

Lucy Loud: It worked. I'm not hiccoughing anymore.

Krumm: YEAH!

Kimi: Nice job Lexx!

Lexx: Thanks.

We later came back and Kimi told us everything that happened and it was shocking. We had no idea a hiccough as potent as the Dreaded Nolox even existed and it was crazy. But at least we were able to cure Lucy.

* * *

Later we were on an airplane flying over the Mediterranean Sea.

Nico: There won't be any usual battles today. But this mission will still be fun.

Me: Yes it will.

Eli: I have a feeling this will be fun.

Dark Spicer: So Flip was selling biological weapons to terrorists!? That low down mutated sack of rotten lard!

Nico: No kidding. That makes him a traitor. Whenever you work with terrorists and give them everything from that country that makes you a traitor.

Eli: No kidding.

Flight Attendant: Would you like our Italian Entree sir?

Spy Fox: No thanks. It gives me hives.

Flight Attendant: Our vegetarian dinner then?

Spy Fox: Nope. Gives me the vapors.

Flight Attendant: (Lowers table) (Whispers) Then may I recommend the Greek Plate? It's delicious.

Spy Fox: All right. If you insist.

Flight Attendant: Enjoy. (Leaves)

He stuck his fork into a steak and then a TV screen came on.

Monkeypenny: It's good to see you Agent Fox.

Spy Fox: Ah Monkeypenny. Now this is a REAL TV dinner.

Monkeypenny: Right. Yesterday our SPY operatives discovered the factories and offices of Amalgamated Moo Juice Incorporated abandoned and drained of milk. Soon the entire worlds remaining milk reserves will be depleted.

Me: Uh oh.

We went over.

Me: Whoa Spy Fox? I played your games all the time growing up when I was in Kindergarten. It's an honor.

Spy Fox: Pleasure to meet you J.D.

Monkeypenny: Same to you J.D.

Me: Same here Monkeypenny.

Spy Fox: The idea of eating dry breakfast cereal is pretty hard to swallow.

Me: Now it is worse than having oatmeal without milk. Really hurts your mouth.

Monkeypenny: Yes it does. Here's the only clue we have.

A picture of some feta cheese came up.

Spy Fox: Feta cheese. A low grade too.

Me: Out of all the cheese I like, Feta cheese is not one of them.

Monkeypenny: SPY operatives took that picture in the office of Mr. Howard Huge Heffer Udderly III.

Spy Fox: President and CEO of Amalgamated Moo Juice Incorporated.

Me: Whatever is going on with the dairy world is not good.

Spy Fox: No it's not. We presume he has valuable information on the dairy crisis. The only available picture of him is hidden in your mashed potatoes Spy Fox. Finding Udderly is your top priority.

Spy Fox pulled out a picture of Mr. Udderly getting into a car.

Spy Fox: He shouldn't be hard to spot.

Monkeypenny: The feta cheese samples found in Udderly's office have been traced back to the Island of Acidolphilus. Your plane will be flying over the island any minute now. I've already set up the mobile command center where you'll rendezvous with me and later on with Quack. The entrance code is in your fortune cookie.

Spy Fox took the cookie.

Monkeypenny: Any questions?

Spy Fox: No. I'm on my way.

Me: And we'll help too.

Monkeypenny: Good. Monkeypenny out.

Nico: Lets go!

POOF!

We were off to the island of Acidophilus.

We arrived.

Nico: Here we are.

Maria: Nico, which Gene Slammer do you think you'll meet on your next rescue?

Nico: Hoping to meet a Sonorosian Gene-Slammer next.

Ben: Echo Echo's kind next. Awesome.

Me: So it'll be a sound user next like Silver Banshee.

Nico: Yep.

Me: We're here.

We rendezvoused with Monkeypenny and she gave us Greek Money and we were given laser toothbrushes.

We went to the Feta Factory down by the docks.

Dark Spicer: I'll use Feralhound to sniff out clues.

Nico: Hmm. Lets see.

Nico then kicked the door to the factory in and we saw Mr. Udderly tied up and dangling over a pool of piranhas!

Nico: Uh oh.

Nico flew up and freed him.

Nico: There.

Mr. Udderly: Whew! You all saved me. Thank you all Team Loud Phoenix Storm and you too mister…

Spy Fox: Fox. Spy Fox. Routine rescue really. Now we need to get you to the Mobile Command Center for a debriefing.

Mr. Udderly: Good. I need to change my pants.

We went back to the Mobile Command Center.

Mr. Udderly: You got to stop him guys!

Firefly: Mind telling us what's going on?

Spy Fox: All right just calm down Mr. Udderly. Why don't you start at the beginning and tell us what happened.

Mr. Udderly: Well it all started as a typical day at the office. When you're as important as I am you're constantly fielding international cattle calls and reviewing grazing reports. Yep. You have to stay pretty sharp in the dairy biz. So when William the Kid's thugs made their appearance, I immediately snapped into action. There were dozens of them. I fought them hoof and nail. POW POW POW I did. My whole body is a weapon. Then suddenly, I smelled something revolting. It could only be one thing: FETA CHEESE! The stink was so overwhelming that I nearly passed out. Taking advantage of my momentary asphyxiation Kid's nappers jumped me and then forced me into a smelly dark bag They whisked me away to Kid's Secret Island Fortress. It was just so humiliating! Being bagged up like a piece of beef.

Me: But did you ever find out what William the Kid was planning?

Mr. Udderly: Well thanks to a little bovine ingenuity on my part (Pulls down a monitor and pulls out a remote) I picked a few things up. (CLICK) Kid's demented scheme for gaining worldwide domination is run by a front company called Nectar Of the Goats Corporation. He has a five-part masterplan.

First: Capture all the dairy cows in the world. As you know he's already done that.

Second: He build that Milky Weapon of Destruction inside his secret fortress.

Third: Use this Milky Weapon of Destruction to flood the Capitol with none-to-fresh dairy milk.

Fourth: Frame all the poor dairy cows for this heinous crime.

Fifth: Take over the entire dairy world.

We gasped in absolute shock and horror!

Nico: He's going to replace all the milk with goat milk!?

Me: That's insane!

Eli: Why that malevolent sack of rotten goat meat!

Laney: He has to be stopped!

Cow: The milk must be saved!

Chicken: Um… what Cow said.

Nico: Yeah.

Me: Goat's milk is much more fattening and loaded with more cholesterol than cows milk. Uh no offense.

Cow: None taken.

Mr. Udderly: None taken.

Me: William the Kid is gonna fatten everyone up.

Mr. Udderly: Everyone someone needs to find that secret fortress and disarm that Milky Weapon of Destruction.

Me: This is gonna be a challenge. But we can do it.

Mr. Udderly: Oh I almost forgot. When William the Kid's back was turned I swiped the secret code that turns the Milky Weapon of Destruction off.

Nico: Way to go.

Spy Fox: Where is it?

Mr. Udderly: Uhh well I had to swallow the code before I could read it so it wouldn't be discovered.

Me: Leave this to me. I'm going to look inside your 4 stomachs with my X-Ray vision and don't worry it's not going to hurt.

William: You ate the code?! That's… actually very clever.

Mr. Udderly: It was thank you.

Me: All right here we go.

I turned on my X-Ray vision and looked inside him and saw his 4 stomachs.

Me: Wow look at this.

I saw a wrench in his stomach.

Me: If I had a wrench in me I would retch.

Nico: He swallowed a wrench? Yuck.

I then saw a really broken alarm clock over his heart.

Me: His ticker looks like it needs winding.

I then found the note in the 2nd Stomach.

Me: There it is. Now we need to go find that punch card and insert it in the control panel for it.

Nico: Okay. And J.D. since you know what to do with Spy Fox you help him out.

Me: Right.

Professor Quack then came.

Prof. Quack: Good morning SPY Fox. And it's an honor to meet Team Loud Phoenix Storm.

Me: You too Professor Quack.

We then looked at the ingenious gadgets in the SPY Vending Machine. We then saw X-Ray Gum.

SPY Fox: X-Ray Gum.

Laney: How does that one work?

Prof. Quack: Ahh that's my new and improved BEEF Flavor X-Ray Gum.

He pulled out a blueprint.

Prof. Quack: I'll explain how it works. You take a stick out, put it up against something beefy, move it around and then you can see the yucky stuff inside. The best part is when you're done you can chew the gum. It actually has a very refreshing beefy flavor.

Spy Fox: You know four out of five dentists perfer X-Ray Gum for their patients who need X-Rays.

Laney: That's very clever. You can see inside cows without having to do surgery.

Lana: Yep.

He ate the blueprints.

Prof. Quack: A duck needs his fiber.

I pressed a button on the machine.

SPY Fox: What's in this egg-shaped container Professor Quack?

Prof. Quack: This is a little gadget I call the Spy Putty.

He pulled out a blueprint for it.

Prof. Quack: What you do is open the cute little Egg Container and spread the putty on to whatever you want to make a copy of. Press down and then peel the putty off. You have a perfect copy.

Me: That is clever.

Lana: Like with Silly Putty.

Prof. Quack: I know what you're thinking. You think that the Spy Putty looks a lot like that Silly Putty stuff they sell in toy stores. What you don't know is that I thought of it first.

He ate the plans.

Prof. Quack: Those duplicitous duplicators stole my idea!

Me: Don't you just hate it when that happens? People stealing your ideas even after you made them?

Nico: Yeah and we have had that happen many times before.

I got the Spy Putty ready for use.

Then I pushed a button and a Shoe came up? What the?

SPY Fox: It appears to be a shoe.

Nico: Is that really a gadget?

Prof. Quack: Ah that's the Night Vision Shoe, one of my most ingenious inventions.

He pulled out the blueprints for it.

Prof. Quack: If you happen to find yourself in a dark place, all you do is strap the shoe onto your head and then you can see in the dark.

Eli: That is amazing!

Me: This I got to see.

I took out the shoe and snapped my fingers and made it dark and I put the shoe on then I saw everything in the dark like with night vision binoculars.

Me: Wow! It works perfectly Professor. How cool is that.

I put the shoe back.

Spy Fox: How illuminating.

I turned the light back on.

Then Professor Quack ate the blueprints.

Prof. Quack. Yes and it has excellent arch support.

I pressed the button and it showed another invention.

SPY Fox: Mmm it looks like a delicious snack.

Me: It sure does but I know what that is. That's the Cheese and Safe Cracker Kit. I used it on Sheila's Ambassador Mission and it was really clever.

Prof. Quack: That is amazing. But let me show you how it all works.

He pulled out blueprints.

Prof. Quack: It will help you get into almost any safe in the world. I won't explain how it works because it's very scientific and complicated. Trust me when I say it works like a charm.

SPY Fox: And it tastes great in soup.

Me: I actually figured it out and it was really well created and very well made.

He ate the paper.

I went to another invention and it was a coin?

Me: It looks like a nickel.

SPY Fox: Is this coin really a SPY gadget Professor Quack?

Prof. Quack: Ah that's the SPY Trap.

He pulled out blueprints for it.

Prof. Quack: Let me explain how it works. It looks like an ordinary coin, like you might find in the street. But if you need to trap three or more bad guys, the coin explodes and a net shoots out. It traps the naughty Spy Enemies. Nice huh?

Lola: That is very cool.

SPY Fox: Heads I win. Tails they lose.

I pulled out the SPY Trap and it will be handy for this.

Then I pressed a button and cufflinks came.

SPY Fox: What handsome cufflinks. Are they a gadget as well Professor Quack?

Prof. Quack: Those are the Suction Cufflinks.

He pulled out blueprints for those.

Prof. Quack: I am very proud of them. They are tiny suction cups that allow you to climb across non-porous metal surfaces.

SPY Fox: The perfect fashion accessory for the well-dressed spy.

Leni: They are totes amazing.

Qin: It sure is.

We later got ready.

Nico: Now to get to that fortress.

Me: Just follow my lead guys. We have to figure out some puzzles and everything. Starting with the Cantina.

We went to the Cantina.

Bea Bear: Hi everyone. Welcome to the cantina. I'm Bea Bear.

Me: Pleasure to meet you Bea.

Bea Bear: If there's anything I can get you sugar, like for example sugar, you just let me know. All right?

Me: We will.

I saw a special chart for the week.

Sunday: Fat Free Egg Foo Not So Young (despite the name, there's a lot of fat in it which the Greek Cantina doesn't charge the customer for)

Monday: Bubble Gumbo

Tuesday: Squished Squid Day (squid squished with squash by being stacked under the world's most respected cookbooks and a hint of squirrel sauce is added)

Wednesday: Gelatin Fajitas

Thursday: Macrame and Cheese (Macrame and Yellow Coloured Paste as the Greek Cantina is out of real cheese)

Friday: Ham Boogers (hamburgers with pig snot as the sauce)

Saturday: Baba Ganoush Day

YUCK! VOMITVILLE ON A STICK!

Nico: Those specials you have here are unlike anything I knoe.

Bea Bear: Honey trust me you don't want to know what they are like.

Nico: Point taken.

I then saw something strange.

Me: "Chicken Knuckles To Go." What are those?

Bea Bear: Honey they are so bad that we're required by law to sell them to go. After you eat some you have to go if you know what I mean.

Me: I think I understand. I'll have one order of Chicken Knuckles to go.

She gave me some.

Bea Bear: It's your funeral honey.

Lana: I think those look good.

Laney: Yeah.

I gave her some money.

Me: Lets see.

I looked at some sauces. Starting with a pink bottle.

Me: "Beet Bliss. It Smells Funny."

Nico: Hmm.

I then looked at a teal green bottle.

Me: "Secret Sauce. May Cause Drowsiness in Alligators."

Nico: Better keep that stuff away from our friend Gretchen.

I then put some on the knuckles and we took the knuckles with us.

Later we went to a ship and we were told to get an invitation and we went over to a Trinket Stand and asked about the ship and it turns out the clerk has an invitation. We distracted him and I used the Spy Putty on it to make a copy of his invitation and I put it in my pocket. Then I used my powers to get the Sailor Steering Wheel he was trying to get down and I gave him the money. Then Spy Fox got the sailor hat. Later we went onto the ship. We then met Russian Blue.

Me: Hello there. You must be…

Russian Blue: (Russian Accent) Russian Blue. Noted socialite and attractive owner of the S.S. Deadweight.

Me: My name is J.D. Knudson, Former Leader of Team Loud Phoenix Storm and now Second in Command of the team and I say that it's an honor to make your acquaintance.

Russian Blue: Ah it is an honor J.D.

Me: Would you care to dance Ms. Blue?

Russian Blue: I would love to Mr. Knudson. But there is only one dance on this planet I will dance to and that is the Tango. I love the Tango.

Me: Ah you like Argentinian Dance Music. Very good tastes for such a beautiful flower from our friends in Russia.

Russian Blue: Indeed and thank you.

We later went back to the Mobile Command Center.

Spy Fox: Monkeypeny what can you tell us about this Russian Blue we met over on the S.S. Deadweight?

Monkeypenny: I'm glad you asked. (Lowers a monitor) Direct your attention to the screen. Here's what the SPY Corp Database has on her.

Name: Russian Blue. (Also goes by Ms. Blue, Old Blue and Kitty Kitty Kitty)

Occupation: Owner and operation of the S.S. Deadweight. Head of Public Relations with N.O.G., close associate of William the Kid and One Bad Kitty.

Known Felonies:

Indecent Tangoing (Acquited

Dancing with Intent to Tango (Acquitted)

Jay Tangoing (Acquitted)

Tangoing Out of Season (Acquitted)

Comments: Russian Blue is obviously in cahoots with William the Kid. She's not only really dangerous but she might be the perfect source of information regarding Kid's Whereabouts.

Eli: We should all keep an eye on her.

Me: But she would make a great member for the M.O.E. We already have one of our teammates on the waiting list for an archenemy that would be perfect for her.

Monkeypenny: I see.

Me: Anyway we better figure out more.

We met Sal in the bridge and then helped him end his shift and then we found out that there was a spot out at sea.

Maria: I don't see anything wrong with puzzles. They're actually very fun.

Me: Yeah but now comes the good part. We're going out to the spot where we need to check out in the sea.

We flew out to 45˚ Latitude and 85˚ Longitude and we saw an unusual pool of white water.

Me: A pool of white water? How weird.

I dipped my finger in it and sniffed it and tasted it and it was milk.

Me: Milk! None-to-fresh. Looks like we're going underwater for this one.

We dove into the sea and swam and then we came across a big door.

Me: A huge door. That must be the entrance into the fortress.

Nico: I'll do it.

Nico blasted the door open.

Me: Yeah!

We got into the entrance to the fortress.

Maria: It can't be that easy.

Me: It usually never is.

I went up to an electronic code panel.

Speaker: Welcome to William the Kid's Secret Volcano Fortress. Please insert the electronic code box and answer today's pass code phrase.

Me: The Camper's Sleeping Preference was Intense.

Speaker: This is correct. You may now enter the fortress at will. Have an even better day.

Me: Thank you very much.

May: The speaker's right. We HAVE been having a good day. And it's about to get even better.

Me: When we bring William the Kid down.

We went into the fortress. In order for us to blend in I snapped my fingers and we were wearing N.O.G. Jumpsuits. We then hid in a bunch of boxes and we saw William the Kid and he handed a piece of paper to Russian Blue and we later teleported and went into the office of William the Kid and I found the easel and drew on it with chalk and it revealed a clue:

MOANA GOATA

RED

GREEN

BLUE

William: What's the puzzle this time?

Me: Follow me.

We went to the locker room and then I pulled a knob and then an elevator came down and we went in and came up into an office. We then saw a bunch of paintings and then I went up to one.

Me: Moana Goata. This is it.

I pressed 3 buttons and it was a color coded locking mechanism. I pressed the code sequence and it opened a safe.

Nico: A secret wall safe!

Me: Just like during Sheila's ambassador mission.

I pulled out a Cheese & Safe Cracker kit and spread the cheese on and put crackers on and it revealed the combination: Left 1, Right 7, Left 4.

I entered the combination and it opened! It was a vault filled with punch cards.

Me: We're in!

Spy Fox: Way to go J.D.

Me: This one.

I picked the O Punch Card like in the code.

May: So far so good.

Me: Now to go to the control panel and shut it down.

We went to the Milky Weapon of Destruction control panel and then I pulled out the punch card.

Me: Here we go.

I inserted it and it was the right one and the button lit up and the control panel turned into a red disarm button.

Me: You mess with our milk and you mess with us.

I pressed the button and the weapon was disarmed!

Me: That did it! We saved the world from a foul and stinky fate. Now we need to bring that billygoat to justice.

Maria: Where is he?

Me: He's making a getaway on his blimp. Follow me.

We went to a billboard and opened a door and we flew over and went across a river and into a room and we then saw the Dairy Cows.

Me: It's the cows.

Spy Fox: Hang on everyone.

We pushed the lever and freed them. But then we heard a blimp and on a video screen was William.

William the Kid: You think you've won Team Loud Phoenix Storm but you're wrong. Go ahead. Free the cows this time. But I'll be back to milk the world yet again! (EVIL LAUGHTER)

He was getting away.

Spy Fox: Not so fast kid! The last thing the world needs is another escaped goat!

Me: After him!

We went after him!

We flew after him and then went for his blimp.

We landed on William the Kid's blimp.

Me: Now we have to send him to prison. But since nobody got hurt he would make a great addition to the M.O.E.

Nico: Good thinking. We'll send him to the M.O.E. Prison.

Me: Good. Vypra opened up a one way portal into the prison. We just need to get the blimp over to these coordinates: 18"W and 04˚ South.

Nico: Okay.

We went to the front of the blimp and we rigged an Ejection Seat that was powered by a toaster and then we programmed a robot pilot.

William The Kid: What's going on!? The blimp is changing course!

Spy Fox: Sorry Kid but we have a little errand we need to run.

William the Kid: What!? Team Loud Phoenix Storm!? I'm really getting tired of your meddling in my dairy domination plans.

Me: We do have a reputation like that.

Nico: For your information, we DID free the cows. But we're gonna make sure you don't try this again.

Spy Fox: And we just thought we toast your accomplishment before you go.

We waved goodbye.

William the Kid: Go? What do you mean by that?

Suddenly…

BOING!

HE WAS CATAPULTED RIGHT OUT OF THE BLIMP!

William the Kid: NNNNOOOOOOOOOOOOOOO!

We teleported out and flew into the air and William flew through the portal and into a cell of the M.O.E. Prison.

Me: Well that's it for him.

Dark Spicer: Yep. William is now locked up for good.

William the Kid: I would have gotten away with my evil plan if it weren't for that pesky Team Loud Phoenix Storm!

He then saw us and growled in rage!

William the Kid: (ENRAGED) TEAM LOUD PHOENIX STORM! (SHAKING HIS FIST) YOU'LL PAY FOR THIS! I'LL BE BACK! NO

JAIL CAN HOLD WILLIAM THE KID!

The portal closed and William knew he was gonna be in the Masters Of Evil Prison for a very long time.

LATER THAT DAY

---

Walter Wireless: Walter Wireless here with our top story. SPY Fox, The Masters of Evil and Team Loud Phoenix Storm all have saved the dairy-starved nations of the world from a near disastrous milk shortage. Today at the Capitol, the President is honoring SPY Fox as the nation's new hero along with Team Loud Phoenix Storm and the Masters of Evil. We now go live to the Presidential Press Room where the ceremony is already in progress.

President of the United States: For outstanding heroism and suaveness in the face of udder dairy chaos, and for bringing the nefarious William the Kid to justice, I award you SPY Fox and all of Team Loud Phoenix Storm and the Masters of Evil our nations highest honor. May I present you with the Big-Daddy Congressional Cookie of Justice.

Me: Thank you very much Mr. President.

Nico: It was an honor.

SPY Fox: Why thank you Mr. President. It was a routine mission really.

Nico: We were just doing what we like to do best and that is face bad guys.

President of The United States: Three Cheers for Team Loud Phoenix Storm, The Masters of Evil and SPY Fox!

We smiled and we were happy and cameras were flashing all over.

SPY Fox: We got our cookies.

Me and SPY Fox: Has anyone got milk?

Our team had done it. We were glad that the worlds milk was saved and William the Kid was behind bars. It was awesome. And NO ONE will eat dry cereal on our watch.

THE END

---

Another awesome adventure done.

Spy Fox is one of my favorite games from my childhood and it was so awesome that I got to learn so much from it. But it was mostly for those that were in 6th Grade and it was awesome. But it was terrible that William the Kid was going to replace all the world's milk with Goat's Milk. Not good! But it was awesome how we stopped him. You'll expect to see many more adventures with Spy Fox in the future. It was so awesome though. I had lots of games on the computer back when I was a kid and it was so awesome. Humongous Entertainment made great games and they will always be part of our youth and childhood in making us smart and imaginative. Very educational too. The first part of the chapter was for the awesome Popeye episode Popeye Meets Ali Baba's Forty Thieves and that is one of my favorite cartoons from my childhood and it was awesome. The second part was for the Scooby Doo episode called Don't Go Near The Fortress of Fear and that was a cool one where the gang all went to Puerto Rico. It was great. The opening where Lucy Loud got The Dreaded Nolox was based on the episode of AAAHH! REAL MONSTERS called Krumm Gets The Dreaded Nolox and that was a crazy one! Krumm got nasty hiccoughs that made him retch out all kinds of junk and Oblina and Ickis were up for days to the point of going crazy! That episode aired on September 23rd, 1995 and it was funny! NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, XP4Universe, Darkhai, vinjedi1995, Drako1234658, Nflemingful, Etstheclarencefan and ninjakingofhearts gave me the ideas for this and so did the guest reviewer. Nico's next rescue is gonna be in the Digital World and me, Nico and Musa are going there to face Devimon who has returned from the dead to get revenge against Nico. Now Nico has a score to settle with the very Digimon that has caused the Digimon numerous problems in the past. NOW It's personal for Nico as he and Devimon have a score to settle. And they will also meet a Sonorosian Gene-Slammer named Rhonda LaBouche and she is from France and has a lot of awesome FIRE powers because she has the Mark of Scath emblazoned in the Middle of her Forehead. Like Slade did she too has all of his powers and more. But her powers are 100 quadrillion times much stronger than Slade's. She is also from Nico's history class and she knows so much about all of France's history. The next rescue for Lincoln is gonna be in the world of Dragonball Z and we're gonna go to Colm's fishing village and we're going to face an evil version of Aquamaria and we're going to also help Colm fly like Pan promised. And we're going to meet a Firebird Gene-Sammer named Catherine Iroh Lan Kai and she is a powerful Firebender too. She will reveal one of the biggest secrets EVER about Flip and why he should have gotten the chair 100-fold instead of being humiliated. Speaking of which. Get ready for another hilarious bout of laughter before we go to Charlie Brown's home to help him and we're going to humiliate Flip, Lewis Travolta, Billy McLean, Amy and Icky Vicky in one of the most hilarious humiliations EVER!

See you all tomorrow and hold on to your sides for it.

# AWESOME HUMILIATIONS OF LAUGHTER

HOLD ON TO YOUR SIDES FOR SOME FUNNY SHENANIGANS

---

Flying over the oceans of the Digital World was Nico and Musa and they were heading over to File Island.

Nico: Thanks for coming with me, Musa.

Musa: Not a problem Nico. So what is going on in File Island this time?

Nico: Well my old enemy Devimon has been causing a lot of problems. But I have had it with him and I'm not going to put up with him anymore. Devimon has tormented the Digidestined and the Digital World for far too long.

Musa: Yeah he has.

Nico: But mostly he tormented me. It was because of him that I killed Ken in the first place and my darkness in my life was made by him. But now no more.

Musa: I can tell he has hurt so many people.

Nico: Yeah. But I will not let history repeat itself.

Musa: I won't either.

Nico: Oh, and let's not forget that he made an appearence while J.D. and Zarya were away.

Musa: How can I forget that? That was intense. What Devimon did was horrible.

Nico: "Horrible" is just scratching the surface.

Nico went over his history one last time.

---

Devimon, known as Darkmon in Japanese version, is one of the main antagonists in the Digimon universe. He serves as the main antagonist for the first twelve episodes in the Digimon Adventure anime, and serves as the first main antagonist in the 2020 reboot of Digimon Adventure, as leader of the Dark Digimon. Devimon is also a minor antagonist in Digimon Adventure 02 and Digimon Fusion. Devimon is a Champion Digimon, although a very powerful one, rivaled only by Angemon.

Digimon Adventure 01

Devimon discovered the Black Gears and implanted them in good Digimon to turn them evil. Victims included Meramon, Andromon, Monzaemon, Unimon, Frigimon, Mojyamon, Centarumon, Whamon, and Drimogemon. The most notable of his victims was Leomon; while Leomon and Ogremon were fighting, Devimon commanded them to work for him. It took little convincing to get Ogremon on his side; however, Leomon was a good Digimon so he refused to work for Devimon and attacked him, until Devimon used the Touch of Evil to brainwash Leomon, turning him evil.

As the Digidestined were inside the imaginary hotel (created by Devimon), Devimon prepares his henchmen to attack the Digidestined. Tai and Agumon were eventually cornered by Ogremon and the brainwashed Leomon, and also confronted by Devimon. Devimon used his power to break File Island apart and scatter it all over the sea. The brainwashed Leomon attempts to take Tai out, but a Digivice fell and flashed at Leomon, managing to free him from Devimon's control. Devimon tries to send the Digidestined and their Digimon to their doom, but Leomon attacks Devimon, saving them from their deaths. While Leomon helps Tai and Agumon escape from Devimon, the demon brainwashes Leomon again. After fighting off several Digimon, most of them victims of the Black Gears, the Digidestined (minus Joe and Sora) fought Leomon at Primary Village, where Leomon was attacked by more Black Gears, making him bigger and stronger. But they drove all the evil out with their Digivices. Leomon told them that the only way to restore File Island to normal was to defeat Devimon.

Naturally, the Digidestined chose to attack him. Back at his secret Castle atop Infinity Mountain, Devimon absorbed Ogremon and all the Black Gears, transforming into a much bigger form. Although they were able to get some shots in, Devimon gained the advantage over all of them, using powers of pure evil. Leomon was sent flying far away by Ogremon, who kept on jumping out of Devimon's chest. Devimon eventually turned to TK, whose Digimon Patamon had not participated in the fight due to his inability to Digivolve.

It was said that the smallest Digidestined would destroy him, so Devimon tried to crush TK but Patamon jumped in front of him and was caught in Devimon's fist. However, it was at that moment that Patamon Digivolved into Angemon. In the classic angel vs devil battle, Angemon knocked Ogremon out of Devimon and put all his power into a Hand of Fate attack, which he used to destroy Devimon. As he was dying, he warns Angemon that more evil is everywhere and laughs one last time. Angemon was destroyed as well, but was reborn as a Digi-egg. The next time he became Angemon again was to fight the even more sinister Myotismon.

Digimon Adventure 02

When the Digimon Emperor extracts DNA from Digimon to make Kimeramon, he enters the Dark Whirlpool, where he finds the broken remains of Devimon (who is said to have created the Whirlpool) and absorbs him, ignoring his warning that he cannot control the power of darkness. The Dark Whirlpool is believed to be caused by Devimon. Devimon's voice continues to taunt the Digimon Emperor, and his influence causes Kimeramon to rebel against him, but he is once again destroyed when Magnamon obliterates Kimeramon.

The exact nature of his reappearance is unclear. It could be that, like Wizardmon and Myotismon, he became a ghost after his death and haunted the ocean, creating the whirlpool via the powers of darkness. It is also possible that the Dark Whirlpool leads to the Dark Area (Digimon hell), and Devimon somehow opened the portal from within (supported by the ghostly apparitions appearing in the whirlpool).

When he was done Musa was shocked.

Nico: Yeah and I will not let Devimon hurt anyone ever again.

Musa: I won't be surprised.

Nico: Also, today will be another round of humiliations. So, is it okay if we do today's entrance now?

Musa: Lets do it!

They flew and arrived at Infinity Mountain and then went up and they got to Devimon's Castle.

Devimon: Soon the world will tremble before me.

But then the spirits of The Sovereigns, The Titans of The Elements and the Digimon appeared and swirled around Devimon. Then they flew around him and then converged and then…

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted through his castle and then a phoenix cry was heard and Nico and Musa came in.

Nico: Devimon!

Devimon: Nico Chan!

Nico: I've had it with you Devimon! This time you die for good!

Musa: You will pay for everything you have done to Nico!

Nico: Oh, and thanks for bringing your Dark Masters to us. They've been reall great pals.

Devimon: Glad you are amused with them.

Nico: It was because of you that I was poisoned with sadness, guilt and depression and you drove me into committing murder when I killed Ken Ichijouji when he was brainwashed. But you are the last piece of my dark past that I will destroy for good. You have hurt me and the Digimon of the Digital World for the last time!

Nico then went SUPER SAIYAN 5!

Musa: NO MORE DEVIMON! NO MORE LIVES WILL BE DESTROYED BY YOUR HATRED!

Devimon: So, you want this to be our final battle? Come at me then!

Nico: I swore that I would finish you for good if I ever saw you again and now…

(REQUIEM FOR A DREAM PLAYS)

Nico: (FLARES UP AURA WITH UNBELIEVABLE FORCE) I WILL MAKE SURE YOU NEVER TORMENT ANOTHER INNOCENT SOUL AGAIN!

Nico fired massive numbers of energy balls and they were scattered all around Devimon and he had them converged at him and the balls all hit Devimon and exploded with incredible power!

EXTREMELY MASSIVE EXPLOSION!

The explosion hurt him badly and then he came out and went at Nico and Nico went at Devimon and they really went at each other and Nico kicked him in the face and teleported and kicked him in the back and then Nico pinned him to the ground and then grabbed Devimon's wings and then ripped them clear off his shoulders! DEVIMON SCREAMED IN EXCRUCIATING PAIN!

Musa: JEEZ!

Nico: You wanna get some hits in, Musa? Don't want to make you feel left out.

Musa: Count me in! SONIC FURY!

She fired a sonic blast and it hit Devimon and he screamed in pain.

Nico teleported back. But then suddenly a powerful sonic blast hit

Devimon and he screamed in excruciating pain as he was being hit by it.

Nico: Nice job Musa!

Musa: I didn't do that.

?: That was from me.

They saw a Sonorosian!

Nico: A Sonorosian!

It changed and it became a girl with black hair and red clothes and she had The Mark of Scath emblazoned in the middle of her forehead!

Nico: I knew it was you Rhonda LaBouche.

Rhonda LaBouche: Awesome to see you again Nico and it's awesome to meet you Musa.

Musa: Wow you too.

Rhonda fired a massive blast of fire at Devimon and it hit him and exploded with incredible power!

Nico: WHOA! Rhonda that is intense!

Musa: What's your favorite memory of Nico?

Rhonda LaBouche: I have so many. But my favorite would have to be in wood shop. Me and Nico did a REALLY Impossible challenge.

Nico: I remember that. We put together an entire log mansion up in Montana in under a week.

Musa: Wow!

Nico: Yep. But now to finish Devimon for good.

Nico had the 7 Dragonballs on his bracelet glow red and it fired beams of red energy and they formed into a huge and massive energy ball and Nico condensed it to his size.

Nico: This energy ball is the combination of ALL of your dark deeds Devimon and all the dark deeds of your followers. Now I'm going to make sure it is all turned against you. NEGATIVE KARMA BALL!

Nico fired the ball and it slammed into Devimon and carried him far out into space where it exploded harmlessly!

**EXTREMELY MASSIVE AND UNBELIEVABLY INCREDIBLE EXPLOSION!**

The explosion completely obliterated Devimon in an instant and he was destroyed!

Rhonda LaBouche: WHOA!

Musa: Incredible!

When the smoke cleared, Nico's blast had ultimately done the trick! But then Devimon's evil spirit appeared.

Musa: You have tormented Nico for far too long Devimon!

Nico Super Hakaied him.

Nico: At last. It's over.

Rhonda and Nico then hugged.

Nico: I really missed you.

Rhonda LaBouche: Me too Nico. Me too.

Musa: How did you get the Mark of Scath Emblazoned on your forehead?

Rhonda LaBouche: Well that was a strange story. I was originally one of Trigon's followers and the strange part is that like Slade, I was originally his servant and I was told to find Raven and bring her to him. But I betrayed him and left him. He was infuriated about that. But I got these awesome powers as a parting gift from him.

Nico: Yeah.

Musa: Wow! A servant that didn't want to work with him.

Nico: Awesome.

They later went home and they told us everything about it and it was awesome.

After Nico's rescue, Lincoln, Nico, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, The Z-Fighters, Maria, Carol, and Irma Lair are heading to Colm's fishing village, and not only is Lincoln going to rescue the eight girls there, along with a Firebird Gene-Slammer, but we're also going to help Colm fly just like Pan promised.

And there's a reason why Lincoln also asked Maria and Carol to come: we also got word that an evil version of Aquamaria is here, and she's causing havoc there.

Lincoln: Wow, we're at Colm's fishing village, and I know what we're going to do here, not only am I going to rescue the eight girls there, along with a Firebird Gene-Slammer, but we're also going to help Colm fly just like Pan promised.

Pan: That's right, Lincoln. I did promise Colm that one day I'd teach him how to fly, and now, we're going to do just that.

Lincoln: And there's also a reason why I also asked Maria and Carol to come: we also got word that an evil version of Aquamaria is here, and she's causing havoc.

Carol: That's not good, we need to stop her.

Maria: But, unlike Oceanus Shenron who hid her true nature from the villagers, the evil version of Aquamaria can't hide her true nature, because like the Dark Sides and the evil versions of those we've met, they have red eyes filled with hatred and insanity.

Lincoln: Along with a black energy aura surrounding them.

Me: That's right, big guy.

Lincoln: And I want to also thank you for joining us on the rescue, Irma.

Irma Lair: You're welcome, Lincoln. But, I also can't help but get the feeling that the Firebird Gene-Slammer has another nasty secret about Flip that she's going to reveal to us later, and she also has a secret and it involves Zuko's uncle, Iroh.

Lincoln: We'll know soon enough. We're here.

We arrived at Colm's fishing village, and it was amazing. Then, we saw who we were sent to find: Colm, the boy who saw through Oceanus Shenron's deception long ago.

Pan: Hello down there!

Colm: Pan, you've made it. And you've also brought Team Loud Phoenix Storm with you, it's great to see you all again.

Lincoln: You too, Colm. So, are you ready to learn how to fly?

Colm: Of course.

We then got started as Pan demonstrated how to fly by concentrating her energy, and then, she was in the air. Colm did the same thing as he concentrated his energy, and then, he was in the air.

Nico: Alright, you did it, Colm.

Colm: Wow, this is amazing.

Lincoln: Awesome work, Colm.

Suddenly, Colm felt a sharp pain on his back, and then, yellow angel wings sprouted out from his back, and we were amazed.

Lincoln: And you now have angel wings, awesome. Now, we'll teach you how to fly with angel wings.

Lincoln spread his massive deep sapphire blue angel wings, and took off into the air with incredible superhuman speed, and he was flying really high into the air. Colm eventually got the hang of flying in the air with angel wings, and we cheered for him, and they landed.

Nico: Alright, now you've learned how to fly by using your energy and you also now have angel wings, an awesome two-for-one.

Lincoln: And many of us also learned how to fly by using our energy, along with using our angel wings, so in a way, we also got the same two-for-one deal.

?: HELP!

Suddenly, Lincoln heard the sound of eight girls calling for help. With his deep sapphire blue cyborg eyes and superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the eight girls, but they've been cornered by the evil version of Aquamaria, and she's going to kill them.

Lincoln: Guys, I found the eight girls, but they've been cornered by the evil version of Aquamaria, and she's going to kill them.

?: She needs to be stopped now.

Then, we saw the Firebird Duel Monster appear before us.

Lincoln: That voice, I knew it was you, Catherine Iroh Lan Kai, but we'll have to talk later.

We rushed on over, and Lincoln fired powerful blasts of rainbow fire, which hits Evil Aquamaria, and it allowed the eight girls to get to safety. When Evil Aquamaria saw us, she flew into a rage, but she really flew into a rage when she saw Maria and Carol here, along with Arixam, who came out, and in her rage, Evil Aquamaria fired a blast of water to kill them, but Lincoln absorbed the blast of water into his body, as he spreads his massive deep sapphire blue angel wings, and his aura flared up and he gained a power boost.

Lincoln: Now, I know you're nothing like the Maria we know, the real Maria wouldn't attack Carol, the girl who's known her since they were kids. You are a villain in Aquamaria's skin, and you need to be stopped once and for all!

Lincoln unholstered his improved massive Sword of Universal Hope and Elemental Bravery from his wider and muscular back and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, The TLPS Bad Guys Gang transformed into their Super Angel Infinity forms and unholster their massive swords, Lincoln's sisters transformed into their Super Angel Infinity forms and unholster their massive swords from their backs, Lincoln's harem unholster their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark Compassion and Demonic Justice, and he unholstered his massive Sparda's Demon Fang of The Demon Hound sword from his wider and more muscular back, Carol, Maria, Irma Lair, and The Z-Fighters transformed and got out their swords, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their swords, Hector got out his massive Heaven's Maw of Judgement sasumata pike, and Me, Nico, Eli, and Nicole also unholstered our massive swords and transformed, and we went at Evil Aquamaria, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time Energy, Gravity, and Magic, stars, rainbow flames, rainbow crystals, orange flames, blue flames, ice, and green flames, and they exploded with incredible power as they hit her.

Then, Lincoln sprouted his eleven massive, powerful, and long deep sapphire blue with black wolf heads, and sent them at Evil Aquamaria, and they bit her in her arms, legs, shoulders, and stomach, and we saw the wolf heads slowly draining, siphoning, and sucking out all of Evil Aquamaria's water powers, and we saw the energy visibly flowing down from their heads and necks and into Lincoln, as his rainbow energy aura with elemental forces was flaring up even more, as he gained an immense power and energy boost, and he made Evil Aquamaria's powers his own, and we also assimilated her powers, and we saw that she was made human again.

Then, Lincoln had her tied up in a rainbow energy straitjacket and rainbow energy chains, so that she can't escape, and he beamed her to The Masters of Evil's prison, where she'll remain there for a long time. We cheered wildly as we holster our weapons and power down.

Lincoln: That's it for that evil version of Aquamaria. (To Catherine Iroh Lan Kai) And it's so good to see you again, Catherine.

Catherine Iroh Lan Kai: (Taiwanese Accent) You too, Lincoln, it's been a long time.

They went up to each other and they hugged, and Catherine Iroh Lan Kai was very surprised at just how much taller and much more muscular Lincoln's gotten since she last saw him.

Lincoln: It sure has been a long time, I haven't seen you when you were twelve, and as you can see, I have grown a lot since then.

Catherine Iroh Lan Kai: (Taiwanese Accent) Whoa, you sure have, you've really grown a lot from the eleven-year-old cute little boy into a 17-year-old 7'0" tall and very handsome and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, that's so awesome.

Nico: Wow, Lincoln, you know her?

Lincoln: Yeah, I do, Nico. This is Catherine Iroh Lan Kai, she's from Taiwan, and she, like Evelyn Zuckerberg, is a Firebender, and get ready for this one: I also found out that she's the illegitimate and biological daughter of Zuko's uncle, Iroh, and her Firebending is 150,000 times more powerful than that of Ozai when he was enhanced by Sozin's Comet. She also has the ability to fly with angel wings made of pure fire and is also capable of burning entire houses to the ground with a powerful blast. She is easily the strongest out of all of my Guardian Angels, and she's known for leaving her mark on numerous criminals all over the world with her powers.

We gasped at the revelation.

Me: (Amazed) No way, so she's the illegitimate biological daughter of Iroh?! That's incredible!

Nico: (Amazed) Wait until Iroh, Zuko, Azula, Ty Lee, and Mai find out about this.

Catherine Iroh Lan Kai: (Taiwanese Accent) It'll be great to see my father and my cousins again, and I already know that the war is over, and Ozai's in prison for life, I never did like that monster. And I've also got one of the biggest secrets EVER to reveal about Flip, and why he should've gotten the chair 100-fold instead of being humiliated.

Lincoln: We'll wait to hear about that later. Let's get you back to normal, Catherine. Boys, you know the drill.

Me, Nico, Eli, and the rest of the boys covered our eyes as Lincoln snapped his fingers, and Catherine was reverting back to normal. Catherine Iroh Lan Kai is a beautiful 17-year-old girl with long crimson red hair going to the upper part of her back, red eyes and she also has the symbol of the Fire Nation emblazoned, fair skin, she's 6'5" in height, she had the body of a goddess, and she has massive red angel wings, as she reigned in the power of the Firebird.

Lincoln: How do you feel, Catherine?

Catherine Iroh Lan Kai: (Taiwanese Accent) Good (Realizes she's in her birthday suit) But, I'm also in my birthday suit.

Lincoln gave Catherine Iroh Lan Kai her new wardrobe, a short-sleeved red blouse with the symbol of the Fire Nation on it and a short-sleeved red shirt with a red phoenix on it, red skirt with the Firebird on it, red pants, red sneakers, and a long red sleeveless trenchcoat with firebirds and flames on the coattails and on the back is the Firebird, and on her back is a large Firebird-themed sword with a 6'5" massive, wide, double-edged, man-sized red blade with the Firebird etched on it, the Firebird's wings for the crossguard, large red gem for the hilt, longer black handle, and a large red gem surrounded by angel wings for the pommel.

Catherine Iroh Lan Kai: (Taiwanese Accent) Wow, I love the new outfit and sword you made for me, Lincoln.

Suddenly, a Thunderbird Necklace of Eternal Love appeared on Catherine Iroh Lan Kai's neck with red gems on the gold lightning bolts and red crystals links from her new Crystal Necklace of the Buddha, which merged with her Thunderbird Necklace of Eternal Love.

Catherine Iroh Lan Kai: (Taiwanese Accent) (Surprised) Whoa, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love, which means you're now part of my harem and my many future wives, Catherine.

Catherine Iroh Lan Kai had a smile on her face and tears coming from her eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around her waist and he leaned down and he kissed her on the lips, and she returned it, and we cheered for them. Then, we went up to the eight girls here, and when Lincoln saw them, he immediately recognized them. The eight girls are Yuufa, Judia, Maaya, and Takius from Ragnarok: The Animation, Hilia, Ixia Jun, Roxie, and Ryunmei Ranka from Slap Up Party: Arad Senki.

Lincoln: Oh wow, it's Yuufa, Judia, Maaya, Takius, Hilia, Ixia Jun, Roxie, and Ryunmei Ranka.

Nicole: From Ragnarock: The Animation and Slap Up Party: Arad Senki, awesome.

Lincoln: Are you girls okay?

Yuufa: Yes, we're okay, thanks to you.

Then, when Yuufa and the other seven girls saw who it was that saved them from Evil Aquamaria, their faces turned atomic red upon seeing the 17-year-old 7'0" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide right pec and it was surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top was the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, and Buffalo, and below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, and The Thirteen Elemental Forces, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and a Mark of Manhood tattoo of a bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

He had his massive Sword of Universal Hope and Elemental

Bravery holstered on his wider and muscular back, his orange Crystal Saber holstered on his left hip and his Eater of Sins revolver holstered on his right hip, the Pisces the Fish constellation and Aquarius Zodiac sign on the back of his neck and the Cygnus the Swan constellation on the back of his massive left hand, large weighted orange bands on his massive biceps and thighs with silver phoenixes on them, his large gold Cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, massive and indestructible deep sapphire blue angel wings and the stars and blue nebulae reflecting on them with rainbow tips on the large deep sapphire blue feathers, and he was dressed in an orange version of He Man 2002's loincloth with hanging silver lightning bolts and long orange trenchcoat coattails with elemental forces, Thunderbirds, Phoenixes, and Buffalo on them and with hanging mini silver lightning bolts held up by his large gold Belt of Elemental Bravery with large orange gem for the belt buckle on his waist, a pair of large blue pants with multicolored lightning bolts on the thighs with the orange kanjis "Savior of The Loud House, Powerful Student of Many Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of The Thunderbird, and The Unifier of The Three Kingdoms" on the left legs, and large white leather combat boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and armor on the toe area, silver Buffalo head stud earrings with the Thunderbird and Eternity Kanji on it, a large Thunderbird Necklace of Eternal Love with colored gems on the gold lightning bolts with a large deep sapphire blue gem in the shape of a Thunderbird on top of a silver Buffalo head with the Thunderbird and Eternity Kanji on his neck and across his bare chest, large fingerless orange gloves with the symbol of The Loud House on it and surrounded in a diamond formation are a Phoenix, Thunderbird, Buffalo, and Angel, a large Orange Buffalo Animal Spirit Ring on his left ring finger, large Blue Lantern ring on his right ring finger, he had eight large orange orbs orbiting around his legs, and circling around his feet on the floor are eight golden crosses with angelic runes.

Yuufa: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made seven clones of himself, and he and the seven girls went up to the girls, and picked them up and hugged them in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrap their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Yuufa: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, eight Thunderbird Necklaces of Eternal Love appeared on the necks of Yuufa, Judia, Maaya, Takius, Hilia, Ixia Jun, Roxie, and Ryunmei Ranka with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha. We return to the Estate, and we told everyone what'd happened, and they were shocked when they found out the villain we went after was an evil version of Aquamaria, and the Firebird Gene-Slammer, Catherine Iroh Lan Kai, is also the illegitimate biological daughter of Iroh.

But, when Lincoln showed everyone what we did to Evil Aquamaria, they cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Catherine Iroh Lan Kai now have a lot of catching up to do, now that she's back, and she's been reunited with Iroh, Zuko, Azula, Ty Lee, and Mai.

---

After stopping Evil Aquamaria and throwing her in prison, we were training intensely in the gym, this time, doing 150,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Catherine Iroh Lan Kai saw Lincoln working out like crazy, she had an atomic red blush on her face.

Catherine Iroh Lan Kai: (Taiwanese Accent) Whoa, Lincoln's really grown to be a 17-year-old 7'0" tall, really big, and really strong man, just look at those abnormally massive and powerful muscles hard at work, and to work out with those 9,500-lb barbells and not even get tired, incredible.

Lincoln: And I've also trained a lot under some very powerful teachers, J.D. and Nico included, Catherine, and now, I can also fight and defend myself.

Catherine Iroh Lan Kai: (Taiwanese Accent) That's incredible.

Nico: It sure is, Catherine. So, what's this about the biggest secret ever about Flip, and why he should've gotten the chair 100-fold instead of being humiliated?

Catherine Iroh Lan Kai: (Taiwanese Accent) You won't like it, Nico, along with the rest of you. I was approached by the Royal Woods Police Department, and I was asked to go undercover and find out what Flip's up to. I agreed to the task, and they knew of my reputation for leaving my mark on the numerous criminals all over the world with my powers, and that I'm easily the strongest out of all of Lincoln's Guardian Angels. I infiltrated Flip's Food and Fuel, and in the shadows, I found out that Flip was the one who hired Daniel Day Monroe all those years ago to kill Samuel Loud on that Halloween, so he could get his hands on the money that Samuel Loud had hidden in his house. This horrified me, and I realized that if I showed this to Lynn Sr., he'll go ballistic and rip Flip to shreds. But, I relented, and I called the cops and the FBI, and they busted in to take Flip into custody. But, Flip got away and he swore that whoever ratted him out is going to pay.

We gasped in shock and horror, including Lynn Sr. and Samuel Loud.

Lincoln: I can't believe it, so that cheapskate was the one who hired Daniel Day Monroe to kill our Grandpa Samuel, so he could get his hands on money that he had hidden in his house.

Me: That miserable, cheap, greedy, mutant asshole!

Lynn Sr.: So, it wasn't just that asshole, Daniel Monroe, but it was also Flip, (Getting Angry) he also did this?! That mutant's getting no mercy from me, forget about putting him in the chair, I'll send his lard ass to Oblivion!

Lincoln had to restrain his Dad by holding him in a tight bearhug.

Lincoln: Whoa, Dad, take it easy. It's okay, it's okay.

Then, Lynn Sr. broke down in his son's arms, and he hugged him, and Lincoln continued to hug Lynn. Sr.

Me: (Sadly) Mr. Lynn.

We all went up to Lynn Sr. and we hugged him, as he continued to cry, and we also shed tears for him and Samuel Loud. After a few minutes, Lynn Sr. recovered, and he's alright, and we continued our workouts.

Lincoln: Flip's not getting away with this, and since today's the humiliation session, we're going to tell Flip off big time, and Dad's going to let years of pain and anguish loose on him big time.

Lynn Sr.: That's right, champ. I'm not letting that mutant get away with this any longer, he's pissed us off for the last time!

Rita: What he did proves that he's a scum-sucking mutant cheapskate who has no place in society, and should've gotten the chair, but since Michigan abolished the Death Penalty two centuries ago, getting humiliated for the rest of his life is a better punishment.

Lincoln: You said it, Mom.

We then got a shower afterward, but then, the alarm sounded, and Lincoln checked it out, and he'd found out that Chin Taimei is causing havoc.

Lincoln: Oh no, Chin Taimei's here and he's causing havoc. But, out of all the Shadow Warriors, he's among those who has honor, so he's getting thrown in prison. Let's head down there, and stop him.

But, before we could head out there to stop Chin Taimei, Lincoln's deep sapphire blue eyes glowed even more, as he sensed a dark energy signal, and he saw a vision of who that dark energy signal belonged to, it was Master Kohga, the leader of the Yiga Clan and the most loyal follower of Calamity Ganon, and he wants revenge on us for killing Ganondorf long ago. When we saw that, it definitely

meant trouble.

Nico: Uh oh, Lincoln, trouble?

Lincoln: Afraid so, Nico, and we're not going to like this guy one bit: the figure I saw is Master Kohga, the leader of the Yiga Clan and Ganondorf's most loyal follower, and he's heading here to get revenge on us for destroying Ganondorf.

We gasped in shock.

Me: It's been a year since any of Ganondorf's followers have shown up.

Dawkins Dalmatian: (British Accent) Ever since our other siblings dealt with them last year before the battle against Team Dark Phoenix Storm, they must've gone into hiding. And now that the threat of Team Dark Phoenix Storm is gone, they've come out again to seek revenge.

Sonic the Hedgehog: But, we're not going to let that happen. We've got to stop him, along with Chin Taimei.

Suddenly, Sonic the Hedgehog's massive Defender of Mobius sword and his sword from the world of Camelot he traveled to, Caliburn, unholstered themselves from his back, and they began merging together, and they were surrounded by a kaleidoscope of blue energy, chaos energy, light, winds, and hedgehogs, and when the new blade emerged, it was transformed into Susanoo's Hurricane Sword of Chivalrous Mobian Justice, it's a new large sword with a 6'9" massive, wide, double-edged, man-sized silver blade with the image of Susanoo, the Japanese God of storms, large blue dragon heads with red gems for eyes for the crossguard, large red gem for the hilt, longer black handle, and four large blue dragon heads with red gems for the eyes and red gems in their open mouths for the pommel.

Nico: (Stunned) Whoa, now that's one awesome looking sword.

Lincoln 2: I knew that blade looked familiar. Sonic, that new large sword you see before you is known as Susanoo's Hurricane Sword of Chivalrous Mobian Justice, this brand-new blade's the result of your massive Defender of Mobius sword merging together with your sword from the world of Camelot you went to long ago, Caliburn.

Eli: Incredible.

Suddenly, the sword called out to Sonic the Hedgehog, and he grabbed the new large blade's longer black handle. Then, we saw something happen: Sonic the Hedgehog's green eyes glowed a brighter green. Suddenly, we saw Sonic the Hedgehog grow to 7'0" in height, and we saw all his upper and lower body muscles growing abnormally massive and powerful at a very incredible rate, and we saw that Shadow the Hedgehog now has powerful upper and lower body muscles and eight-pack abs. When we saw what happened to Sonic the Hedgehog, we were really stunned, Sonic the Hedgehog has turned into a very muscular hunk.

Lincoln: That's just like what happened when Shadow got his new sword when he were about to go help Scott Pilgrim and when I saw that Yosemite Sam showed up.

Sonic the Hedgehog saw what happened to him, and he was stunned. Then, he snapped his fingers and he was now in a brand-new outfit: a long sleeveless blue coat with dragons and wind gusts on the coattails, black shirt with blue phoenix on it, black pants held up by a black leather belt, he has on his now larger shoes, and he has on large weighted blue bands with silver phoenixes on his massive biceps and thighs.

Sonic the Hedgehog: Okay, now I'm ready. Let's go.

We flew out of The World Tree Estate, and Lincoln fired two powerful rainbow energy blasts, and they hit Chin Taimei in the back. When Chin Taimei saw us, he maintained his composure.

Chin Taimei: Ah, the legendary Team Loud Phoenix Storm. So, you were the ones who got rid of The Chen Ro brothers, I'm impressed. But, I'm not going down without a fight.

Blaze Fielding: And that's what you're going to get.

Lincoln: But, you're not going to meet the same fate as those two, Chin Taimei. We're taking you in to the Masters of Evil's prison.

Suddenly, Blaze Fielding's blue eyes turned neon blue, and she was surrounded by an orange energy aura with flames and phoenixes, and as she approached Chin Taimei, she left orange energy, flames, and phoenixes with every step. Suddenly, Blaze Fielding was surrounded by a massive vortex of orange energy with flames surrounding it, there's a phoenix flying around it, and in the vortex is a red phoenix. Then, as the vortex faded, Blaze Fielding emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Blaze Fielding grew to 6'5" in height, she had the body of a goddess and has red highlights in the bangs of her long flowing brown hair, she has neon blue eyes and an orange energy aura with flames and phoenixes surrounding her, she has a phoenix with the Blaze Kanji in its claws emblazoned on her forehead, she has on phoenix earrings with blue jewels for the eyes and the Blaze Kanji in its claws, and she also has a phoenix with red gems for the eyes and the Blaze Kanji in its claws for the second pendant of her Thunderbird Necklace of Eternal Love with red gems on the gold lightning bolts and red crystals from her Crystal Necklace of The Buddha which merged with her Thunderbird Necklace of Eternal Love. Blaze Fielding has on a long long-sleeved black leather coat with flames and phoenixes on the coattails and right on the back is a phoenix with flames surrounding it, a red blouse and red top with an orange phoenix on it, red skirt with flames on it, leather black pants with flames on the legs, black leather ankle-high combat boots, and she has on a Star Sapphire ring on her left ring finger. Suddenly, Blaze Fielding felt a sharp pain on her back, and then, massive brown angel wings with red tips on the large brown feathers sprouted out from her back.

Blaze Fielding has on a pair of new gauntlets called Destroyers of the Syndicate, they're a pair of gauntlets with silver plates covering her fingers and the back of her hands with the anti-Syndicate symbol on them. Blaze Fielding has on her new large gold cuff Bracelets of the Champions of The Universe with red gems on her wrists, gold Belt of Elemental Bravery with a gold phoenix head with blue gems for the eyes and large red gem in its open mouth for the belt buckle, large red Spellbook of The Gods and The Universe and large red Universal Spellbook of The Elemental Forces on her left hips and Eater of Sins revolver holstered on her right hip. There's a red kanji below the phoenix that said, "Blaze Fielding, Former Metro City Police Officer, Dear Friend of Axel Stone and Many, Loving Future Wife of Lincoln Loud, Destroyer of The Syndicate Crime Organization, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, Street Brawler and Master of Judo, and Master of Flames and Phoenixes."

Blaze Fielding has transformed into SUPER ANGEL INFINITY BLAZING FIRESTORM STREET BRAWLER PHOENIX ANGEL OF FIRESTORM JUSTICE AND DIVINE LOVE!

We were amazed by Blaze Fielding's Super Angel Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes. But, when Chin Taimei saw it, he still remained calm.

Lincoln: Wow, Blaze, you look beautiful, how do you feel.

Blaze Fielding: (Divine Echoing Cosmic Voice of The Firestorm Phoenix and Divine Love) **I feel incredible, Linky, and now, shall we put a stop to Chin Taimei?**

Lincoln: (Smiles) With pleasure, Blaze.

Lincoln unholstered his improved massive Sword of Universal Hope and Elemental Bravery from his wider and muscular back and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Blaze Fielding.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Let's get him.**

Blaze Fielding and Lincoln went after Chin Taimei, and they fired powerful blasts of rainbow energy, orange and blue energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Gravity, Magic, Blood, Thunderbirds, Phoenixes, Angels, and Buffalo at Chin Taimei, and they exploded with incredible power as they hit him. Then, Blaze Fielding and Lincoln brutally pummel and overwhelm Chin Taimei with powerful punches, kicks, and powerful martial arts, and they knocked him down and defeated him.

Chin Taimei: Impressive, you indeed live up to your reputations. Alright, I'm ready.

Lincoln put rainbow energy handcuffs on Chin Taimei, and had him beamed to The Masters of Evil's prison. We cheered wildly for Lincoln and Blaze Fielding, as Lincoln holstered his massive sword on his wider and more powerful muscular back, and he and Blaze Fielding power down, and Blaze Fielding's new body, clothes, weapons, jewelry, and angel wings are permanent.

Blaze Fielding: That's another Shadow Warrior defeated. Thanks for helping me with defeating Chin Taimei, Linky.

Lincoln: (Smiles Warmly) You're welcome, Blaze.

Suddenly, Blaze Fielding wraps her arms around Lincoln's waist, and Lincoln wrapped his abnormally massive and powerful muscular arms around Blaze Fielding's waist, and brought her into an embrace, which took her by surprise and that brought an atomic red blush to her face. Then, as Lincoln leaned down to Blaze Fielding's face, they kissed passionately as Blaze Fielding wraps their left arm around Lincoln's wider and muscular back, and placed her left hand on Lincoln's massive and wide right pec, and right behind them was a Thunderbird, Phoenix, and Angel flying in the air, and we also saw a herd of Buffalo running across the field, and the display of the elemental forces behind them, and we cheered for them.

Me: Alright, way to go.

Nico: We've brought down another Shadow Warrior, and Chin Taimei will one day be welcomed into The Masters of Evil.

Lincoln: That's right, and there's bound to be another honorable warrior among the Shadow Warriors, and we'll be waiting for them. But, it's not over yet. We've still got Master Kohga to deal with.

Sonic the Hedgehog: You're right, Lincoln.

?: I will make you all pay for what you've done to Lord Ganon!

Suddenly, the eight large planets and stars orbiting around my legs, the eight large orange orbs orbiting around Lincoln, Linka, TLPS Ms. Tarantula's, and Duke Lincoln's legs, the eight large dark blue orbs orbiting around Ed Cowart's legs, the eight large midnight blue orbs orbiting around TLPS Mr. Wolf's legs, the eight large crimson red orbs orbiting around Naruto and Nate Adams' legs, the eight large fiery red orbs orbiting around Zach Gurdle's legs, the eight large silver orbs orbiting around Clyde McBride's legs, the eight large black orbs with the Eye of Horus orbiting around Cody (OC)'s legs, the eight large black orbs orbiting around Lucy, Lars, and Dudley Puppy's legs, the eight large pink orbs orbiting around Lola and Lexx Loud's and Steven Universe's legs, the eight large green orbs orbiting around Lynn Sr.'s legs, the eight emerald green orbs orbiting around Yakko Warner's legs, the eight large sapphire blue orbs orbiting around Wakko Warner's legs, the eight large hot pink orbs orbiting around Dot Warner's legs, the eight large marine blue orbs orbiting around Liam, Lana, and Leif Loud's legs, the eight large scarlet red orbs orbiting around Lynn Loud and Lynn Jr.'s legs, the eight coral red orbs orbiting around Timon's legs, the eight large blood red orbs around Marco Diaz's legs, the eight large blue orbs orbiting around Lori, TLPS Mr. Shark, Skippy, Sean Bolton, and Loki Loud's legs, the eight large sea-foam green orbs orbiting around Leni and Loni Loud's legs, the eight large yellow orbs orbiting around Luan, TLPS Mr. Snake, and Lane Loud's legs, the eight large brown orbs orbiting around Laney and Larry Loud's legs, the eight large light green orbs orbiting around Lisa and Levi Loud's legs, the eight large lavender orbs orbiting around Lily and Leon Loud's legs, the eight large colored orbs orbiting around Bobby Santiago and Nico's legs, the eight large rainbow orbs orbiting around Rainbow Dash's legs, the eight large aqua and ocean blue orbs orbiting around Varie, William Dunbar, and Adam Lyon's legs, the eight large white orbs orbiting around Timmy Turner's legs, and the eight large purple orbs orbiting around Luke Loud's legs and Menat's legs, along with our gems on our Bracelets of The Champions of the Universe were glowing, and that means we've got big trouble incoming, especially when we heard that familiar voice.

Link: There's definitely no mistaking that voice from anywhere, you can come out now, Kohga.

A figure came out, and it was none other than Master Kohga, the leader of the Yiga Clan and the most loyal follower of Calamity Ganon.

Me: Should've known that another of Ganondorf's followers would show up, and soon, you'll join your master in Oblivion.

Master Kohga: You murderer, you will pay for killing my lord!

Master Kohga was about to attack, but Sonic the Hedgehog fired a powerful blast of blue energy with wind, and it hits Master Kohga, and it hurt him.

Sonic the Hedgehog: That's not going to happen, Kohga. I'll make sure that you pay the price for your crimes against Hyrule and loyalty to Ganondorf.

Suddenly, Sonic the Hedgehog's green eyes turned neon green, and he was surrounded by a blue and green energy aura with chaos energy, winds, lightning, and hedgehogs, he then unholstered his new massive Susanoo's Hurricane Sword of Chivalrous Mobian Justice from his wider and more muscular back, and as he approached Master Kohga, he left blue and green energy, chaos energy, winds, lightning, and hedgehogs with every step. Suddenly, Sonic the Hedgehog was surrounded by a massive vortex of blue and green energy with chaos energy and winds and lightning surrounding it, there's a hedgehog running around the vortex, and in the vortex is a blue phoenix. Then, as the vortex faded, Sonic the Hedgehog emerged, but he was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

The 7'0" and extremely muscular Sonic the Hedgehog remained the same, along with his brand-new clothes, he has neon green eyes and a blue and green energy aura with chaos energy, winds, lightning and hedgehogs surrounding him, he has a hedgehog with the Chaos, Storm, and Eternity Kanjis in its paws emblazoned on his forehead, he has on his Crystal Necklace of The Buddha with blue crystal links and a hedgehog with blue crystals for the eyes and holding the Chaos, Storm, and Eternity Kanjis in its paws for the pendant, and on the back of his long sleeveless blue trenchcoat is a Griffin surrounded by the Seven Chaos Emeralds. Suddenly, Sonic the Hedgehog felt a sharp pain on his wider and more muscular back, and then, massive blue angel wings with green tips on the large blue feathers, sprouted out from his wider and more muscular back.

Sonic the Hedgehog has on his new large gold cuff Bracelets of the Champions of The Universe with blue gems on his wrists, his new large gold Belt of Elemental Bravery with a golden Griffin head with blue gems for eyes and a large blue gem in its open mouth for the belt buckle on his waist, large blue and green Spellbook of The Gods and The Universe and large blue and green Universal Spellbook of The Elemental Forces on his left hip and Eater of Sins revolver holstered on his right hip, and a Blue Lantern Corps ring on his right ring finger. There's a green kanji below the Griffin that said, "Sonic the Hedgehog, Interdimensional Hero of Mobius and The World, Fastest Hedgehog Alive, Interdimensional Friend to Many, Destroyer of Dr. Eggman's Delusional Ambitions, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Emissary of Susanoo, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of The Seven Chaos Emeralds, Chaos Energy, Storms, and Hedgehogs."

ソニック・ザ・ヘッジホッグ、メビウスと世界の次元間ヒーロー、最速のヘッジホッグ・アライブ、多くの次元間フレンド、エッグマン博士の妄想的野心の破壊者、悪の殺し屋、混乱、殺人、冷酷、そしてサディスティックな野郎、スサノオの使者、驚くべき強力な驚くべき強力な教師の学生であり、7つのカオスエメラルド、カオスエナジー、ストーム、ハリネズミのマスター

Sonic the Hedgehog has transformed into SUPER ANGEL

ETERNITY INFINITY SPEED STORM CHAOS HEDGEHOG ANGEL OF CHAOS JUSTICE AND MOBIUS HOPE!

We were amazed by Sonic the Hedgehog's Super Angel Eternity Infinity transformation, but when Master Kohga saw it, he fell into a rage and hurled a boulder at him, but Sonic dodged it, and fired a blast of lightning and destroyed it, and then, he fired a powerful blast of blue energy with storms and winds around it, and it hits Master Kohga and hurt him badly.

Nico: Oh man, now Sonic's the next one to transform, awesome.

Master Kohga: Who do you even think you are?!

Sonic the Hedgehog: (Divine Echoing Cosmic Voice of Chaotic Storms and Mobian Hope) Someone who's about to send you to join your master in Oblivion for everything that you've done to the land of Hyrule for so many years.

Sonic the Hedgehog then went after Master Kohga, and he fired powerful blasts of blue and green energy, chaos energy, storms, and hedgehogs, and they exploded with incredible power as they hit Master Kohga. Sonic the Hedgehog fired a powerful red energy blast, and as it hits Master Kohga, Sonic sucked out all of Master Kohga's magical abilities and powers, and he and the rest of us made them our own, and we also assimilated them. Then, Sonic ran circles around the powerless Kohga, and he was trapped inside a tornado, and Sonic unleashed a powerful storm of energy slashes, and he cuts down Master Kohga, and he exploded in purple flame. Then, his spirit appeared, and Sonic approached him.

Sonic the Hedgehog: (Divine Echoing Cosmic Voice of Chaotic Storms and Mobian Hope) You and your master are not welcome in this world ever again.

Then, Sonic put his large left hand in front of Master Kohga, and we knew what that meant.

Sonic the Hedgehog: (Divine Echoing Cosmic Voice of Chaotic Storms and Mobian Hope) SUPER HAKAI!

Master Kohga screamed in excruciating pain, as he was Super Hakaied and banished to Oblivion for good. We cheered wildly for what Sonic the Hedgehog did, as he holstered his massive Susanoo's Hurricane Sword of Chivalrous Mobian Justice on his wider and more muscular back and power down, and the brand-new improvements to Sonic's body, clothes, weapons, jewelry, and angel wings are permanent, and the hedgehog came back to us.

Shadow the Hedgehog: Nice work, Sonic. You definitely showed Kohga no mercy.

Sonic the Hedgehog: After everything he's done in Ganon's name, he deserved to get sent to Oblivion for good.

Me: Where he'll join his master in torment forever.

Lincoln: And now that we've got those two out of the way, we won't have any trouble during the humiliations later on today.

Nico: And we're going to let Flip, Lewis Travolta, Billy McLean, and Amy have it, especially Flip.

Lincoln: And from what I heard, J.D.'s also bringing Icky Vicky to be humiliated again. I can't wait to let that demonic so-called babysitter have it.

We returned home, and not only did we defeat another of the Shadow Warriors, but we also got rid of another of Ganondorf's minions for good, and we won't have any trouble during the humiliations later on today.

Later it was time for Starlight Glimmer's first ever ambassador mission and it was gonna be a really tough one as we're going to the world of Live Action Transformers.

Me: Oh boy. This is the Ambassador Missions that we were preparing for. It's time to head to the Live Action Transformers World.

Starlight Glimmer: Oh I'm really nervous about this one.

Me: I am too.

Nico: Remember, Lincoln. Be in your muscular form this entire mission in case the Live Action Autobots lose their shit.

Lincoln: You got it Nico.

May: Be careful guys. After everything we found out about what happened in that world it's now in a very fragile state.

Nico: I know May. This is gonna be tough but we're strong.

Eli: I hope we can bring some hope back into them.

Me: Don't worry bro. We will. All will be well.

Nico: Okay. We're ready.

I opened the portal and we were off to the Live Action Transformer World.

We arrived in the Live Action Transformer Earth.

Nico: Wow. It's like we never left home.

Me: It feels like it.

Starlight Glimmer: Yeah.

We then saw a blue semi truck come and it transformed and it was LIVE ACTION OPTIMUS PRIME!

Live Action Optimus: Excuse me. But I do not think I've seen any of you before.

Nico: Well you could say that we are new here. Forgive our intrusion. My name is Nicolas Chan, Leader of Team Loud Phoenix Storm.

Me: J.D. Knudson, 2nd in Command of the team.

Lincoln: Lincoln Landon Loud, Nico and J.D.'s best friend and helper.

Starlight Glimmer: And I'm Starlight Glimmer, this worlds ambassador.

Live Action Optimus: It's a pleasure to meet you. I am Optimus Prime, leader of the Autobots.

Nico: It's a pleasure to meet the Optimus here. We have a long story to tell you all and we have so much to tell you about what happened here and in our world too.

We went to the hidden base of the Autobots that was out of the sight of humans and more.

Nico: I'm sorry about what happened to this world, Optimus.

Live Action Optimus: (smiles) It's not your fault, Nico. Though Sentinel's betrayal still haunts me, I have chosen to move on and give humanity another chance.

Cade Yeager: But Bumblebee, on the other hand…

Nico: We'll just have to see for ourselves when we get to your place.

Me: Yeah. But it's good you want to give everyone another shot. But the scars of betrayal go deep.

Nico: Yeah take it from me. I know just how you feel Optimus.

Lincoln: It's a really long story.

We then arrived at the base.

Live Action Bumblebee: Are you here about the cable? The Cinemax ran out about two weeks ago, and the sports were all kind of fuzzy.

Live Action Optimus: Bumblebee, we have visitors.

Live Action Bumblebee: (sees us) Team Loud Phoenix Storm! Boy, it's good to meet you guys! How's fighting crime on your world?!

Nico: (laughs nervously) Pretty good, Bumblebee. Thanks.

Live Action Drift: (bows) It is an honor to meet the main heroes of Team Loud Phoenix Storm.

Me: (Bows) You too Drift. It's an honor.

Hot Rod: (French Accent) Oui it's an honor.

Me: You too Hot Rod.

Starlight Glimmer: Your French Accent is amazing.

Hot Rod: I hate it.

Lincoln: We don't.

Me: I like your French accent and they say that French is the language of love. Also your car form is a Lamborghini Aventador and that's one of my favorite cars.

Hot Rod: I'm glad you like my accent and car form. Thank you.

Me: You're welcome.

Live Action Wheelie: Hey, Bee. The kid on the TV that called me a dickhead again.

Live Action Bumblebee: NoobMaster?

Live Action Wheelie: Yeah, NoobMaster69 called me a dickhead.

Live Action Bumblebee walks over to Live Action Wheelie, takes his headphones, and speaks into the mic.

Live Action Bumblebee: NoobMaster. Hey, it's Bumblebee again. You know, B127? Listen, buddy. If you don't log off this game immediately, I'm gonna drive over to your house, come down to that basement you're hiding in, rip off your arms and SHOVE THEM UP YOUR BUTT! Oh, that's right, go cry to your father, you little weasel!

Cade Yeager: (to us) B127's Bumblebee's birth name before he came to Earth. Guess that's why he chose that as his video game name.

Nico: I see.

Me: But that wasn't very nice of him to have him called that.

Starlight Glimmer: Yeah.

Lincoln: Bumblebee don't listen to that guy. He's what we call a troll.

Live Action Bumblebee: A troll? Like the kinds of trolls that live under bridges?

Nico: No this is completely different. It's what we call an Internet Troll. It's a slang term that's used to call someone on the Internet that upsets people by posting mean messages and comments and all that. They are total jerks and assholes.

Lincoln: And mean people too.

Live Action Bumblebee: I see.

Nico: What was the last major battle you guys fought in?

Live Action Optimus: That would be against Quintessa. She tried to exterminate Unicorn and Earth along with it.

Me: WHOA! That was cool!

Nico: But you guys stopped her, right?

Live Action Hound: Damn straight! I even got a few good hits on Megatron too.

Nico: NICE!

Lincoln: That's nice. (smiles at Optimus) You're just as brave and noble as Sentinel said you are.

UH OH!

Just then, everyone froze as if the area suddenly got colder. Bumblebee's optics widened before he puts a shaky hand on Lincoln's shoulder and points at him.

Me: Nice going Lincoln!

Live Action Bumblebee: (hoarsely) Don't say that name.

Nico: (Whispers to me) Just like Brock with Professor Ivy.

Me: (GULPS) Yeah.

Live Action Hound: Um, yeah. We don't actually say that name in here.

Me: I can understand why.

Lincoln: [calmly] Please take your hand off me. [He gently takes off Bumblebee's hand] Now, I know that he might scare you.

Live Action Bumblebee: (laughs hoarsely) Why would I be? Why would, why would I be scared of that guy? Optimus was the one who killed that guy. Anyone else here kill that guy? (silence) Nope. Didn't think so. (to Wheelie and Brains) Hey, Wheelie. Why don't you and Brains tell He Man Jr and everyone else who blew Sentinel's brains out?

Live Action Wheelie: Wasn't it Megatron's shotgun?

Live Action Bumblebee: Exactly. And who was wielding Megatron's shotgun at the time?

Live Action Brains: I remember it was Optimus. Epps told us about it after the two of us got off that ship.

Me: That was cool too.

Nico: (SIGHS) Well we might as well tell you guys. I know it's a sore subject and you have the condolences and sympathies of Team Loud Phoenix Storm for what happened here to this world.

Live Action Bumblebee: Thanks Nico.

Nico: You're welcome. Strangest thing is in our universe, Sentinel Prime is in our frenemies in the Masters of Evil. He somehow wound up in our universe.

Me: We don't know how it happened but somehow many of your fallen comrades have wound up in our universe.

Starlight Glimmer: Yeah it's so strange.

Live Action Drift: That is really strange.

Nico: Yeah no kidding.

Starlight Glimmer: We get it. You're in a rough spot, okay? We've been there ourselves during the 20 Days of Darkness. But you wanna know how we got out of it?

Live Action Crosshairs: How? By pinning the blame on other villains?

Starlight Glimmer: No. By remembering that we had our friends and family at our side.

Live Action Crosshairs: Look, I understand that friendship can help the lives of people. But why don't you explain that to all the other Autobots on Earth? Those who are left anyway.

Nico: We actually do.

Me: Long story on that. But not only that but the War between the Autobots and the Decepticons in our universe is over.

Nico: We got both sides to put aside their differences and join forces to stop Unicron from destroying Cybertron. It was what brought an end to the war and many eons of fighting.

Starlight Glimmer: It's true and it was really crazy.

Me: But that was one of the biggest battles we've ever had.

Nico: Also Bumblebee Sam is with us in our world too.

Live Action Bumblebee: He is!?

Me: Yeah. Along with Mikaela and Carly. Sam thinks about you guys all the time and he really is worried about you all.

Live Action Bumblebee: I'm glad he's okay and safe with you guys.

William Lennox and Robert Epps then appeared.

Nico: You two must be William Lennox and Robert Epps.

Lennox: (smiles) That's us. Good to finally meet Team Loud Phoenix Storm.

Starlight Glimmer: I take it you guys aren't here just to say hi?

Epps: Nope. I don't know how it's possible. But that Pretender Alice? She was spotted nearby when she's supposed to be dead.

Lennox: Bee, I don't know what you were discussing before the two of us came in here. But drop whatever it is and get ready to head out.

Live Action Bumblebee: Stop. stop, okay? I know you think I'm down here wallowing in my own self-pity, waiting to be rescued and and saved. But I'm fine, okay? We're fine, aren't we?

Brains: Nah, all good here.

Live Action Bumblebee: So, whatever it is that you're offering, we're not into it, don't care, couldn't care less. Goodbye.

Live Action Crosshairs: You know what, Bee? I've been thinking just now. And I'll never forget how the humans betrayed us the first time. But what kind of Autobots would we be if we didn't move on? You can mope here all you want. But me? I'm heading out to battle! (transforms into vehicle mode)

Hound: (sympathetically) I hope you get better, Bumblebee. (transforms into vehicle mode)

Drift: Optimus, might I suggest Starlight ride with you?

Live Action Optimus: Of course.

She got into Optimus.

Me: (Whispers to Epps) We were talking about what happened with Sentinel Prime and how it affected everyone. It was bad what happened here.

Epps: Oh yeah. That is a rough subject for everyone.

Nico: Anyway lets get moving.

We were off.

Live Action Optimus: Starlight, I can tell that you've had a rough past.

Starlight Glimmer: Yeah it's something I don't like to talk about. Before I joined the team I was what you call not a very good girl.

Live Action Optimus: I see.

Nico: Starlight doesn't like talking about her past because it was crazy.

Me: Yeah.

Live Action Optimus: I understand.

We then came and we saw Alice.

Nico: Alice right?

Alice: Yeah?

Me: Where are you hiding the Decepticons?

Alice: There must be some kind of mistake. I haven't seen any Decepticons here.

Nico: Drop the act, will you? Stress doesn't make us THAT stupid.

Me: Especially from a Decepticon Chameleon robot like you Alice. Blackout told us everything about what you can do and that also is VERY amazing.

Alice: (Gasp) You know Blackout!?

Me: We sure do. He's in our universe on the team in the Redemption Squad.

Nico: It's true. We don't know how the fallen comrades of the Transformers here in this world got to ours but it's a really big mystery.

Starlight Glimmer: It sure is.

Live Action Bumblebee: Look, guys. I've been thinking about what you all said. And you're right. (sees Alice) Alice?

Alice: Bumblebee? Is that you?

Live Action Bumblebee: How are you still alive?! Mikaela killed you!

Alice: The better question is what happened to you? You're not what you were like the last time I saw you. You look and sound like melted ice cream.

Live Action Crosshairs: Well, you've got your boss Megatron to thank for it!

Me: Yeah and there's more too it.

Nico: It's a really sore subject.

Me: It's about Sentinel Prime. But thank goodness he's not like another version of him we met.

Nico: Yeah I hate that big-chinned Fuckass!

Lincoln: Me too.

Me: We all do.

Live Action Bumblebee: Since when do you care about me all of a sudden?! You're a Decepticon, remember?!

Alice: But I'm not completely heartless! Besides, you don't see Megatron or Starscream around, do you? (to us) I'm surprised you guys aren't attacking me by now

Starlight Glimmer: Well, we've come to realize a long time ago that not all Decepticons are bad.

Me: Yeah.

Nico: That's because I'm leading the Decepticons on the Road to Redemption.

Nico showed her his Decepticon Leadership Medal.

Nico: I'm now the new leader of the Decepticons in my universe and now I'm leading them on the Road to Redemption.

Me: The War with The Autobots and Decepticons in our universe is over after over 8,000,000 years of fighting and Nico was elected as their new leader to lead them on the road to redemption.

Live Action Optimus: That is interesting. Congratulations to you Nico.

Nico: Thanks Optimus.

Alice: Well, if Cybertronians can be accepted in your world, count me in.

Nico: I'm glad.

Live Action Optimus: (to Starlight) Starlight, I understand if you don't want to talk about your past. And I know that you probably did bad things. (smiles) But I know that you truly are a good person.

Starlight Glimmer: Thanks Optimus.

Alice: And Starlight your hair is beautiful.

Starlight Glimmer: Oh thanks Alice.

Lincoln: She does have amazing hair.

---

We later came back.

Nico: We're home.

May: Okay, I'm not going to beat around the bush. How bad was it?

Nico: The damage is really bad but we're off to a really good start in helping to mend the relations with Autobots, Cybertronians and humans.

Laney: That's good.

Starlight Glimmer: Yeah Sentinel Prime really tore the relations with the humans and Cybertronians apart and we're trying everything we can.

Me: Yep we sure are. But we even told them about Sam being with us and everything.

Lincoln: J.D. revealed about what happened with the war with the Autobots and the Decepticons ending in our world and how it happened and more.

Nico: Yep.

We told them everything and it was crazy.

---

We were over in Rustboro City and we were at the Gym and it was also a school.

Kitten: I didn't know Gym Leaders can also be teachers.

Nico: That is cool.

Laney: It sure is. And we haven't been to one of the cities and towns you went to in a long time Ash.

Ash: It sure has been a while.

Me: I know. We've been so busy on the missions and assignments that we haven't had any time to check out more of the towns and cities you all went to.

Eli: Roxanne works here from what I recall and she specializes in Rock Pokemon.

Brock: That's right Eli. Just like me in Pewter City.

Nico: Yep.

May: It'll be awesome to see Roxanne again and I can't wait for her to meet you Nico.

Nico: (Laughs) I know.

We then saw another Poliwag.

Shroomboom: Another Poliwag?!

Poliwag: Hello, fellow Poliwag!

Poliwag 2: Poli!

Nico: (Laughs)

Roxanne then came.

Roxanne: Wow! Team Loud Phoenix Storm welcome.

Nico: You must be Roxanne.

Roxanne: I am and it's an honor to meet you all. Ash, Brock, May and Max you're all looking great.

May: Same to you Roxanne.

Roxanne saw a wedding ring on May's finger.

Roxanne: Oh my you are now married? Who's the lucky guy?

Nico: Me.

Roxanne: Wow! Congratulations to you two.

Nico: Thanks.

Me: Ash and Serena are now boyfriend and girlfriend too. Same with Brock and Lucy.

Roxanne saw Lucy.

Roxanne: (Gasp) Lady Lucy it's an honor to have you grace my gym.

Lucy (Pokemon): Same here Roxanne and yes Brock and I are now a couple.

Roxanne: Wow I'm so happy for you both.

Cybertron Thunderblast: Listen, there's something you need to know about Team Rocket.

Roxanne: (sighs) What did they do this time?

Maria: Relax. We're not talking about Jessie, James, and Meowth. They're actually cool. It's their former buddies we're talking about.

Me: We actually destroyed all the major Pokemon Villain Teams.

Roxanne: Did you all really!?

Eli: It's true. And they even made flags for each team destroyed.

Lillie: And reunited me with my mom and saved her.

Nico: You'll never believe who the boss of Team Rocket was. It was Giovanni, the Gym Leader of the Viridian City Gym in the Kanto Region.

(FOGHORN)

We later went back home.

---

Later we were getting ready for an awesome humiliation.

Air Man: You guys think that on Starlight's next mission, the people who we made leaders of each faction should go with her?

Nico: That's not a bad idea. And we had Varie appointed as leader of the Maximals, Celica as leader of the Predacons, Lori Jimenez as leader of the Transformers of Velocitron, Bud as leader for the Transformers of Animatron, Coby as leader for the Transformers of Gigantion and Alexis Thi Dang as leader for the Transformers of Planet X like Sideways and Soundwave.

We were walking to the restaurant.

Evil Green Ranger: So, I heard an evil version of Maria was fought.

Maria: Yeah it was so scary seeing what I looked like when I was bad. I can't believe I was like that before you all came along. It was like looking at my evil twin.

Tom Majors: He sure did. Devimon has caused a HUGE number of problems in the Digital World. But Not Nearly as many as Kurata and others.

Rainbow Dash: And that was nuts. Thank goodness they were destroyed and more.

Scootaloo: Yeah they had it coming. But Devimon is gone.

Whirlwind (Skylanders): Devimon is gone for good and now Nico is forever free.

Kaz: She sure was and she was made of pure water! Now we know what she was like when she was turned into Aquamaria.

Sunset Shimmer: It sure was amazing and her water powers were amazing.

Pipsqueak: (British Accent) It was most amazing to see and we all thought Maria looked great made of water.

Sunburn: And we also trained Calm and taught him how to fly.

Chaor: The rescue was in the very village where we everyone faced Oceanus Shenron the first time and that was so awesome.

NRG: (Russian Accent) It was most fun to be back there.

---

Koragg was next.

Koragg: (to Sarah) I heard you all met a Firebird Duel Monster Gene-Slammer. Is it true that she's also the most powerful Firebender there is?

Sarah Gunnerson: It sure is true. Her name is Catherine Iroh Lan Kai and she's from Taiwan. She is also the most powerful Firebender ever known and she is now far more powerful than Ozai and the Firebenders that were endowed with enhanced Firebending from Sozin's Comet.

Applejack: It's incredible and she is also the biological daughter of Iroh. That makes her Zuko's cousin.

Apple Bloom: Yeah and she is also one of Lincoln's Guardian Angels. We found out a horrible revelation about Flip.

Koragg: Uh oh? What did he do this time?

Apple Bloom: It's not good. Catherine was approached by the Royal Woods Police Department, and she was asked to go undercover and find out what Flip's up to. She agreed to the task, and they knew of Catherine's reputation for leaving her mark on the numerous criminals all over the world with her powers, and that she is easily the strongest out of all of Lincoln's Guardian Angels. She infiltrated Flip's Food and Fuel, and in the shadows, Catherine found out that Flip was the one who hired Daniel Derek Monroe all those years ago to kill Samuel Loud on that Halloween, so he could get his hands on the money that Samuel Loud had hidden in his house. This horrified Catherine, and she realized that if she'd showed that information to Lynn Sr., he'd go ballistic and rip Flip to shreds. But, Catherine relented, and she called the cops and the FBI, and they busted in to take Flip into custody. But, Flip got away and he swore that whoever ratted him out is going to pay.

Koragg was shocked!

Koragg: FLIP HAS NO HONOR AT ALL! ALL HE CARES ABOUT IS MONEY!

Flashwing: And Flip deserves much worse than humiliations like this.

Aszil: Yeah he deserves to die.

Armodrillo: No kidding. He is a golddigging heartless monster!

Koragg: No kidding! All he cares about is money! Lets do it!

Sweetie Belle: We should visit more cities of the Pokemon world more often and it is awesome.

Gill Grunt: I agree. We have to tell everyone about the destructions of the major Pokemon Villain Teams.

Malvadine: Yeah they have to know.

Water Hazard: They had it all coming. But the biggest shock was when they find out that Giovanni is the leader of Team Rocket.

King Shark: That is considered a massive shock for a lot of people.

Pinkie Pie: I think so too. She was really awesome.

Featherweight: The Quantum Vapor turned her into pure water and that was coo.

Sprocket: It sure was neat.

Whampire: (Transylvanian Accent) I think so too and I'm glad that Carol and Maria are back together and that Nico and Maria are like siblings.

Trap Jaw: I am too. Lets do it!

Zick: No thank goodness that didn't happen.

Starlight Glimmer: But we're off to a really good start in mending the relationships with humans and Cybertronians. We told them what happened with us in our universe and what happened with the Autobots and Decepticons fallen comrades being in our universe.

Cozy Glow: But when Sentinel Prime was mentioned it was a really sore subject for them to talk about.

Hex: Yeah it left a deadly scar on all of them.

He-Man: Yeah that was crazy that all that happened.

Astrodactyl: Yeah that was awful.

Tri-Klops: But at least you are all off to a great start. Just keep trying and you'll have everyone be friends with Cybertronians again. Lets do it!

They fired waves of magic, stars, lightning and energy and smashed him down.

Zick: YEAH!

Starlight Glimmer: That was amazing!

---

Nanette Allbright, Firecracker Burst, Diamond Tiara, Stratos (He-Man) Chill Bill and Chompy VS Beast Man

---

Beast Man was next.

Beast Man: I just can't believe that Cemetery Wind was made for the purpose of killing all the Cybertronians.

Nanette: Their goal is to make Earth only for humans and nothing more.

Firecracker Burst: Bunch of Xenophobic dirtbags!

Diamond Tiara: Yeah THEY are the ones that have absolutely no humanity! The Autobots and humans are great friends and Sentinel Prime ruined all that. But at least he is in exile here with our frenemies.

Stratos (He-Man): Yeah and I feel sorry for what happened there on the Live Action Transformers world.

Moonlight Raven: Wait! I just realized something. If the Live Action Transformers and Sam, Mikaela and Carly are here, do you think it's possible that Harold Attinger is here too?

Merman: Oh man! That is a strong possibility. We'll have to keep our eyes pealed for him and send him to prison.

Silver Spoon: Yeah he could be here and forming plans against us to destroy the Transformers.

Buzzoff: Then we got to keep our eyes peeled for him and stop him as soon as possible.

Merman: I agree too. Lets do it!

Whiplash (He-Man 2002): Who are the main targets we're going after in the world of Live Action Transformers when we go there on April 28th?

Rinoa Heartilly: We're going after their version of Megatron and

Starscream. They are worse than any version of Megatron and Starcream we have seen from over the course of 38+ Years.

Daring Do: That's right! The war with the Autobots and the Decepticons may be over in our universe but in the Live Action Transformers World they are still fighting to this day.

Scootaloo: And we have to stop them. Like in our world it's time for the Autobots and the Decepticons to put aside their differences and work together to bring down the 2 most evil Decepticons ever.

Ram Man: And that's the live action versions of Megatron and Starscream!

Lightning Dust: Yeah that was terrible that so many Autobots and Decepticons have suffered in that war.

Thunder Terror: Nothing good ever comes from War. All it brings is death and destruction.

Mekaneck: And it was the longest war anywhere.

Count Marzo: How long has that war been going on?

Tifa Lockhart: For 8 Million Years!

Count Marzo: 8,000,000 Years of Fighting! THAT IS INSANE AND CRAZY! How in the world can one race of robots be going at it for that long?

Tifa Lockhart: We have no idea. It was just that crazy.

Count Marzo: Wow! No kidding. Lets do it!

They fired waves of lightning and energy and smashed him down.

Tifa Lockhart: ALL RIGHT!

Spitfire: I like the Minicons and the Cybertronians of Animatron and Gigantion. They are amazing.

Magma Gloom: All awesome too.

Pig Pen: Yep they sure are.

Man-E-Faces: (Through Human Face) They are all amazing and I think it's awesome how they can have so many awesome abilities. (Changes face to Robot) (Techno Voice) But it's horrible that so many years of war and conflict can be that awful.

Mossman: I agree there.

Babs Seed: That would be something. Especially with there being many kinds of plants out there.

Fluttershy: It sure was. I thought it was funny and fitting for Vicky.

Tornado Bolt: It sure was awesome.

They laughed at that one.

Gutrot: (Laughs) That was so funny!

---

Pink Ranger Slayer was next.

Pink Ranger Slayer: How many crimes do you think Flip has done over the years?

Fiona Hernandez: Oh man that's a tough one. But I would have to say that Flip has a massive RAP Sheet that dates back all the way to when he was in grade school. I looked up Flip's history and it showed that he has been in more trouble than the Loud Family has.

Himiko Toga: That is crazy! He has a worse record than what I have done!

Apple Bloom: Yeah no kidding. He has a nasty history that is awful!

Sweetie Belle: No kidding! He is a nasty problem! I don't know how the state managed to put up with him for so long!

Weddinmon: It's just terrible that Flip would hire someone to kill Lynn Sr.'s Dad! Why would he do that!?

Marie Hernandez: My guess is that Samuel had some inside information on Flip and he didn't want Samuel to reveal all that to the public. So he hired the evil serial killer Daniel Derek Monroe to kill him and cover his tracks so Flip would not get his hands dirty.

Ibara Shiozaki: Flip is the Devil Incarnate. Like I said, Flip has no soul to save because of his crimes.

Frozen Fright: Yeah Flip is a monster. He has done practically every kind of crime you can think of and it was ALL for money! And his organs are all messed up!

Thunder Terror: We should call a doctor and have all his organs all forcefully put in their proper places.

Magma Gloom: Yeah he needs to be a normal human being instead of a mutated freak!

Toxic Gloom: I wonder what caused him to have all of his organs all messed up like that.

Somnambula: (Egyptian Accent) The Shadow Dragons were one of the most powerful enemies of the Z-Fighters.

Mistmane: And they put up an incredible fight.

Flash Magnus: I really think it's so awesome how they all represent the elemental forces of nature and scary that they were made to bring terror and evil to the planet.

Mage Meadowbrook: Yeah it's awful. And everyone had no idea that it was the result of overusing the Dragonballs. It's a horrible consequence.

Gusty the Great: Yeah it was awful. No one knew that using the Dragonballs so much would carry such disastrous consequences.

Clover the Clever: But at least everyone is in agreement to only use the Dragonballs when absolutely necessary.

They are also going to meet an Evolved Amperi Gene-Slammer named Chelsea Storm and she is one of Nico's Friends from Science Class. Lincoln's Rescue is gonna be in the world of Blue Submarine No. 6 and Lincoln and his group are going after Zorndyke and this time throw him in jail. Also they are going to meet a Gene-Slammer for Blizzed, Defender of the Ice Barrier named. Kayla Katara Kya is the Gene-Slammer of Blizzed, Defender of The Ice Barrier and is also the illegitimate biological half sister of Katara and one of Kya's daughters. She was born with an immensely powerful Waterbending that is 150,000 times more powerful than all the strongest Waterbenders all over the world of Avatar combined and can easily overpower Firebending even when enhanced with Sozin's Comet. She also has a dark revelation about Joe Quimby and it's 1,000 times much worse than everything he has done. As you saw we're going to meet Charlie Brown next and we're going to help him and his friends take down an evil version of the Great Pumpkin. This was a version of the Great Pumpkin that I saw on Robot Chicken and it was made through Satanic Ritualism and it will be an awesome battle.

See you all tomorrow.

# Charlie Brown and The Evil Pumpkin

IN MEMORY OF PETER ROBBINS

---

Flying over the oceans of the Alien World of Mer, Nico, Laney Simmons the Amperi Gene-Slammer and Hikaru Akatsuki were flying over the sea and it was beautiful to see the world of Mer flourishing without the threat of Dark Water and the Darkdweller going to destroy it.

Nico: Thanks for coming with me, Hikaru.

Hikaru: Anytime Nico. It's awesome to be on a rescue with you.

Laney Simmons: Wow it sure is.

Nico: Wow! So this is the world of Mer. I always wondered what this planet was like. J.D. and the others were here before and they destroyed the Dark Water and the Darkdweller and they met Ren and his crew. So awesome.

Laney Simmons: Wow it's beautiful. Ren's home planet is absolutely incredible. And the view of the planets in the sky is amazing.

Nico: It sure is.

Hikaru: It sure is magnificent. Morpho, Ren, Tula, Ioz and Niddler told us a lot about this place.

Nico: It's my first time here. I wasn't with the team when everyone was here the first time. But this is so cool.

Laney Simmons: It sure is amazing.

Nico: So, Hikaru. You plan on getting married to Noriko in the future?

Hikaru: (Blushing) Yes and I haven't proposed to her yet. But I will soon.

Nico: Well there's still time to do that.

Laney Simmons: Yeah there sure is.

THUNDERCLAP!

Then they saw a massive and powerful thunderstorm up ahead and it was literally surging with incredibly powerful lightning.

Nico: WOW! Look at that!

Laney Simmons: That storm is powerful! I've never seen lightning that intense.

Hikaru: Me neither. Amazing.

Nico: Hikaru, now you and your team are in relationships. Jessica has Lincoln. Akira has Sydney. Ed has Nanette. And Chris has Qin.

Hikaru: Yep we're all pretty much covered.

Laney Simmons: I'm happy for you all too.

Hikaru: Thanks Laney.

Nico: Lets go check out that storm.

They flew towards it and they saw beautiful islands that were overflowing with the jewels and beauties of life.

Nico: Wow! Mer looks better than ever. J.D. and the team did amazingly well here the first time.

Laney Simmons: Wow! That was some adventure.

THUNDERCLAP!

Nico: WOW!

They got closer and the streams of lightning were more powerful than that of a normal Amperi's lightning!

THUNDERCLAP! THUNDERCLAP!

Laney Simmons: That lightning is incredible!

Hikaru: Yeah!

Nico: Wait look there!

THUNDERCLAP! THUNDERCLAP!

They saw a figure streak across the sky as powerful bolts of lightning struck the water and they saw a scary bone pirate ship on the water!

Nico: WHOA! That's the Maelstrom and that is Lord Bloth's ship! Perfect.

Laney Simmons: This is gonna be awesome! I remember watching The Pirates of Dark Water back when I was a little girl and hardly ANYONE remembers it now these days.

Nico: I know. What a darn shame. Hikaru, now's a good time to D Smash your version of Thor!

Hikaru: Right! TIME FOR LIGHTNING TO STRIKE! THOR! D-SMASH!

He summoned the Disk Wars version of Thor, Champion and Protector of Asgard!

They flew at the Maelstrom and Nico fired small fireballs and they hit the floor of the ship and exploded all over.

BOOM BOOM BOOM BOOM BOOM!

They landed.

Nico: AVAST YE SCALLYWAGS!

Lord Bloth then came out!

Lord Bloth: Who are you boy!?

Nico: Nicolas Chan, leader of Team Loud Phoenix Storm. You remember J.D. Knudson?

Lord Bloth: He was the dog that killed me!

Nico: Ah so you do remember. Well I joined the team just after he and the team came back after dealing with you the first time and I was appointed as Second in Command. But over the years we have been on many adventures and now I am officially the leader of the Team. I wasn't with the team when J.D. and everyone fought you all before.

Lord Bloth: So I see. You have become quite a formidable force then. I take it you are here for a challenge?

Nico: But of course. And you must be after the 13 Treasures of Rule I take it?

Lord Bloth: Not anymore. I lost the treasures forever because of J.D. and his team!

Nico: Thor?

Disk Wars Thor: Yes?

Nico: (smirks) Bring down the lightning. (sheepishly) Sorry. That doesn't sound cool as telling Hulk to smash.

Disk Wars Thor: I like it!

Hikaru: I think that's clever.

Lord Bloth then saw Nico's tail and he gasped.

Lord Bloth: That tail! You're a Saiyan!

Nico: That's right. I am a Saiyan. How did you know about my race?

Lord Bloth: Your race has made quite a fearsome reputation across the galaxy as the most feared in the universe.

Nico: Blame Frieza for that. But he's no more and my race is on the road to redemption. We are now no longer the most feared race in the universe. Even though Frieza's crimes will haunt the Saiyans for many years to come we will not let the past haunt us. Now shall we dance?

Lord Bloth: Lets!

Suddenly…

THUNDERCLAP!

A boit of lightning struck the ship and blew the Maelstrom's mast off and threw it into the water!

?: You will not touch Nico!

An Evolved Amperi appeared!

Nico: WHOA!

Laney Simmons: An Evolved Amperi! I had a feeling it was one of them.

Evolved Amperi: (In a girl's voice) Been a long time Laney and it's awesome to see you Nico.

Laney Simmons: That voice!

Nico: Chelsea Storm! Wow you look awesome as an Evolved Amperi.

Lord Bloth: Get them!

Nico: We'll talk more after this.

Nico unsheathed his sword and then clashed with the crew and knocked down Konk, Mantus and the Lugg brothers with a powerful kick and Thor and Chelsea fired blasts of powerful lightning and electrocuted many of the crew.

Laney Simmons kicked and crew man in his face and flew into the and Konk and Mantus were riding the Dagrons and they flew after

Laney.

Laney Simmons: That's right you lizards. Follow the lightning.

Kong: We got wench now.

Laney then fired a powerful blast of blue lightning and it hit the Dagrons and electrocuted them and they expoded!

KRABOOOM KRABBOOOMM!

The explosions sent Konk and Mantus into the water!

They knocked out all of Bloth's crew.

Lord Bloth: You are more skilled than I thought boy. You definitely hold up to the powers of your race.

Nico: Yes that's the ways of the Saiyan. The more we fight the more powerful we become. And we have gotten many times more powerful over the years.

Lord Bloth: So I see. Because I'm a fair man I have an offer for you.

Nico: This better be good.

Lord Bloth: Oh it is. How would you like to join my crew?

Nico: No thanks. But I do have an offer for you Bloth.

Lord Bloth: And what would that be boy?

Nico: Join our frenemies in the Masters of Evil as one of our Archenemies. We have many of our teammates waiting for some and you would make a great archenemy for one of us. You and many of your crew definitely fit those standards.

Lord Bloth: So I see. But since J.D. really put up a good fight against the Darkdweller and saved all of Mer I will give that a chance. And since you are the leader now, I will accept your offer.

Nico: I'm glad.

Laney Simmons: It's gonna be a while but with our awesome journeys there's many of people to choose from.

Nico: Also, have you seen any robots with either of these symbols? (shows pictures of Autobot and Decepticon symbols)

Lord Bloth: Hmm. I think I have.

Then they heard motorcycle revving and suddenly out of the clouds came a motorcycle and it transformed and it landed and it was Live Action Mohawk!

Live Action Mohawk: WOOHOO! That was awesome!

Nico: Wow! You're Mohawk!

Live Action Mohawk: What up, fellas! Man, I wanna kill y'all right now! Hahaha! But I'mma kill ya later! Definitely gonna kill you mofos later!

Nico: I remember how much you like to talk but you are now gonna work with me.

Nico pulled out his Decepticon Leadership Medal and showed it to him.

Nico: The war is over in this universe.

Mohawk: Fine with me. Considering that the last time I did participated in warfare, my head came off with me still alive in it! In fact, I don't know how I got here with my whole body after that.

Nico: It's still a big mystery with us.

Laney Simmons: Yeah no kidding.

Chelsea Storm then came and she reverted back and she was a girl dressed in lilac purple clothes and had lilac purple hair and eyes.

Chelsea Storm: Yeah this will be awesome.

Laney Simmons: Chelsea!

They hugged.

Chelsea Storm: Wow it's awesome you're with the team now.

Laney Simmons: Same here.

Hikaru: Awesome.

Thor: This is gonna be most fun with you on the team.

Hikaru: What's your favorite memory of Nico?

Chelsea Storm: I have so many of them but most of them were in science class. We studied a lot of chemistry class. Me and Nico made a powerful chemical formula and suddenly it exploded in my face and then I can suddenly do this.

ZOOM!

She ran faster than a bolt of lightning and ran all over the ship with incredible speed.

Nico: I remember that. It was awesome. The explosion gave her Super Speed and made her as fast as lightning.

ZOOM!

Chelsea came back.

Chelsea Storm: Yep. It was how I got the nickname Lightning Speed Chelsea.

Laney Simmons: That was awesome. And you are perfect for being Evolved Amperi Gene-Slammer Chelsea. They move as fast as lightning.

Chelsea Storm: It sure is.

Nico and Chelsea hugged.

Nico: I really missed you.

Chelsea Storm: Me too Nico.

Laney Simmons: We all did.

Nico: Lets go home guys.

They all went back to Earth.

Mohawk was gonna be an awesome new addition to the team. Same with Chelsea. Bloth and his crew will make awesome additions to the M.O.E. Now we just had to find the right archenemies for them.

Sherlock Hound: (British Accent) And we got word that the Gene-Slammer of Blizzed, Defender of the Ice Barrier is here, and this one is said to have a connection to Katara and her mother, Kya. And I've got the suspicion that you were the only one who knew about it, Lincoln.

Lincoln: I'll explain everything later, and thanks for also joining us on our rescue, Thor.

Thor: You're welcome, Lincoln.

?: HELP!

Suddenly, Lincoln heard the sound of nine girls calling for help. With his deep sapphire blue cyborg eyes and superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the nine girls, but they've been cornered by Zorndyke and Verg, and they're going to kill them.

Lincoln: Guys, I found the nine girls, but they've been cornered by Zorndyke and Verg, and they're going to kill them.

?: That genocidal mad scientist, we've got to stop him!

Then, we saw Blizzed, Defender of The Ice Barrier appear before us.

Lincoln: That voice, I knew it was you, Kayla Katara Kya. But, we'll have to talk later, right now, we've got a mad scientist to stop.

We rushed on over, and Lincoln fired a powerful barrage of rainbow energy balls and elemental forces, which hits Zorndyke and Verg, and that allowed the nine girls to get away. When Zorndyke and Verg saw us, they flew into a rage.

Zorndyke: Team Loud Phoenix Storm, how dare you get in my way yet again?! Humanity must be destroyed!

Verg: And I will destroy all of you to win Zorndyke's approval!

Lincoln fired a rainbow energy blade, which pierced Verg's black heart, and he exploded in purple flames, and he was Super Hakaied for good, leaving Zorndyke alone.

Lincoln: You're not destroying humanity ever again, Zorndyke. This is the last time that we deal with you!

Lincoln unholstered his improved massive Sword of Universal Hope and Elemental Bravery from his wider and muscular back and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, The TLPS Bad Guys Gang transformed into their Super Angel Infinity forms and unholster their massive swords, Sima Shi, Sima Zhao, Sun Jian, Guo Jia, Zhang Bao, Guan Xing, Cao Cao, Liu Bei, Sima Yi, Sun Quan, and Jiang Wei got out their weapons, The Samurai Warriors got out their weapons, Lincoln's sisters transformed into their Super Angel Infinity forms and unholster their massive swords from their backs, Lincoln's sisters transformed into their Super Angel Infinity forms and unholster their massive swords from their backs, Lincoln's harem unholster their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark Compassion and Demonic Justice, and he unholstered his massive Sparda's Demon Fang of The Demon Hound sword from his wider and more muscular back, Mutio, Mei-Ling Huang, Tetsu Hayami, Mayumi Kino, Tokuhiro Iga, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their swords, Hector got out his massive Heaven's Maw of Judgement sasumata pike, Thor got out Mjollnir, and Me, Nico, Eli, and Nicole also unholstered our massive swords and transformed, and we went at Zorndyke, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time Energy, Gravity, and Magic, steel orbs, stars, rainbow flames, rainbow crystals, orange flames, blue flames, ice, green flames, and water, and they exploded with incredible power as they hit Zorndyke.

Then, Lincoln tied Zorndyke up in a rainbow energy straitjacket with rainbow chains, and beamed him to the Uranus Prison, where he was chained to the wall of his cell in Solitary Confinement with rainbow energy and Neutronium Chains. We cheered wildly as we holster our weapons and power down.

Lincoln: That's it for that genocidal mad scientist. (To Kayla Katara Kya) And it's so good to see you again, Kayla.

Kayla Katara Kya: You too, too, Lincoln, it's been a long time.

They went up to each other and they hugged, and Kayla Katara Kya was very surprised at just how much taller and much more muscular Lincoln's gotten since she last saw him.

Lincoln: It sure has been a long time, I haven't seen you when you were twelve, and as you can see, I have grown a lot since then.

Kayla Katara Kya: Whoa, you sure have, you've really grown a lot from the eleven-year-old cute little boy into a 17-year-old 7'0" tall and very handsome and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, that's so awesome.

Nico: Wow, Lincoln, you know her?

Lincoln: Yeah, I do, Nico. This is Kayla Katara Kya, she's a Waterbender born with an immensely powerful Waterbending that's 150,000 times more powerful than all of the strongest Waterbenders combined and can easily overpower Firebending, even when enhanced with Sozin's Comet. And Sherlock Hound's right, you see, I found out that Kayla Katara Kya is the illegitimate biological half-sister of Katara and one of Kya's daughters.

We gasped at the revelation.

Me: (Amazed) No way, so she's the illegitimate biological daughter of Kya and half-sister of Katara?! hat's incredible!

Nico: (Amazed) Wait until Katara, Sokka, and Kya see her, this'll be one awesome reunion.

Kayla Katara Kya: It'll be good to see Katara, Sokka, and my mother again, and I already know that the war is over, and Ozai's in prison for life, and I've also got a dark revelation about Joe Quimby and it's

1,000 times much worse than everything he has done.

Nico: Uh oh, and I've got a feeling none of us are going to like it one bit.

Lincoln: We'll wait to hear about that later. Let's get you back to normal, Kayla. Boys, you know the drill.

Me, Nico, Eli, and the rest of the boys covered our eyes as Lincoln snapped his fingers, and Kayla was was reverting back to normal. Kayla Katara Kya is a beautiful 17-year-old girl with long blue hair going to the upper part of her back, blue eyes and she also has the symbol of the Water Tribe emblazoned on her forehead, fair skin, she's 6'5" in height, she had the body of a goddess, and she has massive blue angel wings, as she reigned in the power of Blizzed, Defender of The Ice Barrier.

Lincoln: How do you feel, Kayla?

Kayla Katara Kya: Good (Realizes she's in her birthday suit) But, I'm also in my birthday suit.

Lincoln gave Kayla Katara Kya her new wardrobe, a short-sleeved blue top with ocean waves with a blue phoenix and the symbol of the Water Tribe on it, blue skirt with Blizzed on it, blue pants, blue sneakers, and a long blue sleeveless trenchcoat with ice and water on the coattails and on the back is Blizzed, Defender of The Ice Barrier, and on her back is a large Blizzed, Defender of The Ice Barrier-themed sword with a 6'5" massive, wide, double-edged, man-sized blue blade with Blizzed, Defender of The Ice Barrier etched on it, Blizzed's wings for the crossguard, large blue gem for the hilt, longer black handle, and a large blue gem surrounded by angel wings for the pommel.

Kayla Katara Kya: Wow, I love the new outfit and sword you made for me, Lincoln.

Suddenly, a Thunderbird Necklace of Eternal Love appeared on Kayla Katara Kya's neck with blue gems on the gold lightning bolts and blue crystals links from her new Crystal Necklace of the Buddha, which merged with her Thunderbird Necklace of Eternal

Love.

Kayla Katara Kya: (Surprised) Whoa, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love, which means you're now part of my harem and my many future wives, Kayla.

Kayla Katara Kya had a smile on her face and tears coming from her eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around her waist and he leaned down and he kissed her on the lips, and she returned it, and we cheered for them. Then, we went up to the nine girls here, and when Lincoln saw them, he immediately recognized them. The nine girls are Kuze Kiriha, Sendou Erika, Tougi Shiro, Yuuki Haruna, Yuuki Kanade, and Amaike Shizuko from Fortune Arterial, Sara Halifa, Fei Cui, and Mitamura Sayoko from Gallery Fake.

Lincoln: Oh wow, it's Kuze Kiriha, Sendou Erika, Tougi Shiro, Yuuki Haruna, Yuuki Kanade, Amaike Shizuko, Sara Halifa, Fei Cui, and Mitamura Sayoko.

Nicole Knudson: From Fortune Arterial and Gallery Fake, awesome.

Lincoln: Are you girls okay?

Kuze Kiriha: Yes, we're okay, thanks to you.

Then, when Kuze Kiriha and the other eight girls saw who it was that saved them from Zorndyke and Verg, their faces turned atomic red upon seeing the 17-year-old 7'0" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide right pec and it was surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top was the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, and Buffalo, and below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, and The Thirteen Elemental Forces, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and a Mark of Manhood tattoo of a bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

He had his massive Sword of Universal Hope and Elemental Bravery holstered on his wider and muscular back, his orange Crystal Saber holstered on his left hip and his Eater of Sins revolver holstered on his right hip, the Pisces the Fish constellation and Aquarius Zodiac sign on the back of his neck and the Cygnus the Swan constellation on the back of his massive left hand, large weighted orange bands on his massive biceps and thighs with silver phoenixes on them, his large gold Cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, massive and indestructible deep sapphire blue angel wings and the stars and blue nebulae reflecting on them with rainbow tips on the large deep sapphire blue feathers, and he was dressed in an orange version of He Man 2002's loincloth with hanging silver lightning bolts and long orange trenchcoat coattails with elemental forces, Thunderbirds, Phoenixes, and Buffalo on them and with hanging mini silver lightning bolts held up by his large gold Belt of Elemental Bravery with large orange gem for the belt buckle on his waist, a pair of large blue pants with multicolored lightning bolts on the thighs with the orange kanjis "Savior of The Loud House, Powerful Student of Many Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of The Thunderbird, and The Unifier of The Three Kingdoms" on the left legs, and large white leather combat boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and armor on the toe area, silver Buffalo head stud earrings with the Thunderbird and Eternity Kanji on it, a large Thunderbird Necklace of Eternal Love with colored gems on the gold lightning bolts with a large deep sapphire blue gem in the shape of a Thunderbird on top of a silver Buffalo head with the Thunderbird and Eternity Kanji on his neck and across his bare chest, large fingerless orange gloves with the symbol of The Loud House on it and surrounded in a diamond formation are a Phoenix, Thunderbird, Buffalo, and Angel, a large Orange Buffalo Animal Spirit Ring on his left ring finger, large Blue Lantern ring on his right ring finger, he had eight large orange orbs orbiting around his legs, and circling around his feet on the floor are eight golden crosses with angelic runes.

Kuze Kiriha: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made eight clones of himself, and he and the eight girls went up to the girls, and picked them up and hugged them in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrap their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Kuze Kiriha: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, nine Thunderbird Necklaces of Eternal Love appeared on the necks of Kuze Kiriha, Sendou Erika, Tougi Shiro, Yuuki Haruna, Yuuki Kanade, Amaike Shizuko, Sara Halifa, Fei Cui, and Mitamura Sayoko with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha. We return to the Estate, and we told everyone what'd happened, and they were shocked when they found out the villain we went after were Zorndyke and Verg, who returned from the dead, and that Kayla Katara Kya, the Blizzed, Defender of The Ice Barrier Gene-Slammer, is the illegitimate daughter of Kya and half-sister of Katara and Sokka.

But, when Lincoln showed what he did in killing Verg and Super Hakaing him and all of us beating up Zorndyke and putting him in prison, they cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Kayla Katara Kya now have a lot of catching up to do, now that she's back, and she's been reunited with Katara, Sokka, and Kya.

---

After throwing Zorndyke in prison and getting rid of Verg for good, we were training intensely in the gym, this time, doing 150,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Kayla Katara Kya saw Lincoln working out like crazy, she had an atomic red blush on her face.

Kayla Katara Kya: Whoa, Lincoln's really grown to be a 17-year-old 7'0" tall, really big, and really strong man, just look at those abnormally massive and powerful muscles hard at work, and to work out with those 9,500-lb barbells and not even get tired, incredible.

Lincoln: And I've also trained a lot under some very powerful teachers, J.D. and Nico included, Kayla, and now, I can also fight and defend myself.

Kayla Katara Kya: That's incredible.

Nico: It sure is, Kayla. So, what's this dark revelation about Joe Quimby, and like you said, it's a 1000 times much worse than everything he's ever done?

Kayla Katara Kya: You're not going to like it, Nico, same with everyone here. I was approached and asked by The FBI to go undercover in Springfield, and dig up something about Joe Quimby. I agreed to do so, and they knew of my immensely powerful Waterbending and training in martial arts. Once I agreed to the task, I infiltrated Springfield's Town Hall, and still hidden in the shadows, I went into a hidden room in the back, and I found out that Joe Quimby was planning to defraud the government of The United States by kidnapping the President's daughter and offering a ransom of one trillion dollars to get her back, and he planned to get Mr. Burns to kidnap her. But, once they got the money, they'll kill her in cold blood. After I recorded the whole thing, I went back to the FBI's office in Washington D.C., and after I played the whole conversation, they issued a bounty on Joe Quimby and Mr. Burns' heads of $500,000,000,000,000,000,000,000,000,000,000, since those two have committed some dark crimes in Springfield. But, some of the agents that were sent to arrest those two were murdered by Quimby's thugs and Burns' goons, and that tripled the bounties on their heads.

We gasped in shock at this dark revelation.

Me: (Shocked) My God, now that's one nasty and dark revelation.

Nico: (Shocked) This is indeed 1000 worse than everything Quimby's done: planning to defraud the government of The United States by kidnapping the President's daughter and offering a ransom of one trillion dollars to get her back, and he planned to get Mr. Burns to kidnap her. But, once they got the money, they'd kill her in cold blood. Now, I'm really glad we killed Quimby and Mr. Burns.

Lincoln: You said it, but if Mr. Burns comes back, he's getting The Black Gates, along with Quimby. After all of the horrible things they've done for over three decades, they need to be erased from existence and history, and doomed to be forgotten for all eternity.

Lori: You said it, Lincoln, and if this gets out to the Springfield Scumbags who are in The Masters of Evil, they'll be horrified even more, and they'll want to go to war against Quimby and Mr. Burns.

Scott Pilgrim: Sheesh, and I've seen the crimes of Joe Quimby and

Mr. Burns in The Simpsons, and to find out they're not only corrupt officials, but also traitors to The United States, that's shocking.

Lincoln: And you already knew of the destruction of Springfield, right, Kayla?

Kayla Katara Kya: That's right, Lincoln, and you guys did an amazing job with that. And I've got just the thing for you guys.

Kayla Katara Kya got the reward money for the bounties put the heads of Joe Quimby and Mr. Burns: $500,000,000,000,000,000,000,000,000,000,000, and we put it into our accounts.

Lincoln: Awesome, and now, we should shower and get ready for our beach date at Lake Lamode, and kids, you're also joining us.

Thunder Sparkle: Awesome.

We got a shower after our workouts, and then, Lincoln, his harem, and his kids got ready for their date, and it's at Lake Lamode in the world of Mario.

Lincoln then snapped his fingers, and the 17-year-old 7'0", white-haired, handsome, and extremely muscular teen was dressed in large orange swim trunks with a phoenix, thunderbird, buffalo, angel, and elemental forces on it, along with his large weighted orange bands with silver phoenixes on his massive biceps and thighs, his jewelry, large orange sandals, and eight large orange orbs orbiting around his legs, and he also had his weapons holstered, in case of trouble.

Lincoln's harem were dressed in two-piece bikinis in their favorite colors, sandals, along with their jewelry, and they also had their weapons holstered in case of trouble.

And Lincoln's kids were dressed in swimsuits in their favorite colors, sandals, along with their jewelry, and they also had their weapons holstered in case of trouble.

Lincoln: Alright, everyone, are we ready?

Thunderbird Apple: We're ready, Dad.

Lincoln, his harem, and his kids left the World Tree Estate, and they arrived at Lake Lamode, and when Lincoln's kids saw Lake Lamode, they were amazed.

Storm Rainbow: Wow, so this is Lake Lamode, the place where you, Mom, our aunts, and the rest of your harem went to, Dad? This is so… AWESOME!

Lincoln: That's right, Storm Rainbow, and it's amazing. Now, you, your sisters, and the rest of the kids are now visiting Lake Lamode. Shall we?

Lincoln, his harem, and his kids dive down, and they began swimming around the place, and they met the inhabitants of Lake Lamode, and they were amazed. Then, they had lunch inside the Water Plaza, and it was indeed amazing, and they played with the kids. Then, as soon as the sun's about to set on Lake Lamode, Lincoln made clones of himself, and he and the clones went up to the girls in his harem and picked the girls up in their abnormally massive and powerful muscular arms, and as the sun turns orange, they passionately kissed and hugged with supercharged and intense passion. Then, they came back home to the Estate, and they were in their original clothes.

Nico: Hey, guys, how was your date?

Storm Rainbow: Awesome, Uncle Nico, we went to Lake Lamode in the world of Mario. Dad told us that he, Mom, our aunts, and the rest of his harem have been there on their dates, and it's everything that they said it was.

Thunder Sparkle: It was so awesome.

Emerald Shine: And it was our first time going there, and it was amazing.

Mirage Daffodil: And we met the inhabitants there, and they were really friendly.

Me: That's awesome, and I'm glad you guys had a ton of family fun

there.

Lincoln: You got that right, J.D. I'm so glad the kids had fun there. This reminds me of the family trips we went on.

Lynn Loud: Oh yeah, and even though things didn't go according to plan, we still had fun, Lincoln.

Storm Rainbow: Whoa, we'll have to hear about that later, Aunt Lynn.

Lynn Loud: Trust me, Storm Rainbow, your dad and all of us had a bit of a wild time, and it was very chaotic.

---

Later it was time for Fluttershy's 2nd Ambassador Mission.

William: Better be careful, Lincoln. I heard the Mammoth Tribe are really strong.

Nico: And if they are like everything that Mammoths were back over 30,000 years ago then you better be careful.

Lincoln: I will.

Me: Laval is really awesome Lincoln. You will love meeting him and his friends in Chima.

Lincoln: I know I will.

Me: Lets head out guys.

I opened the portal and we were off to Chima.

Moonlight Raven then came to Nico.

Moonlight Raven: Nico I think you should know something?

Nico: What's wrong Moonlight?

Moonlight Raven: I have this feeling that Attinger of the Live Action Transformer Universe may be here on Earth like much of Cemetery

Wind is.

Nico: Oh man!

We arrived at the Chima Castle.

Me: Here we are.

Lincoln: Wow! Chima is so beautiful.

Me: Yep it sure is.

Laval and everyone saw us.

Laval: Hey guys!

Eris (Chima): Awesome to see you all here.

Me: Yep.

Fluttershy: Laval, this is my boyfriend and the greatest man ever.

Lincoln: Awesome to meet you all. My name is Lincoln Landon Loud.

Me: Lincoln is one of my best friends and we have gone through so much on many of our adventures over the years.

Laval: Awesome! It's a pleasure to meet you Lincoln.

Eris (Chima): We heard so much about you.

Cragger: You have an awesome family and an amazing heart from what we heard.

Lincoln: Thanks. It's an awesome honor to be here.

Laval: Glad you are here. I take it you heard about the Mammoth Tribe?

Me: That's our next target here. But we heard they are very simple minded.

Eris (Chima): You heard right.

Laval: Fluttershy, first, I'm going to teach you how to use Chi.

Fluttershy: Oh I would like that. It would be an honor to learn what you know.

Me: That will be awesome to see. I should one day introduce you all to the Kung Fu Defenders of the Valley of Peace. They can use Chi too. Same with Iron Fist.

Lincoln: That's right he can.

Me: First lets get you set up for this Fluttershy.

I snapped my fingers and she was now in an awesome green and pink version of Master Goku's fighting uniform and it matched her dress. We're going to help her learn how to use the powers of Chi.

Cragger: While you're doing that, I'll get my new vehicle ready.

Laval: The Swamp Skimmer, right?

Cragger: Yep. This will be awesome.

Me: Awesome. Lets get to work!

We got to work and Fluttershy was learning all about the awesome powers of Chi and she was really learning all kinds of techniques. She also was learning really fast. She was learning how to use the powers of Chi. She has the powers of making plants and trees grow fast in seconds and she even can make new plants and flowers and more. She even learned how to fire Chi energy blasts like how we fire Kamehameha Waves and everything. And she can even form a Chi Creature and control it. She learned so many amazing techniques. And I was learning them too.

Laval: You're learning great, Fluttershy!

Me: Wow she is taking everything you guys do and soaking it all up like a sponge.

Laval: She sure is.

Fluttershy: Oh I am just trying my hardest.

Eris (Chima): And you are doing great.

We continued training more and she was really learning fast.

Cragger: No one from the Mammoth Tribe here yet.

Me: But there will be. They will show up. In fact, they're coming!

We saw trees move and we saw THE MAMMOTH TRIBE!

Me: Wow! They may be strong but they are dimwitted but they would make excellent members of the Masters of Evil.

Lincoln: I agree there.

Fluttershy: Shall we get them?

Lincoln: Ladies first.

Fluttershy: Why thank you Linky.

Fluttershy fired a blast of Chi energy and then it hit the ground in front of the Mammoths and entangled them all in vines.

Me: AWESOME!

Lincoln: Wow! Way to go Flutters!

All the tribes of Chima cheered wildly for Fluttershy!

Laval: Sorry. You guys seem a little TIED up!

Mungus: You all will!

Me: You know what you guys need a much better life than trying to freeze the world. You would make awesome members for our frenemies in the M.O.E.

Lincoln: I agree. It would be great if you all had awesome archenemies with us in the future.

Fluttershy: I agree there.

Mungus: Well we need better jobs.

Me: Wise decision.

We later came back and we had the Mammoth Tribe with us.

Nico: Wow you guys did better than we thought.

Me: Yep. Fluttershy learned some new abilities. She now has the powers of Chi.

Lincoln: She tied them up with vines.

Fluttershy: Um would you all like to see?

Nico: Sure.

She did some stances and then flowers on vines popped up and spread all over the sofa and they were beautiful blue Columbine flowers and they smelled amazing.

Nico: Whoa! Fluttershy that is so amazing!

Eli: Wow! And the Columbine is a beautiful flower.

Me: It's the flower of Colorado.

May: Next time, Carmen Dillo should go with you.

Fluttershy: Oh that's a great idea May.

Me: Carmen Dillo will love meeting everyone in Chima. Eli, Nico and May you can come too. Our next target will be the Ice Bear Tribe.

Eli: Oh wow! This will be fun.

Nico: Count me in.

May: Aeesome.

---

Later we were getting ready for taking down Harold Attinger.

Nico: Soundwave, pinpoint Attinger's last known location.

Soundwave: Affirmative.

Concrete Man: Dude, calm down, will you? Attinger's not going anywhere.

Nico: You're right. I probably should calm myself down with a glass of water.

Lana: Here you go Nico.

Lana gave him a glass of water.

Nico: Ah Thanks Lana.

She gave him the glass.

Lola: Moonlight Raven has been worried about this as much as we have.

Optimus Prime: I can't believe that Attinger is that dangerous.

Me: Neither can we but he is pure evil. And he needs to pay for his crimes in prison.

Soundwave: Subject Attinger found. Location Gotham Royal York Landfill.

Lana: At the landfill? Awesome!

We arrived at the landfill and we saw a house behind a pile of garbage.

Attinger was working and then…

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted through the wall of the house and a phoenix cry was heard and then we came out.

Me: Harold Attinger. So we meet at last.

Nico: You must be Attinger. And you also look upset.

Attinger: I don't get upset, Chan. I get determined. And one of the reasons why is so I complete my goals.

Nico: You mean of selling cars?

Attinger: (annoyed) God, at least J.D. knew when to SHUT THE FUCK UP!

Me: HEY! YOU'RE THE ONE THAT NEEDS TO SHUT THE FUCK UP!

Nikki Flemmington: (to me) I've got a feeling that sooner or later, Nico's going to crack from being compared to you.

Me: Now is not the time for that Nikki.

Nico: But we have had it with you Attinger. You need to go to prison to pay for your crimes against both Cybertron and Earth.

Attinger: I WAS SAVING OUR WORLD BY MAKING IT HUMAN ONLY!

Nico: BULL-FUCKING-SHIT! What you did was make things worse for both our kinds!

Eli: YEAH! You are nothing but a Xenophobic Monster!

Attinger: If you're trying to get me to lose my sanity like you did your other enemies, it's not going to work.

Razorclaw: We don't have to do that. You lost yours on your Earth all those years ago.

Attinger: All I did was try to get rid of you Cybertronians for what you did to my world! Earth didn't have heroes but it was still peaceful until you machines ruined it!

Me: That's a big fucking lie and you know it!

Nico: Yeah! The Autobots helped your world! YOU are the main cause behind them rebelling!

Attinger: WHY YOU FUCKING LITTLE! I WILL KILL YOU!

He charged at Nico and then…

POW!

Nico punched him in the face and sent him flying and he crashed into a pile of garbage and then a safe crashed onto him.

CLANG!

He was knocked out from it.

Nico: What a hypocrite.

Nico then went over and slapped the handcuffs on him.

Me: But he has a lot to answer for. And Nico you and I, he has no right to compare you to me. Just remember what I said during the time we met the Rescue Bots.

G1 Grimlock: You Attinger bad man!

Attinger: (laughs) Bad?! Many innocents died in Chicago in my world and you're calling me bad?!

Nico: Okay, innocent people died in Chicago. No argument there! But you and your goons still killed many Cybertronians who were innocent too! Some of which we haven't met, by the way.

Me: That makes you a cold-blooded xenophobic genocidal murderer!

Eli: YEAH!

Eli walked over to him and then…

CRUNCH!

Eli kicked him square in the crotch!

Me: (WINCES) Nice one bro.

The cops arrested him.

Nico: Get this fucking piece of garbage out of my sight!

Sheila: With pleasure!

Attinger: YOU CAN'T ARREST ME! I'M PART OF THE C.I.A!

Sheila: Yeah yeah and I'm the princess of Thailand. Tell it to the judge!

He was arrested and taken away.

Me: Well that's it for him.

Nico: Yep. I hope he likes the prison food of Neptune.

Me: But Moonlight Raven is the true hero of this part of this mission. Her hunch was indeed spot on.

Moonlight Raven: Thanks J.D. It was great that we brought Attinger to justice.

Rarity: It was great that you helped us find him darling.

Me: We're gonna have one helluva story to tell to everyone in the live action Transformers universe tomorrow.

Starlight Glimmer: Yeah no kidding.

Nico: That is gonna be something. Attinger died in that universe and now he is disgraced, and sent to prison for the rest of his miserable life here in our universe.

Eli: I hope he gets the Curse of The Cobra in the Neptune Prison.

Laney: That would be satisfying.

Chelsea Storm: I agree with you on that.

Nico: Yep. Anyway it's time to get ready for our mission.

Kendra: It'll be so awesome to see Charlie Brown and everyone again.

Laxus: (sees a poster) Guess it's a good thing we're going after the Great Pumpkin after all.

Nico: Come to the Annual Gotham Royal York Pumpkin Pie Festival. Contest being held for the worlds largest pumpkin pie. First prize winner gets $725,000,000,000,000,000!

Laney: Wow!

Chelsea Storm: That would be an awesome win for Charlie Brown and his friends!

Eli: I agree.

Then Koragg, Whirlwind, Molten Man, King Shark, Evil Lyn, Trap Jaw, Tri-Klops, Beautiful Gorgeous, Puff and Whiteout appeared.

Koragg: Can me, Whirlwind, Molten Man, King Shark, Evil Lyn, Trap Jaw, Tri-Klops, Beautiful Gorgeous, Puff and Whiteout go with you all?

Nico: You all sure can.

Evil-Lyn: We saw Attinger being taken away. Looks like your hunch was spot on Moonlight.

Moonlight Raven: It sure was.

Me: And we also saved the world from having history repeat itself.

Nico: Yeah if we hadn't stop Attinger, the same thing that happened in the Live Action Transformer Universe would have happened to our universe too.

Optimus Prime: And that's the last thing we would have want happen.

Eli: But thank goodness we didn't let it happen.

Me: Yeah. Also you'll like this mission. We're going to meet Charlie Brown and friends and we're going to stop an evil version of The Great Pumpkin. We saw it on a Robot Chicken Sketch and that version of the Great Pumpkin is gonna be an awesome villain to destroy.

Koragg: I remember seeing that one! That was funny and crazy.

Nico: Yep. It sure was.

Then Koragg, Whirlwind, Molten Man, King Shark, Evil Lyn, Trap Jaw, Tri-Klops, Beautiful Gorgeous, Puff and Whiteout appeared.

Koragg: Can me, Whirlwind, Molten Man, King Shark, Evil Lyn, Trap Jaw, Tri-Klops, Beautiful Gorgeous, Puff and Whiteout go with you all?

Nico: You all sure can.

Evil-Lyn: We saw Attinger being taken away. Looks like your hunch was spot on Moonlight.

Moonlight Raven: It sure was.

Me: And we also saved the world from having history repeat itself.

Nico: Yeah if we hadn't stop Attinger, the same thing that happened in the Live Action Transformer Universe would have happened to our universe too.

Optimus Prime: And that's the last thing we would have want happen.

Eli: But thank goodness we didn't let it happen.

Me: Yeah. Also you'll like this mission. We're going to meet Charlie Brown and friends and we're going to stop an evil version of The Great Pumpkin. We saw it on a Robot Chicken Sketch and that version of the Great Pumpkin is gonna be an awesome villain to destroy.

Koragg: I remember seeing that one! That was funny and crazy.

Nico: Yep. It sure was. Alright, everyone, it's already time for Kendra's special mission.

Lincoln: Alright, we're going to meet Charlie Brown and his friends in Minnesota, this is going to be so awesome.

Me: You said it.

Nico: Alright, and now that we're prepared, let's get going.

But, before we were about to head out to meet Charlie Brown and his friends in Minnesota, Lincoln's deep sapphire blue eyes glowed even more, as he sensed a dark energy signal, and he saw a vision of who that dark energy signal belonged to, it was Beowulf, an ancient demon with ties to Mundus, and a very strong hatred for Sparda for betraying Mundus 2,000 years ago. When we saw that, it definitely meant trouble.

Nico: Uh oh, Lincoln, trouble?

Lincoln: Afraid so, Nico, and we're not going to like it, and it also concerns Sherlock Hound and Sparda: the demon I saw in the vision is Beowulf, one of Mundus' demons, and he's returned to get revenge on Sparda for betraying Mundus 2,000 years ago.

We gasped in horror at what Lincoln told us.

Sherlock Hound: (British Accent) If Beowulf is here, then that means one thing.

Sparda: (Through the Large Red Jewel) Yes, it means that Mundus has returned, and knowing him, he still wants revenge on me. After I died, Mundus sent his minions to destroy Eva, Dante, and Vergil, the only one who died on that day was Eva, and Vergil and Dante escaped, but Vergil was affected by the trauma of Eva's death, and his desire for power blinded him, and Dante desired to get revenge on Mundus, and he became an experienced Devil Hunter.

Lincoln: Mundus has caused you nothing but grief for the last time, Sparda. If we face off against him in the future, we'll see to it that

Mundus, his army, and his infernal kingdom are destroyed forever.

Lincoln 2: Yes, and there's something you should know about that demon, Beowulf: Beowulf is an ancient demon known as a Lightbeast, they're demons who have the powers of light and can fly with the use of their four bird wings. But, make no mistake: they're incredibly dangerous.

Sparda: Indeed they are, but let me tell you all about Beowulf, since you will be the one fighting him, Kendra Armstrong. But, trust me, none of you will like him one bit.

Sparda proceeded to tell us about Beowulf, and as expected, we weren't going to like him one bit.

---

Beowulf

Beowulf, also called Lightbeast, was one of the gatekeepers of Temen-ni-gru, who was half-blinded and sealed away for 2000 years by Sparda. He is one of the bosses that appears in Devil May Cry 3: Dante's Awakening.

Appearance

Beowulf appears as a large lion like creature with an eye missing. He has four bird wings on his back that aid him in flying. Beowulf also has a scorpion tail that can be used for attacks.

Personality

Beowulf is cruel, unforgiving and vindictive as was shown when he promised to annihilate every last blood relation of Sparda for the latter's betrayal of the demonkind. He's also ruthless and impulsive as shown when he immediately attacked Vergil after sensing his smell without possessing any knowledge about the current situation or making any attempt to confirm the identify of his enemy. Thinking that his opponent was still Dante, he underestimated Vergil and paid the ultimate price with his life. During his last moment, he realized that Sparda had two sons and proceeded to insult him one last time by comparing him to excrement.

Biography

Devil May Cry 3: Dante's Awakening

When Dante enters the Torture Chamber, Beowulf senses that Dante has "Sparda's blood", and attacks. Dante defeats and blinds the creature, but when Beowulf tries to chase down Dante's scent he instead finds Vergil. Assuming him to still be Dante, he tries to "annihilate every last blood relation of Sparda". However, Vergil immediately kills Beowulf and the demon falls apart, realizing his mistake in the process while cursing Sparda. Vergil then takes Beowulf's soul as a Devil Arm.

---

When Sparda was done, we were indeed horrified.

Nico: Whoa, so even after all this time, Beowulf still wants revenge on you for betraying Mundus two millennia ago. Sheesh, that's one nasty grudge.

Sherlock Hound: (British Accent) Indeed it is, Nico. But, Beowulf needs to be stopped for good, and I'll personally send the message to Mundus: if he crosses us, the only thing that awaits him is death.

Sparda: I should've killed him those 2,000 years ago instead of sealing his powers away, but I've had no regrets in my choices, what Mundus was about to do would've meant the end of the world.

Lincoln: And we have no arguments, Sparda. You did the right thing in sealing Mundus' powers away along with the portal to the Demon World, but now that Mundus is back, looks like we're now at war with Mundus and his armies.

Kendra Armstrong: And I'll need help from you and Sparda, Sherlock Hound, with dealing with Beowulf. If he sees you fighting alongside me, he'll be blinded by his desire for revenge, and it'll cause him to lose focus in his real fight against me.

Sparda: That's a good idea, Kendra.

Sherlock Hound: (British Accent) Indeed it is, and when he faces off against you when you transform into your Armorsight form, this is bound to get Beowulf even more furious.

Nico: (Smirks) So, you'll be relying on Beowulf's vindictive nature and rage towards Sparda to get the advantage on Beowulf. I like that kind of plan, Kendra, and Beowulf's in for one nasty surprise when he faces the both of you.

Lincoln: And Sherlock Hound is also going to make sure to send a personal message: if Mundus dares to send his allies to attack us, there's only one thing waiting for them, death.

Nico: And Sherlock Hound did say that he'll see to it that Mundus, his army, and his infernal kingdom are annihilated for all eternity, but it's not just him, but Sparda also wants to see to it that Mundus never returns.

Me: You said it, Lincoln.

Nico: That's one promise they'll definitely fulfill. Alright, everyone, let's go.

Freon: Nico, which Gene Slammer do you think you'll meet on your next rescue?

Nico: I'm thinking of meeting an Evolved Prypiatosian-B Gene-Slammer next.

Me: Ooh want an evolved Radioactive one next. So Radioactive Man, one of the Fire Users or Carol will go with you next.

Nico: Yep. All right lets go.

We then head off to Minnesota to meet Charlie Brown and his friends, and once we're done with our special mission, Kendra Armstrong and Sherlock Hound are going to fight Beowulf, the vengeful demon and servant of Mundus, who's arrived to get his revenge on Sparda for betraying Mundus two millennia ago.

---

We arrived in Minnesota.

Whiteout: Here we are!

Nico: Yep and it's awesome to be back here again.

Mordecai: Nico I have a good feeling about the next girl you're going to meet.

Nico: Why is that Mordecai?

Skips: Well I think we have just the archenemy for her in the M.O.E. Ever heard of the Zingos?

Nico: You mean those Chicken Wing Monsters with the scary teeth that you met in the Inferno Wings World, Skips?

Skips: Those are the very ones. If you're going to meet an Evolved Prypiatosian-B Gene-Slammer she will be perfect for them as their archenemy. Also we got to face the old men that made them in the first place and they live on the Louisiana Bayou.

Nico: A coming of a future mission. Nice prediction Skips. Thanks.

Skips: Anytime.

Nico: Lets go find Charlie and his friends.

Kendra: They're playing at the park. Follow me.

We followed Kendra since she was there on her Ambassador Missions.

Charlie was sitting under a tree and watching the clouds. But then…

Kendra: (covers Charlie's eyes) Guess who!?

Charlie Brown: Is that you Kendra?

Kendra: Yep.

Charlie Brown: Kendra!

They hugged.

Kendra: Awesome to see you again Charlie. I brought all of the team with us.

We all came out.

Me: Hey Charlie.

Charlie Brown: Hey guys!

Nico: Awesome to see you again dude. We owe you big time for helping us in the 57th Century.

Charlie Brown: Aw it was nothing.

Maria: I'm just surprised you and your friends were able to take down Steeljaw Jack considering that he was possibly stronger then you guys.

Charlie Brown: We don't know how we did it ourselves but it was amazing.

Lucy Van Pelt: We had a lot of fun helping you all out.

Peppermint Patty: Yeah that was fun.

Nico: You all did great and we are very proud of you all for helping us out.

Laney: It was so awesome.

Brian: Yeah that was so awesome. And Poromon don't give any beer to them they are only kids.

Poromon: Aw man.

Charlie Brown: You guys have a Digimon that drinks beer?

Me: Don't ask.

Koichi: Can we meet the rest of your friends?

Charlie Brown: Sure.

We walked around and we were introduced to all of Charlie Brown's friends: Schroeder, Linus van Pelt, Sally Brown, Woodstock, Marcie, Rerun van Pelt, Spike, Shermy, Patty, Violet Gray, "Pig-Pen", Franklin, Eudora, Frieda, Lydia and many more.

Nico: WHOA! Awesome to meet you all.

Pig Pen: Same here.

Pig Pen (MLP): You and I will get along great kid.

Eli: Awesome.

Linus: This will be cool.

Nico: (to Lucy and Linus) I now know what you guys meant when you called me too trusting.

Whirlwind: How'd you two even figure out about the unauthorized party?

Linus: When you leave certain troublemakers by themselves, they tend do throw parties without permission.

Me: I've seen that happen many times before on TV and all sorts of places.

Nico: Yeah that is crazy.

Laney: It's also very untrustworthy.

Lana: Yep.

Kimi Lao: But that is really amazing that you two knew about Buzz's party.

Poromon looked at Snoopy and Woodstuck and got out a beer bottle.

Charlie Brown: Oh, don't tell me that's-

Poromon: One bottle of beer!

Burst Man: (sees warning label on the bottles):"Not to be consumed by people under age of 13". Wait. Who are you giving the beer to then?

Poliwag: Snoopy and Woodstock. Plus, even if Charlie and his friends aren't too young, 1 bottle of beer isn't enough for all of them.

Me: Uh beer is not good for dogs and birds Poliwag.

Nico: I wouldn't do it.

Lucy Van Pelt: Hey, Charlie. Wanna kick a football?

Charlie: Sure!

Charlie runs to kick the football, only for Lucy to pull it away and for him to land on the ground with her laughing.

Lucy Van Pelt: Gets 'em every time!

Molten Man: Honestly, that always is funny to watch.

Me: Well what did you expect? Lucy has been doing that to Charlie for as long as anyone can even remember. It's an iconic thing.

Eli: Excuse me. I must discipline the nanny goats.

Charlie Brown: (Eli grabs his head) Oh, great! Now, we're both gonna get it!

Lucy Van Pelt: (laughing as Eli grabs her head) I don't even care! It was still worth it!

BLANG!

He bashed their heads together.

Me: Ouch. At least it's not like how Peter Griffin would have done it.

Lana: What would he have done?

Me: Kick Lucy all over and pulverize her and threaten Lucy until she made Charlie kick the ball.

Nico: Oh.

Alternate Chrysalis: I'm gonna get right to the point. What do you guys know about the Great Pumpkin?

Charlie Brown: He's a big pumpkin that only comes out on Halloween.

Me: Well even though it's March we have quite a mission to tell you all about. And it's the reason why we came to help you guys. We're going after an evil horrifying version of the Great Pumpkin. It's something we saw in a Robot Chicken Sketch and it was really crazy. It was because of Linus using Satanic Magic to summon the Pumpkin. Well Instead I'll show it to you all. But I must warn you all, what you are about to see will probably give you nightmares for a long time

I showed them the sketch.

---

Linus is standing in the middle of a pumpkin patch at night)

Linus Van Pelt:… and so, each Halloween, the Great Pumpkin rises out of the pumpkin patch and gives Halloween presents to all the girls and boys. For some reason, he's never actually appeared to me personally, but this year will be different.

(He sets a chicken on fire in the center of a pentacle)

Linus Van Pelt: Arise! Arise, O Great Pumpkin! (He sees the great pumpkin appear) Finally! Now you can give me presents. (A menacing shadow appears over him and making him shriek.)

(A card reading The time of the great pumpkin: Day 1 is shown)

Day 1 (In a field near the pumpkin patch, Lucy is attempting to trick Charlie Brown into trying to kick a football)

Lucy Van Pelt: Just kick the ball, you blockhead!

Charlie Brown: But every time I try, you just take the ball away.

Lucy Van Pelt: This time I won't! Come on, already!

Charlie Brown: (Thinking to himself) Maybe this time she means it. (He begins running) I'm going to do it. I'm going to kick the football. This is it!

(He kicks Lucy instead, who flies off into the pumpkin patch)

Lucy Van Pelt: Aaaahh!

Charlie Brown: That's for years of humiliation, bitch!

(Lucy lands in a puddle of blood)

Lucy Van Pelt: What the…? (screaming)

Charlie Brown: Poor Linus. (Lucy and Charlie Brown are at the police station)

Lucy Van Pelt: That blockhead! Everyone's a blockhead! Blockheads. Blockheads. Blockheads!

An anonymous, offscreen adult: Wah wah wah wah wah wah wah wah wah?

Lucy Van Pelt: (to Charlie Brown) What did he say?

Charlie Brown: Augh! I never have any idea what any adult says. It's always that "Wah wah wah" crap.

(A card reading: Day 2 is shown)

Day 2 (The Peanuts friends are gathered around Linus's grave, and Schroeder plays a funeral song on his piano)

Charlie Brown: I thought it would be appropriate to bury what little they found of Linus in his security blanket. (He throws it in the grave)

Lucy Van Pelt: That stupid blanket! I knew he was never right in his head.

(Snoopy howls)

Sally Brown: Oh, my sweet babboo! I can't live without him! I won't leave him, I won't! (She begins crying and runs twist around, and Pigpen begins filling it with dirt) Linus! Linus! I can't… Linus!

Charlie Brown: (to Marcie and Peppermint Patty) This is different from the time we got lost in France, or when we almost drowned during the Great River raft race. I fear just having a positive attitude with strong Christian overtones won't save us this time.

Marcie: (to Peppermint Patty) Hold me, sir.

(The girls begin kissing)

Charlie Brown: I said strong Christian overtones!

(A card with the text: Day 10 is shown)

(Charlie Brown is at Lucy's psychiatric help booth)

Charlie Brown: I'm at the end of my rope, Lucy. Everyone else is dead besides you and me. (Lucy gasps as the menacing shadow appears over her; Charlie Brown turns away from her, thinking he is still talking to her, as a crunching noise is heard)

Charlie Brown: I thought being stuck as a prepubescent bald kid for fifty years couldn't get any worse. (sighs) What should we do?

Great Pumpkin: (offscreen) You should let the Great Pumpkin eat you!

(The Great Pumpkin comes out of the booth and Charlie Brown turns around and sees it)

(Charlie Brown runs away, followed closely by the Great Pumpkin; he attempts to hide under a tree. The Great Pumpkin appears in front of him, but stops at the sight of several broken kites lying under the tree)

Charlie Brown: Meet the kite-eating tree, you ugly son of a bitch!

(The Great Pumpkin's head is ripped off and subsequently eaten by the Kite-Eating Tree)

Charlie Brown: It's over. It's finally over. Rest, my friends; now you can rest.

(All his dead friends appear dancing in Hell to Schroeder's music, and are joined by a demon, the scene fades to black, which ends the sketch)

---

When it was done the kids were shocked!

Charlie Brown: That is who we're going to be fighting!?

Eli: Yeah scary huh?

Tri Klops: I'm sorry. But you guys needed to see this.

Me: Yeah but I did warn you all. It's the reason why we came here.

Nico: Robot Chicken is stupid, funny and crazy. But that's who we are fighting.

Linus: Wow. But I would never do that to summon the Great Pumpkin.

Nico: We know you wouldn't Linus.

Milhouse: Linus you and I are very similar. I have summoned a version of the Great Pumpkin called the Grand Pumpkin. (Season 20 Episode 4C)

Nico: That is cool.

Hunch: Granted, none of us have ever seen the ACTUAL Great Pumpkin yet.

Nico: He doesn't come out until Halloween usually.

Me: Yeah. And that's not for 7 more months.

Eli: But we still have to be ready for it.

King Shark: Before we discuss anything else, is there any place you guys to go to eat?

Charlie Brown: We don't have that many restaurants.

Me: Not a problem.

I grew food trees and we were gonna have a picnic to eat.

Charlie Brown: Kendra, I forgot to ask you this before. What are your favorite parts of your Armorsight transformation and your reversion to human?

Beautiful Gorgeous: It's okay if you forgot that question.

Charlie Brown: Thanks.

Kendra: I like getting rock skin when I change and I like when I gain my hair back when I revert.

Nico: That was so awesome.

Me: It sure was cool.

Eli: We all thought it was.

Nico: Yep. Good fun here too.

Charlie Brown: Yeah that was so cool.

Evil Lyn: And don't worry. Despite what you saw in that sketch, none of you are going to Hell. Ever.

Nico: We'll make sure of it.

Charlie Brown: Thanks guys.

Kendra: Anytime.

Me: But how can you all understand adults like that when all they speak is in Trombone noises?

We laughed.

Blizzard Man: Also, do we have to worry about the Kite Eating Tree?

Nico: Nah. That one was just included as an extra.

Me: Besides we're only here to destroy the Satanic Great Pumpkin.

Laney: Yeah.

Trap Jaw: I don't think the Kite Eating Tree will be of much help here.

Me: Yeah we have had many run-ins with these enemies and they have some of the Power Rangers Foot Soldiers to back them up.

Nico: Yep. And they always go Megazord Size in the end. But We always have a secret weapon in the end.

Eli: Yep.

Me: (Smiles and winks)

RD Lola: Also, I don't think the Satanic Great Pumpkin can talk.

Maria: That's a shame. I think?

Nico: Actually in the Sketch he could.

RD Lola: Oh. Sorry.

But, once they got the money, they'll kill her in cold blood. We arrived at the abandoned pumpkin garden.

Me: Wow what a scary garden.

Nico: Yeah. No kidding. Wait I think I see him.

We saw a huge ginormous pumpkin that was bigger than the others right in the middle of the pumpkin garden 700 yards away.

Nico: That's a no brainer.

Then we heard a plane and we saw that it was a German Fighter Plan from World War I and it was the plane of the infamous RED

BARON!

Charlie: Good grief. It's the Red Baron.

Me: That's a German Fighter Plane from World War I!

Satanic Pumpkin: And you must be Shendu, the one who battled

Jackie Chan so many times for all those years!

Shendu: Oh, great. You can talk. Now, what's your endgame here?

Satanic Pumpkin: Simple. Certain people believe that the Great Pumpkin acts like Santa to good little boys. Well, I'm gonna prove them wrong by killing just enough people to bring

terror to this world! Shame you won't join me though. You would've loved my plan in the good old days.

Shendu: Not if we have anything to say about it!

Suddenly the Chaotic Monsters, Skeletor's Forces and the Femme Fatales spirits appeared and they swirled around the pumpkin and then converged and then…

KRABBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off behind them and then a phoenix cry was heard and we came out.

Nico: Okay Pumpkinface! Your time has come!

Satanic Pumpkin: Team Loud Phoenix Storm!?

Nico: That's right!

William: Buddy, you are FUCKING EVIL!

Me: You are a monster!

Satanic Pumpkin: Putrids, attack!

An army of Putrids appeared.

Me: Putrids! Now we're talking!

Nico: Awesome!

Nico fired a blast of fire and blew the Putrids apart. Many of them.

Then the Putrids jumped onto Charlie Brown and friends.

Charlie Brown and his friends lay defeated at the hands of the Putrids.

Satanic Pumpkin: (laughs evilly) Your friends are going to die just like in the Robot Chicken sketch I'm based on, Charlie Brown. The only difference? You're gonna die with them!

WarKevin: (blasts a Putrid) Guys, I don't mean to be overdramatic. But Charlie Brown and his friends ARE ABOUT TO BE MURDERED IF WE DON'T DO SOMETHING!

Kendra then got an idea.

Kendra: (to everyone watching) Everyone out there! Lend Charlie Brown and the others your strength! They get stronger with your support! When I go "1, 2", shout "You can do it,

Kendra: Louder! 1, 2…

All: (LOUDER) YOU CAN DO IT, CHARLIE BROWN!

At these words, Charlie Brown found the strength to get back up.

Charlie Brown: They're right. I can't give up now. Not when everyone's counting on me!

A Putrid was about to finish Charlie Brown off but he punched it in the stomach, making it fall to the ground.

We blasted many Putrids all over.

Charlie Brown: Thanks for all the help, everyone.

Sally Brown: I didn't we had so much fans.

The explosion knocked him down.

Nico: It's over for you Pumpkin Face!

Satanic Pumpkin: (laughs evilly) It's not over until the fat lady sings!

Fat Lady: (Offscreen) HEY WHO ARE YOU CALLING FAT!?

The Satanic Pumpkin laughed evilly as he started to grow giant.

UH OH!

Nico: Not good!

Eli: We need Wild Zord Power!

Wild Force Rangers: WILD ZORDS DESCEND!

He had the Alligator Mouth fire a massive energy blast and it hit the Satanic Pumpkin and exploded with incredible power!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was knocked down but not out yet!

Me: The Blue Whale Ultrazord is not gonna be enough for this one. Oh if only there was a Super Ultrazord for Wild Force.

?: There is.

I turned and I saw Princess Shayla.

Me: Princess Shayla. Been a while.

Princess Shayla: It has been a while. This will help.

She held out a brand new Wild Force Zord Crystal and it was for the Argentinosaurus! The First Ever Dinosaur Wild Zord!

Me: Wow! An Argentinosaurus Wild Zord. This is gonna be awesome.

She then gave me a purple sword for it.

Princess Shayla: This sword is the Argentino Summoner. It will summon it.

Me: Right. Thank you Princess. We owe you big time.

I put the crystal in it.

Me: Watch this guys. ARGENTINOSAURUS DESCEND!

I swung the sword and it fired a beam of energy and then a massive volcano exploded with incredible force and then out came the Purple Argentinosaurus Wild Zord!

Nico: WHOA WHAT IS THAT!?

Me: A little help from Princess Shayla. Meet the Argentinosaurus Wild Zord!

Alyssa: Argentinosaurus!? Wow!

Eli: Way to go bro!

The zord fired beams of energy and it hit the Satanic Pumpkin and smashed him down.

Me: Now get ready for the ultimate Wild Megazord. ANIMAL KINGDOM SUPER ULTRAZORD COMBINE!

The Argentinosaurus and ALL of our Wild Zords combined with it and it formed into an INCREDIBLE AND MASSIVE AND HUGE NEW SUPERZORD! IT WAS CALLED THE ANIMAL KINGDOM SUPER ULTRAZORD!

Me: ANIMAL KINGDOM SUPER ULTRAZORD!

Nico: WHOA! This is awesome J.D.

Eli: Wow! Way to go bro!

Cole Evans: This is so cool!

Taylor: Wow!

2012 Raph: Dammit! He's flying circles around us!

2012 Mikey tries to hit the Red Baron by hopping on 2012 Leo's head only to miss.

2012 Leo: Okay. We need a new plan. One that doesn't involve hopping on my head!

2012 Mikey: Sorry.

Emerald Goldenbraid: I have one. Watch this.

She fired a beam of energy and it hit the Red Baron and smashed him down and then they tied him up.

2012 Donnie: 105 years too late for you Red Baron.

2012 Leo: So, what do you guys wanna do while waiting?

Emerald Goldenbraid: Lets watch the rest of the battle. This is gonna be awesome.

2012 Raph: Yeah look at that!

2012 April: Wow! That is one awesome Zord!

The Satanic Pumpkin was shaking in fear.

Nico: This is gonna be awesome!

Me: It sure will. Lisa you got the Pumpkin gatherer ready?

Lisa Loud: Affirmative J.D.

Me: Lets get him!

Me, Eli, Varie, Nico and the Wild Force Rangers: ANIMAL KINGDOM NATURE WAVE! FIRE!

The Zord fired a massive blast of energy and it hit the Satanic Pumpkin and exploded with unbelievable power!

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION!

The entire Satanic Pumpkin was blown completely to smithereeens!

But then…

KRASPLAT!

All the pumpkin matter fell right into the Pumpkin Gatherer as a massive amount of slop and then a black mist appeared out of it and it was the spirit of the Satanic Pumpkin and it disintegrated into nothing as it was destroyed.

Nico: Satanic Pumpkin you have failed this entire world!

Charlie Brown: Thanks for the help, guys.

Titania: Aw, it was nothing.

Me: But this was so awesome! And thank you too Princess Shayla. The Argentinosaurus Superzord is amazing.

Princess Shayla: I'm glad he was a huge help for you J.D.

Hydrax: (to the 2012 Turtles) You guys helped as well.

2012 Mikey: We sure did!

Me: We owe you guys big time for that.

Charlie: (to 2012 Leo) I really hope we get to see you on March 14.

2012 Leo: (smiles) Don't worry. You will.

Charlie and Leo shook hands with each other.

Me: But all that training with us when we were there on those Ambassador Missions really paid off.

2012 Mikey: It sure did.

Nico: Yep. Next up will be the footsoldiers of the Ninja Storm rangers. And I have a really strong feeling that the 2012 Shredder will have special help with him.

Me: I hope it's Lothar. I can't wait to sock it to that guy and make him pay for his crimes.

Nico: That would be very coincidental.

Skinner: I think we have enough of the Satanic Pumpkin's remains to make that pie.

Mortal Kombat Scorpion: That'll definitely be enough for us to win.

Me: Yeah but that was awesome.

Charlie Brown: What do you need the pumpkin for?

Me: There's a huge Pumpkin Pie contest that we're going to enter.

Nico: Yep.

Goro: (to Kendra and Charlie) The best part is that you two now get to have lots of opportunities to spend time with each other.

Me: Yep.

Kendra: That is true. And I'm excited. Charlie you want to go to the arcade when we get back?

Charlie Brown: You bet Kendra.

: I will destroy you for betraying Lord Mundus two millennia ago, Sparda!

Sherlock Hound: (British Accent) There's no mistaking that voice from anywhere.

Sparda: (Through the Large Red Jewel on Sherlock Hound's neck) Indeed. You can come out now, Beowulf.

A massive figure came out, and it was none other than the demon, Beowulf, the servant of Mundus and the demon who'd sworn revenge on Sparda for betraying Mundus 2,000 years ago.

Sparda: (Through the Large Red Jewel on Sherlock Hound's neck) Haven't seen you in the last 2,000 years. Who else but you who's wanted revenge on me for turning on Mundus to side with mankind and ruin his plans to dominate the human world, and seal his powers and the portal to the Demon World.

Beowulf: I will annihilate you and every last blood relation of you for betraying all of demonkind, Sparda!

Beowulf was about to attack, but Sherlock Hound unholstered his massive Sparda's Demon Fang of The Demon Hound sword from his wider and more muscular back, and he sent four red Summoned Swords and they slashed at his missing right eye, and he screamed in excruciating pain.

Sherlock Hound: (British Accent) You will never get that chance to exact your revenge on Sparda or on his two sons, Beowulf.

Kendra Armstrong: That's right, and this place will soon be your grave.

Suddenly, Kendra Armstrong's purple eyes turned neon purple, and she was surrounded by a glowing orange energy aura with lava, golems, and rocks, she unholstered her massive Sword of The DNA Spliceteam from her back, and as she approached Beowulf, she left orange energy, lava, golems, and rocks with every step.

Kendra Armstrong: Beowulf, I will never forgive you for helping Mundus in his plans to take over the world 2,000 years ago. You have caused far too much trouble for the last time and you have lived long enough, and now, I will see to it that you will die here and now!

Suddenly, Kendra Armstrong was surrounded by a massive vortex of glowing orange energy with lava and rocks surrounding it, there's the image of Armorsight running around the vortex, and in the vortex is a purple phoenix. Then, as the vortex faded, Kendra Armstrong emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Kendra Armstrong grew to 6'5" in height, she had the body of a goddess, she has purple highlights in the bangs of her long flowing purple hair, she has neon purple eyes, and a glowing orange energy aura with lava, rocks, and golems surrounding her, she has the image of Armorsight holding the Lava Kanji in its hands emblazoned on her forehead, she has on golem earrings with red crystals for the eyes and the Lava Kanji in its hands, and her Crystal Necklace of The Buddha with red crystal links and a golem with red crystals for the eyes and the Lava Kanji in its hands for the pendant. Kendra Armstrong has on a short-sleeved purple blouse, purple shirt with a red phoenix on it, green skirt with lava on it, yellow pants, army camouflage sneakers, and a long green sleeveless trenchcoat with lava and lava rocks on the coattails and on the back is Armorsight surrounded by lava and lava rocks. Suddenly, Kendra Armstrong felt a sharp pain on her back, and then, massive purple angel wings with orange tips on the large purple feathers, sprouted out from her back, and she had on her Green Lantern ring on her left ring finger.

Suddenly, Kendra Armstrong's massive Sword of The DNA Spliceteam was surrounded by a kaleidoscope of orange energy, lava, and rocks, and when it emerged, it was transformed into Armorsight's Volcanic Golem Sword of Lava Justice, it's a new large sword with a 6'7" massive, wide, double-edged, man-sized purple blade with the image of Armorsight etched on it, large golem heads with red gems for eyes in the single eye sockets for the crossguard, large red gem for the hilt, longer black handle, and four large golem heads with red gems for the single eye sockets, and in their open mouths for the pommel. Kendra Armstrong has on her brand-new large gold cuff Bracelets of the Champions of The Universe with purple gems on her wrists, gold Belt of Elemental Bravery with a gold golem head with a large red gem in its single eye socket and a large red gem inside its open mouth for the belt buckle, large purple Spellbook of The Gods and The Universe and large purple Universal Spellbook of The Elemental Forces on her left hip and Eater of Sins revolver holstered on her right hip. There's a purple kanji below Armorsight that said, "Kendra Armstrong, Gene-Slammer and Partner of Armorsight, Dear Friend and Ally of The Underground Girls and The Turtles, Loving Girlfriend of Kaz Kalinkas, Loving Sister of Charlie Brown and his Friends, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Destroyer of Ch'Rell, The Ultrom Shredder, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Lava, Golems, and Lava Rocks" Kendra Armstrong has transformed into SUPER ANGEL INFINITY VOLCANIC LAVASTORM GOLEM ROCK ANGEL OF

## UNDERGROUND WILL AND VOLCANIC JUSTICE!

We were amazed by Kendra Armstrong's Super Angel Infinity transformation, and when Kaz saw her, he had an atomic red blush on his face. But, when Beowulf saw it, he went mad with rage, and he'd sprouted his large four bird wings from his back, and went after her to kill her. But, Kendra Armstrong transformed into her Armorsight form, but it also transformed: Armorsight has volcanic lava rock gauntlets on its forearms, volcanic lava rock armor on its chest, stomach, shoulders, and legs, Armorsight now has massive lava wings on its back, and lava rock claws on its fingers. Armorsight fired a powerful blast of lava from its hands and wings, and burned Beowulf badly.

Then, Armorsight transformed back into Kendra Armstrong, who's still in her Super Angel Infinity form.

Nico: Whoa, Kendra's the next Underground Girl to transform, and her Armorsight form has also transformed, and really burned Beowulf badly, awesome.

Me: Beowulf made the big mistake trying to attack her, and now, he's going to pay.

Kaz (Chaotic): Wow, Kendra, you look beautiful. How do you feel?

Kendra Armstrong: (Divine Echoing Cosmic Voice of The Underground Volcano and Volcanic Justice) **I feel incredible, Kaz. Now, to deal with Beowulf once and for all.**

Kaz (Chaotic): I'm also joining in as well, Kendra, so that way, I can give you and Sherlock Hound an extra hand.

Sherlock Hound: (British Accent) Good idea. Now, it's time for you to say goodbye, Beowulf.

Kaz unholsters his massive Defender of Perim and the Underworld from his back, and Sherlock Hound transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark Compassion and Demonic Justice, and he unholstered his massive Sparda's Demon Fang of The Demon Hound sword from his wider and more muscular back, and they joined Kendra Armstrong. When Beowulf saw Sherlock Hound transform, this sent him flying into an even more blinding rage, as he roared in extreme rage.

Sherlock Hound: (Divine Echoing Cosmic Voice of Demonic Darkness and Dark Compassion) (British Accent) **Looks like your plan's working, Kendra. Now, let's tear him to shreds!**

Kendra Armstrong, Kaz (Chaotic), and Sherlock Hound went after Beowulf, and they fired powerful blasts of orange energy, blood red and black energy, blood red and black nebulae, stars, darkness, demons, lava, and golems at Beowulf, and they exploded with incredible power as they hit the evil demon. This made Beowulf so mad, he sprouted his four large bird wings, and he went at them yet again, but Sherlock Hound slashed at his missing eye, and really blinded him even more, then, Kendra and Kaz burned him by firing powerful blasts of lava at his other good eye, and permanently blinded him. Then, Sherlock Hound, Kendra Armstrong, and Kaz (Chaotic) slashed off Beowulf's four large bird wings with their massive swords, and he screamed in excruciating pain.

Sherlock Hound: (Divine Echoing Cosmic Voice of Demonic Darkness and Dark Compassion) (British Accent) (Laughing Sinisterly) **Oh, did we do that?**

Nico: (Winces) Dang, that was really painful.

Nicole Knudson: You said it, Nico, but make no mistake about it, Sparda may be a gentleman, but he still does have that sadistic and unforgiving side towards demons, and any evil demon of Mundus who dares to cross him, they'd better say their prayers.

Me: Yeah, and the lesson is never judge a book by its cover.

Nico: And we know that Sparda's pretty brutal towards Mundus and his army of demons.

Suddenly, the shadow of the true demonic form of Sparda appeared around Sherlock Hound, and that enraged Beowulf even more, and he tried to attack again. But, Kendra Armstrong and Kaz attacked his legs by chopping them off, along with his arms, and he fell to the floor in excruciating pain. Then, he saw Sherlock Hound approaching menacingly, as red demonic lightning came crashing down from the skies, as they turned red. Then, Kendra Armstrong impales her massive sword in Beowulf's chest, and with one very powerful upward uppercut, she then cuts Beowulf in half, and blood sprayed out from the dead demon's corpse. We cheered wildly for what Kendra Armstrong, Kaz, and Sherlock Hound have done, as they holster their weapons and Sherlock Hound and Kendra Armstrong power down, and Kendra Armstrong's new body, clothes, weapons, jewelry, and angel wings are permanent.

Suddenly, Beowulf's soul came out, and they went to Kendra Armstrong's arms and legs, and they'd surrounded them in white light, and they transformed into a set of black gauntlets and greaves with a somewhat animalistic look. The gauntlets vaguely resemble a wolf's head, with fangs and mane and the greaves look like clawed legs, and they have glowing veins that have white light flowing through them. We were amazed by the sight of what we saw.

Lincoln: Whoa, Kendra's acquired the Devil Arm, Beowulf.

Me: Devil Arms?

Nicole Knudson: The famous weapons from Devil May Cry, that's awesome. Devil Arms are demonic, variably sentient weapons that are commonly the manifestation of a defeated Demon's soul or power, and considered to be the characters' most powerful weapons. When wielded, Devil Arms often convey their power to the wielder, provided they have been subdued first. When Beowulf was killed, Kendra subdued his soul, and they transformed into weapons for her to use.

Lincoln: Incredible.

Then, Kaz went up to Kendra, and they hugged and kissed, as we cheered for them.

Nico: That was one awesome mission.

Lincoln: You said it, Nico. Plus, in addition to meeting Charlie Brown and his friends, we also took down the evil version of The Great

Pumpkin, and Kendra Armstrong and Armorfist transformed, and they, along with Kaz and Sherlock Hound, took down Beowulf, and that sent a powerful message to Mundus.

Me: And I'm sure he's already pretty angry, and he'll try again to attack us. But, he's in for one nasty surprise.

Nico: But, this also means that one day soon, we're meeting Dante and his allies. This is going to be wild and crazy.

Nicole Knudson: Too bad Sherlock Hound already completed his ambassador missions when he went to Eos and Insomnia last year.

Sherlock Hound: (British Accent) That's okay, Nicole. Besides, I'm sure we'll run into Dante and his allies very soon. But, of course, I've also got to keep an eye out for Vergil. If I run into him, I know I'll be in for one rough fight with him.

Nicole Knudson: But, you and Sparda will be ready for him, after all, Sparda trained you in everything that he's learned, along with all of us. Vergil's in for one crazy surprise when he faces you soon.

Sherlock Hound: (British Accent) You're right, Nicole. I'll be ready for when that day comes.

Nico: Now, that's what I want to hear, Sherlock Hound. Plus, we'll also be there to help you when the day arrives for you to meet Dante and his friends, and if they join the team, The Masters of Evil will enjoy meeting them.

Lincoln: And with them on our side, things are bound to get wild and crazy, if Mundus sends any of his demonic minions out to attack us again.

Sparda: It'll be good to see my sons again, I'll start with Dante first, then, it'll be Vergil. But, I don't know how they'll react when they see me again.

Sherlock Hound: (British Accent) Which is why I'll explain everything to them, and they'll understand everything.

Sparda: Thank you, Sherlock Hound.

We later went back home and made the largest ever pumpkin pie and went to the contest.

Announcer: And the winner of the contest is Team Loud Phoenix Storm!

Everyone cheered wildly for all of us!

Nico: WE WON!

We won with the biggest pie we've ever made! It was 100 feet in diameter and weighed over 20,000 pounds!

We cheered wildly!

Laney: AWESOME!

Eli: We won!

Nico: Thank goodness it was purified before we made it.

Eli: Yep.

Nico: Thanks, everyone. But we can't take all the credit. The real winners are Kendra and Charlie Brown.

Laney: That's right. They helped us win on our adventure with them and they deserve it.

Charlie Brown: Aw thanks guys.

Me: THREE CHEERS FOR CHARLIE BROWN AND FRIENDS!

Everyone cheered wildly!

Charlie Brown: (To the viewers) This was an awesome adventure! I hope you all loved this adventure as much as we have.

Nico: We all did. Today was really eventful. Great job today everyone. Lets head home.

We went home and enjoyed the rest of the day and later went to sleep.

Another awesome fanfic done

Charlie Brown is an awesome iconic legend and he will always be part of our hearts for many future generations to come. I have known Charlie Brown and the movies and cartoons for years and they were great. And Snoopy is also the mascot for the MetLife Insurance Company. This chapter was made in honor of Peter Robbins, Charlie Brown's voice actor who killed himself almost 2 months ago. He will never be forgotten.

In Memory of Peter Robbins: August 10, 1956 - January 18, 2022

Thank you for giving many of us great years of childhood memories through the iconic and legendary Charlie Brown.

The first part of chapter 1679 was for the battle with Devimon and that was one of the greatest battles in all of Digimon Season 1. The VERY FIRST battle with a major Digimon Villain. It was awesome. But what happened with Angemon was sad. Devimon is pure evil and it was because of him that Nico killed Ken and had his dark past. But this time he is gone for good. The second part was for unfinished business after what happened when the Shadow Dragons first appeared and we had Colm get wings when he was shown how to fly. That was awesome. Also hope you all got some awesome and hilarious laughs out of the chapter in that one. It was awesome and funny. The chapter for today was great. The first part was for The Pirates of Dark Water and that was one of my favorite childhood TV shows and it was awesome and full of awesome adventure and excitement. Awesome show but it was a darn shame how it ended after only a few episodes. The second part was for Blue Submarine No 6 and that was a strange story on that one and it was really cool too. What happened to that world was absolutely terrible. NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, XP4Universe, Darkhai, vinjedi1995, Drako1234658, Nflemingful, Etstheclarencefan and ninjakingofhearts gave me the ideas for this and so did the guest reviewer. Nico's next rescue is gonna be in the Dexter's Laboratory episode Misplaced in Space and Nico, Sam

Sharp Loud and Sheila Kelsall the Prypiatosian-B Gene-Slammer are going to rescue Dexter after he was accidentally teleported to a slave planet by Dee Dee and forced to work in an interstellar and intergalactic slave mine. They are also going to meet an Evolved Prypiatosian-B Gene-slammer named Hannah Kyoto from Japan and she is Nico's partner in Math Class. The next rescue for Lincoln is gonna be in the world of the awesome movie Men In Black and Lincoln and his group are going to face Edgar the Bug and REALLY make him pay! We'll also meet a Yubel the Ultimate Nightmare Gene-Slammer named Maggie Albtraum and she is from Germany. And during the exercise scene she is going to reveal how she brought Chandler's dad to jail. The next chapter is gonna be a funny one as we go into a Regular Show chapter for where we face off against EVIL HOT DOGS! It's gonna be based on the episode Meat Your Maker and we're going to make sure those rebellious frankfurters get it big time!

See you all tomorrow

# HUMANS VS HOT DOGS

HOPE YOU ALL ARE HUNGRY

---

Flying over the plains of a strange alien planet, Nico, Sam and Sheila the Prypiatosian-B Gene-Slammer were there to rescue Dexter who got sent there by accident because of Dee Dee.

Nico: I can't believe Dee Dee would accidentally send her own brother to this planet.

Sheila Kelsall: (Australian Accent) It's just strange what goes on in that head of hers.

Nico: Yeah. Thanks for coming with me, Sam.

Sam S.L.: No problem Nico. This is gonna be so fun to go on a rescue with you.

Nico: Yep.

Sam S.L.: (Blushes) I have a lot of things I want to tell Luna and I want to start a family with her too.

Nico: Aww you can tell her when the time comes Sam.

Sheila Kelsall: Yeah we're really happy for you and Luna, Sam.

Nico: Personally, I think it's unfair that lesbian couples can't give birth to children.

Sam S.L.: I think so too but there's always the process of adoption.

Nico: That's true. But you and Luna have known each other for a long time and it's so awesome how you and Luna have done so much together.

Sam S.L.: It sure is awesome. And she helped me get through so much too.

Sheila Kelsall: I even heard she helped you deal with two evil imposters that weren't your real parents.

Sam S.L.: She sure did and helped me destroy my evil uncle.

Nico: That monster.

Sam S.L.: Yeah.

Nico: Remember all the times we had encounters with cocaine?

Sam S.L.: I sure do and those were crazy.

Sheila Kelsall: Those were crazy from what I heard mate.

Nico: Yeah they were. We should be just about there.

They came across a huge fort.

In a cell, Dexter was about to be eaten by a huge alien when suddenly…

KROW BLAM BIFFWHAMWHOMPBIFFPOWBAM THOTH WHAP SMASH KROW!

Dexter: Huh?

Alien: Huh?

The guards all had the pulpy crap beaten out of them and standing in front of the mutilated bodies of the guards were Nico, Sam and Sheila.

Nico: (Blows on his fist) I'm bad and it FEELS Good!

Sam S.L.: YEAH!

Nico: (To the Alien) All right you overgrown tub of lard with the big ugly mouth in his stomach! Put Dexter down now!

He did so.

Nico: You okay, Dexter?

Dexter: Thanks to you guys.

He came over to them.

?: Nice entrance there.

A figure came out and it was an Evolved Prypiatosian-B!

Nico: An Evolved Prypiatosian-B!

Evolved Prypiatosian-B: (In a Girl's voice) (Japanese Accent) Looks like you know how to have a fun fight.

Nico: Hannah Kyoto!?

Evolved Prypiatosian-B: That's right.

She reverted back and she was a girl in red clothes and had neon red hair and red eyes.

Hannah Kyoto: Awesome to see you again Nico.

Sam: What's your favorite memory of Nico?

Hannah Kyoto: I have a lot of them. But my favorite would be when we destroyed a massive Yakuza operation in Tokyo.

Nico: I remember that. That was so awesome.

Sheila Kelsall: Those were amazing times back then.

Nico: Yep.

Sam S.L.: They sure were.

Dexter: I got to reprimand my stupid sister Dee Dee for sending me here again.

Sam S.L.: Actually that's not needed. Lisa beat the living crap out of her and she is in a full body cast in the Infirmary.

Dexter: Oh. That Lisa is always doing good things for me.

Nico and Hannah hugged.

Nico: I really missed you.

Hannah Kyoto: Me too Nico. Me too.

Sam S.L.: I think we should go home before the guards get up.

Nico: Good idea.

Dexter: Lets head home.

They went back home via Nico's Instant Transmission.

After Nico's rescue, Lincoln, Nico, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, Sima Shi, Sima Zhao, Sun Jian, Guo Jia, Zhang Bao, Guan Xing, Cao Cao, Liu Bei, Sun Quan, Sima Yi, Jiang Wei, Yukimura Sanada (Samurai Warriors), Keiji Maeda (Samurai Warriors), Kanetsugu Naoe (Samurai Warriors), Hanzo Hattori (Samurai Warriors), Musashi Miyamoto (Samurai Warriors), Heathcliff, Sonja (Heathcliff), Riff-Raff, Hector (Heathcliff), Wordsworth, Mungo, Cleo, Leroy, Yubel, and Vinyl Scratch are heading to New York City, and not only is Lincoln going to rescue the seventeen girls there, but we're also going to help Agents J and K deal with Edgar the Bug and REALLY make him pay!

Lincoln: Wow, we're in New York City, and I know what we're going to do here, not only am I going to rescue the seventeen girls there, but we're also going to help Agents J and K deal with Edgar the Bug and REALLY make him pay! That filthy Orthopterous Exomorph is going to regret trying to destroy our planet!

Nico: You got that right, big guy. The Saiyans have always hated those overgrown cockroaches, they're belligerent and they're nothing but trouble.

Me: Not to mention, they're butt-UGLY!

Lola Loud: Yuck! And it's going to take more than just a giant-sized boot to squash this monster, we're going to rip him to shreds.

Lincoln: That's right, Lola. And I want to thank you and Yubel for coming on this rescue, Vinyl Scratch.

Vinyl Scratch: You're welcome, Lincoln, I've heard about the rescues from Twilight Sparkle, and now, I'm also taking part in it.

Twilight Sparkle: That's right, Vinyl Scratch.

Lincoln: And there's also a reason why I also asked Yubel to come with on this rescue: I got word that the Gene-Slammer for Yubel the Ultimate Nightmare is also here.

Yubel: That's right, and this should be a good rescue. Plus, it'll be good to see Agents J and K again, and we should also tell them of what's occurred since the last time we've met.

Nico: Actually, Lincoln made sure of that this morning. After Sam Sharp Loud, Sheila Kelsall, Hannah Kyoto, and I got back from rescuing Dexter, Lincoln got the call from Agents J and K that Edgar the Bug is back, and he'd be right there, and he also told them of what happened since the last time we met, and they were proud of me becoming leader of the team.

Yubel: Oh, right, now I remember.

We then met up with Agents J and K, and they told us of the situation: Edgar the Bug's returned and he wants revenge on us for destroying him and ending their plans to destroy Earth.

?: HELP!

Suddenly, Lincoln heard the sound of seventeen girls calling for help. With his deep sapphire blue cyborg eyes and superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the seventeen girls, but they've been cornered by Edgar the Bug, and he's going to kill them.

Lincoln: Guys, I found the seventeen girls, but they've been cornered by Edgar the Bug, and he's going to kill them.

?: (German Accent) That belligerent monster, let's squash him!

Then, we saw Yubel the Ultimate Nightmare appear before us.

Me: Whoa, so that's what you looked like when you were exposed to The Light of Destruction, Yubel?

Yubel: Yes, that's correct, J.D. But, this one has a German accent in her voice.

Lincoln: I know that German accent from anywhere, I knew it was you, Maggie Albtraum. But, we'll have to talk later, we've got a butt-ugly bug to squash.

We rushed on over, and Lincoln fired a powerful barrage of rainbow energy balls and elemental forces, which hits Edgar the Bug, and that allowed the seventeen girls to get to safety. When Edgar the Bug saw us, he screeched in anger.

Lincoln: Thought we'd never have to see you ever again, Edgar the Bug. But, this'll be the last time we'll ever deal with you!

Lincoln unholstered his improved massive Sword of Universal Hope and Elemental Bravery from his wider and muscular back and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, The TLPS Bad Guys Gang transformed into their Super Angel Infinity forms and unholster their massive swords, Sima Shi, Sima Zhao, Sun Jian, Guo Jia, Zhang Bao, Guan Xing, Cao Cao, Liu Bei, Sima Yi, Sun Quan, and Jiang Wei got out their weapons, The Samurai Warriors got out their weapons, Lincoln's sisters transformed into their Super Angel Infinity forms and unholster their massive swords from their backs, Lincoln's sisters transformed into their Super Angel Infinity forms and unholster their massive swords from their backs, Lincoln's harem unholster their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark Compassion and Demonic Justice, and he unholstered his massive Sparda's Demon Fang of The Demon Hound sword from his wider and more muscular back, Vinyl Scratch, Yubel, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their swords, Hector got out his massive Heaven's Maw of Judgement sasumata pike, Agents J and K got out their firearms, and Me, Nico, Eli, and Nicole also unholstered our massive swords and transformed, and we went at Edgar the Bug, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time Energy, Gravity, and Magic, steel orbs, stars, rainbow flames, rainbow crystals, orange flames, blue flames, ice, green flames, and water, and they exploded with incredible power as they hit Edgar the Bug.

Then, Maggie Albtraum fired powerful blasts of dark fire and really hurt him, and Lincoln covered his massive improved Sword of Universal Hope and Elemental Bravery with rainbow fire and rainbow energy and elemental forces, and the Gems of The Elements embedded in the blade were glowing brightly, and he charged at Edgar the Bug, and he unleashed a powerful storm of rainbow energy and rainbow fire slashes at Edgar the Bug, and Lincoln slashed off Edgar the Bug's six appendages, and left some nasty slashes on its body. Then, Lincoln came back to us, he put up an energy shield and as he holstered his massive improved Sword of Universal Hope and Elemental Bravery on his wider and more muscular back and powered down, Edgar the Bug exploded in rainbow flame and he was Super Hakaied for good. We cheered wildly, as we holster our weapons and power down.

Nico: Whoa, now that was so awesome, Lincoln! You really moved fast and really cut down that butt-ugly bug for good!

Me: And I remember that we've seen him practicing his swordplay in the gym as well, and he's been getting really good.

Lori: And so have the rest of us.

Lincoln: That's it for that butt-ugly bug. (To Maggie Albtraum) And it's so good to see you again, Maggie Albtraum.

Maggie Albtraum: (German Accent) You too, too, Lincoln, it's been a long time.

They went up to each other and they hugged, and Maggie Albtraum was very surprised at just how much taller and much more muscular Lincoln's gotten since she last saw him.

Lincoln: It sure has been a long time, I haven't seen you when you were thirteen, and as you can see, I have grown a lot since then.

Maggie Albtraum: (German Accent) Whoa, you sure have, you've really grown a lot from the eleven-year-old cute little boy into a 17-year-old 7'0" tall and very handsome and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, that's so awesome.

Nico: Wow, Lincoln, you know her?

Lincoln: Yeah, I do, Nico. This is Maggie Albtraum, she's a Goth girl from Germany, and she has a very powerful and fierce reputation, and she's known as the terror to all of the Criminal Underworld Organizations, and she's said to have brought down more members of the European Mafia than anyone ever known in INTERPOL. As one of my Guardian Angels, she's brought down some of Royal Woods' greatest villains. She also has a strong and brutal hatred towards Flip and Chandler's father and is even the one that brought Chandler's dad in for his crimes.

Nico: Whoa, we'll have to hear about that one later, right now, you should get Maggie Albtraum back to normal.

Lincoln: On it, Nico.

Maggie Albtraum: (German Accent) No need, Lincoln. I actually reigned in the power of Yubel, The Ultimate Nightmare, but you boys should still cover your eyes.

Me, Nico, Eli, and the rest of the boys covered our eyes as Maggie Albtraum reverted back to normal. Maggie Albtraum is a beautiful 17-year-old girl with long flowing black hair going to the upper part of her back, dark blue eyes, fair skin, she's 6'5" in height, she had the body of a goddess, and she has massive black angel wings, as she reigned in the power of Yubel, The Ultimate Nightmare, and she's in a black two-piece bikini.

Maggie Albtraum: (German Accent) You can look now, I'm in a two-piece bikini.

We uncovered our eyes, and when Lincoln uncovered his eyes, and as soon as he saw just how much Maggie Albtraum's changed, he had an atomic red blush on his face, his nose is bleeding, and he had hearts in his eyes. When Maggie saw it, she walked seductively towards Lincoln, and her chest was pushing against Lincoln's massive and wide pecs, and she wrapped her arms around her waist.

Maggie Albtraum: (German Accent) (Seductively) Like what you see, big boy?

Lincoln: (Growling Seductively) Oh yeah!

Lincoln's instincts had caused his body to react as he wrapped his abnormally massive and powerful muscular arms around Maggie Albtraum, as his deep sapphire blue eyes glowed even more, and he had a confident smile on his face, and he leaned down and he kissed her on the lips with an intense and supercharged passion, and she returned it, and we saw she had an atomic red blush on her face. We were stunned by that sudden display.

Me: Whoa! Now, that's one wild display of romance. Is he like that with the rest of you?

Lily the Mermaid: Ooh, yeah, he is, and that only happens when he lets his instincts take over.

Lincoln snapped out of it, and he gave Maggie Albtraum her new outfit, a black sleeveless blouse, a sleeveless pink top with a black phoenix on it, black skirt with Yubel the Ultimate Nightmare on it, black pants, purple high heels, and a long black sleeveless trenchcoat with dark creatures and dragons on the coattails and on the back is Yubel the Ultimate Nightmare, and on her back is a large

Yubel the Ultimate Nightmare-themed sword with a 6'5" massive, wide, double-edged, man-sized dark purple blade with Yubel the Ultimate Nightmare etched on it, Yubel the Ultimate Nightmare's wings for the crossguard, large dark blue gem for the hilt, longer black handle, and a large dark blue gem surrounded by angel wings for the pommel.

Maggie Albtraum: (German Accent) Wow, I love the new outfit and sword you made for me, Lincoln.

Suddenly, a Thunderbird Necklace of Eternal Love appeared on Maggie Albtraum's neck with blue gems on the gold lightning bolts and blue crystals links from her new Crystal Necklace of the Buddha, which merged with her Thunderbird Necklace of Eternal Love.

Maggie Albtraum: (German Accent) (Surprised) Whoa, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love, which means you're now part of my harem and my many future wives, Maggie.

Maggie Albtraum had a smile on her face and tears coming from her eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around her waist and he leaned down and he kissed her on the lips, and she returned it, and we cheered for them. Then, we went up to the seventeen girls here, and when Lincoln saw them, he immediately recognized them. The seventeen girls are Emily the Priestess, Martel the High Elf Archer, Ursula the Witch, Maria the Sword Maiden, Carmilla the Guild Girl, Bonnie the Cow Girl, and Amy the Noble Fencer from the Goblin Slayer anime, Aila Jyrkiainen, Kirara, and Kousaka China from Gundam Build Fighters, Momo, Yashiro Momoka, Ayame, Fujisawa Aya, and Nami from Gundam Build Divers, Hoshino Fumina and Kamiki Mirai from Gundam Build Fighters Try.

Lincoln: Oh wow, it's Emily the Priestess, Martel the High Elf Archer, Ursula the Witch, Maria the Sword Maiden, Carmilla the Guild Girl, Bonnie the Cow Girl, Amy the Noble Fencer, Aila Jyrkiainen, Kirara, Kousaka China, Momo, Yashiro Momoka, Ayame, Fujisawa Aya, Nami, Hoshino Fumina, and Kamiki Mirai.

Nicole Knudson: From the Goblin Slayer anime, Gundam Build Fighters, Gundam Build Divers, and Gundam Build Fighters Try, awesome.

Lincoln: Are you girls okay?

Emily the Priestess: Yes, we're okay, thanks to you.

Then, when Emily the Priestess and the other sixteen girls saw who it was that saved them from Edgar the Bug, their faces turned atomic red upon seeing the 17-year-old 7'0" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide right pec and it was surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top was the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, and Buffalo, and below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and a Mark of Manhood tattoo of a bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

He had his massive Sword of Universal Hope and Elemental Bravery holstered on his wider and muscular back, his orange Crystal Saber holstered on his left hip and his Eater of Sins revolver holstered on his right hip, the Pisces the Fish constellation and Aquarius Zodiac sign on the back of his neck and the Cygnus the Swan constellation on the back of his massive left hand, large weighted orange bands on his massive biceps and thighs with silver phoenixes on them, his large gold Cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, massive and indestructible deep sapphire blue angel wings and the stars and blue nebulae reflecting on them with rainbow tips on the large deep sapphire blue feathers, and he was dressed in an orange version of He Man 2002's loincloth with hanging silver lightning bolts and long orange trenchcoat coattails with elemental forces, Thunderbirds, Phoenixes, and Buffalo on them and with hanging mini silver lightning bolts held up by his large gold Belt of Elemental Bravery with a large gold buffalo head with orange gems for eyes and a large orange gem in its mouth for the belt buckle on his waist, a pair of large blue pants with multicolored lightning bolts on the thighs with the orange kanjis "Savior of The Loud House, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of The Thunderbird, and The Unifier of The Three Kingdoms" on the left legs, and large white leather combat boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and armor on the toe area, silver Buffalo head stud earrings with the Thunderbird and Eternity Kanji on it, large Thunderbird Necklace of Eternal Love with colored gems on the gold lightning bolts and orange crystals from his merged large Crystal Necklace of The Buddha with a large deep sapphire blue gem in the shape of a Thunderbird on top of a silver Buffalo head with the Thunderbird and Eternity Kanji on his neck and across his bare chest, large fingerless orange gloves with the symbol of The Loud House on it and surrounded in a diamond formation are a Phoenix, Thunderbird, Buffalo, and Angel, a large Orange Buffalo Animal Spirit Ring on his left ring finger, large Blue Lantern ring on his right ring finger, he had eight large orange orbs orbiting around his legs, and circling around his feet on the floor are eight golden crosses with angelic runes.

Emily the Priestess: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made sixteen clones of himself, and he and the sixteen clones went up to the girls, and picked them up and hugged them in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrap their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Emily the Priestess: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, seventeen Thunderbird Necklaces of Eternal Love appeared on the necks of Emily the Priestess, Martel the High Elf Archer, Ursula the Witch, Maria the Sword Maiden, Carmilla the Guild Girl, Bonnie the Cow Girl, Amy the Noble Fencer, Aila Jyrkiainen, Kirara, Kousaka China, Momo, Yashiro Momoka, Ayame, Fujisawa Aya, Nami, Hoshino Fumina, and Kamiki Mirai with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha. We return to the Estate, and we told everyone what'd happened, and they were shocked when they found out the villain we went after was Edgar the Bug, who's come back for revenge.

But, when Lincoln showed what he did in killing and Super Hakaing Edgar the Bug, they cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Maggie Albtraum now have a lot of catching up to do, now that she's back, and now, we're finally rid of Edgar the Bug for good.

---

After getting rid of Edgar the Bug this time for good, we were training intensely in the gym, this time, doing 150,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Maggie Albtaum saw Lincoln working out like crazy, she had an atomic red blush on her face.

Maggie Albtaum: (German Accent) Whoa, Lincoln's really grown to be a 17-year-old 7'0" tall, really big, and really strong man, just look at those abnormally massive and powerful muscles hard at work, and to work out with those 9,500-lb barbells and not even get tired, incredible.

Lincoln: And I've also trained a lot under some very powerful teachers, J.D. and Nico included, Maggie, and now, I can also fight and defend myself.

Maggie Albtaum: (German Accent) That's incredible.

Nico: It sure is, Maggie. So, how did you bring Chandler's evil dad, Anthony McCann, to justice?

Kara Henderson: Yeah, I was just wondering that myself.

Cheryl Henderson: Same here.

Maggie Albtaum: (German Accent) You'll love hearing about this. I was approached by the Royal Woods Police Department, and I was to assist in the arrest of Anthony McCann, and I had to gather evidence on his crimes. Lincoln told me everything bad about Chandler's lowlife dad and Lisa also found out that Anthony McCann's committed a ton of crimes: Racketeering, Murder, Murder For Hire, Fraud, Abuse, and so many more. We infiltrated the residence, and we told Anthony McCann we had a warrant for his arrest, and we had him handcuffed and taken away for the trial of the century, and thanks to Lincoln giving me the evidence of Anthony McCann's crimes, the lowlife was convicted for his crimes, and he got Life in Prison Without The Possibility of Parole, and I held a strong and brutal hatred towards him and Flip for their crimes, and Anthony McCann held a dark hatred towards me and the Louds for ruining him, but I swore: if he ever broke out of prison, I will send him straight to Hell to be tortured and tormented for all eternity.

We were amazed.

Me: Whoa, now that's awesome.

Lincoln: Didn't I tell you guys? And because of Maggie Albtraum's very powerful and fierce reputation and being known as the terror to all of the Criminal Underworld Organizations, she has brought down more members of the European Mafia than anyone ever known in INTERPOL.

Nico: Incredible, and because of what Maggie Albtraum has done, the European Mafia holds a nasty hatred towards her for ruining their business, and the same goes for Flip and Anthony McCann.

Me: And we also have Flip being subjected to our humiliation sessions, Maggie, along with Lewis Travolta, Billy McLean, and Amy, one of The Total Drama Sore Losers.

Maggie Albtaum: (German Accent) I can't wait for the next humiliation session, and I really want to pummel Flip for everything he's done to the Loud Family and to everyone in Michigan.

Lincoln: You'll love it, Maggie, it's so awesome!

We then got a shower afterward, but then, the alarm sounded, and Lincoln checked it out, and he'd found out that Mashymre Cello is here and he's causing havoc.

Elpeo Ple: Oh, great, Mashymre Cello is here, and he's causing havoc in the city.

Lincoln: And if I remember correctly, he was unfortunately obsessed with Haman Karn, and when we killed her and sent her to the Black Gates, he's now hellbent on revenge on us for what we did to her. Well, I think it's time that we teach him a lesson he'll carry with him to Oblivion.

We then flew out, and Lincoln fired a powerful rainbow energy blast, which hits Mashymre Cello on the back. When he saw us here, he was enraged.

Mashymre Cello: So, the killers of Haman Karn, along with the traitor are here?! Now, I will have my revenge on all of you for what you did to Haman Karn!

Lincoln: Don't even try it, Mashymre Cello. Your intense devotion to a tyrannical monster like Haman Karn is about to cost you your life.

Princia Ramode: And now, it's time for you to die.

Suddenly, Princia Ramode's brown eyes turned neon brown, and she was surrounded by a red energy aura with hearts, F-Zero Planes, flames, and phoenixes, and as she approached Mashmyre Cello, she left red energy, hearts, F-Zero Planes, flames, and phoenixes with every step.

Suddenly, Princia Ramode was surrounded by a massive vortex of red energy with flames and hearts surrounding it, there's an F-Zero plane flying around the vortex, and in the vortex is a pink phoenix. Then, as the vortex faded, Princia Ramode emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Princia Ramode grew to 6'5" in height, she had the body of a goddess and has red highlights in the bangs of her now long flowing brown hair going down to the middle of her back, she has neon brown eyes and a red energy aura with hearts, F-Zero Planes, flames, and phoenixes surrounding her, she has a phoenix with the Heart Kanji in its claws emblazoned on her forehead, she has on phoenix earrings with red jewels for the eyes and the Heart Kanji in its claws, and she also has a phoenix with red gems for the eyes and the Heart Kanji in its claws for the second pendant of her Thunderbird Necklace of Eternal Love with red gems on the gold lightning bolts and red crystals from her Crystal Necklace of The Buddha which merged with her Thunderbird Necklace of Eternal Love. Princia Ramode has on a long sleeveless red leather trenchcoat with flames, hearts, and phoenixes on the coattails and right on the back is an F-Zero plane with flames surrounding it, a red blouse and red top with a pink phoenix on it, red skirt with hearts on it, red pants with flames on the legs, red leather ankle-high combat boots, and she has on a Star Sapphire ring on her left ring finger. Suddenly, Princia Ramode felt a sharp pain on her back, and then, massive brown angel wings with red tips on the large brown feathers sprouted out from her back.

Princia Ramode had a new large sword in her hand called Planet Magica's Fireheart Sword of Justice, it's a new large sword with a 6'9" massive, wide, double-edged red blade, and with the heart, the symbol of Princia Ramode and the planet Magica etched on it, large red phoenix heads with pink gems for eyes for the crossguard, large pink gem for the hilt, longer black handle, and four large red phoenix heads with pink gems for the eyes and large pink gems in its mouths for the pommel. Princia Ramode has on her new large gold cuff Bracelets of the Champions of The Universe with red gems on her wrists, gold Belt of Elemental Bravery with a gold phoenix head with pink gems for the eyes and large red gem in its open mouth for the belt buckle, large red Spellbook of The Gods and The Universe and large red Universal Spellbook of The Elemental Forces on her left hips and Eater of Sins revolver holstered on her right hip. There's a pink kanji below the phoenix that said, "Princia Ramode, Princess of the Desert Kingdom on Planet Magica, Dear Friend of Captain Falcon and Many, Loving Future Wife of Lincoln Loud, Destroyer of Black Shadow and Blood Falcon, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Hearts, Flames, and Phoenixes."

プリンシア・ラモード、惑星マジカの砂漠王国の王女、キャプテン・ファルコンと多くの親愛なる友人、リンカーン・ラウドの愛する未来の妻、ブラック・シャドウとブラッド・ファルコンの駆逐艦、悪の殺し屋、混乱、殺人、冷酷、そしてサディスティックな野郎、素晴らしい驚くべき強力な教師の強力な学生、そして心、炎、そしてフェニックスのマスター

Princia Ramode has transformed into SUPER ANGEL INFINITY BLAZING FIRESTORM PHOENIX HEART ANGEL OF FIRESTORM JUSTICE AND DIVINE LOVE!

We were amazed by Princia Ramode's Super Angel Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes. But, when Mashmyre Cello saw it, he fell into a rage and tried to attack her, but Princia Ramode fired a powerful blast of red energy with flames, hearts, and phoenixes, and it hits him and left a burn mark on his chest.

Nico: Wow, Princia Ramode's transformed.

Me: And she's definitely going to light that maniac's heart on fire, and burn him to the ground, and based on the lovestruck look on Lincoln's face, his heart's been set aflame with love.

Lincoln: Wow, Princia, you look beautiful. How do you feel?

Princia Ramode: (Divine Echoing Cosmic Voice of The Firestorm Heart Phoenix and Divine Love) **I feel incredible, Linky, and now, shall we put a stop to Mashymre Cello?**

Lincoln: (Smiles) With pleasure.

Lincoln unholstered his improved massive Sword of Universal Hope and Elemental Bravery from his wider and muscular back and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Princia Ramode.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Let's get that monster.**

Princia Ramode and Lincoln went after Mashymre Cello, and they fired powerful blasts of rainbow energy, red energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Gravity, Magic, Blood, Thunderbirds, Phoenixes, Angels, Hearts, and Buffalo at Mashymre Cello, and they exploded with incredible power as they hit him. Then, they attacked him with their massive swords, and Mashymre Cello was bleeding badly from the unhealing wounds from the swords of Princia Ramode and Lincoln. Then, Princia Ramode tied Mashymre Cello up with red energy threads.

Princia Ramode: **Okay, Linky, you know what to do?**

Lincoln: **You got it, Princia.**

Lincoln spreads his massive deep sapphire blue angel wings, and red energy was already forming in them. This filled Mashymre Cello with dread, as he sees that his death was fast approaching, and his desire for revenge is about to be cut with a knife for good.

Lincoln: **OBLIVION WING!**

Lincoln fired massive red beams of energy from his spread-out massive deep sapphire blue angel wings, and as they hit Mashymre Cello, Lincoln began sucking out and absorbing Mashymre Cello's life energy, and Lincoln's rainbow energy aura with elemental forces, angels, phoenixes, buffalo, and thunderbirds flared up extremely, as he gained a massive energy boost, and we saw that Mashymre Cello was turning to stone. When Lincoln was done, Mashymre Cello was turned to a stone statue for good, and as soon as his spirit appeared, Lincoln Super Hakaied him and he was banished to Oblivion for good. We cheered wildly for them, as Lincoln and Princia Ramode holster their massive swords on their backs and power down, and Princia Ramode's new body, clothes, weapons, jewelry, and angel wings are permanent.

Princia Ramode and Lincoln: In the immortal words of Nico, Mashymre Cello, you have failed this universe!

Nico: Yeah, that's telling him, guys.

Princia Ramode: Thanks for helping me deal with Mashymre Cello, Linky.

Lincoln: (Smiles Warmly) You're welcome, Princia.

Suddenly, Princia Ramode wraps her arms around Lincoln's waist, and Lincoln wrapped his abnormally massive and powerful muscular arms around Princia Ramode's waist, and he then brought her into an embrace, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Princia Ramode's face, they kissed passionately as Princia Ramode wraps their left arm around Lincoln's wider and muscular back, and placed her left hand on Lincoln's massive and wide right pec, and right behind them was a Thunderbird, Phoenix, and Angel flying in the air, and we also saw a herd of Buffalo running across the field and hearts falling down around them, and the display of the elemental forces behind them, and we cheered for them.

Me: Alright, way to go, guys.

Nico: And that was pretty clever of you using Yveltal's Oblivion Wing attack on Mashymre Cello, Lincoln.

Lincoln: Thanks, Nico. But, Princia Ramode had to tie him up first, so he couldn't escape.

Xerneas: I got to admit, that was impressive, Lincoln.

Yveltal: Indeed, and now, what do we do with Mashymre Cello?

Lincoln: (Smirks) I've got a new home for him.

As soon as we got back home, Lincoln put the statue of Mashymre Cello in the garden, and it was a perfect centerpiece for the garden, and we got rid of another of Haman Karn's goons for good, but there's still more out there, but we'll be ready for them.

---

Later it was time for Starlight Glimmer's second Ambassador Mission. Sentinel Prime was with us.

Barricade: Hey, Sentinel. Want to come with me, Eli, and the others on Starlight's mission?

Sentinel: I'm afraid the time for me and Optimus to make amends is not today.

Barricade: Why not?

Sentinel: It's best if I apologize to Optimus on April 28 when things have cooled down.

Nico: Ah want to save that for the main event.

Me: That's totally understandable. Want to wait until the flames of anger cooled down.

Starlight Glimmer: But the least we can do is help everyone there for when the time comes.

Celica: Yeah it will not be easy but 2 days ago we were off to a great start.

Maggie Albtraum: Ja but you all can do it guys.

Lincoln: Thanks Maggie.

Nico: Anyway we better get moving.

We opened up the portal and we were off to the Live Action Transformers world.

We arrived and we saw General Morshower.

General Morshower: (salutes) Nicolas Chan and J.D. Knudson. A pleasure to meet you both.

Me: (Salutes) General Morshower. Pleasure to meet you too sir.

Nico: (Salutes) Same here sir.

Me: These are some of our teammates and the leaders of the Transformers Factions.

Varie: Awesome to meet you all. I'm Varie Knudson and I am leader of the Maximals. (Shows her Maximal Leadership Medal)

Celica: I'm Celica, leader of the Predacons. (Shows her Predacon Leadership Medal)

Lori Jimenez: I'm Lori Jimenez, leader of the Transformers of Velocitron. (Shows her Velocitron Leadership Medal)

Bud: I'm Bud, leader for the Transformers of Animatron. (Shows his Animatron Leadership Medal)

Coby: I'm Coby, leader for the Transformers of Gigantion. (Shows his Gigantion Leadership Medal)

Alexis Thi Dang: And I'm Alexis Thi Dang, leader for the Transformers of Planet X. (Shows her Planet X Leadership Medal)

Live Action Optimus: It's an honor to have you all here.

Coby: It's an honor for all of us.

Starlight Glimmer: It sure is.

We went into the base.

Nico: Barricade, wait out here until I say you can come in.

Barricade: You got it boss.

We went in.

Me: We have really good news for all of you.

Live Action Bumblebee: What is it?

Nico: You're gonna flip when you hear about this. But Harold Attinger, Leader of Cemetery Wind appeared on Our Earth. Our teammate Moonlight Raven had a premonition that he would appear on our Earth after everything that happened here in this universe and he was hiding out in a landfill and we faced him and captured him and sent him off to prison where he belongs.

The cheered.

Live Action Hot Rod: (French Accent) Cest Magnifique! That is great!

Me: Yep.

Nico: Hey, Bee. You look all better.

Live Action Bumblebee: Well, I'm certainly not looking like a drunk hobo anymore.

Me: Well that's one of the last things we want right now here.

Live Action Bumblebee: But it's great you all captured Attinger.

Me: It sure is. We sent him to the Neptune Prison for Traitors.

Nico: We have a number of Space Prisons set up in our universe for the most dangerous criminals we've ever faced and they are really bad people.

Live Action Optimus: That is amazing.

Nico: It sure is.

Me: Oh and Bumblebee, Sam is doing really well. He says hello to you by the way.

Live Action Bumblebee: I'm glad he is doing great. Tell him I said hello.

Me: I will.

Coby: Look, you guys shouldn't give up on humanity just because of what happened.

Live Action Crosshairs: Kid, I admire that you and your friends represent Cybertronians on your world. And we actually do like half of the humans on this planet. But what's to stop the other half of humanity from turning their backs on us again?

Nico: We'll do everything we can to set everything straight here when all of us come on April 28th.

Starlight Glimmer: That's the day we have down for when we all come to help you all out.

Varie: It's not gonna be an easy task but we're more than ready for the challenge.

Nico: Yeah. But we also have another guest with us. You can come in now Barricade!

He came in.

Live Action Bumblebee: What do you want, Barricade? Come to rub it in?

Barricade: No, Bee. Things have changed since we last fought. And that really is gonna be the last time we fight.

Live Action Bumblebee: Got some nerve saying that after everything you helped cause!

Starlight Glimmer: Look, Bee. It might seem impossible. But Barricade has changed his ways and has been a great friend. Heck, he's been a great source of intel for everything about this world.

Live Action Bumblebee: Or he could be manipulating you guys again!

Barricade: I'm pretty sure that if I WAS trying to manipulate them, I'd be dead.

Live Action Bumblebee: Sentinel was able to fool us before he did all that crap years ago. What's to say you're not doing the same thing?! And by the way, I haven't forgotten about how you helped in the Chicago Invasion!

Barricade: You need to calm down before you lost it!

Live Action Bumblebee: Wanna make me, you scrapheap?!

Eli: Excuse me. But I must discipline the nanny goats.

But just as Eli was about to reach for Bumblebee and Barricade's head, General Morshower came in.

Morshower: Gentlemen, we've got a situation.

Live Action Bumblebee: Fucking Barricade is here!

Morshower: I know. You think J.D., Nico, and the others wouldn't tell me ahead of time.

Live Action Hound: There's also the fact that Sentinel-

Morshower: Is in the Masters of Evil. Nico and J.D. told me that too. And it's good that he's not here yet considering that he still freaks you out. But right now, we've got another Decepticon sighting.

Live Action Bumblebee: (to Barricade) Great! Probably your buddies Megatron and Starscream.

Morshower: No. It's Sideways. He's in Shanghai, the same place where he died last time. And right now, we don't have Sideswipe with us. (to Bumblebee and Barricade) So, drop whatever you two are having and get ready to roll out!

Nico: He's right! Whatever you have against each other can wait. We have to stop Sideways from hurting people.

Live Action Optimus: Autobots Transform and Roll Out!

Nico: Decepticons! Transform and Rise up!

We were off to Shanghai, China!

Starlight Glimmer: (to Optimus) Barricade's right. If he was trying to manipulate us, he would've been dead long ago.

Nico: That's right. And he's not gonna do that. He has learned so much under us and has become a very valuable teammate. And we me leading the Decepticons on the road to redemption there won't be anymore bad deeds from the Decepticons on my watch.

Live Action Bumblebee then thought about that.

Live Action Bumblebee: Oh you're right.

Starlight Glimmer: Optimus, is it true that this world's Megatron used to be called Galvatron during the years of Cemetary Wind?

Live Action Optimus: That is right Starlight and he was a very dangerous foe.

Me: You should have seen what another version of Galvatron was like in our Universe.

Nico: Yeah and we have seen many versions of them and they were intense.

Eli: Boy they sure were.

Me: Oh guys I'm sorry but this is my little brother Eli Winston Bullock. We're not related by blood.

Eli: Awesome to meet you all.

Live Action Bumblebee: Same here.

We arrived in Shanghai, China.

Me: Shanghai, China. One of the most populated cities in the world.

Nico: Okay. Let's search for any vehicles with a heat signature.

Me: Right.

I turned on my infrared vision and kept a really sharp eye out for anything out of the ordinary.

Nico: Anything?

Me: Not yet.

I looked around and then I saw a car with a heat signal. It was an Audi R8!

Me: There! That Audi R8 has a heat pattern!

Nico: That's him.

We went up to him and we saw LIVE ACTION SIDEWAYS!

Nico: Sideways nice to meet you here.

Live Action Bumblebee: Sideways.

Live Action Sideways: Hello, Bumblebee. We need to talk.

Live Action Bumblebee: We've got nothing to talk about!

Bumblebee tried to punch Sideways but the latter avoided it before throwing the former against the wall.

Live Action Sideways: Weak combat skills? This is one of the things I'd like to talk to you about!

Nico: Sideways we came to talk to you about something important.

Live Action Sideways: And who are you?

Nico: Nicolas Chan, leader of Team Loud Phoenix Storm and elected leader of the Decepticons.

Nico showed him his Decepticon Leadership Medal.

Live Action Sideways: I am impressed you became leader of us.

Nico: Long story on that one.

Live Action Sideways: The fuck happened to you, Bumblebee?

Live Action Bumblebee: I don't know what you're talking about.

Live Action Sideways: It's bad enough that for almost the past year, you've acted like a drunk. But your combat skills have gotten sloppy.

Live Action Bumblebee: Hey, you try trusting humanity only to get bettrayed by them in the process!

Live Action Sideways: I never even became close to humans before today! I get it. The death of almost the Autobots you knew and your kind being destroyed was heartbreaking. But you know what you do when you get pushed to the ground? You get up, dust yourself off, and start all over again.

Nico: He actually does have a really good point there.

Eli: I agree there.

Alexis Thi Dang: He sure does have a good point.

Starlight Glimmer: He's right, Bumblebee. I'm glad that you're not feeling sorry for yourself anymore. But you're not gonna get anywhere unless you refine your combat skills.

Nico: That's right Bumblebee.

Me: You have to put the past behind you and learn from it.

Eli: Learn from the past so it never happens again.

Nico: That's right. Unlike one of your counterparts Sideways.

Live Action Sideways: Also, unlike one of my counterparts, I am NOT Unicorn's right hand man.

Nico: No thank goodness. But that was really scary to see.

Me: Except that was a motorcycle version of you.

Eli: Really?

Me: Long story on that Eli but it was freaky.

Varie: It sure was.

Live Action Bumblebee: Look, Barricade, I said some things before-

Barricade: It's fine. I guess I should've known what to expect when people saw me here again.

Nico: Yeah we should have warned you about that.

Eli: We forgot.

Starlight Glimmer: But we'll have to remember that the next time on my next mission.

Nico: Yeah.

Starlight Glimmer: You know, Optimus. On April 28, you'll get to meet 3 versions of you. And they're just as brave and noble as you are.

Live Action Optimus: I'm honored.

Nico: It will be awesome. But also we have another version of Megatron with us and same with Starscream but they aren't like the ones that we're going to face here. The ones here are our intended targets for us to destroy.

Eli: That's right.

---

We later came back.

May: How was it this time?

Me: Well it was crazy.

We told everyone everything that happened.

Laney: Whoa. Talk about lots of tensions.

Nico: No kidding. But we told everyone about us capturing Attinger and they were happy about that.

Eli: It was awesome.

---

We were over in the Endsville sector of the city and we were there to investigate a Cybertronian Signal.

Cheetah: So this is where the Cybertronian signal came from?

Nico: Yep and it's coming from behind the school.

Mandy: I hope the signal is friendly.

Eli: Me too.

Nico: I have a feeling it is.

Tara: Hey, look. A radio.

Nico: I hope it's not one of the Appliancebots.

Me: That's the last thing we want to see now.

Eli: Yeah.

?: Actually.

It transformed and it was FRENZY!

Live Action Frenzy: I am a Transformer.

Nico: Frenzy!

Live Action Frenzy: How do you know who I am?

Nico: Well it's a really strange story on that.

Frenzy: (grabs Mikaela by the throat) Hello, Mikaela. We've got unfinished business.

Barricade: Frenzy!

Frenzy: Barricade? Is that you?

Barricade: Nice to see you too, buddy. Now, can you stand down?

Frenzy: Are you nuts? This girl was the one who cut my head off!

Rippersnapper: To be fair, you did pull Sam's pants down.

Sam W.: AND I'M STILL PISSED ABOUT THAT!

Nico: That was funny but stupid. But Stand down Frenzy.

Nico showed his medal to him.

Live Action Frenzy: A Decepticon Leadership Medal! How did you get that?

Nico: A long story on that. Now let go of Mikaela.

He did so.

G1 Sludge: Him Barricade miss you Frenzy. Just like him Blackout miss him Scorponok.

Live Action Frenzy: And I missed him too.

Me: We're glad.

Nico: Yeah same here.

Trent Fernandez: Can you still fit inside Barricade's vehicle form considering he has an updated one?

Live Action Frenzy: I sure can.

Nico: Awesome.

Suddenly we heard a whooshing sound and then a portal opened up and out came 4 mutants. We saw that they were Megan Gwynn A.K.A. Pixie, Christy Nord A.K.A. Petra, Alison

Crestmere A.K.A. Magma and Lorna Dane A.K.A. Polaris!

Nico: WHOA!

Me: Wow! Megan Gwynn A.K.A. Pixie, Christy Nord A.K.A. Petra, Alison Crestmere A.K.A. Magma and Lorna Dane A.K.A. Polaris!

Yost Magma: That's right and it's a great honor to meet you all Team Loud Phoenix Storm.

Petra: We're so sorry to come here.

Pixie: But it was for our own safety. After everything that happened to us.

Nico: You're all from the Yost Universe aren't you?

Polaris: Yes and the Mutants there are all in trouble because of people hating us.

Cyclops: We know exactly what you are going through.

Wolverine: Yes we sure do.

Me: But you don't have to worry about that anymore. Thanks to us we got people in our universe to finally coexist with Mutants and they put aside their hatred towards them.

Petra: Oh thank goodness.

Nico: But you are more than welcome to stay here with us. We'll gladly keep you all safe till we go to your world to help you all.

Yost Magma: Thank you all so much.

Nico: You're welcome. Now it's time for our mission. Well actually it's more like a get together. Benson has invited us all to a barbecue he is having at the park. We can bring our own meats for it as well.

Me: Awesome. I'm hungry.

Pixie: Me too. All that traveling made me hungry.

Nico: We'll have plenty to eat.

Then Hydrax, Count Spankulot, Gentleman Ghost, Shendu, Xiao Fung, Hsi Wu, Titania, Skinner, Mortal Kombat Scorpion and Goro appeared.

Hydrax: Can me, Count Spankulot, Gentleman Ghost, Shendu, Xiao Fung, Hsi Wu, Titania, Skinner, Mortal Kombat Scorpion and Goro go with you guys?

Nico: You sure can.

Shendu: I see you have new recruits.

Nico: Yep.

Petra: So you all are the Masters of Evil. We heard a lot about you. At least you aren't like Baron Zemo's version.

Xiao Fung: That's right.

Titania: You're all from the Yost Universe.

Yost Magma: Yes and we're part of the X-Men.

Nico: Long story on that.

Demolishor: So, Nico. Which Gene Slammer do you think you'll meet on your next rescue?

Nico: I'm hoping to go meet an Omnivoracious Gene-Slammer next.

Me: Wow! The Predator of the Galvan next. That will be interesting to see.

Nico: It sure will.

Eli: Yeah it sure will.

Yost Magma: I heard about all the amazing Gene-Slammers you all meet.

Nico: Yeah.

Laney: By the way, what are your powers that you all have?

Yost Magma: I was born with lava and fire powers.

Petra: I have Earth powers.

Pixie: I have butterfly wings and I can also cause mental illusions with pixie dust as well as use magic.

Polaris: And I have Magnetic Powers like my father Magneto.

Nico: Whoa!

Scarlet Witch: Wow we didn't know you and us were related.

Quicksilver: That is amazing.

Polaris: It sure is.

Yost Polaris: And despite the extreme things he does, I still love my father on my world.

Titania: It's hard to feel any real hatred towards any version of Magneto. Or any version of Venom for that matter.

Venom: Hey, when did this suddenly become about us?

Maria: To be fair, there must be a version of you in the Yost world too.

Nico: I have that same feeling.

Me: Me too. Megan do you know what the versions of Scott and Logan are like?

Pixie: Well the versions of Cyclops and Wolverine that we know are like you and Nico, J.D. Wolverine is the leader of the X-Men and Cyclops is second in command.

We gasped.

Me: Wow!

Nico: That is very amazing. Looks like you and I both have something in common with them J.D.

Me: We sure do buddy. In our universe Cyclops here is the leader and Wolverine is Second in Command but in that it's flipped.

Lincoln's deep sapphire blue eyes glowed even more, as he sensed a dark energy signal, and he saw a vision of who that dark energy signal belonged to, it was the Dark Emperor from the Find Mii series. When we saw that, it definitely meant trouble.

Nico: Uh oh, Lincoln, trouble?

Lincoln: Afraid so, Nico, and Nicole, you're not going to like it one bit: the figure that I saw is the Dark Emperor from the Find Mii series.

Nicole and the Nintendo characters gasped in shock.

Nicole Knudson: The Dark Emperor from the Find Mii series, oh man, that guy is total bad news. I've played the Find Mii series, and I've seen just how evil this guy is.

Nicole proceeded to tell us about The Dark Emperor from the Find

Mii series, and we weren't going to like him one bit.

---

## Dark Emperor (Find Mii)

The Dark Emperor, formerly known as the Dark Lord, is the main antagonist in the Find Mii series. Though he is the mastermind behind the events of the series, he does not appear until the end, where he acts as the final boss of Find Mii II.

### Biography

#### Find Mii II

After the defeat of the Ultimate Ghost, the Dark Lord swoops down and grabs the Monarch by the tail. He plans to swallow up all the light in the world, transforming it into a land of darkness. He is defeated by the Hero and explodes.

The Dark Lord reappears in the Secret Quest mode in a more powerful form, dubbed as Dark Emperor, after gaining a tremendous boost in power. He plays the same role as he did in the first game where he is defeated once more by the Hero.

### In other media

#### Super Smash Bros. for Nintendo 3DS

The Dark Emperor also appears in the Find Mii stage in Super Smash Bros. for Nintendo 3DS, acting as a pseudo-boss. From the background he can use magic to either increase or decrease the fighters' stats. He can also create an earthquake to destroy either of the two platforms temporarily. He will sometimes come foreground to face the fighters. He attacks by roaring to produce soundwaves. Defeating the Dark Emperor grants the fighter that dealt the final blow a temporary increase in stats. He will respawn after a few minutes have passed.

#### Super Smash Bros. Ultimate

The Dark Emperor reprises its role in the Find Mii stage as the stage boss.

The Dark Emperor also appears in Ultimate as a spirit, which is a legendary shield-type primary spirit. His Spirit Battle is against a giant Ridley on the Find Mii stage. The Dark Emperor boss hazard also boosts Ridley's stats. Alternatively, he can be summoned using the cores of Prophet, Vaati, and Necrozma.

---

When Nicole Knudson was done, we were really horrified at just how bad The Dark Emperor really is.

Me: Yikes, he's definitely just as bad as I've seen in the Find Mii series. He's got to be stopped once and for all.

Nico: He's also a problem for the Smash fighters as well, so we'll do them the favor of getting rid of this monster once and for all!

Zola (Blue Dragon): Then, leave him to me and Lincoln, boys.

Lincoln: Yeah, we'll make him pay with his life, Nico.

Nico: (Smirks) Alright, you two, you know what to do when The Dark Emperor shows himself. Ooh, and Lincoln, you should use your Final Smash from Super Smash Bros. Ultimate to finish him off. I can't wait to see the horrified look on his face when you use your Final Smash on him.

Lincoln: (Smirks) You got it, Nico.

Nico: Alright, everyone, let's go,

We were off to the park.

---

We arrived at the Park.

G1 Scowl: Hey, Benson. What's up?

Benson: Hey guys! The Barbecue is just about to start.

Me: Awesome. Can we use some of our meats and foods too?

Benson: You all sure can. The more the merrier.

Nico: Awesome.

Skinner: Benson, we've got new recruits with us.

Benson: You mean Live Action Frenzy? I know.

Nico: Yep but it's not just him for the M.O.E. but for us too.

We introduced him.

Benson: Wow it's awesome to meet you all.

Yost Magma: Same here Benson.

Pixie: It's awesome to meet you.

Nico: Well lets get cooking. I even brought my special new Grillmaster 10,000.

He pulled out an awesome grill and barbecuer and it was a really cool solar power grill. We had lots of meat, steaks, chickens, ham, burgers, sloppy joes, pulled pork sandwiches, sausages, little smokey sausages, drumsticks, beans, coleslaw, salads and more for everyone and we even had banana pudding and cake for dessert. We also had cookies and cream cake and even mint chip cake and ice cream.

Nico: Awesome!

Me: It still pisses me off that people had such incredibly hatred towards mutants.

Benson: (to Yost Magma) I may get angry at times. But I'm no racist.

Skullgrin: And believe me, girls. Mutants are not the only people to face racism.

Nico: Yeah it's true.

Yost Magma: Yeah we know.

Pixie: People are really prejudiced against Mutants in our world.

Laney: Yeah we know how that feels.

Me: But after we sent Bolivar Trask to prison for good we got people here in our universe to stop hating Mutants completely and they are now coexisting with everyone.

Cyclops: It's true and that was a great achievement of Team Loud Phoenix Storm.

Nico: Boy I remember that. That was so awesome and that all happened a few days after I joined the team.

Eli: That's cool.

Gentleman Ghost: Georgina and Clyde probably have gotten insulted by racists themselves. (to Georgina and Clyde) No offense, guys.

Georgina: None taken but yeah we know how that feels.

Nico: Bunch of inglorious turds.

Laney: Yeah!

Fangry: I can probably guess you girls have never eaten delicious food in the Yost world before.

Petra: Not really. All we have done most of our lives was run.

Nico: Well you'll love our food.

Lana: We make great food.

Eli: Yep.

Hsi Wu: I'll keep an eye out from the trees in case something bad happens.

Georgina: Thanks Hsi Wu.

He was watching from the trees for any trouble.

Benson: Food is ready!

We then got to eating.

We were really hungry and we were eating all sorts of meat.

Nico (to Yost Magma) As you can see, we've also got Hot Dogs from Sabrett as well.

Yost Magma: Those are one of my favorites.

Me: They are good.

Eli: Yep.

We were eating a lot.

Muscle Man: You know else loves barbeques? My mom!

We laughed at his joke.

Pixie: I don't get it.

Me: We don't either but his jokes are funny.

Lady Deathstrike: (Japanese Accent) What about me? Am I in the Yost World too?

Yost Magma: You are. You've helped Weapon X fight Wolverine and the Hulk on our world before.

Lady Deathstrike: I see.

Nico: That's crazy though.

Doubledealer: Hsi Wu's right to be concerned. I've got a feeling something's about to happen.

Nico: I got that same feeling too.

Eli: I sense it. I sense something coming.

Eli concentrated and looked further and to his shock he sensed something Meaty?

Eli: This is weird. A massive army of hot dogs is coming right for the park.

We gasped and then our shock turned into confusion.

Xiao Fung: An army of hot dogs?

William: This, I gotta see.

Mordecai: Oh no! Not those monsters.

Rigby: I thought we were rid of those bad dogs!

Nico: Sounds like you all have a bad history with these hot dogs.

Mordecai: You could say that Nico.

Yost Magma: What do you mean?

Mordecai: It's a really ugly story.

He went over everything.

---

The Talking Hot Dogs are minor antagonists in the Cartoon Network animated series Regular Show. They appear in the episode "Meat Your Maker" as the main antagonists.

They were voiced by J.G. Quintel, William Salyers, Sam Marin, and Mark Hamill. While the leader was voiced by Tim Curry.

When Mordecai and Rigby ruin the hot dogs for the big park BBQ they go to the freezer to find more to replace the ones they ruined.

After Rigby gets them locked themselves in the freezer and Mordecai gets knock out from all the cold air, Rigby finds a box containing the talking hot dogs. After Mordecai wakes up the Talking Hot Dogs tell them that they know a way out of the meat locker unless Mordecai and Rigby can bring them to a BBQ to be eaten, claiming that they have been longing for the chance to be eaten, and Rigby agrees to take them to the park BBQ, but Mordecai was not so sure.

An icebox then appears and acts as a portal leading to the outside and the BBQ table. They prepare the hot dogs just when Benson, Skips, and Pops arrive and are about to begin, when suddenly the Talking Hot Dogs start attacking everyone.

The hot dog leader then reveals their true plan to not be eaten but to have everyone marinated and eaten as vengeance for having watched their own kind being eaten alive for years. Rigby then saves the day by squirting mustard on the hot dogs, thus causing them to kill themselves off by eating each other.

They also made a brief appearance in "Exit 9B" when Garrett Bobby Ferguson Jr. used a portal to summon the villains from previous episodes, calling the protagonists cowards and that they will die tonight. However, they are never seen for the rest of the episode, including the war. They are then sent back to Hell.

---

When he was done we were horrified!

Eli: Hot dogs that want to eat us!?

Me: Now I've seen everything.

Nico: That is crazy!

Slog: Our best shot is to split the army up and take them out several at a time.

Nico: That's a good strategy Slog. But we'll have to eat them to beat them.

Lily: Like with the Broccoloids.

Nico: Exactly. But we don't want to poison ourselves with Salmonella so we'll have to cook them first.

Yost Magma: I'll help with that. My lava powers will be handy for this.

Nico: Awesome.

Lola: This is gonna be awesome.

Varie: It's a hot dog eating contest in the form of a battle.

Goro: We'll leave the leader the last to feel our wrath!

Nico: As long as J.D. eats him in the end.

Me: Awesome. Good thing I ate a light load of meat.

Eli: This is gonna be awesome and fun.

Lana: Good thing I brought these too.

Lana pulled out bottles of ketchup, mustard, hot sauce and mayonnaise.

Nico: Perfect.

Cree Lincoln: Sis, if you've got any ketchup and mustard weapons with us, you should bring them out.

Numbuh 5: Good idea Cree.

She pulled out ketchup and mustard and condiment blasters.

Me: Leif you better call in Condiment King for this.

Leif: Good idea.

Shendu: My fire will come in handy as well.

Sakura Avalon: Me and Li can use the Firey Card and our fire.

Nico: Good idea and I can use Nuova Shenron's powers and all the Fire Users will be perfect for this.

Lori Loud: And this looks like a job for…

Her eyes glowed red and she spun around and in a tornado of fire she turned into LORI VOLCANA!

Lori Volcana: LORI VOLCANA!

Eli: YEAH!

Varie: Awesome!

Spittor: How'd you like that?!

Poromon: My hot dogs! Mine!

Nico: Guys settle down we haven't done the entrance yet.

Spittor: Huh? Oh sorry.

Poromon: Oh.

Count Spankulot: (Transylvanian Accent) These hot dogs are very bad for invading!

Mr. Boss: You said it Count!

Stickybeard: We'll send these wieners to Davy Jones Locker!

Flapjack: I can't wait to eat them.

Me: Yeah me too.

Lazlo: I hope we make them with beans.

Clam: Beans and wienies!

Solar Man: Time for our entrance.

Nico: Lets do it!

We went to find the hot dogs and we saw a MASSIVE ARMY OF THEM IN THE HUNDREDS OF MILLIONS! We went at them.

They were marching on the warpath.

Suddenly the spirits of the Undead, Demon Sorcerers, Femme Fatales and Mortal Kombat all appeared and swirled around them and then they converged and then…

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted out and rained down fireballs onto the hot dogs and cooked them all over and a phoenix cry was heard and then we came out.

Me: Hey you hot dogs! Chew on this!

I fired a blast of fire and cooked many of them to perfection!

Mortal Kombat Scorpion: Get over here!

He fired his tentacle and skewered many hot dogs and we blasted them with fire.

Nico: Try this on! NUOVA DEATH RAY!

The 4-Star Dragonball on his bracelet glowed and Nico formed a lens and fired a beam of sunlight and cooked the hot dogs all over.

We cooked millions of them.

Nico: Hold them off and keep cooking them while we have the usual battles!

Eli: You got it!

Then Beetle, Cad Bane, Boomerang, Titanium Man, Cheshire, Multiple Man, Silver Samurai, Taskmaster, Whiplash and Major Disaster appeared.

Nico: Beetle, Cad Bane, Boomerang, Titanium Man, Cheshire, Multiple Man, Silver Samurai, Taskmaster, Whiplash and Major Disaster.

Cad Bane: I see you guys have new recruits.

Yost Petra: Multiple Man? Silver Samurai? Is that you two?

Multiple Man: You must have us confused with our Yost counterparts.

Silver Samurai: I am sorry to say that we're not them.

Beetle: It's good to meet you girls anyway.

Pixie: Same here.

Yost Magma: It's awesome to meet you all here.

Cad Bane: (to Nico) We heard you rescued Dexter this morning.

Nico: We sure did.

Boomerang: Where was he?

Nico: He was on an alien slavery planet. Dee Dee sent him to this world by accident and Lisa beat the living crap out of her.

Boomerang: Ouch.

?: Rough beating.

A figure came out and it was TOMBSTONE SHADOW from episode 39 of ToQgers!

---

Tombstone Shadow has the ability to draw in darkness to create copies of slain Shadow using his Headstone Door (墓石系ドア Boseki-kei Doa). Because his abilities waste darkness, the Court of the Shadow Line deem him a dangerous loose cannon, and keep him imprisoned in a cell in Terminal Castle. In Episode 39, Madame Noir sets him free and tasks him with making mischief in order to create a distraction for her in order to get close to Emperor Z and free Grita. While free, he creates copies of Bag Shadow, Bomb Shadow, Ring Shadow and Bucket Shadow. When Baron Nero and Marchioness Morc discover he's free, and siphoning off the darkness of Terminal Castle, Morc goes out to deal with him personally, whereupon Tombstone Shadow confesses Noir having sent him. As she fights him, both inadvertently reveal their presence to the ToQgers. In a vain effort to save himself, he attempts to use Morc as a human shield, telling her, "Elders should go first," but she then throws him back into the path of the blast as she leaps out of the way. As a giant, he then creates copies of Fence Shadow, Jack-in-the-box Shadow, and Pin Spot Shadow to aid him, but they are all destroyed.

---

Right Suzuki: Tombstone Shadow!

Tombstone Shadow: Been a while rangers.

Me: I remember you! You were sent to make copies of slain Shadows. But the court deemed you a loose cannon. But it was awesome how you made copies of Bag Shadow, Bomb Shadow, Ring Shadow and Bucket Shadow and as a giant you made copies of Fence Shadow, Jack-in-the-box Shadow, and Pin Spot Shadow.

Tombstone Shadow: That's right. Good memory J.D.

Me: Never missed an episode.

Brittney: But you are the kind of Shadow that me and the Goths of Darkness would like.

Tombstone Shadow: Thanks Brittney.

Nico: That was cool.

Tombstone Shadow: Okay, be honest. Do you guys want me to bring back a dead fellow monster or no?

Nico: Bring back as many as you want. That is always awesome!

Me: It sure is.

Tombstone Shadow: Yep. And we have 3 new recruits.

Out came ADMIRAL ZHAO, THE ZINGOS AND EIGHT BALL!

---

# Admiral Zhao

**Admiral Zhao** (formerly known as **Commander Zhao** ), often known simply as **Zhao**, was a high-ranking officer in the Fire Nation Navy and a major antagonist the Nickelodeon series *Avatar: The Last Airbender*, serving as the main antagonist of *Book One: Water*, the one-shot comic *Relics* and the 2010 film adaptation *The Last Airbender* as well as a posthumous antagonist in both *Book Two: Earth* and the sequel series *The Legend of Korra* .

He was voiced by Jason Isaacs, who also played Colonel Mekum in *Soldier*, William Tavington in *The Patriot*, Lucius Malfoy and the Basilisk in the *Harry Potter* film franchise, Captain James Hook in the 2003 *Peter Pan* film, Ra's al Ghul in *Batman: Under the Red Hood*, Satan in *Castlevania: Lords of Shadow*, The Grand Inquisitor in *Star Wars Rebels*, Dr. Heinreich Volmer in *A Cure for Wellness*, Dracula in *Monster Family*, Gabriel Lorca in *Star Trek: Discovery*, SkekSo in *The Dark Crystal: Age of Resistance* and Dick Dastardly in *Scoob!* .

## Past

Admiral Zhao was once a student of the firebending master Jeong Jeong. However, while his master attempted to teach Zhao about restraint, Zhao was only concerned with the destructive power he could wield through firebending. He eventually abandoned his teacher after attaining proficiency with destructive firebending techniques, and joined the Fire Nation military.

While serving as a Junior Lieutenant in the Earth Kingdom Zhao chanced upon the spirit library of Wan Shi Tong, an event which would become the turning point in the young soldier's life. Here, Zhao spent considerable time pouring over the secret knowledge the spirit had gathered, hoping to find information that could aid his nation in the Hundred-Year War. While studying the history of the Water Tribes, Zhao came across a detailed illustration with the words "moon" and "ocean". Zhao realized that the diagram revealed the mortal bodies of Tui and La, the ancient Moon and Ocean spirits of the Water Tribes. With this information in his possession, Zhao became obsessed with using the Moon spirit as a way to defeat the Water Tribes and cement his name in history.

To prevent enemies of the Fire Nation from discovering this information, Zhao burned down the section of the library pertaining to the Fire Nation. This action would spark Wan Shi Tong's distrust of humans for decades to come.

Zhao continued his military career, and was quickly promoted through the ranks and soon became the captain of his own ship. After a decisive victory against an Earth Kingdom ship, Fire Lord Ozai rewarded Zhao by promoting him to the rank of Commander. However, it was widely questioned among Zhao's contemporaries whether this position was earned honorably.

*Avatar: The Last Airbender*

Commander Zhao would later find himself in competition with Ozai's son, Prince Zuko, during the latter's banishment. Both men wanted to capture the reawakened Avatar Aang for the Fire Lord and were frequently brought into conflict with one another. This rivalry came to a head when Zuko challenged the commander to an Agni Kai, which the banished prince ultimately won. However, Zuko spared Zhao- an act which the commander considered cowardly- and attempted to walk away. Zhao attempted to strike the prince in the back, but was stopped by Zuko's uncle Iroh, who chastised Zhao for his dishonorable conduct.

Zhao's first meeting with Aang occurred shortly thereafter, when the Avatar attempted to reach Roku's Temple in the Fire Nation. Zhao was commanding a number of Fire Nation ships forming a blockade between Fire Nation and Earth Kingdom waters, and attempted to bring down the Avatar and his allies as they crossed the blockade. At the time, Zuko was also pursuing the Avatar, and Zhao allowed the prince (who was a fugitive in the Fire Nation) through the blockade in an attempt to capture both Zuko and Aang. However, this backfired due to Aang's contact with his past life during the winter solstice and Zhao instead found himself confronted by a resurrected Avatar Roku. While both Aang and Zuko escaped, Zhao saved face by capturing the Sages who kept the temple, declaring them all traitors for allowing the Avatar into the temple.

Later, Zhao was promoted to Admiral and given control over the Yuyan Archers- a group of legendary marksmen loyal to the Fire

Nation. With more resources at his disposal, Zhao was able to hinder Zuko's progress, leading the prince to become more desperate in his hunt. Using the archers, Zhao was able to capture the Avatar, who had been separated from his friends. However Zhao's victory was short-lived, as a masked warrior known as the "Blue Spirit" was able to free Aang from the admiral's fortress.

Zhao later reunited with his mentor, Jeong Jeong, while pursuing the Avatar to one of the Fire Nation colonies. Jeong Jeong had been teaching the Avatar firebending. Zhao proclaimed that living in the wild had reduced his old master to a savage. Jeong Jeong retorted that it was Zhao who had embraced savagery, chastising the admiral's ignorance of the discipline needed to control his powers. Jeong Jeong warned Zhao not to confront the Avatar, but Zhao ignored these warnings, arrogantly stating that he could defeat a child. Ultimately, Zhao's lack of discipline became his undoing when the Avatar managed to goad Zhao into destroying his own ships.

Over time, Zhao deduced that Zuko was actually the Blue Spirit, and attempted to assassinate the prince to prevent him from interfering any further. Believing he had succeeded, Zhao set his ultimate plan into motion- the seige of the North Pole and the Northern Water Tribe. By the second day of the attack, Zhao had breached the walls of the Northern Capitol, in spite of the coming Full Moon (which enhanced the Waterbenders' powers). At this point, Zhao revealed his ultimate plan- he would kill Tui, the Moon spirit which resided in the Northern Spirit Oasis in order to destroy waterbending.

Upon breaching the oasis, Zhao found the spirit in its mortal body- a white koi fish- and captured it, causing the night sky to turn an angry red. Zhao reveled in his victory, announcing that this would cement him as a legend- calling himself "Zhao the Moon-Slayer." In spite of Iroh's warning that killing the Moon would upset the balance of the entire world, Zhao went through with his plan and slew the spirit. Iroh quickly set upon Zhao, driving the admiral from the Oasis. Meanwhile, the vengeful Ocean spirit, La, merged its energies with Aang, becoming a mighty spirit which destroyed most of Zhao's fleet.

Unbeknownst to Zhao, Zuko had actually survived the attempt on his life and had stowed away on the admiral's ship with the intent of capturing the Avatar and escaping. Zuko confronted Zhao as he attempted to flee the North Pole, engaging the admiral for one final battle. Zhao revealed Zuko as the Blue Spirit and attempted to defeat the prince for his treason. As the pair fought, the Avatar's friends restored the Moon spirit to life and the moon reappeared in the sky- much to Zhao's shock. In this opening, La seized Zhao and Zuko tried to save him, but the admiral refuses to be saved and is dragged down to his supposed demise.

### *Legend of Korra*

70 years after his apparent death during the Siege of the North, Zhao reappears in the Spirit World when Aang's children - Tenzin, Kya, and Bumi - traveled to the Fog of Lost Souls in search of Tenzin's daughter Jinora, who had been imprisoned by Unalaq. Zhao is revealed to have been imprisoned by La in the fog, and by this time had fallen completely under its maddening effects. In his delusional stupor, Zhao mistakes Tenzin for an older Aang, and rants about how he became a "conqueror" and "moon slayer". Kya manages to fend him off with her waterbending and he is left in the prison- presumably forever.

## Jeff Hagees A.K.A. Eight Ball

### Origin

Jeff Hagees, a professional pool player born in Duluth, Minnesota, had a gambling problem. He started gambling as a way to get his mind off of his job as a defense contractor and missile propulsion engineer for the Department of Defense, but quickly found himself owing thousands to pool sharks. Eventually, he was fired because his employer was worried he would sell their secrets to pay his debts despite having no proof that he did anything. Penniless and still owing the sharks, Hagees became 8-Ball to steal the money he owed, combining his pool and engineering interests to start his own organized crime business that went on a spree in New York.[1]

### Sleepwalker

Sleepwalker tracked down 8-Ball on two occasions. During the first encounter, Sleepwalker won the fight and demanded to know who he was and what he was doing before he handed him over to the authorities. Rick Sheridan, however, woke up, and Sleepwalker was forced to escape. During the second encounter, 8-Ball won the fight and shot innocent bystanders, but Sleepwalker escaped.

## The Bar With No Name

8-Ball frequented The Bar With No Name, a popular super-villain hangout, where he often played pool with Oddball. It was there he also ran into various female villains, and was a witness to a fight between Black Mamba, Asp, and Impala vs. Battleaxe, Steel Wind, and Golddigger.

## Challenging Hobgoblin

He challenged Hobgoblin (Jason Macendale) to a $100,000 round of pool, but Macendale changed the prize during the game to who got to kill Sleepwalker, now Hagees' nemesis. The game of pool turned into the challenge of actually being the first to kill Sleepwalker AND get $100,000, but during said challenge, both 8-Ball and Hobgoblin realized that Sleepwalker wasn't fighting as hard as he usually was (due to a mind-transfer with Rick Sheridan), and he did not want to kill the weaker version. He ended up beating up Hobgoblin to make him stop, but Rick was already dying, and 8-Ball left him to his fate.

## The Big House

Eventually Hagees was arrested and sent to prison in the Big House. He eventually escaped on She-Hulk's hand, (since the inmates stayed shrunk by Pym Particles), along with a group of villains including the Mad Thinker. He was eventually returned to prison by She-Hulk, but managed to escape again, this time organizing thefts in order to help his sick grandmother instead of paying off his debts.

## Death

He helped Whirlwind, Humbug, and Freezer Burn steal a computer chip from Ricadonna while she was at a party. Unknowingly, the chip contained a deadly computer virus, and they were caught on tape. Ricadonna put out contracts on their lives, and 8-Ball was subsequently killed by the Wrecker, who fired an RPG at the car that Misty Knight and Colleen Wing were using to transport him, having tracked him to his grandmother's hospital room. Ricadonna was arrested, and 8-Ball has had two successors since.

Zingos

After, Skips begins eating the wings, his body looks like it would fail him. With three wings remaining, he enters a subconscious state. When he opens his eyes, he is in an inferno-likeplace.

He hears the chanting of "Zingo!" by three live chicken wings, dubbed the "Zingos". Skips decides to fight his way out, and he throws the leader Zingo down the river. He beats the first two Zingos, who revert to the regular wings and he eats them. He jumps down on the platform and gets in a headlock with the leader, who tells him this is his biggest failure since Desdemona.

Enraged, Skips lifts him up and sends him in the waterfall. Eating the last wing as the rain comes, he shouts a triumphant "Zingo" and wakes up eating the final wing while being cooled with lemonade.

Aang: Zhao!

Skips: The Zingos!

They infiltrated the residence, and they told Anthony McCann they had a warrant for his arrest, and they had him handcuffed and taken away for the trial of the century, and thanks to Lincoln giving them the evidence of Anthony McCann's crimes, the lowlife was convicted for his crimes, and he got Life in Prison Without The Possibility of Parole, and she held a strong and brutal hatred towards him and Flip for their crimes, and Anthony McCann held a dark hatred towards Maggie and the Louds for ruining him, but Maggie swore: if he ever broke out of prison, she will send him straight to Hell to be tortured and tormented for all eternity.

Princess Celestia: That was one of the decisive battles in the war that would decide the fate of the Water Tribe.

Amber Morning: I heard all about the Hundred Year War and that was absolutely terrible.

Minuette: Boy it sure was. It's hard to imagine that so many years of fighting can cause so much damage and death and destruction.

Twinkleshine: The worst part of that war was the Genocide of the Air Nomads. That was terrible! Sozin wiped almost the entirety of the Air Nomads except for Aang.

Lemon Hearts: Yeah that was terrible! Why would the Fire Lord commit such a terrible attack?

Moondancer: He wanted to make sure that the Avatar Cycle is broken forever so he used the power of Sozin's Comet to annihilate the Air Nomads forever and destroy the Avatar to make sure that all hope is lost.

Lyra Heartstrings: That is just absolutely terrible! Sozin, Azulon and Ozai are known as The Devils of The Fire Nation!

Sunset Shimmer: Yeah they sure are and they have absolutely no honor at all.

---

Pink Ranger Slayer was next.

Pink Ranger Slayer: Out of all the battles in the Hundred Year War, which battle do you think was the worst one of them all?

Fiona Hernandez: Oh gosh that's a really tough one to say. But I would have to say that the worst one of them all was The Genocide of the Air Nomads. That resulted in leaving Aang as the only Airbender alive.

Pink Ranger Slayer: That is horrible! What caused the entirety of that event?

Fiona Hernandez: Sozin wanted to destroy the Avatar Cycle forever.

She went over the entirety of the event.

---

The **Air Nomad Genocide** was a mass slaughter committed by the Fire Nation that resulted in the near eradication of the Air Nomads and the fauna that lived within their territories and air temples. The only human survivor of the initial attack and its aftermath was Avatar Aang, who was ironically the prime target. While destroying the Air Nomads, Sozin launched simultaneous attacks on the Earth Kingdom and the Water Tribes, leading to the large-scale war that continued for one hundred years.

## Prelude

The Air Nomads were respected by many in the Fire Nation in the decades before the genocide. Air Nomad philosophy was so popular that the nobility supported the building of Fire & Air Center of Learning in the Fire Nation to share Air Nomad teachings and ideals with people, which was eventually endorsed by all four air temples.[5] However, Fire Lord Sozin began to see Air Nomad teachings as a threat to the preservation of Fire Nation culture. He seized the construction of the center from the nobility after an Air Nomad sect known as the Guiding Wind tried to sabotage construction, speaking out against the worldly prosperity of Fire Nation nobility and the harm it was doing to the spiritual enlightenment of all people.

Sozin began to see the Guiding Wind as a direct threat to him, as they were inherently opposed to the concept of nobility and wealth. He was furious when his sister, Princess Zeisan, announced her intention to renounce her wealth and titles after she proposed a political marriage to the Guiding Wind's leader, Khandro, also hoping to undermine her brother's reign. To counteract his sister's influence, Sozin began nationalistic propaganda campaigns targeting the poorest in society. There were also reports of members of the Guiding Wind committing violent acts across the Fire Nation in spite of their nonviolent principles, and Khandro suspected the involvement of the Fire Nation government. Over the following decades, Sozin stoked xenophobic and nationalistic sentiment to the point that the once tolerant Fire Nation became a nation willing to invade the other nations and orchestrate heinous acts against them.

After Fire Lord Sozin left Avatar Roku to succumb to the toxic fumes he inhaled during the volcanic eruption on his island, Sozin commenced to execute his plans to "spread the Fire Nation's state of peace and wealth to the rest of the world", to bring forth a brighter future.

Sozin knew that Roku's successor would be reborn as an Air Nomad, thus he planned an initial surprise attack against the Air Nomads. The assault was timed to take place during the arrival of the Great Comet, later dubbed Sozin's Comet, as it gave his firebenders an enormous power advantage. In preparation for his global campaign of conquest, Sozin gradually and covertly expanded his already powerful military.

Due to the threat of oncoming war, the Council of Elders told Aang of his identity as the Avatar at the age of twelve, when under normal circumstances the Avatar is told of their identity at the age of sixteen. Despite this, Gyatso, believing Aang should have a normal childhood, continued to engage him in fun and games. This prompted a decision by Pasang and the rest of the Council of Elders to separate the two and send Aang to the Eastern Air Temple to complete his airbending training. This conversation, however, was overheard by Aang, who had been eavesdropping from a secret hiding place. Unable to deal with the weight of his new status and the path the head monks had chosen for him, he abandoned his home with his flying bison, Appa. Caught in a storm shortly afterward, Aang and Appa plunged into the ocean. Deep underneath the surface, the Avatar State was activated as a defense mechanism and, utilizing both airbending and waterbending, the Avatar State-induced Aang encased himself and Appa in a block of ice, saving them both from the immediate threat of drowning and Sozin's imminent assault against the Air Nomads.

## Genocide

According to Aang, the only way to reach an Air Nomad temple was with a flying bison; however, the Fire Nation military managed to reach the highly elevated areas of the mountain ranges in which they were situated. Some temples, such as the Eastern Air Temple, appear to have suffered more damage than others, unlike the still relatively intact Western Air Temple.

Despite being a pacifistic culture, the Air Nomads fought back against their attackers with a fair amount of success, as evidenced by the dozens of firebender corpses surrounding the skeleton of Monk Gyatso. Ultimately, however, they were no match for the sheer numbers and firepower of their opponents.

A small number of Air Nomads escaped the initial attack on the temples and proved too elusive for the Fire Nation to hunt down. Changing tactics, Fire Lord Sozin removed relics from the temples and had a number of small residences high in the mountains furnished with them, giving these places the appearance of being inhabited by other Air Nomad refugees. Using spies to spread rumors about these safe houses throughout the Earth Kingdom population, Sozin successfully lured the remaining airbenders into the hands of waiting Fire Nation soldiers and eliminated them.

## Aftermath Immediate

The only airbender known to have survived the genocide was the one that the Fire Nation sought to kill in its quest for world supremacy: the Avatar, Aang.[2] By running away from the temple, ignorant of the imminent attacks against the Air Nomads, he saved himself. Aang, however, later felt guilty about fleeing and believed he could have defeated the invading Fire Nation forces and saved his people if he had stayed.

Sozin spent the last twenty years of his life looking for Aang, who by that time had been frozen in a submerged iceberg for several years, and eventually died at the age of 102 without ever finding him. Sozin's legacy to the world was a war that had begun with the Air Nomad Genocide and would last a hundred years.

## General

Some colonies were established in lands once considered belonging to the Air Nomads, though the temples themselves remained abandoned. Even in the late war, Fire Army units regularly patrolled the land to search for any suspicious activity, while some Air Nomad land was considered the perfect hideout for bandits. Dark spirits also began to inhabit deserted areas, especially those that once held spiritual significance, and some haunted the area even decades after the end of the war.

The Air Nomad Genocide was eventually followed by a propaganda campaign in the Fire Nation. The population was told that the Avatar and the Air Nomads had plotted to take over the world, justifying the genocide as a necessary act by the Fire Nation to stop them. By 100 AG, children were also taught that Sozin battled the "Air Nation Army", completely omitting the fact that the Air Nomads were a peaceful people and did not have a formal army of their own. Nevertheless, this warped form of the history was generally considered correct by Fire Nation citizens. Fire Nation citizens who knew the genocide's true nature justified it by arguing that the Fire Nation was naturally stronger and thus destined to conquer or destroy the other nations.

Meanwhile, the Earth Kingdom and Water Tribes gradually lost most knowledge of the Air Nomads, causing them, as well as the flying bison, to mostly be considered part of ancient myths and false legends. Intellectuals and elders were those who generally knew most of the Air Nomads, but even to them they were part of an ancient and virtually dead culture. Before the awakening of Avatar Aang, Professor Ko from Ba Sing Se University tasked a group of people with recovering relics from the air temples in an attempt to preserve Air Nomad culture.

One hundred years after the genocide, Katara and Sokka freed Aang and Appa from their frozen state. Afterward, Aang soon learned of the fate of the Air Nomads. He revisited his former home, the Southern Air Temple, still hopeful that a few Air Nomads would have survived the attacks, but he discovered countless Fire Nation corpses along with Gyatso's frail skeleton. His absence during the genocide of his people would frequently plague him, causing him many bouts of shame along with feelings of insurmountable grief.

However, not all air temples were left alone and in ruins for one hundred years; the Northern Air Temple was rediscovered by Earth Kingdom refugees around 90 AG. Forced from their homes by a flood years before, they stumbled upon the abandoned temple and made it their new home. Their leader, the mechanist, strongly modified the temple with his inventions, creating a safe haven for his people. When Aang eventually arrived at the Northern temple during their journey, the Avatar was angry at the new inhabitants for what he saw as "vandalizing" the home of his people. However, Aang relented after seeing Teo's "airbender" spirit and how the refugees defended their new home against the Fire Nation. Aang stated that just like the hermit crab he saw earlier, they had found a new "shell" to call home and allowed them to stay.

In order to preserve the Air Nomad culture, Avatar Aang founded the "Air Acolytes" in 101 AG. Part of an international group of monks and nuns, they carry on the teachings, culture, and traditions of the Air Nomads through practice. They did their best to recover relics and documentation about the lost Air Nomad culture in order to reconstruct and revive the culture to the best of their ability. A few years after their founding, they began to plan the repairs to the air temples. The temples were fully restored by 171 AG. Fire Nation officials also worked to return Air Nomad relics to the Air Acolytes.

Though the airbender population is still crippled beyond sustainability, the population has slowly begun rising with the birth of Aang and Katara's son, Tenzin, who in turn also has a family with three known airbenders: Jinora, Ikki, and Meelo. Following Harmonic Convergence in 171 AG, airbending has resurfaced in a number of nonbending citizens across the world.

When she was done they were all shocked and horrified.

Pink Ranger Slayer: That is horrible! I can't believe that Sozin would do that!

Fiona Hernandez: Yeah it was awful. What happened to the Air Nomads was completely unforgivable. I found this in Sozin's journal here.

She pulled out a book and it was the journal of Fire Lord Sozin.

Fiona Hernandez: This is the last entry. (Reads an Entry) " *With Roku gone, and the great comet returning, the timing was perfect to change the world. I knew the next Avatar would be born an Air Nomad, so I wiped out the air temples. But somehow, the new Avatar eluded me. I wasted the remainder of my life searching in vain. I know he's hiding out there somewhere. The Fire Nation's greatest threat… the last airbender."* Fire Lord Sozin relentlessly pursued Aang to kill him. But regardless all his efforts were in vain. We are restoring the Air Nomads little by little. So in the end, Aang and us all got the last laugh.

Pink Ranger Slayer: That is terrible that all that happened. And Sozin's Comet got destroyed and Ozin got defeated.

Fiona Hernandez: Yep and also Fire Lord Sozin was cursed with the ultimate fate worse than death: Eternity in Limbo as a Cursed Soul forever Forbidden From Entering the Afterlife.

Himiko Toga: That is a fate I would find fitting for him. I can't believe he did all that.

Apple Bloom: No kidding. He was a monster and he deserved to be destroyed.

Sweetie Belle: It was thanks to the Number Cards that he was brought back and J.D. got justice for all those he destroyed.

Scootaloo: That was amazing.

Diamond Tiara: Sozin, Azulon and Ozai deserved to be destroyed or sent to prison.

Silver Spoon: What Sozin did was beyond pure evil.

Misty Tredwell: Yeah and that was absolutely terrible. I heard about the battles in the war and they were some of the worst. Millions of people died and an entire tribe was teetering on the razors edge of extinction. It was awful.

Pink Ranger Slayer: It sure was. Lets do it!

They fired waves of fire and energy and smashed her down.

Fiona Hernandez: FIRE WINS!

Cutie Mark Crusaders: CUTIE MARK CRUSADERS VICTORY! YAY!

Weddinmon: What was the Siege of The North like during the war?

Marie Hernandez: That was a terrible battle. It was one of the worst battles of the Water Tribe.

Marie told her about the Siege of the Northern Water Tribe.

---

The **Siege of the North** was a massive battle fought for the city of Agna Qel'a between the Northern Water Tribe and the Fire Nation at the North Pole. The Northern Water Tribe forces, led by Chief Arnook and Avatar Aang, defended the tribe's civilizationfrom the besieging navy and infantry of the Fire Nation, led by Admiral Zhao. Thanks mainly to Avatar Aang and La, the ocean spirit, the battle ended in a humiliating defeat for the Fire Nation, and a vital strategic victory for the Water Tribe and, to a lesser extent, the Earth Kingdom. The outcome of the battle greatly contributed to Iroh and Prince Zuko's becoming Fire Nation fugitives.

Many months before the battle, Avatar Aang and his sky bison, Appa, were awoken by Sokka and Katara of the Southern Water Tribe from one hundred years of sleep within an iceberg. After learning that Aang was the Avatar and telling him of the Hundred

Year War waged by the Fire Nation, the four befriended one another and decided to travel to the Northern Water Tribe together to find Aang a waterbending master. As the Avatar, Aang had a duty to master the four elements, put an end to the Fire Nation invasion, and restore peace to the world. After several months of traveling and evading Fire Nation pursuers across the Earth Kingdom, Aang and his friends reached the Northern Water Tribe's capital Agna Qel'a where he and Katara began instruction in advanced waterbending.

The ambitious Admiral Zhao, in competition with the exiled Prince Zuko, tracked the Avatar across the Earth Kingdom. Discovering Aang's plans to master waterbending at the North Pole, Zhao amassed a huge invasion fleet and, in the footsteps of Fire LordSozin before him, sought to eliminate both the Water Tribe and the Avatar in a single blow.

Zhao, after discovering the identity of the treacherous Blue Spirit to be Zuko, secretly ordered his assassination. Unbeknownst to the admiral, Zuko survived and posed as a guard on the admiral's ship, accompanied by Iroh, who took up Zhao's offer to become his military adviser.

Admiral Zhao revealed to Iroh that he had discovered the mortal identity of the Moon and Ocean Spirits years prior the siege, and intended to obtain victory over the Water Tribe by "removing the moon as a factor", as its power gave waterbenders the ability to bend and therefore defend their civilization.

## Battle

On a winter morning, Zhao and his Fire Nation Navy armada arrived at the gates of Agna Qel'a. Arriving in Empire-class battleships, Admiral Zhao and his fleet used trebuchets to launch a barrage of fiery projectiles in order to break through the city's icy front wall.

The Northern Water Tribe countered by freezing and destroying numerous Fire Nation ships. Zhao sent a single vessel to demolish the great ice walls defending the city, but this vessel was quickly disabled by Avatar Aang and the waterbenders. Aang decided to fly into battle against the warships, disabling at least a dozen before retreating into the city at sundown from exhaustion. Meanwhile, Chief Arnook organized a secret mission to eliminate Admiral Zhao by tasking his future son-in-law, Hahn, with boarding the Fire Nation's flagship and capturing or killing its commander. The effort turned out to be futile due to Hahn's incompetence.

After a day of heavy fire, Iroh advised Zhao to hold fire and resume the invasion the next day, due to the moon augmenting the waterbenders' abilities. After nightfall, Aang entered the Spirit World, seeking the aid of the Moon and Ocean Spirits. However, shortly after entering the Spirit World, Prince Zuko arrived at the Spirit Oasis, and, after defeating Katara, abducted the Avatar and ventured into the isolated tundra.

After daybreak arrived, Zhao resumed fire and, within minutes, managed to breach the outer gate of Agna Qel'a and deploy a massive number of infantry, cavalry, and tanks. The battle at this point seemed almost hopeless for the Northern Water Tribe with the Fire Nation advancing rapidly through their defenses.

On the night of the second day, however, the waterbenders launched their counterattack. Drawing power from the full moon, they advanced toward their enemy invaders and successfully began to destroy their foothold on the beachhead. Realizing the difficult situation, Zhao revealed his plan to kill the Moon Spirit in order to permanently render the waterbenders helpless.

Aang, meanwhile, had been rescued from Zuko by his friends and had learned the location of the Moon and Ocean Spirits. Upon returning to the Spirit Oasis, however, the team discovered that Zhao had captured the Moon Spirit from the koi pond, causing a lunar eclipse and rendering the waterbenders powerless as the Fire Nation charged. Zhao threatened to kill the Moon Spirit to which Aang and Iroh both warned the admiral that doing so would throw the entire world out of balance. Despite this, Zhao slew the Moon Spirit with a large blast of fire, removing the moon and stripping the waterbenders of their powers.

At this point, Iroh abandoned his allegiance to the Fire Nation and effortlessly struck down Zhao's men, driving Zhao away from the sacred pond. Aang subsequently entered the Avatar State and merged with the Ocean Spirit, who, in an act of revenge, single-handedly destroyed the invading forces and drove what was left of the Fire Nation fleet away and heavily damaged. Zhao himself was intercepted by Zuko, who wanted revenge for Zhao's previous attempt to murder him.

Initially, the two firebenders fought on equal terms, but Zuko eventually gained the upper hand and overwhelmed the admiral. Before their battle could be concluded, the Ocean Spirit, who had separated from Aang, dragged Zhao underneath the water. The Moon Spirit itself was revived by Princess Yue's sacrifice, restoring their bending powers. By this point, the few surviving Fire Nation warships abandoned the siege and retreated from the North Pole.

## Aftermath

In the end, the Northern Water Tribe achieved what appeared to be a Pyrrhic victory, having lost many civilians and large amounts of infrastructure. The leaders of the Northern Water Tribe decided to reestablish relations with their sister tribe and initiated plans to reunify the two tribes. This included sending a team of select healers and waterbenders to rebuild the ravaged Southern Water Tribe.

Although a tremendous victory, the loss of Zhao's Fire Navy fleet was not enough to end the War, and it was merely a few months after the battle that the Earth Kingdom city of Ba Sing Se fell to the enemy. However, the success of this battle ensured that the Northern Water Tribe survived the remainder of the war.

Although the loss of the invasion fleet was a huge blow to the Fire Nation, the Fire Navy still maintained its power and several key units remained operational, including the Southern Raiders and the blockade defending the Fire Nation.

Fire Lord Ozai was furious about the defeat. Blaming his brother Iroh for the siege's failure, and his son Zuko for *being* a failure, he sent his daughter, Princess Azula, to capture Iroh and Zuko.

Admiral Zhao wound up being dragged into the Spirit World and placed in a prison known as the Fog of Lost Souls, where the fog spirit slowly drove him mad by trapping him in his own darkest memory.

**Azula** was the princess of the Fire Nation, daughter of Fire Lord Ozai and Ursa, younger sister of Zuko, and older half-sister of Kiyi. She was a key adversary of Team Avatar, chasing Avatar Aangand her banished brother far across the Earth Kingdomaccompanied by her then two best friends, Mai and Ty Lee.

A firebending prodigy, Azula was sadistic, manipulative, and obsessed with power. She was a skilled strategist who orchestrated the coup of the Earth Kingdom capital, Ba Sing Se, and halted the invasion on the Day of Black Sun.

Azula harbored deep mental instabilities, believing her mother loved Zuko more than her. Raised by her father in an environment without a mother-figure, Azula had to be nothing less than perfect in her father's eyes in order to gain affection and attention from him. After the betrayal of her two closest friends Mai and Ty Lee, these instabilities were brought up to the surface.[ Upon the arrival of Sozin's Comet, Azula was soon to be crowned Fire Lord;[ however, her defeat at the hands of her brother Zuko and Katara caused her to suffer a complete mental breakdown.

Following her emotional breakdown, Azula was put in a mental health facility to recover, though she eventually joined Team Avatar on their search for Ursa, as part of her secret agenda to betray them and usurp the throne from Zuko. At this quest's completion, however, Azula escaped the team's supervision.

Sometime after her exile, Azula returned to the Fire Nation Capital in secret. Having finally accepted that she would never be Fire Lord, Azula resorted to manipulating Zuko so that she could rule through him. Gathering a group of female supporters, she took on the guise of the mythical Kemurikage to intimidate Ukano into threatening Zuko. When that failed, Azula and her followers resorted to kidnapping children in the capital, setting the city into civil unrest. Though Zuko and his allies were able to rescue the children, Azula and her followers escaped.

Early life Early childhood

Princess Azula was born to Prince Ozai and Princess Ursa in 85 AG and was named after her paternal grandfather, Fire Lord Azulon. Azula grew up with all the riches, splendor, and privileges of royalty in the Fire Nation. Her sharp wits and the fact that she was a firebending prodigy gained her great attention and acclaim, which quickly made her Ozai's favorite child. Her father began raising her as his true heir from an early stage, taking her into his confidence and educating her in politics. Azula later attended the Royal Fire Academy for Girls, where she met and befriended Mai and Ty Lee, two daughters of Fire Nation noblemen. One of the reasons the princess chose them as friends was because the two girls possessed skills that she did not, and so she spent part of her adolescence learning these abilities from them.

Despite the heightened tensions in their family due to their father's favoritism of Azula, cohesion and peace were still strong among the young family during Azula and Zuko's childhood; for example, the two would often reenact the final duel of *Love amongst the Dragons* after watching the play during their frequent vacations at Ember Island. Both siblings happily recalled these memories many years later. However, as they grew older, the siblings eventually grew apart.

Though Azula was clearly favored by Ozai, she felt that her mother loved Zuko much more than her, creating a rift of jealousy between her and Ursa and Zuko. Confronted daily with this mother/son bonding, Azula often attempted to gain Ursa's attention in some way. However, these attempts usually resulted in family quarrels. Around 94 AG, Azula walked together with her mother and brother in the royal garden. Feeling neglected and bored, as Ursa only talked with Zuko, Azula ignited a flower, prompting Zuko to tell on her to Ursa. Ursa scolded Azula for disrespecting the royal garden, but the princess just said that the flower "deserved it", as it had not grown to her liking. In retaliation for telling on her, Azula burned Zuko's bottom, calling him a tattletale. However, Ursa promptly sent her to her room. Scowling over this treatment, Azula stormed off. Scenes like this became regular occurrences, and as a result, Azula developed an increasingly hostile attitude toward Zuko and Ursa.

Months later, Azula and her family ate together at the palace dining hall. The princess, dissatisfied with the conservative training techniques of her firebending teacher, happily told her father that she set his britches on fire after being lectured by him. Ozai agreed that the teacher sounded like a fool for insisting on specified forms and declared that he would send him to the colonies as punishment. Full of spiteful joy, Azula said that it "served him right" and called him a "dummy". When Zuko attempted to defend the tutor, he was promptly silenced by his father, who reprimanded him for his poor firebending skills and compared him with Azula and her natural talent for the bending art. Ozai revealed that he nearly discarded Zuko at birth, believing the prince to be a nonbender, causing Azula to smile triumphantly at her shocked brother.

Even as a young child, Azula exhibited a duplicitous and cunning streak, as demonstrated when she manipulated her mother to get her way.

Azula often displayed her natural talents, along with her tendency for malice and perfection, but these traits were especially clear when the princess played with her friends in the royal garden in 95 AG. When Ty Lee successfully performed a cartwheel after Azula's failed attempt, she shoved her friend to the ground out of jealousy while laughing gleefully. When she saw ten-year-old Mai attempting to hide her crush on her brother Zuko, Azula used her acting and cunning to convince her mother to make Zuko play with them. During their game, she placed an apple on Mai's head and set it on fire, forcing Zuko to tackle Mai into a fountain to put out the fire. She found great pleasure in embarrassing the two of them.

A true tactician, Azula desired power from a young age, suggesting that her father would make a better Fire Lord than the heir apparent, her uncle Iroh. She torched a doll that her uncle had sent her as a gift from the Earth Kingdom, preferring the weapon Zuko had gotten over a simple doll. Not long after this, her cousin Lu Ten was killed in battle, prompting Iroh to abandon his legendary six-hundred-day siege of Ba Sing Se, which in turn prompted Azula to call him "a quitter and a loser". She even showed some slight disrespect to her grandfather, as when she was told to call him "Fire Lord Azulon", she responded with, "Can't we just call him grandfather? He's not exactly the powerful firebender he used to be".

Shortly after receiving this news, Azula and the rest of her family went before Fire Lord Azulon, and she put on a spectacular display of her firebending prowess. After her routine, she watched smugly as Zuko tried to copy her performance but failed. When Azulon ordered everyone except Ozai out of the room, Azula grabbed her brother and hid behind the curtains. From there, she and Zuko watched their father request that he be made Fire Lord instead of Iroh. When Zuko fled in fear of the Fire Lord's anger, Azula stayed behind to watch with amusement. She later met her brother back in his room, claiming gleefully that she heard her grandfather sentence him to death. She taunted him about it until their mother angrily pulled her away for a private talk. Under pressure from Ursa, Azula confessed what she overheard and was told by her mother to go to her room, which she did with a devious smile. A short time later, Azula played with the knife that Zuko had received from Iroh and coolly announced to him that no one knew where their mother was and their grandfather had passed away during the night. Soon after that, she watched her father's coronation with glee. No amicable feelings developed between her and Zuko throughout the next few years, as Ozai apparently began to favor her more and more over her brother during this period.

## Rise to Crown Princess

Azula, alongside Iroh and Zhao, watched Zuko's Agni Kai with his father. When Ozai burned her brother's face, she smiled smugly in triumph, along with Zhao. When Zuko was banished from the Fire Nation, Azula officially became Ozai's heir. For the next three years, she would continue her relentless training in firebending, strategy, and combat until she refined herself enough to serve her father. By this time, her firebending advanced to the level where her fire was blue, and she could create lightning, thus increasing her overall bending power and intensity, making her a formidable opponent.

### Winter 99 AG

Shortly after Zhao's failed siege on the Northern Water Tribe, Azula was summoned by her father to his throne room. As she knelt before

Fire Lord Ozai, he commented that Zuko was a failure and Iroh was a traitor. He charged her with a mission: to find and capture her uncle and brother.

Ty Lee, Azula, and Mai disguised themselves as the Kyoshi Warriors, successfully infiltrated the Earth King's circle of trust, gained control of the Dai Li, and enacted the Coup of Ba Sing Se, thus almost granting the Fire Nation complete victory in the war.

Azula was supplied with a Fire Nation royal sloop, which included a crew and sailed to Zuko and Iroh's last known location. As they approached the port, Azula addressed her crew, emphasizing that she would not tolerate any reluctance to carry out their mission, even if they were apprehending members of the royal family. Before dismissing her crew, Azula reveled in their sense of fear. The ship's captain approached her, explaining that the tides would not allow them to bring the ship in before nightfall. Annoyed by the news, Azula deftly let the man know that his life was at stake if he did not follow her orders.

Azula found Zuko and Iroh in a village resort and invited them to the ship with the false promise of being accepted home with open arms. Her initial plan of luring back her two dissident family members was thwarted by her own ship's captain, who accidentally addressed Zuko and Iroh as prisoners. In the ensuing skirmish, Azula was thrown overboard, allowing her brother and uncle to escape. In order to pursue the Avatar, Azula formed an elite team consisting of her childhood friends Ty Lee, recruited from a circus, and Mai, who was living in Omashu as the governor's daughter. Azula did not manage to capture Aang and his friends in Omashu, but nonetheless was able to crush the city's resistanceand secure it for the Fire Nation, renaming the city New Ozai in her father's honor. Azula continued to pursue the Avatar, Zuko, and Iroh for several weeks, making use of technological advancements such as the tank train, being able to find them and wound Iroh in Tu Zin before fleeing the scene.

After her initial failure to breach the strong outer wall of Ba Sing Se with the Fire Nation drill, Azula and her team encountered the Kyoshi Warriors led by Suki, who they swiftly defeated and took into custody. Hoping that it would break her, Azula sent Suki to the Boiling Rock high-security prison. Disguising themselves, Azula, Ty

Lee, and Mai entered Ba Sing Se and successfully plotted a conspiracy with the treacherous minister Long Feng. She had the Dai Li arrest the Council of Five, the Earth King's highest-ranking generals, while she personally overthrew the sovereign. Sokka and Toph were arrested while attempting to warn Earth King Kuei against the plot, and Azula sent to a separate dungeon. Immediately afterward, Long Feng arrived on the scene and commanded the Dai Li to arrest Azula, attempting to double-cross her. Having prepared against a potential counter, Azula instead convinced the Dai Li to pledge loyalty to her. Realizing that he had been outplayed at his own game, the Grand Secretariat grudgingly surrendered. After taking control of the palace, Azula encountered Zuko in the Upper Ring and managed to convince him to join her in order to redeem his birthright as crown prince. During a battle with the Avatar in the Crystal Catacombs beneath the city, Azula mortally wounded Aang with a lightning strike just after he entered the Avatar State, leaving the Avatar presumed dead forever and the Earth Kingdom capital delivered into the hands of the Fire Nation.

After the fall of Ba Sing Se, Azula made arrangements for her friends, Zuko, and herself to return to the Fire Nation. Before leaving the Earth Kingdom capital, she passed her rulership over the city to one Joo Dee, whom she raised to the city's Supreme Bureaucratic Administrator. She also brought back her uncle Iroh in chains, who would be imprisoned in the Capital City Prison complex for his treachery. Back home, both she and her brother were welcomed as war heroes and were greeted by crowds of their people. However, Azula doubted that the Avatar was truly dead and believed that Zuko was hiding something from her. As such, she informed her father that Zuko had killed the Avatar, which would set him up for greater dishonor should he be proven to be alive.

Azula traveled with her friends and Zuko to Ember Island for a brief vacation while the Fire Lord conferred with his advisers in private. Azula took advantage of this opportunity to experience life as a normal person for the very first time, choosing to keep conceal her identity as a princess. The vacation was one of the few moments of her life when Azula opened up and revealed her pain and resentment about her relationship with her mother. After returning to the capital, Azula attended an important all-day war meeting with her father, her brother, and the nation's most important generals, where she suggested using Sozin's Comet to destroy the Earth Kingdom once and for all, a plan which dismayed Zuko and would contribute to his eventual defection from their nation.

Having gained knowledge of the invasion during her infiltration in the Earth Kingdom, Azula warned the Fire Lord in advance, and the royal family evacuated to an underground bunker prior to the invasion. Azula and her agents stalled Aang, Sokka, and Toph from finding Fire Lord Ozai before the eclipse ended. This distraction allowed the Fire Army to retaliate with full force once their bending was reactivated, bringing the invasion to an end.

Later, Azula, Mai, and Ty Lee visited the the Boiling Rock, where Zuko had been captured while infiltrating the high-security prison in an attempt to rescue Hakoda. Although it seemed as if Zuko, Sokka, Suki, and Hakoda would fall into the boiling lake during an escape attempt, Mai helped aid their escape. Enraged, Azula confronted her former friend, who confessed that her love for Zuko was greater than her fear for Azula. At that moment, Azula prepared to attack Mai, but Ty Lee stopped her by blocking her chi. Azula subsequently had both Mai and Ty Lee imprisoned as, Azula led a platoon of Fire Nation airships to the Western Air Temple, where she battled Zuko. During their skirmish, Azula nearly fell to her death after slipping from the airship, but was able to stop her descent by using her hairpin as an anchor in the cliff wall. Despite having failed to eliminate both Zuko and Aang, she smiled as the Avatar and his friends escaped the temple.

When Ozai departed to harness the power of Sozin's Comet to burn the Earth Kingdom, he named Azula as the new Fire Lord. Although Azula was astonished to receive the title, her father told her that while she would rule the homeland, he would become Phoenix King and become the supreme ruler of the world. As she prepared for her coronation, Azula began to crack under the pressures of her friends' betrayal and acceding to the throne, and her mental health began to deteriorate. She became suspicious of her servants and began to banish them from the nation, along with her personal advisors Lo and Li, her own Dai Li agents, and the Royal Procession. While attempting to cut her hair for the coronation, Azula saw a hallucination of her mother. Just before the High Sage was to crown Azula as Fire Lord, Zuko and Katara arrived at the palace. Azula challenged Zuko to a Comet-Enhanced Agni Kai, to which he agreed, noticing her imbalanced mental state. During their fight, Azula's attacks were wild, emotional, and reckless, albeit still powerful, while Zuko's attacks were calm and controlled, and eventually, he gained the upper hand. When he began to overpower her, Azula, responding to his challenge to use lightning, directed her attack toward Katara. However, Zuko intercepted her attack and was grievously injured as a result. Azula then attempted to defeat Katara, but the waterbender trapped them both in ice and chained her to the floor by taking advantage of her mental decay. Seeing herself defeated and usurped as Fire Lord, Azula let out a fiery roar before breaking down, sobbing and screaming.

## After the Hundred Year War Searching for Ursa

After her Agni Kai with Zuko and subsequent mental breakdown, Azula's insanity earned her Zuko's pity, and rather than being sent to prison, like their father Ozai was, she was committed to an asylum on a nearby island, where she was continuously monitored. Although she considered the mental health facility a "horrible" experience, Azula actually befriended some other patients. About a year later, she was visited by her brother, who told her that he had consulted with Ozai on several occasions in an attempt to learn Ursa's whereabouts, to no avail. Answering his request for help, Azula said that she needed nothing in return for her assistance, as the mere knowledge of being of service to the Fire Lord would be enough satisfaction. She also stated that she had been wondering as well what exactly happened to their mother following her disappearance six years earlier.

She was placed in an adjoining cell with her father, though they did not speak with each other for half an hour. Zuko observed this and brought them tea in an attempt to make the situation more enjoyable. Azula grabbed hold of the tray with her teeth, however, causing Zuko to fall over. She angrily accused him of wanting to see her lap up the beverage like an animal since she would have had no other way to drink it while confined in her straitjacket. Her outburst prompted Ty Lee to chi block her, rendering her completely immobile. Due to her poor mental health, Azula questioned the girl as to how "she", referring to Ursa, had managed to break the grasp of fear Azula used to have on her. Before the situation could escalate any further, Zuko intervened and stated that he had meant no harm and just wanted to ease the conversation with Ozai along. After being placed on her chair again, the chi blocked Azula arrogantly stated that if her brother wanted her and their father to have a dignified conversation, he should leave them alone, which he did.

When Zuko was taking her back to her old quarters in the palace where she would be staying, he asked her whether or not she had been able to coax the needed information about Ursa's whereabouts from Ozai. She dodged the question and asked in return whether or not he had ever experienced the sensation of being chi blocked. When Zuko said he had not, she proceeded to meticulously describe the feeling, mentioning that one becomes extremely flexible right before regaining their full control. To prove her words, she twisted her arm out of her straitjacket and fired a lightning bolt at her brother. In the ensuing skirmish, she managed to free herself entirely and made her way into a nearby building. Via a hidden passageway, she went to one of Ozai's secret chambers, where she retrieved a stack of undelivered letters, which Ursa had written to her hometown. Before Zuko could take them from her, she burned them, having already read them herself. She concealed one of them, however, as it contained information that suggested Zuko was not actually Ozai's son and thus had no claims to the throne. Unaware that Ursa wrote down false information because she knew the letter would be intercepted by Ozai, Azula kept it for leverage so she could eventually overthrow Zuko and let her brother believe that all had been destroyed. In return for knowledge about what had been written in the allegedly burned letter, she requested to be allowed to go with him on his search for their mother.

Complying with the request, Zuko released her from the mental institution and allowed her to accompany him, unbound and with dignity. When she showed herself to Team Avatar, however, she was immediately attacked by Katara. She easily dodged their attacks and proceeded to taunt and insult Sokka. It did not come to a scuffle until the next day when a short struggle ensued between her and Sokka. Azula disarmed him with a small, non-lethal lightning shock after he threatened her with his boomerang. The rest of the team immediately intervened and immobilized her with their bending. Upon her release, she haughtily stated that if they all just stayed away from her, they would get along perfectly.

She traveled with Team Avatar on Appa to Hira'a to find her mother, but her mood was erratic, unpredictable, and characterized by delusions and hallucinations, as she constantly asked Team Avatar how "she" had contacted them, referring to her mother. Upon nearing Hira'a, she attempted to escape by jumping off of Appa. Aang swooped down and caught her in free fall, but she set his glider afire, causing him to crash to the ground and securing her getaway. She ran away but stopped as she neared a stream and heard her mother's voice coming from the water. She argued with the reflection, accusing Ursa of desiring to ruin her from the day she was born and heading a conspiracy to strip her of her power, of which she also claimed her mother had been jealous. However, she triumphantly stated that thanks to Ursa's letter, she now had all the proof she needed to take the throne from Zuko. She thus revealed her own plans to find and kill Ursa herself in order to stop her once and for all. She let out an emotionally toiled scream as the hallucination of her mother confirmed her love for her, prompting Azula to fire a lightning bolt at the mirage, stating the love declaration to be nothing more than Ursa's last treasonous attempt to set her own mind against her.

At that point, Zuko arrived and asked to whom she had been speaking. Reacting aggressively, Azula wanted to strike her brother down but was encased in ice by Katara before she got the chance. As the waterbender approached her, she accused her of being one of Ursa's co-conspirators. Her rant, however, was interrupted when the wolf spirit appeared and attacked the group. As they were being overpowered by moth waspscoughed up by the spirit, Azula asked Zuko to free her so she could help, convincing him that she could not possibly make things worse for them and stating that if he could not even trust his own family, there was no one left to be trusted. He melted her icy restraints, and true to her word, she created a large lightning bolt and shot it away from the group, drawing the light-oriented moth wasps and wolf spirit with it. That night, Azula was talking in her sleep and shivering from the cold before Zuko covered her with a blanket: during this time, he found the letter she was hiding and was left stunned by its contents.

The next day, the princess was awoken by another hallucination of Ursa. She was urged by her mother to stop what she was doing, as Ursa believed it was not Azula's destiny to assume the throne. In response, Azula intended to shoot her mother with lightning, but Ursa only pleaded with her more urgently to find her true destiny. Azula snapped out of her hallucination with Katara's hand in her grip; Sokka prepared his boomerang to strike her, but Katara managed to calm the unstable firebender down. After her outburst, Azula discovered that the letter she had kept was missing and immediately assumed that Zuko had taken it. Her brother was not at camp, however, and Azula threatened Sokka and Katara with fire to force them to tell her where Zuko had gone. After burning down a few nearby trees and bushes, she stormed off after Zuko.

Azula found her brother sitting with Aang at the edge of a cliff discussing the letter questioning his heritage. Frustrated, she shot fire blasts at him, and a duel broke out. While Aang ran back to check up on Sokka and Katara, Azula was grabbed by Zuko and held over the cliff while she accused their mother of tipping him off to the letter's location before learning that he had held it all night. Zuko requested that they stop their fighting, to which Azula agreed, and they both returned to camp. After the rest of the team put out the fires, the entire group continued their journey to Hira'a.

They reached the border of Hira'a, and the Team Avatar disguised themselves using crimson robes. Azula was the only one who still wore her own outfit. The group arrived just as a performance of *Love amongst the Dragons* was ending. Azula and Zuko recalled the times they used to see the play and how they acted out the battle scene; Azula bragged she made a better Dragon Emperor, which is why she took up the role between the two. The play ended, and Azula followed the others. They met the leader of the Hira'a acting troupe, Noren, who offered them information on Ursa in addition to tea and an invitation to his and his wife, Noriko's, home. Azula and Zuko spoke with the couple's daughter, Kiyi, about her doll. The princess mentioned she used to give her dolls "headcuts" instead of haircuts, offering one for Kiyi's doll, which scared the young girl and caused Zuko to berate his sister. Afterward, the firebender remarked that she was "tempted to burn the whole place down, but resisted for [Zuko]". The thought drew Katara's ire, causing the two girls to argue. The increasing tensions between Katara and Azula resulted in Zuko declaring that Forgetful Valley would be the last stop for the trip.

Upon arrival, Azula attempted to make a path by burning parts of the valley, drawing criticism from the rest of the group once more. When Aang found a flutter bat that brought him to a pond, Azula and the others followed the two there. The Avatar said it was a spiritual place and urged everyone to respect it, but Azula once again saw a hallucination of Ursa urging her to stop the mission. The princess promptly went against Aang's word and blasted the pond with lightning, and yelled at Aang that Ursa had told him to bring them there. Katara was about to freeze her in place, but a rain of flower-shaped ice discs began to attack the team, and the nearby plants began to pull the team in one by one. Azula saved Sokka from a vine, explaining that the more "peasants" she kept around, the higher her chances of survival were. Katara countered with plantbending and ordered whoever was attacking to reveal themselves to the team.

Rafa and Misu, brother and sister themselves, arrived and set up camp with the group. Misu warned them that Forgetful Valley's ponds needed to remain undisturbed. She told her and Rafa's story to the team; the sibling bond they had resulted in uncertain looks from Azula and her brother. The princess cut the story short and asked about Ursa, to which Misu replied that neither she nor Rafa had seen her. As Aang prepared to cross into the Spirit World to seek out the wolf spirit, Azula walked away; when confronted by Zuko, she snapped at him, wondering if they were really going to find their mother or help "a couple of vagrants". Zuko said that it was Aang's duty to help people, and Azula accused the Fire Lord of not wanting to hold the throne anymore, traveling with Team Avatar to help people instead. Her focus quickly shifted toward her psychotic beliefs, and she accused Ursa of orchestrating Rafa and Misu's arrival to throw them off her trail. She prepared to shoot lightning at the siblings, warning her mother that her plans would fail.

Her attack was thwarted by Zuko, however, and she was forced to calm down, awaiting Aang's return. When the Avatar brought the Mother of Faces with him, Azula interrupted Misu's plea to the spirit to grant her brother a new face with a demand to know about Ursa. After learning that the Mother of Faces had given Ursa a new identity as Noriko, Azula promptly took off to Hira'a with her brother and Sokka chasing after her. Barging into Noren and Noriko's house, Azula was finally able to confront her mother, demanding to know if Kiyi was supposed to be her replacement because she was such a monster. Sokka held her off temporarily, but the princess ultimately slammed Ursa to the wall and prepared a ball of fire, intent upon killing her.

She teared up when her amnesiac mother apologized for not loving her enough, but after being separated from her by Zuko, she began attacking him. Azula asked Zuko why he would not allow her to take the throne, saying he would be free of something he did not want, while it would rid her of the "incessant nagging in [her] head". Upon being told that she was wrong, Azula protested, reminding him that he had the opportunity to throw her over the cliff and be rid of both her and the letter. Zuko answered that he knew the throne was his destiny and went on to say that no matter how messy their relationship was, she was still his sister. Azula, in tears, burned an opening through a nearby wall and ran outside, dropping the letter in the process. She ran off toward the Forgetful Valley, calling her brother weak when he begged her to stay so that he could help her and vanishing from sight. Although Zuko tried to find her in the weeks before he returned to the capital with Ursa, Ikem, Kiyi, and Team Avatar, Azula managed to remain hidden, which caused Zuko to believe that she did not want to be found.

## Masquerading as the Kemurikage

At some point during her exile, Azula came to the conclusion that her destiny was to manipulate Zuko into a Fire Lord who ruled by fear. She also reevaluated her relationship with her family, discarding any remaining loyalty to Ozai and accepting Kiyi as a blood relation. At this point, her hallucinations had stopped. Recalling how Mai talked about Kemurikage in her sleep during a sleepover from when they were children inspired Azula to masquerade in the image of the mythical spirits to enact her plans. Azula subsequently left Forgetful Valley and helped her friends escape from a mental health facility, including Zirin. In her Kemurikage guise, Azula visited Ukano, now the leader of the New Ozai Society, and threatened him with harm if he did not depose Zuko immediately. When Ukano failed at this, Azula confronted him with making good on her promise. A terrified Ukano pleaded for a month to depose Zuko. At some point, Azula revealed her identity to Ukano, who emptied his bank account to construct a prison in the Royal Family Graveyard. In the next month, Azula and her followers began abducting children from the capital, including Tom-Tom. Unknown to Ukano, Azula was using him the entire time, having no desire to see Ozai restored to power.

Some time later, Azula abducted Kiyi but was discovered by Zuko, Aang, Ty Lee, and Suki. In the ensuing fight, Azula revealed herself by shooting lightning. Zuko redirected it at her, only for Azula to redirect her lightning back at him. Azula and her cohort managed to successfully get away with Kiyi through a secret passage. After locking up her half-sister with the other children, Zirin was starting to get very impatient with Azula about keeping the children for long. However, Azula calmly asked her and the other friends to be patient, as she had a plan. Azula and Ukano discussed how keeping the children is going nowhere, and Ukano revealed that he is upset that Tom-Tom is kept as a prisoner. Azula ordered Ukano to gather his Safe Nation Society to start rioting in the streets; although Ukano did not understand how this will help Ozai become Fire Lord, Azula softly said that her father was never the plan.

Later, after the riot, Ukano said that their plan still was not making any progress and pointed out that he did everything she asked and begged for her to release the children. Azula went back on her promise, reasoning that if they are free, they will eventually tell their parents and Zuko where they had kept them, and thus she kept the key to their cell.

Later on, Azula and her friends confronted her brother, Aang, her former friends, and Kei Lo. As they battled each other, Mai's knives cut into Azula's hood. Azula mocked her about her knife-throwing skills and attacked her former friend once more. Azula explained how she heard about the Kemurikage when they were at a sleepover at Mai's, having heard her mumble about the spirits in her dreams. While resuming her attack, she thanked Mai for giving her the inspiration for their masquerade. When Kei Lo suddenly bumped into Azula from behind, she quickly grabbed him and threatened Kei Lo, and mocked Mai about her relationships. Zuko was next to intervene, firmly asking Azula to release Kei Lo, to which Azula mocked what she believed to be a depressing attempt of Zuko to win back Mai.

After exchanging a fire blast with her brother, Azula ran off into a tomb shaped like a Lion Turtle. When Zuko followed her inside, Azula explained that they were in the tomb of the first Fire Lord's most trusted adviser. As Zuko pointed out that she seemed more stable, Azula suddenly attacked him. The brief Agni Kai ended with Azula pinning Zuko to the ground and raising a fire-dagger over his face, claiming this was how it had always been between them. Zuko defiantly replied that even if Azula killed him, she would never become Fire Lord and that she should accept that fact. To his surprise, Azula released him and said that she had not only accepted it but *embraced* it. She revealed that the voices in her head had stopped once she realized her own true destiny: it was not to become Fire Lord herself but to shape Zuko into a more ruthless leader who ruled through strength and fear. Although Zuko points out that she has lost now that all the kidnapped children were rescued, Azula countered that she had won, claiming that, in the last twenty-four hours, she had shown exactly how ruthless and authoritarian he could be. Before she could be apprehended, she vanished in smoke while commanding Zuko to accept what she made of him.

As Zuko addressed his subjects, Azula and her comrades, all still masquerading as the Kemurikage, watched his speech from a nearby rooftop. Hearing Zuko ask for his citizens' understanding and patience as he searched for a way to be a better leader, Azula smiled and sneered "How *touching* " to herself. Putting her mask and hood back on, she and her cohorts disappeared once more.

Suddenly, Zola was surrounded by a massive vortex of dark blue energy with darkness and skulls surrounding it, there was the image of Killer Bat flying around the vortex, and in the vortex is a purple phoenix. Then, as the vortex faded, Zola emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Zola grew to 6'5" in height, she had the body of a goddess and has blue highlights in the bangs of her long flowing silver hair, she has neon blue eyes and a dark blue energy aura with darkness, skulls and bats surrounding her, she has Killer Bat with the Dark Kanji in its claws emblazoned on her forehead, she has on bat earrings with blue jewels for the eyes and the Dark Kanji in its claws, and she also has a bat with blue gems for the eyes and the Dark Kanji in its claws for the second pendant of her Thunderbird Necklace of Eternal Love along with the Thunderbird pendant with blue gems on the gold lightning bolts and blue crystals from her Crystal Necklace of The Buddha which merged with her Thunderbird Necklace of Eternal Love. Zola has on a long long-sleeved black leather coat with flames and bats on the coattails and right on the back is Killer Bat with dark flames surrounding it, a purple blouse and blue tube top with a purple phoenix on it, blue skirt with flames on it, leather black pants with flames on the legs, black leather ankle-high combat boots, and she has on a Star Sapphire ring on her left ring finger. Suddenly, Zola felt a sharp pain on her back, and then, massive silver angel wings with dark blue tips on the large silver feathers sprouted out of her back.

Suddenly, Zola's massive Sword of The Blue Dragon was surrounded by a kaleidoscope of dark blue energy, darkness, and bats, and when it emerged, it was transformed into Killer Bat's Shadow Fang Sword of Dark Justice, it's a new large sword with a

6'9" massive, wide, double-edged emerald dark blue blade with Killer Bat etched on it, Killer Bat's large wings for the crossguard, large blue gem for the hilt, longer black handle, and a large purple gem surrounded by angel wings for the pommel. Zola has on her new large gold cuff Bracelets of the Champions of The Universe with purple gems on her wrists, large gold Belt of Elemental Bravery with a gold bat head with blue gems for the eyes and a large purple gem in its open mouth for the belt buckle, large blue Spellbook of The Gods and The Universe and large purple Universal Spellbook of The Elemental Forces on her left hip and Eater of Sins revolver holstered on her right hip. There's an purple kanji below Killer Bat that said, "Zola, Leader of King Jibral's Blademasters, Partner to Killer Bat, Friend to Shu and His Many Friends, Loving Future Wife of Lincoln Loud, Destroyer of Nene and the Gran Kingdom, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Shadows, Bats, and Darkness"

ゾラ、ジブラル王のブレードマスターのリーダー、キラーバットのパートナー、シュウと彼の多くの友人の友人、リンカーンラウドの将来の妻、ネネとグランキングダムの破壊者、悪の殺し屋、混乱、殺人、冷酷、そしてサディスティックな野郎、驚くべき強力な教師の驚くべき強力な学生、そして影、コウモリ、そして闇のマスター

Zola has transformed into SUPER ANGEL INFINITY DARKNESS BAT SHADOW ANGEL OF DARK JUSTICE AND DIVINE LOVE!

We were amazed by Zola's Super Angel Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes. But, when The Dark Emperor saw it, he fell into a rage and fired a blast of darkness at her, but Zola dodged it, and she fired a powerful blast of dark blue energy with bats, darkness, and skulls, and it hits The Dark Emperor, and it hurt him badly.

Nico: Whoa, Zola's transformed.

Shu (Blue Dragon): That's so awesome, and The Dark Emperor is done for, if he tries to attack her.

Lincoln: Wow, Zola, you look beautiful. How do you feel?

Zola (Blue Dragon): (Divine Echoing Cosmic Voice of The Shadow Bat and Divine Love) **I feel incredible, Linky, and now, shall we put a stop to The Dark Emperor once and for all?**

Lincoln: (Smiles) With pleasure, Zola.

Lincoln unholstered his improved massive Sword of Universal Hope and Elemental Bravery from his wider and muscular back and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Zola, and she also summoned Killer Bat.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **This will be the last time you dare to plague the world, Dark Emperor.**

Killer Bat: Let's tear him to shreds!

Zola (Blue Dragon), Lincoln, and Killer Bat went at The Dark Emperor, and they fired powerful blasts of rainbow energy, dark blue energy, shadows, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Gravity, Magic, Blood, Thunderbirds, Phoenixes, Angels, Bats, and Buffalo at The Dark Emperor, and they exploded with incredible power as they hit him. Then, Killer Bat attacked him with his sharp claws, and Zola and Lincoln attacked him with their massive swords, and they left some very nasty scars on him, and they weren't healing. Then, Lincoln fired a beam of red energy, and as it hits The Dark Emperor, he sucked out and absorbed all of The Dark Emperor's powers and abilities, and he gained a massive power boost and made all of The Dark Emperor's powers and abilities his own. Then, Zola and Killer Bat launched The Dark Emperor into the air.

Zola (Blue Dragon): **Shall we finish him off with your Final Smash, Linky?**

Lincoln: **Let's do it, Zola!**

Zola (Blue Dragon) and Lincoln: **DRAGON SPIRIT BLAST!**

Zola and Lincoln fired a powerful barrage of Spirit Bomb style rainbow energy, dark blue energy, and elemental energy blasts, which hits The Dark Emperor, and they exploded with incredible power, and the resulting explosions killed The Dark Emperor, and his evil spirit was Super Hakaied and banished to Oblivion forever. We cheered wildly for what Zola and Lincoln did as they holster their massive swords on their backs and power down, and Zola's new body, clothes, weapons, jewelry, and angel wings are permanent.

Zola (Blue Dragon): We won't be seeing him ever again in the Smash Tournament. Thanks for helping me in taking care of The Dark Emperor, Linky.

Lincoln: (Smiles Warmly) You're welcome, Zola.

Suddenly, Zola wraps her arms around Lincoln's waist, and Lincoln wrapped his abnormally massive and powerful muscular arms around Zola's waist, and brought her into an embrace, which took her by surprise and it brought an atomic red blush to her face. Then, as Lincoln leaned down to Zola's face, they kissed passionately as Zola wraps their left arm around Lincoln's wider and muscular back, and placed her left hand on Lincoln's massive and wide right pec, and right behind them is a Thunderbird, Phoenix, Angel, and Killer Bat flying in the air, and we also saw a herd of Buffalo running across the field, and the display of the elemental forces behind them, and we cheered for them.

Shu: I'm so proud of Zola getting together with Lincoln, they make one awesome couple!

Bouquet: And she's among one of Lincoln's many future wives, and Lincoln loves all of them with his massive gold heart.

Me: That's right.

Nico: And Lincoln's a man of his word that he'll take good care of his future wives, just like he takes care of his family and friends.

Lori: Lincoln has literally always been the more mature out of all of us, and that's also a part of his personality.

Lynn Loud: Looking back now, we should've been more responsible and mature, instead of running amuck and going wild. I blame our Dark Sides for that one, and I'm so glad Lincoln used his Dark Side Eternal Purification technique to permanently sever the links our Dark Sides still had with us, and when we face them in the future, we'll have no problem destroying those monsters for all of the things they've done.

Lily Loud: You got that right, and Lincoln also has a plan forming as to how we're going to face them.

Lincoln: That's right, Lily. (Smirks) But, I won't reveal that until later on.

Lily Loud: Dang it.

We laughed, as Lincoln wrapped his little sister up in his abnormally massive and powerful muscular arms and hugged her, which Lily returned.

Nico: But, for now, we'll have to be patient for that one.

Me: But, I can tell it's going to be awesome, right, Lincoln?

Lincoln: That's right, J.D., and it'll be the final farewell to the Dark Sides of the Louds for good, and we'll be rid of them for good, along with the other Dark Sides of those we've met.

Connor Chan: If Dark Connor dares to get out, then let me, Mindy, and Nico face him, Lincoln.

Nico: Oh yeah, and we've got years of pent-up rage and anger for all of the crazy April Fools pranks Dark Connor forced Connor to pull on me, Alicia and Mindy over the years, and that evil pranking genius is going to pay for every last one of them.

Lincoln: Come to think of it, we still can't get the memories of the pranks that Connor pulled when Dark Connor came out. You better count us in, as well, Connor.

Connor: You got it, Lincoln, and if Dark Luan shows up again, then, we'll show her what happens when she dares to cross us.

Nico: Yeah, she'll get clobbered big time by all of us.

Mordecai: Big time. (To the viewers) Hope you all liked this awesome adventure and it was awesome going up against hot dogs like this.

Nico: It sure was.

Benson: Sorry my get together turned into a battle guys.

Nico: No worries Benson. This was awesome and fun!

Benson: Awesome.

Nico: But great job today everyone! This was awesome! Lets eat the hot dogs and head home.

We did so and then we were stuffed and then we went back home and enjoyed the rest of the day and went to sleep.

Another awesome fanfic done.

Meat Your Maker from Regular Show was a really funny and awesome episode. And I love hot dogs. But it's absolutely crazy that hot dogs can rise up like that to destroy all of us for eating them. The episode aired on October 11th, 2010 and it was so funny. The first part was for the Dexter's Laboratory episode Misplaced In Space and that was a strange and creepy episode. But it was funny. It first aired on April 8th, 1998 and it was cool. The second part was for the 1st Men In Black movie and that was a great movie and it was funny too! NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, XP4Universe, Darkhai, vinjedi1995, Drako1234658, Nflemingful, Etstheclarencefan and ninjakingofhearts gave me the ideas for this and so did the guest reviewer. Nico's next rescue is gonna be in the forest and Nico and Maximum Ride are going there to see a House of Pizza and also they are going to battle an ugly old witch and meet an Omnivoracious Gene-Slammer named Gemini Richie who is from Nico's Math Class and she has a really silly story to tell us about how she and Nico dealt with a bully that was hurting one of their friends. Also Lincoln's rescue is gonna be on the Island of Neopia in the world of Neopets and we're going to find a bunch of awesome fairies for Lincoln's Harem and take down THE DARKEST FAERIE and we're going to have her recruited into the M.O.E. Also we're going to meet a Blazewing Butterfly Gene-Slammer named Charlotte Birmingham from England and she is going to reveal how she arrested Lunatic Gary. You know the guy from Family Guy that yelled in Joe's face. Also the next chapter is going to be where we face the old men in the Bayou Restaurant and we're going to also challenge them to an awesome Inferno Wing Eating Contest. Get ready for a fiery chapter.

see you all tomorrow.

# CHICKEN WING WARS

Walking through the deep dark forests outside of the city were Nico and Maximum Ride and they had gotten word that 3 girls were walking through the forest and got lost. Now it's up to them to find them.

Nico: Thanks for coming with me, Max.

Maximum Ride: Anytime Nico. It's gonna be so fun going with you on this rescue.

Nico: It sure is. I hope those girls are okay.

Maximum Ride: I hope so too. But wherever they are I'm sure they will be all right.

Nico: Me too.

They continued walking.

Maximum Ride: Nico I'm beginning to worry about Sakura. I think she misses her friends back home in Japan and I'm sure they miss her too.

Nico: I know how she feels. I'm sure they miss her too. But I have this feeling that she will see them again soon.

Maximum Ride: I have that same feeling myself and it will be a great reunion for them.

Nico: It sure will. Are you glad the School is gone now?

Maximum Ride: You bet I am Nico. After everything me and the Flock all went through because of them, I think it's safe to say that the entire world is glad they are gone for good.

Nico: Good me too. What they did to you and your friends was REALLY playing with fire. They were tampering with the laws of nature big time.

Maximum Ride: Yeah but to be honest Nico, being 2% bird is really an amazing thing for me. I can fly with awesome wings and see things no one can even think of.

Nico: That's true. I think it's amazing myself.

Maximum Ride: Yeah.

They came to a clearing and to their surprise they saw a cottage and it was made entirely out of pizza!

Nico: What the!? It's a cottage made of pizza?

Maximum Ride: Wow! That story Hansel & Gretel had a house made of candy but never pizza.

Nico: Must… resist.. urge… to… eat!

Maximum Ride held Nico back.

Maximum Ride: Whoa slow down there garbage disposal. I like pizza as much as anyone else but control yourself.

Nico: (BLUBBERS) Yeah you're right. Sorry.

?: HELP!

Nico: Uh oh! We'll have to use the entrance here.

Maximum Ride: Okay!

They went up to the Pizza Cottage. Inside the cottage was an ugly witch and she had tied up the 3 girls and she was going to EAT THEM just like in the story. The girls were Nikki, Chelsea and Rita, Sakura's friends!

Witch: (Cackles) You will fill me up good!

Then the spirits of the Power Rangers from 2003 to 2016 appeared and swirled around the witch and then converged and then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted through the window and a phoenix cry was heard and in came Nico and Maximum Ride.

Nico: Someone call for a hero!?

Maximum Ride: Nice house you have here lady.

Nico: You know how tempting it is to eat this house right now?!

Witch: (Cackles) I have an irresistible house don't I?

Nico: If it was a house made of chicken wings I would eat it all until it was a pile of bones.

?: That's my pal for you.

An Omnivoracious came out.

Nico: An Omnivoracious.

Omnivoracious: (In a girls voice) Been a long time Nico.

Nico: Gemini Richie!? Wow!

Omnivoracious: Yep. Lets get this witch.

Nico: Right. Max you free the girls, me and Gemini will deal with this ugly old hag.

Maximum Ride: You got it.

Maximum Ride went over and Nico and Gemini blasted the witch and tied her up.

Nico: Now, how should I make you suffer? Maybe I should eat your entire house in front of you?!

Omnivoracious: Or I can do this!

CHOMP!

She ate the witch, chewed her up and spit her skeleton out! YUCK!

Omnivoracious: Mmm! Tastes like chicken.

Nico: YUCK! First time I've ever seen someone do that.

Gemini reverted back and she was a girl dressed in Chinese clothes and she had purple hair and purple eyes.

Gemini Richie: Sorry you had to see me do that Nico.

Nico: No worries.

Chelsea, Nikki and Rita came.

Rita: Thanks for saving us.

Chelsea: Yeah we owe you.

Nikki: We got lost in the woods and found this cottage and we got hungry.

Nico: Boy I don't blame you girls. Hey are you Chelsea, Nikki and Rita?

Rita: That's us.

Nico: Thene you must be Sakura's friends she always talked about.

Nikki: That's right! Is she with you?

Nico: She's part of the team and it'll be awesome for her to have you all with us.

Chelsea: Awesome! Thank you so much for saving us though.

Nico: No problem.

Maximum Ride: You're welcome.

Nico: Now, who wants to help me eat this house?!

Maximum Ride: Nico you got to save your appetite for our next mission. It's at that Bayou Chicken Wing Restaurant remember?

Nico: Oh yeah. But I haven't had breakfast yet.

Maximum Ride: Right you were in a hurry. Okay.

They got to eating. IT WAS GOBBLED UP ALL OVER!

* * *

French Narrator: (French Accent) 3 Hours Later.

* * *

The whole house was eaten.

Nico: (Satisfied) (BURP!)

Nikki: Man that was awesome.

Chelsea: I'm full.

Gemini Richie: Me too. That was awesome. Sorry girls I hope I didn't gross you out when I ate that witch.

Rita: No way. You were awesome Gemini and your Omnivoracious form is amazing.

Nico: Omnivoracious are the natural predators of the Galvan.

Maximum Ride: It's true.

Nico: But it was awesome.

Gemini Richie: Thanks.

Chelsea: And I like your name Gemini.

Gemini Richie: Yeah I was born on May 23rd and my mom named me Gemini after the Zodiac Sign. I thought it was really cool.

Nico: It sure is.

Maximum Ride: What's your favorite memory of Nico?

Gemini Richie: I have a lot of them but I like the one when we were in math class. Nico saw a bully picking on a girl and just as I was about to snap her neck, Nico played a prank on her and used his powers to make her underwear fill up with raw sewage.

They laughed at that!

Nico: (LAUGHS) That was so funny! I call that the Brown Underwear Treatment. We made her the laughingstock of the whole school.

Nikki: That is so funny!

Maximum Ride: That is awesome!

Nico and Gemini hugged.

Nico: I really missed you.

Gemini Richie: Same here Nico.

Maximum Ride: At least this rescue was closer to home.

Nico: Yep.

They later went back home and Sakura and Madison were all reunited with Chelsea, Nikki and Rita and it was awesome to meet them too. I had just the weapons for them too. Rita got the sword of Fire, Chelsea got the sword of Justice and Nikki got the Sword of Light.

After Nico's rescue, Lincoln, Nico, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, Sima Shi, Sima Zhao, Sun Jian, Guo Jia, Zhang Bao, Guan Xing, Cao Cao, Liu Bei, Sun Quan, Sima Yi, Jiang Wei, Yukimura Sanada (Samurai Warriors), Keiji Maeda (Samurai Warriors), Kanetsugu Naoe (Samurai Warriors), Hanzo Hattori (Samurai Warriors), Musashi Miyamoto (Samurai Warriors),

Heathcliff, Sonja (Heathcliff), Riff-Raff, Hector (Heathcliff), Wordsworth, Mungo, Cleo, Leroy, Queen Fyoria, and Hawkgirl are heading for the Island of Neopia in the world of Neopets, and not only is Lincoln going to rescue the twenty seven girls there, but we're also going to meet Tormund Ellis and Roberta, and take down The Darkest Faerie and recruit her into The Masters of Evil.

Lincoln: Wow, we're here on the Island of Neopia in the world of Neopets, and I know what we're going to do here, not only am I going to rescue the twenty seven girls there, but we're also going to meet Tormund Ellis and Roberta, and take down The Darkest Faerie and recruit her into The Masters of Evil.

Me: That's right, big guy.

Nico: So, this is Neopia, this place sure is amazing, and you did say that your friend, Alan, introduced you to the world of Neopets, right, J.D.?

Me: That's right, and I also rescued Queen Fyoria, and she's now part of my harem.

Lincoln: And this is our first time coming here to Neopia, and already, I'm loving this place. And I want to thank you and Queen Fyoria for coming with me on this rescue, Shayera.

Hawkgirl: You're welcome, Lincoln.

Queen Fyoria: And all of you will love meeting Tormund Ellis and Roberta, they were the heroes who took down The Darkest Faerie long ago, and saved Faerieland, Meridell, Brightvale, and Altador from her.

?: Did someone mention us?

Just then, we saw just who we were looking for, the yellow male Lupe dressed in knight's armor and wielding his sword and shield is Tormund Ellis and the blue female Acara dressed in sorceress' robes is Roberta, the two heroes who saved Neopia from The Darkest Faerie.

Tormund Ellis: Oh, no way, Team Loud Phoenix Storm?! This is indeed an honor, and Queen Fyoria's back.

Roberta: It's an honor to meet you all.

Lincoln: You too, Roberta and Tormund. Plus, we've got something to tell you guys.

Lincoln told Tormund and Roberta that I was the one who rescued Queen Fyoria, who was kidnapped by McWolf last year, and that she's now part of my harem and one of my future wives, as they saw the Elemental Phoenix Necklace of Eternal Love on her neck, and it merged with her Crystal Necklace of The Buddha, as the necklace has purple and pink crystal links and the phoenix pendant and purple and pink crystals for eyes. The two heroes were awestruck, and they offered Queen Fyoria and I their congratulations.

Lincoln: And we're also here to take down The Darkest Faerie, and we're going to have her recruited into The Masters of Evil.

Just then, Vypra and The Masters of Evil appeared.

Tormund Ellis: Ah, you must be Vypra, leader of The Masters of Evil.

Vypra: That's right, Tor. When we found out Lincoln's rescue is taking place here in Neopia, and he told us of The Darkest Faerie, we knew she'd be a perfect candidate for The Masters of Evil. I knew of her story a thousand years ago, she was once a hero and one of the twelve founders of Altador, but then, something very dark took hold, and she betrayed the twelve founders.

Roberta: That's right, and we found out about that when we were at Brightvale, and we looked at her story in the four books in the library.

Tormund Ellis: Alright, after considering some thought, I think it's a good idea for you to recruit The Darkest Faerie into The Masters of Evil. But, Lincoln, is there a way to save her from herself?

Lincoln: Of course, and we saved a lot of villains from themselves over the years, Tor, that comes with our job description.

Me: You got that right, big guy.

Suddenly, we saw Tor's sword and shield unholstered themselves from his back, and they're suddenly surrounded by a kaleidoscope of light and elemental forces, and when they emerged, they were then transformed. The new sword is called Meridell's Knight Sword of Chivalrous Bravery and Strength, it's a brand-new large sword with a 6'9" massive, wide, double-edged, man-sized silver blade with the symbols of Faerieland, Meridell, Brightvale, and Altador arranged in a diamond formation and etched on it, large Lupe heads with yellow crystals for eyes, a large red gem inserted into the circular hilt of the sword, longer black handle, and a large red gem with angel wings surrounding it for the pommel, and the new shield is called Meridell's Knight Shield of Chivalrous Fortitude, it's a brand-new circular shield with the symbols of Faerieland, Meridell, Brightvale, and Altador placed on the four corners of the shield, and in the center is the image of King Altador, one of the twelve founders of The Kingdom of Altador.

We were amazed by the new weapons.

Lincoln 2: I knew those weapons looked familiar. Tormund, the brand-new large sword you see before you is known as Meridell's Knight Sword of Chivalrous Bravery and Strength, and the brand-new large shield accompanying it is known as Meridell's Knight Shield of Chivalrous Fortitude.

Tormund Ellis: That's so awesome.

Suddenly, Tormund Ellis grabbed the longer black handle of the new large sword and the new shield, and he felt something happen to him: the yellow sclera of Tor's eyes glowed, and he grew to 7'0" in height, and we saw all his upper and lower body muscles growing abnormally massive and powerful at a very incredible rate, and his tail grew a little bit longer. We were amazed by the transformation.

Tormund Ellis: Oh man, what a rush.

Lincoln made a mirror of water and when Tormund Ellis saw what happened, he was amazed. Then, we saw that Tormund Ellis was surrounded by a yellow energy aura with elemental forces surrounding him, and then, Tormund Ellis was surrounded by a massive vortex of yellow energy with elemental forces surrounding it, there was a Lupe running around the vortex, and in the vortex is a red and blue phoenix. Then, as the vortex faded, Tormund Ellis emerged, but he was changed forever.

The 7'0" and extremely muscular yellow male Lupe knight remained the same, he has a Lupe with the symbols of Faerieland, Meridell, Brightvale, and Altador emblazoned on his forehead, he has on his new Crystal Necklace of the Buddha with rainbow crystal links and his amulet also merged with it. Tormund now has on a bigger version of King Altador's armor with golden gems on the plate armor shoulder pads, the large silver chestplate, and on the gauntlets, he has on chainmail armor around his abnormally massive and powerful muscular arms, black trousers, armored greaves, and boots, and he has on a long red sleeveless trenchcoat with the symbols of Faerieland, Meridell, Brightvale, and Altador on the back and on the coattails are Lupes running around. Suddenly, Tormund Ellis felt a sharp pain on his wider and more muscular back, and then, massive yellow angel wings with red and blue tips on the large yellow feathers sprouted out from his wider and more muscular back.

Tormund Ellis has his new massive Meridell's Knight Sword of Chivalrous Bravery and Strength in his large right hand and his large Meridell's Knight Shield of Chivalrous Fortitude in his large left hand, he has on his brand-new large gold cuff Bracelets of the Champions of The Universe with blue gems on his wrists, his brand-new large gold Belt of Elemental Bravery with a golden Lupe head with blue gems for eyes and a large red gem in its open mouth for the belt buckle on his waist, large red and blue Spellbook of The Gods and The Universe and large red and blue Universal Spellbook of The Elemental Forces on his left hip and Eater of Sins revolver holstered on his right hip, and a Blue Lantern Corps ring on his right ring finger. There's a gold kanji below the symbols of Faerieland, Meridell, Brightvale, and Altador that said, "Tormund Ellis, Brave Knight, Hero, and Trained Swordsman of Meridell Acres, Defender of Neopia, Loving Son of Hubert and Patricia Ellis, Loving Older Brother of Lucy Ellis, Partner and Friend of Roberta, Destroyer of The Darkest Faerie's Dark Ambitions, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, Master of The Sword and Shield, and Master of The Elemental Forces."

トルムンド・エリス、勇敢な騎士、英雄、メリデル・エーカーの訓練された剣士、ネオピアの擁護者、ヒューバートとパトリシア・エリスの愛する息子、ルーシー・エリスの愛する兄、ロベルタのパートナーと友人、最も暗い妖精の暗い野心の破壊者、邪悪で、混乱し、殺人的で、冷酷で、サディスティックな野郎、驚くべき強力な教師の驚くべき強力な学生、剣と盾のマスター、そしてエレメンタルフォースのマスター

Tormund Ellis has transformed into SUPER ANGEL ETERNITY INFINITY ELEMENTAL LUPE KNIGHT ANGEL OF NEOPIA'S JUSTICE AND MERIDELL HOPE!

We were amazed by Tormund Ellis' Super Angel Eternity Infinity transformation.

Nico: (Amazed) Whoa, we just met Tormund, and he's not only acquired his new weapons, but he's also transformed into his new Super Angel Eternity Infinity form, and acquired a new outfit, that's so awesome!

Lori: The Darkest Faerie's in for one nasty surprise.

Tormund Ellis: (Divine Echoing Cosmic Voice of The Elemental Lupe and Meridell Hope) **That's right, Lori.**

?: HELP!

Suddenly, Lincoln heard the sound of twenty seven girls calling for help. With his deep sapphire blue cyborg eyes and superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the twenty seven girls, but they've been cornered by The Darkest Faerie.

Lincoln: Guys, I've found the twenty seven girls, but they've been cornered by The Darkest Faerie.

?: (British Accent) We've got to head on over and stop her now!

Suddenly, we saw the Blazewing Butterfly land right in front of us.

Lincoln: That British Accent, I knew it was you, Charlotte Birmingham, but we'll have to talk later, we've got to stop The Darkest Faerie.

We rushed on over, and Lincoln fired a powerful barrage of rainbow energy balls and elemental forces, which hits The Darkest Faerie, and it allowed the twenty seven girls to get away. When The Darkest Faerie saw us, she was shocked.

The Darkest Faerie: Team Loud Phoenix Storm, here?! Along with Fyora! Just when I had Neopia in my grasp!

Lincoln: Your days of trying to destroy Neopia, along with Faerieland, Meridell, Brightvale, and Altador, are over, Darkest Faerie.

Lincoln unholstered his improved massive Sword of Universal Hope and Elemental Bravery from his wider and muscular back and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, The TLPS Bad Guys Gang transformed into their Super Angel Infinity forms and unholster their massive swords, Sima Shi, Sima Zhao, Sun Jian, Guo Jia, Zhang Bao, Guan Xing, Cao Cao, Liu Bei, Sima Yi, Sun Quan, and Jiang Wei got out their weapons, The Samurai Warriors got out their weapons, Lincoln's sisters transformed into their Super Angel Infinity forms and unholster their massive swords from their backs, Lincoln's sisters transformed into their Super Angel Infinity forms and unholster their massive swords from their backs, Lincoln's harem unholster their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark Compassion and Demonic Justice, and he unholstered his massive Sparda's Demon Fang of The Demon Hound sword from his wider and more muscular back, Hawkgirl, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their swords, Hector got out his massive Heaven's Maw of Judgement sasumata pike, and Me, Nico, Eli, and Nicole also unholstered our massive swords and transformed, and we went at Edgar the Bug, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time Energy, Gravity, and Magic, steel orbs, stars, rainbow flames, rainbow crystals, orange flames, blue flames, ice, green flames, and water, and they exploded with incredible power as they hit The Darkest Faerie.

Then, Tormund Ellis fired powerful blasts of yellow energy and elemental forces at her, and attacked her with his new weapons, Roberta and Queen Fyoria fired blasts of magic from their wands, and they hit her and knock her down. We cheered as we holster our weapons and power down, and Tormund Ellis' new body, clothes, weapons, jewelry, and angel wings are permanent.

The Darkest Faerie: No, no, this is impossible! I can't believe it, no, I won't let it end like this!

Lincoln: No, it's over, Darkest Faerie.

The Darkest Faerie: What?

Lincoln: The only reason why you've lost is because you've let your lust for power consume you. You were once part of the Council of Twelve that built and benevolently ruled the kingdom of Altador, but that changed when you were consumed by a lust for power. The same thing happened before with Nerissa, and because of it, you betrayed the trust of your comrades, but do you truly want your lust for power to consume your heart forever?

Lincoln's words suddenly reached The Darkest Faerie's heart, and the darkness that consumed her heart for over a thousand years was erased forever. Then, she ran up to Lincoln, and she hugged him, as she cried into his chest, and he returned it as he wrapped his abnormally massive and powerful muscular arms around her, and hugged her.

The sight of what we saw really hurt our hearts. We also joined in, and then, we separated after a few hours.

Lori: Lincoln's words literally reached The Darkest Faerie, and he freed her. Just like what happened when you freed Nerissa from her Dark Side, J.D.

Me: I was about to point it out, Lori.

The Darkest Faerie: So, what's going to happen now? If you're not going to kill me, then, why did you all spare me?

Lincoln: Because, you still have honor in your heart, and one day, you'll earn the forgiveness of your fellow compatriots. So, instead of killing you, we're going to recruit you to The Masters of Evil.

Vypra: Lincoln's right, and since you still have honor in your heart, that makes you a candidate for The Masters of Evil. And I think I know who your archenemy will be.

Lincoln: We were just thinking the same thing. (To Charlotte Birmingham) And it's so good to see you again, Charlotte Birmingham.

Charlotte Birmingham: (British Accent) You too, too, Lincoln, it's been a long time.

They went up to each other and they hugged, and Charlotte Birmingham was very surprised at just how much taller and much more muscular Lincoln's gotten since she last saw him.

Lincoln: It sure has been a long time, I haven't seen you when you were thirteen, and as you can see, I have grown a lot since then.

Charlotte Birmingham: (British Accent) Whoa, you sure have, you've really grown a lot from the eleven-year-old cute little boy into a 17-year-old 7'0" tall and very handsome and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, that's so awesome.

Nico: Wow, Lincoln, you know her?

Lincoln: Yeah, I do, Nico. This is Charlotte Birmingham, she's from England, and not only is she one of my Guardian Angels, she's also one of the most amazing Tea tasters ever and knows all about tea.

Nico: That's awesome, and since she lived in England, she's tasted a lot of teas.

Charlotte Birmingham: (British Accent) And I've got something to tell you: it's about how I arrested Lunatic Gary.

Me: Ooh, we'll have to hear about that later. We should first get you back to normal first.

Lincoln: I'm on it, J.D.

Charlotte Birmingham: (British Accent) No need, Lincoln. I actually reigned in the power of Blazewing Butterfly. But, you should all cover your eyes.

Me, Nico, Eli, and the rest of the boys covered our eyes as Charlotte Birmingham reverted back to normal. Charlotte Birmingham is a beautiful 17-year-old girl with long flowing orange hair going to the upper part of her back, orange eyes, fair skin, she's 6'5" in height, she had the body of a goddess, and she has massive orange butterfly wings, as she reigned in the power of Blazewing Butterfly, and she's in an orange two-piece bikini.

Charlotte Birmingham: (British Accent) You can look now, I'm in a two-piece bikini.

We uncovered our eyes, and when Lincoln uncovered his eyes, and as soon as he saw just how much Charlotte Birmingham's changed, he had an atomic red blush on his face, his nose is bleeding, and he had hearts in his eyes. When Charlotte saw it, she walked seductively towards Lincoln, and her chest was pushing against Lincoln's massive and wide pecs, and she wrapped her arms around her waist.

Charlotte Birmingham: (British Accent) (Seductively) Like what you see, big boy?

Lincoln: (Growling Seductively) Oh yeah!

Lincoln's instincts had caused his body to react as he wrapped his abnormally massive and powerful muscular arms around Charlotte Birmingham as his deep sapphire blue eyes glowed even more, and he had a confident smile on his face, and he leaned down and he kissed her on the lips with an intense and supercharged passion, and she returned it, and we saw she had an atomic red blush on her face. After that, he gave Charlotte Birmingham her new outfit, an orange sleeveless blouse, a sleeveless orange top with a red phoenix on it, orange skirt with Blazewing Butterfly on it, orange pants, orange high heels, and a long black sleeveless trenchcoat with flames and butterflies on the coattails and on the back is Blazewing Butterfly, and on her back is a large Blazewing Butterfly-themed sword with a 6'5" massive, wide, double-edged, man-sized orange blade with Blazewing Butterfly etched on it, Blazewing Butterfly's wings for the crossguard, large orange gem for the hilt, longer black handle, and a large orange gem surrounded by angel wings for the pommel.

Charlotte Birmingham: (British Accent) Wow, I love the new outfit and sword you made for me, Lincoln.

Suddenly, a Thunderbird Necklace of Eternal Love appeared on Charlotte Birmingham's neck with orange gems on the gold lightning bolts and orange crystals links from her new Crystal Necklace of the Buddha, which merged with her Thunderbird Necklace of Eternal Love.

Charlotte Birmingham: (British Accent)(Surprised) Whoa, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love, which means you're now part of my harem and my many future wives, Charlotte.

Charlotte Birmingham had a smile on her face and tears coming from her eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around her waist and he leaned down and he kissed her on the lips, and she returned it, and we cheered for them. Then, we went up to the twenty seven girls here, and when Lincoln and Queen Fyoria saw them, they immediately recognized them. The twenty seven girls are Siyana the Light Faerie, Karui the Wheel of Excitement Faerie, Ariande the Dark Faerie, Delina the Dark Faerie, Bree the Fire Faerie, Ember the Fire Faerie, Nuria the Fire Faerie, Illusen the Earth Faerie, Iyana the Earth Faerie, Marina the Water Faerie, Naia the Water Faerie, Nereid the Water Faerie, Briana the Air Faerie, Casandia the Air Faerie, Psellia the Air Faerie, Zaira the Air Faerie, Aethia the Battle Faerie, Kari the Negg Faerie, Chishiki the Library Faerie, Jhudora the Dark Earth Faerie, Mira the Space Faerie, Zuppa the Soup Faerie, Jhuidah the Island Faerie, Taelia the Snow Faerie, Móyá the Tooth Faerie, Kaia the Shenkuu Faerie, and Baelia the Grey Faerie from Neopets.

Suddenly, Baelia underwent a transformation, her hair turned black, she has red eyes, she had large bat-like wings, long black robes, and black boots, and she now went by a new name: Yīnyǐng the Good Dark Faerie.

Lincoln: Oh wow, it's Siyana the Light Faerie, Karui the Wheel of Excitement Faerie, Ariande the Dark Faerie, Delina the Dark Faerie, Bree the Fire Faerie, Ember the Fire Faerie, Nuria the Fire Faerie, Illusen the Earth Faerie, Iyana the Earth Faerie, Marina the Water Faerie, Naia the Water Faerie, Nereid the Water Faerie, Briana the Air Faerie, Casandia the Air Faerie, Psellia the Air Faerie, Zaira the Air Faerie, Aethia the Battle Faerie, Kari the Negg Faerie, Chishiki the Library Faerie, Jhudora the Dark Earth Faerie, Mira the Space Faerie, Zuppa the Soup Faerie, Jhuidah the Island Faerie, Taelia the Snow Faerie, Móyá the Tooth Faerie, Kaia the Shenkuu Faerie, and Baelia the Grey Faerie. But, Baelia has now undergone a transformation into a Dark Faerie.

Yīnyǐng the Good Dark Faerie: Yes, and I've chosen a new name, you can call me Yīnyǐng the Good Dark Faerie.

Queen Fyoria: A perfect name for you, Yīnyǐng.

Lincoln: Are you girls okay?

Siyana the Light Faerie: Yes, we're okay, thanks to you.

Then, when Siyana the Light Faerie and the other twenty six faeries saw who it was that saved them from The Darkest Faerie, their faces turned atomic red upon seeing the 17-year-old 7'0" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide right pec and it was surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top was the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, and Buffalo, and below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and a Mark of Manhood tattoo of a bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

He had his massive Sword of Universal Hope and Elemental Bravery holstered on his wider and muscular back, his orange Crystal Saber holstered on his left hip and his Eater of Sins revolver holstered on his right hip, the Pisces the Fish constellation and Aquarius Zodiac sign on the back of his neck and the Cygnus the Swan constellation on the back of his massive left hand, large weighted orange bands on his massive biceps and thighs with silver phoenixes on them, his large gold Cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, massive and indestructible deep sapphire blue angel wings and the stars and blue nebulae reflecting on them with rainbow tips on the large deep sapphire blue feathers, and he was dressed in an orange version of He Man 2002's loincloth with hanging silver lightning bolts and long orange trenchcoat coattails with elemental forces, Thunderbirds, Phoenixes, and Buffalo on them and with hanging mini silver lightning bolts held up by his large gold Belt of Elemental Bravery with a large gold buffalo head with orange gems for eyes and a large orange gem in its mouth for the belt buckle on his waist, a pair of large blue pants with multicolored lightning bolts on the thighs with the orange kanjis "Savior of The Loud House, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of The Thunderbird, and The Unifier of The Three Kingdoms" on the left legs, and large white leather combat boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and armor on the toe area, silver Buffalo head stud earrings with the Thunderbird and Eternity Kanji on it, large Thunderbird Necklace of Eternal Love with colored gems on the gold lightning bolts and orange crystals from his merged large Crystal Necklace of The Buddha with a large deep sapphire blue gem in the shape of a Thunderbird on top of a silver Buffalo head with the Thunderbird and Eternity Kanji on his neck and across his bare chest, large fingerless orange gloves with the symbol of The Loud House on it and surrounded in a diamond formation are a Phoenix, Thunderbird, Buffalo, and Angel, a large Orange Buffalo Animal Spirit Ring on his left ring finger, large Blue Lantern ring on his right ring finger, he had eight large orange orbs orbiting around his legs, and circling around his feet on the floor are eight golden crosses with angelic runes.

Siyana the Light Faerie: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made twenty six clones of himself, and he and the twenty six clones went up to the girls, and hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrap their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Delina the Dark Faerie: (Seductively and rubs her right hand on

Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, twenty seven Thunderbird Necklaces of Eternal Love appeared on the necks of Siyana the Light Faerie, Karui the Wheel of Excitement Faerie, Ariande the Dark Faerie, Delina the Dark Faerie, Bree the Fire Faerie, Ember the Fire Faerie, Nuria the Fire Faerie, Illusen the Earth Faerie, Iyana the Earth Faerie, Marina the Water Faerie, Naia the Water Faerie, Nereid the Water Faerie, Briana the Air Faerie, Casandia the Air Faerie, Psellia the Air Faerie, Zaira the Air Faerie, Aethia the Battle Faerie, Kari the Negg Faerie, Chishiki the Library Faerie, Jhudora the Dark Earth Faerie, Mira the Space Faerie, Zuppa the Soup Faerie, Jhuidah the Island Faerie, Taelia the Snow Faerie, Móyá the Tooth Faerie, Kaia the Shenkuu Faerie, and Yīnyǐng the Fark Faerie with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha. We return to the Estate, and we told everyone what'd happened, and they were shocked when they found out the villain we went after was The Darkest Faerie.

But, when Lincoln showed what we did in defeating her, along with Tormund Ellis transforming into his new Super Angel Eternity Infinity form, and having her join The Masters of Evil after Lincoln saved her from the darkness that consumed her, they cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Charlotte Birmingham now have a lot of catching up to do, now that she's back, and The Darkest Faerie is now a new member of The Masters of Evil.

---

After stopping The Darkest Faerie, we were training intensely in the gym, this time, doing 150,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Charlotte Birmingham saw Lincoln working out like crazy, she had an atomic red blush on her face.

Charlotte Birmingham: (British Accent) Whoa, Lincoln's really grown to be a 17-year-old 7'0" tall, really big, and really strong man, just look at those abnormally massive and powerful muscles hard at work, and to work out with those 9,500-lb barbells and not even get tired, incredible.

Lincoln: And I've also trained a lot under some very powerful teachers, J.D. and Nico included, Charlotte, and now, I can also fight and defend myself.

Charlotte Birmingham: (British Accent) That's incredible.

Nico: It sure is, Charlotte. So, how did you arrest that maniac, Lunatic Gary?

Charlotte Birmingham: (British Accent) It happened long after Quahog was destroyed, I was asked by The FBI to arrest Lunatic Gary, who's been running rampant around the world ever since Quahog was destroyed. I agreed to do so, and of course, I had to be prepared for that lunatic, and I had a lot of weapons for this one, in case he gets violent. I got the word that he was hiding out in the forests in Gotham Royal York, and although it'd be good to see Lincoln and his family again, I still had a mission to do: apprehend Lunatic Gary and send him to prison. As I got to the forest, I saw a small bonfire in the middle of the forest, and then, I saw my target, Lunatic Gary, and he was growling like crazy and he wanted revenge on you guys for destroying Quahog, along with Joe. But, I struck first by firing at him, and it caused him to go crazy, and he ran for his life. But, I caught him by firing a net on him, and then, I tied him up in a durable straitjacket and Neutronium chains, and after I called The FBI to my location, they arrested Lunatic Gary, and hauled him off to The Saturn Insane Asylum for the rest of his life.

We were amazed by the revelation, and we were impressed by how Charlotte Birmingham arrested that lunatic.

Me: Wow, that was so awesome.

Nico: You said it, J.D., and Charlotte, you were really impressive in dealing with Lunatic Gary, but I think there's something you should know: Vypra recruited Lunatic Gary into The Masters of Evil.

Lincoln: Yeah, but if he tries to get in your face and yell at you, here, use this taser on him.

Lincoln gave Charlotte Birmingham a taser for her to use, and it has an Anti-Lunatic Gary symbol on it.

Charlotte Birmingham: (British Accent) Thank you, Lincoln.

Nico: Nice one, Lincoln. Let see that lunatic try to get in someone's face now.

We then got a shower afterward, and suddenly, a bright light descended on the Estate, and we had to cover our eyes. Then, as the bright lights faded, we uncovered our eyes, and to our surprise, we saw the world of Neopia has merged with ours, as we saw the many Neopet species and Petpets walking alongside the humans and anthropomorphic cats of Megakat City. We were amazed at the sight.

Lincoln: Oh wow, Neopia's merged with our world, that's so awesome!

Tormund Ellis: Amazing. But, how was that possible?

Lincoln: This was due to the fact that J.D. rescued Queen Fyora last year, and this morning, when I rescued Siyana the Light Faerie, Karui the Wheel of Excitement Faerie, Ariande the Dark Faerie, Delina the Dark Faerie, Bree the Fire Faerie, Ember the Fire Faerie, Nuria the Fire Faerie, Illusen the Earth Faerie, Iyana the Earth Faerie, Marina the Water Faerie, Naia the Water Faerie, Nereid the Water Faerie, Briana the Air Faerie, Casandia the Air Faerie, Psellia the Air Faerie, Zaira the Air Faerie, Aethia the Battle Faerie, Kari the Negg Faerie, Chishiki the Library Faerie, Jhudora the Dark Faerie, Mira the Space Faerie, Zuppa the Soup Faerie, Jhuidah the Island Faerie, Taelia the Snow Faerie, Móyá the Tooth Faerie, Kaia the Shenkuu Faerie, and Yīnyǐng the Dark Faerie, and after we defeated The Darkest Faerie, it looks like Neopia has merged with our world, and now, we also see Neopets and Petpets here, as well.

Roberta: Incredible. But, this also means we'll be dealing with some of Neopia's enemies.

Suddenly, the alarm sounded, and when Lincoln checked it out, he then saw that Tura-Kepek, the evil shaman Kyrii, has returned, and he's at his hideout in Techo Mountain.

Tormund Ellis: And it looks like one of them has come out: it's Tura-Kepek.

Me: The villain who tried to free Moltenus from within Techo Mountain? That's not good.

Lincoln: Let's head there and take him down before he tries to free Moltenus from his prison.

We then head to Techo Mountain, and inside, we saw that Tura-Kepek was planning to free Moltenus from his prison by trying to acquire the wards to free him.

Jhudora the Dark Faerie: Tura-Kepek is trying to acquire the wards to free Moltenus, but if we stop him now, we can prevent Moltenus from being freed.

Lincoln: Right, Jhudora. Let's use our entrance on him.

We planned our entrance to ambush Tura-Kepek.

Tura-Kepek: Soo, Moltenus will be freed and everything will soon be destroyed!

Suddenly, the spirits of the Faeries of Neopia, along with all of the Neopets species circled and ran around Tura-Kepek, and they attacked him ferociously. Then, an explosion erupted, as a Thunderbird screech and Phoenix Cry were heard, and then, we appeared.

Tura-Kepek: Team Loud Phoenix Storm, but how?! It won't matter, soon, I will unleash Moltenus and everything will be destroyed!

Lincoln: That's not going to happen, Tura-Kepek.

Lucy Liberty: That's right, your desires for destruction are about to come to an end here and now.

Suddenly, Lucy Liberty's green eyes turned neon green, and she was surrounded by an orange energy aura with hearts, F-Zero Planes, flames, and phoenixes, and as she approached Tura-Kapek, she left orange energy, flames, F-Zero Planes, flames, and phoenixes with every step.

Suddenly, Lucy Liberty was surrounded by a massive vortex of red energy with flames surrounding it, there's an F-Zero plane flying around the vortex, and in the vortex is a green phoenix. Then, as the vortex faded, Lucy Liberty emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Lucy Liberty grew to 6'5" in height, she had the body of a goddess and has red highlights in the bangs of her now long flowing red hair going down to the middle of her back, she has neon green eyes and an orange energy aura with F-Zero Planes, flames, and phoenixes surrounding her, she has a phoenix with the Fire Kanji in its claws emblazoned on her forehead, she has on phoenix earrings with green jewels for the eyes and the Fire Kanji in its claws, and she also has a phoenix with green gems for the eyes and the Fire Kanji in its claws for the second pendant of her Thunderbird Necklace of Eternal Love with orange gems on the gold lightning bolts and red crystals from her Crystal Necklace of The Buddha which merged with her Thunderbird Necklace of Eternal Love. Lucy Liberty has on a long sleeveless orange leather trenchcoat with flames, F-Zero planes, and phoenixes on the coattails and right on the back is an F-Zero plane with flames surrounding it, an orange blouse and orange top with a green phoenix on it, orange skirt with flames on it, orange pants with flames on the legs, black leather ankle-high combat boots, and she has on a Star Sapphire ring on her left ring finger. Suddenly, Lucy Liberty felt a sharp pain on her back, and then, massive red angel wings with orange tips on the large orange feathers sprouted out from her back.

Lucy Liberty had a new large sword in her hand called Galaxy Mobile Platoon's Fire Sword of Justice, it's a new large sword with a 6'9" massive, wide, double-edged red blade, and with an F-Zero plane etched on it, large orange phoenix heads with red gems for eyes for the crossguard, large red gem for the hilt, longer black handle, and four large orange phoenix heads with red gems for the eyes and large red gems in its mouths for the pommel. Lucy Liberty has on her new large gold cuff Bracelets of the Champions of The Universe with orange gems on her wrists, gold Belt of Elemental Bravery with a gold phoenix head with orange gems for the eyes and large orange gem in its open mouth for the belt buckle, large orange Spellbook of The Gods and The Universe and large red Universal Spellbook of The Elemental Forces on her left hips and Eater of Sins revolver holstered on her right hip. There's a red kanji below the phoenix that said, "Lucy Liberty, Member of the Galaxy Mobile Platoon, Dear Friend of Captain Falcon and Many, Loving Future Wife of Lincoln Loud, Destroyer of Black Shadow and Blood Falcon, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of F-Zero Planes, Flames, and Phoenixes."

ルーシーリバティ、ギャラクシーモバイル小隊のメンバー、キャプテンファルコンと多くの親愛なる友人、リンカーンラウドの愛する未来の妻、ブラックシャドウとブラッドファルコンの駆逐艦、悪の殺し屋、混乱した、殺人、冷酷、そしてサディスティックな野郎、驚くべき強力な驚くべき強力な教師の学生であり、F-ZERO飛行機、炎、およびフェニックスのマスター

Lucy Liberty has transformed into SUPER ANGEL INFINITY BLAZING FIRESTORM PHOENIX ANGEL OF FIRESTORM JUSTICE AND DIVINE LOVE!

We were amazed by Lucy Liberty's Super Angel Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes. But, when Tura-Kapek saw it, he fell into a rage and tried to attack her, but Lucy Liberty fired a powerful blast of red energy with flames and phoenixes, and it hits him and left a burn mark on his chest.

Nico: Wow, now Lucy Liberty's the next to transform.

Me: And she's going to make sure Tura-Kapek pays for everything he's done.

Lincoln: Wow, Lucy, you look beautiful. How do you feel?

Lucy Liberty: (Divine Echoing Cosmic Voice of The Firestorm

Phoenix and Divine Love) **I feel incredible, Linky, and now, shall we put a stop to Tura-Kepek?**

Lincoln: (Smiles) With pleasure.

Lincoln unholstered his improved massive Sword of Universal Hope and Elemental Bravery from his wider and muscular back and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Lucy Liberty.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Let's get that monster.**

Tormund Ellis: Should we also help out, Nico?

Nico: Nah, they got this, Tormund. You see, whenever anyone from Lincoln's harem transforms, he also joins in, and they take care of the villain.

Roberta: So, he's also assisting his future wives in their fight? That's interesting.

Me: It sure is, Roberta. Now, the fight's about to begin.

Lucy Liberty and Lincoln went after Tura-Kapek, and they fired powerful blasts of rainbow energy, orange energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Gravity, Magic, Blood, Thunderbirds, Phoenixes, Angels, and Buffalo at Tura-Kapek, and they exploded with incredible power as they hit him. Then, they attacked him with their massive swords, and Tura-Kapek was bleeding badly from the unhealing wounds from the swords of Lucy Liberty and Lincoln. Then, Lucy Liberty tied Tura-Kapek up with red energy threads.

Lucy Liberty: **Okay, Linky, you know what to do?**

Lincoln: **You got it, Lucy.**

Lincoln spreads his massive deep sapphire blue angel wings, and red energy was already forming in them. This filled Tura-Kapek with dread, as he sees that his death was fast approaching, and his desire to destroy Neopia is about to be cut with a knife for good.

Lincoln: **OBLIVION WING!**

Lincoln fired massive red beams of energy from his spread-out massive deep sapphire blue angel wings, and as they hit Mashymre Cello, Lincoln began sucking out and absorbing Tura-Kapek's life energy, powers, and abilities, and Lincoln's rainbow energy aura with elemental forces, angels, phoenixes, buffalo, and thunderbirds flared up extremely, as he gained a massive energy boost, and we saw that Tura-Kapek was turning to stone. When Lincoln was done, Tura-Kapek was turned to a stone statue for good, and as soon as his spirit appeared, Lincoln Super Hakaied him and he was banished to Oblivion for good. We cheered wildly for them, as Lincoln and Lucy Liberty holster their massive swords on their backs and power down, and Lucy Liberty's new body, clothes, weapons, jewelry, and angel wings are permanent.

Lucy Liberty and Lincoln: In the immortal words of Nico, Tura-Kapek, you have failed this universe!

Nico: Aw, yeah, that's telling him, guys!

Tormund Ellis: Okay, now, that was incredible. Lincoln and Lucy Liberty did amazing in getting rid of one of Neopia's enemies.

Queen Fyora: Indeed, and I've seen their teamwork during my time with Team Loud Phoenix Storm, and it's amazing.

Lucy Liberty: Thanks for helping me deal with Tura-Kapek, Linky.

Lincoln: (Smiles Warmly) You're welcome, Lucy.

Suddenly, Lucy Liberty wraps her arms around Lincoln's waist, and Lincoln wrapped his abnormally massive and powerful muscular arms around Lucy Liberty's waist, and he then brought her into an embrace, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Lucy Liberty's face, they kissed passionately as Lucy Liberty wrapped her left arm around Lincoln's wider and muscular back, and placed her left hand on Lincoln's massive and wide right pec, and right behind them was a Thunderbird, Phoenix, and Angel flying in the air, and we also saw a herd of Buffalo running across the field, and the display of the elemental forces behind them, and we cheered for them.

Delina the Dark Faerie: Now, that's so awesome!

Nico: It sure is, Delina, and all of you can expect the same thing to happen with all of you around your man.

Yveltal: That's the second time Lincoln's used Oblivion Wing, and this time, it's on one of Neopia's enemies.

Lincoln: And I did more than just suck out and absorbed his life energy, Yveltal, I also sucked out and absorbed Kura-Tapek's powers and abilities, and I made them my own, along with gaining a massive power and energy boost. And the rest of us also assimilated his powers and abilities after he was Super Hakaied.

Nico: That's right, and we all have that ability to assimilate the powers and abilities of those we have imprisoned or destroyed on our missions for the last six years.

Me: And we're going to like exploring all of Neopia, now that it's merged with our world.

Lola: Same here, and all the Neopets are so cute!

Lana: Same with the Petpets, the pets of the Neopets, and there's so many here, it'll be hard to keep track of them.

Me: I've kept track of the many species of Neopets when I was introduced to the world of Neopets by Alan long ago, and it's so awesome!

As soon as we got back home, Lincoln put the statue of Kura-Tapek in the garden, and it's a perfect centerpiece for the garden, and we got rid of one of Neopia's many enemies, but there's more out there, but we'll be ready for them.

---

Later it was time for Fluttershy's 3rd Ambassador Mission.

Carmen Dillo: Mind if I come with you, Fluttershy?

Fluttershy: It was your turn to come with me anyway Carmen. I can't wait for you to meet Laval and everyone.

Nico: You'll love them Carmen. You'll be amazed at what they can do.

Me: It's so awesome. You'll think it's awesome.

Carmen Dillo: I can't wait to see what it's like.

Me: We're also going after the Ice Bear Tribe too. They will make good recruits of the M.O.E.

Carmen Dillo: Awesome.

Me: Lets go.

We were off.

We arrived.

Me: Here we are.

Carmen Dillo: Wow! So this is Chima?

Me: Yep. Pretty cool place.

Carmen Dillo: It sure is.

We went to the palace and Laval and everyone saw us.

Laval: Hey guys!

Fluttershy: Laval, meet my archenemy.

Laval: Wow are you one of the Armadillo tribe?

Carmen Dillo: No. My name is Carmen Dillo. And I was made this way because I was exposed to something that made me this way.

Me: He was exposed to an experimental biohazardous mutagenic compound that mutated him and gave him powers. Lots of people have. It's complicated.

Laval: That's strange.

Eris (Chima): Wow.

Laval: Wait. Is your real name Carmen?

Carmen Dillo: Yeah my real name is actually Carmine Dillon but my villain name is Carmen Dillo.

Laval: Oh that makes sense.

Me: Yeah it's strange but it fits perfectly.

Laval: Anyway, the Ice Bear tribe was spotted a few days ago.

Me: Then we'll be ready for them.

Fluttershy: Yes we will.

Carmen Dillo: I have a feeling this will be fun.

Me: It always is and Fluttershy learned some new skills here.

Carmen Dillo: Right I heard she learned all about Chi. That is amazing.

Me: It sure is.

Laval: (to Carmen Dilloe) Maybe when they get close, I can throw you as a ball at one of them.

Carmen Dillo: That will be fun!

Me: The Armadillo Bowling Ball trick. Awesome!

Fluttershy: That would be fun.

Me: It sure would. (See's something) Here they come!

We saw the Ice Bear Tribe coming!

Carmen Dillo: AWESOME! Lets get rolling!

Me: I learned this trick from Palla Palla. Watch this.

Carmen rolled up and I jumped and ran on him and rolled him over and then..

BOWLING CRASH!

STEEERIKE!

I smashed them all down with him!

Fluttershy: That was fun.

Laval: Had enough?

Icebite: NEVER!

Laval: Have it your way.

Carmen Dillo curled up into a ball.

Me: Here comes the 300 Strike Perfect Game Roll!

Laval picked up Carmen and rolled him and then….

BOWLING CRASH!

STEEERIKE!

PERFECT GAME!

The Ice Bear Tribe was knocked down bad!

We tied them up with vines thanks to Fluttershy!

Me: That was awesome!

Laval: (to Carmen Dillo) Nice teamwork, dude!

They high five.

Carmen Dillo: Yeah it was great!

Me: That makes the 3rd tribe of the Ice Warriors done. The Saber Tooth Tiger Tribe is next.

Fluttershy: They will be interesting to face.

Me: Yeah they will.

We later came home.

Nico: Hey guys. I see you caught the Ice Bear Tribe.

Me: Yep. Thanks to teamwork from Carmen Dillo. We used bowling moves on them.

Nico: Awesome!

Me: And Palla Palla your ballriding moves really paid off for this one. Thanks.

Palla Palla: Anytime J.D.

May: Who should come with you next time?

Fluttershy: Um I was thinking about bringing Twilight and friends so that they can get to know them too.

Nico: That's an awesome idea Fluttershy.

Lincoln: It'll be awesome for Laval and team to meet the girls.

Nico: It sure will.

We were later in the Arctic and we were there to visit the Northern Water Tribe.

Edward: Nothing like being in the arctic where it's nothing but cold out.

Nico: Edward we're not here to have fun. We came here because we're going to check on the restoration of the Northern Water Tribe. The war took a heavy toll on the world.

Me: It sure did. But also Sokka's feeling sad about something.

Suki: Yeah. It's because he misses a girl named Yue.

Me: I think I heard that name from when Marie was talking about the Siege of the North.

Marie Hernandez: Yeah. It was a sad story.

She told us about Princess Yue.

---

Yue was a princess of the Northern Water Tribe, daughter of Chief Arnook, as well as one of the latter's advisors. After the death of Tui during the Siege of the North, she sacrificed her life to replace it and shared its position as the Moon Spirit.

Yue was born in the Northern Water Tribe's capital of Agna Qel'a to Chief Arnook and his wife, the daughter of a tribal chieftain. She had an unknown illness as an infant, being still and quiet as though asleep, so her parents feared she would die. As her condition was critical and the tribe's healers, including Yagoda, could not cure her, Arnook prayed to the Moon Spirit in desperation and placed her in the tribe's Spirit Oasis. The Moon Spirit gifted her with part of its own life force, saving her life and turning her hair white as a side effect. Thus, her parents named her Yue, for the moon.

Sometime prior to Team Avatar's arrival at the Northern Water Tribe, it was arranged that Yue would marry a young, egotistical warrior named Hahn. He carved a betrothal necklace for her to mark their engagement, but she did not really love him and consented to the marriage only to stay in line with her people's customs.

Meeting Team Avatar

Upon arriving at the Northern Water Tribe, Sokka was smitten with Yue, taken by her beauty at first sight. He first engaged in conversation with the young princess during the joint celebration of the Avatar Aang's arrival and her sixteenth birthday, in which she was seated along with her father and Master Pakku.

After he awkwardly flirted with her, Yue and Sokka soon began to arrange meetings. These included riding on Appa and taking walks together around Agna Qel'a. Although affection budded between the two, she was bound in an arranged marriage to Hahn, who had more love for her high status than toward her, boasting once to Sokka that "she [came] with the most perks". The two teenagers came to realize their love for each other, but she could not bear to continue their meetings because they conflicted so strongly with her responsibilities to her tribe. He eventually became angered when she insisted that being together was "wrong" and that it was her duty to marry Hahn for her people, to which he replied that she was not marrying her people.

During Admiral Zhao's siege of Agna Qel'a, Sokka was ordered by Arnook to act as his daughter's bodyguard, noticing how their love persisted. Yue led Aang and Katara to the Spirits Oasis, helping him to enter the Spirit World. When Aang had been captured by Zuko, she accompanied Katara and Sokka as they tracked the two of them down on Appa.

Upon their return to the Spirit Oasis, Yue and Team Avatar were confronted by Zhao, who fatally struck the Moon Spirit's mortal form, leaving all waterbenders powerless without the moon's influence. Appearing on scene, Iroh saw that she had been touched by the Moon Spirit, which reminded her how her life was saved by Tui as a newborn. Once again acting dutifully to her tribe, Yue sacrificed herself to give back the life that the Moon had given her. This was against Sokka's wishes, but the young warrior did not stop her in the end. She placed her hands onto the fish, closed her eyes, and died in Sokka's arms. Yue's spirit appeared before Sokka and her father shortly after. She whispered and swore that she would always be with the former before the two shared a final kiss, then vanished completely.

## After death

Several times following her death, Yue's influence on Sokka became apparent: While in the Foggy Swamp under its spiritual influence, he hallucinated about her. Her hallucination angrily told him that he failed to protect her, reflecting the guilt he felt about her death. During his time in the Si Wong Desert, Sokka directly referred to the moon as Yue while in an intoxicated state brought about by drinking cactus juice. When Sokka and Suki nearly kissed while crossing the Serpent's Pass, a waning gibbous moon was visible in the background, alluding to Yue's presence. His memory of Yue's death prompted him to refuse the kiss, while acting overly protective of Suki.

After Aang was struck down by Princess Azula's lightning during the Coup of Ba Sing Se, Yue was able to provide more tangible assistance to Team Avatar: She took it upon herself to meet the Avatar in the Spirit World, informed him of the damage that had taken place to the Avatar Spirit and explained how to return to his body. She further instructed him to seek out the past four Avatars while avoiding Koh, the Face Stealer. Yue later appeared to Aang once more to encourage him not to lose hope and to continue fighting the war, as he had already saved the world once. She subsequently assisted him in forming a massive wave of water to ride toward the island where Roku's temple once stood, utilizing her powers as the Moon Spirit.

While looking for leads as to disappearances surrounding the full moon and in response to Toph's suggestion that the Moon Spirit might be harming people, Sokka reacted with anger and declared that the Moon Spirit was "a gentle, loving lady who rules the skies with compassion and lunar goodness", showing that he still cared deeply for Yue. While with Zuko on the way to the Boiling Rock, Sokka mentioned that "[his] first girlfriend turned into the moon." In one of the few accurate scenes from a play that parodied the Avatar's journey, the Yue character was presented as the only woman who had ever taken Sokka's mind off food, before floating away on a crescent moon prop. In the audience, he wept as Suki looked on in confusion, as she was never told the full story of Yue. Sokka shushed the Kyoshi Warrior while he still cried, showing that he still cared for Yue.

## Legacy

Yue's sacrifice was honored by the Northern Water Tribe. For example, the tribe developed special cakes made from roots and seeds of the Spirit Oasis which were to be consumed to both remember her life as well as her current role as the Moon Spirit.

* * *

When she was done we were shocked and amazed. She was both a true hero and an amazing friend and an awesome girlfriend for Sokka.

Nico: Wow. Sokka I'm so sorry about what happened.

Laney: Yeah that was really rough.

Eli: That is bad.

Edward: (shivering) Believe me, Nico. My comment about the arctic wasn't a compliment.

Lily Chillman: I can see that clearly.

Nico: Sorry. But at least we brought your winter clothes for this.

Nico pulled them out for Edward and he put them on.

Chelsea: Sakura you went on so many awesome adventures with the team and that is amazing.

Sakura Avalon: I sure have and it was great.

Laney: Sakura is one awesome girl. She went through so much over the years.

Nico: We're here!

We were at the capital of the Northern Water Tribe and it was back to normal after what happened in the war.

Me: Wow the Northern Water Tribe looks amazing.

Eli: It sure is.

We went into the city and it was amazing.

Me: Everyone is doing great. The War made them all stronger in spirit.

Eli: It sure did.

We then went and saw the Tribal Chief Arnook in mourning.

Katara: Arnook?

He was crying over the loss of his daughter at the Spring of The Moon Spirit or the Spirit Oasis.

G1 Rampage: (sarcastically) If only we could bring his daughter back somehow. Oh wait…

Nico: Rampage nobody likes sarcasm.

Me: But I got this. Arnook you are in for a surprise. (SNAPS FINGERS)

Suddenly a massive beam of light shined down onto the spring and then the divine singing of angels was hear.

(THE MYSTICS DREAM PLAYS AT 6:03 TO 7:12)

A figure came down and it was PRINCESS YUE!

Princess Yue: Hello Father.

Arnook: Yue? Oh Yue!

They went and hugged for the first time since after the Siege of The North.

Nico: Wow.

G1 Slug: You Arnook have daughter back now. You're welcome.

Arnook: Team Loud Phoenix Storm. It's an honor and J.D. and everyone it's good to see you again.

Me: It has been a while Chief Arnook. We're sorry to drop by so suddenly. But we couldn't help but feel how sad you were feeling about losing Yue. So I decided to bring her back to life for you.

Nico: It was awful what happened here during the Siege of the North.

Princess Yue: Yes it was. J.D. you have the eternal gratitude of the Water Tribe.

Me: Thank you Princess and also the War is over. After 100 years of fighting the war is over. But also the Fire Lord, Ozai has been defeated.

Princess Yue: How?

Aang: I defeated him when Sozin's Comet came. I used a powerful form of ancient bending called Energybending. I learned of another way to defeat him and restore the balance. I took his bending away.

Arnook: Wow! That is amazing.

Me: He learned how to bend Life Force. It's an ancient form of bending that hasn't been seen for thousands of years.

Nico: It's really cool. Ozai has been stripped of his bending and he is now in prison for the rest of his life.

Princess Yue: Wow! That is incredible.

Sokka: It sure was Yue.

Sokka and Yue hugged for the first time since the siege.

Chaor: Me and the rest of the Creatures of Perim weren't there when the War ended. But yeah. It's ended.

Maria: I know it's hard to believe. But it's true.

Nico: Ozai has been officially dethroned and Zuko here has now officially taken his rightful place as Fire Lord.

Zuko: That's right and on behalf of the Fire Nation and all of Team Loud Phoenix Storm I am terribly sorry about everything that me and my family have done to the lands over the years.

Arnook: Oh my lord you are forgiven.

Zuko: Thank you.

Me: I'm sorry about everything that happened here and everything that went down but Team Loud Phoenix Storm is helping all the 4 Nations rebuild after everything that happened during the war. What happened was all because of Fire Lord Sozin. But you don't have to worry about Sozin anymore. I cursed him with the ultimate fate worse than death and he is now forbidden from ever entering the afterlife.

I showed a window into Limbo and it showed Sozin as a mangled soul that is completely scarred, mangled and disfigured.

Me: That's Sozin. He is now forever cursed with this eternal fate.

Arnook: My goodness.

Princess Yue: But that's good he will never hurt anyone again.

Me: And here's where Ozai is.

I showed a viewing window into the Neptune Prison and showed Ozai in his cell.

Arnook: Wow he's all the way on another planet.

Me: That's the planet Neptune. He is 2.61 billion miles away from home and he is now in one of the farthest planets.

Princess Yue: Amazing.

Nico: It sure is.

Princess Yue: But thank you guys for saving us.

Me: It was our pleasure Princess. You are also a true hero in the war too. You saved the Moon from being taken out and that shows that you have a good heart just like many people we know.

Sokka: It's true Yue and I missed you ever since.

Princess Yue and Sokka hugged and so did Suki.

Nico: So awesome.

Later it was time for our next mission and our stomachs growled at the thought of it.

Nico: Getting hungry and it's time for our next mission. We're going to the Wings for Real Men Restaurant in the Louisiana Bayou.

Me: Now you're talking Nico.

Eli: I heard that's where they got the Inferno Wings Challenge.

Nico: Yep. And I'm going to challenge them.

Varie: Awesome. This will be awesome.

Then Cad Bane, Beetle, Boomerang, Titanium Man, Cheshire, Multiple Man, Silver Samurai, Taskmaster, Whiplash and Major Disaster appeared.

Cad Bane: Can me, Beetle, Boomerang, Titanium Man, Cheshire, Multiple Man, Silver Samurai, Taskmaster, Whiplash and Major Disaster come with you all?

Nico: You all sure can. We're going to the Wings for Real Men Restaurant.

Beetle: Is it that time already? Wow.

RD Lori: Nico, which Gene Slammer do you think will literally appear on your next rescue?

Nico: I'm hoping for another Predator Gene-Slammer next. I'm gonna go for a Nudicambralia Promenadian Gene-Slammer.

Me: Whoa!

Shanan: Wow the natural predators of the Gilli-Perambulous Promenade. That's a great choice. So it'll be a water user next.

Nico: Or Slinkman can come with. He is a slug and Nudicambralia Promenadian are very similar to slugs.

Me: That is true. But that is gonna be a cool choice for you.

Nico: It sure is.

Beetle: Hang on, Nico. Maybe we should help you train for the challenge.

Nico: Don't worry guys. I've trained for this and I have eaten these wings before.

Me: It's true. I've seen Nico eat massive truckloads of chicken wings like this and they don't bother him one bit.

May: My husband is one tough cookie.

Gemini Richie: He sure is. And that's what makes Nico so special and awesome.

Me: That's my pal. Always a tough and daring guy.

Arixam: Well, you did say what you would do if you saw a house made of chicken wings.

Nico: Yep and I would eat the whole thing and reduce it to a big pile of bones.

We laughed.

Me: No doubt in my mind he would do that and Chicken Wings are Nico's numero uno favorite food of all. He can eat 100 buckets full of them.

Nico: Yep!

Eli: That is awesome!

Laney: Oh yeah!

Chelsea: Wow! Nico must have an amazing appetite.

Sakura Avalon: He sure does Chelsea.

Kero: He can eat that many wings all right.

Nico: Yep. Anyway lets head out.

Lincoln's deep sapphire blue eyes glowed even more, as he sensed a dark energy signal, and he saw a vision of who that dark energy signal belonged to, it was The Shadow Queen, the evil ancient demon who serves as the main antagonist and final boss of Paper Mario: The Thousand-Year Door, and she's returned from the dead to get her revenge on Mario for ruining her plans. When we saw that, it definitely meant trouble.

Nico: Uh oh, Lincoln, trouble?

Lincoln: Afraid so, Nico, and Nicole, you, Mario, and his friends are not going to like it one bit: the figure that I saw is The Shadow Queen, the evil ancient demon who serves as the main antagonist and final boss of Paper Mario: The Thousand-Year Door, and she's returned from the dead to get her revenge on Mario for ruining her plans.

Nicole, Mario, and his friends gasped in shock.

Nicole Knudson: The Shadow Queen, the ancient demon who caused so much trouble for Mario and his friends long ago, she's come back?! This is not good, but I'd better tell you all about her, so we can have a better understanding of the danger she poses.

Nicole proceeded to tell us about The Shadow Queen from Paper Mario: The Thousand Year Door, and we weren't going to like her one bit.

---

The Shadow Queen

The Shadow Queen is an ancient demon who serves as the main antagonist and final boss of Paper Mario: The Thousand-Year Door.

Prior to the start of the game, this dark demon spirit destroyed an ancient civilization and began a conquest on the entire world with the aid of numerous monsters that she created and the Crystal Stars. In the end, her plans were foiled and she was sealed away by four heroes within the Thousand-Year Door. Even though she was sealed away, her followers vowed to bring her back into the world and did so around the time when the seal on the door was weakened enough. Her followers tricked others into opening The Thousand-Year Door, allowing the Queen to be free from her prison, which brought darkness to the whole world.

## Personality

The Shadow Queen is shown to be a cold-hearted villain who cares for nothing but herself and her desire for power and control. She is a highly power-hungry and ruthless demon whose actions have led to the destruction of entire lands and the murders of millions. She is shown to be one of the (if not the) most disturbing and immoral villains within the series and doesn't demonstrate any kindness or care for anything or anyone, even those who did favors for her, as she almost killed Sir Grodus knowing that he resurrected her. Many of the monsters Mario fought were part of her army, and her most loyal followers were the ones manipulating the course of events to revive her, in which they succeeded.

In addition to being a demon from the dark depths, the Shadow Queen is highly sadistic as all her strongholds and fortresses are overflowing with thousands of mutilated corpses. This all contributed to her sadistic personality and thirst for violence. Her power seemed to possess no limits as she created demonic armies, three immortal dragons and even the Crystal Stars themselves. The Crystal Stars seem to have unlimited power, and taking into account that they represent only portions of the queen's power, her power seems to be nearly godlike. After years of her reign of terror, her reputation became so horrible and well-known that people shuddered at the mere mention of her or any of her followers and monsters.

Unsurprisingly, the queen was able to instill massive fear in not just the world itself but her followers as well. She seems to be so evil that her very presence brings a horrible aura as well as darkness in the skies. Her palace and even the Thousand-Year Door itself all have a horrible feeling, and even the thugs of Rogueport stay away from the door due to the feeling it evokes. Even after her first defeat, her minions, The Shadow Sirens, attempted to revive her by using other villains. Other than the stories told within the game, not much more is known about the witch and it seems that she has done nothing else within her existence other than creating destruction, chaos and mass murder.

## Biography

### 1,000 Years Ago

Legend has it that the Shadow Queen simply appeared out of nowhere one day and waged war against the city where Rogueport now stands. She destroyed the city, murdered all who stood in her path, and the war itself would be described as a "great cataclysm where the earth shook and skies roared". After the attack, the city crumbled and sank into the earth. One third of the city was reconstructed to be the Palace of Shadow where the entrance would be the 1,000-Year Door itself, the death trap of evil.

The demonic Queen next set her sights on the rest of the world, hoping to plunge it into an endless time of darkness under her control. She created numerous demonic beasts and spirits to make up the core of her army. Among them were the three Shadow Sirens, who would be the most trusted followers of the queen. With her new army, the Shadow Queen set them on the surrounding areas of the world. The demons wiped out all resistance as they took the lands by force, killing millions of people in the process. Towns were destroyed and their treasures were stolen to be stored within the palace, soon to become rich with valuables. The Shadow Queen was far from finished though, and created three dragons, Hooktail, Gloomtail and Bonetail. These dragons became the loyal pets of the queen and quickly spread fear and suffering throughout the world, feasting on numerous people, destroying towns and leaving them to burn, and killing anyone.

The queen and her army quickly became feared above all else, and the mere mention of their name sent people into a fearful state of panic. As more areas fell to the Shadow Queen, she next created the Crystal Stars. These stars were placed in separate areas around the world to exert the queen's influence. Realizing that her opposition were still recruiting others, the queen created a dungeon called the Pit of 100 Trials. The place was a torture chamber where people were devoured by demonic beasts and Bonetail. This very pit is found right next to The Thousand-Year Door, where there are literally 100 floors.

## The Four Warriors

Just when all hope seemed lost, four brave warriors stepped forward to end the reign of the demon once and for all, or so they thought. The four were a Toad from Petalburg, a wise Goomba from Boggly Woods, a scarred and feared Koopa, and a Boo. The Toad from Petalburg came to be seen as a hero when he defended his town from the Queen's evil forces. The wise Goomba was a resident of the Boggly Woods and used his vast set of knowledge to aid the Punis in defending themselves against the monsters. The scarred Koopa went around the world battling evil. He became feared among the dark army, but eventually, a trap was set for him and he soon fell into it. The Boo warrior of the army then left her demonic allegiance and helped the Koopa. The Boo then used her powers to predict that they would need the aid of the Toad, and the wise Goomba in order to have a fighting chance against the Shadow Queen. The Four banded together and obtained the Crystal Stars and ventured into the Palace of Shadow. There they faced the demon in an epic battle. After an intense fight, the heroes defeated the queen after succeeding at destroying her physical body. Even then though, the queen's demonic spirit lived on and attempted to kill the warriors. The heroes made one last effort and sealed the queen in her own palace, thus ridding the world of one of the most evilest of evils.

## Last Stand

Before the seal was complete though, the queen sent a portion of her magic into the heroes. The effects would not be felt while they held the stars, but afterward, the heroes would become trapped within black chests. The queen vowed to return one day and conquer the world when that day dawns. The heroes then realized that the demon's threats may not just be a bluff. They sealed the Palace entrance with the stars and the seal would remain for 1,000 years. The entrance to the palace would then go on to be known as

The Thousand-Year Door. Realizing that others may need the stars in case the queen returns, they made a map of the stars in case the future heroes would need them. To ensure that the map only fell into pure hands, they placed it in a chest that could only be opened by one pure of heart.

While the war finally seemed to be over, there were other plans in effect to ensure that the demon would return to the world. The Shadow Sirens began to spread rumors of a great treasure hidden in the earth beneath the location of the old city. People then constructed a town over the city, which soon became filled with thugs and robbers, hoping to claim the treasure for themselves. None of them knew that the treasure was actually a demon and that the rumor of the treasure was nothing more than a ruse in part of an insidious plot to send the world into complete darkness again.

1,000 Years Later

1,000 years passed - the warriors, the Shadow Queen and their great battle faded into being nothing more than a legend. The seal on the palace door began to fade and the Shadow Queen's servants, the Shadow Sirens, knew the time to release their queen would soon come. The Shadow Sirens joined the cult of the X-Nauts. The X-Nauts were a criminal organization of unknown origin and existed to conquer the world. With this information, Beldam, the head of the Shadow Sirens, managed to convince the X-Nauts master Sir Grodus to seek out the Crystal Stars and use them to release the Shadow Queen. Grodus, who hoped to rule the world, thought by releasing the Shadow Queen, he would be able to control her and use her to fulfill his dream. This was all a lie made up by Beldam though just to get Grodus to help in order to free her, because evil like Beldam could not touch the seal that was on the queen.

With the X-Nauts playing into her hands, Beldam came into possession of the chest that contained the Magic Map. She gave it to Grodus and told him that it could be the ideal way of finding a pure maiden. Beldam knew that if the queen were to return to full power, a vessel would be needed. The vessel needed to be one of pure origin though, and seeing how the chest could be opened by someone as such, it was the perfect way to find the maiden. Grodus liked the plan and had Beldam disguise herself as a merchant selling various items they looted while looking for people to open the chest. Eventually, Beldam found the right person to open it, who turned out to be Princess Peach of the Mushroom Kingdom. Beldam found the maiden, but was unable to abduct her then because of too many witnesses. In the meantime, Peach mailed the map to Mario to aid in searching for the treasure. As a result, Grodus sent his army to abduct the princess and search for the map.

With the seal on the Thousand-Year Door weakening and Grodus' intelligence at Beldam's side, the queen's resurrection seemed assured. However, the X-Nauts' attempts to collect the stars were foiled at every turn by the hero Mario and his friends. Eventually, Mario defeated Grodus' second-in-command Lord Crump, completely obliterated the X-Naut base and managed to claim the last Crystal Star. In the meantime, Beldam abducted Professor Frankly, a goomba that had a lot of knowledge and helped Mario find the locations of Crystal Stars, had him locked in a secluded area, and Grodus had Doopliss, a ghost that can transform into many shapes, disguise himself as the aged professor. In this guise, he was able to convince Mario to open the Thousand-Year Door and allow Grodus to enter.

Mario went after Grodus who, along with a kidnapped Princess Peach, had entered the Palace of Shadow shortly after Mario cracked the seal on it with the Crystal Stars. Eventually, after making his way through the palace traps, Mario encountered and battled Grodus. When Grodus was defeated, he chose not to accept it and used the Princess as a hostage. It was only with the intervention of Bowser that Peach was saved from harm. Unfortunately, Paper Bowser engaged Mario and his friends in battle along with his assistant Kammy Koopa. This distracted Mario and company long enough for Grodus to escape with Peach to the Queen's chamber. After Mario defeated Bowser and Kammy, he went after Grodus and cornered him in the chamber. There it was revealed why Grodus needed the Princess: it seemed the Shadow Queen needed a body to be revived fully, and Grodus planned to use Peach as the Queen's host body.

## Return of the Queen

Summoning the Queen, Grodus presented her with Peach, whom she then possessed. Becoming "Shadow Peach", her summoning engulfed the world in darkness. Grodus, thinking the Queen was under his control because he revived her, ordered her to destroy Mario. The Queen, insulted by Grodus thinking her to be a slave, blew apart his robotic body. The Shadow Sirens then appeared, and Beldam explained to the Shadow Queen they created the myth of an ancient treasure and tricked Grodus into reviving her, and the Shadow Queen thanked them for their work. The Shadow Queen then sees Mario and offers him a choice of being her servant, which he of course refuses (the player can choose yes, but it will result in an instant game over). She then attacked Mario, and while the fight was not too hard at first, the Shadow Queen eventually became invincible. None of Mario's party attacks were able to do any damage and all Mario could do to survive was to wait until the Crystal Stars came out in response to the evil in the area.

Defeat

Once that happened, the friends who Mario had made along the way encouraged him with their pleasant thoughts, which were communicated through the Crystal Stars. This distracted the Shadow Queen long enough for Peach to gain momentary control and give Mario all her power. Receiving full power, Mario could now harm the Shadow Queen and the true battle began. After a lengthy and intense showdown, the demon was defeated and she expressed disbelief at how she could be beaten by such beings that were as weak as she believed.

She then vanishes in a shadowy explosion that ripples across the room, leaving behind an unharmed Princess Peach, who returns to her normal self. It is not known what happened to her, but it is believed that she is now in a very weak form or was entirely destroyed for good.

When Nicole Knudson was finished, we were horrified by The Shadow Queen's dark and demonic evil actions.

Me: My God, she truly is an incarnation of pure evil.

Nico: And she committed those crimes a thousand years ago, and when she was freed, she sought to accomplish her schemes yet again. Well, her plans are about to be brought to an end here and now!

TLPS Zon-Tan: And Lincoln and I will make sure that she never hurts anyone ever again.

Lincoln: That's right, The Shadow Queen's desire for destruction, death, and chaos will be brought to an end here and now!

Nico: That monster's a genocidal demon who needs to be destroyed and sent to Oblivion for good!

Tormund Ellis: If she's as dangerous as they say she is, I hope you have a plan in place, Lincoln.

Lincoln: I already do, Tor, but I'm not going to tell anyone what it is, it's a surprise.

Nico: That's right, and that's up to us to find out later on. Alright, everyone, let's get going.

We then head off to the Park to meet up with Mordecai and the others and then we were off to Louisiana, and later on, TLPS Zon-Tan and Lincoln are in for the biggest fight ever, now that Lincoln told us that The Shadow Queen has returned from the dead to get her revenge on Mario for foiling her plans to destroy the world and plunge it into eternal chaos, darkness, and destruction.

---

We were flying towards Louisiana.

Boomerang: (Australian Accent) And you did eat that entire house made of pizza.

Nico: Yep but that was just a light snack for me.

Me: That still is amazing that Nico ate a whole house made entirely out of pizza.

Rocko: (Australian Accent) That's like what happened in one of the stories I was reading to Filbert except the house was made of fishsticks.

FOGHORN!

Me: A fishstick house? That would be silly.

Yugito Nii: I think it would be perfect for me.

Shizuka Nekonome: I think so too and I love fish.

Happy (Fairy Tail): I do too.

We laughed.

Wallflower: What's with certain houses being made of food?

Nico: Well in Hansel & Gretel there was a house made of candy.

Laney: It's true.

Lola: That sounds like my kind of house.

Me: I can imagine a house being made of French Toast. (SLURPS) That would be a delicious breakfast house.

Lana: That would be awesome.

Nico: Yep. The house me and Max saw was made entirely out of pizza.

2003 Leo: That sounds like an awesome house.

2003 Mikey: Same here. A tasty one too.

Titanium Man: Nico, I hope there's lots of water in case your mouth gets on fire.

Nico: Thanks but I'll be all right.

We walked onto the bayou and we were admiring the scenery of the beautiful Louisiana Bayou.

Me: (Humming Louisiana Blues)

Larry Koopa: Lana, if these guys try anything, freeze some of them with a subzero blast.

Lana: You know I will.

Nico: This will be awesome.

We arrived at the restaurant.

Nico: This it?

Mordecai: Yep this is it. The Wings For Real Men Restaurant.

Me: Wow it's all the way out in the middle of the Louisiana Bayou.

Ursa: I think this is cool.

Princess Yue: It sure is.

Rita (Cardcaptors): Yeah it sure is neat.

Cheshire: You guys think this is a trap?

Mordecai: I don't think so.

Eli: I don't sense anything that makes it a trap.

Nico: Lets head in.

We went in.

Me: Hello?

Nico: Anyone here?

We looked at a sign.

"Mountain of Inferno Wings Challenge - Free Wings for Life"

Me: Free wings for life huh? Nice.

Old man: Well Team Loud Phoenix Storm. Honor to have ya here.

Nico: I'll take on the Mountain of Inferno Wings Challenge.

Guy #1: Oh, you wouldn't be able to handle those. They're for real men.

Mordecai: We're men!

Nico: I'll have you know that I can handle it.

Muscle Man: No women here.

Sailor Moon: (Offended) HEY!

Guy #1: Nobody's ever survived the Inferno Challenge!

(We are shown "people who died trying the Inferno Challenge")

Me: (GULPS)

Old Man: Our wing sauce is made from mutated ghost peppers, hot magma extract, and black widow venom.

Nico: BRING! IT! ON!

Mandarin: If this is a setup, you'll pay dearly.

Old Man: Ain't no setup. I'll have you know that I am the undefeated champion of this here challenge. Now you think you can handle me?

Nico: I don't think. I know!

Old Man: Then lets get it on!

At a table sat Nico and the old man and then the two men came out with a massive pile of wings that were literally on fire and burning with incredible heat!

Lori: This will literally kill them!

Me: (Gulps)

Eli: This is gonna be brutal.

Multiple Man: Time for some backup just in case.

Multiple Man made 310 duplicates of himself.

Me: Good idea.

Man: Think you can handle the heat!?

Nico: I won't just handle it, I will embrace it!

Me: There you go!

We were sweating like pigs feeling the heat from those wings.

THE GOOD THE BAD AND THE UGLY THEME PLAYS

It was gonna be brutal. BIG TIME.

Old Man: GO!

They got to eating and Nico was eating the wings and Nico and the old man were REALLY GOING AT THEM! The bones were REALLY PILING UP!

Helga Sinclair: Guys, let's keep an eye out in case trouble starts.

William: Good idea.

We were watching the men like a hawk to make sure they don't try anything.

Nico was really eating and the Old Man was falling behind. The men were shocked to see Nico eating all the wings. Then 3 hours later it was down to the last wing and Nico had a fire aura that was as hot as the sun and the man looked like he was about to have a heart attack. Nico grabbed the wing and then ate it and then Belched out a massive jet of fire and the man then went to grab the wing but then he fell down and crashed to the floor and he lost!

Me: NICO WINS!

We cheered wildly for Nico!

Silver Samurai: J.D., you do remember when you saw visions of future adventures in Kandrakar, right?

Me: Yeah I sure do. Why?

Silver Samurai: Just asking.

Nico: Now that was fun!

The Old Man got up and he was INFURIATED!

Old Man: How did you do that!?

Nico: Just that tough.

Old Man: You ain't getting free wings for life on my watch! Lets settle this like men!

Me: Oh bring it on!

Ra"s Al Ghul: Enough. You have lost. Nico is the clear winner. Take your loss like a man.

Nico: Better listen to him old man.

Old Man: Why you little!?

He went at Nico and he punched at him and Nico dodged him.

Me: Hey you sore loser! SMELL THIS!

I farted in his face!

FFFFFFFFFFFFAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAARRRRRR

I fired a blast of fire from my butt and it hit the men and smashed them down.

Nico: Now it's time to kick some butts!

Donkey Kong: Lets go get them!

He pulled out his Coconut Shooter!

Donkey Kong: Yeah!

He fired and then coconuts and they hit the men.

BONK BONK BONK BONK BONK!

Patrick: DAHAHAHA! THOSE GUYS GOT HIT IN THE HEADS WITH COCONUTS!

Whiplash: (prepares his whips) You guys asked for it.

LASH LASH LASH!

OUCH!

Old Man: OUCH! That really hurt!

Me: Well it should for you for trying to attack us!

Then the Zingos appeared.

Zingo: You guys need to learn some manners.

Old Man: You are Zingos!

Zingo: That's right!

Me: Time for some buttkicking!

Android 21: You guys aren't even a challenge.

Old Man: WHY YOU LITTLE!

Eli fired a Force Lightning blast and electrocuted the men all over.

Nico: Nothing like lightning mixed with fire to help knocked some sense into you.

Me: Lets see how you like this heat! FIREY CARD COME FORTH AND BURN THE PANTS OFF THESE OLD COOTS!

I had the Firey Card come out and then it fired beams of fire and burned the pants off men and left them in their boxers.

Major Disaster: J.D., Silver Samurai asked that question to you because the future adventures you saw in Kandrakar are coming up after Fluttershy and Starlight's missions.

Me: Yes I'm well aware of that. This is gonna be so awesome.

Major Disaster: You sure are excited.

Me: Why wouldn't I be for it?

The Old Man came at me with a sword.

Rita (Cardcaptors): You're not playing fair!

He charged at me and Rita blocked his sword with her sword and they clashed.

Sakura Avalon: So that's how you want it done! SWORD!

She used the Sword Card and then Sakura slashed his sword and broke it in two and destroyed his sword!

Nico: ALL RIGHT!

Jake Holling: You hungry? How about a knuckle sandwich?!

POW!

He punched a man down and it hurt.

Me: Now for some Ranger power! MYSTERIOUS MIRACLE POWER!

I turned the dial on the Zenkai Cannon and summoned the Blue Goggle V, Yellow Ohranger, Green Magiranger, Pink Goseiger, and the Orange ToQger!

Nico: Nice!

Megaforce Rangers: LEGENDARY RANGER MODE! DRAGON

BLITZKRIEG!

The Megaforce Rangers turned into the Changeman Rangers!

Nuova Shenron: Hey, Muscle Man. You know who else likes eating wings?!

Muscle Man: MY MOM!

We laughed at his joke!

Nico: (LAUGHS) That was funny you two!

Hunter: (German Accent) Ja it sure was!

Chelsea: Yeah it was!

Nikki: But J.D. you have a Zenryoku Zenkai Cannon too? Then that means you know Kaito.

Me: We haven't meant in person but he gave me his own version of the Zenkai Cannon. We're going to meet the Zenkaiger's on May 21st. It's gonna be so awesome when we meet them.

Laney: Yep it sure is.

Nico: Yep.

The men got up.

Chelsea: They sure are persistent.

Li Syaoron: No kidding.

Taskmaster: Lana, might want to do that subzero blast now!

Lana: Right! Time for you three to FREEZE!

Lana fired a wave of ice and it hit the men and froze them solid in blocks of ice!

Nico: That oughta hold them till we get the usual battles done.

Then Sportsmaster, Juggernaut, Count Vertigo, Pied Piper, Killer Croc, Red X, Whirlin, Chillyfish, Fireor and Selene appeared.

Nico: Sportsmaster, Juggernaut, Count Vertigo, Pied Piper, Killer Croc, Red X, Whirlin, Chillyfish, Fireor and Selene.

Selene: Wow you guys have done a lot of damage.

Me: Yeah sorry about that. But Nico won free wings for life and I think we found 3 more potential recruits for you guys.

Whirlin: Awesome! And those 3 must be Sakura's friends.

Nico: Yep they sure are.

Me: Nico and Max found them in a house made of pizza. And like with Hansel and Gretel they were about to be eaten by a witch.

Sportsmaster: Wow!

Me: Yeah it was crazy and awesome.

Sportsmaster: So, Nico. How does it feel to win that contest?

Nico: Honestly, pretty awesome!

Juggernaut: That's good.

Killer Croc: Damn, I would've loved to participate in that contest!

Count Vertigo: Also, did you enjoy eating that pizza house?

Pied Piper: Knowing you, you probably did.

Nico: Oh yeah I did and it was a great breakfast.

Eli: Yeah and it looked awesome from the way it looked.

Nico: It was a delicious house.

Maximum Ride: We ate the whole thing.

?: That was awesome.

A figure came out and it was GORROX from episode 19 of Ninja Steel!

---

Gorrox is sent by Madame Odius to use his human form to disguise himself as a famous TV producer. He views auditions to be on Odius' new TV show, after a young female teenager takes the stage the White Ranger preforms the scene from Romeo and Juliet and after that Victor Vincent and Monty preform the scene from a doctor movie, for which they field the task in a rather humorous way. Despite this, the TV manager was highly impressed with them and deemed Victor and Monty the winners, much to the Red, Yellow, Blue, Pink, White and Gold Rangers surprise. After taking them outside he then reveals his real form as well as revile that the two men are actually Basherbots, after sending them to Galvanax's ship the Rangers appear and after discussing the plan on what happen to Victory and Monty the Rangers morph and then Gorrox battles the Ninja Steel Rangers. He overpowers them with ease, so the Red Ranger transforms into Lion Fire Red and easily overpowers Gorrox. He was then defeated by the Lion Fire Flame Strike Final Attack. However, he survives and gets back up when Brax arrives,

The two of them are gigantified and the Rangers summon the Zords and form the Ninja Steel Megazord and the Ninja Blaze Megazord, while Brax takes on the Ninja Blaze Megazord. Gorrox takes on the Ninja Steel Megazord, and they both easily overpower the Ninja Blaze and Ninja Steel Megazords. However, Brody then summons the Lion Fire Zord and he, Sarah and Levi form the Ninja Ultrazord. They then fire the Ninja Ultrazord Blast Final Attack which finally destroys Gorrox although Brax is able to dodge it.

---

Brody: Gorrox!

Gorrox: Been a while rangers.

Nico: I remember you! You were sent by Madame Odius to be a producer for a TV Show and get auditions for Madame Odius's TV Show.

Gorrox: That's right Nico.

Nico: That was awesome though.

Gorrox: I'm surprised you Rangers went to save Victor and Monty despite how annoying they are.

Brody: Well, that's what Power Rangers do. We save people regardless of what they've done.

Gorrox: That's what I like about you Rangers. Not leaving people to die unless they absolutely deserve it.

Me: Just like with Bulk and Skull and many others over the last 29+ Years. Never gets tiring.

Laney: Yeah.

We got the usual battles underway.

It happened long after Quahog was destroyed, Catherine was asked by The FBI to arrest Lunatic Gary, who's been running rampant around the world ever since Quahog was destroyed. She agreed to do so, and of course, she had to be prepared for that lunatic, and I had a lot of weapons for this one, in case he gets violent. I got the word that he was hiding out in the forests in Gotham Royal York. As she got to the forest, she saw a small bonfire in the middle of the forest, and then, she saw her target, Lunatic Gary, and he was growling like crazy and he wanted revenge on Team Loud Phoenix Storm guys for destroying Quahog, along with Joe. But, Catherine struck first by firing at him, and it caused him to go crazy, and he ran for his life. But, she caught him by firing a net on him, and then, she tied him up in a durable straitjacket and Neutronium chains, and after she called The FBI to her location, they arrested Lunatic Gary, and hauled him off to The Saturn Insane Asylum for the rest of his life.

Chillyfish: Wow! That was awesome!

Gill Grunt: It sure was cool. But it's really funny how Lunatic Gary yells at people like that.

Fiona Hernandez: Well believe it or not, like J.D. she found the Book of Clow in her basement while looking for a history report assignment to do and then she suddenly released the Clow Cards. Marcel: That's sad. I'm sorry that happened to her. Is J.D.?

Nicole Hernandez: Actually J.D. didn't bring her back that time. The Aparoids did a while back. Nico told me what happened and it was a big shock for Sakura but she has lots of catching up to do with her mom after all this time. There's a great sports festival for school that day and we're going to see some of Sakura's skills in action then. Sakura is very athletic and gifted in sports. She got those skills from her father.

Catherine Iroh Lan Kai the Firebird Gene-Slammer, Sakura Avalon, Madison Taylor, Chelsea, Rita, Nikki, Kero and Li VS Admiral Zhao.

---

Admiral Zhao was next.

Admiral Zhao: So how did you get so strong in Firebending Catherine?

Catherine Iroh: Well I was born with amazing skills and I was considered one of the strongest Firebenders ever seen. I was enrolled at the Firebending Academy for Girls when I was three and the instructors saw that I had a Firebending Prowess unlike anything they had ever seen. My Firebending skills and techniques were so strong that they were floored about it. I was also marked as the Ultimate Firebending Prodigy because I had shown a mastery of over 50 Firebending Styles and Techniques in just a short amount of time.

Admiral Zhao: That is incredible! You have what it takes to be one of the Fire Nation Elite.

Catherine Iroh: That's true. But there was a down side. The instructors told the Fire Lord all about my skills and how strong my Firebending was and Ozai thought that I was considered a threat that was too great to him. So he had me ordered to be exiled. But thankfully Ursa heard about this and she took me and sent me to another world for my own safety and I wound up on Earth and helped people with my skills.

Admiral Zhao: That's good Ursa did. But man that was crazy. I'm sorry the Fire Lord had it out for you.

Catherine Iroh: It's all right. But living on Earth was not all that bad and it was awesome. I used my Firebending Skills to go after criminals. And my firebending enabled me to do this.

She formed fire angel wings on her back.

Admiral Zhao: Wow!

Catherine Iroh: My Firebending skills have been really amazing for me and I even made some of my own techniques and skills. I call this one Phoenix Flight.

Admiral Zhao: Incredible.

Sakura Avalon: Wow! That is so cool Catherine!

Madison Taylor: It sure is cool. You are a true master of fire.

Chelsea: Yeah we all think it's amazing.

Rita (Cardcaptors): It sure is cool.

Nikki: I agree there.

Kero: Oh me too. It's really cool. And your history with the Fire Nation is incredible as well.

Li: It sure is. Were you always against Fire Lord Ozai's rule?

Catherine Iroh: As a matter of fact yes I was. I read all about Ozai's history in the Fire Nation Library Restricted Section in secret. And I discovered why and how the war began and how Ozai has done so many terrible things. Same with Azulon and Sozin and I was completely opposed to him. Before I was exiled I was going to help the Avatar by forming a powerful Rebellion group against Ozai and overthrow him when the time was right. But fate had different plans. But thanks to the arrival of Team Loud Phoenix Storm, Ozai is now in prison forever.

Admiral Zhao: That's good. You are a really smart girl Catherine. Lets do it!

Catherine got some stances and fired a blade of fire at him and he jumped and she flew at him and fired blasts of fire and smashed him down and then Sakura and friends blasted and smashed him down!

Nicole Knudson: I knew there's no mistaking that voice from anywhere. You can come out now, Shadow Queen.

A demonic figure came out, and it was none other than The Shadow Queen, the ancient demon who tried to destroy the world over a thousand years ago.

Shadow Queen: Well, if it isn't the accursed Goddess of Video Games, Nicole Knudson, now I will have my revenge on Mario for ruining my plans to destroy the world, and then, I will destroy everything in existence!

Lincoln fired a powerful beam of light, and since The Shadow Queen is a demon, when it hit her, she screamed in excruciating pain.

TLPS Zone-Tan: I've had it up to hear with you to last an eternity.

Suddenly, TLPS Zone-Tan's blue eyes turned neon blue, and she was surrounded by a dark purple energy aura with creatures of the night, darkness, and skulls, and as she approached The Shadow Queen, she left dark purple energy, creatures of the night, darkness, and skulls with every step.

Suddenly, TLPS Zone-Tan was surrounded by a massive vortex of dark purple energy with darkness and skulls surrounding it, there were creatures of the night flying around the vortex, and in the vortex is a purple phoenix. Then, as the vortex faded, TLPS Zone-Tan emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

TLPS Zone-Tan grew to 6'5" in height, she had the body of a goddess and has purple highlights in the bangs of her long flowing dark purple hair, she has neon blue eyes and a dark purple energy aura with darkness, skulls, and creatures of the night surrounding her, she has a skull with the Dark Kanji in its cranium emblazoned on her forehead, she has on skull earrings with purple jewels for the eyes and the Dark Kanji in its craniums, and she also has a skull with dark purple gems for the eyes and the Dark Kanji in its cranium for the second pendant of her Thunderbird Necklace of Eternal Love along with the Thunderbird pendant with dark purple gems on the gold lightning bolts and dark purple crystals from her Crystal Necklace of The Buddha which merged with her Thunderbird Necklace of Eternal Love. TLPS Zone-Tan has on a long long-sleeved dark purple leather coat with darkness and creatures of the night on the coattails and right on the back is a skull with darkness surrounding it, a purple blouse and dark purple long-sleeved sweater with a purple phoenix on it, dark purple skirt with skulls on it, leather black pants with skulls on the legs, black leather ankle-high combat boots, and she has on a Black Lantern ring on her left ring finger. Suddenly, TLPS Zone-Tan felt a sharp pain on her back, and then, massive dark purple angel wings with black tips on the large dark purple feathers sprouted out of her back.

Suddenly, TLPS Zone-Tan's massive Sword of The Goths of Darkness is surrounded by a kaleidoscope of dark purple energy, darkness, skulls, and creatures of the night, and when it emerged, it was transformed into Zone-Tan's Shadow Fang Sword of Dark Justice, it's a new large sword with a 6'9" massive, wide, double-edged emerald dark blue blade with a skull etched on it, large skulls for the crossguard, large dark purple gem for the hilt, longer black handle, and four large skulls with large purple gems with for the eyes and in their mouths for the pommel. TLPS Zone-Tan has on her new large gold cuff Bracelets of the Champions of The Universe with dark purple gems on her wrists, large gold Belt of Elemental Bravery with a gold skull with dark purple gems for the eyes and a large dark purple gem in its open mouth for the belt buckle, large dark purple Spellbook of The Gods and The Universe and large dark purple Universal Spellbook of The Elemental Forces on her left hip and Eater of Sins revolver holstered on her right hip. There's a white kanji below the skull that said, "TLPS Zone-Tan, Member of The Goths of Darkness, Student of Brittney Knudson, Loving Future Wife of Lincoln Loud, Destroyer of The Shadow Queen, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Shadows, Bats, and Darkness."

TLPSゾーン-タン、闇のゴート族のメンバー、ブリットニー・ナドソンの学生、リンカーン・ラウドの愛する未来の妻、影の女王の破壊者、悪の殺し屋、狂った、殺人、冷酷、そしてサディスティックな野郎、驚くべき強力な学生強力な教師、そして影、コウモリ、闇の達人

TLPS Zone-Tan has transformed into SUPER ANGEL INFINITY DARKNESS DEMON ANGEL OF DARK JUSTICE AND DIVINE LOVE!

We were amazed by TLPS Zone-Tan's Super Angel Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes. But, when The Shadow Queen, she fell into a rage and tried to possess her and force her to kill everyone, but TLPS Zone-Tan fired a powerful blast of dark purple energy with darkness and skulls, and it hit The Shadow Queen, and destroys her power of possession.

Nico: Whoa, TLPS Zone-Tan's transformed, and The Shadow Queen's power to possess people has been destroyed.

Lincoln: Wow, TLPS Zone-Tan, you look beautiful. How do you feel?

TLPS Zone-Tan: (Divine Echoing Cosmic Voice of Demonic Darkness and Divine Love) **I feel incredible, Linky, and now, shall we put a stop to The Shadow Queen for good?**

Lincoln: (Smiles) With pleasure.

Lincoln unholstered his improved massive Sword of Universal Hope and Elemental Bravery from his wider and muscular back and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined TLPS Zone-Tan.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **This will be the last time you dare to plague the world, Shadow Queen.**

TLPS Zone-Tan and Lincoln went at The Shadow Queen, and they fired powerful blasts of rainbow energy, dark purple energy, darkness, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Gravity, Magic, Blood, Thunderbirds, Phoenixes, Angels, Skulls, and Buffalo at The Shadow Queen, and they exploded with incredible power as they hit her. Then, TLPS Zone-Tan and Lincoln attacked her with their massive swords, and they left some very nasty scars on him, and they weren't healing. Then, Lincoln fired a beam of red energy, and as it hits The Shadow Queen, he sucked out and absorbed all of The Shadow Queen's powers and abilities, and he gained a massive power boost and made all of The Dark Emperor's powers and abilities his own.

TLPS Zone-Tan: **Let's make her suffer the true powers of darkness, Linky.**

Lincoln: **Let's do this, TLPS Zone-Tan.**

TLPS Zone-Tan and Lincoln: **DEAD HANDS LIFE DRAIN!**

TLPS Zone-Tan and Lincoln summoned hands of darkness, and as they grabbed the Shadow Queen, they began draining and sucking the life out of The Shadow Queen, and Lincoln and TLPS Zone-Tan absorbed her life energy, as they gained a massive power and energy boost, and The Shadow Queen was getting weaker by the second, as TLPS Zone-Tan and Lincoln continued to suck out and drain The Shadow Queen of her life energy. Then, as soon as they were done, The Shadow Queen was reduced to a lifeless husk, and as her spirit appeared, TLPS Zone-Tan and Lincoln Super Hakaied The Shadow Queen, and she was then banished to Oblivion forever, and we also assimilated The Shadow Queen's powers and abilities. We cheered wildly for what TLPS Zone-Tan and Lincoln did as they holster their massive swords on their backs and power down, and TLPS Zone-Tan's new body, clothes, weapons, jewelry, and angel wings are permanent.

TLPS Zone-Tan: That'll teach that monster. Thanks for helping me in taking care of The Shadow Queen, Linky.

Lincoln: (Smiles Warmly) You're welcome, TLPS Zone-Tan.

Suddenly, TLPS Zone-Tan wraps her arms around Lincoln's waist, and Lincoln wrapped his abnormally massive and powerful muscular arms around TLPS Zone-Tan's waist, and then, he brought her into an embrace, which took her by surprise and it brought an atomic red blush to her face. Then, as Lincoln leaned down to TLPS Zone-Tan's face, they kissed passionately as TLPS Zone-Tan wrapped her left arm around Lincoln's wider and muscular back, and placed her left hand on Lincoln's massive and wide right pec, and right behind them is a Thunderbird, Phoenix, Angel, and creatures of the night flying in the air, and we also saw a herd of Buffalo running across the field, and the display of the elemental forces behind them, and we cheered for them.

Nicole Knudson: And that marks off another enemy of Mario taken down for good.

Nico: The Shadow Queen's caused so much trouble for the world of Mario for the last time, and now, she's gone for good.

Me: And we won't be dealing with her ever again.

Nico: No way. (To the viewers) Hope you all liked this awesome adventure about chicken wings and this was an awesome one. I loved the pizza house and now I have had a massive mountain of chicken wings. It was fun.

Laney: It sure was great. Man this was one of the most food-filled adventures we've had.

Nico: Yep. And the best part is we got free wings for life. So awesome. Great job everyone. Lets go get ice cream and head home.

We cheered.

We went to the ice cream shop back home and Nico got Mint Chip ice cream and we got many flavors. Later we went back home and enjoyed the rest of the day and went to sleep.

Another awesome fanfic done.

This was a great adventure! I hope you all liked this one and this chapter was a parody of the awesome Regular Show episode called "Bachelor Party! Zingo!" And that was cool how Skips was getting things ready for a great bachelor party for his cousin. And Skips was really daring taking on the Inferno Wings Challenge and it was awesome! That episode aired on July 31st, 2014 and it was so funny! Those Zingos were creepy too. I thought they were cool though. The first part was based on Hansel & Gretel but with a Rocko's Modern Life Twist to it like with the episode Yarnbenders. That was so awesome how the house of Pizza was used in this. Also that episode of Rocko's Modern Life aired on July 11th, 1996 and it was great! That was so awesome and funny. The second part was based on the Neopets game called The Darkest Faerie and that was a cool game. Never played it before myself but it was really interesting. NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, XP4Universe, Darkhai, vinjedi1995, Drako1234658, Nflemingful, Etstheclarencefan and ninjakingofhearts gave me the ideas for this and so did the guest reviewer. Nico's next rescue is gonna be in Camp Lazlo and that one is gonna be for the funny episode Creepy Crawly Camp and Nico, Irma and Slinkman are going to face Lumpus and also meet a Nudicambralia Promenadian gene-slammer named Gianna Logan and she is from Nico's fencing classes and she is quite the sword master. Lumpus won't know what hit him. The next rescue for Lincoln is gonna be in city and we're gonna be going after is Kang & Kodos, the two Rigelians that are from The Simpsons that are from the destroyed planet of Rigel VII that I blew up years ago and they are gonna be coming after us to get revenge on them for destroying their home and we're going to SEND THEM TO PRISON and also we're going to meet an Archlord Zerato Gene-Slammer named Sylphia Van Houten (No Relation to Milhouse Vanhouten or his family) is from the Netherlands and she is the Gene-Slammer of Archlord Zerato and she is an angel from heaven with a heart of gold and is one of the most golden-hearted out of all of Lincoln's Guardian Angels. She has this amazing power to look into someones soul and pull them out of the darkness and get them to become better people. But she is gonna reveal that she helped save a girl that had a really nasty and arrogant attitude and she is gonna reveal a dark secret about her that she saved her from and it will be because of her family. The next chapter is gonna be about a rematch with the deadliest fighter of Regular Show, Chong and we're going to kick that guys butt six ways to Sunday! We're going to make sure he beaten to a pulp for hurting Mordecai and Rigby.

See you all tomorrow!

# A MURDEROUS FIGHTERS REVENGE

Walking through the forests of Wisconsin was Nico, Irma and Slinkman and they were heading to Camp Kidney.

Nico: Thanks for coming with me, Irma and you too Slinkman.

Irma: No problem Nico. This is gonna be awesome.

Slinkman: It'll be great to see how Camp Kidney is doing.

Nico: I hope we face Lumpus again. That would be awesome and we can kick his big fat moosey butt all the way to prison.

Irma: That would be funny.

Nico: You know, Irma. Sheila's the best partner your dad ever had.

Irma: She sure is and it's amazing that she and Eric are going to get married on the day we go meet Lupin III and his gang.

Nico: It sure is and that is really fast approaching.

Slinkman: I'm looking forward to that one Nico.

Nico: Me too and I hope we kick butt in that one.

Irma: I have a feeling we will.

Nico: It's fitting that we met Sheila on the same month we met you and your friends.

Irma: That is really coincidental and cool.

Slinkman: Boy it sure is. And there are many more adventures to come later on.

Nico: Yep and J.D. is really looking forward to kicking butt in the March 14th adventure soon. He is going to make sure the 2012 Shredder pays the ultimate price big time.

Slinkman: I hope he does.

They arrived at Camp Kidney.

Nico: Well everything looks normal.

Irma: Looks can be deceiving.

Nico: Yeah.

They went into the camp and saw everything all right.

Nico: So far so good.

But then Nico stepped on something and then his foot got stuck. He saw that he was on a slime trail!

Nico: What the!? YUCK!

Irma looked at the slime and it was really sticky.

Nico: This is really sticky slime.

Slinkman: That is not my slime. And I may be a slug but never leave this much slime.

Irma: Let me wash that off.

She fired a blast of water and got it off Nico.

Nico: Thanks Irma.

But then…

?: I WANT MY CAMP!

Nico: No mistaking that voice!

POW!

Nico swung and punched someone behind him and it was LUMPUS!

Irma: (WATER SWIRLS) WATER!

She went guardian!

Irma: Hey, moose boy! Someone's leaving slime and it's not Slinkman. Know something about it?

Lumpus: I DON'T CARE! I WANT MY CAMP BACK!

Nico: It was NEVER your camp at all you bighorned vomitass!

Lumpus: WHAT DID YOU CALL ME!?

He went at Nico and then Nico kicked him in the face and Lumpus was knocked down.

Suddenly a blast of sticky slime hit Lumpus and stuck him to the wall of a cabin.

Nico: Nice shot Slinkman.

Slinkman: Uh that wasn't me Nico.

?: It was from me.

They saw a Nudicambralia Promenadian!

Nico: Whoa! A Nudicambralia Promenadian.

Then it changed and reverted back to human and it was a girl with periwinkle hair and purple, yellow and blue clothes.

Nico: I knew it was you Gianna Logan.

Gianna: Awesome to see you again Nico. Looks like my slime powers came in handy for this one.

Slinkman: Thank you for saving us Gianna.

Gianna: Anytime Slinkman. Also I'm one of Nico's friends from Fencing Classes. I'm quite the sword master.

Irma: What's your favourite memory of Nico?

Gianna: I've got a lot of them. But my favorite is when a girl was bullying one of our classmates and I used my sword and slashed her clothes off and left her in her underwear and she ran away crying.

They laughed.

Nico: That was funny! She was so humiliated that she wouldn't come to school for 3 weeks.

Gianna: Yep. We called that the Slashing Underwear Fiasco.

They laughed some more.

Slinkman: That was funny!

Nico: It sure was.

Nico and Gianna hugged.

Nico: I really missed you.

Gianna: Me too Nico. Me too.

Lumpus: BLECH! You two get a room!

Gianna: Oh shut your antlered porktrap!

Gianna then slashed him all over and cut his clothes into ribbons and he was buttnaked and hairless and then they sent him back to the nuthouse.

Nico: Still got the awesome sword.

Gianna: Yep.

They went back home and told us everything and it was funny.

Nico: Yikes, but you did the right thing in destroying their home planet, J.D., because from what we'd seen throughout The Simpsons and The Treehouse of Horror specials, they've tried to take over the Earth. But, The Simpsons have always thwarted their plans at every turn.

Lincoln: But, we're going to have them sent straight to prison for good. And thanks for joining us, Musa.

Musa: You're welcome, Lincoln. I can't wait to pulverize those two for everything they've done.

Lincoln: And we also got word that the Archlord Zerato Gene-Slammer's here in the city, as well. This is going to be good.

?: HELP!

Suddenly, Lincoln heard the sound of nine girls calling for help. With his deep sapphire blue cyborg eyes and superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the nine girls, but they've been cornered by Kang and Kodos, and they're going to kill them.

Lincoln: Guys, I found the nine girls, but they've been cornered by Kang and Kodos, and they're going to kill them.

?: (Dutch Accent) Those rotten, one-eyed freaks, let's get them.

Suddenly, we saw the Archlord Zerato appear before us, and was flying in the skies.

Lincoln: That Dutch accent, I knew it was you, Sylphia Van Houten. (To us) And before you guys ask, no, she has no relation to Millhouse Vanhouten or his family. But, we'll have to talk later, right now, we've got two aliens to put in prison.

We rushed on over, and Lincoln fired a powerful barrage of rainbow energy balls and elemental forces, which hit Kang and Kodos, and it allowed the nine girls to get away from Kang and Kodos. When Kang and Kodos saw us, they were mad, and they were even more mad when they saw me.

Me: Been a while, hasn't it, Kang and Kodos?

Kang: You will pay for destroying our planet, J.D. Knudson, you freak!

Kodos: Along with all of Team Loud Phoenix Storm for ruining our plans to take over the planet!

Lincoln: Don't even think about it, you freaks! You're going straight to prison, where you'll stay there until the day you die.

Then, we brutally pulverized them, and once they were on their last tentacles, Lincoln fired rainbow energy blasts at Kang and Kodos, which formed into rainbow energy straitjackets, and tied up Kang and Kodos. Then, Lincoln beamed them into The Sun Prison for Tyrants, where they'll stay there until the day they die. We cheered wildly as we holster our weapons and power down.

Lincoln: Good riddance to the last of the Rigelian race. (To Sylphia Van Houten) And it's so good to see you again, Sylphia.

Sylphia Van Houten: (Dutch Accent) You too, Lincoln, it's been a long time.

They went up to each other and they hugged, and Sylphia Van Houten was very surprised at just how much taller and much more muscular Lincoln's gotten since she last saw him.

Lincoln: It sure has been a long time, and as you can see, I have grown a lot since then.

Sylphia Van Houten: (Dutch Accent) Whoa, you sure have, you've really grown a lot from the eleven-year-old cute little boy into a 17-year-old 7'0" tall and very handsome and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, that's so awesome.

Nico: Wow, Lincoln, you know her?

Lincoln: Yeah, I do, Nico. This is Sylphia Van Houten, she's from The Netherlands, and she's the most golden-hearted out of all my Guardian Angels. She has this amazing power to look into someone's soul and pull them out of the darkness and get them to become better people, and you're going to like this: she's an actual angel from Heaven.

We gasped in awe from the revelation about her.

Me: No way, an actual angel from Heaven, that's so awesome!

Nico: Big time, J.D. That's so awesome.

Sylphia Van Houten: (Dutch Accent) And I've got a story to tell all of you, it's how I helped save a girl who had a really nasty and arrogant attitude, and I also found out the girl had a dark secret about her that I saved her from, and it's because of her family. But, I'll tell you all of that later.

Lincoln: Right, let's get you back to normal, Sylphia.

Sylphia Van Houten: (Dutch Accent) No need, Lincoln. I actually reigned in the power of Archlord Zerato. But, you should all cover your eyes.

Me, Nico, Eli, and the rest of the boys cover our eyes as Sylphia Van Houten reverted back to normal. Sylphia Van Houten is a beautiful 17-year-old girl with long flowing golden hair going to the upper part of her back, pink eyes, fair skin, she's 6'5" in height, she had the body of a goddess, and she has massive white angel wings, as she reigned in the power of Archlord Zerato, and she's in a green two-piece bikini.

Sylphia Van Houten: (Dutch Accent) You can look now, I'm in a two-piece bikini.

We uncovered our eyes, and when Lincoln uncovered his eyes, and as soon as he saw just how much Sylphia Van Houten's changed, he had an atomic red blush on his face, his nose is bleeding, and he had hearts in his eyes. When Sylphia saw what happened to Lincoln, she walked seductively towards Lincoln, and her chest was pushing against Lincoln's massive and wide pecs, and she wrapped her arms around her waist.

Sylphia Van Houten: (Dutch Accent) (Seductively) Like what you see, big boy?

Lincoln: (Growling Seductively) Oh yeah!

Lincoln's instincts had caused his body to react as he wrapped his abnormally massive and powerful muscular arms around Sylphia Van Houten's waist as his deep sapphire blue eyes glowed even more, and he had a confident smile on his face, and he leaned down and he kissed her on the lips with an intense and supercharged passion, and she returned it, and we saw she had an atomic red blush on her face. After that, he gave Sylphia Van Houten her new outfit, a short-sleeved green blouse, a sleeveless green dress with a blue phoenix on it, green skirt with Archlord Zerato on it, pink pants, brown high heels, and a long green sleeveless trenchcoat with feathers and angels on the coattails and on the back is Archlord Zerato, and on her back is a large Archlord Zerato-themed sword with a 6'5" massive, wide, double-edged, man-sized green blade with Archlord Zerato etched on it, Archlord Zerato's wings for the crossguard, large green gem for the hilt, longer black handle, and a large green gem surrounded by angel wings for the pommel.

Sylphia Van Houten: (Dutch Accent) Wow, I love the new outfit and sword you made for me, Lincoln.

Suddenly, a Thunderbird Necklace of Eternal Love appeared on Sylphia Van Houten's neck with green gems on the gold lightning bolts and green crystals links from her new Crystal Necklace of the Buddha, which merged with her Thunderbird Necklace of Eternal Love.

Sylphia Van Houten: (Dutch Accent)(Surprised) Whoa, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love, which means you're now part of my harem and my many future wives, Sylphia.

Sylphia Van Houten had a smile on her face and tears coming from her eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around her waist and he leaned down and he kissed her on the lips, and she returned it, and we cheered for them. Then, we went up to the nine girls here, and when Lincoln saw them, they immediately recognized them. The nine girls are Jennifer Simpson, Alyssa Hamilton, and Alyssa Hale from Clock Tower, Fiona Belli from Haunting Ground, Monica Flores and Rooney Simpson from Nightcry, Fuji Seiko, Kawai Mai, and Makitaka Miwa from Police In A Pod.

Lincoln: Oh wow, it's Jennifer Simpson, Alyssa Hamilton, Alyssa Hale, Fiona Belli, Monica Flores, Rooney Simpson, Fuji Seiko, Kawai Mai, and Makitaka Miwa.

Nicole Knudson: From Clock Tower, Haunting Ground, Nightcry, and Police in a Pod, awesome.

Lincoln: Are you girls okay?

Jennifer Simpson: Yes, we're okay, thanks to you.

Then, when Jennifer Simpson and the other eight girls saw who it was that saved them from Kang and Kodos, their faces turned atomic red upon seeing the 17-year-old 7'0" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide right pec and it was surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie

Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top was the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, and Buffalo, and below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and a Mark of Manhood tattoo of a bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

He had his massive Sword of Universal Hope and Elemental Bravery holstered on his wider and muscular back, his orange Crystal Saber holstered on his left hip and his Eater of Sins revolver holstered on his right hip, the Pisces the Fish constellation and Aquarius Zodiac sign on the back of his neck and the Cygnus the Swan constellation on the back of his massive left hand, large weighted orange bands on his massive biceps and thighs with silver phoenixes on them, his large gold Cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, massive and indestructible deep sapphire blue angel wings and the stars and blue nebulae reflecting on them with rainbow tips on the large deep sapphire blue feathers, and he was dressed in an orange version of He Man 2002's loincloth with hanging silver lightning bolts and long orange trenchcoat coattails with elemental forces, Thunderbirds, Phoenixes, and Buffalo on them and with hanging mini silver lightning bolts held up by his large gold Belt of Elemental Bravery with a large gold buffalo head with orange gems for eyes and a large orange gem in its mouth for the belt buckle on his waist, a pair of large blue pants with multicolored lightning bolts on the thighs with the orange kanjis "Savior of The Loud House, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of The Thunderbird, and The Unifier of The Three Kingdoms" on the left legs, and large white leather combat boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and armor on the toe area, silver Buffalo head stud earrings with the Thunderbird and Eternity Kanji on it, large Thunderbird Necklace of Eternal Love with colored gems on the gold lightning bolts and orange crystals from his merged large Crystal Necklace of The Buddha with a large deep sapphire blue gem in the shape of a Thunderbird on top of a silver Buffalo head with the Thunderbird and Eternity Kanji on his neck and across his bare chest, large fingerless orange gloves with the symbol of The Loud House on it and surrounded in a diamond formation are a Phoenix, Thunderbird, Buffalo, and Angel, a large Orange Buffalo Animal Spirit Ring on his left ring finger, large Blue Lantern ring on his right ring finger, he had eight large orange orbs orbiting around his legs, and circling around his feet on the floor are eight golden crosses with angelic runes.

Jennifer Simpson: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made eight clones of himself, and he and the eight clones went up to the girls, and hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrap their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Jennifer Simpson: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, nine Thunderbird Necklaces of Eternal Love appeared on the necks of Jennifer Simpson, Alyssa Hamilton, Alyssa Hale, Fiona

Belli, Monica Flores, Rooney Simpson, Fuji Seiko, Kawai Mai, and Makitaka Miwa with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha. We return to the Estate, and we told everyone what'd happened, and they were shocked when they found out the villains we went after were Kang and Kodos, who wanted revenge on me for destroying their home, Rigel VII.

But, when Lincoln showed what we did to Kang and Kodos, they cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Sylphia Van Houten now have a lot of catching up to do, now that she's back, and Kang and Kodos will never return to plague anyone ever again.

---

After throwing Kang and Kodos in prison, we were training intensely in the gym, this time, doing 150,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Sylphia Van Houten saw Lincoln working out like crazy, she had an atomic red blush on her face.

Sylphia Van Houten: (Dutch Accent) Whoa, Lincoln's really grown to be a 17-year-old 7'0" tall, really big, and really strong man, just look at those abnormally massive and powerful muscles hard at work, and to work out with those 9,500-lb barbells and not even get tired, incredible.

Lincoln: And I've also trained a lot under some very powerful teachers, J.D. and Nico included, Sylphia, and now, I can also fight and defend myself.

Sylphia Van Houten: (Dutch Accent) That's incredible.

Nico: It sure is, Sylphia. So, how did you save that girl from that dark secret that she had in her, and you said it's because of her family?

Sylphia Van Houten: (Dutch Accent) You won't like this, Nico. Back in High School, there was a really nasty popular girl who had a really nasty and arrogant attitude, and she was extremely rude to both the students and teachers, and she had a really nasty detention record. I found out from the girl that she had a dark secret: she told me that her father had raped her when she was only twelve, and her mother did nothing to help her, in fact, she also joined in with her husband, they tortured and raped her, and they laughed cruelly at her pain and suffering. Because of it, she became this rude and very nasty girl who enjoys the pain and suffering of others for her own amusement. I used my power and removed the darkness in her heart, purifying her, and she broke down and cried, but I comforted her. Then, after that, I called the police, and her parents were arrested for child abuse. I soon found out from the officers that they've also had previous arrests for multiple murders across five states in the US. Their daughter testified against them, and as a result, their parents were sentenced to life in prison without possibility of parole, and the girl was sent to live with her grandparents, who cared for her, and she started doing better in school, and she graduated high school with honors. Her parents swore they'd kill me and their daughter if they ever break out of prison, but two months later, they were beaten to death by inmates, and were buried in unmarked graves.

We gasped in shock at the revelation.

Me: Whoa, that's one nasty revelation.

Nico: It sure is, J.D. But, Sylphia prevailed, and she turned a girl with a really nasty and arrogant attitude into a new girl with a new life. But, I can't believe her parents can be so evil and abusive, and they enjoyed raping and torturing their own daughter, that's just disgusting!

Lincoln: But, in the end, her former parents paid the price when their daughter testified against them in court, and they got Life in Prison without parole, but they swore they'd kill their former daughter and Sylphia for ruining their so-called fun. But, fate would meet out justice, and the so-called parents were beaten to death by inmates two months later, and were buried in unmarked graves.

Sylphia Van Houten: (Dutch Accent) And after that, I sent their souls to be judged by St. Peter, and when they were found guilty, they were sent to Hell for eternal torture for their crimes.

We then got a shower afterward, but then, the alarm sounded, and Lincoln checked it out, and he'd found out that Chara Soon is here and she's causing havoc.

Elpeo Ple: Oh crap, Chara Soon is here, and that unstable observer of Haman Karn is causing havoc.

Lincoln: From what you told me, she has an incredibly unstable personality, and her mood swings can spiral out of control. She needs to be stopped here and now, come on, let's go.

We then flew out, and Lincoln fired a powerful rainbow energy blast, which hits Chara Soon on the back. When she saw us here, she was enraged.

Chara Soon: So, the killers of Haman Karn, along with the traitor are here?! Now, I will have my revenge on all of you for what you did to Haman Karn!

Lincoln: Don't even try it, you unstable lunatic! Your days of causing havoc are all over!

Reika Kirishima: And I've had it up to hear with you to last an eternity.

Suddenly, Reika Kirishima's brown eyes turned neon brown, and she was surrounded by a red energy aura with clocks and hummingbirds, and as she approached Chara Soon, she left red energy, clocks, and hummingbirds with every step. Suddenly, Reika Kirishima was surrounded by a massive vortex of red energy with clocks surrounding it, there was a hummingbird flying around the vortex, and in the vortex is a green phoenix. Then, as the vortex faded, Reika Kirishima emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Reika Kirishima grew to 6'5" in height, she had the body of a goddess and has red highlights in the bangs of her long flowing green hair going down to the middle of her back, she has neon brown eyes and a red energy aura with clocks and phoenixes surrounding her, she has a hummingbird with a clock and the Time Kanji in its claws emblazoned on her forehead, she has on hummingbird earrings with red jewels for the eyes and the Time Kanji in its claws, and she also has a hummingbird with red gems for the eyes and the Time Kanji in its claws for the second pendant of her Thunderbird Necklace of Eternal Love with red gems on the gold lightning bolts and red crystals from her Crystal Necklace of The Buddha which merged with her Thunderbird Necklace of Eternal Love. Reika Kirishima has on a long red sleeveless trenchcoat with clocks and hummingbirds on the coattails and right on the back is an hummingbird with clocks surrounding it, a red blouse and sleeveless white shirt with a green phoenix on it, white skirt with clocks on it, red pants with flames on the legs, black leather ankle-high combat boots, and she has on a Star Sapphire ring on her left ring finger. Suddenly, Reika Kirishima felt a sharp pain on her back, and then, massive green angel wings with red tips on the large green feathers sprouted out from her back.

Reika Kirishima had a new large sword in her hand called Aion's Time Sword of Fated Justice, it's a new large sword with a 6'9" massive, wide, double-edged silver blade with the Hellenistic deity, Aion, etched on it, large hummingbird heads with pink gems for eyes for the crossguard, large clock for the hilt, longer black handle, and four large hummingbird heads with red gems for the eyes and large red gems in its mouths for the pommel. Reika Kirishima has on her new large gold cuff Bracelets of the Champions of The Universe with red gems on her wrists, gold Belt of Elemental Bravery with a gold phoenix head with pink gems for the eyes and large red gem in its open mouth for the belt buckle, large red Spellbook of The Gods and The Universe and large red Universal Spellbook of The Elemental Forces on her left hip and Eater of Sins revolver holstered on her right hip. There's a green kanji below the hummingbird that said, "Reika Kirishima, Police Officer of The Distant Future, Dear Friend of Fumiko Odette Van Stein, Loving Future Wife of Lincoln Loud, Destroyer of Luda and His Delusional Ambitions, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, Emissary of Aion, and Master of Time, Fate, and Hummingbirds."

霧島れいか、遠い未来の警察官、フミコ・オデット・ヴァン・スタインの親愛なる友人、リンカーン・ラウドの愛する未来の妻、ルダと彼の妄想的な野心の破壊者、悪の殺し屋、混乱した、殺人的、冷酷な、そしてサディスティックな野郎、驚くべきそして強力驚くべき強力な教師の学生、アイオンの使者、そして時間、運命、そしてハチドリのマスター

Reika Kirishima has transformed into SUPER ANGEL INFINITY CHRONO FIRESTORM HUMMINGBIRD ANGEL OF FATED JUSTICE AND DIVINE LOVE!

We were amazed by Reika Kirishima's Super Angel Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes. But, when Chara Soon saw it, she fell into an unstable rage and tried to kill her, but Reika Kirishima fired a powerful red energy blast with clocks and hummingbirds, and it hit Chara Soon, sending her flying into a wall.

Lincoln: Wow, Reika, you look beautiful. How do you feel?

Reika Kirishima: (Divine Echoing Cosmic Voice of The Chrono Hummingbird and Divine Love) **I feel incredible, Linky. Now, shall we put an end to this unstable monster?**

Lincoln: (Smiles) With pleasure.

Lincoln unholstered his improved massive Sword of Universal Hope and Elemental Bravery from his wider and muscular back and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Reika Kirishima.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Let's put an end to that monster.**

Reika Kirishima and Lincoln went after Chara Soon, and they fired powerful blasts of rainbow energy, red energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Gravity, Magic, Blood, Thunderbirds, Phoenixes, Angels, Hearts, and Buffalo at Mashymre Cello, and they exploded with incredible power as they hit him. Then, they attacked him with their massive swords, and Chara Soon was bleeding badly from the unhealing wounds from the swords of Reika Kirishima and Lincoln. Then, Reika Kirishima tied Chara Soon up with red energy threads.

Reika Kirishima: **Okay, Linky, you know what to do?**

Lincoln: **You got it, Reika.**

Lincoln spreads his massive deep sapphire blue angel wings, and red energy was already forming in them. This filled Chara Soon with dread, as she sees that her death was fast approaching, and her desire for revenge is about to be cut with a knife for good.

Lincoln: **DEATH WING LIFE DRAIN!**

Lincoln fired massive red beams of energy from his spread-out massive deep sapphire blue angel wings, and as the blasts hit Chara Soon, Lincoln began sucking out and absorbing Chara Soon's life energy, and Lincoln's rainbow energy aura with elemental forces, angels, phoenixes, buffalo, and thunderbirds flared up extremely, as he gained a massive power and energy boost to his infinite powert, and we saw that Chara Soon was being drained of her life force. When Lincoln was done, Chara Soon was reduced to a lifeless and mummified husk, and as soon as her spirit appeared, Lincoln Super Hakaied her and Chara Soon was banished to Oblivion for good. We cheered wildly for them, as Lincoln and Reika Kirishima holstered their massive swords on their backs and power down, and Reika Kirishima's new body, clothes, weapons, jewelry, and angel wings are permanent.

Reika Kirishima and Lincoln: In the immortal words of Nico, Chara Soon, you have failed this universe!

Nico: Yeah, that's telling her, guys.

Reika Kirishima: Thanks for helping me deal with Chara Soon, Linky.

Lincoln: (Smiles Warmly) You're welcome, Reika.

Suddenly, Reika Kirishima wraps her arms around Lincoln's waist, and Lincoln wrapped his abnormally massive and powerful muscular arms around Reika Kirishima's waist, and he then brought her into an embrace, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Reika Kirisihima's face, they kissed passionately as Reika Kirishima wraps their left arm around Lincoln's wider and muscular back, and placed her left hand on Lincoln's massive and wide right pec, and right behind them was a Thunderbird, Phoenix, Hummingbird, and Angel flying in the air, and we also saw a herd of Buffalo running across the field and the display of the elemental forces behind them, and we cheered for them.

Me: Alright, way to go, guys.

Nico: That's another of Haman Karn's goons put down for good, and I like that attack you used on her, Lincoln, is that a new technique you created?

Lincoln: You guessed it, Nico. It's called Death Wing Life Drain, it's a variant of Oblivion Wing, but I also combined the life draining abilities of The Shadow Queen and many other villains who have the ability to drain the life out of someone, and this attack when it hits the target, will suck out their life force, and the one who used this attack will absorb the target's life force, and they'll get an immense power and energy boost.

Me: Whoa.

Nico: You said it, J.D., and that's just against only one target, imagine using it on an army of soldiers and minions.

Lincoln: That would be even more brutal.

We returned home, and we got rid of another ally of Haman Karn, but there's still bound to be more of them out there, but we'll be ready for them.

---

Later it was time for Starlight Glimmer's 3rd Ambassador Mission and it was gonna be a challenge too.

Nico: This is number 3 of Starlight's missions.

Me: Yep. It's gonna be a challenge.

Starlight Glimmer: But it is always fun to be in the world of the Live Action Transformers.

Nico: It sure is. Sam you want to come with us too?

Sam Witwicky: It'll be great to see Bumblebee and Optimus again. Sure.

Nico: Cool.

Then Dr. Starline appeared.

Dr. Starline: Can I come with you this time, Starlight?

Starlight Glimmer: You sure can Dr. Starline.

Me: Even though you aren't one of the 310 you still are a great archenemy for the usual battles. One of these days we should do 310 usual battles with the new recruits.

Nico: That's not a bad idea.

Eli: Yeah I think so too.

Nico: Yep. Lets get rolling.

I opened the portal and we were off to the Live Action Transformer Universe.

We arrived at the base.

Nico: Here we are.

Live Action Bumblebee: Hey guys!

Nico: Hey Bumblebee.

Sam Witwicky: Bumblebee! Optimus!

Live Action Optimus: Sam!

Live Action Bumblebee: Sam you're all right!

They fistbumped.

Live Action Bumblebee: I was devastated when you were killed.

Live Action Optimus: But at least you're back and in the protection of Team Loud Phoenix Storm.

Nico: Thank goodness he is. But when we come here on April 28th he is gonna have a score to settle with your worlds versions of Megatron and Starscream here.

Starlight Glimmer: Guys, this is my archenemy.

Dr. Starline: Awesome to meet you all. I'm Dr. Starline.

Live Action Optimus: It's a pleasure to meet you.

Sam: Bee, what's this about you acting drunk?

Live Action Bumblebee: In my defence, I was depressed about all the losses I suffered including you.

Sam: Bee, I never wanted you to act like a hobo because I died.

Nico: Yeah there is no fun in that. Take it from me. I know that feeling.

Me: We went through a horrible event last year called the 20 Days of Darkness.

Live Action Bumblebee: What is that?

Me: 20 of the most depressing and despair filled days we've ever had. From January 23rd to February 11th, 2021 we went through hell. All because of 20 of our dangerous adversaries coming back to kill us.

I told them everything about it and it was terrible.

Live Action Optimus: My goodness.

Live Action Bumblebee: That is horrible! And all because of an enemy that Nico had from his past making him doing all those things against his will!?

Nico: Yeah.

Me: We were warned about it in one of our battles but one of our enemies intervened and made things worse.

Nico: Yeah. But it's over now. Thank goodness.

Morshower: I'm glad you're back with us, Sam. Because we've got two more familiar faces spotted.

Hound: Decepticons?

Morshower: Actually, they're Autobots this time.

Nico: Are they Sideswipe and Mirage?

Morshower: That's right.

Nico: Wow! This is gonna be awesome to meet them.

Me: It sure will. And I hope they are fighting a Decepticon too.

Nico: This will be awesome.

Me: Where are we gonna meet them?

Morshower: They are over in New York City.

Nico: Wow! It'll be interesting to see New York here. But if more of Attinger's forces appear they will be dead meat.

Lincoln: You got that right.

Live Action Optimus: Starlight, may I ask about the mark on your body?

Starlight Glimmer: You mean my Cutie Mark? It's part of my purpose in life. It's very special to me. It means I'm very masterful at magic.

Nico: It's true. All of Starlight's Friends all have cutie marks. And so do we.

We showed our Cutie Marks and they were amazing.

Me: We discovered that not only the ponies of Equestria can get cutie marks but also humans too.

Live Action Bumblebee: That is amazing.

Lincoln: It sure is.

Crosshairs: Now, if only Autobot symbols can be unique like Cutie Marks.

Nico: That would be interesting to see but I'm not sure it applies to Cybertronians.

Me: I don't know either. But it would be cool.

Live Action Bumblebee: Yep. By the way how did you all meet Starlight and her friends?

Me: That is an amazing and interesting experience. It was because of an event that we had almost 2 years ago called The War With The Royal Defenders.

Nico: Yeah that was epic!

Me: On August 21st, 2020 we went into battle with an alternate version of us called The Royal Defenders. They were us gone bad essentially.

I told them everything about it and it was wicked!

They gasped in shock and amazement!

Morshower: Wow! You all took down an evil version of yourselves?!

Nico: Yeah it was crazy but epic.

Me: But we later found out during another one of our major battles from my Royal Defenders counterpart that it was because of the evil

Chaos Sorcerer Sindri Myr that lead them to becoming evil in the first place. Sam have you ever played a game called Warhammer 40000?

Sam Witwicky: Yes I sure have and that game was awesome! But I had no idea it was all real there.

Me: It's strange.

Nico: Yeah.

We arrived at New York City.

Nico: Awesome to be here in NYC.

Me: Yep. Always a blast coming here.

We then saw a Red Ferrari 458 and a Corvette Stingray from 2009 pull up!

Me: Whoa! A Ferrari 458 and A Corvette Stingray from 2009. 2 more of my favorite cars.

Nico: Those are awesome.

Live Action Sideswipe: (to us) Take it easy. We're not here to harm you guys. We're Autobots!

Me: Sideswipe and Mirage.

Live Action Mirage: (Italian Accent) Awesome to meet the famous-a Team Loud Phoenix Storm.

Me: Pleasure is ours.

Starlight: Relax. We know you're not hostile.

Dino: Thank Primus. The last humans we encountered weren't exactly friendly.

Me: They must've been part of Cemetery Wind.

Eli: And I see them now!

Eli fired a blast of Force Lightning and it flew past them and electrocuted many Cemetery Wind members and knocked them down and Starlight and Dr. Starline tied them up.

Nico: You blockheads have failed this city!

Live Action Bumblebee: Nice one Eli!

Me: Eli goes with me all over and it's cool.

Sideswipe: Look, Bee. We don't want you to feel like you were responsible for our deaths.

Dino: We didn't die because of you. We chose to sacrifice ourselves to help you and the others escape from Savoy and his goons. And you know what? We'd do it again.

Nico: You two are true heroes.

Live Action Optimus: That's right and that makes you great teammates.

Eli: That's right. Also these guys will make great fresh meat in our prisons.

Lincoln: They will be perfect cellmates for Attinger.

Cemetery Wind Man: But Attinger is dead!

Me: No he's not. He's in our universe even as we speak and he is going to be there for eternity. Just like you and your fellow Cemetery Wind pals will.

Nico: Yep.

We later came back.

May: Hey guys. How did it go?

Me: Eli caught more Cemetery Wind Dirtbags that were trying to kill Sideswipe and Mirage.

Eli: Yep. They are right here and they will be perfect for the Neptune

Prison.

May: Awesome! That's more of those clods that won't give us anymore grief.

Sheila: I'll take these 4 off your hands Eli. They will be perfect.

Eli: Thanks Sheila.

She took them down to the station.

May: Who should go with you next time?

Starlight Glimmer: I'm hoping to take Twilight and my friends next time.

Nico: Good idea. It'll be awesome for them to meet Twilight and friends.

Sam Witwicky: And it was awesome to see Bumblebee and Optimus again. At least they now know that I'm back and safe.

Nico: It sure was.

Lynn: That's good. Figure if we keep this up until April 28th, we'll have all of Cemetery Wind and the Transformers Reaction Force all dealt with by then.

Me: We'll have to make stops to the Live Action Transformers Universe on certain occasions like how I helped Mikey and his team.

Nico: That's a wise idea.

Laney: But we'll be ready for them when we go there.

Eli: We sure will.

I looked at my watch.

Mandarin: You think Tank's awake by now?

Nico: He should be. It's 10 days till Spring.

Then we heard a small chopper noise and flying up to us was Tank!

Rainbow Dash: Tank! Hey buddy!

She and Tank Hugged and so did Lynn.

Me: See Lynn we told you he would be back.

Wildwing Flashblade: How was your hibernation?

He nodded for yes.

Fluttershy: He said it was a good hibernation.

Me: That's good. We're glad.

Nico: Awesome.

BARK

Then we saw a dog with purple curly fur clawing on my leg.

Me: Oh aren't you cute.

I picked her up.

Me: Oh are you lost? Fluttershy?

Fluttershy: Oh that is Supernova Zap's dog.

Me: Oh she will be happy to have you back.

I went over to her room and knocked on the door.

Supernova Zap: Come in.

I went in.

Me: Sorry to bother you S.Z. But I believe you have a special visitor.

I gave her the dog and she squealed.

She hugged her.

Supernova Zap: Oh Princess Thunder Guts! Oh I missed you.

Cybertron Scourge: I didn't know you had a dog.

Supernova Zap: Oh I forgot to show her to you all.

Rarity: We found her at the concert festival where we first met her.

Me: I think Sunset Shimmer told me all about that. That is amazing.

Laney: But that would be so awesome to see all the great bands and food trucks.

Nico: It sure would. But Princess Thunder Guts is cute.

Lana: She sure is.

Swoop: Me Swoop glad to have dog.

Supernova Zap: Thank you Swoop.

Nico: It sure is great you have your dog friend back.

The phone rang.

Lynn: I'll get that.

Lynn went to get the phone.

Lynn: (Answers) TLPS World Tree Estate, Lynn Loud Jr. speaking.

PHONE GARBLE.

Lynn: Oh Hey Benson.

Mokuba: I think we should train Mordecai and Rigby in boxing in case they get beaten up by someone.

Lynn: (Offscreen) WHAT!? OH MAN!

We went over.

Me: What's wrong Lynn!?

Benson: Is that J.D. Lynn?

Lynn: Yeah he's here.

Benson: Let me talk to him please.

Lynn: Sure.

She handed the phone to me.

Me: Benson what's wrong?

Benson: Mordecai and Rigby are badly hurt and they were really beaten up!

Me: WHAT! Oh man! Who did this!?

Benson: It was Chong!

Me: Chong? Wasn't he that ferocious fighter that killed your best friend 10 years ago?

Benson: Yeah that's him! You would not like this guy J.D.!

Me: One sec.

I put it on speaker.

Me: Okay go ahead.

He told us about him.

---

Chong is the name of a stick hockey champion who made his debut in Stick Hockey as the main antagonist of the episode. He badly injured Mordecai and Rigby, but lost to Benson, whom he called "Death Dragon". He also killed Benson's best friend Dave 10 years ago by snapping his head off using the hockey table's sticks, because Chong was almost losing. Mordecai and Rigby faced off against Chong in the finals of the stick hockey tournament and were beaten up by Chong as result. He is ultimately beaten by the returning Benson who replaced Mordecai and Rigby in the final minutes of the game.

---

When he was done we were shocked and horrified!

Nico: WHOA MAN! This guy is really bad news!

Eli: Chong is a monster!

Nico: We got to stop him!

Laney: Yeah!

Chillyfish, Sportsmaster, Juggernaut, Count Vertigo, Pied Piper, Killer Croc, Red X, Whirlin, Fireor and Selene then appeared.

Chillyfish: Can me, Sportsmaster, Juggernaut, Count Vertigo, Pied Piper, Killer Croc, Red X, Whirlin, Fireor and Selene go with you guys?

Nico: You sure can. But it's really serious! Mordecai and Rigby have been beaten up really bad by a big time bad fighter Benson beat before named Chong.

Killer Croc: Chong!? Oh man this is not good!

Juggernaut: I know Chong! He is a very dangerous fighter. Possibly the deadliest fighter I've ever faced in my days as a villain. He is one nasty piece of work.

Nico: We didn't know you had a history with him Cain.

Juggernaut: Chong is no pushover too. He will kill anyone that's weak.

Nico: Whoa man!

Agitos: Let's heal Mordecai and Rigby first.

Maria: Good idea.

Lana: But first Nico which Gene-Slammer are you hoping to go find next?

Nico: I'm hoping to meet a gene-slammer for one of Kickin-Hawk's kind next.

Shanan: Ooh an Akatorian Gene-Slammer next. Good idea.

Foghorn Leghorn: So it'll be, I say it'll be either me or one of the chickens or Jeri Peking that goes with you next.

Nico: Yep.

Suddenly, Lincoln's deep sapphire blue eyes glowed even more, as he then sensed five dark energy signals, and he saw a vision of who those five dark energy signals belonged to, they were none other than the five worst enemies of Buffy Summers: The Master, Dracula, Angelus, Warren Mears, and The Beast, and they've returned from the dead, and they want revenge on Buffy Summers for killing them long ago and foiling their plans to destroy or enslave humanity. When we saw that, it definitely meant trouble.

Nico: Uh oh, Lincoln, trouble?

Lincoln: Afraid so, Nico, and Buffy, you're not going to like this: those five dark energy signals I sensed belong to The Master, Dracula, Angelus, Warren Mears, and The Beast.

Buffy Summers: Oh no, not those five again! I thought I was rid of them for good.

Nico: Whoa, you know them, Buffy?

Buffy Summers: Afraid so, Nico, and I've fought against those five long ago, and my friends from Sunnydale and I had our encounters with those five on many occasions.

Me: I remembered you telling me about them, Buffy. But, you should tell us about them, so we know just what we're dealing with.

Buffy Summers: Right, and trust me, you're not going to like them one bit.

Buffy Summers proceeded to tell us about The Master, Dracula, Angelus, Warren Mears, and The Beast, and we weren't going to like them one bit.

## The Master

The Master, formerly known as Heinrich Joseph Nest, was a powerful and respected vampire, older than any other on record. He was the leader of the Order of Aurelius, a vampire cult that worshiped the Old Ones and sought to bring about their return to the world. The Master was also the sire to Darla, inadvertently leading to a long legacy of infamous vampires.

### Biography

### Siring

At some point, the Master was turned by a descendant of the demon lord Archaeus, giving him a link to the power of this ancient demon that he passed on to other vampires in his bloodline. Sources would affirm that a powerful vampire had been enslaved by the Seed of Wonder in the 12th century. This vampire turned out to be the Master.

### The Old World

By 1609, the Master had already lived past the "curse" of human features, becoming much more demonic in appearance than other vampires, to the point where he resembled the much older and more powerful Turok-Hans. At this time, the Master (posing as a priest) came to the Virginia Colony where he visited the deathbed of a prostitute suffering from syphilis. He tested her faith and discovered that she had lost all hope in having her soul saved. Alone with her, the Master revealed himself and that he had been the one that 'sang' to her from her window the previous night. She first believed he was Death, but the Master claimed he was actually her savior. Assuring her that while God had never done anything for her, he would, he sunk his fangs into her neck and made her into a vampire. Darla become one of the Master's disciples and grew into one of his favorites.

In a sewer in London, England in 1760, the Master was introduced to Angelus, Darla's progeny after they had returned from Yorkshire, England. Angelus, mocking the Master's appearance and the Order's harsh dogmas, including enforced underground dwelling, was pummeled into the ground after the Master lost his temper during their confrontation. Darla, despite the Master having made her the vampire who she was, preferred Angelus' offer of pleasure and adventure to remaining with the Master, leaving to Naples with the "stallion" after the offended and beat the Master. Despite Darla choosing to abandon the Master and the Order to pursue her love affair with Angelus, the Master allowed the two to leave and ordered his henchmen to let them pass, but estimated that the couple would last no more than a century before breaking up. Around 1880, the Master welcomed Darla back to the Order after she and Angelus had a fight. However, she soon returned to the arms of her lover.

## Imprisonment

The Master believed the Seed of Wonder called him from across the sea into Sunnydale. By 1936, he had moved to the New World with the hopes of opening the Hellmouth located in Sunnydale and bringing about the end of the world by releasing the Old Ones. While in Sunnydale, he caused a notable ruckus by murdering a large number of people. However, months later an earthquake hit town in the middle of the ritual to open the Hellmouth, swallowing half the town, including the church in which the Master was performing the ritual. As the ritual had already commenced, the Master was imprisoned within a mystical barrier.

In 1996, after spending 60 years sleeping in a pool of blood, the Master arose again and used the acolytes of his Order of Aurelius, including Darla, to help him escape his prison within the Hellmouth. This involved a ritual called the Harvest. The Harvest occurred on a single night occurring each century where the Master could draw power from one of his minions as his Vessel. Each time the Vessel fed the power was transferred back to the Master. Hoping to gather enough power for him to escape. the Master selected an acolyte named Luke as his Vessel and sent him to out to find blood. Luke and many of the Master's other followers attacked the patrons of the

Bronze nightclub, draining and killing a few of them until the current Slayer, Buffy Summers, who had just moved to Sunnydale, intervened. Buffy disrupted the ritual by killing the Vessel (and many other Aurelius vampires), thus foiling the Master's plan.

Buffy further upset the Master by killing more of his most cherished minions, such as Zachary. Angered by her meddling, the Master sent The Three to assassinate her but when Buffy and her friends defeated them, he had them killed as penance. The destruction of The Three proved to bring little solace or satisfaction. Darla offered to kill the Slayer her own way and the depressed Master agreed.

Jealous of Buffy, Darla's scheme involved making it appear that Angelus, then an ally of the Slayer and going by the name "Angel," had turned evil, making Buffy duty-bound to kill him; and in turn force Angel to defend himself and kill her. This plan backfired when Angel unhesitatingly killed Darla in order to save Buffy, thereby deepening Master's depression. Visibly distraught and grieving, the Master nearly lost the will to carry out his plans. Only words of encouragement from his right-hand vampire child, the Anointed One, brought comfort, strengthening his resolve to continue making preparations for his release. Billy Palmer, a human boy in a coma, astral projected from his hospital bed and inadvertently caused the nightmares of Sunnydale citizens' to manifest into a false reality. In a manifestation of Buffy's deepest fears, the Master was briefly released from his prison and set upon the surface. He confronted Buffy at a cemetery before pushing her into an empty coffin and burying her alive. Buffy freed herself, rising as a vampire temporarily. Awakening Billy from his coma ended the realization of nightmares coming true.

## Escape

Even though the Pergamum Codex prophesied that the Master would inevitably rise from his prison and kill the Slayer, Buffy resolved to deal with him after portents of the upcoming apocalypse encouraged the Master's minions to start taking people's lives on school grounds. The first sign that the Pergamum Codex prophesy would not work out as expected happened when the Master sent the Anointed One to bait the Slayer into entering his lair. Contrary to the codex, Buffy recognized the Anointed One instantly and asked him to fulfill his task as guide. The Master welcomed the Slayer but avoided confronting her directly. Instead, he taunted her from the shadows in order to prolong the moment. Disgusted with his theatrics and eager to get the confrontation over and done with, Buffy told the Master to reveal himself. Appearing behind her, the Master easily disarmed and rendered her helpless through hypnosis. Holding an incapacitated Buffy and just prior to killing her, the Master happily informed her that if it weren't for her attempt to kill him then he wouldn't have been able to leave. The Master bit her, but drank only a small amount of blood, before dropping her and leaving her to drown in a shallow pool, with a sarcastic compliment about her pretty gown. Despite only drinking a small amount, the Slayer's blood imbued the Master with so much power he broke through the mystical barrier that kept him prisoner for so long.

## Death

Fortunately for Buffy, Angel and her friend Xander arrived in time to revive her. Buffy confronted the Master just as he ascended to the roof of Sunnydale High School, above the library where the Hellmouth was located directly below. Though shocked at seeing her alive, the Master made another attempt at her with his hypnosis but she somehow resisted and the two began fighting, hand-to-hand. As a creature from the Hellmouth rose and attacked Buffy's friends, the Master remarked on if Buffy would still be making jibes while his hell was raining on earth. Buffy grabbed the Master by the neck and said if he was so excited about hell, he should go there. She then ultimately defeated him by throwing him through the skylight and impaling him on a large piece of wood that had formed from a broken table. Unlike most vampires, who turned completely to dust upon their death, the Master left behind a skeleton. His remains were then buried in a cemetery and consecrated with holy water in a special ritual to prevent any vampires from retrieving him.

## Legacy

Following the Master's death, the Anointed One assumed leadership of the Order. Working with Absalom, the Anointed One concocted a plan to resurrect the Master via a revivification ritual. He forced his minions to dig up the Master's bones (despite the holy water burning their hands) and kidnapped Rupert Giles, Jennifer Calendar, Willow

Rosenberg and Cordelia Chase, all of whom where in the vicinity of the Master when he died as the ritual required. Buffy returned to Sunnydale from Los Angeles around the same time as the Anointed One initiated his scheme and was suffering as result of her death at the Master's hands. Along with Angel and Xander, she intervened and killed all of the remaining minions present, before crushing the Master's bones to dust with a sledgehammer, ending his threat permanently and allowing herself to move on with her life. Weeks after the event, the Order decided that whoever would be successful in killing the Slayer would take the Master's place as leader of the Order. Spike, a member of the Master's bloodline, elected to prove himself by killing the Slayer his way on the Night of Saint Vigeous. His plan wasn't successful, however. Spike launched his attack at Sunnydale High during parent-teacher night which Buffy organized, several nights before the Night of Saint of Vigeous out of impatience, but failed due to the Slayer's efforts.

The Anointed One demanded that Spike give penance for ruining the Night of Saint Vigeous and costing the Order several minions from the attack, but Spike instead killed the Anointed One and took over the abandoned Bric & Broc factory the Order had inhabited following the Master's death. It was then that Spike announced that there would be a little less ritual and a little more fun in Sunnydale, [contrasting to the Master's traditionalist world view. In late 1998, Cordelia inadvertently made a wish to Anyanka that Buffy had never moved to Sunnydale, so the vengeance demon transported her to a reality in which the absence of the Slayer had allowed the Master from this reality to survive, rise, and dominate the town. He had his throne room moved to the Bronze and used use the town's humans not as prey, but as cattle. This Master eventually faced the hardened and solitary Buffy, killing her by snapping her neck just before Giles managed to restore the original timeline. Six years later, the First Evil taunted a then-ensouled Spike by taking the shape of the major enemies faced by the Scooby Gang. This included the Master, along with Drusilla, Richard Wilkins, Adam, Glorificus and Warren Mears.

## Restoration

When Angel became imbued with the power of Twilight, the Seed of Wonder restored the Master to return to his position as protector, inside the ruins of the same church where he used to be imprisoned. Buffy and Angel eventually rejected their roles as the creators of a new universe, but Twilight still needed to capture it so that it would become the new universe's soul, destroying the Old One. Meanwhile, the interdimensional placenturians poured from countless portals to reclaim the obsolete Earth, while its inhabitants, both demons and humans, battled to defend it on the ruins of Sunnydale. As a result of the battle, Willow overtook the power of the Seed, abandoning the Master in the Seed's chamber. When Buffy and a Twilight-possessed Angel arrived, Angel shattered the Master's head with a single punch, dusting him once again.

Then, Buffy proceeded to tell us about Dracula.

---

## Dracula

Dracula was a famous and powerful vampire. Possessing abilities uncommon to vampires, he sold his story and became a celebrity in both demon and human societies, but was considered by many to be a myth. Both an enemy and ally to the Scooby Gang, Dracula maintained a rivalry with the Slayer, Buffy Summers, and an unusual friendship with Xander.

### Biography

### Rise to fame

As a human, Dracula was known as Vlad the Impaler. He claimed to have killed more people than God's plagues combined before he was ever a vampire, and made reference to impaling people in times past, such as those who failed to show him deference, for example. He met and "hung out" with Anyanka, a vengeance demon and Patron Saint of Scorned Women when she was about 700 years old. Anyanka had cursed a man by making him incredibly obese and Dracula complimented her by saying that the man was doomed forever.

In the 19th century, Dracula's story was published in Bram Stoker's novel Dracula, which caused concern among the vampire community, who labeled him a sell-out for making their vulnerabilities public knowledge to humans. He also formed a rivalry with the vampire Spike, at least partially over a debt of eleven pounds, though Spike later claimed that Dracula "forgot all about his foes" because of his increasing fame from both the novel bearing his name and its various adaptations.

## Encounter with Buffy Summers

In 2000, Dracula went to Sunnydale, a Californian town which lay on a Hellmouth and was home to Buffy Summers. He had heard the stories about the world-famous Slayer and wanted to meet her himself. Introducing himself to the starstruck Scooby Gang, Dracula hypnotized Buffy's friend Xander into becoming his servant. He later seduced Buffy's mother into inviting him into their home, and hypnotized Buffy to let him bite her whilst in her bedroom. Xander eventually led Buffy to Dracula's mansion on the outskirts of Sunnydale, where she tried to take control and kill him, but once again fell victim to his "thrall." Dracula forced to feed of his blood, however, this caused Buffy to regain her senses and she proceeded to battle the vampire and staked him. Upon her apparent departure, Dracula tried to reform from mist, but Buffy reappeared and staked him a second time, telling him she was wise to his tricks, having "seen his movies." When he again tried to reform, she reminded him that she was still there and would just stake him again if he came back.

---

Then, Buffy proceeded to tell us about Angelus

---

## Angelus

Angelus is the original form of Angel and the main antagonist of the Buffyverse, acting as the overarching antagonist of Buffy the Vampire Slayer and the main antagonist of Angel. He was an Irish vampire and known to be one of the most sadistic and brutal creatures to exist. However, after having a Romanian curse placed on him, he was turned into Angel as retribution for over a century of tyranny as a soulless vampire, whenever Angel experiences true happiness, he loses his soul, thus reverting back to his original form. He is the archenemy of Buffy Summers. As with his good counterpart, he was portrayed by David Boreanaz, who also portrayed Luc Crash in The Crow: Wicked Prayer and Jeremy Melton in Valentine.

## Roles

Angelus is first mentioned in Season 1 of Buffy the Vampire Slayer before debuting as the main antagonist of Season 2 and is a flashback antagonist throughout the rest of the series. He returns in Angel as a minor antagonist in Season 1, the overarching antagonist of both Season 2 and Season 3 and one of the two main antagonists (alongside Jasmine) in Season 4.

## Biography

### Early life

Before becoming the vicious vampire Angelus, he was a human by the name of Liam, born in Galway, Ireland in 1727. His father was a linen and silk merchant of some wealth. One day, at the age of 26, after a night of his usual drunken debauchery, Liam got into a fight with his father, who declared that he was wasting his life and slapped him. Liam responded that he was what his father had made him, and left their household in a rage, his father doing little to stop him, despite his obvious grief at his son's harsh words. After a tavern brawl, he was kicked out, and followed the woman - the vampire, Darla - into an alleyway. She promised to fulfil his dreams, and show him a whole new world, and sired him, turning him into a vampire.

Liam and Darla went about killing people in his home town, until finally, Liam decided to move on, but not before killing his entire family. He took the name "Angelus", seemingly inspired by the fact that his little sister believed him to have returned to her as an angel, shortly before he killed her.

Angelus and Darla traveled the world for decades, wreaking havoc wherever they went, and creating a reputation as the most vicious and dangerous vampires in the world. Angelus had a gift for torture, both mental and physical, and enjoyed nothing more than using his dark talents to create works of "art", in the form of brutal murders and tortures.

21 years later in May 1764, Angelus and Darla killed the wife and son of Daniel Holtz, and turned his young daughter into a vampire, forcing him to kill her. Holtz then devoted himself to capturing them, and chased them across Europe. He managed to kill almost 400 other vampires in the process.

96 years later in 1860, a young woman by the name of Drusilla caught Angelus' eye. Pure, chaste and virgin, she possessed the "sight", an ability to see the future. Angelus became obsessed with her, and began torturing her by killing her loved ones in an attempt to drive her insane. She fled to a convent, and on the day she was to take her vows and become a nun, Angelus massacred the coven, killing everyone but her. He proceeded to have sex with Darla on top of her, which finally shattered what remained of Drusilla's sanity, driving her completely and utterly insane. Angelus then sired her, turning her into a vampire, so that his "masterpiece" would live on for eternity.

The two were now three, and would be for another twenty years, until in 1880, Drusilla desired a companion of her own. She took the mild-mannered and lovesick poet, William, who took the nom-de-guere "Spike" and turned him into a vampire, a new addition to their little "family". Spike and Angelus had a complicated relationship, with William both greatly admiring and resenting Angelus for his charisma and leadership, and especially resenting the fact that Angelus would regularly sleep with Drusilla.

## The Gypsy Curse

38 years later in 1898, Angelus and the Whirlwind murdered the most beloved daughter of a tribe of gypsies. In revenge, the gypsies cursed Angelus by restoring to him his human soul, making him feel guilt for all the people he had slaughtered and the atrocities he had committed in the last 170 years, a curse that could only be broken

by one moment of pure happiness. After realizing what had happened to him, Darla violently rejected him, disgusted by his new humanity. Angelus lived on his own for a while, unable to kill and feed on the innocent as he had, he turned to killing other murderers and wrong-doers, while searching for Darla.

He found her in China during the Boxer Rebellion in 1900. He tried to convince her that he could still live as they had in the past, but Darla had her doubts. She grew enraged at the fact that he protected innocents from her and would only feed on murderers, rapists and animals, and confronted him with an ultimatum; to kill and feed on a baby whose parents Darla had killed, or to leave them forever. Angelus couldn't, and saved the baby before fleeing.

## Life With a Soul

In the next 90 or so years, Angelus lived a solitary life, trying to keep to himself in order to avoid the urge to feed on humans. He moved to America and took the name "Angel". Angel maintained some limited contact with humanity, but after finding himself unable to resist feeding on a dying store clerk in the '70's, he exiled himself to a life of homelessness, living on the streets and drinking the blood of rats.

He was sought out in the 1990s by the demon Whistler, who persuaded him to fight against the evil that he had once embodied in an effort to redeem himself. He pointed Angel towards the newly-activated Slayer, Buffy Summers. Angel resolved to help her in any way possible.

He followed her to Sunnydale, and made his identity known to her. The two quickly began to develop romantic feelings for each other. During this time, he met Darla once again, who had come to Sunnydale to serve the Master, her own sire, who was magically trapped underneath Sunnydale. Darla attempted to turn Angel against the Slayer, and to bring him back to their side, but she failed, and Angel killed her.

Buffy and Angel's relationship would grow complicated once again with the arrival of Spike and Drusilla in Sunnydale. Spike was initially oblivious to Angel's condition, and sought him out. Meanwhile, Angel sought out Drusilla and told her to leave town. Spike would soon find out where Angel's true allegiances lay, and instead decided to use him in a ritual to rejuvenate the sick and weakened Drusilla. Angel was captured, and Drusilla tortured him as he had once tortured her. Spike planned to sacrifice Angel in a ritual to restore Drusilla to health, but Buffy managed to intervene, saving Angel's life and temporarily crippling Spike, but not before Drusilla was restored to full health.

Spike and Drusilla planned to unleash a demon named "the Judge", who would kill all non-demonic life on Earth. Meanwhile, Angel and Buffy finally had sex after a heated battle. This would serve as Angel's moment of pure happiness, breaking the gypsy curse and removing his soul.

## Soulless Once Again

Unleashed once again, Angelus joined Spike and Drusilla in their plot to unleash the Judge. Buffy managed to stop them however, and Angelus resolved to completely and utterly destroy her, having a personal vendetta against her for making him love her. He began to torture her and her friends by threatening their loved ones, and taking away things they loved-such as making necklace out of Willow's fish he killed. He learned of a plot by a the gypsy woman Jenny Calendar, who had been sent by the Kalderash to ensure Angelus kept his soul. She attempted to ensoul him again, but Angelus found out, and brutally murdered her.

Angelus began to form a plan to unleash Hell on Earth, but meanwhile, Spike was growing increasingly resentful of Angelus for usurping his leadership of the gang, annoyed that he would not kill the Slayer, and jealous that he had resumed his sexual relationship with Drusilla, all while Spike was still crippled by his injuries.

Angelus got all the necessary components to open a gate to Hell, but Spike and Buffy teamed up in order to stop him. Meanwhile, Buffy's friend Willow began an incantation to restore Angelus' soul. She was successful, but not before Angelus managed to open the gate. Requiring his death to close it, Buffy ran him through with a sword, and kicked him through the portal.

Angel would return from the hell dimension, his soul once again restored, and would continue to fight for good to redeem himself. However, his true nature would never be far, always whispering in his ear, and occasionally emerging on the rare occasions when Angel lost his soul.

When Angel moved to Los Angeles, he once met a woman named Rebecca Lowell, an actress who wanted to be eternally young. She snuck a drug that simulates bliss into Angel's drink, suppressing his soul and causing him to try to torture and kill her. Although Angelus was knocked out and reverted to Angel without causing casualties this time, years later in 2003, a very powerful demon known only as the Beast arrived and began an attempt to bring forth an apocalypse. Angel had to strip himself of his soul and revert to his evil alter ego in order to defeat it, after "Cordelia" had a vision of Angelus facing the Beast in the past which Angel did not recall. As Angelus, he lures Faith to the Beast, only to betray and kill him, not knowing it would bring back the sun. Angelus was eventually recaptured and re-ensouled after a battle with Faith. He has never been featured in the series again.

## Legacy

Spike after his disastrous encounter with a psychotic vampire slayer, Dana, called her a monster. He likened her to himself and Angelus. After Angel called her a victim, Spike stated "So were we, once upon a time." During the time when Los Angeles was pulled into Hell by The Senior Partners of Wolfram & Hart after Angel betrayed them, he would find himself in conflict with a newly sired Charles Gunn. When Gunn once turned his back on Angel, Angel knew that had Angelus saw Angel commit this betrayal, that he would be proud of him. This disgusted him and though later it proved to be ill-advised, he didn't go through with killing Gunn.

## Personality

As Angelus, Angel is devoid of all human emotion, save perhaps the perverse pleasure he receives from his acts of cruelty. He is also a ruthless killing. It's believed that he's more evil than any other vampire in history, with his grandsire The Master even being taken aback by how incredibly brutal he was. He was also incredibly petty, obsessive, sadistic and devoid of any care for the lives he ruins. He would also go to extreme lengths to torment his victims as much as possible, most infamously this happened with Drusilla who he drove to absolute insanity before siring her, and he later attempted to replicate this with Buffy.

---

Then, Buffy proceeded to tell us about Warren Mears.

---

Warren Mears

Warren Mears is a major antagonist in the Buffyverse.

He appears in Buffy the Vampire Slayer as a minor antagonist in season 5, the main antagonist of season 6, an unseen but important antagonist in season 7 and a major antagonist in the season 8 comics.

He is a self-proclaimed mad scientist, and the leader of the Trio, a group of hapless supervillains who try (and repeatedly fail) to destroy the Scooby Gang. Originally something of a comic relief character, he becomes a much darker presence later in the series, when he is portrayed as a psychopath with a savage hatred of women. He is the archenemy of both versions of Willow Rosenberg.

He was portrayed by Adam Busch.

History

Early life

Warren Mears grew up in Sunnydale, California. At school, he excelled in science and technology but was bullied by his peers, including a jock named Frankie. As a teenager, he attended Sunnydale High for a semester before moving to a tech college in Dutton.

However, he continued to be plagued by loneliness, and began to apply his technological skills to solve the problem. Warren built an ideal robot girlfriend named April, who was programmed to love and obey him. He assumed that he would love her in return, but grew bored of how easy and predictable things were with her. Instead, he met and fell in love with Katrina Silber, a strong-minded girl in his engineering seminar, and the pair began dating. However, Warren was unable to bring himself to break up with April, so he went home for spring break without her, hoping that her batteries would run out.

April followed Warren and Katrina to Sunnydale, where she proceeded to question everyone she met about Warren's whereabouts. This caught the attention of the Scooby Gang, including the Slayer, Buffy Summers. When April's behavior grew erratic and violent, Buffy tracked Warren down and confronted him. He explained that April must have been recharging her batteries somehow, and Buffy became concerned about the danger she posed. When Katrina told April that Warren was her boyfriend, the robot angrily attacked her; Buffy and Warren showed up just in time to save her life. Warren admitted to April that he didn't love her, and she reacted violently. As she and Buffy began to fight, Katrina realized that April was a robot and left Warren in disgust. He ran after her, leaving Buffy to deal with April, whose batteries finally ran out. Warren was later approached by the vampire Spike, who harbored a romantic obsession with Buffy. Spike forced Warren to build a robotic version of the Slayer for him to have sex with.

## The Trio

Warren resurfaces in the Season 6 episode "Flooded" as part of the Nerd Trio, along with Jonathan and Andrew. The Trio are little more than a criminal group who strive to take over Sunnydale, though most of their plans revolve around neutralizing Buffy, who, as the Slayer, is the one thing standing in their way.

From the beginning, it is clear that Warren (unlike his more passive portrayal in Season 5) is the leader of the Trio, dominant over Jonathan and Andrew, as well as more willing than the other two nerds to take real risks and possibly do real harm to people. Starting with the episode "Dead Things," Warren shows his true colors as a dangerous, misogynistic, and possibly psychopathic individual. When Katrina reappears, Warren uses an enslavement device to make her obey his will. When she resists the device, Warren attacks her and accidentally kills her. Unmoved, he hatches a scheme using demons that cause temporal disturbances to confuse Buffy into thinking she was responsible for Katrina's death. Buffy eventually figures it out, but Warren and the Trio evade her for the time being.

After Katrina's death, Jonathan becomes increasingly unhappy with Warren's lack of conscience. Warren plots with Andrew, who is enamoured with him, to ditch Jonathan in the near future. In "Seeing Red," Warren makes his bid for major villain status when he steals a pair of magical orbs which give him strength and invulnerability. He, Jonathan and Andrew attempt to rob an armored car when Buffy arrives; the two get in a fight, during which it is clear that Warren's Orb-granted strength makes him more than a match for the Slayer, even taking the time to gloat that he has finally defeated the Slayer (which many have tried (and failed) to accomplish).

In the midst of the fight, Jonathan appears to attack Buffy, but in fact surreptitiously tells her how to defeat Warren. Just as Warren had Buffy at his mercy and is about to finish her off, Buffy sees the pouch containing the orbs and destroys them. Buffy then tells him good night before calling him the same name he called her; before he could voice his reply to her calling him that, she used a whirligig kick on Warren, causing him to be knocked over to where Andrew and Jonathan were standing. As Warren got to his feet, Buffy told him he was "nothing but a sad little boy" and that it was time he grew up and paid for what he did - something Warren hadn't considered (and didn't even want to do in the first place). Enraged and humiliated, Warren escaped with a jet pack, vowing that he would take Buffy down, while also leaving Jonathan and Andrew to take the fall with the police.

The next day, Warren, furious at Buffy foiling all of his plans, appears in Buffy's back yard with a gun. He shoots, critically wounding Buffy and accidentally killing Tara with a stray bullet. This action causes Willow to descend into madness and threaten the world as "Dark Willow Rosenberg". When he discovered that Buffy had survived his assassination attempt and that Willow was after him, Warren immediately traveled to the hideout of sorcery dealer Rack, who supplied him with protection spells. Unfortunately, these were not enough to stop Willow, who eventually hunted Warren down and tortured and flayed him alive through witchcraft.

Legacy

The First Evil appears as Warren a few times in Season 7 - including as Season 6's representative in the parade of villains at the end of "Lessons" - using his appearance mainly as a means of bending Andrew to its will. Using this method, the First Evil gets Andrew to murder Jonathan (in "Conversations with Dead People"), in order to open the seal in the basement of the new Sunnydale High. Warren's final major appearance occurs when a spell (cast by Amy) causes Willow, feeling guilty over moving on after Tara's death, to manifest her feelings by making her outwardly assume the appearance of her former victim. Later it appears that Willow's mind starts to become replaced by Warren's.

---

Finally, Buffy proceeded to tell us about The Beast

---

The Beast

The Beast was the central antagonist in season four of the Buffyverse TV series Angel. He was the right-hand to Jasmine and one of the most powerful opponents faced by Angel Investigations.

History

In 1789, the Beast was in Prussia, the Svear Priestesses were going to banish him from this dimension and had cast a spell so that he could not touch them. In an attempt to get assistance, he slaughtered several people in order to attract Angelus to him, at which point he attempted to create a mutual alliance with him. He wanted Angelus to kill the Svear and in return the Beast would pay him back somewhere down the line; Angelus refused and was subsequently beaten half to death before the priestesses arrived to banish the Beast.

In "Apocalypse, Nowish", the Beast rose up from the pits of hell. The first people to encounter the Beast are Cordelia and Connor, who find the Beast arriving on Earth at the exact spot at which Connor had been born. A fight ensues, during which Cordelia is injured. Believing that he has something to do with the coming apocalypse, Connor distances himself from his teammates, who do not trust him. Angel, Gunn and Lorne decide to take on The Beast. Wesley rejoins them to help in the battle, but they fail nonetheless, and are all badly injured. The Beast then conjures the Rain of Fire over Los Angeles.

The Beast, seeking to reach Mesektet (The Little Girl of the White Room), kills everyone working at Wolfram & Hart as he tries to reach the White Room, turning the majority of his victims into zombies. The Beast kills Mesektet and drains her of her dark energy. Following the death of Mesektet, the Beast hunts down the rest of her "family", an order of mystical beings known as the Ra-Tet. Ma'at, Ashet and Semkhet are killed by the Beast. The final Ra-Tet, Manjet, is killed by Jasmine/Cordelia in secret. Using the metal wings in Ashet and Semkhet and the heart of Ma'at, the Beast makes a ritual to eclipse the sun, which is completed when the dark energy of Mesektet is imbued in the orb which was extracted from Manjet's head. The eclipse begins as a sunlight-blocking spot that spreads covering Los Angeles and is supposed to eventually cover the totality of earth.

Angel's team believe that their only hope is in Angel's evil alter ego Angelus, who apparently knew the Beast in the past, even though Angel himself does not remember the encounter. This is revealed to be because all references to the Beast in this dimension were magically erased shortly before its arrival; Angelus was the only entity in this dimension unaffected, as he did not technically exist at the time the spell was cast.

Once freed, Angelus was eventually convinced to reveal the details of his encounter with the Beast; the Beast had attempted to recruit Angelus in 1767 to stop some priestesses who were attempting to banish the Beast, but Angelus declined and was knocked out before the Beast was banished. After Angel's soul was stolen and a ritual to restore his soul via dark magic was faked, Angelus broke free and sought out the Beast. Wesley broke Faith out of jail to assist in Angelus' capture and fight the Beast, though the Slayer was little match for the physically imposing demon, who was in the end betrayed by Angelus, who stabbed him with the knife the Beast had carved out of his own bones as a tribute to his master. The death of the Beast also undid the solar eclipse, leaving Faith in the sunlight and Angelus confined to the shadows, much to the latter's annoyance (Angelus didn't expect that the Beast's death would restore the sun).

## Powers And Abilities

The Beast was an extremely powerful Demon that possessed Superhuman strength, stamina, durability, resistance and near-invulnerability far superior to most if not all vampires, demons and slayers (at least those that interacted with the earth) - capable of effortlessly defeating the entire Angel Investigations team during their first battle, even going so far as to stab Angel in the neck with his own stake. He also possessed a rock-like hide, rendering him extremely resistant to physical damage; he withstood attacks from Angel and Faith without any sign of damage, and even shotgun blasts did little more than knock him off-balance for a few seconds. His strength allowed him to perform massive leaps. The Beast also hit Connor and Faith on separate occasions with a reverse punch which sent both flying back approximately ten to fifteen feet with no apparent downward arc in their trajectory, and in both cases their momentum was only stopped by impacting a large, solid object (in Connor's case, a metal dumpster, and in Faith's case, a large storage crate which was shattered by the force that she impacted it with).

Furthermore, the Beast appeared to be capable of teleporting between dimensions; during one battle with Angel Investigations, he was banished to another dimension by a spell cast by Wesley and Fred, only to reappear behind them unscathed as soon as the portal closed.

However, the Beast had two weaknesses. The most obvious weakness is that his bulk made him incredibly slow, leaving him outmatched by Angelus' speed, allowing the vampire to easily avoid his blows and even find time to crack jokes while doing so (however, it should be noted that Angelus was more concerned with dodging the Beast's attacks than actually fighting back). Contrary to this, the Beast was seen quickly disappearing from frame after he killed

Ashet, showing speed similar to vampires, but this may have been an extension of his dimensional teleportation ability rather than actual speed. In addition, the material of which his own bones were composed of was capable of piercing through his skin, as shown when Angelus killed the Beast with the dagger made from its own bones. However, the difficulty involved in acquiring such a weapon make it hard to exploit this disadvantage.

In addition to his almost limitless physical abilities, the Beast had great magical abilities, allowing him to perform spells and rituals such as the Rain of Fire, draining Mesektet of her dark essence and performing the ritual to blot out the sun, although it is unclear whether he acquired this power himself or was simply using power that his 'master' had provided him with.

He may also have great healing abilities as he was able to carve out part of his own bones to create a dagger for Jasmine and yet was unaffected.

When Buffy Summers was done with telling us about those five, we were horrified at the crimes of the five douchebags.

Me: WHOA! These guys are pure evil and nothing but trouble!

Nico: No kidding, and those five douchebags have caused you and your friends nothing but trouble, Buffy.

Buffy Summers: I thought I was finally rid of those five for good, but it appears they refuse to stay dead.

Lincoln: So, it looks like we're dealing with your old enemies yet again, Buffy. But, we'll make sure they'll never return again.

Buffy Summers: Thanks, Lincoln. So, which one of them is coming after us today?

Lincoln sensed that the one who's coming after us today is The Master, but in reality, he's after Buffy for ruining his plans to destroy the world.

Lincoln: The Master. He's the one coming after us today, but in reality, he's after you, Buffy, for ruining his plans to destroy the world.

Buffy Summers: Should've guessed it, I've foiled his plans more times than I can count, and I really pissed him off big time.

Sakura Hibiki: Then, let me and Lincoln deal with The Master, Buffy.

Soryuin Akemi: Hibiki's right, and tomorrow, Lincoln and I will deal with Dracula.

Tachibana Satomi: Then, you leave Angelus to me and Lincoln.

Uehara Ayaka: You can also leave that psychopath, Warren Mears, to me and Lincoln.

Gina Boyd: Which leaves me and Lincoln with The Beast.

Nico: Are you girls sure?

Lincoln: They are, Nico, and they're right: I'm also going to help them, there's no way we're going to let those five monsters get away with trying to destroy mankind. They're getting a one-way trip to Oblivion for good, and we'll make sure that they never come back.

Me: Alright.

Nico: Lincoln, I only have one thing to say to you, Sakura Hibiki, Soryuin Akemi, Tachibana Satomi, Uehara Ayaka, and Gina Boyd: rip their fucked-up hearts out of their chests and incinerate them to ashes!

Lincoln: (Smirks) You bet, and of course, I've got a few surprises in store for them.

Me: (Smirks) Planning on going Lincoln the Nocturnal on them, big guy?

Nico: (Smirks) Ooh, or Lincoln the Vampire, after all, three of those douchebags are vampires.

Lincoln: Now, now, you two, you'll have to wait until the battle.

Nico: Yeah, you're right. Alright, everyone, let's go.

We we're now aware that The Master, Dracula, Angelus, Warren Mears, and The Beast, five of Buffy Summers' most dangerous big bad enemies, have returned from the dead, but The Silverman Gym girls and Lincoln are ready for those pure evil douchebags, and they'll pay for their crimes.

Selene: I hope Mordecai and Rigby aren't THAT hurt.

Nico: We'll know when we get there.

We were off to the Hospital and we got to Mordecai and Rigby's room and we found them in beds and they were REALLY MANGLED UP! Chong really did a number on them! They were wrapped up in casts and had them on their arms, legs and even on their chests and they even had black eyes and some of their teeth missing!

Nico: GOOD GRIEF!

Me: Chong really did a number on you guys.

Mordecai: That is a total understatement. He just came out of nowhere and really beat us up for no reason at all.

Juggernaut: I think I know what it is. He is upset that he was beaten by Benson.

Nico: Oh no.

Ratso: We've got a plan to get back at that prick.

William: But first, we're gonna heal you guys.

Nico: Here guys.

Nico gave them Senzu Beans and they ate them and were healed up in an instant.

Mordecai: Wow! Thanks Nico.

Rigby: Can you guys get us out of these casts?

Nico: Sure.

We went and got them out of the casts.

Juggernaut: Alright. For the next few hours, I'm gonna be training you guys so you can get back at that dick!

Mordecai: Thanks Cain.

Nico: Lets all help them out. This looks like a job for…

Nico spun around and he was dressed in coach clothes!

Nico: COACH NICO CHAN!

Supernova Zap: Wanna watch them, Princess Thunder Guts?

Princess Thunder Guts barked.

Nico: All right ladies lets get to work! By the time we're done with you guys, you'll be lean mean fighting machines!

Muscle Man: You know who else is a lean mean fighting machine!?

Eli: I think we know what this one will lead to.

Muscle Man: MY MOM!

We laughed!

Gemini Richie: That was funny!

Count Vertigo: Might I suggest including Baguazhang martial arts style as well?

Nico: Good idea and I can include ALL FORMS of martial arts too. Now we can get started.

They got to work and Mordecai and Rigby were really learning fast.

Discord: Next, you guys need to eat protein.

Me: As long as it's not bugs. (To Timon, Pumbaa and Lana) No offense.

Pumbaa: None taken.

Timon: None taken.

Nico: No it's not bugs.

Nico gave them raw eggs.

Lynn: Raw Eggs.

Killer Croc: Can I eat those with you guys?

Nico: Sure.

They had Raw Eggs and they were disgusting but good.

Lynn: It takes a while to get used to them.

Bruiser Cruiser: So, how do they taste?

Mordecai: That was so bad!

Nico: Like Lynn says it takes a while.

Pied Piper: Wanna try some, Tank?

Rainbow Dash: He only eats plants.

Pied Piper: Oh never mind then.

Laney: Yeah.

Poromon: I'll try some.

Roy Koopa: Say what now?!

Poromon: I said I'll try some.

Nico: Okay.

Poromon tried the raw eggs and they were good to him.

Nico: Wow that is amazing.

Laney: Yeah.

Me: All right I think everyone gets the idea about Raw Eggs. Lets move on.

We were moving on and got back to training and then 4 hours later we were ready.

Red X: Let's do a review. If Chong tries to do an uppercut, how do you respond?

Mordecai: Jump back and kick him in the chest.

Red X: Right!

Nico: And how do you dodge a roundhouse kick?

Rigby: Duck and kick him in the crotch.

Numbuh 274: And what do you do if Chong grabs you?

Mordecai: Push his hands away and then headbutt him.

Nico: Right! You guys are ready.

Sportsmaster: There's nothing more to teach you guys.

Nico: Still when you're with us we'll teach you. Now lets go get that big freak! But first J.D. will face him and get him going.

Me: Three words: Bring it on.

Laney: Lets get him.

Nico: Yeah!

Pain Yatta: First, we need to find out where he is.

Eli: Leave that to me.

Eli concentrated to find him.

Eli: Found him. He's over at the abandoned fighting arena in the north side of Town.

Nico: Lets go.

We were off to the stadium.

Dino: Also, guys, call me Dino. It'll make me stand out from my G1 counterpart. (to Mirage) No offense.

Mirage: None taken.

Fireor: Well, Dino was what you were called back then anyway.

Nico: I think it's cool.

Me: It sure is. Dino is an awesome name.

Dino: Gratzi.

Grier: Time for our entrance. Breaker, Bring discipline!

We went at Chong.

Chong was meditating but then suddenly the spirits of Total Drama and the Elements of the planet appeared and swirled around him and then they converged and then…

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off above him and a phoenix cry was heard and we came out.

Nico: Chong it's buttkicking time!

Me: I'm going to smash your head off!

Chong: What makes you think you wimps can take me this time?!

Whirlin: (smirks) Thanks to us, they've gotten stronger.

Chong: Oh yeah?!

Chong tried to uppercut Mordecai but he jumped back and kick Chong in the chest.

Maria: Just like we practiced!

Me: And take this!

POW BLAM BIFF SMASH!

I punched Chong in the face all over the place.

Then Grundy, Bizarro, Black Manta, Dr. Destiny, Tala, Captain Boomerang, Felix Faust, Six Gum Gang, Mr. Fizz and Dodgeball Wizard appeared.

Nico: Grundy, Bizarro, Black Manta, Dr. Destiny, Tala, Captain Boomerang, Felix Faust, Six Gum Gang, Mr. Fizz and Dodgeball Wizard.

Grundy: Grundy glad you guys okay.

Mordecai: I know, Grundy. Chong really caught us off guard.

Bizarro: But now, you guys got weaker!

Rigby: (knowing what he really means) Damn straight!

Black Manta: Chong's definitely screwed now.

Dr. Destiny: (to Nico) We heard you went to Camp Kidney again.

Nico: Yep. We sure did.

Tala: Anything exciting happen?

Nico: Lumpus got out and then we beat him but it was actually Gianna here that beat him up.

Gianna Logan: Ah he was a worthless slab of meat.

?: Good point.

A figure came out and it was GAKKARIZE from episode 43 of Zyuohgers!

---

Gakkarize is the last player from Team Azald and the final player introduced in the Blood Game. Also he is the main antagonist in episode 43 of 2016 TV series called Doubutsu Sentai Zyuohger.

He was voiced by Shinnosuke Tachibana.

History

Gakkarize appeared on Planet Earth around Christmas where he used his combo as he paints a face on the Japanese residents and a Budha statue right in the middle of the street. However this kind of mayhem brought the attention of the Zyumans who were out shopping for a Christmas for Mario. So he used his combo as he paints a samurai, a clown and a Zen Monk (which looks like a human version of Komuhachi) to battle the Zyuohgers. After that he left the area while the team finished off his paintings.

A while later during a flashback Gakkarize was responsible for painting some kind of store over a bakery.

He then appeared right outside the store when the are hurrying deliver a present to Mario, so Yamato and Misao transformed battles Gakkarize while the Zyumans hurried to deliver the present. He then used his combo on the floor to create a pair of rockets as they fire at Yamato and Misao de-transforming them.

After that the whole team transformed into their Zyuohgers while being witness by Mario as they battle Gakkarize and Azald. Also due to Gakkarize being defeated by the teams Instinct Awakened it remove the artwork that he painted on the humans and the bakery.

However thanks to Naria she inserts a continue medal at the purple paint tube cap (which is on Gakkarize's left shoulder) to enlarge him as he used his combo to paint a couple of giant Moebas on the buildings. So the team brought out Wild Tousai King to battle

Gakkarize and his army of giant Moebas. However Gakkarize continues to paint even more giant Moebas to battle the bot. However thanks to Cube Whale as it manage to fire the torpedoes at the dog piled Moebas and Cube Octopus for spraying out black ink to cover the building to prevent Gakkarize to paint anymore of his art. After that he then battles Wild Tousai Dodeka King where he was then destroyed by this finisher called Zyuoh Dodeka Dynamite Stream.

---

Yamato: Gakkarize!

Gakkarize: Been a while rangers.

Me: I remember you! You were sent for your Blood Game on Christmas to paint faces on statues and everyone.

Gakkarize: That's right! I guess I should have appeared during the Christmas battles.

Me: That's all right but you can still appear during the Christmas battles next time.

Gakkarize: Good.

William: Can you really bring to life what you draw?

Gakkarize: Sure can! Wanna see?

William: Sure.

He drew a Plant Condor and it came to life.

Nico: Wow!

Me: Awesome!

We got the usual battles underway.

Sylphia found out from the girl that she had a dark secret: she told her that her father had raped her when she was only twelve, and her mother did nothing to help her, in fact, she also joined in with her husband, they tortured and raped her, and they laughed cruelly at her pain and suffering. Because of it, she became this rude and very nasty girl who enjoys the pain and suffering of others for her own amusement. She used my power and removed the darkness in her heart, purifying her, and she broke down and cried, but she comforted her. Then, after that, Sylphia called the police, and her parents were arrested for child abuse. She soon found out from the officers that they've also had previous arrests for multiple murders across five states in the US. Their daughter testified against them, and as a result, her parents were sentenced to life in prison without possibility of parole, and the girl was sent to live with her grandparents, who cared for her, and she started doing better in school, and she graduated high school with honors. Her parents swore they'd kill Sylphia and their daughter if they ever break out of prison, but two months later, they were beaten to death by inmates, and were buried in unmarked graves.

Black Manta was shocked!

Black Manta: That is crazy! Her parents got what they deserved.

Whirlwind: You got that right and they are now burning in Hell.

Chong was really smashed into pulp and he was taken to jail and he was sentenced to eternity in prison for murder, assault and battery and more. No hope of release or parole.

Captain Boomerang: Now, Mordecai. What have you and Rigby learned today?

Mordecai: Well, we've learned more fighting skills from you guys.

Felix Faust: Besides that.

Rigby: Okay. I guess we've learned not to fight any bad guys if they're stronger then us.

Dixie: Exactly!

Goof: You guys still helped kick Chong's ass though.

Wilbur: No kidding!

Me: You sure did and that shows that you are strong and awesome.

Dodgeball Wizard: I think this calls for a celebration!

Mr. Fizz: I brought soda for it!

We cheered.

Ed: Mmm I am thirsty.

Nico: We're not done yet though.

?: I will destroy you for ruining all of my plans, Slayer!

Buffy Summers: Should've guessed I'd hear that voice again. You can come out now, Master.

A demonic-looking vampire came out, and it was none other than The Master, one of the five major big bad enemies of Buffy Summers.

Buffy Summers: I thought I'd never have to deal with you again, I made sure that you'd never come back again.

The Master: Too bad, as long as my hatred for you still lingers, I will never die, Slayer.

The Master tried to attack Buffy Summers, but Sakura Hibiki fired a powerful orange energy blast and it hits The Master, as he screeched in excruciating pain.

Sakura Hibiki: I've had it up to hear with you to last an eternity.

Suddenly, Sakura Hibiki's green eyes turned neon green, and she was surrounded by an orange energy aura with flames and phoenixes, she unholstered her massive Defender of Silverman

Gym sword from her back, and as she approached The Master, she left orange energy, flames, and phoenixes with every step.

Sakura Hibiki: You really make me sick, you've tortured and tormented the lives of innocent people just for your own sick amusement, and you have an utter disregard for life. You've caused Buffy and her friends enough trouble for the last time, and now, you're getting a one-way trip to Hell for good, you undead son of a bitch!

Suddenly, Sakura Hibiki was surrounded by a massive vortex of orange energy with flames and dumbbells surrounding it, there was a phoenix flying around the vortex, and in the vortex is a yellow phoenix. Then, as the vortex faded, Sakura Hibiki emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Sakura Hibiki grew to 6'5" in height, she had the body of a goddess and has orange highlights in the bangs of her long flowing blonde hair, she has neon green eyes and an orange energy aura with flames, dumbbells, and phoenixes surrounding her, she has a phoenix with the Fire Kanji in its claws emblazoned on her forehead, she has on phoenix earrings with green jewels for the eyes and the Fire Kanji in its claws, and she also has a phoenix with green gems for the eyes and the Fire Kanji in its claws for the second pendant of her Thunderbird Necklace of Eternal Love along with the Thunderbird pendant with green gems on the gold lightning bolts and blue crystals from her Crystal Necklace of The Buddha which merged with her Thunderbird Necklace of Eternal Love. Sakura Hibiki has on a long sleeveless white trenchcoat with flames, dumbbells, and phoenixes on the coattails and right on the back is the symbol of Silverman Gym surrounding it with flames, a black blouse and black tube top with a silver phoenix on it, green skirt with flames on it, black gym shorts with flames on them, white sneakers with flames, and she has on a Star Sapphire ring on her left ring finger. Suddenly, Sakura Hibiki felt a sharp pain on her back, and then, massive blonde angel wings with orange tips on the large blonde feathers sprouted out of her back.

Suddenly, Sakura Hibiki's massive Defender of Silverman Gym was surrounded by a kaleidoscope of orange energy, flames, dumbbells, and phoenixes, and when it emerged, it was transformed into Silverman Gym's Phoenix Flame Sword of Fiery Justice, it's a new large sword with a 6'9" massive, wide, double-edged silver blade with the symbol of Silverman Gym etched on it, large wings for the crossguard, large yellow gem for the hilt, longer black handle, and a large yellow gem surrounded by angel wings for the pommel. Sakura Hibiki has on her new large gold cuff Bracelets of the Champions of The Universe with green gems on her wrists, large gold Belt of Elemental Bravery with a gold phoenix head with green gems for the eyes and a large green gem in its open mouth for the belt buckle, large green Spellbook of The Gods and The Universe and large green Universal Spellbook of The Elemental Forces on her left hip and Eater of Sins revolver holstered on her right hip. Sakura Hibiki has transformed into SUPER ANGEL INFINITY ATHLETIC FIRESTORM GYM PHOENIX ANGEL OF FIRESTORM JUSTICE AND DIVINE LOVE!

We were amazed by Sakura Hibiki's Super Angel Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes. But, when The Master saw it, he fell into a rage and tried to kill her, but Sakura Hibiki fired a powerful orange energy blast with flames, dumbbells, and phoenixes which hits The Master, and he was burned by the flames.

Soryuin Akemi: Wow, Hibiki's transformed, and she burned that demonic vampire badly.

Nico: But, it'll take more than that to destroy The Master for good.

Lincoln: Wow, Sakura, you look beautiful. How do you feel?

Sakura Hibiki: (Divine Echoing Cosmic Voice of The Firestorm Phoenix and Athletic Divine Love) **I feel incredible, Linky. Now, shall we end this monster for good?**

Lincoln: (Smiles) With pleasure.

Me: He obviously does not know WHO HE IS FUCKING WITH!

Lincoln unholstered his improved massive Sword of Universal Hope and Elemental Bravery from his wider and muscular back, and he transformed Lincoln the Nocturnal, as brown fur sprouted all over his abnormally massive and powerful muscular body, a large wolf's muzzle formed, and large pointed werewolf ears formed, and his eleven massive, long, and powerful deep sapphire werewolf tails with large black wolf heads for tips sprouted out, and he also transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Sakura Hibiki.

Lincoln: (Divine Beastly Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **This will be the last time you come back from the dead, you evil monster!**

Me: I knew it, I knew he was going to go Lincoln the Nocturnal on that monster! (Smirks) Which means, you owe me fifty bucks, Eli.

Eli: Dang it.

Eli handed me fifty bucks.

Buffy The Vampire Slayer OST: Main Theme

Sakura Hibiki and Lincoln went after The Master, and they fired powerful blasts of rainbow energy, orange energy, dumbbells, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Gravity, Magic, Blood, Thunderbirds, Phoenixes, Angels, and Buffalo right at The Master, and they exploded with incredible power, as they hit him. The Master summoned an army of vampires to attack, but the eleven black wolf heads on Lincoln's tails opened their mouths, and they fired powerful blasts of energy, which hits the vampires, and destroyed them, and we were amazed.

Me: Whoa!

Nico: Now, that's what I call creative. Those wolf heads on Lincoln's tails can also fire blasts of energy from their mouths, along with siphoning and sucking out the powers and abilities of the villains.

Lincoln: **Let's use our combo on The Master and send him to Oblivion, Sakura.**

Sakura Hibiki: **Let's do it, Linky.**

Sakura Hibiki and Lincoln: **MOONLIGHT ELEMENTAL FIRESTORM WEREWOLF MASSACRE!**

Sakura Hibiki and Lincoln fired massive waves of elemental forces, which transformed into a pack of werewolves, and they went at The Master, and they began tearing him apart, as he screamed in such excruciating pain, and they also tore off his arms. Then, Sakura Hibiki tore open The Master's chest with one slash from her sword and Lincoln ripped The Master's black heart out of his chest, and he threw it onto the floor, and drove an energy stake through it, and it burst into purple flame, and his spirit was Super Hakaied and banished to Oblivion forever, as his body turned to dust forever. We all cheered wildly, as Sakura Hibiki and Lincoln holster their massive swords on their backs and power down and Lincoln changed back, and Sakura Hibiki's new body, clothes, weapons, jewelry, and angel wings are permanent.

Sakura Hibiki: That's it for that undead monster for good, and that's one of Buffy's five big bad enemies taken down. Thanks for helping me take down The Master, Linky.

Lincoln: (Smiles Warmly) You're welcome, Sakura.

Suddenly, Sakura Hibiki wraps her arms around Lincoln's waist, and

Lincoln wrapped his abnormally massive and powerful muscular arms around Sakura Hibiki's waist, and brought her into an embrace, which took her by surprise and it brought an atomic red blush to her face. Then, as Lincoln leaned down to Sakura Hibiki's face, they kissed passionately as Sakura Hibiki wraps their left arm around Lincoln's wider and muscular back, and placed her left hand on Lincoln's massive and wide right pec, and right behind them is a Thunderbird, Phoenix, and Angel flying in the air, and we also saw a herd of Buffalo running across the field, and the display of the elemental forces behind them, and we cheered for them.

Soryuin Akemi: Alright, Hibiki and Linky!

Nico: Lincoln and Sakura Hibiki did such an awesome job in taking down The Master for good, now, there's only four more douchebags to take down.

Lincoln: That's right, Nico.

Me: And I knew you were going to transform into Lincoln the Nocturnal for this one.

Lincoln: Yeah, since I was told that vampires and werewolves were once known as blood enemies, and I figured it would be perfect for this one. Now, tomorrow, I'll transform into Lincoln the Vampire, and it'll be when Soryuin Akemi and I are going to fight Dracula.

Buffy Summers: Make sure he never ever comes back, Lincoln.

Lincoln: We will, Buffy.

Nico: And I think you should warn your friends of what just happened. I'm sure they're going to be in for a nasty surprise.

Me: Yeah, they're not going to like hearing that those five douchebags came back, but they'll be happy to find out that Lincoln and Sakura Hibiki took care of The Master for good.

Buffy Summers: I'll make sure of that, J.D.

Me: Awesome.

Mordecai: (To the viewers) If you have self defense training, use it wisely and only for when you are in trouble.

Me: Good idea.

Nico: Yep. But at least we're free of Chong. Great job everyone. This was an awesome adventure. Lets go home.

We went back home and have some soda and then enjoyed the rest of the day and went to sleep.

THE END

---

Another awesome fanfic done.

This was a brutal and awesome adventure. We had a lot of fun with this one. Chong from Regular Show was a brutal and fierce villain and he beat up Mordecai and Rigby and it was terrible. But to make it worse is that he killed Benson's best friend. What a monster! This chapter was a parody of the episode Stick Hockey and that episode aired on September 19th, 2011 and it was great. The first part of the chapter was for Camp Lazlo and it was an original part. But it was still awesome. Also the next part was for dealing with the 2 Rigelian Aliens from The Simpsons, Kang & Kodos and they were ugly. But they have been a really amazing kind of alien race for over 30+ Years. NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, XP4Universe, Darkhai, vinjedi1995, Drako1234658, Nflemingful, Etstheclarencefan and ninjakingofhearts gave me the ideas for this and so did the guest reviewer. Nico's next rescue is gonna be in the 2014 movie COOTIES! And get ready for a REALLY Crazy rescue as Nico, Lisa Loud, Foghorn Leghorn and Ed battle to save a bunch of kids that were turned into feral cannibalistic zombies by virus tainted chicken nuggets and it'll be up to Nico and the group to save the kids and find the cure before a Zombie Apocalypse breaks out! They are also going to meet an Akatorian or Kickin Hawk's kind gene-slammer named Luna Ingramsson from Iceland and she is one of Nico's friends and is a great farmer and has amazing skills in farming. Also Lincoln's rescue is gonna be in the awesome 2009 movie Igor and we're going to that world to meet Igor and his friends as well as taking down the evil Mayor and also we're going to meet a Red-Eyes Zombie Dragon Gene-Slammer named Natasha Hernandez and she is the 4th member of the Hernandez Sisters and another one of Nico's friends. We're also going to meet another gene-slammer for Lincoln and her name is Gina Readington and she is the Gene-Slammer for The Supremacy Sun and is the 1st Member for the gene-slammers of The Legendary Planets. She is also from Oregon going to reveal an incredibly horrifying revelation about Joe Quimby and much of Springfield. Specifically about Joe Quimby, Mr. Burns, Abraham Simpson and much of of Springfield including Hans Sprungfeld. She has so much to talk about them. Also plug your noses because the next chapter is where we go after THE WERESKUNK And we're going to make that cursed verminous freak pay!

See you all tomorrow.

# NIGHT OF THE WERE-SKUNK

PLUG YOUR NOSES EVERYONE BECAUSE THIS ONE IS STINKY

---

Walking through the streets of Fort Chicken, Illinois which is a really funny name for a town, was Nico, Ed, Foghorn Leghorn and Lisa Loud and there was a report of a potential zombie apocalypse looming on the horizon and the source of the outbreak is unknown.

Nico: Thanks for coming with me, Ed.

Ed: No problem Nico. I hope we get to meet some chickens.

Nico: (Laughs) You love your chickens. But I wonder what happened here.

They saw that everyone was barred up inside their homes.

Nico: Weird. I wonder what everyone is hiding from.

Foghorn Leghorn: Whatever I say, Whatever it is son it's not good. Everyone seems to be more scared than a fox that's afraid of it's own shadow.

Lisa Loud: Whatever is going on here is not good.

Nico: I hope we find out what it is. Scans show that the epicenter of this zombie apocalypse outbreak is coming from the school.

They went to the school.

Nico: Ed, believe me when I say that Edzilla is very much like the Hulk.

Ed: I know Nico and that is so awesome.

Nico: Yep.

They got to the school and gasped and they saw the school surrounded by feral zombie-like cannibalistic children running around and looking for human flesh to eat!

Nico: OH MY GOD! This Is terrible!

Lisa Loud: It most certainly is.

Foghorn Leghorn: These kids, I say these kids are more wild than a snake in a barrel of oatmeal. What do you think is making them this way?

Nico: We'll have to do some investigating. Maybe it's something they ate and the best place to look is in the cafeteria. But first.

Nico pulled out some weapons and guns.

Nico: Since it goes against our code to kill kids, we got to knock out all these kids. Not with bullets, but with tranquilizer darts.

Nico pulled out a bunch of guns and he also put on Zombie Apocalypse Survival clothes and gear so did Lisa.

Nico: We're going in through the roof. Thank goodness Sean gave me Zombie Apocalypse Survival Training as well and all that came in handy when I went into the world of Highschool of The Dead.

Lisa Loud: It most certainly did Nico.

Nico: Lets go!

They flew to the roof and they went into the school.

Edzilla: Kids will calm down. OR ED WILL SMASH!

Nico: Ed they're feral and won't listen! Besides our priority is to cure them not to kill them.

Edzilla: Sorry.

Nico: Lets go.

They went into the school and the power was out.

Nico: Sure is dark. Good thing these new contact lenses like the ones you gave J.D. will be perfect for this Lisa.

Nico turned on his inferred vision and they went into the halls and looked out for trouble and were on the alert and they got to the cafeteria.

Nico: So far so good.

They went into the kitchen and Lisa hardwired a generator to the power for the kitchen.

Nico: Good thinking Lisa. Now lets find out what caused this to happen.

Edzilla: Puny kids will not eat Ed. Ed give puny kids indigestion!

Nico: They sure will.

Foghorn Leghorn: What do, I say what do you think caused these kids to become like this?

Nico: No idea.

Lisa Loud: Aha! I found our culprit.

Nico: What is it Lisa?

Lisa Loud gave him a chicken nugget and it had really unusual black spots on it.

Nico: Something is wrong with these chicken nuggets.

Lisa Loud: Yes and after running a test on them I found that it was contaminated with a very dangerous biological pathogen that got onto them. It was a mutant virus that causes kids to become feral abominations of the undead; Street Name: Zombies.

Nico: Oh dear god.

Lisa Loud: Yes. Thankfully I managed to isolate the virus using my skills in medicine and chemical engineering and I whipped up the antidote.

She pulled out a bottle of a blue glowing liquid.

Nico: Awesome job Lisa.

Foghorn Leghorn: Way to I say way to go there Lisa.

Edzilla: We test antidote now?

Lisa Loud: Unfortunately the antidote will only work on all the kids if they are all gathered in one spot.

Nico: Like with what we did in the world of I Am Legend. Hmm. (Gets an idea) I got it.

?: I have a feeling this will be good.

An Akatorian came out.

Nico: An Akatorian?

Akatorian: (In a Girls Voice) (Icelandic Accent) Nice to see you again Nico.

Nico: Luna Ingramsson? Wow you look awesome as an Akatorian.

She reverted back and she was a girl in magenta, red and orange clothes and had red hair and orange eyes.

Luna Ingramsson: Awesome to see you again Nico. You have grown up from that little boy I remember.

Nico: It has been a while.

Luna Ingramsson: What's your plan Nico?

Nico: We're going to duplicate what we did on a previous mission to cure the kids. We just need the right tools.

Lisa Loud: I will set up a dome trap.

Nico: Great. Now we need some bait.

Luna Ingramsson: I'll do it. I have a feeling this will be good.

Edzilla: Puny kids come over now!

Nico: LETS GET THEM!

Luna was running fast!

Luna Ingramsson: COME AND GET THIS AWESOME CHICKEN!

The kids roared and chased after Luna. The trap was set up.

Nico: We only get one shot at this. So we got to make it count!

The kids ran after Luna and she jumped and then the kids were all in the trap and then Nico pressed a button and a wall enclosure formed around them and they were all trapped and Edzilla roared at them.

Nico: Ed, Luna great job! Come back to us quick!

They did so.

Nico: Hope it works. Sorry kids but you aren't yourselves! FIRE IN THE HOLE!

Nico threw the bottle and it went for the kids and went into the dome and then Nico and the group ducked and then…

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A blue explosion blasted in the dome and it covered the kids. When the smoke cleared, the kids were all knocked out and were all cured and Nico and the group went over to them. They scanned them and the kids were all cured!

Edzilla: What Kickin Hawk Girl's favorite memory of Nico?

Luna Ingramsson: I have many but my favorite was when Nico and me pushed a mean girl into a pig pen and then (Snickers) The pigs all farted and took a (Cracks up) dump on her!

Nico and Luna laughed hysterically!

Nico: That was funny!

Foghorn Leghorn: (Laughs) That, I say that is really funny!

Lisa Loud: That is amusing. Nico we have to get these kids to our infirmary to monitor them in case of side effects.

Nico: Understood. (Speaks to me on a radio) J.D. we need medical transport to the infirmary for all these kids here.

Me: (On the radio) On it's way now buddy.

Shelley Linker woke up and she was weak and tired.

Shelley Linker: (Weakly) What happened? (Groans) I've got the worst headache.

Nico: You'll be all right. You had a terrible experience.

Shelley Linker: Who are you?

Nico: My name is Nico. Nico Chan. Leader of Team Loud Phoenix Storm.

Shelley Linker: Wow it's (Groans). I don't remember anything. what happened?

Nico: Well it's an ugly story.

The medical hover vans appeared and me and Varie and the nursing team came and loaded the kids into them.

Me: We'll look out for these kids just to be on the safe side. But from the looks of things they went through a lot.

Nico: No kidding. But we got to find the source of this virus that was in these chicken nuggets and stop them now.

Me: I have Levi and Vince looking that up right now.

Nico: Good.

Nico and Luna hugged.

Nico: I really missed you.

Luna Ingramsson: Me too Nico. Me too.

We later went back home and then we watched the kids and they were gonna be there for a while. But when I told the kids that they did crazy things because they were zombies they threw up all over and were even crying hard. But it wasn't their fault. It was because they were zombies and were feral and hungry for human flesh. Levi and Vince found the source and it was from laboratory in North Dakota and it was an abandoned laboratory that was being used as a hideout for bioterrorists. We contacted the FBI and they arrested all the terrorists after a massive armada of cars swarmed around it and it turns out they were wanted by INTERPOL for a long time and they were all looking at eternity in prison for their crimes.

After Nico's rescue, Lincoln, Nico, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, Sima Shi, Sima Zhao, Sun Jian, Guo Jia, Zhang Bao, Guan Xing, Cao Cao, Liu Bei, Sun Quan, Sima Yi, Jiang Wei, Yukimura Sanada (Samurai Warriors), Keiji Maeda (Samurai Warriors), Kanetsugu Naoe (Samurai Warriors), Hanzo Hattori (Samurai Warriors), Musashi Miyamoto (Samurai Warriors), Heathcliff, Sonja (Heathcliff), Riff-Raff, Hector (Heathcliff), Wordsworth, Mungo, Cleo, Leroy, Fiona, Marie, and Nicole Hernandez, and Homer are heading to the world of the 2009 movie Igor, and not only is Lincoln going to rescue the fourteen girls there, but we're also going to meet Igor and his friends and take down the evil King Malbert.

Plus, we also got word that two gene-slammers are here, one for The Red-Eyes Zombie Dragon and another for The Supremacy Sun.

Lincoln: Wow, we're in the world of the 2009 movie Igor, and I know what we're going to do here, not only am I going to rescue the fourteen girls there, but we're also going to meet Igor and his friends and take down the evil King Malbert.

Nico: That's right, big guy.

Me: This is going to be so awesome, I saw this movie long ago, and it was so amazing, but King Malbert needs to be stopped.

Lincoln: Worse than that, he needs to be dethroned, and we also got word that two gene-slammers are here, one for The Red-Eyes Zombie Dragon and another for The Supremacy Sun. And thanks for joining me on this rescue, Homer, along with you and your sisters, Fiona Hernandez.

Homer Simpson: You're welcome, Lincoln, and Nico told me of what you guys did to Kang and Kodos, nice job giving those ugly creeps the beatdown of their lives.

Fiona Hernandez: Yeah, after all the trouble they've caused for over 30 years, they deserve to be put in prison for the rest of their lives. But, why do I have the feeling that the Red-Eyes Zombie Dragon Gene-Slammer is someone that the three of us and Nico happen to know?

Lincoln: We'll find out about that later on.

TLPS Mr. Wolf: It's bad enough that people like Malbert treats Igors very harshly, but to blackmail the rest of the world to pay the town not to unleash the various doomsday devices invented by its Evil Scientists, he's crossed a serious line and he needs to die.

TLPS Mr. Shark: Yeah, we'll rip him in two.

TLPS Mr. Snake: Along with all the Evil Scientists.

TLPS Mr. Piranha: I'm looking forward to this beatdown, and I'll be surprised if Lincoln goes Lincoln the Nocturnal on them.

Lincoln: That could be tempting, but I'll settle with killing King Malbert, and as for the Evil Scientists, there's only one thing waiting for them: prison, and of course, we'll also destroy their inventions as well.

?: HELP!

Suddenly, Lincoln heard the sound of fourteen girls calling for help. With his deep sapphire blue cyborg eyes and superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the fourteen girls, along with Igor and his friends, but they've been cornered by King Malbert, and he's going to kill them.

Lincoln: Guys, I found the fourteen girls, along with Igor and his friends, but they've been cornered by King Malbert, and he's going to kill them.

?: That monster, he needs to be stopped.

?: And he needs to be destroyed!

Suddenly, we saw the Red-Eyes Zombie Dragon and The Supremacy Sun appear before us.

Nico and the Hernandez Sisters: That voice from the Red-Eyes Zombie Dragon, I knew it was you, Natasha Hernandez.

Lincoln: And that voice from the Supremacy Sun, I knew it was you, Gina Readington. But, we'll have to talk later, we've got a despotic monarch to dethrone.

We rushed on over, and Lincoln fired a powerful barrage of rainbow energy balls and elemental forces, which hit King Malbert, and that allowed the fourteen girls to get away, and when Igor and his friends saw us, they were amazed.

Igor: Wow, Team Loud Phoenix Storm's here. It's an honor to meet all of you.

Lincoln: You too, Igor.

King Malbert: How dare you get in my way, just who do you all think you are?!

TLPS Mr. Wolf: I think you know exactly who we are, you greedy, good-for-nothing son of a bitch! And we know who you are: a spineless, lying, evil, greedy, oppressive, selfish, tyrannical and manipulative bastard who's kept all of Malaria in darkness because of that accursed weather ray, so you can keep on ruling and lead people down a path into evil and darkness! For that, I hope you're ready to die!

We were stunned at TLPS Mr. Wolf's reprimand and telling off King Malbert.

Lincoln: Whoa, that's exactly what I was about to say, TLPS Mr. Wolf. But, that was really awesome. Okay, let's get that good-for-nothing monster!

Lincoln unholstered his improved massive Sword of Universal Hope and Elemental Bravery from his wider and muscular back and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, The TLPS Bad Guys Gang transformed into their Super Angel Infinity forms and unholster their massive swords, Sima Shi, Sima Zhao, Sun Jian, Guo Jia, Zhang Bao, Guan Xing, Cao Cao, Liu Bei, Sima Yi, Sun Quan, and Jiang Wei got out their weapons, The Samurai Warriors got out their weapons, Lincoln's sisters transformed into their Super Angel Infinity forms and unholster their massive swords from their backs, Lincoln's sisters transformed into their Super Angel Infinity forms and unholster their massive swords from their backs, Lincoln's harem unholster their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark Compassion and Demonic Justice, and he unholstered his massive Sparda's Demon Fang of The Demon Hound sword from his wider and more muscular back, Homer, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their swords, Hector got out his massive Heaven's Maw of Judgement sasumata pike, and The Hernandez Sisters, Me, Nico, Eli, and Nicole also unholstered our massive swords and transformed, and we went at King Malbert, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time Energy, Gravity, and Magic, steel orbs, stars, rainbow flames, rainbow crystals, orange flames, blue flames, ice, green flames, and water, and they exploded with incredible power as they hit King Malbert.

Then, Lincoln unleashed a massive and powerful rainbow energy wave from his wings, and he not only destroyed the Weather Ray that kept Malaria in darkness, but he also destroyed all the other doomsday devices of the other Evil Scientists, and it also killed and Super Hakaied King Malbert and banished him to Oblivion, and the other Evil Scientists were tied up in rainbow energy straitjackets and rainbow energy chains. We cheered wildly as we holster our weapons and power down.

Igor: Wow, now that was so awesome! You destroyed the Weather Ray and the doomsday devices and killed Malbert for good.

Lincoln: That we did, and we also tied up the Evil Scientists.

Nico: Now, all of Malaria has been freed from darkness, but it needs someone to lead them down a path of light and good.

Igor: I'll do just that, Nico, and I'm also going to replace the annual science fair with an annual musical theatre showcase, and I hope you can also join in as well.

Lincoln: Yeah, we'd like that, Igor. (To Gina Readington) And it's so good to see you again, Gina.

Nico: Same with you, Natasha.

Gina Readington: You too, Lincoln, it's been a long time.

Natasha Hernandez: Same with you, Fiona, Marie, and Nicole, Nico.

Lincoln went up to Gina, and they hugged, and Gina Readington was very surprised at just how much taller and much more muscular Lincoln's gotten since she last saw him, and Nico, Fiona, Marie, and Nicole Hernandez went up to Natasha Hernandez, and they hugged.

Lincoln: It sure has been a long time, I haven't seen you wen you were twelve, and as you can see, I have grown a lot since then.

Nico: Same with you, Natasha, and I've also grown a lot since then.

Gina Readington: Whoa, you sure have, you've really grown a lot from the eleven-year-old cute little boy into a 17-year-old 7'0" tall and very handsome and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, that's so awesome.

Natasha Hernandez: Same with you, Nico, you also grew really big and strong like a tree, and my three sisters have now become beautiful women.

Me: Wow, Lincoln, Nico, you know them?

Lincoln: You bet we do, J.D. The Supremacy Sun Gene-Slammer is Gina Readington, she's from Oregon, and she was also born with amazing light and fire powers, earning her the name of The Angel of The Sun, and she is also one of my Guardian Angels, and she is known for bringing down many dangerous insane asylum escapees.

Nico: And The Red-Eyes Zombie Dragon Gene-Slammer is Natasha Hernandez, she's the older sister of Fiona, Marie, and Nicole. She's also a Goth Girl and has been born from darkness and here's a big surprise, she's also a vampire.

Me: Whoa, now that's awesome, The Angel of The Sun and The Vampire Angel of Darkness, quite the awesome two-for-one rescue.

Lincoln: It sure is, now, let's get Natasha and Gina back to normal, Nico.

Nico: On it.

Lincoln: Boys, you know the drill, and Nicole, you know what to do?

Me, Eli, and the rest of the boys covered our eyes as Lincoln and Nico snapped their fingers, and Gina and Natasha were reverting back to normal. Gina Readington is a beautiful 17-year-old girl with long sunlight blonde hair going to the upper part of her back, sunlight yellow eyes, fair skin, she's 6'5" in height, she had the body of a goddess, and she has massive sunlight yellow angel wings, as she reigned in the power of The Supremacy Sun, and Natasha Hernandez is a beautiful 17-year-old girl with long pitch black hair going to the upper part of her back, blood red eyes, fair skin and vampire fangs, she's 6'5" in height, she had the body of a goddess, and she has massive pitch black angel wings, as she reigned in the power of the Red-Eyes Zombie Dragon, and they were in their birthday suits.

Lincoln: How do you and Natasha feel, Gina?

Gina Readington: Good (Realizes she and Natasha are in their birthday suits) But, me and Natasha are also in our birthday suits.

Lincoln gave Gina Readington her new wardrobe, a sleeveless orange vest, sleeveless yellow midriff top, brown shorts, brown high heeled boots with butterflies on them, and a long sunlight yellow sleeveless trenchcoat with suns and fire on the coattails and on the back is The Supremacy Sun, and on her back is a large Supremacy Sun-themed sword with a 6'5" massive, wide, double-edged, man-sized sunlight yellow blade with The Supremacy Sun etched on it, large sunlight yellow angel wings for the crossguard, large orange gem for the hilt, longer black handle, and a large sunlight yellow gem surrounded by angel wings for the pommel.

Gina Readington: Wow, I love the new outfit you made for me, Lincoln.

Natasha Hernandez: Same with my new outfit, Nico.

Natasha Hernandez ran up to Nico, and they hugged. Suddenly, a

Thunderbird Necklace of Eternal Love appeared on Gina Readington's neck with sunlight yellow gems on the gold lightning bolts and orange crystals links from her new Crystal Necklace of the Buddha, which merged with her Thunderbird Necklace of Eternal Love.

Gina Readington: (Surprised) Whoa, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love, which means you're now part of my harem and my many future wives, Gina.

Gina Readington had a smile on her face and tears coming from her eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around her waist and he leaned down and he kissed her on the lips, and she returned it, and we cheered for them. Then, we went up to the fourteen girls here, and when Lincoln saw them, they immediately recognized them. The fourteen girls are Mariel, Cynthia Landravager, Ichigo, Ringo, and Sango, Jihiou Ryuuka, Suzuki Ikuyo, and Tsurugi Konoe from Hanaukyou Maid Tai, Machiko Ryou, Morino Kirin, Shiina, Tsuyuko, and Yuki Uchiki from Gourmet Girl Graffiti, and Sara Crewe from Princess Sara.

Lincoln: Oh wow, it's Mariel, Cynthia Landravager, Ichigo, Ringo, and Sango, Jihiou Ryuuka, Suzuki Ikuyo, Tsurugi Konoe, Machiko Ryou, Morino Kirin, Shiina, Tsuyuko, Yuki Uchiki, and Sara Crewe.

Nicole Knudson: From Hanaukyou Maid Tai, Gourmet Girl Graffiti, and Princess Sara, awesome.

Lincoln: Are you girls okay?

Sara Crewe: Yes, we're okay, thanks to you.

Then, when Sara Crew and the other thirteen girls saw who it was that saved them from King Malbert, their faces turned atomic red upon seeing the 17-year-old 7'0" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide right pec and it was surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top was the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, and Buffalo, and below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and a Mark of Manhood tattoo of a bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

He had his massive Sword of Universal Hope and Elemental Bravery holstered on his wider and muscular back, his orange Crystal Saber holstered on his left hip and his Eater of Sins revolver holstered on his right hip, the Pisces the Fish constellation and Aquarius Zodiac sign on the back of his neck and the Cygnus the Swan constellation on the back of his massive left hand, large weighted orange bands on his massive biceps and thighs with silver phoenixes on them, his large gold Cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, massive and indestructible deep sapphire blue angel wings and the stars and blue nebulae reflecting on them with rainbow tips on the large deep sapphire blue feathers, and he was dressed in an orange version of He Man 2002's loincloth with hanging silver lightning bolts and long orange trenchcoat coattails with elemental forces, Thunderbirds, Phoenixes, and Buffalo on them and with hanging mini silver lightning bolts held up by his large gold Belt of Elemental Bravery with a large gold buffalo head with orange gems for eyes and a large orange gem in its mouth for the belt buckle on his waist, a pair of large blue pants with multicolored lightning bolts on the thighs with the orange kanjis "Savior of The Loud House, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of The Thunderbird, and The Unifier of The Three Kingdoms" on the left legs, and large white leather combat boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and armor on the toe area, silver Buffalo head stud earrings with the Thunderbird and Eternity Kanji on it, large Thunderbird Necklace of Eternal Love with colored gems on the gold lightning bolts and orange crystals from his merged large Crystal Necklace of The Buddha with a large deep sapphire blue gem in the shape of a Thunderbird on top of a silver Buffalo head with the Thunderbird and Eternity Kanji on his neck and across his bare chest, large fingerless orange gloves with the symbol of The Loud House on it and surrounded in a diamond formation are a Phoenix, Thunderbird, Buffalo, and Angel, a large Orange Buffalo Animal Spirit Ring on his left ring finger, large Blue Lantern ring on his right ring finger, he had eight large orange orbs orbiting around his legs, and circling around his feet on the floor are eight golden crosses with angelic runes.

Sara Crewe: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made thirteen clones of himself, and he and the thirteen clones went up to the girls, and hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrap their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Sara Crewe: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, fourteen Thunderbird Necklaces of Eternal Love appeared on the necks of Mariel, Cynthia Landravager, Ichigo, Ringo, and Sango, Jihiou Ryuuka, Suzuki Ikuyo, Tsurugi Konoe, Machiko Ryou, Morino Kirin, Shiina, Tsuyuko, Yuki Uchiki, and Sara Crewe with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha. We return to the Estate, and we told everyone what'd happened, and they were shocked when they found out the villain was King Malbert.

But, when Lincoln showed what he did in destroying the weather ray and the doomsday devices of the Evil Scientists, and killing and Super Hakaing King Malbert, they cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Gina Readington now have a lot of catching up to do, now that she's back, and the same goes with Nico and Natasha Hernandez, and we put Igor and his friends under our protections, and while Dr. Schadenfreude is then relegated to a pickle salesman, the other Evil Scientists were sent to prison for the rest of their lives.

* * *

After getting rid of King Malbert, we were training intensely in the gym, this time, doing 150,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Gina Readington and Natasha Hernandez saw Lincoln and Nico working out like crazy, she had atomic red blushes on their faces.

Gina Readington: Whoa, Lincoln's really grown to be a 17-year-old 7'0" tall, really big, and really strong man, just look at those abnormally massive and powerful muscles hard at work, and to work out with those 9,500-lb barbells and not even get tired, incredible.

Natasha Hernandez: Same with Nico, and I knew just how strong he was when I last saw him, but now, he's really grown a lot.

Lincoln: And I've also trained a lot under some very powerful teachers, J.D. and Nico included, Gina, and now, I can also defend myself, and you've heard from your sisters that Nico's the new leader of the team.

Natasha Hernandez: That I did, and he's worked hard to earn it, especially during the War against Xehanort and the battle with Team Dark Phoenix Storm.

Gina Readington: And I'm proud that you can now defend yourself, Lincoln. And I've got a horrifying revelation about Joe Quimby, Mr. Burns, Abraham Simpson, Hans Sprungfeld, and much of Springfield.

Lisa Simpson: We've already heard from another of Lincoln's Guardian Angels about Joe Quimby in what he and Mr. Burns tried to do, and we were already horrified.

Bart Simpson: Yeah, but if this involves not only Joe Quimby and Mr. Burns, but also, our former Grandpa, Hans Sprungfeld, and much of Springfield, this is something really big.

Gina Readington: And you're right about that one, Bart. It took place a few days after Quimby's plan to kidnap the President's daughter was foiled, and I was asked by The President of the United States to go undercover in Springfield, and he told me it's something that involved Joe Quimby, Mr. Burns, Abraham Simpson, Hans Sprungfeld, and much of Springfield. I agreed to do so, and since I have powers of fire and light, I'll fight my way out if they try to kill me. Anyways, I arrived at Springfield, and I infiltrated the hidden secret room in Town Hall, and I found out that Joe Quimby, Mr. Burns, Abraham Simpson, and much of Springfield were doing a dark Satanic ritual to bring Hans Sprungfeld back from the dead, and for one exact reason: to kill all those who haven't been corrupted by the corruption of Springfield. I wasn't going to let that happen, so I fired a blast of holy light, which stopped the Satanic ritual, and Hans Sprungfeld's evil spirit was sent back to Hell, and then, I blinded those who were there at the ritual, and I made my escape. I told The President of what happened, and he was horrified. So, he issued another bounty on the heads of Joe Quimby, Mr. Burns, Abraham Simpson, and much of Springfield for attempting this dark Satanic ritual.

We were horrified at this incredibly dark revelation.

Me: My God, that was awful.

Nico: You said it, J.D. But, Gina, you did an awesome job in stopping that Satanic ritual, but there's something else you should know: long ago during one of Lincoln's rescues, we faced off against Hans Sprungfeld, who came back from the dead, thanks to a Dark Orb, and we sent him to The Neptune Prison for Traitors for life, and we also found out that Marge Simpson was being controlled by a mind-control chip put on her by Mr. Burns.

Gina Readington: Whoa, that's awful. But, now, Marge is freed and the traitor is now in prison for the rest of his life.

Lincoln: And we also have Abraham Simpson imprisoned in a painting, which is now his prison for the rest of his life. Speaking of which, I've got a horrible punishment in store for that grumpy, brainless, bitter old goat.

Lincoln made a skunk call, and he summoned skunks, and after they gathered around the painting of Abraham Simpson, they sprayed Abraham Simpson and he screamed. P.U.!

Abraham Simpson: Oh yuck!

Nico: P.U., who stepped on a duck?!

We laughed hysterically at the act of humiliation. Then, Lincoln snapped his fingers and he taped Abraham Simpson's mouth shut.

Fluttershy: My Goodness, Linky, that was impressive.

Me: I'm going to guess Fluttershy taught you how to speak the languages of the animals, right, big guy?

Lincoln: Yep, and I've also had experience with caring for Lana's animals, along with Charles, Cliff, Walt, Geo, and Fangs, and I had to tape Abraham Simpson's mouth shut, so we won't have to hear him rant like crazy again.

Homer Simpson: As far as I'm concerned, that old goat's no longer my father.

Lisa Simpson: What he did to Dad during his childhood was horrible, and now, Grampa will pay for his crimes for the remainder of his life imprisoned in a painting.

We then got a shower afterward, but then, the alarm sounded, and Lincoln checked it out, and he'd found out that Gottn Goh is here, and he's causing havoc.

Elpeo Ple: Oh crap, Gottn Goh is here, and that fanatic military commander of Neo Zeon is causing havoc.

Lincoln: I remembered you telling me that he's not only fanatically loyal to Neo Zeon, but also to Haman Karn. He needs to be stopped here and now, come on, let's go.

We then flew out, and Lincoln fired a powerful rainbow energy blast, which hits Gottn Goh on the back. When he saw us here, he was enraged.

Gottn Goh: So, the killers of Haman Karn, along with the traitor are here?! Now, I will have my revenge on all of you for what you did to Haman Karn!

Lincoln: Don't even think about it. Though I have respect for veterans of the military, I have none for someone who follows a monster like Haman Karn, you're a disgrace to the military, and now, you're about to be court martialed!

Sara Crewe: And I've had enough of you to last an eternity.

Suddenly, Sara Crewe's green eyes turned neon green, and she was surrounded by a green energy aura with precious jewels, light, and doves, and as she approached Gottn Goh, she left green energy, precious jewels, light, and doves with every step. Suddenly, Sara Crewe was then surrounded by a massive vortex of green energy with precious gems and light surrounding it, there was a dove flying around the vortex, and in the vortex is a yellow phoenix. Then, as the vortex faded, Sara Crewe emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Sara Crewe grew to 6'5" in height, she had the body of a goddess and has green highlights in the bangs of her long flowing black hair going down to the middle of her back, she has neon green eyes and a green energy aura with precious gems, light, and doves, surrounding her, she has a dove with a diamond and the Light Kanji in its claws emblazoned on her forehead, she has on dove earrings with green jewels for the eyes and the Light Kanji in its claws, and she also has a dove with green gems for the eyes and the Light Kanji in its claws for the second pendant of her Thunderbird Necklace of Eternal Love with green gems on the gold lightning bolts and green crystals from her Crystal Necklace of The Buddha which merged with her Thunderbird Necklace of Eternal Love. Sara Crewe has on a long green sleeveless trenchcoat with precious jewels and doves on the coattails and right on the back is a dove with precious jewels surrounding it, a long green dress with a yellow phoenix on ii, the frilly dress has jewels on it, black pants with light on the legs, brown ankle-high high heels, and she has on a Blue Lantern ring on her left ring finger. Suddenly, Sara Crewe felt a sharp pain on her back, and then, massive black angel wings with green tips on the large black feathers sprouted out from her back.

Sara Crewe had a new large sword in her hand called Theon's Jeweled Crystal Sword of Celestial Justice, it's a new large sword with a 6'9" massive, wide, double-edged rainbow blade with the Greek goddess, Theon, etched on it and surrounded in a circle by colorful jewels, large dove heads with pink gems for eyes for the crossguard, large colored gem for the hilt, longer black handle, and four large dove heads with colored gems for the eyes and large colored gems in its mouths for the pommel. Sara Crewe has on her new large gold cuff Bracelets of the Champions of The Universe with green gems on her wrists, gold Belt of Elemental Bravery with a gold dove head with green gems for the eyes and large colored gem in its open mouth for the belt buckle, large green Spellbook of The Gods and The Universe and large green Universal Spellbook of The

Elemental Forces on her left hip and Eater of Sins revolver holstered on her right hip. There's a yellow kanji below the dove that said, "Sara Crewe, Daughter of Captain Ralph Crewe, Friend to Many, Loving Future Wife of Lincoln Loud, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, Emissary of Theon, Ambassador of Hope, and Master of Jewels, Light, and Doves."

サラ・クルー、キャプテン・ラルフ・クルーの娘、多くの友人、リンカーン・ラウドの愛する未来の妻、悪の殺し屋、狂った、殺人、冷酷、そしてサディスティックな野郎、驚くべき強力な教師の驚くべき強力な学生、テオンの使者、大使希望、そして宝石、光、鳩のマスター

Sara Crewe has transformed into SUPER ANGEL INFINITY CELESTIAL CRYSTAL GEM DOVE ANGEL OF CRYSTAL JUSTICE AND DIVINE HOPE!

We were amazed by Sara Crewe's Super Angel Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes. But, when Gottn Goh saw it, he fell into a rage and tried to kill her, but Sara Crewe fired a powerful green energy blast with doves, light, and colored gems, which hits him, and the sharp gems left cuts on him.

Lincoln: Wow, Sara, you look beautiful. How do you feel?

Sara Crewe: (Divine Echoing Cosmic Voice of The Jeweled Dove and Divine Hope) **I feel incredible, Lincoln. Now, shall we take care of this evil monster?**

Lincoln: (Smiles) With pleasure.

Lincoln unholstered his improved massive Sword of Universal Hope and Elemental Bravery from his wider and muscular back and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Sara Crewe.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Let's put an end to that monster.**

Sara Crewe and Lincoln went after Gottn Goh, and they fired powerful blasts of rainbow energy, green energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Gravity, Magic, Blood, Thunderbirds, Phoenixes, Angels, Doves, and Buffalo at Gottn Goh, and they'd exploded with incredible power as they hit him. Then, they attacked him with their massive swords, and Gottn Goh was bleeding badly from the unhealing wounds from the swords of Sara Crewe and Lincoln. Then, Sara Crewe tied Gottn Goh up with red energy threads.

Sara Crewe: **Okay, Lincoln, you know what to do?**

Lincoln: **You got it, Sara.**

Lincoln spreads his massive deep sapphire blue angel wings, and red energy was already forming in them. This filled Gottn Goh with dread, as she sees that his death was fast approaching, and his desire for revenge is about to be cut with a knife for good.

Lincoln: **DEATH WING LIFE DRAIN!**

Lincoln fired massive red beams of energy from his spread-out massive deep sapphire blue angel wings, and as the blasts hit Gottn Goh, Lincoln began sucking out and absorbing Gottn Goh's life energy, and Lincoln's rainbow energy aura with elemental forces, angels, phoenixes, buffalo, and thunderbirds flared up extremely, as he gained a massive power and energy boost to his infinite power, and we saw that Gottn Goh was being drained of his life force. When Lincoln was done, Gottn Goh was reduced to a lifeless and mummified husk, and as soon as his spirit appeared, Lincoln Super Hakaied him and Gottn Goh was banished to Oblivion for good. We cheered wildly for them, as Lincoln and Sara Crewe holstered their massive swords on their backs and power down, and Sara Crewe's new body, clothes, weapons, jewelry, and angel wings are permanent.

Sara Crewe and Lincoln: In the immortal words of Nico, Gottn Goh, you have failed this entire world!

Nico: Yeah, that's telling that bastard, guys.

Sara Crewe: Thank you for helping me in putting a stop to Gottn Goh, Lincoln.

Lincoln: (Smiles Warmly) You're welcome, Sara.

Suddenly, Sara Crewe wraps her arms around Lincoln's waist, and Lincoln wrapped his abnormally massive and powerful muscular arms around Sara Crewe's waist, and he then brought her into an embrace, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Sara Crewe's face, they kissed passionately as Sara Crewe wraps her left arm around Lincoln's wider and muscular back, and placed her left hand on Lincoln's massive and wide right pec, and right behind them was a Thunderbird, Phoenix, Hummingbird, Dove, and Angel flying in the air, and we also saw a herd of Buffalo running across the field, jewels glittering around them in the light, and the display of the elemental forces behind them, and we cheered for them.

Me: Alright, way to go, guys.

Nico: That's another of Haman Karn's goons put down for good, and Sara Crewe transformed to fight that monster, awesome.

Lincoln: You said it, Nico, but none of Haman Karn's goons are done yet. In fact, we've pissed them off even more, and they're not going to stop until Haman Karn's been avenged. But, the only thing awaiting them is death.

Nico: You got that right, especially if you use that Death Wing Life Drain move of yours, Lincoln.

Me: If Lincoln can pull off that kind of move, then, so can we.

Lincoln: That's right, you guys can also use the Death Wing Life Drain technique, but I'll have more techniques in store, just to mix things up and really piss off the villains.

Nico: Yeah, that's what I like to hear, big guy.

We returned home, and we got rid of another ally of Haman Karn, but there's still bound to be more of them out there, but we'll be ready for them.

---

Princess Luna: I'm Princess Luna, Princess of the Night and the Moon and Princess of the Dark Skylanders.

Princess Celestia: And I'm Princess Celestia, Princess of the Sun and the Princess of the Light Skylanders.

Laval: Wow! It's an honor to meet you all.

Me: And Fluttershy as you all know is the Princess of Kindness, Animals and of the Life Skylanders and is the Element of Kindness.

Eris (Chima): Wow that is awesome!

Rainbow Dash: So, who are we going after today?

Me: We're going after the Saber-Tooth Tiger Tribe. They are the Last Tribe of the Ice Warriors for us to face. But I have a special treat for you all. Like Fluttershy you all are going to be learning how to use Chi like she did.

Rainbow Dash: Awesome!

Pinkie Pie: This is gonna be amazing!

Laval: I'm more than honored to teach you all.

Starlight Glimmer: This is gonna be amazing.

Cragger: (to Sunset Shimmer) You and I definitely have something in common.

Sunset Shimmer: What's that?

Cragger: We both once started out as bad guys and then we changed our ways.

Sunset Shimmer: That's true. We do have something in common. How great.

Me: That is coincidental. Same with Starlight Glimmer.

Cragger: Very interesting.

Me: Yep.

Laval: All right lets get to work.

Me: But first. (Snaps fingers)

I had the girls dressed in awesome fighter clothes like Master Goku's and then they got to work and were learning really fast like how Fluttershy did.

Laval: You girls are fast learners.

Me: They sure are.

Eris (Chima): Twilight is Princess Celestia a great teacher to you?

Twilight Sparkle: She sure is Eris and she has taught me so much over the years. She taught me so much about Friendship and everything and it was amazing.

Me: Twilight has accomplished so much over the years and has done things that no one in Equestria has even thought of. But also Twilight's friends have become Princesses too. The biggest reason for that is because of their accomplishments in one of our biggest major battles that we have had 5 months ago. It was the battle with Team Dark Phoenix Storm.

I went over everything that happened in Chapter 1537 and it was awesome and absolutely epic and when I was done they were all amazed.

Laval: Wow! That is incredible!

Eris (Chima): Wow! Their bonds with Lincoln is amazing and Fluttershy after how you and your friends all have saved the world and showed awesome love and friendship with Lincoln you al more than earned the right to be named princesses.

Fluttershy: Oh thank you Eris.

Laval: I can't believe a tiny villain made such a big group.

Cragger: Morag might've tried to kill Lincoln and his sisters for peace and quiet on her home of Scotland. But Mr. Mind was the real mastermind.

Me: That he was. And he was gonna destroy the entire planet with powerful nuclear missiles. But thanks to all of us we put a stop to him and destroyed Team Dark Phoenix Storm for good.

Twilight Sparkle: We sure did.

Me: But Morag is now nothing more than a forgotten memory. She hated the Loud's over something so petty as peace and quiet. She should know by now that the Loud Family is not just called that just for show. They are awesome too.

Fluttershy: That is true.

Rainbow Dash: And they are really awesome friends too.

Laval: That is right.

We later got the training done and like Fluttershy they were true masters of Chi as well.

Me: Awesome. (Senses something) Just in time too. Here they come.

We saw The Saber-Tooth Tiger Tribe coming!

Laval: You guys want us? Come get us!

Sir Fangar: NOW DIE!

Me: Feel the burn!

I fired a blast of fire and burned his ice arm off and it melted and the girls all blasted them all over with Chi blasts and smashed them down and tied them up with flowers and vines and I used my powers to strip the Saber Tooth Tiger Tribe of their ice powers and they were now our own.

Me: Awesome. How is that for thawing out your frozen heart.

Twilight Sparkle: The Saber-Tooth Tiger Tribe is going to be in the Masters of Evil Prison for a long time.

Me: Yep.

Fluttershy: That is right.

Me: But it looks like we've taken care of all the tribes of the Ice

Warrior Tribes.

Eris (Chima): We sure have.

Laval: On the big day, we're going after the Scorpion Tribe.

Me: Looking forward to that one. This will be a poisonous battle.

We laughed at that joke.

Laval: Fluttershy, you might think this is weird. But ever since I met you, I've come to see you as the big sister I've always wanted.

Fluttershy: Oh I'm honored that you think that Laval. Thank you. (Hugs him and cries)

Rarity: (Voice breaks) I can't bear to see Fluttershy cry!

Pinkie Pie: It's just heartwrenching!

They all hugged her and cried.

Me: Oh it's great they have such bonds.

Eris (Chima): That is so sweet.

Cragger: It sure is. But what about Applejack?

Pinkie Pie: Applejack cries on the inside Cragger!

Applejack: It's true.

Later we came back.

Nico: Hey guys. How did it go?

Me: Went off perfectly well and also the Mane 10 now know how to use Chi.

Eli: Wow! I was right!

Nico: Awesome! And I see you have the Saber-Tooth Tiger Tribe all captured as well.

Me: Yep. We sure do.

Nico: Pinkie, two days after today will be your Ambassdor missions.

Pinkie Pie: Ooh! I hope I like where I'm going.

Nico: Oh you will.

---

At the school it was time for the Annual Gotham Royal York School Sports Festival. It was an event that shows the athletic skills of all the great athletes in all of the city and in the schools.

Me: This is gonna be so awesome! I have been looking forward to this event all week.

Nico: Me too and it's a big honor to see many kids show their stuff.

Laney: It sure is awesome.

Nicole Hernandez: I've been really looking forward to this one.

Marcel: Me too.

Me: Glad you all could make it to watch and root Sakura, Li, Eli, Lynn and everyone on.

Admiral Zhao: It sure is gonna be amazing to see how everyone does.

Zuko: I bet you're gonna have lots of fun, Lynn.

Lynn: Oh you know it Zuko! This is gonna be sick!

Eli: I'm looking forward to all this too.

Videl Chan: Me too! Daddy are you excited for me?

Nico: You bet I am sweetie.

Me: Awesome!

Natasha Avalon: I've missed out on so much over the years since I was dead. I wonder how Sakura has been doing.

Me: You'll really be impressed Natasha. The events are just about to start.

Tarzan: Videl, I hope you don't get hurt.

Videl Chan: Don't worry Tarzan I'll be all right.

Nico: That's my tough Saiyan girl.

The 40 meter dash was on.

Nico: Here we go.

Me: GO ELI!

Nico: GO VIDEL!

Me: We sure have a lot of amazing athletes today. And it looks like Sakura and Li are gonna have fun too.

Nico: Yep.

Laney: Yep.

BANG!

The start went off and Sakura, Li, Lynn, Eli, Videl and all of the kids were neck and neck and then crossing the finish line was Lynn, Videl, Sakura and Eli! With Li in 3rd!

Nico: WHOA! A 4-way tie!

Natasha Avalon: Wow! That was amazing!

Lincoln: It sure was.

Rita (Cardcaptors): Wow! Way to go guys!

Eli: Thanks Rita.

Chelsea: This is so awesome.

We saw Sakura and the Cheerleading Squad do all kinds of awesome moves and they were great!

Nico: Wow! Sakura is very skilled and Acrobatic.

Me: She sure is.

Natasha Avalon: Oh wow! My little girl has grown up fast.

Marie Hernandez: She sure has Mrs. Avalon. You would be amazed at how much she has done on the team over the years when she first joined us.

Weddinmon: Yeah it's really awesome.

Amora the Enchantress: Yeah she has done it all.

Hun Gurr: There should be a tiebreaker for the race.

Nico: I think we're going to get one for the obstacle course.

Me: Yep. This will be exciting to see.

Julian (Cardcaptors): It sure will.

Nico: Yep.

The Obstacle Course was underway and the race between Li, Sakura, Himiko, Videl, Lynn and Eli and a bunch of competitors was on. They were running and had to go through all kinds of amazing obstacles: Tires, Monkey Bars, Balance beams, barrels and more. Then Sakura Avalon crossed the finish line first and it was awesome!

Nico: WOW! Way to go Sakura!

Natasha Avalon: Wow!

?: Sakura is quite talented.

We saw a woman with red hair and it was Ms. Layla MacKenzie.

Me: Oh and you must be Ms. Layla MacKenzie.

Ms. MacKenzie: That's right J.D. and it's an honor to meet you and all of Team Loud Phoenix Storm.

Nico: Same here. We heard so much about you.

Ms. MacKenzie: I'm glad.

Snarl: Her Sakura grown a lot while you mother dead.

Nico: She sure has Snarl.

Sakura came.

Sakura Avalon: That was great!

Me: Boy it sure was! You did great Sakura!

Lynn: Yeah we're so proud of you.

Natasha Avalon: Same here Sakura. I'm proud of you.

Sakura Avalon: Thanks mom. (See's Ms. MacKenzie) Ms. MacKenzie it's great to see you again.

Ms. MacKenzie: Same to you Sakura.

Julian (Cardcaptors): Sakura you sure are fast and gifted.

Tory: You should see when it's time for dinner.

CRUNCH!

Tory yelled in pain as Sakura crushed his foot in a huff for being teased like that.

Nico: Tory be nice to her. Besides it's time to eat.

Madison Taylor: Good idea. My mom will be here in a few minutes.

Me: Okay.

We got to eating and we had an awesome picnic.

Live Action Mirage: (Italian Accent) You are a really-a gifted girl Sakura.

Sakura Avalon: Thanks Dino.

Amora: That's my awesome frenemy.

Tory: That really hurt!

Sissi Delmas: Well, that's what you get.

May: You really shouldn't have teased Sakura like that.

Me: Oh guys he's just doing his job as a big brother. It's perfectly normal for families. It's part of who they are to tease their siblings.

Nico: Yeah take it from me. I'm a big brother and I sometimes tease my sibs from time to time.

Alicia Chan: It's true but Nico doesn't tease anyone like how Tory does but he doesn't mean any harm.

Sissi Delmas: Yeah you're right.

Sakura's dad came.

Mr. Avalon: Hey guys. I'm sorry I'm late. I had a really big lecture.

Me: No worries Mr. Avalon. We got the whole thing on camera and took lots of pictures with our phones.

Eli: We sure did.

Nico: But you should have seen Sakura. She and everyone did great.

Himiko: They sure did. Sakura is a really gifted girl in a lot of awesome sports.

Rainbow Dash: She sure is. And we're proud of her.

Mr. Avalon: That's great.

We got to eating and then Madison's mom came up to us.

Samantha Taylor: Madison?

Madison Taylor: Hey mom! Glad you could make it.

Natasha Avalon: Samantha? Wow you have changed a lot.

Samantha Taylor: (Gasp) Natasha!? You're back!

They went and hugged for the first time in a while.

Me: We have quite a strange story to tell you all about that.

Nico: No kidding.

Me: It's just about time for the 100 meter parent race.

Samantha Taylor: You ready to eat my dust Avalon?

Mr. Avalon: May the best win.

Then Captain Boomerang, Grundy, Bizarro, Black Manta, Dr. Destiny, Tala, Felix Faust, Six Gum Gang, Mr. Fizz and Dodgeball Wizard appeared.

Captain Boomerang: (Australian Accent) Can me, Grundy, Bizarro, Black Manta, Dr. Destiny, Tala, Felix Faust, Six Gum Gang, Mr. Fizz and Dodgeball Wizard go with you guys?

Dixie: And Sakura? You did an awesome job!

Sakura Avalon: Thanks Dixie.

Nico: Yes you all can come with us and you arrived just in time for the main event. The Parents 100-Meter run is on.

Eli: May is in this one and so is Rainbow Dash and Applejack.

Felix Faust: This will be awesome.

Me: Yep and we found out that Madison's mom and Sakura's dad have a really interesting history together. They both have been competing against each other in sporting events for a while.

Natasha Avalon: (Giggles) That's Sam for you.

Natasha Hernandez: But it's really interesting to see.

Black Manta: It sure is.

Then we saw a massive snowstorm of flowers appear.

Laney: Wow! Look at all these flowers.

Me: I think I know what's causing this.

Nico: Flower Card?

Me: Yep.

Yondu: For fuck's sake, I thought we got all the Clow Cards!

Goof: You guys did, didn't you?

Me: Yes we did but Kero said she likes to appear at parties and events like this to brighten up the place with flowers. She is not a harmful card.

Yondu: Oh that makes sense.

Pinkie Pie: My kind of card.

Laney: Same here and she is a really graceful dancer.

Nico: And she is up there.

We saw the Flower Card on the roof of the school dancing and spreading flowers all over the place.

Amora the Enchantress: Wow! Laney wasn't kidding.

Me: Nope. Watch.

I went over and she took my hand and we were dancing and spreading awesome flowers all over and she was great.

Me: You sure know how to brighten up an awesome event.

She later went back to card form.

Laney: That was just as awesome as before.

Madison Taylor: It sure was.

Eli: Also Sakura's dad won.

Natasha Avalon: Oh boy Sammie hates to lose.

Lynn: Welcome to my world.

Later we were heading to the Park.

Suddenly, Lincoln's deep sapphire blue eyes glowed even more, as he sensed a dark signal moving fast, and he saw a vision of who the dark energy signal belonged to, it's the Buffyverse version of Dracula, and he's heading for us, mainly towards Buffy Summers. When we saw that, it definitely meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, does this mean the next douchebag from Buffy's past is heading for us?

Lincoln: That's right, Nico, it's Dracula.

Soryuin Akemi: Which means, Lincoln and I are going to face him.

Buffy Summers: And I already told my friends about what happened yesterday, and they're coming here tomorrow to Gotham Royal York, and that means tomorrow, Tachibana Satomi and Lincoln are going to face Angelus.

Nico: Alright. Nice one, Buffy, and it'll be a good thing, because from what you told us, we'll have to go prepared, Angelus is known as a very sadistic and dangerous vampire, and he has no remorse for his actions or for the lives he's taken. He needs to be destroyed for good, and sent to Hell where he rightfully belongs.

Me: You got that right, Nico, and it'll be awesome to see your old friends again, Buffy.

Nico: You said it. Alright, everyone, let's go.

We headed out, and then, after our mission, Soryuin Akemi and Lincoln are going to face off against the Buffyverse version of Dracula, and they're going to make sure he never returns again to torment mankind and antagonize Buffy ever again.

Nico: You did really awesome today Sakura.

Sakura Avalon: Thanks guys and thank you all for coming to watch me and everyone.

Me: It was no problem.

Natasha Avalon: It was so fun to see you do all that Sakura.

Sakura Avalon: Thanks mom. It sure was.

Admiral Zhao: We had a lot of fun with this today.

Me: Boy we sure did.

Catherine Iroh: Sakura is a really gifted girl in many things too.

Chelsea: That's right.

Me: Yep.

Wilbur: Has anyone seen Rigby today?

Dodgeball Wizard: Not me.

Me: That's weird.

But then we smelled a REALLY FOUL ODOR!

Me: (Sniffs) EW! LORI did you rip one!?

Lori: No that's not me!

Khybon: That smells like Toxis!

Toxis: HEY! It's not me!

Nico: Wait I know this smell. It's a Skunk!

Rigby then came and he SMELLED REALLY HORRIBLE!

Rigby: Help me guys.

Me: OH MY GOD! RIGBY GOT SPRAYED BY A SKUNK!

Nico: OH GROSS!

Leni: Looks like he totes knows how I felt!

Lunk: You okay, Rigby?

Rigby: I'm fine.

Runt: You sure? Because a few seconds ago, you said-

Rigby: I've had it up to here with your concerns about me to last an eternity, okay?! I'm fucking fine!

Maria: (shocked) Way to throw one of our words right back at us.

William: We probably shouldn't say those words anymore after today.

Me: I agree. Something is weird here.

Nico: Yeah and it's not good.

Eli: I sense an evil force here at work. This is not an ordinary skunk that sprayed Rigby.

Nico: We better talk to Skips.

Brittney: (In her head) Something is seriously up here. I've seen this kind of behavior before and it's not good.

Hard Man: Rigby, I'm not kidding. Something's wrong with you. Let us help.

Rigby: Or what? J.D. will sacrifice me against 2012 Shredder like he tried to sacrifice Jack and Eddy against Anti Cosmo?!

Nico: Whoa whoa whoa whoa! That's going too far!

Eli: Guys lets calm down! Rigby is not himself. It's not his fault he's talking like this. Something evil is at work here.

Rigby: There goes Know It All Eli again. You know, whether you want to admit it or not, it's pretty much your fault Davy Jones killed Ariel's mom!

Black Manta: (glares at Rigby) Permission to blast this jerk, Nico?!

Nico: Denied!

Eli: I know you're using that as an excuse.

Nico: Lets just get him help. But until then… (Snaps fingers)

Nico zipped up Rigby's mouth.

Lori came in wearing a HAZMAT suit and she tied him up and picked him up and we went to Skips house.

We arrived and knocked on the door and Skips came.

Me: Skips we have a problem.

We told him everything.

Skips: That was a Were-Skunk.

Nico: A Were-Skunk?

Skips: Yeah. And if you don't get that smell off of Rigby, he'll turn into one too, you know.

Nico: Oh man!

Eli: Not good.

Skips: This is bad. This isn't regular skunk spray.

Tania: Let's try getting the smell off with oranges.

Nico: No Tania. Oranges are not enough.

Brittney: Nico is right.

Brittney consulted her book and she turned it to a page to Curing Were-Skunkism.

Brittney: Here it is. The best cure to get rid of a Were-Skunk is Tomato Paste.

Laney: Tomato Paste.

Bizarro: (plugs nose) Rigby smell so beautiful!

Nico: (Nasally) He does smell beautiful.

Eli: (Nasally) Yeah. But lets find tomato paste!

Laney: Lets go.

Cassandra: J.D., Eli, please don't be upset about what Rigby said.

Nico: Cassandra's right. So, you two made bad decisions in the past. That's why one of the reasons I'm leader now. So no one has proof to badmouth us any further.

Me: We aren't upset.

Eli: Yeah we know it's not his fault. It's the Were-Skunk Curse that's making him say all that.

Nico: Good.

Eli: Yeah. But lets get him cured.

Lola: Found some!

Lola had a can of tomato paste.

Beast Boy: Believe it or not, I've been in Rigby's shoes before.

Mr. Fizz: What do you mean?

Beast Boy: Robin, remember the Beast incident?

Robin: (sighs) Not one of my best moments.

Beast Boy: It's okay, dude. It's water under the bridge now.

Nico: What happened?

Beast Boy: Well it's not pretty. We were fighting Adonis.

He told us what happened.

---

Inside an animal testing laboratory, the Teen Titans fight Adonis. The battle-suited villain easily defeats four of the Titans, but enrages Beast Boy to the point where the latter literally cuts loose and attacks Adonis furiously. During their fight, they puncture a tank containing strange chemicals and get drenched by them. After Adonis is beaten, Beast Boy exits the lab in an extremely aggressive mood, telling the other Titans that he got sick of being pushed around, leaving the other Titans bewildered.

The next morning, Beast Boy begins to display very untypical behavior, even for him: He suddenly develops an appetite for meat, becomes downright rude, meaner, and both more aggressive and hostile, and under stress even turns into his animal forms more frequently. When he finally feels unjustly provoked by Raven, he attempts to fight her, but is stopped by the others, who are put off by his manners lately. Beast Boy walks away to his quarters, destroying his furniture while ranting, and suddenly transforms into a huge hulking monster. Raven, passing by his room, hears a strange sound, but as she attempts to see what is going on, a monster comes out and attacks her.

Upon hearing Raven's cry, Robin, Starfire, and Cyborg rally, but they find Beast Boy and Raven missing and Beast Boy's quarters devastated by claw marks. Following Raven's tracer, they find her in the sewers hanging unconscious and injured from the fangs of a big green werewolf monster. The creature proves to be a very tough opponent to fight, and only with the greatest effort do the Titans manage to subdue it - to find out to their immense surprise that the creature was none other than Beast Boy; dazed, confused, and unaware of where he is.

In the Tower's sickbay, Cyborg notices upon analysis that a strange genetic compound has mingled with Beast Boy's DNA. Cyborg explains that because of Beast Boy morphing abilities, his genetic code has always been unstable. He assumes that Beast Boy may be finally falling apart. Robin starts to interrogate Beast Boy about what happened, but he firmly states that he cannot remember. When Robin pushes Beast Boy too hard, the latter looses control and once again transforms into the werebeast, and immediately goes after Raven. The Titans drive him away and back into the city; Robin and Cyborg take up pursuit, while Starfire stays behind to guard Raven. Robin ends up shooting an exploding Birdarang at the werebeast, which causes it to cry out loudly. Some time later, Raven wakes up, but she testifies that Beast Boy had not attacked, but saved her.

Robin and Cyborg follow Beast Boy back into the sewers - to encounter actually two werebeasts fighting each other. Initially, the other werebeast overwhelms Beast Boy, violently beating and throwing him about the sewers while taking no damage in return. After smashing him through the floor and into a lower level of the sewers, the other werebeast begins mercilessly beating the incapacitated Beast Boy until he appears to be unconscious. As the foe turns away, Beast Boy quickly recovers and brutally beats the beast in revenge, eventually knocking it out. Beast Boy then turns back into his true self, as does the opposing unconscious werebeast, who is revealed to be Adonis, who had broken into the tower to attack Beast Boy. Robin and Cyborg then meet in their location, and just then realize just how powerful their supposed "weakest" member of the Teen Titans was.

After the strange compound is identified as the cause and an antidote administered, Adonis was taken by the authorities while Beast Boy's name was cleared and declared innocent. Later, Beast Boy sits on the Tower island's shore, where he is joined by Raven. Raven explains to Beast Boy what happened the night of the attack: Adonis had broken in to the Tower, with intention to attack him and soon attacked her as well. Beast Boy is also disturbed and disappointed of his recent behavior and apologizes to Raven, but she assures him that it wasn't his fault as he was not himself. Beast Boy, however is also still shaken by the knowledge of what this new form is capable of, and is still fearful about this animalistic self lurking deep inside him. Raven gently reassures him that knowing when to let this bestial side out makes him all the more human and more of a man. Feeling more mature now, Beast Boy considers a change of name. Raven tells him that they're having a moment, and to not ruin it.

* * *

When he was done we were shocked.

Me: Whoa! Deja-vu.

Nico: Yeah. That was crazy!

Me: We also haven't faced Adonis yet. But that was nuts.

Lincoln: No we sure haven't.

Sakura Avalon: Yeah that was crazy.

Cybertron Menasor: (to Rigby) (Irish Accent) Lad, hold still. This won't hurt a bit!

Nico: This is for your own good.

Nico threw the paste onto Rigby.

SPLAT!

He was cured and he didn't smell horrible anymore!

Laney: Did it work?

Maria: Lets find out.

Maria blasted him with water and the smell came off him and he was cured!

Rigby: (Muffled)

Nico undid the spell.

Rigby: I'm cured! Oh thank you guys!

Nico: No problem Rigby.

Rigby: J.D., Eli, I'm sorry I said all that to you.

Me: It wasn't your fault Rigby.

Eli: Yeah it was the curse talking.

Rigby: My God. What did I say?!

Felix Faust: Rigby, it isn't your fault.

Rigby: The Hell it isn't! Those hurtful words came out of MY mouth! Not the Were Skunk's!

Nico: Rigby those were The Curse's words. Not yours.

Mordecai: Yeah dude it will be all right.

Me: Besides we forgave you.

Rigby: Eli, I'm sorry about what I said about you causing Ariel's mom's death. It was Davy Jones' fault, not yours.

RD Lucy: We know. It's not like Eli caused the death of Ariel's mom directly.

Nico: No he didn't. Davy Jones was to blame for that.

Eli: Yeah man.

Me: Also we already forgave you.

Rigby: Oh. So what do we do now?

Nico: Now we go after that Were-Skunk.

Rigby: And J.D., I know you didn't send Eddy and Jack to die at Anti-Cosmo's hands back then.

Tala: Of course he didn't. Eddy chose to confront Anti Cosmo on his own.

Jack Spicer: I just followed him. And let me just say that the two of us did a badass job against Anti Cosmo!

Me: You all sure did. That was so awesome.

Nico: Yep.

Laney: That was awesome.

Rainbow Dash: Yeah it sure was awesome.

Qin: I'll never forget the September 13th Anti-Fairy War. That was awesome.

Nico: Yep it was.

Rigby: If you guys want to kick me off the team, I understand.

Kitten: Rigby, we're not going to kick you off the team. After all, you did just apologize.

Nico: Yeah Rigby this was all an accident that wasn't your fault. We're not going to kick you off.

Mordecai: Besides after everything we went through with Chong you don't deserve that.

Laney: That's right.

Rigby: Good.

Runt: Oh Nico we forgot to ask this. Which Gene-Slammer are you hoping to meet next?

Nico: I was hoping you would ask that. I'm hoping to go for an Evolved Sonorosian Gene-Slammer next.

Me: Wow!

Ben: A gene-slammer of Ultimate Echo Echo. That would be awesome to see.

Me: It sure would. So one of the sound users will go with next.

Nico: Yep.

Dr. Destiny: Even if there are other people affected by the Were-Skunk, killing it should cure them.

Nico: That's right and the Were-Skunk that did this is Patient Zero so to speak.

Eli: That's right he is.

Nico: Yep.

Felix Faust: Speaking of which Nico we heard your rescue was at a place called Fort Chicken?

Nico: Yeah silly name for a town. But yeah it was crazy. Those kids were turned into zombies because of virus tainted chicken nuggets. Thank goodness I had Lisa tag along with me and she was able to synthesize the cure.

Lisa Loud: It was a really amazing rescue adventure.

Me: It sure was.

Kitten: How are the kids?

Me: (Sighs) Not good. They are just absolutely traumatized.

Ty Lee: Time for our entrance.

Nico: Wait Ty Lee. First we got to find the Were-Skunk.

Me: Let me call in some help.

I called Dark Spicer.

Dark Spicer answered.

Dark Spicer: Dark Spicer here.

Me: Hey Dark it's J.D.

Dark Spicer: Hey J.D. what's happening?

Me: We have a huge problem.

I told him everything and it was crazy!

Dark Spicer: Oh man! I'll be right over!

He turned into his XLR8 form and ran fast and he arrived.

Dark Spicer: Glad I got here. I'll use Feralhound to find him.

Nico: Great.

He turned into Feralhound and we were off to find the skunk.

We followed Feralhound and then we came to the forest and the scent got stronger and we looked and saw THE WERE-SKUNK!

Nico: There he is. Now we do the entrance.

We went at him.

The Were-Skunk was minding his own business. But then the spirits of DC, Marvel, and the Kids Next Door swirled around it and then converged and then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted out and a phoenix cry was heard and then we came out.

Were-Skunk: Team Loud Phoenix Storm!

Laney: Time to get your butt handed to you stinkbreath!

Grundy: Grundy smash skunk!

He punched the skunk and smashed him into a tree!

Eli: Chew on this!

Eli fired a blast of Force Lightning and electrocuted the Were-Skunk.

Then Living Laser, Whiger, Rowdyruff Boys, Abomination, Robo Roxy, Red Ghost, Kangor, Magma, Dark Laser and Aqueduct appeared!

Nico: Living Laser, Whiger, Rowdyruff Boys, Abomination, Robo Roxy, Red Ghost, Kangor, Magma, Dark Laser and Aqueduct.

Robo-Roxy: Crazy day for you all but it was awesome.

Nico: Oh it sure was.

Living Laser: So, it wasn't Rigby who said those hurtful things, right?

Maria: They may have come out of his mouth. But it wasn't him.

Whiger: That's good.

Nico: Thank goodness.

Brick: Otherwise, I'd hate to have Rigby involved in an… accident.

Me: Yeah no kidding. That would not be good.

Abomination: (to Nico) We heard you cured kids of being zombies this morning.

Nico: We sure did and it was crazy. It was because they ate tainted chicken nuggets laced with a mutant virus.

Robo Roxy: Be honest with us. Will the kids be alright?

Nico: Well the experience was really traumatizing for them. They killed innocent people because of that virus. It was horrible. They can't stop crying and are really hurt by it.

Robo-Roxy: Oh man. Poor kids.

Lana: Yeah. Ino has her work cut out for her.

Then Gloven appeared and he was back for round 2.

Nico: Gloven back for round 2.

Gloven: Yep.

Nico: Neat.

Gloven: If you guys wants to, we can have another baseball like fight for the people battling me.

Lynn: That would be awesome! I would like that.

Rainbow Dash: Same with me. That was awesome.

Laney: That was really cool.

Me: It sure was.

Gloven: Oh and we have lots of battles for you all. It's part of a test battle for the 310 new recruits battles later on.

2 figures came out and one of them was one that the Zyuohgers know and it was AZALD THE IMMORTAL CUBE WARRIOR and the other was SU YUNG!

---

Azald

Azald is a cubic alien aligned with the Deathgalien and a major antagonist in Doubutsu Sentai Zyuohger. He is the leader of Team Azald in the Deathgalien's Blood Game.

It is later revealed that Azald is actually Azald Legacy, an immensely powerful alien who once terrorized Zyuland long ago until he was repelled by the Zyuman Cetus with the power of Zyuoh Whale.

He is voiced by Joji Nakata, who previously portrayed Great

Professor Bias in Choujuu Sentai Liveman and is also known for voicing Kirei Kotomine from the Fate series.

## Origin

In the distant past, Azald Legacy attacked the Zyumans and threatened the planet. The only one willing to oppose Azald was a young whale Zyuman named Cetus whom Azald Legacy easily overpowered. However, the planet responded to Cetus's desire to protect all life and bestowed him the power of Zyuoh Whale. With his newfound powers as the original Zyuohger, Cetus used the Whale Change Gun to freeze Azald and send him into space via Cube Whale.

Hearing rumors of a monster that had been tossed into space from Earth, Ginis began searching for Azald and eventually discovered his body floating in space. Ginis attempted to remove the seal Cetus had placed on him, but this had the unintended result of causing a crystallized structure to form around Azald's body. With no memories of who he was, Azald joined the Deathgalien and swore loyalty to Ginis.

## As a Deathgalien

Azald later showed up to Earth aboard the Sagittari Ark along with the rest of the Deathgaliens for the 100th round of their blood game. He was first seen playing a board game with fellow Team Leaders Jagged and Quval, only for Jagged to eagerly pull away from the game once they arrived at their destination.

Following Quval's betrayal and death, Azald did not feel the need to continue the Blood Game, as he had no more competition, but Ginis told Azald that Quval could still win posthumously for his attempt of trying to overthrow him. Wanting to win, Azald sent another one of his Players to Earth, as well as participated himself to try to further amuse Ginis. During this attempt, Azald fought Yamato and Misao, with Yamato summoning Cube Whale. Recognizing Azald as its ancient nemesis, Cube Whale immediately attacks the Team Leader, prompting Azald to flee.

## Becoming Azald Legacy Again

Azald later broke free from his body's cubic crystallization, regaining his memories as Azald Legacy and reassuming his original form. He later returned to the Sagittari Ark and demanded Ginis tell him what he had done to him. Ginis told Azald how he had recovered him and stated that Azald should be grateful that Ginis puled him out from space. Adding on to that, Ginis told Azald that now that he had regained his full power, he expected more entertainment from him. However, Azald announced that he and Ginis were now equals, and that the Blood Game would now be between them to see who could cause the most destruction.

Azald Legacy then resumed his rampage on Earth, coming into confrontation with the Zyuohgers once again. Though initially overpowering the Zyuohgers, the team eventually succeed in exposing his core. However, before they can do anything, Naria infused the core with three Continue Medals, causing Azald Legacy to enlarge and lose control. Angry at Ginis for using him, Azald Legacy goes on a highly destructive rampage before his body was destroyed by Zyuoh Dodeka Dynamite Stream, exposing his core once again. The Zyuohgers then freeze it with Whale Charge Gun to prevent Azald Legacy from regenerating before finishing him off.

## Su Yung

Madoushi, (魔導師, Madōshi, lit. Sorceress), is a character in the Cardcaptor Sakura Anime, playing an antagonistic role and a villainess in Cardcaptor Sakura: The Movie as a vengeful spirit wishing to destroy Clow Reed, her former lover and trusted mentor.

### Life

Madoushi lived in Hong Kong around the time Clow Reed created the Clow Cards in the city. She acted as a fortune teller, foreseeing a person's future through water. However, her predictions attracted Clow Reed who disputed her claims, leading to a number of battles between the two. Before her death and subsiquent transferring to another dimension, he gave her a hairpiece for her birthday.

### Cardcaptor Sakura: The Movie

After years of waiting, Madoushi senses what she thinks is Clow

Reed's magical energy but it is actually Sakura's, who became in possession of the Clow Cards. Madoushi uses dreams and forces events so Sakura can win a trip to Hong Kong. Sakura arrives in the city with Tomoyo Daidouji, brother Touya Kinomoto, Yukito Tsukishiro and Cerberus, Madoushi repeatedly haunting her with dreams. Whilst visiting Bird Street, Sakura spots the two birds who appeared in her dreams and pursues them to an old well. Madoushi hypnotizes Sakura, but Syaoran Li, a descendant of Clow Reed, arrives to stop her.

A day later, Sakura is again lured by the birds, this time into an old antique store where she and Cerberus find an old book with a drawing of Madoushi and the well. Madoushi successfully hypnotizes Sakura into opening the book, transporting her and her companions into her dimension. Madoushi is surprised and enraged by Sakura's presence, and a battle follows between her and Syaoran but he is captured by her. Sakura escapes the dimension with Cerberus and Tomoyo. Sakura discovers the well is another entrance to the dimension, confronting Madoushi once again. Madoushi escapes to Hong Kong, confronting Sakura. She discovers Clow Reed passed away and angrily attempts to drown Sakura, but fails when she latter uses The Arrow to escape.

Sakura approaches Madoushi, relating to Madoushi's feeling of loss with her own (presumably referencing to her deceased mother). Madoushi asks once again if Clow Reed is actually dead to which Sakura confirms it. As Sakura cries, Madoushi begins to dissolve into water droplets, accepting her lover's fate and decides to join him in the afterlife. Before vanishing, she apologizes for her actions and returns Sakura's kidnapped friends to her. Sakura picks up Madoushi's hairpiece but it dissolves in her hands, Madoushi laid to rest.

## The Water Dimension

The unnamed dimension Madoushi is trapped in serves as a main location in the movie. It resembles a large rundown chamber flooded with water, and large stone columns placed across the room with a glass room reflecting light into the room. The dimension seems to spread beyond the room into a mishmash of other dimensions, but they have a water element to them. Madoushi spent many years in the dimension, beyond death, waiting for Clow Reed to come to her. She can control the water in this dimension, imprisoning several characters in watery orbs which she absorbs to escape the dimension. There are at least two entrances to the dimension: An old book and a well. In the English dub, Madoushi's hairpiece became a third entrance.

Cardcaptors

In Cardcaptors, Madoushi was given an actual name, Su Yung. She bumped accidentally into Clow Reed and the two instantly fell in love then and there. It is unknown where Madoushi was around during the creation of the Clow Cards, but she was aware of them, and presumably Cerberus and Yue. During their relationship, Clow Reed taught her how to master sorcery and magic. Eventually she began using the magic for evil purposes, offering Clow Reed a chance to rule the land, but he refused and imprisoned her. Trapped for what she believed to be forever, Madoushi tried to escape and summon Clow Reed but unknowingly died, lingering on as a spirit. Clow Reed passed away, although Madoushi remained unaware of this.

For a time, Madoushi was Clow Reed's lover. According to Cerberus, the two met and fell in love instantly. Clow Reed believed she was mature and wise enough to be taught magic. While their romantic relationship is limited in detail, Clow Reed expressed disappointment during a confrontation with her over the abusive use of her magic; leading to a battle and Madoushi's imprisonment. Madoushi became bitter and vengeful, feeling betrayed by her lover (this also makes her unaware that he was already dead). However, as a spirit she still displayed hints of love for Clow Reed, despite imprisoning her.

Sakura Avalon: Su Yung!

Me: I remember you all too well Azald! You were Ginis's right hand man and you were very difficult to defeat and would always come back for more.

Azald: That's right J.D. and it's good to meet you.

Me: Same here and Su Yung its been a while.

Su Yung: That's right. Things have sure changed since we fought.

Me: So they have. Its been over a thousand years since the time of Clow Reed. This is now the 21st Century. It's the year 2022.

Nico: That's right. Sakura and J.D. are both the true masters of the Clow Cards. It was a great and awesome adventure.

Me: Yep.

Living Laser was first.

Living Laser: (to Megan) Nico might have been able to save those kids in his rescue. But they're still traumatized.

Megan McCallister: Yeah those kids are very distraught. That virus made them kill several innocent people without them realizing it. It was like a comical version of what happened when we battled Springfield infested with the Munchers and also like what happened in 28 Days Later.

Starlight Glimmer: That was really scary but I feel really bad for those kids.

Cozy Glow: It sure was terrible. What happened to those kids was awful.

Hex: Boy it sure was and I feel sorry for all of them.

Sissi Delmas: Me too. Poor kids. Ino has her work cut out for her.

Living Laser: I don't blame her. But I wish her luck in helping all those kids and I have faith that she can do it. Lets do it!

They fired waves of stars, magic, bones and energy and smashed him down.

Fluttershy: But thanks to Igor we had him exposed and destroyed.

Tornado Bolt: We sure did and it was awesome!

Stealth Elf: Yeah it was amazing. And Malaria is now a peaceful place. We established a special restoration program for it and Igor is now president of The Republic of Malaria.

Nebula: That was so awesome.

It took place a few days after Quimby's plan to kidnap the President's daughter was foiled, and Gina was asked by The President of the United States to go undercover in Springfield, Oregon and he told her it's something that involved Joe Quimby, Mr. Burns, Abraham Simpson, Hans Sprungfeld, and much of Springfield. Gina agreed to do so, and since she has the powers of fire and light, She'll fight her way out if they tried to kill her. Anyways, She arrived at Springfield, and Gina infiltrated the hidden secret room in Town Hall, and she found out that Joe Quimby, Mr. Burns, Abraham Simpson, and much of Springfield were doing a dark Satanic ritual to bring Hans Sprungfeld back from the dead, and for one exact reason: to kill all those who haven't been corrupted by the corruption of Springfield. Gina wasn't going to let that happen, so she fired a blast of holy light, which stopped the Satanic ritual, and Hans Sprungfeld's evil spirit was sent back to Hell, and then, she blinded those who were there at the ritual, and she made her escape. Gina told The President of what happened, and he was horrified. So, he issued another bounty on the heads of Joe Quimby, Mr. Burns, Abraham Simpson, and much of Springfield for attempting this dark Satanic ritual.

The Rowdyruff Boys were shocked and horrified!

Marie Hernandez: That was a really surprising revelation. To be honest we had no idea that Samantha Taylor was that competitive too and that she would lose to him every time. Wow.

Weddinmon: Yeah talk about a nasty rivalry.

Ibara Shiozaki: Yeah it sure is.

Frozen Fright: That is a nasty rivalry.

Weddinmon: Was Samantha ever against Aiden marrying Natasha?

Marie Hernandez: No thank goodness. We found out that Natasha and Aiden were both a match made in heaven and they both fell in love at first sight. In high school, Natasha was one big klutz. She tripped on the way to school, on a skiing vacation she crashed head on into a tree, in gym class she tripped and smashed the vault down in gymnastics and she showed that she has a big heart by putting a baby bird back into its nest in a high tree. But then the tree branch she was on broke and she crashed onto Aiden and then they fell in love at that very moment.

Weddinmon: Wow! That is amazing. Talk about a 3 point landing of love.

They laughed at that.

Thunder Terror: But that was how they met and I thought that was awesome.

Magma Gloom: It sure is. At least Aiden was there at the right place at the right time to break her fall.

Toxic Horror: Thank goodness. Sakura's mom is very kindhearted and pure.

Louie PoisonSea: She sure is. Wow! You should see what she is like for everyone. She is like an angel from heaven.

Weddinmon: I can see that. Wow she has just as big a golden heart as anyone we know. Lets do it!

They fired waves of lightning and elements and smashed her down.

Marie Hernandez: LIGHTNING WINS!

Fearful 5: FEARFUL FIVE VICTORY!

Buffy Summers: Should've known I'd hear that voice again. You can come out now, Dracula.

A figure came out, and it was none other than Dracula, the powerful vampire that Buffy Summers and her friends have encountered long ago.

Buffy Summers: I should've guessed you'd be the next one to show up, Dracula. I suppose you've already heard about what happened with The Master.

Dracula (Buffyverse): Yes, but now, you will have to deal with me, Slayer.

Soryuin Akemi: No, Dracula. You'll be dealing with me, and this time, you're not getting out of this alive.

Suddenly, Soryuin Akemi's light blue eyes turned neon light blue, and she was surrounded by a light blue energy aura with ice, snow, and phoenixes, she unholstered her massive Defender of Silverman Gym sword from her back, and as she approached Dracula, she left light blue energy, ice, snow, and phoenixes with every step.

Soryuin Akemi: Dracula, you've toyed with the lives of mortals for the last time. You may have helped Buffy and her friends on some occasions, but you've proven to be an enemy to Buffy and her friends more than once, and now, I'll see to it that you never return from the dead ever again!

Suddenly, Soryuin Akemi was surrounded by a massive vortex of light blue energy with snow and ice surrounding it, there's a phoenix flying around it, and in the vortex is a black phoenix. Then, as the vortex faded, Soryuin Akemi emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Soryuin Akemi grew to 6'5" in height, she had the body of a goddess and has light blue highlights in the bangs of her long flowing black hair, she has neon light eyes and a light blue energy aura with ice, snow, dumbbells, and phoenixes surrounding her, she has a phoenix with the Ice Kanji in its claws emblazoned on her forehead, she has on phoenix earrings with light blue jewels for the eyes and the Ice Kanji in its claws, and she also has a phoenix with light blue gems for the eyes and the Ice Kanji in its claws for the second pendant of her Thunderbird Necklace of Eternal Love along with the Thunderbird pendant with light blue gems on the gold lightning bolts and light blue crystals from her Crystal Necklace of The Buddha which merged with her Thunderbird Necklace of Eternal Love. Soryuin Akemi has on a long sleeveless white trenchcoat with ice, snow, dumbbells, and phoenixes on the coattails and right on the back is the symbol of Silverman Gym surrounding it with ice and snow, a light blue blouse and blue tube top with a silver phoenix on it, white skirt with snow and ice on it, black gym shorts with snow on them, white sneakers with snowflakes, and she has on a Star Sapphire ring on her left ring finger. Suddenly, Soryuin Akemi felt a sharp pain on her back, and then, massive black angel wings with light blue tips on the large black feathers sprouted out of her back.

Suddenly, Soryuin Akemi's massive Defender of Silverman Gym was surrounded by a kaleidoscope of light blue energy, snow, ice, dumbbells, and phoenixes, and when it emerged, it was transformed into Silverman Gym's Arctic Phoenix Sword of Arctic Justice, it's a new large sword with a 6'9" massive, wide, double-edged silver blade with the symbol of Silverman Gym etched on it, large wings for the crossguard, large blue gem for the hilt, longer black handle, and a large blue gem surrounded by angel wings for the pommel. Soryuin Akemi has on her new large gold cuff Bracelets of the Champions of The Universe with light blue gems on her wrists, large gold Belt of Elemental Bravery with a gold phoenix head with light blue gems for the eyes and a large light blue gem in its open mouth for the belt buckle, large light blue Spellbook of The Gods and The Universe and large light blue Universal Spellbook of The Elemental Forces on her left hip and Eater of Sins revolver holstered on her right hip. There's a light blue kanji below the symbol of Silverman Gym that said, "Soryuin Akemi, Student of Koyo Girl's Academy, Friend of Sakura Hibiki, Tachibana Satomi, Uehara Ayaka, and Gina Boyd, Loving Future Wife of Lincoln Loud, Gym Member of Silverman Gym, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Ice, Snow, and Phoenixes."

Soryuin Akemi has transformed into SUPER ANGEL INFINITY ATHLETIC ARCTIC GYM PHOENIX ANGEL OF ICESTORM JUSTICE AND DIVINE LOVE!

We were amazed by Soryuin Akemi's Super Angel Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes. But, when Dracula saw it, his eyes turn blood red and his fangs came out, and he tried to feed on her, but Soryuin Akemi fired a powerful light blue energy blast with ice, snow, dumbbells, and phoenixes, and it hit the powerful vampire in the chest, and he wasn't affected by the ice, but he was affected by the force of the energy blast.

Sakura Hibiki: Wow, Soryuin's the next one to transform, but Dracula wasn't affected by the icy blast, how is that possible?

Nico: Since vampires are known as the walking dead, the cold doesn't affect them, since they're already dead.

Natasha Hernandez: That's right, Nico. But, Dracula did get hurt by the energy blast, since it hit him in the chest.

Lincoln: Wow, Soryuin, you look beautiful. How do you feel?

Soryuin Akemi: (Divine Echoing Cosmic Voice of The Icestorm Phoenix and Athletic Divine Love) **I feel incredible, Linky. Now, shall we end Dracula for good?**

Lincoln: (Smiles) With pleasure.

Lincoln unholstered his improved massive Sword of Universal Hope and Elemental Bravery from his wider and muscular back, and he transformed Lincoln the Vampire, as his deep sapphire blue eyes turned deep blood red and the black outline appeared around his eyes, his canine teeth grew into sharp vampire fangs, his orange version of He-Man 2002's loincloth, long orange trenchcoat flaps with the Thunderbird, Phoenix, Angel, Buffalo, and elemental forces, large orange bands with silver phoenixes on his abnormally massive and powerful biceps and thighs, eight large orange orbs orbiting around his legs, orange gems on his large cuff Bracelets of The Champions of The Universe, and large orange gem in the large gold buffalo head belt buckle on his large gold Belt of Elemental Bravery turned blood red, his large long blue pants turned black and the gold lightning bolts on the thighs turned black, his large white leather ankle-high combat boots turned black, the silver armor covering the toes and the hanging silver lightning bolts on the long orange trenchcoat flaps and loincloth turned dark silver, and his gothic dark steel gauntlets with clawed steel fingers reappeared, and he also transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Soryuin Akemi.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **This will be the last time you come back from the dead, Count Dracula.**

Nico: Alright, Lincoln's also transformed into Lincoln the Vampire, and this is going to be one epic fight.

Me: You said it, Nico.

Buffy The Vampire Slayer OST: Main Theme

Soryuin Akemi and Lincoln went after Count Dracula, and they fire powerful blasts of rainbow energy, light blue energy, dumbbells, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Gravity, Magic, Blood, Thunderbirds, Phoenixes, Angels, and Buffalo right at Count Dracula, and they exploded with incredible power as they hit the powerful vampire. Then, Dracula summoned an army of vampires to attack them, but, Lincoln's deep blood red eyes glowed, and he'd put the army of vampires under his control, and then, he ordered them to kill themselves, as they'd slit their throats with their clawed hands, and they died in a massive pool of blood, which Lincoln had devoured, as he absorbed the blood into his body.

Me: Whoa.

Nico: You said it, J.D., Lincoln put the army of vampires under his control, and he ordered them to kill themselves, and Lincoln devoured their blood, as he absorbed it into his body. Awesome.

Lori: And that's one of the many dark powers of the vampires, and we've killed many evil vampires before.

Lincoln: **Let's use our combo on Dracula and send him to Oblivion, Soryuin.**

Soryuin Akemi: **Let's do it, Linky.**

Soryuin Akemi and Lincoln: **ARCTIC SNOWSTORM VAMPIRE MOON MASSACRE!**

As the full moon turned blood red above their heads, Soryuin Akemi and Lincoln fired massive waves of ice and blood, as they transformed into an army of vampires loyal only to them, and they went at Dracula, and they attacked the vampire with unrelenting fury. Then, Soryuin Akemi tore open The Dracula's chest with one slash from her sword and Lincoln ripped Dracula's heart out of his chest, and he threw it onto the floor, and drove an energy stake through it, and it burst into purple flame, and his spirit was Super Hakaied and banished to Oblivion forever, as his body turned to dust forever. We all cheered wildly, as Soryuin Akemi and Lincoln holster their massive swords on their backs and power down and Lincoln changed back, and Soryuin Akemi's new body, clothes, weapons, jewelry, and angel wings are permanent.

Soryuin Akemi: That's it for Dracula, and that's another of Buffy's five big bad enemies taken down. Thanks for helping me take down Dracula, Linky.

Lincoln: (Smiles Warmly) You're welcome, Soryuin.

Suddenly, Soryuin Akemi wraps her arms around Lincoln's waist, and Lincoln wrapped his abnormally massive and powerful muscular arms around Soryuin Akemi's waist, and then brought her into an embrace, which took her by surprise and it brought an atomic red blush to her face. Then, as Lincoln leaned down to Soryuin Akemi's face, they kissed passionately as Soryuin Akemi wraps her left arm around Lincoln's wider and muscular back, and placed her left hand on Lincoln's massive and wide right pec, and right behind them is a Thunderbird, Phoenix, and Angel flying in the air, and we also saw a herd of Buffalo running across the field, snow falling behind them, and the display of the elemental forces behind them, and we cheered for them.

Nico: Alright, that's another one of Buffy's old enemies down, and now, all that's left are Angelus, Warren Mears, and The Beast.

Me: And Tachibana Satomi is looking forward to making sure that he pays for all those lives that he's cruelly taken since the 18th century.

Lincoln: You got that right, J.D. What Angelus had done since the 18th century in Ireland can never be forgiven, he's looking at a one-way trip to Oblivion, instead of going back to Hell for good.

Buffy Summers: You'll also need Willow's help for this one, Lincoln. I'll explain the whole story to you tomorrow about him.

Lincoln: Good idea, Buffy.

Nico: This'll be something that we'll want to hear, as well.

Me: Same here, Nico. And it looks like the extra usual battles test was a success.

Nico: Yep. We'll have 310 usual battles starting after June.

Eli: Awesome.

Mordecai: (To the viewers) If you ever pick up roadkill make sure it's dead first.

Nico: Yeah. But great job today everyone. This was a great adventure. Lets head home.

We went back home and we enjoyed the rest of the day and went to sleep.

THE END

---

Another Awesome Fanfic done.

This was a really crazy adventure. But it was really funny too. The Were-Skunk from the Regular Show episode Skunked was a crazy one. But it was really disgusting and he smelled horrible! This was a really funny episode. And it aired on July 25th, 2011 and it was crazy! The first part of this chapter was for the scary comedy horror movie from 2014 called COOTIES! That movie was both stupid and crazy and it was wicked how tainted chicken nuggets can turn kids into zombies. But at least they are cured. The second part was for the awesome 2008 movie Igor and that was a great movie! I thought it was so funny myself. But it was horrible that the King can do all that. But at least he is dealt with but later on we'll do both parts in this chapter for future adventures. NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, XP4Universe, Darkhai, vinjedi1995, Drako1234658, Nflemingful, Etstheclarencefan and ninjakingofhearts gave me the ideas for this and so did the guest reviewer. Nico's next rescue is gonna be in Mexico and Nico, me, Eli and Luke Loud are going to find a refinery that is overrun with the second phase of the Graboid Life Cycle: The Infrared Hunting Bipedal Shriekers. So get ready for an awesome take on Tremors 2: Aftershocks. We're also going to meet an Evolved Sonorosian Gene-Slammer named Cleo Ulysses and she is from Nico's Gym Class. Also Lincoln's rescue is gonna be awesome and I have an awesome challenge for the Guest Reviewer. Lincoln's rescue will take place in the awesome movie in the awesome game Daffy Duck: The Marvin Missions and they will be in the mission "Where There's Duck There's Fire", where you must rescue three kidnapped politicians on the planet Magma. They will also meet gene-slammers for the rest of the Legendary Planets and they are as follows:

Erica Gillette the Tripper Mercury Gene-Slammer

Varya Halinorova the Splendid Venus Gene-Slammer

Rachel Jacobs the Elemental HERO Terra Firma Gene-Slammer

Valerie Apollo the Blazing Mars Gene-Slammer

Jessica Florrence The Grand Jupiter Gene-Slammer

Caitlyn Togero the Big Saturn Gene-Slammer

Nikolette Furya the Despair Uranus Gene-Slammer

Hailey Nicos the Tyrant Neptune Gene-Slammer

And Katie Ferrari The Suppression Pluto Gene-Slammer

They also have majorly horrible revelations about Flip that are worse than anything we have heard. The next chapter is gonna be where we fight the restaurant men at the Eggcellent Restaurant and we're going to fight everyone in the restaurant as I am going to eat the challenge that has a Twelve egg omelette with chili, cheese, biscuits and a fruit bowl. Finish it in under an hour and we eat for free. And I'm going to win a hat that says "I'm Eggscellent" on it. So get ready for an awesome fight and meal.

See you all tomorrow.

# EGGSCELLENT BATTLE

In the simulator, Nico, me, Eli and Luke Loud were walking through the hills of Chiapas, Mexico and we were there for another awesome rescue.

Nico: Thanks for coming with me, Luke.

Luke Loud: No problem dude. I have a feeling this is gonna be awesome. I've always wanted to go on an amazing rescue with you Nico.

Me: You'll love it Luke. We always have fun in these rescues.

Eli: You got that right. And it's always fun.

Me: Yep.

Nico: I wonder what's going on down here in Mexico though.

Me: We'll know when we get there.

Nico: Luke, since Luna's attracted to girls, does that mean you're attracted to guys?

Luke Loud: Hmm. You know I'm not really sure.

Eli: Well you'll figure something out.

Me: Yeah. Wait we're here.

We saw that we were at a refinery and we saw a couple of people on the oil tanks and the whole place was crawling with the second stage of the Graboid lifecycle: THE INFRARED HUNTING SHRIEKERS!

Nico: Uh oh. Get down.

We crouched and hid in the grass.

Nico: That's the Shriekers. They don't hunt by vibrations they hunt by infrared.

Eli: They hunt by heat.

Me: And they have a lot of people cornered like trapped rats.

Luke: Hey, there's no room in this universe for two infrared using groups!

Nico: Except for Snakes. They use heat. So does the Yautja.

Me: Yep. But at least they can't hear us thankfully. At least they can't fly yet.

I turned on my infrared vision.

Nico: What are you seeing J.D.?

Me: I'm looking at the Shriekers to see how they work. I want to see how they communicate.

I looked at the Shriekers very closely with my infrared vision and had a Yautja audio analyzer on and then I heard them shriek and they were emitting a lot of heat from their shrieking.

Me: Wow that is really clever. They hunt by heat and when they see something they emit a loud shriek and release a massive heat signal that lets them know when food is near and in their sights.

Nico: Wow. That is really something.

Eli: It sure is. But I'm sure they are like their Graboid larval stage. They are smart too.

Nico: Let's take them out before they learn how to fly.

Luke: Wait look.

We saw them hopping on top of each other to get to the people on the tanks.

Nico: Okay now that is smart. I've think we've seen enough! Lets go!

We went at the refinery!

Then the spirits of the Masters of the Stars Elements swirled around the refinery and then converged and then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off above the refinery and a phoenix cry was heard and then we flew out Luke, Nico and me grabbed Earl, Kate and Grady and Eli grabbed Burt who was hiding in the tractor.

Burt Gummer: Nice save.

Eli: Thanks. But these Shriekers are nasty smart guys.

Me: We got to blow this entire refinery to kingdom come.

Nico: Let's make sure everyone's out first.

Eli: Leave that to me.

Eli used the Force to scan the area and there was no one left.

Eli: There's no one here.

?: (Techno Voice) Just me.

Then an Evolved Sonorosian appeared!

Nico: Whoa! An Evolved Sonorosian!

Evolved Sonorosian: (In a girls voice) Been a while Nico.

Nico: Cleo Ulysses? Wow!

She reverted back and she was a girl with blue hair and blue clothes and she was flying.

Cleo Ulysses: Looks like we got ourselves a Shrieker infestation. Lets get going before we blow this place into oblivion.

We flew away.

Nico: Why don't you do the honors, Cleo?

Cleo Ulysses: TAKE THIS!

She then fired a powerful rainbow Kamehameha wave and it hit the refinery and exploded with incredible power!

EXTREMELY MASSIVE FIERY EXPLOSION!

The entire refinery and the shriekers were all destroyed!

Nico: TAKE THAT!

Luke: What's your favorite memory of Nico?

Cleo Ulysses: I got a lot of them. But my favorite was when me and Nico were in Gym class and we saw the Cheerleading captain calling everyone losers and then we taught her a lesson in humility. Me and Nico spread lies about her and that she kicks Karen People in crotches and then a bunch of violent women came and smashed her into pulp!

We laughed at that.

Nico: (LAUGHS) That was so funny!

Eli: (LAUGHS) That was funny!

Me: Yep.

Luke: That was great!

Nico and Cleo then hugged.

Nico: I really missed you

Cleo Ulysses: Me too. Me too.

We later left the Simulator and told everyone about what happened and it was awesome.

After Nico's rescue, Lincoln, Nico, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, Heathcliff, Sonja (Heathcliff), Riff-Raff, Hector (Heathcliff), Wordsworth, Mungo, Cleo, Leroy, The Looney Tunes and Tiny Toons are heading to the planet Magma, and not only is Lincoln going to rescue the eleven girls there, but we're also going to rescue the three politicians, along with the Gene-Slammers of the rest of the Legendary Planets, who were kidnapped by an evil version of Marvin the Martian.

As soon as we got to Planet Magma, we were already sweating like crazy, and our rainbow energy auras with elemental forces are flaring up like crazy, as we were getting infinitely stronger, thanks to the infinite heat produced on this planet.

Lincoln: Wow, we're on the planet Magma, and I know what we're going to do here, not only am I going to rescue the eleven girls there, but we're also going to rescue the three politicians, along with the Gene-Slammers of the rest of the Legendary Planets, who were kidnapped by an evil version of Marvin the Martian.

Me: That's right, big guy. Whew, and man, this planet really lives up to its name.

Nico: You said it, we're already sweating like crazy, and our rainbow energy auras with elemental forces are flaring up like crazy, as we were getting infinitely stronger, thanks to the infinite heat produced on this planet.

Lincoln: We're getting a nice cool shower after this, Nico. (To the Looney Tunes, Tiny Toons, and Luna Loud) And I want to thank you, the Looney Tunes, and Tiny Toons for joining us, Luna.

Luna Loud: You're welcome, bro. Plus, I'm looking forward to this rescue.

Marvin the Martian: To face off against an evil version of myself, it'll be like looking in a mirror. But, I must go through with this, we have to stop Evil Marvin and rescue the eleven girls located here, the politicians, and the Gene-Slammers of the rest of the Legendary Planets.

Lincoln: That's what I want to hear, Marvin, and since you told us that the Instant Martians can only be killed with spraying them with water, leave this one to me, Luna, and Lily.

We head for the first politician, who was tied up, along with The Tripper Mercury, The Splendid Venus, and Elemental HERO Terra Firma, and held captive by an army of Martians. Lincoln fired powerful blasts of water, which killed the army of Martians, and we went up to the first politician, along with the Tripper Mercury, The Splendid Venus, and Elemental HERO Terra Firma, and we untied them. We returned the first politician home, and Lincoln then recognized the three voices from the three Duel Monsters there, the Tripper Mercury is Erica Gillete, the Splendid Venus is Varya Halinorova, and the Elemental HERO Terra Firma is Rachel Jacobs.

Then, we head for the second politician, who was tied up, along with The Blazing Mars, The Grand Jupiter, and The Big Saturn, and held captive by an army of Martians. Luna Loud fired powerful blasts of water, which killed the army of Martians, and we went up to the second politician, along with the Blazing Mars, The Grand Jupiter, and The Big Saturn, and we untied them. We returned the second politician home, and Lincoln then recognized the three voices from the other three Duel Monsters. The Blazing Mars is Valerie Apollo, The Grand Jupiter is Jessica Florence, and The Big Saturn is Caitlyn Togero.

Finally we head for the last politician, who was tied up, along with The Despair Uranus, The Tyrant Neptune, and The Suppression Pluto, and held captive by a very massive army of Martians. Lincoln, Luna, and Lily fired powerful blasts of water, which killed the massive army of Martians, and we went up to the last politician, along with The Despair Uranus, The Tyrant Neptune, and The Suppression Pluto, and we untied them. We returned the last politician home, and Lincoln recognized the three voices from the last three Duel Monsters. The Despair Uranus is Nikolette Furya, The Tyrant Neptune is Hailey Nicos, and The Suppression Pluto is Katie Ferrari.

?: HELP!

Suddenly, Lincoln heard the sound of eleven girls calling for help. With his deep sapphire blue cyborg eyes and superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the eleven girls, but they've been cornered by Evil Marvin the Martian, and he's going to vaporize them.

Lincoln: Guys, I found the eleven girls, but they've been cornered by Evil Marvin the Martian, and he's going to vaporize them. Let's get them!

We rushed on over, and Lincoln fired a powerful barrage of rainbow energy balls and elemental forces, which hits Evil Marvin, and that allowed the eleven girls to get to safety. When Evil Marvin saw us, he was truly angry.

Lincoln: Your days of trying to destroy the Earth are over, Evil Marvin.

Lincoln unholstered his improved massive Sword of Universal Hope and Elemental Bravery from his wider and muscular back and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, The TLPS Bad Guys Gang transformed into their Super Angel Infinity forms and unholster their massive swords, Lincoln's sisters transformed into their Super Angel Infinity forms and unholster their massive swords from their backs, Lincoln's sisters transformed into their Super Angel Infinity forms and unholster their massive swords from their backs, Lincoln's harem unholster their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark Compassion and Demonic Justice, and he unholstered his massive Sparda's Demon Fang of The Demon Hound sword from his wider and more muscular back, The Looney Tunes and Tiny Toons, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their swords, Hector got out his massive Heaven's Maw of Judgement sasumata pike, and Me, Nico, Eli, and Nicole also unholstered our massive swords and transformed, and we went at Evil Marvin, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time Energy, Gravity, and Magic, stars, rainbow flames, rainbow crystals, orange flames, blue flames, ice, green flames, and water, and they exploded with incredible power as they hit Evil Marvin.

Then, The Looney Tunes and Tiny Toons unleashed a wild barrage of toon antics, by dropping heavy objects on Evil Marvin's head, throwing dynamite and bombs which explode in his face, bonking him on the head with mallets, and Evil Marvin was completely dizzy. Then, Lincoln imprisoned Evil Marvin in crystal, and he threw him in The Pluto Prison for Tyrannical Dark Sides, where he'll never be free again, and we cheered wildly as we holster our weapons and power down.

Lincoln: Alright, we've rescued the three politicians, along with the Gene Slammers for the rest of the Legendary Planets, and we've stopped Evil Marvin's plan to destroy the Earth. Lincoln: Wow, you girls look amazing.

Erica Gillette: Thanks, Lincoln.

Suddenly, nine Thunderbird Necklaces of Eternal Love appeared on the necks of Erica Gillette, Varya Halinorova, Rachel Jacobs, Valerie Apollo, Jessica Florrence, Caitlyn Togero, Nikolette Furya, Hailey Nicos, and Katie Ferrari with colored gems on the gold lightning bolts and colored crystals links from their new Crystal Necklaces of the Buddha, which merged with their Thunderbird Necklaces of Eternal Love.

Erica Gillette: (Surprised) Wow, are these…?

Lincoln: Yep, those are Thunderbird Necklaces of Eternal Love, which means you, Varya, Rachel, Valerie, Jessica, Caitlyn, Nikolette, Hailey, and Katie are now part of my harem and my many future wives, Erica.

Erica Gillette, Varya Halinorova, Rachel Jacobs, Valerie Apollo, Jessica Florrence, Caitlyn Togero, Nikolette Furya, Hailey Nicos, and Katie Ferrari had smiles on their faces and tears in their eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around their waists and he leaned down and he kissed them on the lips, and they returned it, and we cheered for them. Then, we went up to the eleven girls here, and when Lincoln saw them, they immediately recognized them. The eleven girls are Catherine Ricci, Christy Ryan, Elizabeth Conway, Marisa Soleil, Melissa Kessler, Rachel MacPherson, and Sarah Martin from Time Crisis, Anne Shirley from the Anne of Green Gables anime, Luna, Menori, and Sharla from Mujin Wakusei Survive.

Lincoln: Oh wow, it's Catherine Ricci, Christy Ryan, Elizabeth Conway, Marisa Soleil, Melissa Kessler, Rachel MacPherson, Sarah Martin, Anne Shirley, Luna, Menori, and Sharla.

Nicole Knudson: From Time Crisis, the Anne of Green Gables anime, and Mujin Wakusei Survive, awesome.

Lincoln: Are you girls okay?

Catherine Ricci: Yes, we're okay, thanks to you.

Then, when Catherine Ricci and the other ten girls saw who it was that saved them from Evil Marvin, their faces turned atomic red upon seeing the 17-year-old 7'0" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide right pec and it was surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top was the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, and Buffalo, and below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and a Mark of Manhood tattoo of a bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

Catherine Ricci: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made ten clones of himself, and he and the ten clones went up to the girls, and hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrap their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Catherine Ricci: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, eleven Thunderbird Necklaces of Eternal Love appeared on the necks of Catherine Ricci, Christy Ryan, Elizabeth Conway, Marisa Soleil, Melissa Kessler, Rachel MacPherson, Sarah Martin, Anne Shirley, Luna, Menori, and Sharla with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha. We return to the Estate, and told everyone what happened, and they were shocked when they found out the villain we went after was an evil version of Marvin the Martian.

But, when Lincoln showed what we did in rescuing the kidnapped politicians, along with the nine Gene-Slammers for the other Legendary Planets Duel Monsters, along with the eleven girls from Evil Marvin, they cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln, Erica Gillette, Varya Halinorova, Rachel Jacobs, Valerie Apollo, Jessica Florrence, Caitlyn Togero, Nikolette Furya, Hailey Nicos, and Katie Ferrari now have a lot of catching up to do, now that they're back.

---

After putting a stop to Evil Marvin the Martian, we were training intensely in the gym, this time, doing 150,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Erica Gillette, Varya Halinova, Rachel Jacobs, Valerie Apollo, Jessica Florrence, Caitlyn Togero, Nikolette Furya, Hailey Nicos, and Katie Ferrari saw Lincoln working out like crazy, they had atomic red blushes on their faces.

Erica Gillette: Whoa, Lincoln's really grown to be a 17-year-old 7'0" tall, really big, and really strong man, just look at those abnormally massive and powerful muscles hard at work, and to work out with those 9,500-lb barbells and not even get tired, incredible.

Rachel Jacobs: No kidding, he's really working out hard.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and now, I can also defend myself.

Erica Gillette: That's incredible.

Nico: It sure is, Erica. So, what are these nine horrible revelations that you, Varya, Rachel, Valerie, Jessica, Caitlyn, Nikolette, Hailey, and Katie have about Flip, and you said they're even worse than anything we've heard.

Erica Gillette: You're not going to like it, Nico. Me, Varya, Rachel, Valerie, Jessica, Caitlyn, Nikolette, Hailey, and Katie were asked by the Royal Woods Police Department to find out what Flip was up to, and this happened long after his plot to kidnap the Louds and send them to die on Skull Island was foiled. We agreed to the task, and we were getting sick and tired of Flip and his scams to get money, and we were also more than willing to put that ugly, fat, mutant tub of lard in his place. We infiltrated Flip's Food and Fuel, and we hid in the shadows. Then, we found that miserable fat tub of lard in his hidden room, and what we recorded and found out was too shocking for words: we found out that Flip had hired hitmen to kill Lincoln and his family, along with Lincoln's friends, The Santiagos, The Casagrandes, and J.D. for ruining his plans, and he intended to profit from your deaths. We were so horrified, we wanted to rip his jumbled organs out of his corpse, and shove them right up his three-cheeked butt. But, we relented, instead, we sent all of the information to the Royal Woods Police Department, and when the cops arrived, they busted down the door, and they arrested the hitmen that Flip hired, and before they could move in to arrest Flip, that tub of lard ran for his life.

We gasped in pure shock and horror.

Nico: I can't believe that miserable fat tub of lard would do something like this, and not only for money, but also revenge! I'm going to rip that ugly mustache off his face and shove it down his throat!

Me: I'll rip his jumbled organs out of his ugly bloated corpse, and shove them right up his three-cheeked ass!

Suddenly, Lincoln grabbed me and Nico by our shoulders, and we knew what that meant.

Lincoln: Excuse me, everyone, but I must discipline the nanny goats.

Me and Nico: Uh oh.

Everyone: Uh oh.

BONK!

Lincoln bonked our heads together, and we were seeing birds flying around our heads and tweeting, and we shook our heads.

Nico: Thanks, Lincoln.

Me: Yeah, you stopped us again. You know, we're also thinking of making you and Eli enforcers for the team, and also, in case Nico and I get mad at Flip yet again.

Nico: Yeah, and plus, the girls already know about Eli's method of stopping an argument. And you also got the girls blushing like crazy.

We saw that Erica Gillette, Varya Halinova, Rachel Jacobs, Valerie Apollo, Jessica Florrence, Caitlyn Togero, Nikolette Furya, Hailey Nicos, and Katie Ferrari had atomic red blushes on their faces, when they saw of how dominant Lincoln was in the situation.

Erica Gillette: We already know why you had to do that, Lincoln. Besides, Flip's already getting his just desserts for every single crappy thing he's done. Plus, you were really dominant in taking control of the situation.

Rachel Jacobs: Yeah, no one's going to try and mess with a big, strong, manly, hunk of a man like you.

Lori: (Giggles) You shouldn't have done that, Rachel.

Rachel Jacobs: Why?

Suddenly, Erica Gillette, Varya Halinova, Rachel Jacobs, Valerie Apollo, Jessica Florrence, Caitlyn Togero, Nikolette Furya, Hailey Nicos, and Katie Ferrari saw that Lincoln was towering over them, and his deep sapphire blue eyes were glowing, and he had a confident smile on his handsome face. Then, Lincoln made eight clones of himself, and he and the clones wrapped their abnormally massive and powerful muscular arms around their waists, and brought them into an embrace, which caused the girls' faces to blush like crazy. Then, Lincoln and his clones lean their faces down onto the faces of Erica Gillette, Varya Halinova, Rachel Jacobs, Valerie Apollo, Jessica Florrence, Caitlyn Togero, Nikolette Furya, Hailey Nicos, and Katie Ferrari, and they'd kissed the girls on the lips with intense supercharged passion, and the girls returned it with equal intensity, as they wrap their left arms around their wider and more muscular backs, and placed their right hands on their massive, wide and muscular pecs. When Lincoln and the clones separated, Erica Gillette, Varya Halinova, Rachel Jacobs, Valerie Apollo, Jessica Florrence, Caitlyn Togero, Nikolette Furya, Hailey Nicos, and Katie Ferrari still had atomic red blushes on their faces, and hearts for pupils in their eyes.

Erica Gillette: Whoa, and you're also a passionate and wild kisser, as well. Whoa!

Nico: Yeah, and ever since puberty hit Lincoln like a freight train, he's trained really hard to keep his hormones under control. But, there are some times he lets them out in full force, especially around his harem.

We then got a shower afterwards, but then, the alarm sounded, and Lincoln checked it out, and he'd found out that August Guidan is here, and he's causing havoc.

Elpeo Ple: Oh crap, August Guidan is here, and he's causing havoc.

Lincoln: So, another of Haman Karn's flunkies have come out. Well, we know what's coming for him, come on, let's go.

We then flew out, and Lincoln fired a powerful rainbow energy blast, which hits August Guidan on the back. When he saw us here, he was enraged.

August Guidan: So, the killers of Haman Karn, along with the traitor are here?! Now, I will have my revenge on all of you for what you did to Haman Karn!

Lincoln: Don't even think about it, you low-level flunkie! Your master's paid the price for her crimes, and the same went with those who tried to avenge her. Now, you're about to suffer the same fate.

Chronoa: And I've had it up to hear with you to last an eternity.

Suddenly, Chronoa's eyes turned neon purple, and she was surrounded by a purple energy aura with with clocks and dragons, and as she approached August Guidan, she left purple energy, clocks, and dragons with every step. Suddenly, Chronoa was surrounded by a massive vortex of purple energy with clocks surrounding it, there was a dragon flying around the vortex, and in the vortex is a pink phoenix. Then, as the vortex faded, Chronoa emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14

Chronoa grew to 6'5" in height, she had the body of a goddess and has red highlights in the bangs of her long flowing pinkish-red hair hair going down to the middle of her back, she has neon purple eyes and a purple energy aura with clocks and dragons surrounding her, she has a dragon with a clock and the Time Kanji in its claws emblazoned on her forehead, she has on dragon earrings with purple gems for the eyes and the Time Kanji in its claws, and she also has a dragon with purple gems for the eyes and the Time Kanji in its claws for the second pendant of her Thunderbird Necklace of Eternal Love with purple gems on the gold lightning bolts and purple crystals from her Crystal Necklace of The Buddha which merged with her Thunderbird Necklace of Eternal Love. Chronoa has on a long purple sleeveless trenchcoat with clocks and dragons on the coattails and right on the back is the symbol of the Kais with clocks surrounding it, a purple sleeveless blouse and sleeveless black shirt with a purple phoenix on it, purple skirt with clocks on it, blue pants with clocks on the legs, black leather ankle-high combat boots, and she has on a new Star Sapphire ring on her left ring finger. Suddenly, Chronoa felt a sharp pain on her back, and then, massive pinkish-red angel wings with purple tips on the large pinkish-red feathers sprouted out from her back.

Chronoa had a new large sword in her hand called Supreme Kai of Time's Sword of Fated Justice, it's a brand-new large sword with a 6'9" massive, wide, double-edged silver blade with the symbol of the Supreme Kai of Time etched on it, large dragon heads with pink gems for eyes for the crossguard, large clock for the hilt, longer black handle, and four large dragon heads with red gems for the eyes and large red gems in its mouths for the pommel. There's a yellow kanji below the symbol of the Kais that said, "Chronoa, Supreme Kai of Time, Dear Friend of The Z-Fighters, Loving Future Wife of Lincoln Loud, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, Member of The Time Patrol, and Master of Time, Fate, and Dragons."

クロノア、時間の最高のカイ、Zファイターの親愛なる友人、リンカーン・ラウドの愛する未来の妻、悪の殺し屋、混乱した、殺人、冷酷、そしてサディスティックな野郎、驚くべき強力な教師の驚くべき強力な学生、時間のメンバーパトロール、そして時間、運命、そしてドラゴンのマスター

Chronoa has transformed into SUPER ANGEL INFINITY CHRONO FIRESTORM DRACONIC ANGEL OF FATED JUSTICE AND DIVINE LOVE!

We were amazed by Chronoa's Super Angel Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes. But, when August Guidan saw it, he fell into a rage and tried to kill her, but Chronoa fired a powerful purple energy blast with clocks and dragons surrounding it, and it hits August Guidan, and sent him flying into a wall.

Nico: Whoa, Chronoa's transformed. August Guidan's in trouble now, if he dares to fight the Supreme Kai of Time, especially when Lincoln's going to also join her.

Lincoln: Wow, Chronoa, you look beautiful. How do you feel?

Chronoa: (Divine Echoing Cosmic Voice of The Chrono Dragon and Divine Love) **I feel incredible, Linky. Now, shall we put an end to this monster?**

Lincoln: (Smiles) With pleasure.

Lincoln unholstered his improved massive Sword of Universal Hope and Elemental Bravery from his wider and muscular back and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Chronoa.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Let's put an end to that monster.**

Chronoa and Lincoln went after August Guidan, and they fired powerful blasts of rainbow energy, purple energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Gravity, Magic, Blood, Thunderbirds, Phoenixes, Angels, Dragons, and Buffalo right at August Guidan, and they exploded with incredible power as they hit him. Then, they attacked him with their massive swords, and August Guidan was bleeding badly from the unhealing wounds from the swords of Chronoa and Lincoln. Then, Chronoa tied August Guidan up with purple energy threads.

Chronoa: **Okay, Linky, you know what to do?**

Lincoln: **You got it, Chronoa.** (To August Guidan) **Time to die, you monster. TWELVE HOURS OF JUDGEMENT!**

Lincoln formed a clock on the floor around August Guidan with the Roman Numerals from 1 to 12 with August Guidan in the center. Then, when we saw the hands reach 1:00, August Guidan was attacked by a purple humanoid figure made from August Guidan's sins for an hour, and then, we saw as the hands reach 2:00, 3:00, 4:00, 5:00, 6:00, 7:00, 8:00, 9:00, 10:00, and 11:00, we saw more purple humanoid figures appear made from August Guidan's sins, and they attacked August Guidan for 11 hours. Then, as the hands reached 12:00, we heard the sound of a bell tolling, and he was brought to an execution block, and Lincoln came up and with his improved massive Sword of Universal Hope and Elemental Bravery raised above his head, this brought dread to August Guidan. Then, Lincoln brings his massive sword down, and decapitates August Guidan, as his headless corpse and severed head explode in purple flame, and he was Super Hakaied forever. We cheered wildly for them, as Chronoa and Lincoln holster their massive swords on their backs and power down, and Chronoa's new body, clothes, weapons, jewelry, and angel wings are permanent.

Chronoa and Lincoln: In the immortal words of Nico, August Guidan, you have failed this universe!

Nico: Yeah, that's telling him, guys!

Chronoa: Thanks for helping me deal with August Guidan, Linky.

Lincoln: (Smiles Warmly) You're welcome, Chronoa.

Suddenly, Chronoa wrapped her arms around Lincoln's waist, and Lincoln wrapped his abnormally massive and powerful muscular arms around Chronoa's waist, and he brought her into an embrace, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Chronoa's face, they kissed passionately as Chronoa wraps her left arm around Lincoln's wider and muscular back, and placed her left hand on Lincoln's massive and wide right pec, and right behind them was a Thunderbird, Phoenix, Dragon, and Angel flying in the air, and we also saw a herd of Buffalo running across the field and the display of the elemental forces behind them, and we cheered for them.

Me: Alright, way to go, guys.

Nico: That's another of Haman Karn's goons put down for good, and I like that attack you used on him, Lincoln, is that a new technique you created?

Lincoln: You guessed it, Nico. It's called Twelve Hours of Judgement, it's an attack that creates purple humanoid figures from the person's sins, and they attack the person who's in the center of the clock, and the length of the attack is based on the positions of the hands, and as the hands change position, more purple humanoid figures form and they also attack the victim. Then, as the hands reach 12:00, the person is then led to an execution block, and then, I wind up decapitating them, and they explode in purple flame, and they're Super Hakaied forever.

Nico: Whoa, and there's nothing worse than getting attacked by your own sins, and then, facing the executioner's block for execution at the twelfth hour, there's nothing scarier than that.

Me: You got that right, and August Guidan didn't stand a chance against Chronoa, she was amazing.

King Kai: (Telepathically) And I saw the whole thing, that moron, August Guidan didn't stand a single chance, and that attack Lincoln used, sheesh, that'll send a warning to the truly unrepentant. And please tell me you're going to use that attack on Angelus if that vampire shows up?

Buster Bunny: Hey, don't give out the spoilers!

Lincoln: Actually, I'm not going to use that attack on Angelus, in fact, I've got something a lot worse in store for that monster for the slaughter of so many innocent people that he's committed for over 300 years around the world.

Nico: And later on, we'll be meeting Buffy's friends, along with the Angel Investigations group who's flying in from Los Angeles, and we'll get the whole story on Angelus before we can get after him.

Me: We know of what he did in those 300 years around the world and of course, in Ireland, but we also need to know more about him.

We returned home, and we got rid of another ally of Haman Karn, but there's still bound to be more of them out there, but we'll be ready for them.

* * *

Later it was time for Starlight Glimmer's final Ambassador Mission.

Me: I have a feeling this last Ambassador Mission for Starlight will be good.

May: I hope you get to find other Autobots again.

Nico: I hope so too.

Twilight Sparkle: But we're really excited to go to the world of Live

Action Transformers.

Eli: It'll be awesome.

Lincoln: Yep it sure will be awesome.

Me: And we get to kick the remnants of Cemetery Wind into our prisons.

Nico: Yep. Lets get moving.

We were off to the Live Action Transformers Universe.

We arrived in the world of Live Action Transformers and we were in the base.

Me: Here we are.

Live Action Bumblebee: Hey guys!

Nico: Awesome to see you all again.

Starlight: Optimus, these are my friends.

Twilight Sparkle: It's awesome to meet you. My name is Twilight Sparkle, Princess of Friendship and the Magic Skylanders. I represent the Magic of Friendship.

Sunset Shimmer: I'm Sunset Shimmer, Princess of Forgiveness and the Fire Skylanders and the Element of Forgiveness.

Applejack: I'm Applejack, Princess of Honesty and Apples and the princess of the Earth Skylanders and the Element of Honesty.

Rarity: I'm Rarity, Princess of Generosity and Jewels and Fashions and the Princess of the Water Skylanders and the Element of Generosity.

Rainbow Dash: I'm Rainbow Dash, Princess of Loyalty and The Wonderbolts and the Princess of the Air Skylanders and Element of Loyalty.

Fluttershy: I'm Fluttershy, Princess of Kindness and Animals and the

Princess of the Life Skylanders and Element of Kindness.

Pinkie Pie: And I'm Pinkie Pie, Princess of Laughter and Parties and the Princess of the Tech Skylanders and the Element of Laughter.

Starlight Glimmer: And as you know I am the Princess of Empathy and Redemption and the Undead Skylanders and the Element of Empathy.

Nico: Pretty cool huh?

Live Action Optimus: It sure is and it's an honor to meet you.

Fluttershy: The pleasure is ours.

Sunset Shimmer: It's awesome to be here. We're so sorry about everything that happened here to this world though.

Live Action Bumblebee: We're trying to get everything back together but thank you.

Sunset Shimmer: You're welcome.

Lennox: You guys should know that humans also helped the Decepticons as well.

Nico: That's what we heard and they are primarily Cemetery Wind and other threats.

Me: But guys, I think it's time to bury the hatchet with Sentinel Prime.

Live Action Bumblebee: Not in my head!

Me: No no it's a figure of speech. It meats to put the past behind you and let this anger towards him go.

Nico: That's right. You got to give him another chance despite everything you all went through.

Epps: Funny you should mention Sentinel. Because there was one human that helped the Decepticons at the time of his betrayal.

Starlight: And his name is…?

Bumblebee: (angrily) Dylan fucking Gould!

Nico: The CEO of Hotchkiss Gould Investments! Sam killed him from what I recall.

Bumblebee: That's right he did.

Nico: Good riddance. And that makes him a traitor to Earth.

Eli: Yeah what a monster!

Me: But he's dead now.

Nico: Yeah. But you still got to give Sentinel Prime another chance.

Wheelie: It's not all of us Sentinel mainly has to apologize to.

Nico: We know. But it's a start. He still has to apologize to everyone in the world for his crimes and that is not gonna be an easy task.

Eli: So please can't you find it in your hearts or Sparks rather to forgive him for everything he has done?

Nico: If you need some time to think about it we understand.

Morshower: Sorry to interrupt on whether or not to forgive Sentinel but two more Autobot signatures have been spotted nearby.

Nico: Where are they at General?

Morshower: In London.

Nico: Ah the home of the Queen. Did you find out who they are?

Morshower: Yes. Roadbuster and Topspin.

Nico: They are neat! Roadbuster is a NASCAR Sprint Cup Chevy Impala stock car, specifically Dale Earnhardt, Jr.'s #88 car with Amp Energy drink and National Guard sponsorship logos.

Me: Dale Earhardt Jr. is a legend, just like his father.

Nico: And Topspin is a NASCAR Sprint Cup Chevy Impala stock car, specifically Jimmie Johnson's Lowes and Kobalt sponsored #48 car.

Me: That's World Famous Racing Champion Jimmie Johnson's car. How cool.

Eli: Awesome! Lana would love to have them in one of our awesome races.

Nico: I'm sure she would.

Hot Rod: (French Accent) By the way, just like I have a French Accent, Roadbuster has a Scottish Accent.

Nico: Awesome!

Me: We actually know a lot of people from Scotland and during one of our biggest major battles last year in 2021, Lincoln here actually found out that he is descended from Scottish Royalty.

Lincoln: It's true. My family has bloodties to Loch Loud in Scotland.

Nico: And that was the day we not only found out the Loud's true bloodties but we also took down Team Dark Phoenix Storm.

Live Action Optimus: That is amazing.

Me: Yep.

Nico: Anyway we better get over there.

Live Action Optimus: Autobots Transform and Roll Out!

We were off to London and we arrived.

Nico: Here we are.

We then saw 2 race cars coming and we saw them transform!

Nico: Awesome! Roadbuster and Topspin!

Topspin: Team Loud Phoenix Storm! It's an honor to meet you!

Roadbuster: (Scottish accent) Aye and it's a pleasure to meet you too wee laddies.

Nico: Same here Roadbuster. Your Scottish Accent is awesome. Our Gigantion Teammate Metroplex has a great Scottish Accent too.

Me: He sure does and it is awesome.

Roadbuster: Bumblebee! Lad, it's good to see you!

Live Action Bumblebee: You too Roadbuster. Looking great.

Roadbuster: I get around.

Topspin: Please tell me you guys don't hate Cybertronians

Starlight Glimmer: Are you kidding? We love all Cybertronians! As long as they don't misbehave.

Nico: That's right. But also they are great friends and awesome team mates.

Nico showed his Decepticon Leadership Medal.

Nico: The War between the Autobots and the Decepticons in our universe is over and I was elected as the new leader of the Decepticons and I'm now leading them on the road to Redemption.

Me: It's true. A lot has happened and the Autobots and the Decepticons are no longer fighting after 8 million years of battles.

Eli: That is still shocking.

Topspin: Wow no kidding. But I'm glad the Decepticons are no longer fighting in your world.

Roadbuster: Aye. Same here lad.

Topspin: Meanwhile, we probably have to wait about another month before you guys help us end the war on this world.

Me: Yeah just hold out until April 28th, 2022. That's a month and a half from now.

Nico: All of my team will come here to this world and we'll help you with everything here by then. We'll all set everything straight by then.

Eli: We promise we'll all be here.

Live Action Optimus: Starlight, you might think this is weird coming from me. But ever since we met, I have come to see you as a little sister.

Starlight Glimmer: Really? Oh Optimus.

She went and hugged him.

Nico: That is awesome. So cool.

Me: Imagine that. That is so cool.

We came back.

May: How did it go?

Nico: Really well. We met 2 more Autobots and we got them to start thinking about forgiving Sentinel Prime.

Me: Yep and we have a month and a half to get ready and formulate a plan for this.

May: We have plenty of time for that. But I'm glad Starlight's Ambassador Missions went off without any problems.

Me: That's good.

Nico: Tahu, 2 days from now, your Ambassador missions are next.

Tahu: Looking forward to it Nico.

Me: You'll like where we're going Tahu and I can't wait for you to meet them too.

Nico: Awesome.

Later we were over in the north side of the city.

Oceanus Shenron: Nico, remind me again why we're all the way out here?

Nico: Well we're going to find Billy Batson's mom. Before he became SHAZAM he was left at a carnival by accident and his mom never saw him again. So we are going to reunite him with his mom Marilyn and tell her everything that happened to him and more.

Me: We promised a while back that we would reunite him with his mom. But not his dad. He is a dickless a*** criminal scumbag.

Nico: Well said. But J.D. can you answer a question for me?

Me: Sure Nico. What is it?

Nico: Remember how you got a Kiramager Sword when we met the LupinRangers? How did you get that?

Me: Well that's an interesting story. It happened right after the battles of Hollow Bastion when we took down Maleficent. I went over to Japan and I saw the Kiramagers fighting one of the monsters of Emperor Yodon and I helped them destroy it. Also they gave me my own Kiramai Morpher, a sword and the powers of Imagination Manifestation like Juru has. But on a vastly more powerful scale. Also I am also the Orange Kiramager.

Nico: WHOA! That is amazing! You never showed that to us.

Me: You'll see it in action soon.

Lynn: I remember seeing the Rugby Jamen. He was awesome! And he is a monster that I would definitely like.

Nico: I figured you would like that one Lynn because of your love for sports.

Lynn: You know it Nico. I've always wanted to try Rugby too.

Laney: That is awesome though.

We then arrived at Marilyn's house and it was an old apartment.

Nico: Is this your moms house?

Billy Batson: Yep.

We went in and Nico knocked on the door and answering it was Marilyn Batson.

Zarya: Are you Marilyn Batson?

Marilyn Batson: I am.

Nico: Pleasure to meet you Marilyn. We came to talk to you about your son Billy. He's right here.

Nico stood away and Billy saw his mom and then Marilyn went over and hugged him and he hugged her.

Thundercracker: Your son has actually grown up to be an awesome hero.

Maria: And we mean that literally.

Me: Yep. Yep. Show her Billy.

Billy Batson: Okay. Mom a lot has happened to me. Watch. SHAZAM!

THUNDERCLAP!

A MASSIVE FLASH OF LIGHTNING AND A CRASH OF THUNDER BLASTED OUT AND BILY TURNED INTO SHAZAM!

Shazam: Well what do you think?

Marilyn: What!? Billy is that you?

Shazam: Yes it's me mom.

Me: Your son got the powers of the Gods. Shazam is not just a name. It's an acronym. S for the Wisdom of Solomon, H for the Strength of Hercules, A for the Stamina of Atlas, Z for the Power of

Zeus, A for the Courage of Achilles and M for the Speed of Mercury.

Marilyn: Wow!

G1 Silverbolt: No offense. But your apartment's a dump!

Marilyn: I know and it's because I don't have any money and I'm an archaeologist.

Nicole Knudson: You and I will make great partners. I'm an Archaeologist, Astronomer, Volcanologist, Paleontologist, Geologist and scientist and you and I will be perfect partners together. The money is good too.

Nico: You can work with J.D.'s daughter Nicole and she will give you a great amount of money for all the treasure and historical artifacts she finds as long as you help her.

Marilyn: I would be honored Nicole.

Hotlink: We're glad you have your mom back, Billy.

William: Your dad can rot in Hell for all we care.

Billy Batson: Thanks guys. It's awesome.

Me: And I agree with Hotlink and William.

Nico: Same here.

Billy Batson: Looks like my life is getting much better now.

Eli: It sure is and your friends are with us too.

Billy Batson: Yep.

We later went back home.

Me: That was awesome.

Nico: Yep and now it's time for our next mission.

Eli: What are we gonna do this time?

Me: We'll I'm going to be participating in an eating challenge. I'm going to eat the Eggcellent Challenge.

Mordecai, Rigby, Muscle Man, High Five Ghost and Benson gasped!

Mordecai: Are you really gonna do that one!?

Me: Yeah why?

Benson: Because the first time that happened we found out that Rigby was allergic to eggs.

Lori: Wait seriously?

Rigby: Yeah I had no idea I was allergic to eggs.

Mordecai: And the second time is when I took Rigby's place and then the restaurant people tried to stop me.

Muscle Man: But we were gonna make sure that they didn't so we beat them up.

Nico: Whoa! That is rough.

Living Laser, Whiger, Rowdyruff Boys, Abomination, Robo Roxy, Red Ghost, Kangor, Magma, Dark Laser and Aqueduct appeared.

Living Laser: Can me, Whiger, Rowdyruff Boys, Abomination, Robo Roxy, Red Ghost, Kangor, Magma, Dark Laser and Aqueduct go with you guys?

Butch: And we're glad you have your mom back, Billy.

Billy Batson: Thanks Butch.

Nico: And yes you all can come with us. We're going to the Eggcellent Restaurant for J.D. to eat an Eggcellent Challenge.

Magma: That awesome 12 Egg Omelette challenge and if you win you'll get an awesome hat?

Mordecai: Dude that is the very one.

Viceroy: Nico, which gene slammer do you think you'll meet on your next rescue?

Nico: I'm going for an animal Gene-Slammer next so I'll go for a Porcupine Gene-Slammer next.

Me: Ooh want to do it pointy and sharp. Awesome choice. So it'll be Needle Kirby, Anguirus, Beast Boy, Pierce or Kimimaro that goes with you next.

Eli: One of the team that has the powers of needles and spikes.

Nico: Yep.

Laney: That will be interesting to see though. A Porcupine Gene-Slammer. Porcupongo would love to have that one as an archenemy.

Nico: (Laughs) He sure would and that's an awesome matchup in the future.

Aqueduct: J.D., in order for you to be prepared for this challenge, we'll have to train you.

Mordecai: Aqueduct's right, dude. It's like how I prepared for it.

Me: Actually I won't need it but thanks anyway. I have been eating huge egg breakfasts over at Lynn's Table for this past week.

Nico: Really?

Me: Yep.

Lynn Sr.: It's true guys. J.D. has been eating 2 24 egg omelettes topped with bacon and chili and even 4 biscuits. Every day.

Nico: Wow! J.D. is prepared.

Lynn: Way to pile on the protein dude.

Me: Yep.

Ruckus: Still, it wouldn't hurt to review the challenge one last time.

Nico: True.

Mordecai: Well it's really awesome.

He turned on the TV and we saw an ad for it.

Narrator: Only once every thousand years does an eating challenge appear with the ability to blow everyone away. The Eggscellent Challenge is that challenge. Twelve eggs, chili, cheese, biscuits and a fruit bowl. Finish in under an hour and your party eats for free. And you win this hat that says "I'm Eggscellent" on it. That's right, finish the omelet and get the coolest hat ever invented for free. Many have tried, only 1 has succeeded.

Nico: WHOA! Only one?

Mordecai: Yep and you're looking at him.

Red Ghost: You should be proud of yourself, Mordecai.

Mordecai: Oh I am. It was Benson being a jerk that made me do it.

---

Benson: (turns to Mordecai) Well, I hope you've learned something from all of this.

Mordecai: What?

Benson: Maybe if you've been working like you were supposed to, none of this would've happened.

(Mordecai punches Benson in the face, and everyone cries out in shock. Muscle Man and Skips hold Mordecai back; Pops and Hi Five Ghost hold Benson back.)

Benson: Mordecai, what are you doing?!

Mordecai: What's your problem?! This has nothing to do with work! He just wanted the hat!

Benson: And look where it got him! (points to Rigby) Your friend over there is only going to get you into trouble!

Mordecai: (laughs harshly) Right, take advice from Benson about friends, since you've got soooo many of 'em.

Benson: I have friends.

Mordecai: No, you don't. Everyone only hangs out with you because you're our boss! Rigby only wanted to try and win a hat. He doesn't deserve to be in a coma because of it. (walks towards the door)

Benson: Where are you going?!

Mordecai : Back to the restaurant.

Benson: Why?!

Mordecai: Because I made a promise to Rigby and I'm gonna keep it. That's what friends do for each other. (exits)

Muscle Man: Awkward.

FLASHBACK ENDS

We gasped and then glared at Benson.

Benson: If you're gonna yell at me for that, don't bother. As you were just told, Mordecai already beat you to it.

Brick: Can I still punch you in the face so you still feel bad right now?

Nico: Brick stand down. Mordecai beat you to it already. Besides I think he learned his lesson from all that. You have to remember that Benson was so thoughtless when it came to the wants of others and he didn't care. But when we first met him he thought we were going to smash him apart for being a total jerk but we didn't. We taught him how to not be angry all the time and all that and he learned so many big lessons from us too. So this happened in the past. He learned from it and that's all that counts.

Maria: (to me) Try to remember what Nico just said, J.D.

Me: What's that supposed to mean?

William: That curse might have been affecting Rigby when he insulted you but he did bring up a good point.

Me: Which is?

Rotwood: (awkwardly) Well, what Mr. Dunbar is trying to say that during the battle against 2012 Shredder, if it means destroying him for good-

Poromon: You'd sacrifice us without a second thought if it means getting rid of 2012 Shredder for good!

Me: Absolutely not! You guys are my friends and I would never do that to you.

Nico: YEAH! That is going a bit too far.

Kangor: (Jamaican Accent) Mon, we're just concerned. That's all. It's like the saying goes. You either die a hero…

Boomer: Or live long enough to see yourself become a villain.

Nico: That's going a bit too far on that one. But J.D. would never do that to any of us.

Me: Yeah. You all are like family to me.

Eli: Yeah!

Brawlrus: Oh yeah? Why don't you look Nico in the eye and say that?

Nico: BRAWLRUS! That's enough! J.D. means it and he is right. He would never do that.

Brawlrus: (Whimpers)

Nico: Look, the last thing we want is for everyone to start getting paranoid and turning against each other especially when the battle with 2012 Shredder is 2 days from now. So no one is sacrificing anyone.

Me: That's right. I made this team and I lead it to become a great and awesome force and Nico has shown tremendously great leadership qualities for the position last year.

Eli: So like it or not we're all in this together. So deal with it!

Abomination: You're right, J.D. And we're sorry. But we just want to make sure you don't lose it on the fateful day.

Me: Apology accepted.

Nico: Good. Now lets get to that restaurant.

Sam Witwicky: By the way, you probably were told about Dylan Gould, right?

Nico: About how he's a fucking traitor? Yes.

Me: Why do you ask?

Sam Witwicky: Well, if he does show up on April 28 alongside Megatron and Starscream, let me be the one to kill him.

Me: Understood.

RD Clyde: Didn't you already kill him once?

Sam Witwicky: I've got a personal grudge against him. He sold out his own species to the Decepticons to become slaves, turned me unwillingly into a spy against the Autobots, held Carly hostage, ordered Soundwave to attempt an execution on Bumblebee, and even after all that, still continued to assist the Decepticon's plan to bring Cybertron to Earth.

Nico: That's like what happened to me against the Sullen 6!

Me: I remember that! That centipede like robot!

Eli: We still have that in our lab.

Laney: Yeah!

Nico: Oh I wish I could forget that.

Magma: You know there won't be a control pillar to knock him into this time, right?

Sam Witwicky: I'll think of something?

Nico: Great.

Eli: Guys can we get going now to the restaurant?

Nico: Right we better get moving. Lets go.

Suddenly, Lincoln's deep sapphire blue eyes glowed even more, as he sensed a dark signal moving fast, and he saw a vision of who the dark energy signal belonged to, it was Angelus, the sadistic and brutal vampire from 18th century Ireland, and he's heading for us, mainly towards Buffy Summers. When we saw that, it definitely meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, does this mean the next douchebag from Buffy's past is heading for us?

Lincoln: That's right, Nico, it's Angelus.

Tachibana Satomi: Which means, later on, we're about to have our fight against the most brutal and sadistic vampire from 18th century Ireland.

Suddenly, we heard the doorbell ring.

Buffy Summers: Alright, they're here.

Buffy Summers went to the elevator, and we followed her, and then, as the elevator doors open, we were greeted by Buffy's friends, who've formed the Scooby Gang, Rupert Giles, Willow Rosenberg, Alexander Harris, Daniel Osbourne, Faith Lehane, Anya Jenkins, the vampire, Spike, Riley Finn, Tara Maclay, Dawn Summers, and Andrew Wells, along with the members of the paranormal investigation group from Los Angeles, The Angel Investigations, Angel, Cordelia Chase, Allen Francis Doyle, Wesley Wyndam-

Pryce, Charles Gunn, Winifred "Fred" Burkle, Krevlornswath "Lorne" of the Deathwok Clan, Kate Lockley, Lindsey McDonald, Anne Steele, Groosalugg, Gwen Raiden, Angel's son, Connor, Lilah Morgan, Harmony Kendall, Illyria, Nina Ash, and Betta George.

Me: Whoa!

Nico: Whoa is right, that's a lot of people.

Buffy Summers: That's correct, and they know about Angelus. Let me introduce you, these are my friends from Sunnydale, Rupert Giles, Willow Rosenberg, Alexander Harris, Daniel Osbourne, Faith Lehane, Anya Jenkins, the vampire, Spike, Riley Finn, Tara Maclay, Dawn Summers, and Andrew Wells, and we formed the group, The Scooby Gang, in order to battle the supernatural forces of evil, and assist me in my duties as the Slayer in Sunnydale. And the second group you see before you is The Angel Investigations Paranormal Investigation group, Angel, Cordelia Chase, Allen Francis Doyle, Wesley Wyndam-Pryce, Charles Gunn, Winifred "Fred" Burkle, Krevlornswath "Lorne" of the Deathwok Clan, Kate Lockley, Lindsey McDonald, Anne Steele, Groosalugg, Gwen Raiden, Angel's son, Connor, Lilah Morgan, Harmony Kendall, Illyria, Nina Ash, and Betta George.

Me: Wait, I remember the Angel Investigations group all too well, they've fought against the forces of the supernatural world in Los Angeles, and they were asked by the citizens for help when it comes to the supernatural. I remembered helping them in some of their cases long ago.

Lincoln: That's awesome, and it's a pleasure to meet you all.

Willow Rosenberg: You too, Lincoln. When Buffy told us that The Master, Dracula, Angelus, Warren Mears, and The Beast came back, we were horrified. We thought we were rid of them for good, but it looks like they refuse to stay dead.

Cordelia Chase: But, so far, The Master and Dracula have been destroyed, and now, Angelus is on the move to attack.

Me: That's right.

Lincoln: And Buffy, you said that you also wanted to tell us more about Angelus, right?

Buffy Summers: That's right, Lincoln. But, I think you should hear it from Angel himself.

Angel: Buffy's right, and before any of you guys ask, Angelus was separated from me, thanks to a Dark Orb, but I don't know who did that.

Lincoln: We'll find out about who did that later, Angel. Why don't you tell us about your evil self?

Angel: Thank you, Lincoln.

Angel proceeded to tell us about Angelus, his evil vampire self, and as expected, we were in for a shock.

Angelus

Angelus is the original form of Angel and the main antagonist of the Buffyverse, acting as the overarching antagonist of Buffy the Vampire Slayer and the main antagonist of Angel. He was an Irish vampire and known to be one of the most sadistic and brutal creatures to exist. However, after having a Romanian curse placed on him, he was turned into Angel as retribution for over a century of tyranny as a soulless vampire, whenever Angel experiences true happiness, he loses his soul, thus reverting back to his original form. He is the archenemy of Buffy Summers.

As with his good counterpart, he was portrayed by David Boreanaz, who also portrayed Luc Crash in The Crow: Wicked Prayer and Jeremy Melton in Valentine.

Roles

Angelus is first mentioned in Season 1 of Buffy the Vampire Slayer before debuting as the main antagonist of Season 2 and is a flashback antagonist throughout the rest of the series. He returns in Angel as a minor antagonist in Season 1, the overarching antagonist of both Season 2 and Season 3 and one of the two main antagonists (alongside Jasmine) in Season 4.

## Biography

### Early life

Before becoming the vicious vampire Angelus, he was a human by the name of Liam, born in Galway, Ireland in 1727. His father was a linen and silk merchant of some wealth. One day, at the age of 26, after a night of his usual drunken debauchery, Liam got into a fight with his father, who declared that he was wasting his life and slapped him. Liam responded that he was what his father had made him, and left their household in a rage, his father doing little to stop him, despite his obvious grief at his son's harsh words. After a tavern brawl, he was kicked out, and followed the woman - the vampire, Darla - into an alleyway. She promised to fulfil his dreams, and show him a whole new world, and sired him, turning him into a vampire.

Liam and Darla went about killing people in his home town, until finally, Liam decided to move on, but not before killing his entire family. He took the name "Angelus", seemingly inspired by the fact that his little sister believed him to have returned to her as an angel, shortly before he killed her.

Angelus and Darla traveled the world for decades, wreaking havoc wherever they went, and creating a reputation as the most vicious and dangerous vampires in the world. Angelus had a gift for torture, both mental and physical, and enjoyed nothing more than using his dark talents to create works of "art", in the form of brutal murders and tortures.

21 years later in May 1764, Angelus and Darla killed the wife and son of Daniel Holtz, and turned his young daughter into a vampire, forcing him to kill her. Holtz then devoted himself to capturing them, and chased them across Europe. He managed to kill almost 400 other vampires in the process.

96 years later in 1860, a young woman by the name of Drusilla caught Angelus' eye. Pure, chaste and virgin, she possessed the

"sight", an ability to see the future. Angelus became obsessed with her, and began torturing her by killing her loved ones in an attempt to drive her insane. She fled to a convent, and on the day she was to take her vows and become a nun, Angelus massacred the coven, killing everyone but her. He proceeded to have sex with Darla on top of her, which finally shattered what remained of Drusilla's sanity, driving her completely and utterly insane. Angelus then sired her, turning her into a vampire, so that his "masterpiece" would live on for eternity.

The two were now three, and would be for another twenty years, until in 1880, Drusilla desired a companion of her own. She took the mild-mannered and lovesick poet, William, who took the nom-de-guere "Spike" and turned him into a vampire, a new addition to their little "family". Spike and Angelus had a complicated relationship, with William both greatly admiring and resenting Angelus for his charisma and leadership, and especially resenting the fact that Angelus would regularly sleep with Drusilla. The four became known as the "Whirlwind", the bloodiest vampires in history, Angelus chief among them.

## The Gypsy Curse

38 years later in 1898, Angelus and the Whirlwind murdered the most beloved daughter of a tribe of gypsies. In revenge, the gypsies cursed Angelus by restoring to him his human soul, making him feel guilt for all the people he had slaughtered and the atrocities he had committed in the last 170 years, a curse that could only be broken by one moment of pure happiness. After realizing what had happened to him, Darla violently rejected him, disgusted by his new humanity. Angelus lived on his own for a while, unable to kill and feed on the innocent as he had, he turned to killing other murderers and wrong-doers, while searching for Darla. He found her in China during the Boxer Rebellion in 1900. He tried to convince her that he could still live as they had in the past, but Darla had her doubts. She grew enraged at the fact that he protected innocents from her and would only feed on murderers, rapists and animals, and confronted him with an ultimatum; to kill and feed on a baby whose parents Darla had killed, or to leave them forever. Angelus couldn't, and saved the baby before fleeing.

## Life With a Soul

In the next 90 or so years, Angelus lived a solitary life, trying to keep to himself in order to avoid the urge to feed on humans. He moved to America and took the name "Angel". Angel maintained some limited contact with humanity, but after finding himself unable to resist feeding on a dying store clerk in the '70's, he exiled himself to a life of homelessness, living on the streets and drinking the blood of rats.

He was sought out in the 1990s by the demon Whistler, who persuaded him to fight against the evil that he had once embodied in an effort to redeem himself. He pointed Angel towards the newly-activated Slayer, Buffy Summers. Angel resolved to help her in any way possible. He followed her to Sunnydale, and made his identity known to her. The two quickly began to develop romantic feelings for each other. During this time, he met Darla once again, who had come to Sunnydale to serve the Master, her own sire, who was magically trapped underneath Sunnydale. Darla attempted to turn Angel against the Slayer, and to bring him back to their side, but she failed, and Angel killed her.

Buffy and Angel's relationship would grow complicated once again with the arrival of Spike and Drusilla in Sunnydale. Spike was initially oblivious to Angel's condition, and sought him out. Meanwhile, Angel sought out Drusilla and told her to leave town. Spike would soon find out where Angel's true allegiances lay, and instead decided to use him in a ritual to rejuvenate the sick and weakened Drusilla. Angel was captured, and Drusilla tortured him as he had once tortured her. Spike planned to sacrifice Angel in a ritual to restore Drusilla to health, but Buffy managed to intervene, saving Angel's life and temporarily crippling Spike, but not before Drusilla was restored to full health. Spike and Drusilla planned to unleash a demon named "the Judge", who would kill all non-demonic life on Earth. Meanwhile, Angel and Buffy finally had sex after a heated battle. This would serve as Angel's moment of pure happiness, breaking the gypsy curse and removing his soul.

## Soulless Once Again

Unleashed once again, Angelus joined Spike and Drusilla in their plot to unleash the Judge. Buffy managed to stop them however, and Angelus resolved to completely and utterly destroy her, having a personal vendetta against her for making him love her. He began to torture her and her friends by threatening their loved ones, and taking away things they loved-such as making necklace out of Willow's fish he killed. He learned of a plot by a the gypsy woman Jenny Calendar, who had been sent by the Kalderash to ensure Angelus kept his soul. She attempted to ensoul him again, but Angelus found out, and brutally murdered her.

Angelus began to form a plan to unleash Hell on Earth, but meanwhile, Spike was growing increasingly resentful of Angelus for usurping his leadership of the gang, annoyed that he would not kill the Slayer, and jealous that he had resumed his sexual relationship with Drusilla, all while Spike was still crippled by his injuries. Angelus got all the necessary components to open a gate to Hell, but Spike and Buffy teamed up in order to stop him. Meanwhile, Buffy's friend Willow began an incantation to restore Angelus' soul. She was successful, but not before Angelus managed to open the gate. Requiring his death to close it, Buffy ran him through with a sword, and kicked him through the portal.

Angel would return from the hell dimension, his soul once again restored, and would continue to fight for good to redeem himself. However, his true nature would never be far, always whispering in his ear, and occasionally emerging on the rare occasions when Angel lost his soul. When Angel moved to Los Angeles, he once met a woman named Rebecca Lowell, an actress who wanted to be eternally young. She snuck a drug that simulates bliss into Angel's drink, suppressing his soul and causing him to try to torture and kill her. Although Angelus was knocked out and reverted to Angel without causing casualties this time, years later in 2003, a very powerful demon known only as the Beast arrived and began an attempt to bring forth an apocalypse. Angel had to strip himself of his soul and revert to his evil alter ego in order to defeat it, after "Cordelia" had a vision of Angelus facing the Beast in the past which Angel did not recall. As Angelus, he lures Faith to the Beast, only to betray and kill him, not knowing it would bring back the sun. Angelus was eventually recaptured and re-ensouled after a battle with Faith. He has never been featured in the series again.

## Legacy

Spike after his disastrous encounter with a psychotic vampire slayer, Dana, called her a monster. He likened her to himself and Angelus. After Angel called her a victim, Spike stated "So were we, once upon a time." During the time when Los Angeles was pulled into Hell by The Senior Partners of Wolfram & Hart after Angel betrayed them, he would find himself in conflict with a newly sired Charles Gunn. When Gunn once turned his back on Angel, Angel knew that had Angelus saw Angel commit this betrayal, that he would be proud of him. This disgusted him and though later it proved to be ill-advised, he didn't go through with killing Gunn.

## Personality

As Angelus, Angel is devoid of all human emotion, save perhaps the perverse pleasure he receives from his acts of cruelty. He is also a ruthless killing. It's believed that he's more evil than any other vampire in history, with his grandsire The Master even being taken aback by how incredibly brutal he was. He was also incredibly petty, obsessive, sadistic and devoid of any care for the lives he ruins. He would also go to extreme lengths to torment his victims as much as possible, most infamously this happened with Drusilla who he drove to absolute insanity before siring her, and he later attempted to replicate this with Buffy.

---

When Angel was done, we were really shocked. Now, we know even more about Angelus.

Nico: Whoa, this is serious. So, when you murdered the daughter of a tribe of Romanian Gypsies in 1898, the Gypsies put a curse on you restoring your human soul, making you feel guilt for all of the people you slaughtered and the atrocities you committed in the last 170 years.

Angel (Angel): That's correct, Nico. But, there's also a loophole to the Gypsies' Curse: if I experience one moment of pure happiness, the curse will be broken, and I'll return to being Angelus. And for the past 90 years, I decided to seek redemption by helping out others, but that wouldn't be easy, for I knew that if I were to experience one moment of pure happiness, the curse will lift, and the soulless Angelus will return. But, now that Angelus has been separated from me, the curse has been broken, and I still retain the powers of the vampires.

Lincoln: That's unexpected, but, we still have to get rid of Angelus for good, Angel, or he'll be coming after us.

Spike (Angel): And there's only one person he's definitely going to come after: Buffy. His goals are really simple: kill for his own amusement, send the world into a Hell dimension, keep himself from being ensouled, and most important of all, psychologically break Buffy Summers and kill her friends.

Me: (Gasps) He's a fucking sadistic bastard.

Nico: He's sick, twisted, and sadistic to the extreme, and he calls killing "art". That's it, he's getting a one-way trip to Hell for good.

Lincoln: And that's exactly where he's going, Nico, straight to Hell for good. He's caused 300 years of pain and suffering when Darla sired him, and so many were butchered, there's no telling how many he's killed. But, first, I've got to do something.

Lincoln used his Dark Side Eternal Purification technique, and he severed the psychic link that Angel has with Angelus, but he also stripped Angelus of his vampire powers, and gave them to Angel, which he made his own. When Lincoln was done, Angel had a slight headache.

Angel (Angel): (Groans) What was that?

Luna Loud: That was Lincoln's technique, Dark Side Eternal Purification, he used it to sever the link that we still had with our Dark Sides, and he used it to sever the link that you still had with Angelus.

Lincoln: But, I did more than that, Luna: I also stripped Angelus of his vampire powers, and I gave them to Angel, which he's now made his own, with a few new added upgrades.

Suddenly, Angel felt a sharp pain on his back, and then, massive black angel wings sprouted out from his back.

Me: Whoa.

Nico: Black angel wings for a Champion of the Night, awesome. Which means that when we kill Angelus, we won't kill Angel, right?

Lincoln: That's right, Nico. And it's because of the curse that the Romanian Gypsies was put on him over a century ago, Angel's wanted to redeem himself for the 300 years of pain and suffering that he'd caused, and we can't just let him die. But, Angelus is going to be the one to die.

Nico: Awesome. Alright, everyone, let's go.

We headed out to the Eggscellent Restaurant, and then, after our mission, Tachibana Satomi and Lincoln are going to face off against the evil 18th century Irish vampire, Angelus, and they're going to make sure Angelus will never return to torment mankind and antagonize Buffy ever again.

We then arrived.

Smithers: Here we are.

Slinkman: What a nice restaurant.

Me: It sure is and the cool part is it's right across the street from the Gotham Royal York National Space Museum and Planetarium.

Nico: Awesome and you know how much Twilight loves going to that place.

Twilight Sparkle: It sure is amazing.

We then went into the restaurant.

Me: Wow nice place.

Nico: Good thing we did the entrance earlier. It would not be a good thing to damage a great place.

Eggscellent Manager: Welcome Team Loud Phoenix Storm.

Me: Glad to be here good sir.

Dark Laser: Our friend will be having the Eggscellent Omelette.

Man: I think you should order something-

Flipsy cut him off by growling at him

Nico: He is getting that Eggcellent Omelette sir.

Me: I have been training for this.

Man: Okay it's your funeral.

Me: I'm immortal. Nothing can kill me.

Nico: This will be fun.

Me: Nico this is for you. (Snaps Fingers)

I snapped my fingers and gave Nico a Kiramager Morpher and his own Kiramai Sword!

Nico: Whoa! I'm the Purple Kiramager!? SWEET!

Eli: This will be awesome to see.

Nico: Yep.

I sat down and I got the omelette and the fruit bowl.

Me: Boy it sure looks delicious.

Waiter: Thank you.

I got to eating.

I proceed doing the challenge. The waiter looks at me surprised that I know the strategy to winning the challenge.

Waiter: No, don't (walking back to me but Benson pushes him back)

Benson: Eh. (Muscle Man, High Five Ghost and Skips and everyone are behind Benson) Let him finish.

(The waiter whistles and the restaurant staff come in and stand behind the waiter)

Waiter: Step aside.

Muscle Man: Why don't you make us bro?

Nico: You even touch J.D. (Cracks Knuckles) And I will snap your neck!

Youngblood: Go ahead and eat, J.D. We'll cover you!

I nodded and continued eating.

Waiter: You'd all defend J.D.? You said it yourselves that he'd sacrifice you against 2012 Shredder!

Robo Roxy: (smirks) After that talk earlier, we now know there's a 99% percent chance he won't sacrifice us anytime soon. Too bad you won't get to see what happens then! Tronics!

She summoned a bunch of Tronics.

Nico: Skinner we need some Saloon Bar Brawl music.

He played on the piano some Saloon Bar Music. (SEASON 22 EPISODE 10)

Everyone got into a deadly fight with the staff of the restaurant like it was from a Western Saloon brawl and they were really going at them.

Waiter: You will stop eating now!

I flipped the bird at him as I was eating.

Bender: You will not touch him egg boy!

Waiter: Step aside tin can!

Bender: Bite my shiny metal ass!

POW!

Bender punched him in the crotch!

Laura Powers: Hey waiter do you know someone named Ivana Tinkle?

Waiter: Ivana Tinkle?

Nico and everyone minus me laughed.

Laura Tower: Bathroom is over there!

Eli: Do you also know someone named Ima Drew P. Weiner?

Waiter: I'ma Drew P. Weiner?

Nico: Then go get a sex change why don't ya!

Everyone laughed.

Nico punched him in the face and knocked him down.

One of the staff tried punching Gantu but he hurt his hand.

Gantu: (sarcastically) Ow. That hurt.

Staff Man: WHAT ARE YOU!?

Gantu: Someone you don't want to mess with!

KROW!

He kicked him in the crotch and smashed his entire pelvis into dust!

Donkey Kong: HERE COMES DONKEY KONG!

He pulled out his Coconut Shooter and fired a bunch of coconuts and they hit a bunch of Restaurant Staff.

BONK BONK BONK BONK BONK BONK!

Patrick: DAHAHAHAHA! THOSE GUYS GOT HIT IN THEIR HEADS WITH A BUNCH OF COCONUTS!

Nico took out an onion.

Nico: Suck on this morning breath! (EATS ONION) (BURPS)

He belched in the restaurant staff's faces and they broke down crying from the onion fumed breath.

Ikkatosh blasted and smashed the waiters all over.

Stewie and Brian were eating.

Maria: (to Stewie and Brian) Are you two seriously eating right now?!

Brian: C'mon, me and Stewie are hungry too.

Stewie: You've gotta try this orange juice. It's so good!

Nico: Oh let them eat Maria. (Punches a staff member) Besides they were hungry as well.

I was already a quarter of the way done with the omelette at 5 minutes in. It was delicious.

Maria: You're right. Maria blasted a staff member with water.

Me: (GULPS) Nico! Summon any team to help you.

I gave Nico the Zenkai Cannon.

Nico: Thanks. Keep eating.

I resumed eating.

Nico: Okay. Lets see. I know! (TURNS DIAL) BOOMING MACHINE POWER!

Nico summoned the Pink Turboranger, Green Carranger, Black Boukenger, Blue Go-Onger, and the Silver Kiramager!

Whiger: Now to show you what would happen if I joined the Jungle

Fury rangers. JUNGLE BEAST! SPIRIT UNLEASHED!

He turned into a New Jungle Fury Ranger!

Whiger: With the spirit of the White Tiger! JUNGLE FURY PLATINUM RANGER!

Nico: WHOA! That is awesome! Whiger you look awesome as a Jungle Fury Ranger.

Eli: You would have been a perfect 6th ranger for the team.

Whiger: Thanks guys. The Snow Tiger would have been a perfect spirit for me too.

Nico: Yes it would.

Whiger slashed and pounced on many Staff Members.

Gia: J.D.'s finishing the omelette. And you guys are having knuckles sandwiches!

Nico: Lets make it Kiramager style! KIRAMAI CHANGE!

Nico transformed into the new PURPLE KIRAMAIGER!

Nico: THE GLISTENING BRAWN! KIRAMAI PURPLE!

Eli: AWESOME! Nico you look great!

Nico: Wow! I sure do! Perfect for June 14th,

Megaforce Rangers: LEGENDARY RANGER MODE! JEWEL MACHINE FORCE!

The Megaforce Rangers turned into the Kiramagers!

Nico: Awesome! It's like the team of Kiramagers joined us.

Emma Goodall: It sure feels that way.

Rothar: Vine Snare!

He grabbed the staff in vines and smashed them down.

Nico: AMETHYST BLADE DANCE!

Nico fired blades of purple energy from his sword and smashed the staff down.

Laney: YEAH!

I was 3 quarters done with the omelette.

Nico then saw 3 blasts of energy hit the staff and smashed them down.

The Silver Kiramager gave Nico a thumbs up before disappearing.

Nico: That was weird.

I then finished the omelette and went to the fruit bowl and started eating it.

May: C'mon, J.D. You're nearly done!

I had 2 bites of fruit left and I ate them.

Me: DONE!

I was all finished!

Staff: NOOOOOOOOOOOOOOOOOOOO!

Me: That was so great! (BURPS)

William: Time to get your prizes, J.D.

And I got my I Am Eggscellent hat and it was cool.

Me: Awesome.

Nico: Nice hat.

Staff: YOU WRETCH! You weren't supposed to win!

Nico: Look it's over. He won fair and square.

Me: Yeah and you guys did a great job protecting me while I ate. I'm stuffed.

Nico: For a 12 Egg Omelette it was a walk in the park for you.

Me: If it was a mountain of Inferno Wings that would be tough.

Nico: Touche.

Manager: GRR! GET THEM!

They came at us.

But then a blast of ice hit the staff and frost them in blocks of ice. That's when Jack O Lantern, 10,000 Volt Ghost, Roxy Rocket, Gameface, Johnny 13, Deadwood, Oculous, Black Lance, Vulkanus and Black Knight Ghost came out.

Nico: Jack O Lantern, 10,000 Volt Ghost, Roxy Rocket, Gameface, Johnny 13, Deadwood, Oculous, Black Lance, Vulkanus and Black Knight Ghost.

Oculous: You guys have been busy.

Me: Yeah no kidding.

Jack O Lantern: Did you guys notice how the Silver Kiramager gave Nico a thumbs up bfeore vanishing?

10,000 Volt Ghost: (Electrified voice) You don't think the copies made by the Zenkaiger Cannon are starting to become self aware, do you?

Nico: Nah. Couldn't be.

Me: That was awesome though.

Roxy Rocket: Let's not worry about that right now.

Nico: Yeah.

Gameface: (to me) We heard you faced Graboids again.

Me: We sure did and they were awesome. But this was the Shriekers, their Infrared hunting spawn.

Johnny 13: I thought those fuckers were taken care of.

Nico: Thank goodness they were. But it was amazing seeing them.

Jack O Lantern: But also J.D. way to go on winning. All that training in eating those omelettes at Lynn's Table paid off.

Nico: It sure did.

?: Boy he sure was hungry.

A figure came out and it was Tokagale Nakushaku from episode 43 of LupinRanger VS PatRanger!

---

Tokagale Nakushaku was battling the Lupinrangers and they managed to tie him up to pole where Lupin Yellow gained access to his safe, only to find that it was empty due to Narizma Shibonz took his treasure for his scheme. When the Patrangers showed up to battle the Lupinrangers, Tokagale broke free from his restraints and escaped by running across the water.

That night, he appeared at an alley walking in disappointment until he comes across the Elastic Heart / La Coeur Elastique Lupin Collection and it was for him to keep which made him so excited that he'll cause more chaos the next day.

Later, he disguised as a human he was about to cause chaos with the Resilient Bomb equipped in his safe, but he was then stopped by the Lupinrangers. He was about to leave until Lupin Yellow revealed him even when he's disguised, so he was about to retreat again, but once again he got tied up by the Lupinrangers. However, due to the Elastic Heart / La Coeur Elastique equipped in his safe, he easily freed himself and dodges the Lupinrangers attack as he makes his escape.

He later appeared at the warehouse and thought it was Noel that gave him the treasure, but it turns out to be "Satoru Shinonome" where he escaped the onslaught from the Patranger, but now he has to battle Lupinranger once again. He used the treasure's ability again to dodge the energy blast, but this time with the equipped VictoryStriker, Super Lupin Red was able to predict where Tokagale is about to land and he easily shot Tokagale at the exact spot. After that, Lupin Blue holds Tokagale in place as Lupin Yellow gained access to Tokagale's safe and got the Resilient Bomb. After that he was then taken out by Patren2gou and Patren3gou.

However, he was enlarged by Goche Ru Medou only for him to be taken out by Victory Lupin Kaiser's GoodStriker: Blow 'Em Away Magnum.

---

Nico: Tokagale Nakushaku!

Tokagale Nakushaku: That's right.

Kairi Yano: Been a while.

Tokagale Nakushaku: Yes it has.

Me: I remember you! You were sent to cause chaos with a Resilient Bomb and the LupinRangers stopped you twice. Wow!

Tokagale Nakushaku: Yep. Good memory.

Me: Never missed an episode.

Luffy: I really liked how your Collection Piece made your body turn to rubber like mine!

Tokagale Nakushaku: Thanks! Too bad I don't have it anymore. Or that you guys can't use it and the other non modified Collection Pieces.

Me: That would be cool if the Collection Pieces did that for us. Darn shame though.

Nico: Yeah.

We got the usual battles underway.

---

Green Arrow, Rainbow Dash, Scootaloo, Air Skylanders, Horri Bull and Hotlink VS Jack O Lantern - Nico's rescue

---

Jack O Lantern was first.

Jack O Lantern: (to Green Arrow) I'm glad Nico got to kill Graboids on his rescue. But I hope this is the last we'll see of them.

Green Arrow: Don't worry it is. This was a rescue in the Simulator and it was interesting to see.

Rainbow Dash: That was so awesome to see though.

Scootaloo: It sure was scary too.

Whirlwind: Yeah no kidding. The Shriekers were hunting by heat in this one.

Hotlink: They were scary though.

Jack O Lantern: Wow that is amazing. They have Infrared vision.

Green Arrow: They sure do. Just like how snakes strike with heat.

Jack O Lantern: So anything with a heat signature is food to them. Lets do it!

They fired waves of arrows, lightning, wind and rainbows and smashed him down.

Green Arrow: OH YEAH!

Rainbow Dash: That was AWESOME!

---

## Ax of the Andalites, Rarity, Sweetie Belle, Water Skylanders, Constantine (Robotboy) and Viceroy (Randy Cunningham) VS The 10,000 Volt Ghost - Lincoln's rescue

---

The 10,000 Volt Ghost was next.

10,000 Volt Ghost: (to Ax) I heard Lincoln's rescue was in Daffy Duck: The Marvin Missions. How was it?

Ax: It was amazing! But we were on the planet Magma and we were sweating like pigs in that one.

Rarity: Oh indeed we were darlings and that world was like a sauna but without the water and steam.

Sweetie Belle: Yeah it was only lava and we were there to rescue a bunch of Politicians kidnapped by Marvin the Martian.

Gill Grunt: Yeah that was awful. But at least we stopped Marvin.

Constantine: It was great though.

10,000 Volt Ghost: It sure was. I'm glad you all took down Marvin. Lets do it!

They fired waves of lightning, jewels, water and ice and smashed him down.

Ax: That was fun!

Rarity: Rapture Darline that was grand!

Roxy Rocket: What is it this time?

Cozy Glow: It's not good. Erica, Varya, Rachel, Valerie, Jessica, Caitlyn, Nikolette, Hailey, and Katie were asked by the Royal Woods Police Department to find out what Flip was up to, and this happened long after his plot to kidnap the Louds and send them to die on Skull Island was foiled. They agreed to the task, and the girls were getting sick and tired of Flip and his scams to get money, and they were also more than willing to put that ugly, fat, mutant tub of lard in his place. They infiltrated Flip's Food and Fuel, and they hid in the shadows. Then, they found that miserable fat tub of lard in his hidden room, and what they recorded and found out was too shocking for words: they found out that Flip had hired hitmen to kill Lincoln and his family, along with Lincoln's friends, The Santiagos, The Casagrandes, and J.D. for ruining his plans, and he intended to profit from your deaths. The girls were so horrified, and they wanted to rip his jumbled organs out of his corpse, and shove them right up his three-cheeked butt. But, they relented, instead, they sent all of the information to the Royal Woods Police Department, and when the cops arrived, they busted down the door, and they arrested the hitmen that Flip hired, and before they could move in to arrest Flip, that tub of lard ran for his life.

Roxy Rocket: WHOA! Man he really has it out for them huh?

Hex: Yeah because the Louds, Santiagos, Casagrandes and J.D. have all been nasty thorns in his side for years.

Crankcase: Boy that guy sure has one helluva grudge.

Roxy Rocket: No kidding! Thank goodness we're humiliating him all over. Lets do it!

They fired waves of stars, lightning, bones and magic and energy and smashed her down.

Danny Phantom: ALL RIGHT!

---

Su Yung was next.

Su Yung: How did you become a vampire?

Natasha Hernandez: I was diagnosed with a deadly and fatal blood disease and the only cure for me was a Vampire Blood Transfusion and there was only one volunteer that saved me for it and that was Nyssa from the house of Overlord Eli Damaskinos in the Czech Republic. She is a pureblooded vampire and her blood saved my life. But in doing so she had me become a vampire. But I am in every way like Blade now.

---

Admiral Zhao was next.

Admiral Zhao: What I don't understand is why J.D. wants to destroy the 2012 Shredder so badly?

Catherine Iroh: Well it's a really nasty story. He wants to destroy him that badly because he killed their version of Splinter. J.D. brought Splinter back and vowed that if he comes back on March 14th, he swore that he would use the Black Gates on him and make him pay for his crimes. EVERY SINGLE one of them all in blood.

Admiral Zhao: So he wants to avenge the turtles master and mentor and someone that they have loved for a long time.

Catherine Iroh: Exactly. What happened in that world to their version of Splinter was unforgivable.

Sakura Avalon: Yeah it was horrible.

Madison Taylor: What that version of the Shredder did was awful.

Chelsea: Yeah he deserves to be destroyed for everything he did.

Rita (Cardcaptors): I agree there completely.

Nikki: What that version of the Shredder did was awful.

Kero: But his crimes pale in comparison to that of Ch'Rell the Utrom Shredder. What he did destroyed millions of innocent people all over the galaxy.

Li: Yeah it was awful.

Admiral Zhao: I can tell that J.D. has had a terrible history with many versions of The Shredder and not the 1987 version.

Catherine Iroh: He sure has had a bad history with them. What they have done over the years shows that they are absolutely pure evil.

Admiral Zhao: Yeah no kidding. Lets do it!

They were going to jail and they were loaded into cop cars and arrested.

Oculous: J.D., you definitely deserve that hat.

Buffy Summers: Should've known I'd hear that voice again. You can come out now, Angelus.

A figure came out, and it was none other than the evil 18th Century Irish vampire, Angelus, the evil self of Angel.

Buffy Summers: Angelus. Of all the worst douchebags that had to come back from the dead, you're one of those I hoped never to see ever again.

Angelus: And now, I'm going to enjoy killing you and all of your friends before I finally unleash Hell on Earth.

Angelus tried to attack, but Tachibana Satomi fired a blast of ocean blue energy with water, and it hits Angelus, and because that was water he was hit with, it burned the evil vampire badly.

Tachibana Satomi: I've had it up to hear with you to last an eternity, you bloodthirsty sadist.

Suddenly, Tachibana Satomi's brown eyes turned neon brown, and she was surrounded by a ocean blue energy aura with ocean waves, sea animals, and phoenixes, she had unholstered her massive Defender of Silverman Gym sword from her back, and as she approached Angelus, she left ocean blue energy, ocean waves, sea animals, and phoenixes with every step.

Tachibana Satomi: Angelus, you've tormented the lives of the innocent for the last time, and I refuse to let you live for another second longer. You've taken far too many lives for own sick amusement for the last 300 years, and now, you have a 300-year date overdue with Death!

Suddenly, Tachibana Satomi was surrounded by a massive vortex of ocean blue energy with ocean waves and sea animals surrounding it, there's a phoenix flying around it, and in the vortex is a blue phoenix. Then, as the vortex faded, Tachibana Satomi emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Tachibana Satomi grew to 6'5" in height, she had the body of a goddess and she has ocean blue highlights in the bangs of her short neck-length black hair, she has neon brown eyes and a ocean blue energy aura with ocean waves, sea animals, dumbbells, and phoenixes surrounding her, she has a phoenix with the Water Kanji in its claws emblazoned on her forehead, she has on phoenix earrings with ocean blue jewels for the eyes and the Water Kanji in its claws, and she also has a phoenix with ocean blue gems for the eyes and the Water Kanji in its claws for the second pendant of her Thunderbird Necklace of Eternal Love along with the Thunderbird pendant with ocean blue gems on the gold lightning bolts and ocean blue crystals from her Crystal Necklace of The Buddha which merged with her Thunderbird Necklace of Eternal Love. Tachibana Satomi has on a long sleeveless white trenchcoat with ocean waves, sea animals, dumbbells, and phoenixes on the coattails and right on the back is the symbol of Silverman Gym surrounding it with ocean waves, a light blue blouse and white shirt with a silver phoenix on it, white skirt with ocean waves on it, black gym shorts with ocean waves on them, white sneakers with water drops, and she has on a Star Sapphire ring on her left ring finger. Suddenly, Tachibana Satomi felt a sharp pain on her back, and then, massive black angel wings with ocean blue tips on the large black feathers sprouted out of her back.

Suddenly, Tachibana Satomi's massive Defender of Silverman Gym was surrounded by a kaleidoscope of ocean blue energy, ocean waves, sea animals, dumbbells, and phoenixes, and when it emerged, it was transformed into Silverman Gym's Ocean Phoenix Sword of Maelstrom Justice, it's a new large sword with a 6'9" massive, wide, double-edged silver blade with the symbol of Silverman Gym etched on it, large ocean blue wings for the crossguard, large ocean blue gem for the hilt, longer black handle, and a large ocean blue gem surrounded by angel wings for the pommel. Tachibana Satomi has on her new large gold cuff Bracelets of the Champions of The Universe with ocean blue gems on her wrists, large gold Belt of Elemental Bravery with a gold phoenix head with ocean blue gems for the eyes and a large ocean blue gem in its open mouth for the belt buckle, large ocean blue Spellbook of The Gods and The Universe and large ocean blue Universal Spellbook of The Elemental Forces on her left hip and Eater of Sins revolver holstered on her right hip. There's a ocean blue kanji below the symbol of Silverman Gym that said, "Tachibana Satomi, Teacher of Koyo Girl's Academy, Teacher of Sakura Hibiki, Soyurin Akemi, Uehara Ayaka, and Gina Boyd, Loving Future Wife of Lincoln Loud, Gym Member of Silverman Gym, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Passionate Cosplayer, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Ice, Snow, and Phoenixes."

Tachibana Satomi has transformed into SUPER ANGEL INFINITY ATHLETIC MAELSTROM GYM PHOENIX ANGEL OF OCEANIC JUSTICE AND DIVINE LOVE!

We were amazed by Tachibana Satomi's Super Angel Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes. But, when Angelus saw it, his face turned vampiric, and he tried to kill her and drink her blood, but Tachibana Satomi fired a powerful ocean blue energy blast with ocean waves, sea animals, dumbbells, and phoenixes, and hits Angelus, and he got burned severely by the water hitting him.

Sakura Hibiki: Wow, Ms. Tachibana's transformed, and she really hurt Angelus, when the water hit him.

Nico: And since water is pure, if it hits a vampire, it'll burn him like acid.

Lincoln: Wow, Satomi, you look beautiful. How do you feel?

Tachibana Satomi: (Divine Echoing Cosmic Voice of The Maelstrom Phoenix and Athletic Divine Love) **I feel incredible, Linky. Now, shall we put an end to Angelus for good?**

Lincoln: (Smiles) With pleasure.

Lincoln unholstered his improved massive Sword of Universal Hope and Elemental Bravery from his wider and muscular back, and he transformed Lincoln the Vampire, as his deep sapphire blue eyes turned deep blood red and the black outline appeared around his eyes, his canine teeth grew into sharp vampire fangs, his orange version of He-Man 2002's loincloth, long orange trenchcoat flaps with the Thunderbird, Phoenix, Angel, Buffalo, and elemental forces, large orange bands with silver phoenixes on his abnormally massive and powerful biceps and thighs, eight large orange orbs orbiting around his legs, orange gems on his large cuff Bracelets of The Champions of The Universe, and large orange gem in the large gold buffalo head belt buckle on his large gold Belt of Elemental Bravery turned blood red, his large long blue pants turned black and the gold lightning bolts on the thighs turned black, his large white leather ankle-high combat boots turned black, the silver armor covering the toes and the hanging silver lightning bolts on the long orange trenchcoat flaps and loincloth turned dark silver, and his gothic dark steel gauntlets with clawed steel fingers reappeared, and he also transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Tachibana Satomi.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **This will be the last time you come back from the dead, Angelus.**

Angel OST: Main Theme - You're My Sanctuary by Darling Violetta

Tachibana Satomi and Lincoln went after Angelus, and they fired powerful blasts of rainbow energy, ocean blue energy, dumbbells, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Gravity, Magic, Blood, Thunderbirds, Phoenixes, Angels, and Buffalo right at Angelus, and they exploded with incredible power as they hit the powerful vampire. Then, Angelus summoned an army of vampires to attack them, but, Lincoln's deep blood red eyes glowed, and he'd put the army of vampires under his control, and then, he ordered them to kill themselves, as they'd slit their throats with their clawed hands, and they died in a massive pool of blood, which Lincoln had devoured, as he absorbed the blood into his body.

Then, Tachibana Satomi and Lincoln engaged in a powerful sword fight with Angelus, as sparks came from their weapons, but Tachibana Satomi and Lincoln's experience with fighting with their swords overcame Angelus' experience with a sword, and they disarmed him, and Tachibana Satomi slashed off Angelus' right arm and Lincoln slashed off Angelus' left arm.

Lincoln: **Let's use our combo on Dracula and send him to Oblivion, Satomi.**

Tachibana Satomi: **Let's do it, Linky.**

Tachibana Satomi and Lincoln: HOLY PHOENIX MAELSTROM CYCLONE FURY!

Tachibana Satomi and Lincoln fired massive blasts of holy water, and the powerful cyclone's winds pulled Angelus inside, and not only was he being attacked by the fierce winds, but the holy water of the cyclone is burning Angelus so badly, and then, a water stake formed, and it pierced Angelus right in his black heart, and Angelus turned to dust, and his spirit was then dragged to Hell forever, where he'll never be freed again. We cheered wildly, as Tachibana Satomi and Lincoln holster their massive swords on their backs and power down and Lincoln changed back, and Tachibana Satomi's new body, clothes, weapons, jewelry, and angel wings are permanent.

Tachibana Satomi: That's it for that monster, Angelus, and that's another of Buffy's five big bad enemies taken down. Thanks for helping me take down Angelus, Linky.

Lincoln: (Smiles Warmly) You're welcome, Satomi.

Suddenly, Tachibana Satomi wraps her arms around Lincoln's waist, and Lincoln wraps his abnormally massive and powerful muscular arms around Tachibana Satomi's waist, and then brought her into an embrace, which took her by surprise and it brought an atomic red blush to her face. Then, as Lincoln leaned down to Tachibana Satomi's face, they kissed passionately as Tachibana Satomi wraps her left arm around Lincoln's wider and muscular back, and placed her left hand on Lincoln's massive and wide right pec, and right behind them is a Thunderbird, Phoenix, and Angel flying in the air, and we also saw a herd of Buffalo running across the field, ocean waves crashing right behind them, and the display of the elemental forces behind them, and we cheered for them.

Nico: Alright, that's another one of Buffy's old enemies down, and now, all that's left are Warren Mears and The Beast.

Me: And Uehara Ayaka is looking forward to making sure that he pays for everything he's done.

Uehara Ayaka: For constantly antagonizing Buffy Summers and her friends and trying to kill Buffy and Willow, defeat the Scooby Gang, and trying to take over Sunnydale, that mysoginistic mad scientist psychopath is looking at a one-way trip to Oblivion for good.

Buffy Summers: And Uehara's right to call him that: Warren attacked his ex-girlfriend, Katrina Silbert and he fatally shot Tara Maclay during an attempt to murder me.

Willow Rosenburg: Which caused me to flay him alive when Dark Willow came right out, Warren's a mysoginistic mad scientist and psychopath who doesn't deserve to live.

Me: Those kinds of people really make me sick.

Nico: Same here, he doesn't deserve to spend a second in prison, he deserves to die.

Willow Rosenburg: Hope you got a perfect punishment for him, Lincoln.

Lincoln: I've got a few punishment ideas for a monster like Warren, and that's for tomorrow, which is his last day alive! And I also can't stand people like him, I'm looking forward to making him pay for everything he's done.

Nico: This restaurant will be under new management now.

Me: Yep it sure will.

Nico: Lynn's Table. (To the viewers) This was an awesome food battle too. J.D. has his awesome hat and he got the title of the Second person to win.

Laney: He sure did.

Nico: Yep. Great job everyone. Lets go home.

We went back home and the restaurant was moved to Lynn's Table. We went back home and I was in my bed in a food coma. We enjoyed the rest of the day and went to sleep.

THE END

Another awesome fanfic done.

This chapter was a parody of the episode of Regular Show called Eggscellent and it was awesome. It was awesome how Mordecai ate all those eggs and all that. The episode aired on February 27th, 2012 and it was awesome. The first part was for Tremors 2: Aftershocks and that was awesome how the Graboids turned into the Shriekers. They were scary but wicked that they can hunt with heat. The second part was for one of my favorite games and that was for Daffy Duck: The Marvin Missions and it was awesome. That was one of my favorite childhood games from my youth. NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, XP4Universe, Darkhai, vinjedi1995, Drako1234658, Nflemingful, Etstheclarencefan and ninjakingofhearts gave me the ideas for this and so did the guest reviewer. Nico's next rescue is gonna be an awesome treasure hunt and me, Nico, Eli, Nicole, Rainbow Dash, Daring Do, Beast Boy, Tara, the Hernandez Sisters and Himiko Toga are going to the Philippines to find a powerful sword imbued with the powers of the Gods of Nature from the Philippines: Lalahon - the Goddess of Fire, Aman Sinaya - Goddess of the Sea, Habagat - God of Wind, Dumakulem - God of Mountains, Bathala - God of Light, Sitan - God of Darkness, Kadakan - God of Thunder, Gugurang - God of Volcanoes, Kan-Loan - God of Time, Apolaki - God of the Sun, Mayari - Goddess of the Moon, Sisina - Goddess of Flowers and Tala - Goddess of the Stars. All their powers are going to be imbued into that sword and Nico and his friends when he lived in the Philippines have been searching for the sword for years but were never able to find it and they are also going to meet a Porcupine Gene-Slammer named Layla Henrickson and she is from Nico's Cooking Class. Also they are going to face Billy Billions who is gonna be after the power of the sword all for himself. The next rescue for Lincoln is gonna be in the movie When Dinosaurs Ruled The Earth from 1970 and we're going to reallygo at a bunch of sacrificial cavepeople who want to sacrifice women to the sun. It will be a brutal battle and Himiko Toga is gonna transform in this one so I'll need the Transformation Scene for her there and we're going to meet an Element Valkyrie Gene-Slammer named Erica Jacqueline and she is one of Lincoln's Guardian Angels from Lori's high school and is skilled in P.E. and Chemistry and she is going to reveal that she has an INCREDIBLY POWERFUL and BURNING HATRED towards Flip for everything he did and wants nothing more than to kill him and smash his skull like a fragile piece of bone! She hates him so much and what really drew the line was what Flip was going to do that was worse than any of his crimes combined! So get ready for a SHOCKER! Also the next chapter is gonna be for the Regular Show episode Caveman and we're going to meet a 25,000 year old cavewoman named Diane and she is gonna be lost and confused in a world thousands of years before her time.

See you all tomorrow.

# 25,000 YEARS OF CAVEMAN FURY

In the early morning hours at 2:53 AM, Lincoln had a dream, and he saw three little girls who was hiding out and living in the streets of Aurora, Colorado. But, they were no ordinary three little girls, their were Sadie "Soundwave" the Wolf, the daughter of Lincoln's future wife, Whisper the Wolf, Elizabeth "Tiger Rage" the Lemur, the daughter of Lincoln's future wife, Tangle the Lemur, and Eloise "Crystal Bug" the Beetle, daughter of Lincoln's future wife, Jewel the Beetle. Lincoln woke up from the dream, but he wasn't the only one, Whisper the Wolf, Tangle the Lemur, Jewel the Beetle, Lori Loud, Nico, and I also had the same dream.

Lincoln: Tangle, Whisper, Jewel, Lori, J.D., Nico, did you guys have that same dream as me?

Lori: We sure did, bro.

Whisper the Wolf: And it also means that we found out where our daughters is at.

Tangle the Lemur: And they called themselves, The Young Restoration Crusaders.

Jewel the Beetle: Kinda like the Powerpuff Girls and the Cutie Mark Crusaders.

Me: They're at Aurora, Colorado.

Nico: Oh man, that's not good. This is the third time in the same place when we found Rihiko and Strawberry Pancake & her friends, and it's not a safe place for little kids.

Lincoln: That's right, Nico. Come on, we're going to rescue them, and bring them to the Estate. Sadie the Wolf, Elizabeth the Lemur, and Eloise the Beetle are my daughters now, and I'm not letting little girls like them suffer life on the streets. They needs to be home again in the arms of their mothers and her new father.

Lori: You got that right, bro.

Lincoln, Lori Loud, Whisper the Wolf, Tangle the Lemur, Jewel the Beetle, Me, and Nico were heading to Aurora, Colorado. Then, Lincoln saw a a 10 year old Wolf/Human girl who has light brown skin, biscotti, cloudy white fur, pink eyes, and a fiery red-orange, waist-length long hair in a ponytail with a magenta bow and a long, bushy tail. She wears a light green tube top, black and gray gloves, gray arm sleeves and knee sleeves, black denim shorts, a black and gray cloak, a brown leather belt with a brass buckle, and black boots. A 10 year old Ring-tailed lemur/Human girl who has light grey fur, lime green eyes, and black short hair that is usually styled in a pixie cut. She also has extra fur on top of her chest and a long bushy tail with gray stripes. She wears a short-sleeved half-orange and half-black hoodie with an Appoplexian on the back and light blue trimmings, fingerless black gloves, high-waisted jean shorts, orange capris leggings, and a pair of black vans slip on shoes. And a 10 year old Beetle/Human girl who has primarily light blue skin, blue eyes, and blonde hair in two pigtails and a neat, curved fashion, and a light blue big antenna. She has an even lighter blue iridescent exoskeleton with a pink, yellow, green, and blue rainbow-like sheen and The interior of her wings are clear. She wears a light pink and white t-shirt, a dark pink jacket with Ball Weevil on the back, a dark purple belt with a lavender buckle, a light pink skirt, and pink mary janes shoes with bows. Lincoln saw who they was, it was Sadie "Soundwave" the Wolf, Elizabeth "Tiger Rage" the Lemur and Eloise "Crystal Bug" the Beetle.

Lincoln: Excuse me, are you Sadie the Wolf?

Sadie "Soundwave" the Wolf: Also known as Soundwave! But yes, And who are you?

Lincoln: I'm Lincoln Loud of Team Loud Phoenix Storm, and this is my older sister, Lori Loud, my older brother and leader of Team Loud Phoenix Storm, J.D. Knudson, and my second brother and second leader of Team Loud Phoenix Storm, Nico Chan. And there's also someone you know all too well.

Then, Whisper the Wolf, Tangle the Lemur, and Jewel the Beetle came out, and when Sadie "Soundwave" the Wolf, Elizabeth "Tiger

Rage", and Eloise "Crystal Bug" the Beetle saw them, they were stunned.

Eloise "Crystal Bug" the Beetle: Mom, is that you?

Jewel the Beetle: Yes, sweetie, it's me.

Sadie "Soundwave' the Wolf, Elizabeth "Tiger Rage" the Lemur, and Eloise "Crystal Bug" the Beetle ran up to Whisper the Wolf, Tangle the Lemur, and Jewel the Beetle, and they hugged, and they cried tears of happiness, and we looked on at the scene. Then, Lincoln joined in on the hug, along with me, Nico, and Lori.

Lincoln: And there's something you should know, Whisper, Tangle and Jewel, your mothers is one of my many future wives.

Elizabeth "Tiger Rage" the Lemur: That means… you're our father.

Lincoln smiled, and that filled Sadie "Soundwave" the Wolf, Elizabeth "Tiger Rage" the Lemur, and Eloise "Crystal Bug" the Beetle with joy, as he picked them up and they hugged, and we had a smile on our faces and tears in our eyes.

Lincoln: Alright, everyone, let's go home. I can't wait until we tell everyone in the morning about this.

We went back home to the Estate, and Lincoln told everyone what happened, and he then introduced Sadie "Soundwave" the Wolf, Elizabeth "Tiger Rage" the Lemur, and Eloise "Crystal Bug" the Beetle to the rest of his siblings, who are now her aunts. We were proud of what Lincoln did in reuniting Whisper, Tangle, and Jewel with her daughters, and they now has a loving, strong, brave, and caring father in their life.

* * *

Flying over the Western Pacific ocean was Nico, me, Eli, Nicole, Rainbow Dash, Daring Do, Beast Boy, Tara, the Hernandez Sisters and Himiko Toga are flying over there.

Nico: Thanks for coming with me, Beast Boy.

Beast Boy: No problem Nico. I've always wanted to go on these awesome rescues with you dude.

Tara: This is gonna be so much fun.

Nicole: You'll like our next treasure that we're going to find. It's one that we've been trying to find for years.

Daring Do: It sure is gonna be awesome to find.

Rainbow Dash: Yep. I can't wait to see what it is.

Me: What is it we're going to try and find?

Nicole: You'll like it dad. Nico said it's one that he too was searching for. It's called The Sword of The Philippine Elementals.

Fiona Hernandez: Wow! I remember trying to find that sword with Nico years ago.

Marie Hernandez: That was sure fun but we could never find it.

Nicole Hernandez: Yeah no kidding. That was a really elusive treasure to find.

Natasha Hernandez: It sure was.

Nico: Yep. And it's in a long lost forgotten temple somewhere in the Philippines. I could never find it because of all the islands there.

Nicole: Well you're in luck because I found a map that will lead us to the right island.

Eli: This is gonna be so awesome.

Nico: Beast Boy, why didn't you ever mention the Beast incident before? You didn't even tell Tara.

Beast Boy: Well I didn't want you guys to think I was like that still. But also I didn't tell her because she was still frozen as a statue back then.

Nico: Oh I see.

Himiko Toga: So which island is the sword said to be on?

Nicole: It's over on Siayan Island in the Northern Side of the Philippines.

Nico: Wow! We were only looking in the south and western islands for it.

Nicole Hernandez: Well we didn't bother to look there.

Me: I have a feeling this is gonna be so awesome.

We flew and we landed in the jungles of the Philippines island of Siayan Island.

Nicole: Here we are guys. Siayan Island, Northern Philippines.

Me: Wow! Siayan Island of the Batanes Islands of the Philippines. Have you ever been to this part of the Philippines Nico?

Nico: No this is my first ever in this part of the Philippines. I've never been to this part of the islands before.

Natasha Hernandez: But this is amazing being in this part of the world.

Himiko Toga: It sure is.

Nicole: Well no one lives on this island. It's totally uninhabited.

We walked into the jungles of the island and it was beautiful.

Nico: Beast Boy, we would never think of you as a true monster. It's what's on the inside that counts.

Beast Boy: Thanks Nico. I appreciate that.

Nico: You're welcome.

We kept on walking and then we found the temple of the sword.

Nicole: There it is!

Nico: Wow! The Temple of The Elements of The Philippines.

Eli: Amazing.

Himiko: I thought this island was uninhabited.

Nicole: It is. It's just that no one has lived here in this part of the Philippines for thousands of years.

Nico: Let's watch out for traps.

Eli: Okay.

We went into the temple and Himiko lit a torch.

We saw an amazing bunch of runes on the wall and more.

Eli: Wow.

Rainbow Dash: This is awesome.

We then saw a story on one of the walls and I went over to it.

Me: Wow this is an amazing story.

Nico: What does it say?

Me: It's a story about the Sword. "Long ago, The Evil God of War, Ynaguinid, came and unleashed his terrible minions upon the lands of the islands of the Philippines. None of the mightiest warriors of the great kings and queens of the Philippines could stop the minions as they brought terror, death and destruction to all. Fearing all hope would be lost, the king of the Philippines made a pact with the Gods of the Elements and they agreed to forge him a powerful enchanted elemental sword which was imbued with the strengths, powers and elemental forces of the great gods themselves. Armed with the power of the sword he went into battle with a mighty army and the king and his men destroyed the evil forces of Ynaguinid and forever banished him back into the darkness from whence he came. And the King and his men were forever hailed as the Greatest Heroes in all of the Philippines."

Everyone: Whoa!

Eli: That is incredible.

Nico: Who wants to pull it out?

Me: Wait there's more. "Fearing that the swords power would be used for evil, the great king travelled to the unknown regions of the Philippines to hide the sword here in this temple until only one soul that is pure of heart and cleansed of all evil can wield it."

Nico: Wow! That is amazing.

Eli: No kidding. And I think Himiko can wield it.

Himiko: Me? You think I can even after everything I did?

Fiona Hernandez: We know you can Himiko. You did redeem yourself when we cured you.

Marie Hernandez: Yeah give it a try.

Himiko: Okay.

Nico: Lets go find it.

We went to find the sword and we were careful not to set off any traps. We then came across a room and in an altar surrounded by the spiritual elemental forces of the gods of the elements was The Sword of The Elemental Philippines Gods. It was a sword that had a gold jeweled hilt with a dragon on the blade and the blade had an aura that was surging with the elemental forces of nature.

Nico: There it is! At last we found it!

Fiona Hernandez: Wow! It's amazing.

Marie Hernandez: Incredible. It's amazing.

Himiko: Here we go.

Nico: Go for it.

Himiko gulped and went over to it.

Watching from the shadows was a porcupine.

Himiko then grabbed the sword and then she pulled the sword out successfully and she was enveloped in a vortex of pure rainbow and elemental energy! Her power was rising fast and she was overflowing with intensely amazing power! When the vortex faded, Himiko was forever changed and she had Rainbow Angel Wings with elemental feathers surging with power and the sword had successfully chosen her!

Nico: WHOA!

Me: Wow! Himiko has been chosen as its wielder!

Eli: Incredible!

Rainbow Dash: That is awesome!

?: Wow! Way to go!

Nico: Huh?

We looked around.

Nico: Who said that?

?: Down here.

We saw the Porcupine.

Porcupine: Awesome to see you again Nico.

Nico: Layla Henrickson? Wow! You look awesome as a Porcupine.

Layla reverted back and she was a girl with blue hair and blue clothes and she had a porcupine on the back of her shirt.

Layla Henrickson: It's awesome to see you again Nico.

Nico: You too Layla.

Me: Awesome to meet you Layla. Thank goodness you didn't stick me with your quills.

Layla Henrickson: Yeah.

Nico: Alright. Let's get out of here before someone unfriendly finds us.

Himiko: Right. But this is awesome.

We exited the Temple and then as we came out we saw our old enemy BILLY BILLIONS!

Nico: Oh great!

Billy Billions: Well well well if it isn't Team Loud Phoenix Storm.

Me: Billy Billions. Haven't you tormented us enough with saying you're richer than us? Well wake up and smell the salt lick. You are never going to be as rich as we are.

Nico: Yeah.

Billy Billions: Too bad Tennyson's not here. So, I'll just settle for you guys instead! (to Beast Boy) Especially you. After all, you ARE a green shapeshifter.

Beast Boy: Well, there WAS this one video that showed me fighting Ben when he was a kid.

Nico: Really? I didn't know that.

Me: That is interesting.

Billy Billions: Anyway you have something that belongs to me.

Himiko: You mean the sword? You can't have it. It chose me.

Nico: You come any closer and I'll destroy the sword!

Billy Billions: You're bluffing! You wouldn't destroy something as powerful as that after you just got it!

Nico: Think I'm bluffing? (aims fireball at the sword)

Billy Billions: WAIT! Surely, we can talk this out.

Nico: Surrender and I won't destroy the sword.

Me: Better listen to him Billy. (Winks at Nico and he winked back at me)

Billy Billions: Okay you win!

Nico: Where's your gal pal Mazuma?

Billy Billions: She's undergoing repairs, alright?!

Nico: I see. Instead of rubbing your wealth in our faces you should go get a much better profession. I have a much better proposition for you. Join the Master of Evil. They can help you and make you one of our awesome frenemies.

Himiko Togo: Yeah! You would make a great frenemy for us.

Beast Boy: What's your favorite memory of Nico?

Layla Henrickson: I have a ton of them but most of them are in cooking class. My favorite was when we saw a bully girl picking on a bunch of kindergartners and we decided to get back at her with a nasty surprise for her lunch.

Nico and Layla: The Brown Pants Laxatives Explosion.

Eli: Ooh this sounds good.

Layla Henrickson: Yep. We spiked her milkshake with incredibly powerful laxatives and when she went to math class she released a massive explosion of explosive diarrhea all over the class and it was so awesome!

We laughed at that!

Me: (LAUGHS HYSTERICALLY) THAT WAS SO FUNNY!

Eli: (LAUGHS) YEAH IT WAS!

Tara: (LAUGHS) SO HILARIOUS!

Nico: Yep! That bully was expelled because of our prank.

Rainbow Dash: That was AWESOME!

Daring Do: And really funny.

Me: Yeah!

Nico and Layla hugged.

Nico: I really missed you.

Layla Henrickson: Me too Nico. Me too.

Me: This was another successful treasure hunt.

Eli: Yep.

Nicole: And we finished some unfinished treasure hunting business for Nico. So awesome.

Nico: Yep.

We went back home and Billy Billions was in the M.O.E. We told everyone what happened and it was awesome.

After Nico's rescue, Lincoln, Nico, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, Sima Shi, Sima Zhao, Sun Jian, Guo Jia, Zhang Bao, Guan Xing, Cao Cao, Liu Bei, Sun Quan, Sima Yi, Jiang Wei, Yukimura Sanada (Samurai Warriors), Keiji Maeda (Samurai Warriors), Kanetsugu Naoe (Samurai Warriors), Hanzo Hattori (Samurai Warriors), Musashi Miyamoto (Samurai Warriors), Heathcliff, Sonja (Heathcliff), Riff-Raff, Hector (Heathcliff), Wordsworth, Mungo, Cleo, Leroy, Himiko Toga, and Kevin Reynolds are heading to the world of the 1970 movie When Dinosaurs Ruled The Earth, and not only is Lincoln going to rescue the twenty one girls there, but we're also going to stop a bunch of sacrificial cavepeople who want to sacrifice women to the Sun.

We were also meditating while flying through the air, since tomorrow is the big day: the day we make 2012 Shredder pay for everything that he's done, in blood!

Lincoln: Wow, we're in the world of the 1970 movie When Dinosaurs Ruled The Earth, and I know what we're going to do here, not only am I going to rescue the twenty one girls there, but we're also going to stop a bunch of sacrificial cavepeople who want to sacrifice women to the Sun.

Nico: That's right, big guy.

Me: I saw that movie long ago with my dad, and it was awesome. But, it's awful that a bunch of cavepeople are sacrificing women to the Sun, that's something we need to put a stop to.

Eli: And it's going to be a brutal battle.

Nico: And speaking of brutal battles, tomorrow is the battle against 2012 Shredder, and for this one, we need to go even more prepared, the world of the 2012 Teenage Mutant Ninja Turtles is going to be one rough ride.

Lincoln: You said it, Nico, and we already established and proved J.D. would never sacrifice anyone, and we also proved that to those waiter jerks at the restaurant yesterday, and we've also got to be aware of any traps or ambushes from the 2012 Shredder and his Foot Clan. And I want to thank you and Himiko Toga for joining us on this rescue, Kevin.

Kevin Reynolds: You're welcome, Lincoln, this is going to be one awesome rescue.

TLPS Mr. Wolf: And we also got word that an Element Valkyrie Gene-Slammer is here, but why do I also have the feeling that she's not only another of Lincoln's Guardian Angels, but it's also someone that Lori's known since high school.

Leni: There's only one way to find out about that.

?: HELP!

Suddenly, Lincoln heard the sound of twenty one girls calling for help. With his deep sapphire blue cyborg eyes and superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the twenty one girls, but they've been cornered by the sacrificial cavepeople, and they're planning on capturing them and sacrificing them to the Sun.

Lincoln: Guys, I found the twenty one girls, but they've been cornered by the sacrificial cavepeople, and they're planning on capturing them and sacrificing them to the Sun.

?: Those fanatical cavepeople, we've got to stop them.

Just then, we saw the Element Valkyrie appear before us, and when Lincoln and Lori heard that voice, they knew who it was.

Lincoln: That voice, Erica Jacqueline?

Lori: Erica Jacqueline's here?! I literally haven't seen her since High School, but we'll have to talk later.

Lincoln: Right, Lori, we've got a bunch of sacrificial cavepeople to stop.

We rushed on over, and Lincoln fired a powerful barrage of rainbow energy balls and elemental forces, which hits the sacrificial cavepeople, and that allowed the twenty one girls to get to safety. When the cavepeople saw us, they were mad.

Himiko Toga: I've had it with you creeps to last an eternity.

Suddenly, Himiko Toga's brown eyes turned neon brown, and she was surrounded by a rainbow energy aura with the elemental forces of Fire, Water, Wind, Mountains, Lava, Light, Darkness, Thunder, Time, Flowers, Stars, The Sun, and The Moon, she unholstered her new sword from her back, and as she approached the sacrificial cave people, she left rainbow energy, elemental forces, and phoenixes with every step. Suddenly, Himiko Toga was surrounded by a massive vortex of rainbow energy with elemental forces surrounding the vortex and the Sun and Moon, there was a phoenix flying around the vortex, and in the vortex is a yellow phoenix. Then, as the vortex faded, Himiko Toga emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Himiko Toga grew to 6'5" in height, she had the body of a goddess and she has rainbow highlights in the bangs of her pale, dirty ash-blonde hair, she has neon brown eyes and a rainbow energy aura with the elemental forces of Fire, Water, Wind, Mountains, Lava, Light, Darkness, Thunder, Time, Flowers, Stars, The Sun, and The Moon surrounding her, she has a phoenix with the Element Kanji in its claws emblazoned on her forehead, she has on phoenix earrings with rainbow jewels for the eyes and the Element Kanji in its claws, and she also has on her Crystal Necklace of The Buddha on her neck with rainbow crystals for the necklace links and a phoenix with rainbow gems for the eyes and the Element Kanji in its claws for the pendant. Himiko Toga now has on a long rainbow sleeveless trenchcoat with the elemental forces of Fire, Water, Wind, Mountains, Lava, Light, Darkness, Thunder, Time, Flowers, Stars, The Sun, and The Moon on the coattails, and on the back is the emblem of Lady Elementa, a white blouse and white shirt with a rainbow phoenix on it, white skirt with elemental forces on it, black pants with elemental forces on them, black shoes, and she has on a Yellow Lantern ring on her left ring finger. Suddenly, Himiko Toga felt a sharp pain on her back, and then, massive ash-blonde angel wings with rainbow tips on the large ash-blonde feathers sprouted out of her back.

Suddenly, Himiko Toga's massive Sword of The Redemption Squad, Defender of U.A. High School, and her new sword that she got at the Philippines began merging together, and were surrounded by a kaleidoscope of rainbow energy and elemental forces, and when the kaleidoscope faded, it was then transformed into The Philippines Gods of Nature's Elemental Sword of Elemental Redemption, it's a brand-new large sword with a 6'9" massive, wide, double-edged rainbow blade with the symbols of The Redemption Squad and U.A. High School etched on it, along with the Philippine Gods of Nature, large rainbow angel wings for the crossguard, large rainbow gem for the hilt, longer red handle, and a large rainbow gem surrounded by angel wings for the pommel. Himiko Toga has on her new large gold cuff Bracelets of the Champions of The Universe with rainbow gems on her wrists, large gold Belt of Elemental Bravery with a gold phoenix head with rainbow gems for the eyes and a large rainbow gem in its open mouth for the belt buckle, large rainbow Spellbook of The Gods and The Universe and large rainbow Universal Spellbook of The Elemental Forces on her left hip and Eater of Sins revolver holstered on her right hip. There's a yellow kanji below the emblem of Lady Elementa that said, "Himiko Toga A.K.A. Himiko Toga has transformed into SUPER ANGEL INFINITY ELEMENTAL FIRESTORM BLOOD PHOENIX ANGEL OF ELEMENTAL REDEMPTION AND BLOOD FEAR!

We were amazed by Himiko Toga's Super Angel Infinity transformation, but when the cavepeople saw it, they went after her, but Himiko Toga fired a powerful rainbow energy blast with elemental forces in them, and it hit some of them, and exploded with incredible power and killed some of them.

Lincoln: Awesome, Himiko Toga has transformed.

Himiko Toga: (Divine Echoing Cosmic Voice of The Elemental Phoenix and Blood Fear) **That's right, Lincoln, but you guys also**

**can't be left out of the fight.**

Lori: You're right, come on, guys!

Lincoln, Lincoln 2, Lincoln 3, and Lincoln 4: Let's get them!

Then, Lincoln and Himiko Toga unleashed a massive and powerful rainbow energy wave from their massive angel wings, and the powerful energy wave killed the sacrificial cavepeople, and saved the other women they were about to sacrifice. We cheered wildly as we holster our weapons and power down, and Himiko Toga's new body, clothes, weapons, jewelry, and angel wings are permanent.

Lincoln: Alright, we did it, we defeated the sacrificial cavepeople and put an end to their sacrificial rites for good.

Himiko Toga: And in the process, I've also transformed. Wait until Izuku and the others see what's happened to me.

Lincoln: They'll like what's happened to you. (To Erica Jacqueline) And it's good to see you again, Erica.

Lori: Yeah, it's literally been a long time since we last saw you.

Erica Jacqueline: That it has, Lincoln and Lori.

Lincoln and Lori went up to Erica Jacqueline, and they hugged, and Erica Jacqueline was also very surprised at just how much taller and much more muscular Lincoln's gotten since she last saw him, and Lori's become a tall and beautiful woman.

Lincoln: It sure has been a long time, I haven't seen you when you were seventeen, and as you can see, Lori and I grew a lot since then.

Erica Jacqueline: Whoa, you sure have really big and strong like a tree, Lincoln, you've really grown a lot from the eleven-year-old cute little boy into a 17-year-old 7'0" tall and very handsome and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, that's so awesome, and Lori's grown to become a tall and beautiful woman.

Lori: Don't forget married, Erica. Take a look.

When Erica Jacqueline saw Lori's wedding ring, she knew that Bobby and Lori tied the knot.

Erica Jacqueline: Wow, you and Bobby tied the knot, that's so awesome!

Lincoln: And Lori's also a mother, wait until you meet them.

Nico: Wow, Lori, Lincoln, you guys know her?

Lincoln: We sure do, Nico, this is Erica Jacqueline, she's not only one of my Guardian Angels, but she's Lori's friend from High School, she's also skilled in P.E. and Chemistry.

Lori Loud: And she's also one of the students who's made the Honor Roll, but no one had seen her for a long time. But, now we know the truth, it's those Team Rocket scumbags.

Erica Jacqueline: And there's something you all should know: I have an incredibly powerful and burning hatred towards Flip for everything he did, and I wanted nothing more than to kill him and smash his skull like a fragile piece of bone, and I hated him so much and what really drew the line is what Flip was going to do that's worse than any of his crimes combined!

We gasped in total shock.

Nico: My God.

Me: I'd hate to find out what it is, but we'll find out later.

Lincoln: You said it, J.D., and I also hate to find out what it is, but right now, let's get you back to normal. Boys, you know the drill, and Nicole, you know what to do?

Me, Eli, and the rest of the boys cover our eyes as Lincoln snapped his fingers, and Erica Jacqueline was reverting back to normal. Erica Jacqueline is a beautiful 19-year-old girl with long flowing red hair, a red left eye and blue right eye, fair skin, she's 6'5" in height, she had the body of a goddess, and she has massive red angel wings, as she reigned in the power of The Element Valkyrie, and she's in her birthday suit.

Lincoln: How do you feel, Erica?

Erica Jacqueline: Good. (Realizes she's in her birthday suit) But, I'm also in my birthday suit.

Lincoln gave Erica Jacqueline her new wardrobe, a short-sleeved blue blouse, sleeveless red dress, blue pants, red sneakers, and a long red sleeveless trenchcoat with ice and fire on the coattails and on the back is The Element Valkyrie, and on her back is a large

Element Valkyrie-themed sword with a 6'5" massive, wide, double-edged, man-sized red and blue blade with The Element Valkyrie etched on it, large red and blue angel wings for the crossguard, large red and blue gem for the hilt, longer black handle, and a large red and blue gem surrounded by angel wings for the pommel.

Erica Jacqueline: Wow, I love the new outfit you made for me, Lincoln.

Suddenly, a Thunderbird Necklace of Eternal Love appeared on Erica Jacqueline's neck with red and blue gems on the gold lightning bolts and red and blue crystal links from her new Crystal Necklace of the Buddha, which merged with her Thunderbird Necklace of Eternal Love.

Erica Jacqueline: (Surprised) Whoa, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love, which means you're now part of my harem and my many future wives, Erica.

Erica Jacqueline had a smile on her face and tears coming from her eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around her waist and he leaned down and he kissed her on the lips, and she returned it, and we cheered for them. Then, we went up to the twenty one girls here, and when Lincoln saw them, they immediately recognized them. The twenty one girls are Cala Maria from Cuphead, Oka Hiromi from Aim for the Ace, Alka, Dan Roana, El Karen, Jin Hazuki, Jin Valel, and Yu Ran from Blade and Soul, Rin and Finis from Lost Song, Etou Kanami, Itomi Sayaka, Juujou Hiyori, Yanase Mai, Kohagura Ellen, Konohana Suzuka, Mashiko Kaoru, Origami Yukari, Satsuki Yomi, Shidou Maki, and Tsubakuro Yume from Katana Maidens.

Lincoln: Oh wow, it's Cala Maria, Oka Hiromi, Alka, Dan Roana, El Karen, Jin Hazuki, Jin Valel, Yu Ran, Rin, Finis, Etou Kanami, Itomi Sayaka, Juujou Hiyori, Yanase Mai, Kohagura Ellen, Konohana Suzuka, Mashiko Kaoru, Origami Yukari, Satsuki Yomi, Shidou Maki, and Tsubakuro Yume.

Nicole Knudson: From Cuphead, Aim for the Ace, Blade and Soul, Lost Song, and Katana Maidens, awesome.

Lincoln: Are you girls okay?

Cala Maria: Yes, we're okay, thanks to you.

Then, when Cala Maria and the twenty girls saw who it was that saved them from the sacrificial cavepeople, their faces turned atomic red upon seeing the 17-year-old 7'0" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide right pec and it was surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top was the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, and Buffalo, and below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and a Mark of Manhood tattoo of a bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

He had his massive Sword of Universal Hope and Elemental Bravery holstered on his wider and muscular back, his orange Crystal Saber holstered on his left hip and his Eater of Sins revolver holstered on his right hip, the Pisces the Fish constellation and Aquarius Zodiac sign on the back of his neck and the Cygnus the Swan constellation on the back of his massive left hand, large weighted orange bands on his massive biceps and thighs with silver phoenixes on them, his large gold Cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, massive and indestructible deep sapphire blue angel wings and the stars and blue nebulae reflecting on them with rainbow tips on the large deep sapphire blue feathers, and he was dressed in an orange version of He Man 2002's loincloth with hanging silver lightning bolts and long orange trenchcoat coattails with elemental forces, Thunderbirds, Phoenixes, and Buffalo on them and with hanging mini silver lightning bolts held up by his large gold Belt of Elemental Bravery with a large gold buffalo head with orange gems for eyes and a large orange gem in its mouth for the belt buckle on his waist, a pair of large blue pants with multicolored lightning bolts on the thighs with the orange kanjis "Savior of The Loud House, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of The Thunderbird, and The Unifier of The Three Kingdoms" on the left legs, and large white leather combat boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and armor on the toe area, silver Buffalo head stud earrings with the Thunderbird and Eternity Kanji on it, large Thunderbird Necklace of Eternal Love with colored gems on the gold lightning bolts and orange crystals from his merged large Crystal Necklace of The Buddha with a large deep sapphire blue gem in the shape of a Thunderbird on top of a silver Buffalo head with the Thunderbird and Eternity Kanji on his neck and across his bare chest, large fingerless orange gloves with the symbol of The Loud House on it and surrounded in a diamond formation are a Phoenix, Thunderbird, Buffalo, and Angel, a large Orange Buffalo Animal Spirit Ring on his left ring finger, large Blue Lantern ring on his right ring finger, he had eight large orange orbs orbiting around his legs, and circling around

his feet on the floor are eight golden crosses with angelic runes.

Cala Maria: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made twenty clones of himself, and he and the twenty clones went up to the girls, and hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrap their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Cala Maria: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, twenty one Thunderbird Necklaces of Eternal Love appeared on the necks of Cala Maria, Oka Hiromi, Alka, Dan Roana, El Karen, Jin Hazuki, Jin Valel, Yu Ran, Rin, Finis, Etou Kanami, Itomi Sayaka, Juujou Hiyori, Yanase Mai, Kohagura Ellen, Konohana Suzuka, Mashiko Kaoru, Origami Yukari, Satsuki Yomi, Shidou Maki, and Tsubakuro Yume with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha. We return to the Estate, and we told everyone what'd happened, and they were shocked when they found out the villain we went after were the sacrificial cavepeople from When Dinosaurs Ruled The World from 1970.

But, when Lincoln showed what we did to them, along with Himiko Toga transforming, they cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Erica Jacqueline now have a lot of catching up to do, now that she's back home.

---

After getting rid of the sacrificial cavepeople, we were training intensely in the gym, this time, doing 150,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Erica Jacqueline saw Lincoln working out like crazy, she had an atomic red blush on her face.

Erica Jacqueline: Whoa, Lincoln's really grown to be a 17-year-old 7'0" tall, really big, and really strong man, just look at those abnormally massive and powerful muscles hard at work, and to work out with those 9,500-lb barbells and not even get tired, incredible.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Erica, and now, I can also defend myself.

Erica Jacqueline: That's incredible.

Nico: It sure is, Erica. So, you told us that you have an incredibly powerful and burning hatred towards Flip for everything he did and you wanted nothing more than to kill him and smash his skull like a fragile piece of bone, and you said that what really drew the line was what Flip was going to do is worse than any of his crimes combined. Can you tell us the reason?

Erica Jacqueline: You won't like it, Nico, and the same goes for the rest of you. It took place not long after Flip's attempt to hire the hitmen to kill Lincoln and his family, along with Lincoln's friends, The Santiagos, The Casagrandes, and J.D. for ruining his plans, went down the drain, thanks to Erica Gillette, Varya Halinova, Rachel Jacobs, Valerie Apollo, Jessica Florrence, Caitlyn Togero, Nikolette Furya, Hailey Nicos, and Katie Ferrari. I was then asked by the FBI to find out what Flip was up to, and I agreed to the task. I then headed for Flip's Food and Fuel undercover, and I infiltrated his secret room, and I began recording, and what I found out on tape is completely shocking: he was planning on using a series of bombs that he'd gotten from a couple of gang members he ripped off, and he was going to use them to kill Lincoln and his family, along with all of Lincoln's friends, The Santiagos, The Casagrandes, and J.D. for ruining his plans again, while he escaped to another state. It was right from there that an incredibly powerful and burning hatred towards Flip sparked inside me, and I no longer cared about the mission the FBI gave me, I wanted to kill Flip and smash his skull. I charged out, and I started brutally pulverizing Flip and he was screaming in excruciating pain, as I broke his bones and pulverized his jumbled organs, but, I had no idea that I'd already sent the FBI the tape. By the time agents came in, they already saw me pulverizing Flip, and they had to get me off of him, and I still wanted to kill him. But, they said that I've already done my job, and they took Flip to the hospital, and in handcuffs. I was so overcome with rage and when I saw that I had Flip's blood on my hands and clothes, I was horrified, and then, Lincoln and his family came up to me, and I hugged Lincoln and Lori and I broke down and cried, and they returned the hug.

We were really shocked and horrified.

Me: My God, as if Flip hadn't sunk any lower than that.

Nico: And it's a good thing we're not going to get mad yet again at Flip, because yesterday, Lincoln already bonked our heads together when he had to reprimand us again, and we already made him an enforcer.

Lori: Yeah, after what we were told yesterday of what Flip tried to do to us long ago, J.D. and Nico were so mad at Flip, they wanted to kill him. But, Lincoln grabbed them by the shoulders and bonked their heads together. But, this wasn't the first time he did that, and he learned that trick not only from Eli, but from The Three Stooges.

Moe Howard: Yeah, Lincoln's a natural.

Curly Howard: Yeah, and he doesn't get mad like you do, Moe. Nyuk, nyuk, nyuk.

SLAP! BOOF! BONK! HONK!

Moe slapped Curly in the face, hit him in the stomach, bonked him on the head, and hit him on the nose.

Moe Howard: Quiet, Pudding Head!

Larry Fine: Leave him alone.

Moe Howard: Butt out of this, Porcupine!

BONK!

Moe Howard bonked Larry Fine on the head, and we laughed hysterically.

Me: You guys never cease to amaze us.

Erica Jacqueline: And it's so awesome that The Three Stooges are now members of the team.

Nico: They're Luan's comedy heroes, and they've been reincarnated as ponies, nearly seventy years after their deaths, and they know how to make us laugh, and make us almost bust a gut in laughter! (Laughs)

We then got a shower afterwards, but then, the alarm sounded, and Lincoln checked it out, and he'd found out that Illia Pazom is here, and she's causing havoc, and she has an army of Ple clones who are under Glemy Toto's influence.

Elpo Ple: Oh great, Illia Pazom's here, and she's got Glemy Toto's army of clones made from my DNA.

Lincoln: That's not good, we've got to free the clones from Glemy Toto's influence, and since Illia Pazom's the last one of Axis Zeon left, if we kill her, we'll be rid of Haman Karn for good. Let's go, it's time to bring an end to Axis Zeon for good.

We then flew out, and Lincoln fired a powerful rainbow energy blast, which hits Illia Pazom in the back, and he fired a massive energy wave from his massive deep sapphire blue angel wings, which freed the Ple Clones from Glemy Toto's influence, and they head for the Estate to safety. When Illia Pazom saw us, she was enraged.

Illia Pazom: So, the killers of Haman Karn, along with the traitor are here?! Now, I will have my revenge on all of you for what you did to Haman Karn!

Lincoln: Don't even think about it, you low-level flunkie! Your master's paid the price for her crimes, and the same went with those who tried to avenge her. Now, you're about to suffer the same fate, and soon, Axis Zeon will be nothing more than a forgotten memory.

Ajna: (Indian Accent) And I've had enough of you to last an eternity.

Suddenly, Ajna's brown eyes turned neon brown, and she was surrounded by a purple energy aura with spiritual flames and Buddhist symbols, and as she approached Illia Pazom, she left purple energy, spiritual flames, and Buddhist symbols with every step. Suddenly, Ajna was surrounded by a massive vortex of purple energy with spiritual flames and Buddhist symbols surrounding it, there's the image of Nandi, Shiva's bull, running around the vortex, and in the vortex is a red phoenix. Then, as the vortex faded, Ajna emerged, but she was changed forever.

Ajna grew to 6'5" in height, she had the body of a goddess and has red highlights in the bangs of her short brown hair going down to her neck, she has neon brown eyes and a purple energy aura with Buddhist symbols, bulls, and spiritual flames surrounding her, she has the Ajna mandala and the Spirit Kanji in the middle emblazoned on her forehead, she has on bull head stud earrings with purple gems for the eyes and the Spirit Kanji on its heads, and she also has a bull head stud with purple gems for the eyes and the Spirit Kanji on its head for the second pendant of her Thunderbird Necklace of Eternal Love with purple gems on the gold lightning bolts and purple crystals from her Crystal Necklace of The Buddha which merged with her Thunderbird Necklace of Eternal Love, along with her necklace of prayer beads. Ajna has on a long white sleeveless trenchcoat with bulls on the coattails and right on the back is the Ajna mandala with Buddhist symbols surrounding it, a white sleeveless blouse and red short-sleeved shirt with a purple phoenix on it, blue skirt with flames on it, blue pants with flames on the legs, sandals, and she has on a new Star Sapphire ring on her left ring finger. Suddenly, Ajna felt a sharp pain on her back, and then, massive brown angel wings with red tips on the large brown feathers sprouted out from her back.

Ajna had a new large sword in her hand called Ajna's Sword of Buddhist Justice, it's a brand-new large sword with a 6'9" massive, wide, double-edged silver blade with the Ajna mandala etched on it, large bull heads with red gems for eyes for the crossguard, large red gem for the hilt, longer black handle, and four large bull heads with red gems for the eyes and large red gems in its mouths for the pommel. Ajna has on her new large gold cuff Bracelets of the Champions of The Universe with red gems on her wrists, gold Belt of Elemental Bravery with a gold bull head with red gems for the eyes and large red gem in its open mouth for the belt buckle, large red Spellbook of The Gods and The Universe and large red Universal Spellbook of The Elemental Forces on her left hip and Eater of Sins revolver holstered on her right hip. There's something written in Hindu below the Ajna mandala that said, "Ajna, Daughter of Indr and Bhadra, Loving Future Wife of Lincoln Loud, Destroyer of King Ravannavar, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, Defender of The Buddhist Teachings, and Master of The Seven Chakras, Spiritual Flames, and Bulls"

अजना, इंद्र और भद्रा की बेटी, लिंकन लाउड की प्यारी भावी पत्नी, राजा रावणवर के विनाशक, बुराई के हत्यारे, विक्षिप्त, हत्यारे, निर्दयी और परपीड़क कमीनों, अद्भुत और शक्तिशाली शिक्षकों के अद्भुत और शक्तिशाली छात्र, बौद्ध शिक्षाओं के रक्षक, और सात चक्रों के स्वामी, आध्यात्मिक ज्वाला और बैल

Ajna has transformed into SUPER ANGEL INFINITY BUDDHIST SPIRITUAL BULL ANGEL OF HINDU LOVE AND BUDDHIST SPIRITUAL JUSTICE!

We were amazed by Ajna's Super Angel Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes. But, when Illia Pazom saw it, she fell into a rage and tried to kill her, but Ajna fired a powerful purple energy blast with bulls, Buddhist symbols, and spiritual flames surrounding it, and it hits Illia Pazom, and sent her flying into a wall.

Lincoln: Wow, Ajna, you look beautiful. How do you feel?

Ajna: (Divine Echoing Cosmic Voice of The Buddhist Bull and Hindu Love) **I feel incredible, Linky. Now, shall we put an end to this monster?**

Lincoln: (Smiles) With pleasure.

Lincoln unholstered his improved massive Sword of Universal Hope

and Elemental Bravery from his wider and muscular back and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Ajna.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Let's put an end to that monster.**

Ajna and Lincoln went after Illia Pazon, and they fired powerful blasts of rainbow energy, purple energy, spiritual flames, Buddhist symbols, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Gravity, Magic, Blood, Thunderbirds, Phoenixes, Angels, Bulls, and Buffalo right at Illia Pazon, and they exploded with incredible power as they hit her. Then, they attacked her with their massive swords, and Illia Pazon was bleeding badly from the unhealing wounds from the swords of Ajna and Lincoln. Then, Ajna tied Illia Pazon up with purple energy threads.

Ajna: **Okay, Linky, you know what to do?**

Lincoln: **You got it, Ajna.** (To Illia Pazon) **Time to die, you monster.**

Lincoln spreads his massive deep sapphire blue angel wings, and red energy was already forming in them. This filled Illia Pazon with dread, as she sees that death was fast approaching, and her desire for revenge is about to be cut with a knife for good.

Lincoln: **DEATH WING LIFE DRAIN!**

Lincoln fired massive red beams of energy from his spread-out massive deep sapphire blue angel wings, and as the blasts hit Illia Pazon, Lincoln began sucking out and absorbing Illia Pazon's life energy, and Lincoln's rainbow energy aura with elemental forces, angels, phoenixes, buffalo, and thunderbirds flared up extremely, as he gained a massive power and energy boost to his infinite power, and we saw that Illia Pazon was being drained of his life force. When Lincoln was done, Illia Pazon was reduced to a lifeless and mummified husk, and as soon as her spirit appeared, Lincoln Super Hakaied her and Illia Pazon was banished to Oblivion for good. We cheered wildly for them, as Lincoln and Ajna holstered their massive swords on their backs and power down, and Ajna's new body, clothes, weapons, jewelry, and angel wings are permanent.

Ajna and Lincoln: In the immortal words of Nico, Illia Pazon, you have failed this entire world!

Nico: Yeah, that's telling that bitch, guys.

Ajna: And now, we're rid of Haman Karn and the Axis Zeon organization forever. Thanks for helping me in getting rid of Illia Pazon, Linky.

Lincoln: (Smiles Warmly) You're welcome, Sara.

Suddenly, Ajna wraps her arms around Lincoln's waist, and Lincoln wrapped his abnormally massive and powerful muscular arms around Ajna's waist, and he then brought her into an embrace, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Ajna's face, they kissed passionately as Ajna wraps her left arm around Lincoln's wider and muscular back, and placed her left hand on Lincoln's massive and wide right pec, and right behind them was a Thunderbird, Phoenix, and Angel flying in the air, and we also saw a herd of Buffalo and Bulls running across the field, and the display of the elemental forces behind them, and we cheered for them.

Nico: Alright, we did it, with Illia Pazon finally dead, the Axis Zeon organization is gone for good!

Me: You said it, Nico, and Lincoln freed the Ple clones from Glemy Toto's influence.

Lincoln: And now, we can mark down another evil organization brought down by Team Loud Phoenix Storm for good, and we'll also have to work on some strategies for tomorrow when we take down 2012 Shredder. Like we've seen on our other special missions, I have no doubt 2012 Shredder also has someone else helping him, and if it's Lothor, we'll need to prepare even more for this one.

Me: You're right, Lincoln.

Nico: That's a good idea, Lincoln. There's no doubt 2012 Shredder will also have some help with him, and we need to be even more prepared for tomorrow.

We returned home, and now, we're finally rid of the Axis Zeon organization and Haman Karn for good, and they'll never return again to plague the world.

---

Later it was time for Pinkie Pie's first ever Ambassador Mission and she was going to the Mojave Desert to a small western town not far from the Ghost Town of Calico in Nevada.

Nico: Pinkie, I hope you've brought plenty of water for where you're going.

Pinkie Pie: Oh I have. Why?

Me: Because this is a place that doesn't have that much water. We're going to the town from the movie of Rango from 2011.

Nico: Yep. It's a town called Dirt.

Eli: Just Dirt? That's a stupid name for a town.

Me: It is pretty stupid. But there's a reason for it. The town is bone dry. First lets watch the movie and you'll see.

I pulled out the movie Rango and we got to watching it.

---

A pet chameleon becomes stranded in the Mojave Desert after his terrarium falls from his owners' car due to an accident. On the highway, he meets the cause of the accident, a nine-banded armadillo named Roadkill who is seeking the mystical "Spirit of the West" by trying to get to "the other side" (metaphor for the afterlife). After telling him that he is looking for water, Roadkill tells him of "Dirt", an Old West town where it is said that water comes in through a mysterious rite on Wednesdays, but unfortunately, it is far out into the desert. Seeing no other options, he walks out into the desert.

While wandering the desert, he narrowly avoids being eaten by a vicious red-tailed hawk before meeting Beans, a desert iguana, who takes him to Dirt.

Asked about his identity, the chameleon presents himself to the townsfolk as a tough drifter named Rango, lying about killing a feared gang known as the Jenkins Brothers using only one bullet. He quickly runs afoul of Gila monster outlaw Bad Bill but avoids a shootout when Bill is scared off by the hawk's return. Rango is then chased by the hawk until he reaches an empty water tower that Rango accidentally knocks down and causes it to crush the hawk to death. For defeating the hawk, the town's elderly desert tortoise mayor appoints Rango as the town's new sheriff. Meanwhile, the townsfolk worry that with the hawk dead, the infamous gunslinger Rattlesnake Jake (who fears predators such as said hawk) will return.

After discovering that Dirt is in the midst of a drought and its only water supply, which is stored in the town bank inside a water cooler bottle, to be nearly empty, a skeptical Beans demands that Rango investigates where the water has gone. That night, Rango inadvertently assists a trio of bank robbers led by a mole named Balthazar, mistaking them for prospectors. The townsfolk find the bank's bottle stolen the next morning, so Rango organizes a posse. During the search, they find the banker, Johannes Merrimack III, to be dead in the middle of the desert, but oddly enough, the cause of his death was from drowning. The posse tracks the robbers to their hideout in a canyon, where they fight Balthazar's bat-riding clan over the stolen water bottle before discovering it to be empty. The robbers profess that they found it empty, but the posse still takes them into custody.

Rango questions the mayor about his buying of the land around Dirt, but he denies any wrongdoing and shows Rango that he is building a modern city with the purchased land. He later summons Rattlesnake Jake, who runs Rango out of town after forcing him to admit his lies to the townsfolk. A dejected Rango returns to the highway and crosses to the other side amidst the heavy traffic before passing out and being taken away by a multitude of pill bugs. Waking up the next morning, Rango meets the Spirit of the West, appearing as an elderly Man with No Name. After telling him what he did to the citizens of Dirt, the spirit tells Rango that he must go back and set things right, telling him that "No man can walk out on his own story".

With the aid of Roadkill and mystical moving yuccas, Rango discovers an emergency shut-off valve in a water pipeline to Las Vegas, which the mayor has been manipulating to cause the water shortage so he could buy the land for himself. The rejuvenated Rango returns to Dirt to challenge Jake to a duel, a diversion so the yuccas can turn the pipeline's valve to bring the water back to town and allow Rango to make his resolve clear to Jake. However, the mayor forces Rango to surrender by threatening Beans' life before the duo are locked inside the bank's vault to be drowned. He then prepares to shoot Jake with Rango's gun, intending to kill him along with the rest of the Old West, but Rango has taken its only bullet, which he uses to shatter the vault's glass door, freeing himself and Beans. Impressed, Jake salutes Rango for proving his heroism before dragging the mayor out of town to murder him for his deception. The citizens of Dirt celebrate the return of their water supply and Rango is recognized as a true hero.

---

We were amazed and then we were shocked to see that the town was dry and more. But we were proud of Rango.

When the movie was done we cheered wildly!

Nico: That movie is always awesome!

Me: It sure is.

Pinkie Pie: That was a crazy movie. We got to help those people!

Me: Normally this is something for Fluttershy but I think you can handle it Pinkie.

Nico: Yep.

Me: Lets get moving. Ready Pinkie?

Pinkie Pie: Yep.

We were off to Dirt, Nevada.

## DIRT, NEVADA

We arrived outside of Dirt, Nevada.

Me: Here we are. I think this calls for a change in wardrobe. (Snaps fingers)

I was in my cowboy clothes.

Me: (Cowboy accent) Now that is more like it pilgrim.

Pinkie Pie was in her cowgirl clothes.

Pinkie Pie: Ooh! This is perfect!

Rango then came up to us.

Rango: Howdy, miss. Haven't seen you around here before.

Pinkie Pie: Howdy there. You must be Rango. My name is Pinkamena Diane Pie. But call me Pinkie Pie.

Me: Howdy there Rango. Name's Knudson. (Puffs on Mint Peppermint Stick) James Dean Knudson, former Leader of Team Loud Phoenix Storm and western hero at your service.

Rango: Well howdy there. Pleasure to meet you both.

Me: Likewise pardner.

Rango: Welcome to Dirt. Sorry if it's not much. But here, I'm the law around these parts.

Me: Sheriff Rango. Honor to meet y'all in these here parts.

Pinkie Pie: It's great to be here. But can you show us around?

Rango: I'd be glad to.

We walked around the town and it was a nice place.

Me: Wow. This place is wetter than a monkey in the Florida Everglades. It's looking much better now.

Rango: You don't have to be sorry about this place. It's how it's lived for all these years. Though it has gotten a lot better after the former Mayor was… disposed of.

Pinkie Pie: We can see that. It's amazing.

Me: Sure is. Looking forward to when we all arrive here on the 6th of May.

Rango: That will be amazing to see.

We then saw outlaws trying to steal some water.

Rango: Oh for the love of-. Outlaws are trying to steal the water again!

Me: Not on our watch pilgrim. (Whistles)

My Rapidash came and I got on.

Me: We'll round those varmints up!

Pinkie Pie: Lets get them!

We went at the outlaws and I formed a bramble vine lasso and we went for them and I swung the lasso and snagged them and Pinkie Pie tied them up.

Rango: This is one of your Pokemon, right?

Me: That's right. Rapidash has been one of my favorite Pokemon.

Pinkie Pie: J.D. is a great rider on it too.

Me: Yep. Now lets get these outlaws to the pokey.

Rango: With pleasure. Thank y'all kindly.

Me: Sure thing pardner.

We got the outlaws over to the prison.

Rango: You know, Pinkie, I think this is the beginning of a beautiful friendship.

Pinkie Pie: Ooh it sure is.

Me: Pinkie Pie is here on her first ever Ambassador Mission. (Clears throat) (Normal voice) It's part of a special diplomatic mission program we set up for future missions for all of us in the future.

Rango: That makes sense. Very interesting.

Pinkie Pie: It sure is. I think this is gonna be amazing.

We had the outlaws locked up and they were forced to knit sweaters for a while.

We later came back.

Me: (Imitating General Douglas McArthur) We have returned.

Nico: Good imitation.

May: How did it go?

Me: Went really well. Rango's town of Dirt is doing much better now that the mayor is gone.

Nico: Thank goodness. That turtle had it coming. (To the Turtle Brothers) No offense.

2003 Leo: None taken.

May: Who should go with you next time?

Pinkie Pie: I'm thinking about bringing Lincoln and Eli next.

Eli: I would be honored.

Erica Jacqueline: It'll be awesome to see the town of Dirt.

Lincoln: Yep.

* * *

At the Neptune Prison we were heading over to the Cell of the disgraced and powerless Fire Lord Ozai, the Devil of The Fire Nation.

Marie Kanker Loud: You sure we should be visiting Ozai? For all we know, he might rattle you up.

Nico: Don't worry. He is no longer a threat. Now that he is without his Firebending he is now all talk and no action.

Zuko: That's right.

Fiona Hernandez: It'll be awesome to show him that we are now stronger.

Catherine Iroh: And it'll be great to see the look on his face when he realizes that I'm reunited with Zuko, Azula and Ursa. And of course Kiyi and Eion.

Eion: Yeah it sure will.

Nico: Yep.

We arrived and we were looking at Fire Lord Ozai.

Nico: Hello Ozai. Nice to see you again.

Ozai: Well, if it isn't the next J.D. Knudson.

Nico eyes widened for a few seconds before he regained my compusure.

Nico: (laughs) If you're trying to intimidate me, try harder.

Luna Loud: And just remember that water extinguishes fire!

Me: Oh wait. You know what? You don't have Firebending anymore so don't even try anything.

Catherine Iroh went over to him.

Catherine Iroh: Hello my Fire Lord.

Ozai: YOU!

Catherine Iroh: That's right. Catherine Iroh Lan Kai. The very most powerful Firebender that you got rid of. But to tell you the truth. I should thank you. Banishing me proved to be a blessing in disguise. It turned me into a true hero and made me into one of the future wives and guardian angels of Lincoln Loud here.

Kiyi: Yeah! You monster!

Ozai: I assume you're here to finish me off.

Nico: No. I'm not gonna finish you off. That would make you a martyr.

Me: But in actuality you are no martyr. To everyone in the Fire Nation you are a devil that killed countless lives. Isn't that right "Phoenix King?"

G1 Slipstream: But we ARE going make sure you don't get out by any means out there.

Nico: Besides. if you do. You'll fall through the clouds of Neptune to your death.

Ozai: You think the Four Nations are safe even without me? Vaatu, Unalaq, and Amon were just the beginning. I hope the remaning threats out there tear you limb from limb.

Air Raid: Don't count on it. After all, J.D. and the rest took you down easily, didn't they?

Me: Besides… (FLARES UP POWERFUL AURA) We're now more powerful than what we were when we took you down before. If you thought my Super Angel 30,000 form was powerful wait till you see my most powerful forms. And all of our most powerful forms.

Nico: That's right. We can now destroy you like you were a spec of dust.

Eli: Besides, dirtbags like you, Vaatu, Unalaq and Amon? They were just ants compared to our power.

Himiko: And you are nothing.

Nico: Anyway our time here is over. See ya around Chicken King.

We laughed as we left.

Beekeeper: We're really proud of you for keeping your composure, Nico. Any other person would've lost it in there.

Nico: Thanks Beekeeper. But it'll take more than Ozai to bring me down with words. He is pathetic. Like I said he's all talk and no action.

Nikiya: Yep. A true piece of worthless trash.

Lana: Yep. He had it coming.

Nico: Anyway lets get back to Earth and get ready for our next mission. Mordecai and Rigby have something interesting to show us in the park.

We went back to Earth to get ready.

---

We were getting ready.

Then the 10,000 Volt Ghost, Jack O Lantern, Roxy Rocket, Gameface, Johnny 13, Deadwood, Oculous, Black Lance, Vulkanus and Black Knight Ghost appeared.

10,000 Volt Ghost: (Electrified Voice) Can me, Jack O Lantern, Roxy Rocket, Gameface, Johnny 13, Deadwood, Oculous, Black Lance, Vulkanus and Black Knight Ghost go with you guys?

Nico: You all sure can. We're going to the park. Mordecai and Rigby found something there.

Eli: We better go see what it is.

Me: I have a feeling this will be awesome.

Laney: It sure will.

Overbite: Nico, which Gene Slammer do you think you'll meet on your next rescue?

Nico: Well next I'm hoping to go big this time. I'm hoping to meet a Blue Whale Gene-Slammer.

Me: Wow! A Blue Whale!? That will be interesting to see.

Yamato: It sure will. She would look great as a Blue Whale Zyuohger.

Layla Henrickson: I guess that would make me a Porcupine Zyuohger.

Nico: You know that thought never really occurred to me but that would be awesome to see.

Laney: It sure would. Wow!

Me: We did see Yamato use the power of the Whale on TV so it's highly possible that we can see a Blue Whale and a Porcupine Zyuohger in the future.

Lana: Yeah!

Suddenly, Lincoln's deep sapphire blue eyes glowed even more, as he sensed a dark signal moving fast, and he saw a vision of who the dark energy signal belonged to, it was Warren Mears, the misogynistic mad scientist and psychopathic killer who hated Buffy Summers and her friends, and wants nothing more than to destroy them and take over Sunnydale, and he's heading for us, mainly towards Buffy Summers, Willow Rosenburg, Rupert Giles, Willow Rosenberg, Alexander Harris, Daniel Osbourne, Faith Lehane, Anya

Jenkins, Spike, Riley Finn, Dawn Summers, and Andrew Wells. When we saw that, it definitely meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, does this mean the next douchebag from Buffy's past is heading for us?

Lincoln: That's right, Nico, and it's Warren Mears.

Buffy Summers: I should've guessed it. He just doesn't know when to quit, does he? Well, this will be the last time he comes crawling out of the shadows again to kill me and my friends.

?: Knowing him, he's not going to stop until he's killed everyone in his path.

Suddenly, we saw a figure appear, it was Tara Maclay, who was supposed to have been shot and killed by Warren Mears, when he tried to kill Buffy Summers.

Lincoln: Tara Maclay? But, how are you alive? Buffy said that you were fatally shot by Warren Mears.

Tara Maclay: Actually, I have something to tell you guys.

Tara Maclay showed us that she was wearing an armored vest, and it protected her from the bullet that was meant for Buffy Summers. We were amazed.

Me: Whoa.

Nico: Awesome, so you had a bulletproof vest on when Warren tried to shoot Buffy?

Tara Maclay: Yes, that's correct.

Willow Rosenburg: How do you like that? That moron had no idea you had some protection, but he still thinks you're dead.

Lincoln: Well, he's in for a nasty surprise when we get after him.

Uehara Ayaka: That's right, and he'll regret coming back from the dead to get his revenge on Buffy Summers and her friends.

Nico: Yeah, that asshole's looking at a one-way trip to Oblivion forever.

Lincoln: Along with The Beast after our special mission tomorrow.

Me: He'll be a big challenge, since we're literally dealing with an ancient demon who's been around for thousands of years.

Lincoln: But, we'll be ready for him, J.D. Now, then, shall we get going?

Nico: You got it, Lincoln. Alright, everyone, let's go.

We then head out to The Park, and then later on, Uehara Ayaka and Lincoln are going to take down the misogynistic mad scientist and psychopathic killer, Warren Mears, and they'll make sure he never comes back from the dead to attack anyone ever again.

---

We were walking to the park.

Roxy Rocket: Whatever Mordecai and Rigby found must be interesting.

Me: I'm sure it is. They said it was in a cave on the north side of the park.

Nico: I hope it's not a bear.

Eli: I don't think so. But we'll find out shortly.

We saw Mordecai and Rigby and they were in front of a cave entrance.

Mordecai: Glad you all came!

Jean Bison: Mordecai, you and Rigby said you two found something.

Mordecai: We sure did!

Rigby: You are not gonna believe this. But first you got to call Kru'll, Vandal Savage, the 2,000,000 Year Old Cave Man, and have J.D.'s Immortal Caveman self come. He has to see this.

Me: I have a feeling it's gonna be big.

We called them and I had my Caveman self come out.

Arlene Montgomery: Something big must have been found.

Koda: Yes sense it.

Kru'll: I wonder what it might be.

We went into the cave and we followed Mordecai and Rigby.

Mordecai: Look.

We saw frozen in a block of ice, a perfectly frozen cavewoman!

Me: WHOA!

J.D. 4: WOW! It's one of my fellow cavepeople! Perfectly frozen in ice for thousands of years.

Laney: This is an amazing discovery!

Nicole: Wow! She must've been in here for over 25,000 years.

Eli: Incredible.

Black Lance: A cavewoman?! Are you two serious?!

Rigby: Yeah we sure are.

Kru'll It's amazing that one of our fellow cavemen is found here.

Vandal Savage: After thousands of years.

Arlene Montgomery: Wow! And here in th 21st Century too. This is amazing.

Caveman (Scooby Doo): This is amazing too.

Nico: It sure is. Wow!

Pounce: Didn't you two thaw out a caveman before?

Mordecai: Yeah we sure did.

He told us all about it.

---

The episode starts with Mordecai and Rigby entering a cave for an overnight camp out, activities being making s'mores, rocking out to the radio, playing video games, and talking about their futures. All the while, with a giant block of ice slowly melting into the night.

The guys finally turn in for the night, not knowing the block of ice had completely melted, revealing a Caveman. He wakes up Mordecai and Rigby, and after a while, the duo think the Caveman is really cool.

When Benson notices him, he orders Mordecai and Rigby to throw the Caveman out. But after some persuasion, Benson allows them one week to teach the Caveman to be civilized.

With the help of Muscle Man, Hi-Five Ghost, Pops, and Skips, the duo are able to teach the Caveman, now named Gregg, how to be civilized. Just when the duo are about to find Benson and show him Gregg's progress, Gregg wants to defrost his long-lost love, Diane, who was hidden along with other members of Gregg's tribe in an enclosed cave.

When Mordecai, Rigby, and Greg bring Diane back to the house, she and Gregg try to "catch up" with each other, but soon find themselves in an argument and Diane leaves to defrost the rest of her tribe, leaving Gregg confused about who and what he is.

When the resurrected Cavemen and Diane wreak havoc on the Park, Mordecai, Rigby, and Gregg devise a plan to lure the Cavemen into the meat locker under the house. After leading the Cavemen into the meat locker, Gregg decides to stay with Dianne, feeling that it is best to stay with his love instead of being in the civilized world. Before he's almost completely frozen, Greg holds

Diane in his arms and gives Mordecai and Rigby the thumbs-up.

Heartbroken, with the loss of their new friend Mordecai and Rigby begin to cry, the tearfully duo run into Benson, who had seen what had happened and was amazed at how noble Gregg was. With tears in his eyes, he tells the duo to clean up the mess caused by the cavemen or they'll be fired, (in a calm way). Rigby questions if they should still find a third friend, but Mordecai says two's good enough.

---

We were amazed.

Nico: Wow! But I'm sorry they had to be frozen again. But at least Gregg is happy. But maybe we can thaw out Greg again. Even after thousands of years he still is an awesome caveman friend.

Spear: Spear wonder how Greg liked living in 21st Century.

Mordecai: We taught him as much as we know.

Me: But it's amazing that even after thousands of years, their love for each other never died.

Girl Jordan: That is right.

Johnny 13: Um… Mordecai, can some of us talk to you and Rigby?

William: In private?

Mordecai: Sure.

Rigby: Okay.

Me: It's amazing that Mordecai and Rigby found a caveman.

Nico: Yeah.

Mordecai: What's up?

Maria: You two seriously can't be thinking of thawing that cavewoman out!

Black Knight Ghost: She looks like Gregg's love. And we all know what happened last time she was free!

Mordecai: We know but we didn't thaw Gregg out intentionally it was an accident.

Maria: Yes we know that and you did show him everything and we're proud of you for that. But after everything that happened with Diane she will do it again.

William: She's right. She will go on a rampage like she did before.

Rigby: We got to at least try and help her.

Eye Scream: This is going to end badly.

Nico: Well we got to at least try. Here goes. Starting with Gregg.

Nico sighed and then fired a blast of fire and thawed out Gregg!

Gregg: Mordecai! Rigby!

Mordecai: Gregg!

They hugged.

Mordecai: Awesome to see you again.

Gregg: Gregg happy to see you too.

Mordecai: Oh Gregg we have a bunch of friends for you to meet. This is Team Loud Phoenix Storm.

Me: Welcome to the 21st Century.

Nico: Awesome to meet you Gregg. I'm Nico Chan.

Gregg: Gregg honored to meet you. Mordecai and Rigby showed Gregg so much about you.

Nico: That's awesome.

Kru'll: It's a pleasure to meet a fellow caveman.

J.D. 4: Same here.

Arlene Montgomery: It's awesome.

Me: We have a lot to talk about.

Cindersaur: I'll go get the ships in case we need to get out of here.

Nico agreed.

Nico: Now to thaw out Diane. (Sigh) Here goes.

Nico fired a blast of fire and thawed her out.

Diane: Where am Diane.

Me: Diane? It's okay. You in 21st Century.

Gregg: These Mordecai and Rigby's friends from Team Loud Phoenix Storm. They not hurt.

Gameface: Let's head back to the Estate to get the necessary weapons.

Nico: Okay. J.D. you stay and help Diane. We'll be back.

Me: Okay.

They left.

I helped Diane and I held out my hand with a caveman sign of friendship that I learned from my caveman self. It was like what Tarzan showed to Jane. It means friend.

Me: It's okay Diane.

Gregg: Diane this be big shock to you. But Gregg help you with friends Mordecai and Rigby. Along with all caveman friends.

Me: These are friends.

Back at the estate everyone was getting ready.

Bubble Man: I've got my Bubble Lead ready.

Nico: Awesome. We'll need a lot of Tranquilizer darts just in case.

Aylene C.: Me and Littlefoot and all of the Great Valley are ready.

Nico: Awesome Aylene.

Eli: I hope bro can handle this.

Nico: He has learned a lot from his Caveman self.

Oculous: My sniper rifle is armed and loaded.

Nico: Great.

Magma: My club is ready.

Eli: Yep. I have sleeping potions ready.

Squidward: Can you imagine if a caveman were in Bikini Bottom?

Lily: Actually Squidward believe it or not there was.

Nico: (Skeptical) Really?

SpongeBob: Yeah it was a Cave Sponge.

Lily: His name was Spongy Spongy.

Lily told us all about him.

---

Spongy Spongy is unfrozen from his cave after SpongeBob pours some hot chocolate onto Patrick's tongue which is stuck on the ice. Spongy Spongy follows SpongeBob around, aroused by his shoes. Due to him destroying everything in an attempt to mimic everything SpongeBob does, he gets his current generation offspring framed.

Meanwhile, Spongy is in the Krusty Krab kitchen, messing around when Squidward finds him. Squidward thinks he is actually SpongeBob and let out of prison early. Squidward tells him to get food ready, so Spongy Spongy goes to the back to hunt. Due to the modern Bikini Bottom being civilized, he can't hunt for animals, so he attacks a car and uses the parts as ingredients.

After the food is served, everybody complains, making Squidward think SpongeBob has gone crazy.

Spongy then runs all the way to the Bikini Bottom Town Hall and finds SpongeBob there. The two of them then talk and compare how similar they are. Afterwards, Spongy Spongy stomps so hard that he destroys the town hall, but is instead set free because they wanted it to come down in a week.

---

Everyone was surprised!

Nico: Wow! That is incredible!

Sakura Avalon: Wow! You met one of your caveman ancestors SpongeBob.

Nico: He sure did. That is amazing.

Laney: It sure is.

Vulkanus: Benson, don't you have anything to say about this?!

Nico: Vulkanus calm down. But yeah Benson do you have anything to say?

Benson: Yeah and I did help Mordecai and Rigby out with this. They were heartbroken after Gregg and Diane froze again. So I let them off gently on that. Poor guys were sad.

Nico: That's good you did Benson.

Squit: Like Pesto, underneath that tough exterior he is a real softie.

Pesto: What do you mean by that?

Squit: You're sweet, you know, a softie.

Pesto: I am a softie? What, are you sayin' I'm some kind of swirly-topped ice cream cone, here for you to smack your beak lips over? Is that what you're sayin'!?

Squit: No, I'm not sayin' that!

Pesto: You're sayin' that I, am a softie.

Squit: Yeah, yeah, that's what I'm sayin'.

Pesto: Dat's it!

(Pesto jumps in and attacks Squit. Bobby starts laughing.)

Everyone laughed at that.

Android 17: Wait. It looks like J.D. and his caveman self are actually talking nicely with her.

Eddy: Maybe this won't turn out badly after all.

Just then, we heard Diane roar angrily.

Maria: You were saying?!

Nico: Oh no! Battlestations!

Sheila: Guys, I'm getting reports about cavemen being thawed out in Bluespring Caverns!

Deadwood: It's armageddon, everybody!

Nico: LETS GO GUYS! CODE RED!

Toy Story Sergeant: LETS MOVE MOVE MOVE MOVE MOVE!

Everyone flew down and went into the cave and found me brutally beaten up!

Varie: JUMPING NACHOS!

Varie and Misty went over to me and I had a black eye and some of my teeth were missing!

Nico: GEEZ! J.D. are you okay?

Me: (Stupidly and Dazed) Mommy can we bake cookies and cream today instead of sending me to school? (All my teeth shatter into dust.)

Nico: Oh man.

I then shook my head.

Me: OW!

Nico: What happened?

J.D. 4: Diane just freaked out and released all her fellow cavemen and went out into the city!

Kru'll: I tried to calm her down but she wouldn't listen.

Me: Yeah and then she smashed my face in with a club.

Eli: Ouch.

Nico: Lets get moving!

Eli: First take this bro.

Eli gave me a Senzu Bean.

Me: Thanks bro.

I ate the bean and I was better.

Me: Ahh. Thanks.

We went into the city and we saw cars being destroyed!

Tyrone: We have to do our entrance before anymore cars are destroyed!

Nico: Right! Lets go!

We went at the Cavemen and Diane and then the spirits of the

Horrors of Halloween swirled around the Cavemen and Diane and then converged and then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted out and then a phoenix cry was heard and we came out.

Kru'll: Fellow cavemen stop this senseless violence now!

Me: Diane just calm down so we can talk!

Diane: Diane scared!

Gregg: Diane listen to Gregg.

Eli: Excuse me. But I must discipline the nanny-

Eli was cut off by a caveman hitting his face with his club, knocking him to the ground.

Jack O Lantern: (helps Eli up) Here, Eli. Let ME discipline them! (throws pumpkin bomb at cavemen)

KRABOOOM!

It hit him and exploded and smashed him down.

Eli: OW! THAT HURT!

Eli had a black eye and a big lump on his head!

Nunnally: Yikes!

The 2,000,000 year old cave man smashed a Caveman with his club!

Nico: Better call in the big guns!

Nico called Dark.

Dark Spicer: Dark here.

Nico: Dark we have huge problems! Cavemen are running amok!

Dark Spicer: Oh man! Hang on Nico!

Dark Spicer turned into his XLR8 form and ran fast and then he came to the city and then he turned into Menace Arms!

Menace Arms: Here's your warning cavemen! Your prehistoric asses are about to be kicked!

Then Mr. Mittens, Seadramon, Manta Bayarsh, Black Spider, Biowulf, Unicorn, Ryugu Tamatebacco, Cluemaster, Electropede and Count Nocturn appeared.

Nico: Mr. Mittens, Seadramon, Manta Bayarsh, Black Spider, Biowulf, Unicorn, Ryugu Tamatebacco, Cluemaster, Electropede and Count Nocturn.

Seadramon: Wow what happened here?

Nico: Don't ask.

Mr. Mittens: I think it's way too late to bring this fight to another planet.

May: (sarcastically) You think?!

Biowulf: All you guys can do right now is calm Diane and her friends down.

Nico: We won't kill them. After all, they're pretty strong. They can talk a hit.

Me: And they are a part of our evolutionary chain.

Seadramon: That's good to know.

Black Spider: (to Nico) We heard you recruited Billy Billions for us.

Nico: We sure did.

Unicorn: Remind us to recruit Mazuma as well.

Nico: Noted. And Himiko got an awesome sword too.

Eli: Yep.

Black Spider: Awesome.

?: Crazy day for you all huh?

A figure came out and it was KNASTY KNIGHT from episode 10 of Season 1 of Mighty Morphin!

---

Knasty Knight is released from inside his tree in 1993 by Rita to destroy Zack due to him having a terrible birthday. Prior to bringing back the Knasty Knight, Squatt and Baboo forged a sword for the Knight to use against the Power Rangers which has special corrosive abilities to ruin the Power Weapons. When Zack is alone, Rita and her minions attack him with Squatt filming Zack being confronted by the Knasty Knight. Zack fights the Knasty Knight but is overwhelmed until his friends arrive. During the fight with all the Rangers, the Knasty Knight damages all of the Power Weapons and even manages to reflect back the Blade Blasters Tower Formation. Excited, Rita enlarges him and, during the fight with the Megazord, he breaks its Power Sword by reflecting their power and wipes it out. However, Zack realizes that the evil Knight reflects energy so the Rangers use his own strategy against him by restraining his sword in eye beams and draining the power. With it, they recover and repair the Power Sword before smashing his sword and finishing him off with an energy slash.

---

Zack Taylor: Knasty Knight!

Knasty Knight: Long time no see ranger.

Me: I remember you! You were sent to destroy Zack when he was having a terrible birthday.

Knasty Knight: That's right J.D. Good memory.

Me: Never missed an episode.

Knasty Knight: I actually didn't come alone. I brought another monster with me.

Pineoctopus appeared.

Nico: Pineoctopus too! Wow!

Pineoctopus: Yep and I chose an archenemy too.

Nico: Neat!

Pineoctopus: We also have a new recruit.

He was voiced by Akio Ōtsuka in the Japanese version, and by the late Stephen Critchlow in the English version.

Biography

Bana is first seen hiring Rex to work alongside Torna into getting the Aegis, with the condition that he'll get paid for getting the job done. He is informed by Pupurin that Rex escaped with Pyra, so he hires Dughall to retrieve them for him, but failed to do so.

Later on, he appeared in chapter 4, having owned an abandoned factory in the heart of Mor Ardain where artificial Blades have been mass-produced and that he plans to sell them to various factions, including Torna, for money. It is revealed that he's the one who actually kidnapped Professor Tatazo, Tora's father, in order to force him to mass-produce artificial Blades. Also, Muimui is working alongside him. Being confronted by Rex and his friends, they control a giant artificial Blade known as Rosa to crush them and take the Aegis for themselves, but they are defeated. He piloted an improved version of Rosa in order to kill the party, which he failed once again. He resorts to self-destruct Rosa to take them with him, but everyone is saved except for Emperor Niall, who is revived by Nia (who is revealed to be a Flesh Eater Blade) afterwards. Bana also survived and is captured and arrested.

Bana is punished to run on a giant wheel to generate power for Goldmouth. In the quest "Bana's Secret Treasure", it is revealed that Bana was funding an organization called Lindwurm led by his father, Don Dondon.

Pyra: Bana!

Nicole: From Xenoblade Chronicles! Awesome!

Nico: Oh this will be awesome to see.

We then got the usual battles underway.

---

CatDog, Fluttershy, Tornado Bolt, Life Skylanders, Beekeeper and Doofenshmirtz VS Mr. Mittens - Nico's Rescue

---

Mr. Mittens was first.

Mr. Mittens: (to CatDog) Nico did good helping to get that sword on his rescue. Honestly, I think he WAS bluffing about destroying it.

Cat: Yeah I thik he was. But it was amazing that all that happened on his rescue.

Dog: But it was a really amazing treasure hunt too.

Fluttershy: It sure was fun.

Tornado Bolt: Yeah it sure was.

Stealth Ef: Yeah and you know how much we love treasure hunts.

Mr. Mittens: Yeah that is true. Lets do it!

They fired waves of flowers, bones, fish, grass and leaves and smashed him down.

Cat: That was great!

Dog: HI HO DIGGETTY!

Fluttershy: That was fun.

---

Jake Long, Rainbow Dash, Scootaloo, Air Skylanders, Overbite and Seawing VS Biowulf - Lincoln's rescue

---

Biowulf was next.

Biowulf: (to Jake) I heard that Lincoln's rescue was in "When Dinosaurs Ruled the Earth". How was it?

Jake Long: It was really awesome! And they had to take down cavemen that were sacrificing women to the sun. You know it's very coincidental. We're facing cavemen here in the 21st century and that movie took place 500,000 years ago.

Rainbow Dash: That is really awesome. And it's amazing that Diane and a bunch of cavepeople were found right in the park.

Scootaloo: Yeah it sure was! That is awesome.

Whirlwind: Yeah it sure was. Wow.

Biowulf: It's amazing too. Lets do it!

## Poromon, Rarity, Sweetie Belle, Water Skylanders, Dimitri LouSteau and Jean Bison VS Seadramon - Meeting an Element Valkyrie Gene-slammer

---

Seadramon was next.

Seadramon: (to Poromon) I heard that you guys met an Element Valkyrie Gene-slammer. What's her name?

Poromon: Her name is Erica Jacqueline and she has an amazing history.

Rarity: That she does but she also has an intense burning hatred towards Flip.

Seadramon: Uh oh! What did do this time that set her off?

Sweetie Belle: Well it was crazy! It took place not long after Flip's attempt to hire the hitmen to kill Lincoln and his family, along with Lincoln's friends, The Santiagos, The Casagrandes, and J.D. for ruining his plans and all his money went down the drain, thanks to Erica Gillette, Varya Halinova, Rachel Jacobs, Valerie Apollo, Jessica Florrence, Caitlyn Togero, Nikolette Furya, Hailey Nicos, and Katie Ferrari. Erica Jacqueline was then asked by the FBI to find out what Flip was up to, and she agreed to the task. Erica then headed for Flip's Food and Fuel undercover, and she infiltrated his secret room, and she began recording, and what she found out on tape is completely shocking: he was planning on using a series of bombs that he'd gotten from a couple of gang members he ripped off, and he was going to use them to kill Lincoln and his family, along with all of Lincoln's friends, The Santiagos, The Casagrandes, and J.D. for ruining his plans again, while he escaped to another state. It was right from there that an incredibly powerful and burning hatred towards Flip sparked inside her, and she no longer cared about the mission the FBI gave her, She wanted to kill Flip and smash his skull. Erica charged out, and she started brutally pulverizing Flip and he was screaming in excruciating pain, as she broke his bones and pulverized his jumbled organs, but she had no idea that I'd already sent the FBI the tape. By the time agents came in, they already saw her pulverizing Flip, and they had to get her off of him, and she still wanted to kill him. But, they said that She'd already done her job, and they took Flip to the hospital, and in handcuffs. Erica was so overcome with rage and when she saw that she had Flip's blood on her hands and clothes, she was horrified, and then, Lincoln and his family came up to her, and Erica hugged Lincoln and Lori and she broke down and cried, and they returned the hug.

Seadramon: GOODNESS! That is brutal! Man that really must've set her off big time!

Sweetie Belle: YEAH IT SURE DID! Holy mackerel!

Gill Grunt: Erica gave him one NASTY Beatdown!

Seadramon: BOY NO KIDDING! But that was what lead to him being captured? Wow! Lets do it!

They fired waves of lightning, jewels, ice and water and smashed him down.

Poromon: RIGHT ON!

Yodonheim Empire wants to plunge the entire universe into total darkness.

Weddinmon: That is awful! What is the goal of Yodonheim?

Marie Hernandez: They want to destroy all light in the entire universe and plunge it into eternal darkness.

Marie went over their history.

---

The Dark Empire Yodonheim are an army of dark genies seeking to eradicate all light and the main antagonists of Mashin Sentai Kiramager, as well as its prequel movie Mashin Sentai Kiramager: Episode ZERO.

They herald from the Realm of Darkness, Yodonheim and seek to pollute worlds across the universe in order to transform them into ecosystems much like their homeworld. Having already conquered their enemies, the Kingdom of Crystalia, the Empire seeks to target the Earth next to steal the hopes and radiance of their people. Their main objective is to have their Jamenshi cause chaos in order to gather enough darkness for them to send a Jamen Beasts to Earth to rampage around and construct an Invasion Gate for them to invade Earth through.

As part of their campaign, the Yodonheim forces invaded the Crystalia Kingdom, home to a race of light genies. With help from a traitor within the Crystalia royal court, Galza, the armies of the Yodonheim were able to besiege the palace and defeat the ruler of Crystalia, King Oradin. In exchange for betraying his brother, Galza was given a seat as one of the Yodonheim's generals.

However, the princess of Crystalia, Mabushiina, managed to escape to Earth where she recruited five people with the Kiramai Stones to become the Kiramagers and combat the oncoming Yodonheim invasion.

The Yodonheim later invaded Earth to destroy it radiance. The invasion of Earth was spearheaded on behalf of Emperor Yodon by

Carantula and Galza, who was rewarded for his betrayal of Crystalia by being promoted to one of Yodonheim's top generals. Carantula's first move was to send down the Faucet Hildon Jamen Beast to create a portal for them to send their invasion force through. However, the Jamen Beast was destroyed by the Kiramagers with the power of their Mashins.

In order to gather enough darkness to send more Jamen Beasts down to Earth, Carantula dispatched Jamenshi down to gather enough darkness to construct invasion gates for the Jamen Beasts to enter through. Eventually though, Emperor Yodon became dissatisfied with the slow progress of the Earth invasion and believed Carantula was wasting resources. Yodonna, the personal assistant of the Emperor, would later arrive to take command of the invasion in order to speed it up.

---

When she was done the group was shocked and horrified!

Weddinmon: That is terrible! And I'm guessing you guys will all face one of Yodon's forces on June 14th.

Marie Hernandez: That's right. What they were doing last year in 2020 is absolutely horrible!

Frozen Fright: No kidding! They are monsters of darkness.

Thunder Terror: They are just like Xehanort.

Magma Gloom: What they were doing was awful.

Toxic Horror: It's absolutely sickening that they can do all that.

Louie PoisonSea: But Carantula defected and he would make a great addition to the Masters of Evil or the Redemption Squad.

Weddinmon: That is true. But it's good the Kiramagers destroyed them. Lets do it!

They fired waves of lightning and elements and smashed her down.

Me: It's okay Diane. Things have really changed a lot over the last 25,000 years. So it's gonna take a long time for you to adjust to life here.

Mordecai: I hope she can pay for the damages.

Electropede: I doubt she has money on her at the moment.

Ryugu Tamatebacco: But her payment CAN be her, Gregg, and the rest of the cavemen helping us in tomorrow's battle.

Gregg: That sound fair.

A figure came out, and it was none other than Warren Mears, the misogynistic mad scientist and sadistic psychopath, and he has a gun in his hand.

Buffy Summers: You just don't even know when to quit, do you, Warren? No matter how many times you've been foiled because of your own actions, or by us, you just never quit.

Warren Mears: Shut your mouth, bitch! You're next, along with Willow!

Me: Not if we kill you first you asshole!

Warren Mears raised his gun to shoot Buffy, but before he could, Tara Maclay punched Warren Mears in the face. When Warren Mears saw Tara Maclay, he was shocked.

Warren Mears: What, Tara, but how? I shot you! You can't be alive!

Tara Maclay: I had on some protection, you psychopathic little monster. Because of it, I'm still alive.

Suddenly, Uehara Ayaka's brown eyes turned neon brown, and she was surrounded by a blue energy aura with lightning bolts, and phoenixes, she unholstered her massive Defender of Silverman Gym sword from her back, and as she approached Warren Mears, she left blue energy, lightning bolts, sea animals, and phoenixes with every step.

Uehara Ayaka: Warren Mears, you've caused Buffy and her friends enough trouble for the last time. You are nothing more than a monster in human skin who needs to be destroyed once and for all.

Suddenly, Uehara Ayaka was surrounded by a massive vortex of blue energy with lightning bolts surrounding it and lightning crashing down from the skies, there's a phoenix flying around it, and in the vortex is a brown phoenix. Uehara Ayaka has transformed into SUPER ANGEL INFINITY ATHLETIC ELECTRIC GYM PHOENIX ANGEL OF THUNDERSTORM JUSTICE AND DIVINE LOVE!

We were amazed by Uehara Ayaka's Super Angel Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes. But, when Warren Mears saw it, he fell into a homicidal rage and got his gun to shoot Uehara Ayaka, but Uehara Ayaka fired a powerful blue energy blast with lightning bolts, dumbbells, and phoenixes, which hits Warren Mears, electrocuting him, and it caused him to drop his gun, and Eli used the Force to bring it to him, disarming Warren of his weapon.

Sakura Hibiki: Whoa, Uehara's transformed, and she gave that psychopathic lunatic the shock of his lifetime.

Nico: But, it's about to be his last day alive.

Lincoln: Wow, Uehara, you look beautiful. How do you feel?

Uehara Ayaka: (Divine Echoing Cosmic Voice of The Thunderstorm Phoenix and Athletic Divine Love) **I feel incredible, Linky. Now, shall we put an end to this miserable psychopath for good?**

Lincoln unholstered his improved massive Sword of Universal Hope and Elemental Bravery from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Uehara Ayaka.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **This will be the last time you come back from the dead, Warren Mears.**

Me: Go kill that son of a bitch!

Buffy The Vampire Slayer OST: Main Theme

Uehara Ayaka and Lincoln went after Warren Mears, and they fired powerful blasts of rainbow energy, blue energy, dumbbells, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Gravity, Magic, Blood, Thunderbirds, Phoenixes, Angels, and Buffalo at Warren Mears, and they exploded with incredible power as they hit the psychopathic mysoginist mad scientist and killer. Then, Warren Mears summoned an army of vampires and demons to attack, but, Lincoln's neon deep sapphire blue eyes glowed even more, then, he ordered them to kill themselves, as they'd slit their throats with their clawed hands, and they died in a massive pool of blood, which Lincoln had devoured, as he absorbed the blood into his body.

Then, Uehara Ayaka and Lincoln attack Warren Mears with their massive swords, and they left some very painful scars on Warren Mears, and they were bleeding profusely, as he screamed in so much excruciating pain. Then, Uehara Ayaka tied Warren Mears up with blue energy threads, so he couldn't escape.

Uehara Ayaka: **Okay, Linky, let him have it.**

Lincoln: **You got it, Uehara.** (To Warren Mears) **Hope you're ready to suffer for everything you've done, Warren. TWELVE HOURS OF JUDGEMENT!**

Lincoln formed a clock on the floor around Warren Mears with the Roman Numerals from 1 to 12 with August Guidan in the center. Then, when we saw the hands reach 1:00, August Guidan was attacked by a purple humanoid figure made from Warren Mears' sins for an hour, and then, we saw as the hands reach 2:00, 3:00, 4:00, 5:00, 6:00, 7:00, 8:00, 9:00, 10:00, and 11:00, we saw more purple humanoid figures appear and made from Warren Mears' sins, and they attacked Warren Mears for the next 11 hours. Then, as the hands reached 12:00, we heard the sound of a bell tolling, and he was brought to an execution block, and Lincoln came up to him, and with his improved massive Sword of Universal Hope and Elemental Bravery raised above his head, this brought dread to Warren Mears. Then, Lincoln brings his massive sword down, and decapitates Warren Mears, as his headless corpse and severed head explode in purple flame, and he was Super Hakaied forever. We cheered wildly for Uehara Ayaka and Lincoln, as Uehara Ayaka and Lincoln holster their massive swords on their backs and power down and Lincoln changed back, and Uehara Ayaka's new body, clothes, weapons, jewelry, and angel wings are permanent.

Uehara Ayaka: That's it for that mysoginistic mad scientist and psychopath. Thanks for helping me in putting Warren Mears down, Linky.

Lincoln: (Smiles Warmly) You're welcome, Satomi.

Suddenly, Uehara Ayaka wraps her arms around Lincoln's waist, and Lincoln wraps his abnormally massive and powerful muscular arms around Uehara Ayaka's waist, and then brought her into an embrace, which took her by surprise and it brought an atomic red blush to her face. Then, as Lincoln leaned down to Uehara Ayaka's face, they kissed passionately as Uehara Ayaka wraps her left arm around Lincoln's wider and muscular back, and placed her left hand on Lincoln's massive and wide right pec, and right behind them is a Thunderbird, Phoenix, and Angel flying in the air, and we also saw a herd of Buffalo running across the field, lightning crashing right behind them, and the display of the elemental forces behind them, and we cheered for them.

Nico: Alright, that's another one of Buffy's old enemies down, and now, all that's left is The Beast.

Gina Boyd: And I'm looking forward to putting that ancient demon down for good, but that'll be for the day after we destroy 2012 Shredder for good. Plus, there's no way that The Master, Dracula, Angelus, Warren Mears, and The Beast could've come back on their own, someone must've had a hand in this.

Lincoln: You mean, another one of Buffy and Angel's enemies from long ago? We'll have to find out who it was that did this when we face The Beast on Tuesday, Gina.

Me: And when we find out the person who brought those five back from the dead, they're going to get it big time.

Nico: You got that right, J.D.

Me: Yep.

Mordecai: But this was so awesome. (To the viewers) I hope you liked this adventure. Learning all about prehistoric life can be a great adventure and it always is fun to see in museums.

Nico: It sure is. But great job today everyone. Now we must get ready for tomorrow. We have a lot to prepare for.

Me: That's right and I promised that I would make sure the 2012

Shredder pays. You hear that 2012 Shredder!? You have better be ready for us. (EYES GLOW RED) WE'RE COMING FOR YOU AND YOU WILL PAY FOR EVERYTHING YOU HAVE DONE!

It was gonna be a brutal battle. We went back home and prepared and we also taught Gregg and Diane and her people everything we knew and more. We later went to bed and went to sleep.

Meanwhile in New York City of the 2012 TMNT World, The Turtle Brothers, April, Casey and Splinter were getting ready for our arrival.

2012 Leo: The Shredder is not gonna know what hit him when Team Loud Phoenix Storm comes.

2012 Donny: The time has come for us to take him down forever.

2012 Raph: Yeah he will pay for everything he did. J.D. swore he would make sure that the Shredder pays.

2012 Mikey: Yeah no kidding!

2012 Splinter: And with me by your side my sons we will be ready.

2012 April: We've had it with that monster.

2012 Leo: That's right! Lets get ready guys! The Shredder GETS SHREDDED! FOREVER!

They went at the screen and it turned green…

TO BE CONTINUED!

Another awesome fanfic done!

This was an awesome chapter. This chapter was a parody of the Regular Show episode Caveman and that would be so cool if we found a caveman thousands of years old frozen in a block of ice. It would be a discovery unlike any other. I also saw many cartoons over the years where cavepeople were brought back to life from ice after being thawed out. Very crazy scenario. That was a great episode though. The episode aired on February 25th, 2013 and that was a great episode. The first part was an awesome treasure hunt and everyone loves a little adventure and excitement. The second part was for the 1970 movie When Dinosaurs Ruled The Earth and that was a wicked awesome movie from 52 years ago. NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, XP4Universe, Darkhai, vinjedi1995, Drako1234658, Nflemingful, Etstheclarencefan and ninjakingofhearts gave me the ideas for this and so did the guest reviewer. Nico's next rescue is gonna be in the 1996 movie The Beast and Nico, Syd Chang, Leon Loud, me and Heidi Knudson will be going after the massive Giant Squid that is terrorizing Graves Point and we're going to not only show Syd how big the squid was from when we went after it the first time from chapter 405. We're also going to turn that entire squid into fried calamari and meet a Blue Whale Gene-Slammer named Omaima Lexxington and she is from New York and better hope you can tolerate her flatulence because she was born with 2 stomachs and she farts uncontrollably. Like in that movie Thunderpants. Lincoln's rescue is gonna be in the movie Backdraft and we're going to be in for a fiery adventure as we take down John Adcox and we're going to stop that mad arsonist. Also Ibara Shiozaki is gonna transform in that one so I'll need the Transformation Sequence for her please. We'll also meet a Darkfire Dragon Gene-Slammer named Rochelle Yokoshima and she is a Japanese born American. And she is also going to reveal a bunch of dark revelations about Pablo and Anderson who are still causing trouble behind prison walls and after we brought them down the first time we will learn that they are still causing trouble. Also Rochelle is gonna reveal how she got a local bully at school disowned by her dad. As you all saw the next chapter is gonna be for the 2012 Teenage Mutant Ninja Turtles and we're going to make the 2012 version of the Shredder pay for his crimes. Every single one of them. Now it's personal.

See you all tomorrow.

# 2012 TMNT Battle

Walking along the ocean on the Pacific Coastline was Nico, Syd Chang, Leon Loud, me and Heidi Knudson and we were going on an amazing and awesome rescue.

Nico: Thanks for coming with me, Leon.

Leon: Anytime Nico. This is gonna be awesome.

Me: Yep but something about this place looks really familiar to me.

Syd Chang: How so J.D.?

Me: Like I've seen it before.

Heidi: I think I know this place dad. It's the mountains near Graves Point, Washington.

Nico: Oh man! I know that place. Didn't you guys once destroy a really huge giant squid here?

Me: Yeah we sure did and that was a huge one. It was a huge 110 foot squid and weighed over 5,000 pounds. You should have seen how big it was. It was massive.

Nico: I wasn't with you guys when that all happened. That must've been intense.

Heidi: It sure was Nico. This squid killed 10 people. It was awful.

Me: Yeah.

Nico: Wow! That must've been a really big squid.

Me: It sure was. You saw a statue of it in our garden right?

Nico: Right! I sure did and that was amazing. That squid was massive. Looks like we're gonna have a seafood breakfast.

Me: Yep. We're gonna turn that squid into fried calamari like we did before.

Heidi: Awesome.

Nico: Leon, Lily works at the Krusty Krab. Where do you work?

Leon: I work for a Pizza Restaurant. I'm a pizza chef at Tony Calzone's Pizzeria.

Nico: Interesting place.

Me: Yeah it sure is.

Leon: Yep.

Syd Chang: That sounds like a good restaurant.

Me: Yeah it sounds like it.

Me: The squid is close. I sense it.

Nico: Here, squiddy squiddy.

We walked on and we saw a boat and it was fishing. But then it was nearly jerked out of the water by a huge pull!

Nico: WHOA! That boat hooked something big!

Me: It sure did!

Then we saw the boat haul up to the surface A GINORMOUS GIANT SQUID! IT WAS 110 FEET LONG AND IT WEIGHED OVER 5,000 POUNDS!

Nico: OH! MY! GOD!

The squid screeched ferociously and waved its tentacles all over with incredible ferocity!

Leon: WHOA MAN!

Syd Chang: That is the squid you all faced!? IT'S HUGE!

Heidi: Yeah it sure was big!

Me: Lets get it!

We went at the squid.

Nico: Yo, squid face! Remember us?!

The squid saw us and then we heard a whale call and the squid was lifted out of the water by a HUGE BLUE WHALE! IT WAS 220 FEET LONG AND WEIGHED OVER 400 TONS!

Nico: WHOA! THAT IS ONE BIG BLUE WHALE!

Me: Wow! It's twice the size of the squid! It's as big as a cruise ship!

Blue Whale: (In a girls voice) Hey you 10-tentacled freak! Leave this town alone!

Nico: That voice! Omaima Lexington?

Blue Whale: Nico? Wow! Its been a while! (FARTS) Pardon me.

Me: Awesome to meet you.

Blue Whale: Same here. Let me deal with this annoying squid for you.

She swatted the squid up into the air and dove and then breached and jumped and smashed the squid with her tail and killed it with a nasty whale belly flop with a massive splash!

Nico: YEAH!

Heidi: WOW! THAT WAS AWESOME!

Syd Chang: WOW!

The Blue Whale came and the squid was dead.

Nico: (pokes the squid) Hey, squiddy. Anyone home?

Leon: Clearly not.

Blue Whale: Relax guys. That squid is dead. I smashed it with my enormous girth.

Nico: Wow!

The blue whale reverted back and Omaima was a girl that had blue hair and was in blue sports clothes.

Omaima Lexxington: That's better. WHOA!

She fell into the water and Nico pulled her up.

Omaima Lexxington: Sorry I forgot we were out in the middle of the ocean.

Nico: No worries. But you showed that squid what for.

Omaima Lexxington: Yep. (FARTS) Oops sorry.

Me: Did you eat a lot of beans?

Omaima Lexxington: No I can't help it. I was born with two stomachs and I have uncontrollable flatulence.

Leon: Oh man! That is strange.

Nico: It sure is.

Leon: Two stomachs?! Is that even possible?!

Omaima Lexxington: Well have you ever seen the British movie Thunderpants?

Me: I have. That was a really crazy and funny movie.

Nico: That was a crazy movie!

Omaima Lexxington: Yeah and I gave this defect a name too. I call it Calabash Syndrome. It's named after a gourd yes but it was the best I could come up with.

Nico: I see.

Omaima Lexxington: Yeah but it was pretty cool. Like Patrick Smash, I was born with two stomachs and uncontrollably and devastatingly flatulent. I can't help it.

Nico: That's all right.

Leon: What's your favorite memory of Nico?

Omaima Lexxington: I have a lot of them. But my favorite memory would have to be where I used my flatulence on the local bully and sent him crashing into a tree and it broke and crashed onto him. He wound up in the hospital and smelled like rotten skunks and was in a full body cast for a year.

Nico: I remember that! I taught her how to use her farts for fighting crime and all that.

Omaima Lexxington: That was awesome! (FARTS) Oops pardon me.

Nico: No worries.

They then hugged and Omaima farted again.

Omaima Lexxington: Oops sorry.

Nico: No worries.

They hugged anyway.

Nico: I really missed you.

Omaima Lexxington: Me too Nico. Me too. (FARTS) Oops. Pardon me.

Nico: You're excused.

Me: Well lets get this giant squid home and have ourselves a squid breakfast.

Syd Chang: Good idea. I'm starving.

Leon: Me too.

Nico: Lets go.

We went back home and we told everyone what happened and more and we had an awesome squid breakfast.

After Nico's rescue, Lincoln, Nico, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, Sima Shi, Sima Zhao, Sun Jian, Guo Jia, Zhang Bao, Guan Xing, Cao Cao, Liu Bei, Sun Quan, Sima Yi, Jiang Wei, Yukimura Sanada (Samurai Warriors), Keiji Maeda (Samurai Warriors), Kanetsugu Naoe (Samurai Warriors), Hanzo Hattori (Samurai Warriors), Musashi Miyamoto (Samurai Warriors), Heathcliff, Sonja (Heathcliff), Riff-Raff, Hector (Heathcliff), Wordsworth, Mungo, Cleo, Leroy, and Ibara Shiozaki are heading to the world of the 1991 movie Backdraft, and not only is Lincoln going to rescue the thirteen girls here, but we're also going to stop the mad arsonist, John Adcox.

We were also meditating while flying in the air, because today's the day of the epic battle against the 2012 version of Shredder, and we're going to make him pay for his crimes every single one of them.

Lincoln: Wow, we're in the world of the 1991 movie, Backdraft, and I know what we're also going to do here, not only am I going to rescue the thirteen girls here, but we're also going to stop the mad arsonist, John Adcox.

Me: That's right, big guy. I saw the movie long ago, and it was awesome. But, John Adcox was one insane arsonist, he admitted that he set the fires to kill Swayzak's associates, because Swayzak was benefiting from the deaths of firefighters and closing down firehouses.

Nico: Which means that not only are we going to stop the mad arsonist, John Adcox.

Lincoln: But, we're also going to get Swayzak to admit he engineered the downsizing of the Chicago Fire Department, and destroy his mayoral ambitions. And I want to thank you and Ibara for joining us on this rescue, Lily.

Lily Loud: You're welcome, Lincoln, plus, with you, me, Girl Jordan, Lily the Mermaid, J.D., Nico, and all the others who use water, we'll put out the fires that Adcox had set across all of Chicago.

Lincoln: Then, let's get to work, everyone.

We then got to work by putting out the fires that John Adcox had set throughout all of Chicago, and we were also absorbing the fires as well, and we were also getting stronger and stronger still from the flames.

?: HELP!

Suddenly, Lincoln heard the sound of thirteen girls calling for help. With his deep sapphire blue cyborg eyes and superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the thirteen girls, but they've been cornered by John Adcox, and he's going to kill them and himself by setting the place on fire.

Lincoln: Guys, I found the thirteen girls, but they've been cornered by John Adcox, and he's going to kill them and himself by setting the place on fire.

?: (Japanese Accent) That mad arsonist, we need to stop him!

Then, we saw the Darkfire Dragon land in front of us.

Lincoln: That voice, I knew it was you, Rochelle Yokoshima, but we'll have to talk later, right now, we got a mad arsonist to stop.

We rushed on over, and Lincoln fired a powerful barrage of rainbow energy balls and elemental forces, which hits John Adcox and we got his explosive before he could use them, and the thirteen girls got to safety. When John Adcox saw us, he was enraged.

Ibara Shiozaki: I've had it with this mad arsonist to last an eternity.

Suddenly, Ibara Shiozaki's dark green eyes turned neon dark green, and she was surrounded by a dark green energy aura with thorn-covered vines, plants, and fairies, she unholstered her massive Defender of U.A. High School sword from her back, and as she approached John Adcox, she left dark green energy, thorn-covered vines, plants, and fairies with every step. Suddenly, Ibara Shiozaki was surrounded by a massive vortex of dark green energy with thorn-covered vines and plants surrounding it, there was a fairy flying around the vortex, and in the vortex is a light green phoenix. Then, as the vortex faded, Ibara Shiozaki emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Ibara Shiozaki grew to 6'5" in height, she had the body of a goddess and has light green highlights in the bangs of her long dark green hair, she has neon dark green eyes and a dark green energy aura with thorn-covered vines, plants, and fairies surrounding her, she has a fairy with the Plant Kanji in its hands emblazoned on her forehead, she has on fairy earrings with dark green gems for the eyes and the Plant Kanji in its hands, and she also has on her Crystal Necklace of The Buddha on her neck with dark green crystals for the necklace links and a fairy with dark green gems for the eyes and the Plant Kanji in its hands for the pendant. Ibara Shiozaki now has on a long dark green sleeveless trenchcoat with plants, thorn-covered vines, and fairies on the coattails, and on the back is the emblem of Vine, a dark green blouse and green short-sleeved shirt with a dark green phoenix on it, green skirt with vines on it, black pants with thorn-covered vines on them, black shoes, and she has on her Ring of The Phoenix on her left ring finger and a Green Lantern ring on her right ring finger. Ibara Shiozaki has transformed into SUPER ANGEL INFINITY NATURE VINE HOLY PLANT ANGEL OF FLORAL JUSTICE AND DIVINE HOPE!

We were amazed by Ibara Shiozaki's Super Angel Infinity transformation, but when John Adcox saw it, he fell into a rage and tried to burn her, but Ibara Shiozaki fired a powerful dark green energy with fairies, vines, and plants at the mad arsonist, and it hits him and sent him flying into a wall.

Lincoln: Awesome, Ibara's the next one to transform.

Ibara Shiozaki: (Divine Echoing Cosmic Voice of The Floral Fairy and Divine Hope) **That's right, Lincoln. But, you guys also can't**

**be left out of the fight.**

Me: You're right.

Lincoln, Lincoln 2, Lincoln 3, and Lincoln 4: Come on, guys, let's get that mad arsonist!

Lincoln unholstered his improved massive Sword of Universal Hope and Elemental Bravery from his wider and muscular back and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, The TLPS Bad Guys Gang transformed into their Super Angel Infinity forms and unholster their massive swords, Sima Shi, Sima Zhao, Sun Jian, Guo Jia, Zhang Bao, Guan Xing, Cao Cao, Liu Bei, Sima Yi, Sun Quan, and Jiang Wei got out their weapons, The Samurai Warriors got out their weapons, Lincoln's sisters transformed into their Super Angel Infinity forms and unholster their massive swords from their backs, Lincoln's sisters transformed into their Super Angel Infinity forms and unholster their massive swords from their backs, Lincoln's harem unholster their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark Compassion and Demonic Justice, and he unholstered his massive Sparda's Demon Fang of The Demon Hound sword from his wider and more muscular back, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their swords, Hector got out his massive Heaven's Maw of Judgement sasumata pike, and Me, Nico, Eli, and Nicole unholstered our massive swords and transformed, and we went at John Adcox, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time Energy, Gravity, and Magic, steel orbs, stars, rainbow flames, rainbow crystals, orange flames, blue flames, ice, green flames, and water, and they exploded with incredible power as they hit the mad arsonist.

Then, Ibara Shiozaki and Lincoln tied John Adcox up in vines which are so strong, not even he could break out of them. We cheered wildly as we then holster our weapons and power down, and Ibara Shiozaki's new body, clothes, weapons, jewelry, and angel wings are permanent. Ibara Shiozaki had also found evidence of

Swayzak's engineering the downsizing of the Chicago Fire Department, and she planned on giving it to the police.

Lincoln: Alright, we did it. We stopped John Adcox's string of arsons throughout all of Chicago.

Ibara Shiozaki: And not only did I transform, but, I also got evidence of Swayzak's engineering the downsizing of the Chicago Fire Department, and this is going straight to the police.

Lincoln: With that evidence in hand, Swayzak's political ambitions for mayor are history. (To Rochelle Yokoshima) And it's so good to see you again, Rochelle.

Rochelle Yokoshima: (Japanese Accent) You too, Lincoln, it's been a long time.

Lincoln went up to Rochelle Yokoshima, and they hugged, and Rochelle Yokoshima was also very surprised at just how much taller and much more muscular Lincoln's gotten since she last saw him.

Lincoln: It sure has been a long time, I haven't seen you when you were thirteen, and as you can see, I really grew a lot since then.

Rochelle Yokoshima: (Japanese Accent) Whoa, you sure have really big and strong like a tree, Lincoln, you've really grown a lot from the eleven-year-old cute little boy into a 17-year-old 7'0" tall and very handsome and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, that's so awesome.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico. This is Rochelle Yokoshima, she's a Japanese born American, and she's also one of my Guardian Angels.

Rochelle Yokoshima: (Japanese Accent) And I've got a bunch of dark revelations about Pablo and Anderson.

We gasped in shock.

Me: Uh oh, we've already heard one of the dark revelations about those heartless psychopaths from another of Lincoln's Guardian Angels, and now, you have more dark revelations about them? That's not good.

Nico: It sure isn't and from what I heard from the warden down at the Gotham Royal York Juvenile Detention facility, Pablo and Anderson are still causing trouble behind prison walls, even after we'd brought them down the first time.

Rochelle Yokoshima: (Japanese Accent) Well, you're not going to like what I'm going to tell you all about them. But, that'll be for later.

Lincoln: Right, let's get you back to normal, and then, bust up Swayzak's political ambitions for mayor. Boys, you know the drill, and Nicole, you know what to do?

Me, Eli, and the rest of the boys cover our eyes as Lincoln snapped his fingers, and Rochelle was reverting back to normal. Rochelle Yokoshima is a beautiful 18-year-old girl with long flowing orange hair, orange eye, fair skin, she's 6'5" in height, she had the body of a goddess, and she has massive orange angel wings, as she reigned in the power of The Darkfire Dragon, and she's in her birthday suit.

Lincoln: How do you feel, Rochelle?

Rochelle Yokoshima: (Japanese Accent) Good. (Realizes she's in her birthday suit) But, I'm also in my birthday suit.

Lincoln gave Rochelle Yokoshima her new wardrobe, a sleeveless orange blouse, sleeveless orange midriff top, orange skirt, orange pants, orange sneakers, and a long orange sleeveless trenchcoat with flames on the coattails and on the back is The Darkfire Dragon, and on her back is a large Darkfire Dragon-themed sword with a 6'5" massive, wide, double-edged, man-sized orange blade with The Darkfire Dragon etched on it, large orange angel wings for the crossguard, large orange gem for the hilt, longer black handle, and a large orange gem surrounded by angel wings for the pommel.

Rochelle Yokoshima: (Japanese Accent) Wow, I love the new outfit you made for me, Lincoln.

Suddenly, a Thunderbird Necklace of Eternal Love appeared on Rochelle Yokoshima's neck with orange gems on the gold lightning bolts and orange crystal links from her new Crystal Necklace of the Buddha, which merged with her Thunderbird Necklace of Eternal Love.

Rochelle Yokoshima: (Japanese Accent)(Surprised) Whoa, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love, which means you're now part of my harem and my many future wives, Rochelle.

Rochelle Yokoshima had a smile on her face and tears coming from her eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around her waist and he leaned down and he kissed her on the lips, and she returned it, and we cheered for them. Then, we went up to the thirteen girls here, and when Lincoln saw them, they immediately recognized them. The thirteen girls are Ichinose Hana, Momochi Tamate, Sengoku Kamuri, Tokura Eiko, and Hannen Hiroe from Slow Start, Kohashi Wakaba, Kurokawa Mao, Mashiba Nao, and Tokita Moeko from Wakaba Girl, Shinobu, Miyabi, and Shiranui Kaede from Ninja Nonsense: The Legend of Shinobu, and Retsuko from Aggretsuko.

Lincoln: Oh wow, it's Ichinose Hana, Momochi Tamate, Sengoku Kamuri, Tokura Eiko, Hannen Hiroe, Kohashi Wakaba, Kurokawa Mao, Mashiba Nao, Tokita Moeko, Shinobu, Miyabi, Shiranui Kaede, and Retsuko.

Nicole Knudson: From Slow Start, Wakaba Girl, Ninja Nonsense: The Legend of Shinobu, and Aggretsuko, awesome.

Lincoln: Are you girls okay?

Ichinose Hana: Yes, we're okay, thanks to you.

Then, when Ichinose Hana and the other twelve girls saw who it was that saved them from the mad arsonist, John Adcox, their faces turned atomic red upon seeing the 17-year-old 7'0" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide right pec and it was surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top was the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, and Buffalo, and below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and a Mark of Manhood tattoo of a bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

He had his massive Sword of Universal Hope and Elemental Bravery holstered on his wider and muscular back, his orange Crystal Saber holstered on his left hip and his Eater of Sins revolver holstered on his right hip, the Pisces the Fish constellation and Aquarius Zodiac sign on the back of his neck and the Cygnus the Swan constellation on the back of his massive left hand, large weighted orange bands on his massive biceps and thighs with silver phoenixes on them, his large gold Cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, massive and indestructible deep sapphire blue angel wings and the stars and blue nebulae reflecting on them with rainbow tips on the large deep sapphire blue feathers, and he was dressed in an orange version of He Man 2002's loincloth with hanging silver lightning bolts and long orange trenchcoat coattails with elemental forces, Thunderbirds, Phoenixes, and Buffalo on them and with hanging mini silver lightning bolts held up by his large gold Belt of Elemental Bravery with a large gold buffalo head with orange gems for eyes and a large orange gem in its mouth for the belt buckle on his waist, a pair of large blue pants with multicolored lightning bolts on the thighs with the orange kanjis "Savior of The Loud House, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of The Thunderbird, and The Unifier of The Three Kingdoms" on the left legs, and large white leather combat boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and armor on the toe area, silver Buffalo head stud earrings with the Thunderbird and Eternity Kanji on it, large Thunderbird Necklace of Eternal Love with colored gems on the gold lightning bolts and orange crystals from his merged large Crystal Necklace of The Buddha with a large deep sapphire blue gem in the shape of a Thunderbird on top of a silver Buffalo head with the Thunderbird and Eternity Kanji on his neck and across his bare chest, large fingerless orange gloves with the symbol of The Loud House on it and surrounded in a diamond formation are a Phoenix, Thunderbird, Buffalo, and Angel, a large Orange Buffalo Animal Spirit Ring which merged with his Ring of The Phoenix on his left ring finger, large Blue Lantern ring on his right ring finger, he had eight large orange orbs orbiting around his legs, and circling around his feet on the floor are eight golden crosses with angelic runes.

Ichinose Hana: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made twelve clones of himself, and he and the twelve clones went up to the girls, and hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrap their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Ichinose Hana: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, thirteen Thunderbird Necklaces of Eternal Love appeared on the necks of Ichinose Hana, Momochi Tamate, Sengoku Kamuri, Tokura Eiko, Hannen Hiroe, Kohashi Wakaba, Kurokawa Mao, Mashiba Nao, Tokita Moeko, Shinobu, Miyabi, Shiranui Kaede, and Retsuko with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha. We return to the Estate, and we told everyone what'd happened, and they were shocked when they found out the villain we went after was the mad arsonist, John Adcox.

But, when Lincoln showed what we did to him, along with Ibara Shiozaki transforming, they cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Rochelle Yokoshima now have a lot of catching up to do, now that she's back home. As for John Adcox, he was convicted for the string of arsons in Chicago, and he was sent to The Saturn Insane Asylum's Arkham Asylum wing for the rest of his life, and when Ibara Shiozaki sent the information on Swayzek to the police, Swayzek lost the race for Mayor, and he was arrested, and after being convicted, he was sent to federal prison for the rest of his life.

---

After stopping John Adcox's string of arsons and getting Swayzek thrown in prison, we were training intensely in the gym, this time, doing 150,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Rochelle Yokoshima saw Lincoln working out like crazy, she had an atomic red blush on her

face.

Rochelle Yokoshima: (Japanese Accent) Whoa, Lincoln's really grown to be a 17-year-old 7'0" tall, really big, and really strong man, just look at those abnormally massive and powerful muscles hard at work, and to work out with those 9,500-lb barbells and not even get tired, incredible.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Rochelle, and now, I can also defend myself.

Rochelle Yokoshima: (Japanese Accent) That's incredible.

Nico: It sure is, Rochelle. So, what's with these dark revelations about Pablo and Anderson that you were going to tell us?

Rochelle Yokoshima: (Japanese Accent) You're not going to like it, Nico, along with the rest of you. I'd found out from the police that Pablo and Anderson have done more than just bully sixth graders and tried to rob people, I'd found out that those two have actually killed someone in cold blood, and their lowlife dads were also with them. They enjoyed taking the level of pain and suffering they inflicted on their victims to a whole new level, and if they weren't stopped, they would've gone on to kill more people, and they would've started on Lincoln and his friends. So, I called the police on them, and the cops went after Pablo and Anderson, along with their lowlife dads, but they killed the cops sent after them and they got away.

We gasped in pure shock and horror.

Me: Whoa, now that's one serious bunch of dark revelations.

Nico: You said it, and even after we brought them down the first time, I got word from the warden that Pablo and Anderson are still causing trouble behind prison walls.

Lincoln: Even after I sent their butts to the Malevolent Insanity realm, they still continue to cause trouble, sheesh, it's like they have no brain at all, and they refuse to listen to reason.

Taylor (Loud House): Those two continue to cause havoc, even after they were put down the first time. Isn't there anything that can be done about them?

Rochelle Yokoshima: (Japanese Accent) Like Lincoln said, even after he sent both of their asses to the Malevolent Insanity realm, they still continue to cause trouble.

Lincoln: This time, I'm going for stronger measures.

Lincoln snapped his fingers, and Pablo and Anderson, who were still causing trouble behind prison walls, were sent to separate cells in Solitary Confinement, and they were tied up in rainbow energy straitjackets and rainbow energy chains, and chained to the walls of their separate cells with rainbow energy chains and Neutronium chains, and we also saw it through a one-way window Lincoln made.

Lincoln: There we go.

Nico: Awesome job, Lincoln.

Rochelle Yokoshima: (Japanese Accent) Amazing job, Lincoln. Plus, I also got a story of how I got a local bully at school disowned by her dad. You see, my parents were both well-known throughout all of Michigan as astronauts, who spent most of their time in space, while I grew up my aunt who was a space research scientist, as well. She was mostly busy with her work in the lab, and that left me with none other than Sarah, my childhood friend. I met her long ago when I was only five, and my Aunt threw me a huge birthday party, but just as I was about to blow out the candles, another girl jumped in and spoiled my moment.

Rochelle Yokoshima: (Japanese Accent) Hey, you, why did you do that?!

But, she just looked at me and smirked. I got super angry and smashed her face into the cake, and a war broke out. She jumped onto me, and she grabbed my hair, and that's when Sarah came to my rescue. She was like an angel, she held that mean witchy girl by her hair, and swung her into the swimming pool.

Rochelle Yokoshima: (Japanese Accent) You just saved my life.

Sarah: Oh, she deserved it, and she did the same thing to me on my birthday.

This was it, I felt like I found my soulmate, and that's how we became besties. We played together all day long, and we also went to school together, and life was pretty much fun, until the ninth grade when a new girl named Rachel transferred into our class. Once Sarah and I were getting our lunches in the cafeteria when Sarah tripped over something, and her food tray fell onto the girl's face and clothes. All of the kids burst out laughing, and her face went red, and then, she went charging at Sarah like a mad bull.

Rachel: How dare you, do you have a death wish?!

Rochelle Yokoshima: (Japanese Accent) Stop, don't you dare touch her!

I went in and pushed her aside, and she fell straight to the ground on her butt.

Rachel: You! You'll have to pay for this, I'll make sure.

Rochelle Yokoshima: (Japanese Accent) Before she could even finish that sentence, I tossed some coins at her and said, "Will that be enough or do you need more tips?" I took Sarah's hand and we both walked out of there. But, little did I know, this was the beginning of a never-ending war. The next day, as I walked into class, I could see Rachel with a wicked smile on her face, and I knew that something was off. Just then, Sarah saw me and got off the seat.

Sarah: Hey, Rachel.

Suddenly, there was a loud ripping sound across the room, it was Sarah's skirt. That evil moron and her moronic friends put super glue all over Sarah's seat, she looked super embarrassed, and Rachel and her minions were laughing like crazy. I quickly went in and wrapped my jacket around her skirt, and then, I walked towards that moron, Rachel.

Rochelle Yokoshima: (Japanese Accent) You did this, didn't you?!

Rachel: Oh, did you see me do it? Wait, you didn't, and it's best that you don't come to me with false accusations like that, you know. I'm a very dangerous girl.

Just then, I stomped on her feet, and she yelled in pain.

Rochelle Yokoshima: (Japanese Accent) Dangerous? Look at you whining like a puppy. You better remember this and stay away from my friend, or I'll…

Rachel: Oh, such a deep friendship, I've got tears in my eyes. But, don't worry, I'll stay away from her, cause now you're my target, and I'll come for you next time, just you wait and watch!

I was about to punch that narcissistic bitch in the face, when the teacher entered, and all the kids ran back to their seats. Later, while we were walking home from school, Sarah told me she was worried about me.

Sarah: You know, you shouldn't mess with Rachel, her dad is the richest man in Michigan. What if he?

Rochelle Yokoshima: (Japanese Accent) Oh, don't worry, she's just a loser who's just insecure about herself. So, she picks on other kids, just to feel good about herself, and she messed with you today, I can't let her go just like that, she's a jerk who needs to learn her lesson.

Sarah: But, you're not, you're better than this. Let it go, I made a mess of him in the cafeteria, and he pulled a prank, not a big deal.

But, before she could even finish, a car flashed past us and all the water by the roadside splashed on us, the car stopped a few steps ahead, and that jerk, Rachel, looked back at us out of the window.

Rachel: Oh shoot, I told the driver to ride over you, but he missed. I guess you just earned a few more hours to live.

Ugh, I was so going to kill her this time. But, Sarah held me back.

Rochelle Yokoshima: (Japanese Accent) Why did you do that? Why didn't you let me go?

Sarah: Cause she's crazy, but, you're not. You want to teach her a lesson, use your mind, not your hands.

Well, maybe, she was right. But, what I saw the next day at school shock me: Jeff was leaning over at Sarah's desk like a lost puppy.

Rachel: Oh, Sarah, I'm so sorry about yesterday. I didn't want to hurt you, but that witch, Rochelle, she made me do it out of anger. You forgive me, right? I want to make it up to you.

OMG, she was such a jerk. I went ahead and kicked the desk, and she fell to the floor.

Rochelle Yokoshima: (Japanese Accent) I thought I told you to stay away. What are you doing here being all cheesy with her, huh?

Sarah: Rochelle, it's okay. She was just saying sorry for what she did

Rochelle Yokoshima: (Japanese Accent) Really, Sarah? You think a jerk like her can change? Why don't you ever see the bad in people?

Sarah: Why don't you ever see the good in people?

I looked at that jerk, and I saw the smirk of The Devil on her smartass face, and almost felt like killing her. But, I was so mad at Sarah, and then, she said something I had never imagined in my worst nightmare.

Sarah: I'm going with her to see a movie tonight, and you have to accept that.

Rochelle Yokoshima: (Japanese Accent) (Shocked) What?!

My best friend was siding with that narcissistic, two-faced, sadistic, smartass against me?! After I took her side?! She was out of her mind.

Rochelle Yokoshima: (Japanese Accent) Fine, do what you want. But, just so you know, she's a jerk, she's just playing some game here, and I've warned you.

But, she just kept staring at me like I was some crazy person. Ugh, I stormed out of there in anger. The next couple of days, we didn't talk much, and now, she would hang out with that moron most of the time. Then, one day, while I was sitting alone in the cafeteria, Rachel came there with Sarah, and her arm was around her shoulder.

Rachel: Girls, we have an announcement to make: Sarah is now a new official member of our group.

What the heck?! No, that can't be true.

Rochelle Yokoshima: (Japanese Accent) Sarah would never.

Sarah: Rochelle, it's true. It took me some time to realize that Rachel is such a nice girl, she's super rich and super smart, and now that I know her, I'm not leaving her ever.

Saying that she hugged her tight, and I couldn't believe my eyes. I was so freaking furious.

Rochelle Yokoshima: (Japanese Accent) But, what about me? What about us?

Sarah: Oh, Rochelle, there's no us now, and don't act like we broke up or something. It was just friendship, and I can make lots of friends, you know.

Rochelle Yokoshima: (Japanese Accent) She's not perfect, she's an evil jerk who's playing you to get back at me.

Rachel: Ugh, you're so full of yourself, Rochelle. Sarah made her choice, and I can smell the burn, you're just jealous that she now wants to be my friend instead of you.

Choice of friend?! EW! I almost puked right then and there. I couldn't stand to see that moron even for a second more, I pushed her aside and went away. The next day at school, I was on my way to class when suddenly, someone pulled me into one of the empty classrooms, it was that bitch, Rachel.

Rachel: You stupid bitch! You just couldn't leave me alone, could you? Well, now, I'm going to teach you a lesson and force you to learn your place!

But before she could attack me, I pushed her off and slapped her in the face.

Rochelle Yokoshima: (Japanese Accent) How dare you?! I swear one of these days, I'm going to kill you!

Rachel: You really pissed me off for the last time. Remember that I said I was coming for you, well, here I am, I will take away your friendship, your pride, and your stupid arrogance, and crush them one by one, and you'll be able to do nothing, nothing at all, except watch from a distance with tears in your eyes.

Saying that, she pushed me aside, and left the room. God, now I had blood on my mind, I literally wanted to crush her teeny tiny brain with my bare hands, but first, I was going to file a complaint against her with the principal about what she did. Before I could do that, she already made her next move, a few minutes later, I received a message on my phone, and when I checked it, I was shocked to see that she attacked me, and she had a message that "If I didn't do what she said, she'd post those photos on the internet, and imagine what's going to happen to me and my reputation next!" My eyes turned red with rage and hatred, I couldn't believe that bitch! Now, she was playing fucking dirty, the next day, and that bitch had the nerve to talk to me.

Rachel: Oh, hey, Rochelle, you know, I'd really love for you to come to my birthday party and serve some drinks there tomorrow. It'll be an honor for someone like you to even be there.

I so wanted to punch her right in her face, but then, I had to teach her a lesson she'd never forget in her miserable life, so I agreed with a smile. But, that bitch had no idea that I had a plan in the works, I kept every note of her words, and she was going to pay big time. The next day when I was reached the party, I saw Rachel standing with her cronies, so I went up to her, and shook her hand.

Rochelle Yokoshima: (Japanese Accent) Happy Birthday, Rachel.

Rachel: Oh, but you came empty-handed. Where's my gift?

Rochelle Yokoshima: (Japanese Accent) (Pointing) Right here.

Just as I pointed in the other direction, the lights went off, and a video started playing on the big screen behind her, it was the video of the day she pulled me into the empty classroom. Suddenly, I could hear Rachel screaming.

Rachel: Stop it, stop it! It's not me, I swear! Rochelle, that witch, she's trying to frame me! It's a fake, she made that up!

Sarah: No, she didn't. I recorded that.

Just then, Sarah came forward, and slapped her hard in the face.

Rachel: What?! What are you…?!

Sarah put another slap on Rachel's face and continued.

Sarah: The day I saw you pull Rochelle into the empty classroom, I knew something was up, so I recorded it to show it to the Principal, but after you blackmailed her, we decided you deserve a grander audience, Rachel.

Rachel: We?

Rochelle Yokoshima: (Japanese Accent) Aw, looks like you're a real moron, Rachel. Did you really think that Sarah was on your side? Oh, you poor little thing, she's been my friend for the last ten years, and you'd really think she'd give up on me for a filthy rat like you.

Sarah: You're not the only one who knows how to act, Rachel. The day you almost crushed us under your car was the day we planned to get back at you.

Rochelle Yokoshima: (Japanese Accent) And this ain't the only birthday gift for you, we have your cell phone and all the pictures and messages in it, and everything that you have ever done to bully the other kids.

Rachel: You?! How did you get that?!

Sarah: The same way she got that video up on that private projector: of course, I helped her, you dummy. Remember I asked you to throw this party, and why do you think I became part of your group in the first place? Feeling the burn, Rachel?

Rachel: You witch, I'm going to kill you!

?: That's enough!

Suddenly, her dad came rushing out and said.

Rachel's Dad: I can't believe you're my daughter. You have let me and my reputation down, I'm disowning you and sending you to a boarding school forever.

Rachel: Dad, no. Please, Dad, no.

She kept holding onto her dad's feet and crying like a little baby as he walked back into the crowd, and I couldn't help but say.

Rochelle Yokoshima: (Japanese Accent) It was an honor, Rachel.

Then, I looked at Sarah, and she had this awesome smile on her face.

Sarah: Told ya, use your mind, not your hands.

Rochelle Yokoshima: (Japanese Accent) You slapped her twice.

Sarah: Oh, you got me there. I love you.

Rochelle Yokoshima: (Japanese Accent) I love you too.

When Rochelle was finished, we cheered wildly for what she did to that jerk, Rachel, and Lincoln ran up to her, and he hugged her, and kissed her, which took her by surprise. But, she returned the hug and kiss.

Nico: Impressive work, Rochelle. I know you wanted to kill that bitch, Rachel, but you used your mind and not your fists for this one. Not to mention your friend set this whole plan up, and she was a really good actor, very convincing.

Luan: She sure was. (Realizes Something) Wait, now I remember, Sarah's part of our group in Drama Class and in the Theatrics Club in School, she's a skilled actor, and she was really convincing. Rachel was nothing but a narcissistic control freak and a bully, I'm glad her dad disowned her and sent her to that boarding school forever.

Lincoln: If she keeps up that attitude, she'll likely have a new home in prison for the rest of her life.

Nico: (Laughs) That spoiled brat's probably got tartar sauce for brains, Lincoln. She'll likely be sent to prison a lot earlier than expected.

Me: Speaking of tartar sauce for brains, I'm glad Lincoln threw Pablo and Anderson in separate cells in Solitary Confinement, and he bound and chained them up, they've caused enough trouble to the prison for the last time.

Lincoln: Yeah, and the last thing I'd want is for them to break out. Oh, now, it's time for our date, we haven't had one for a while.

We then got a shower afterwards, and after that, Lincoln, his harem, and his kids were getting ready for their date, this time, it's at Toad's Midway Madness, an amusement park made by Toad, in the world of Mario.

Lincoln: Alright, everyone, are we ready?

Sadie "Soundwave" the Wolf: We're ready, Dad.

Lincoln, his harem, and his kids head on out, and they head for Toad's Midway Madness in the world of Mario. When they arrived, it was an awesome amusement park with rides and a huge roller coaster in the center.

Sadie "Soundwave" the Wolf: Wow, what is this place, Dad?

Lincoln: This, Sadie, is Toad's Midway Madness, it's an awesome amusement park in the world of Mario with rides and a huge roller coaster in the center. Shall we?

Lincoln, his harem, and his kids had fun riding on the roller coaster and on the rides here in the amusement park, and they also played the games here. Then, they had some lunch in a new lunch area that Toad had built as an addition to the park. Then, as the sun's about to set, Lincoln made clones of himself, and they went up to the girls in his harem, and they wrapped their abnormally massive and powerful muscular arms around their waists, and brought them into a strong embrace. Then, as the sun turned orange, Lincoln leaned down to their faces and they kissed passionately, as the kids cheered for them. Then, they came back home.

Nico: Hey, Lincoln, how was your date?

Lincoln: It was awesome, Nico. We went to Toad's Midway Madness in the world of Mario.

Nicole Knudson: No way, you guys went to Toad's amusement park?! Awesome, and you guys went on all of the rides, that's awesome.

Lincoln: We sure did. (To me) Oh, J.D., I've got something for us to use when we do our entrance on the 2012 version of the Shredder.

Lincoln went up to his room, and he brought out a special bomb, which he gave to me.

Me: What's this, Lincoln?

Lincoln: It's a special Electromagnetic Pulse Bomb that I designed to disable the Kraang's technology, along with the Foot-Bots. But, it won't affect our technology, trust me, it'll be our little farewell to the 2012 version of Shredder.

Nico: (Smirks) Ooh, this should be good.

Me: You said it, and we'll use that, once Lester gets 2012 Shredder's attention, and once he did, we drop the bomb, and we'll have the advantage on him. Nice one, Lincoln, you're also getting good with creating weapons.

Lincoln: My talents are also expanding to creating special weapons, and I think we'll also use these special weapons for the special missions to really kick things up.

Nico: You must've got that idea from when you made that elemental bomb when X.A.N.A. returned to get revenge, now, you're making more of those special bombs, and including more surprises in store. Awesome work, Lincoln.

Lincoln: Thanks, Nico. And through my meditations this morning during my rescue, Lothor's not there in the world of the 2012 Turtles, but the Kelzaks are there.

Nico: I knew they'd be there, especially since we're dealing with an evil ninja. But, I can also sense we're also in for another unexpected surprise.

Lincoln: We'll have to wait until we launch our attack on 2012 Shredder, Nico.

Me: Good thinking.

---

Later it was time for Tahu's 1st ever Ambassador Mission.

Nico: Tahu, we're gonna meet another group of J.D.'s old friends.

Me: Yep. We're going to Japan to meet Tyson and his friends and we're going to show you how I became known as the greatest of all Beybladers.

Tahu: This will be amazing to see brother! I'm looking forward to it.

Me: Me too. You'll love Tyson. He is the greatest Beyblader ever. He and his friends have travelled all over the world and dueled against many bladers and won them all.

Tahu: That is amazing.

Nico: Wow it sure is. Well have fun guys.

We were off to Japan.

We arrived in Japan.

Me: Here we are.

Tahu: Ah Japan.

We then arrived at the park and we saw Tyson and friends teaching many kids about Beybladeing.

Me: Wow things sure have changed.

We went over and Tyson saw Tahu.

Tyson: (shocked) What… on Earth… are you?!

Tahu: I am Tahu the Toa of Fire and Defender of the Island of Mata Nui.

Me: It's okay Tyson. He's here on his first Ambassador Mission.

Tyson: Wow! J.D.!? Is that really you!?

Me: In the flesh and omnipotence. Awesome to see you again Tyson.

Tyson: Yeah!

We fistbumped.

Me: You are doing great teaching everyone about Beyblading.

Tyson: Thanks.

Kenny: Wow! J.D. awesome to see you again!

Me: You too Kenny and Hilary you are looking great.

Hilary: Same to you J.D. Wow you sure have changed a lot.

Me: I know. Feels like forever. Where's Kai?

?: Over here.

I saw Kai.

Kai: Awesome to see you again J.D.

Me: You too Kai. Wow you are looking good.

Kai: Thanks.

Me: Guys this is Tahu and he is the Toa of Fire and one of the defenders of the Island of Mata Nui.

Tahu: It's a pleasure to meet you all.

Me: Also this is my successor Nico Chan.

Nico: Awesome to meet you all. J.D. told me so much about you all.

Tyson: It's an honor to meet you Nico.

Hilary: Same here.

Tyson: (to Nico) Tell me, Nico. Was it really worth it?

Nico: Was what worth it?

Tyson: You overthrowing J.D. after all the good he's done as leader. Guess you and G1 Starscream have something in common after all.

Nico: First of all, me and G1 Starscream have NOTHING in common. And second, I was having a nightmare on the day I became permanent leader. I got that position fair and square.

Tyson: Or you probably manipulated J.D. into giving you the position by hiring that Nightmare Demon to give you bad dreams.

Me: Whoa whoa whoa whoa! Tyson that's a little harsh.

Nico: Okay, there's one thing you need to remember about me and my team. We don't make deals with scumbags unless there's no other choice. With that in mind, why would I make a deal with a demon to give me fucking nightmares?

Me: And Tyson please don't make that comparison with me and

Starscream ever again. It makes us feel uneasy and also that nightmare Nico had just happened. And Nico also earned the leadership position fair and square because of his tremendous display of leadership skills in our major battles last year.

Tahu: It's true Tyson.

Tyson: Wow.

Me: Yeah.

Tyson: I'm sorry, Nico. I shouldn't have jumped to conclusions.

Nico: It's fine, Tyson. At least you didn't call me "The Next J.D. Knudson" like most people, good and bad, seem to be doing.

Kai: Next J.D. Knudson? There IS no Next J.D. Knudson. He's one of a kind.

Me: Well said Kai. Well said.

We high five.

Me: Tyson how about we have a rematch our Beyblading just for old times sake?

Tyson: Oh you're on!

Me: Nico you're about to see our Beyblades in Action.

Nico: Awesome!

Tahu: This will be awesome!

Nico: Me and Tahu will stand guard in case someone bad shows up.

Me: Okay.

We got an arena ready.

Me: I missed doing this with you Tyson.

Tyson: Me too.

We got our Beyblades ready.

3..2..1..

Me and Tyson: LET IT RIP!

We unleashed the Beyblades!

They were really moving fast!

Nico: WHOA! Look how fast they spin!

Tahu: No kidding! That is amazing!

Me: You haven't seen anything yet!

CLASH CLASH CLASH CLASH CLASH!

Me: UNLEASH STARFON THE STAR PHOENIX!

I flared up a purple aura and then out of my Beyblade came STARFON THE STAR PHOENIX! It was a phoenix made entirely of Stars!

Tyson: DRAGOON GO!

He summoned Dragoon!

Nico: WHOA! THAT IS AWESOME!

Tahu: Wow! Now I see why J.D. and Tyson love doing all this.

Then Starfon clashed with Dragoon and I knocked his Beyblade out of the ring and my Beyblade was still spinning!

Kenny: J.D. WINS!

Everyone cheered!

Nico: WOW! That was so cool!

Me: Just like old times huh Tyson.

Tyson: It sure was. You haven't lost your skills at all.

Tahu: Glad that match is done. Because I have a feeling that in a few minutes, someone unfriendly is going to show up.

Nico: Me too.

?: Well look who it is!

We looked and we saw MARIAM!

Me: Mariam! Its been a long time.

Mariam: It sure has been a while J.D. I heard you became the leader of Team Loud Phoenix Storm after you left.

Me: You heard right. I take it you've been keeping track of many of our adventures.

Marian: Yeah they were amazing. You sure have changed a lot.

Me: Well yeah. But also I'm not the leader anymore. Former Leader now.

Nico: I'm the new leader now. Nicolas Chan. Former Second in Command of the Team and now I'm the new leader.

Mariam: Wow! I saw your leadership skills during those huge battles. Congratulations are in order then.

Nico: Coming from you that means a lot.

Mariam: (to Tahu) The Beyblades are only secondary targets this time. What I really want is your mask. I bet I'll make a fortune selling it to the highest bidder!

Nico: (in my head) Well, at least she doesn't know about what the Kanohi Masks really do.

Me: Weird. I remember you were after Tyson's Bit-Beast as well as those of his friends from what I recall. You and the Saint Shields were only interesting in Tyson and friends Bit-Beasts.

Mariam: True. But things have changed for us.

Me: Yeah you were after the 4 Bit-Beasts of the 4 Guardians.

Nico: You mean the Turtle of The North, Tiger of The West, Phoenix of the South and Dragon of the East.

Me: Right.

Mariam: That is correct.

Tahu: I see. Well I'm sorry to disappoint you young one but I'm afraid my mask can't be yours.

Me: But I do have a counteroffer for you. If I beat you in Beyblading like old times sake you and your friends can either join the Redemption Squad or the Masters of Evil since you helped us beat some of the most dangerous enemies we know in the world of Beyblading. But that was before I made the team.

Mariam: That's true. But I accept your challenge.

Nico: Oh boy.

Mariam: Shall we?

Me: Lets shall.

We got our blades ready.

Me: Been a long time since we did this huh Mariam?

Mariam: It sure has.

Me: By the way how have the Saint Shields been these days?

Mariam: Looking for a challenge like always.

Me: I see.

We were ready.

3… 2… 1…

Me and Mariam: LET IT RIP!

We unleashed our blades and they were spinning like mad!

Nico: WHOA!

Tyson: Oh this is gonna be awesome!

They were clashing all over the place with incredible speed and power.

Mariam: SHARKRASH! HO!

She summoned her Bit Beast SHARKRASH! It was a shark!

Nico: Wow! It looks like a shark!

Tahu: Amazing!

Me: Now for me. UNLEASH STARFON THE STAR PHOENIX!

I flared up my purple aura and called forth STARFON THE STAR PHOENIX!

Mariam: HAAAA! ABYSS FIRE!

Sharkrash fired a blast of fire at Starfon but he dodged it!

Me: HAAAAA! STELLAR COMET STORM!

Starfon fired a massive barrage of comets from its wings and they hit Sharkrash and Mariam's Beyblade shattered in an instant INTO PIECES!

Nico: WHOA! THAT WAS EPIC!

Tahu: WOW!

Tyson: J.D. WINS!

I had my Beyblade come back.

Me: Great game Mariam. You're getting really good.

Nico: Wow! That was awesome!

Me: Well Mariam a deal is a deal.

Mariam: Can you give me a few days to think on that?

Me: Absolutely. We have all the time in the world. We all don't come here to meet you all until May 14th.

Mariam: That's plenty of time. Thanks J.D.

Me: Anytime Mariam. Tell all your friends I said hello.

Mariam: Will do.

She left.

Tyson: J.D., let me know if any of your teammates give you a hard time. I promise I'll set them straight.

Me: Thanks Tyson. I appreciate that.

Nico: Yeah but that was so awesome that J.D. did that with Mariam.

Me: Don't give me a swollen head Nico.

Nico: Sorry.

We later came back.

May: Hey guys. How did it go?

Nico: Oh it was amazing!

Me: Nico and Tahu got to see me use my Beyblade in action and I dueled with Tyson and Mariam.

Eli: Oh that is amazing! Wow! You must've had a lot of good times there bro.

Me: We sure did bro. It was amazing and it was just like old times.

Laney: Wow! I can't wait to meet Tyson and his friends one day.

Me: You'll love them Laney. We'll have to get Beyblades to and we can use them on our adventures too.

Nico: I was just about to suggest that J.D.

May: Who can go with you next time?

Tahu: I was thinking of having my fellow Toa come with me next.

Nico: Meeting all the Toa is a great idea.

Pohatu: I would be honored Tahu.

Gali: It'll be awesome to meet Tyson and team.

Takunuva: Can we bring our archenemies too?

Nico: If you want. They would love to meet you as well.

Me: Awesome.

---

We were watching TV and I was eating some apples.

Me: (Eating an apple)

Then Flik and all his friends came.

Me: Flik? Guys? What's wrong?

Sinestro: You okay, Flik?

Flik: I'm fine. Aside from the fact that an exterminator keeps bothering me and my friends!

Me: An Exterminator?

Nico: But you guys live all the way out in Micronesia in the middle of the Western Pacific Ocean?

Me: Really? I didn't know that Flik and his entire Island was right here on Earth.

Nico: Lots of things you don't know J.D.

Me: You learn something new all the time. But seriously what would an exterminator be doing all the way out there?

Flik: Pestering us that's what.

Atta: Yeah he won't leave us alone.

Starfire: Is this not the same exterminator who you and your sisters faced before, Lincoln?

Lincoln: I don't think so.

Flik: No he had a name called X.

Nico: X? (Gasp) That's Officer X.

Me: He's an exterminator now? Oh boy.

Lincoln: Yeah the exterminator we faced looked a little like Bluto.

Me: Big difference there.

Laney: Yeah.

Eli: But that insane monster just doesn't know when to quit doesn't he?

Me: I have a feeling it's gonna be a trap to lure the Mascots to him.

Nico: I have that same feeling too. But right now we need to get ready for our mission. It's Emerald Goldenbraid's big day.

Emerald Goldenbraid: It sure is.

Me: I'll be right back.

I teleported and brought with me HONDO AND ROMAN TORCHWICK!

Obi Wan: Hondo!

Ruby Rose: And Torchwick!

Hondo: Kenobi! My old friend! How the Hell are you?!

Obi Wan: (sternly) Hondo, what are you and Torchwick doing here?

Nico: Stand down, everyone. They're with me.

Long Haul: Please tell me this is an April Fool's prank.

Me: I wish it was but that's three weeks away.

Roman Torchwick: It's not. J.D. came to us and asked us to help you guys with your… Shredder problem.

Me: Please let me explain. I gave Hondo and Torchwick a deal and have them help us fight the 2012 Shredder in exchange for having them join the M.O.E. Many of you have been thinking that I would sacrifice my teammates for this but let me assure you that I WOULD NEVER do that!

Nico: We know that.

Eli: Aren't you also the leader of a group of pirates Hondo?

Hondo: That is correct Eli. You are indeed a truly knowledgable young one and know the galactic history.

Me: That's my brother for you.

Slingshot: J.D., can me, Nico, and some of the others talk to you?

Nico: In private?

Me: Uh sure. I have a feeling I'm not gonna like this.

I went with everyone into a room.

Me: Okay everyone. Hit me with your best shot!

I BRACED FOR THE BIGGEST REPRIMANDING FROM EVERYONE!

Ghuul: J.D., what the Hell is wrong with you? You can't really be serious about us working with those two.

Me: Yeah, I am. And I'll do whatever I have to do. Besides, Torchwick hasn't had much time to shine since we fought Salem. And Hondo isn't so bad once you get to know him.

Maria: No argument there. But, J.D., there's gotta be a different way to do this.

Me: Okay, well, what is it, Maria? Tell me what it is, and we'll do it. We're running out of time!

William: What is going on with you? You working with those two when they could stab us in the back. This isn't who you are.

Me: You're right. They COULD stab us in the back. But who I am is the guy who's let people like the 2012 Shredder live for too long! He hasn't just killed 2012 Splinter once. He's killed him twice! I've had it with him! And if I have to work with Torchwick and Hondo as well as the rest of their goons to end that monster for good, so be it!

Nico: Whoa whoa whoa! J.D. calm down.

Me: (Pants) I'm sorry guys. It's just that I am madder than hell with the 2012 Shredder.

Nico: I know J.D. I know. What the 2012 Shredder did was unforgivable and I feel the same way. And I'm sorry about what he did. But J.D. might be on to something here. Remember all the times we formed unlikely alliances with villains to help us?

Maria: Yeah I sure do.

William: Eli, you're the Force User. Can you sense that Hondo and Torchwick are telling the truth about wanting to help us out?

Eli: Yes I can.

Eli concentrated and felt Hondo and Torchwick's thoughts and they were indeed telling the truth.

Eli: They are indeed telling the truth and they made a deal with J.D. to help us all out.

William: Wow.

Maria: (sighs) J.D., if you and Eli trust the two of them to help us out, then we'll go along with it. But we're keeping our guard up.

Me: I understand.

Nico: Good.

Me: I know this is risky but Hondo and Torchwick are honorable. Just like Pesto here.

Pesto: What do you mean by that?

Me: I said you're honorable.

Pesto: I, am honorable? What are you saying, that I'm some tubby Supreme Court justice here to peruse your legal breaks? Is that what you're sayin'?

Me: No, I'm not sayin' that!

Nico snickered.

Pesto: You're sayin' that I am honorable.

Me: Yeah, yeah, that's what I'm sayin'.

Pesto: Dat's it!

Pesto attacks me and pulverizes the living shit out of me and Bobby, Squit and Nico laughed. NEVER GETS OLD!

Then Electropede, Mr. Mittens, Seadramon, Manta Bayarsh, Black Spider, Biowulf, Unicorn, Ryugu Tamatebacco, Cluemaster, and Count Nocturn appeared.

Electropede: Can me, Mr. Mittens, Seadramon, Manta Bayarsh, Black Spider, Biowulf, Unicorn, Ryugu Tamatebacco, Cluemaster, and Count Nocturn go with you guys?

Nico: You sure can.

They saw me being beaten up by Pesto.

Seadramon: What's going on?

Eli then grabbed me and Pesto.

Eli: Excuse me boys but I must discipline he nanny-goats.

BLANG!

He bonked our heads together.

Me: OW! Thanks Eli.

Eli: No probem.

Seadramon: Oh one of Pesto's rants. Funny.

Nico: Anyway it's time for us to get ready and head out to the 2012 TMNT world. We're going to make the Shredder of that world pay.

Me: Yeah as long as I get to have my shot at him.

Nico: I know.

Flamewar: Nico, which Gene-Slammer do you think you'll meet on your next rescue?

Nico: I'm hoping to go meet a Vampire Bat Gene-Slammer next.

Lucy Loud: I like how you think Nico.

Me: A vampire bat would be interesting to see.

Laney: Yeah it sure would.

Eli: A vampire bat is awesome.

Me: Yep. So it'll be one of the Goths of Darkness that goes with you next Nico.

Nico: Yep. Man Pesto really did a number on you J.D. Wow.

Me: Not nearly as bad as Diane when she smashed my face in.

Varie: That hurt a lot.

Diane: Diane said sorry.

Me: I know.

2012 TMNT WORLD - New York City, New York

---

We arrived in the world of the 2012 TMNT.

Mr. Mittens: Here we are!

Nico: New York City. This is gonna be so awesome.

Me: Yep and it's great to be here again.

Emerald Goldenbraid: I can't wait to see the Turtle Brothers again.

Nico: We owe them big time for helping us out in Minnesota with Charlie Brown and friends.

Charlie Brown: That was cool.

Me: It sure was. Ow.

Eli: I think I know why you're starting to take so many beatings bro.

Me: What is it.

Eli: You're getting ready to Transform. When you face the Shredder here you're going to unleash your most powerful transformation of all.

Me: Wow! This will be interesting to see.

Nico: Wow! Just like what happened to the Loud Siblings. It's like 2021 all over again.

Me: No kidding.

Nico: Yeah.

We went down the sewer and went into the sewer and we saw the 2012 Turtle Brothers and they were training hard and then they saw us.

Maria: Hey, guys!

2012 Leo: Hey guys!

2012 April: All right! Awesome to see you all with us!

Me: Great to see you all again.

2012 Mikey: Man J.D. what happened to you?!

Me: I got beaten up badly. I'm going to transform when we face the Shredder.

Nico: Yeah. It's his most powerful transformation ever.

Me: Yeah.

Nico: Also we owe you guys for helping us out.

2012 Casey: That was awesome.

William: We want to thank you for helping us against the Red Baron.

2012 Leo: It was our pleasure. (annoyed) Though it involved my head being jumped on.

Me: Ouch. But look what happened to me yesterday. I got my face smashed in and then beaten up by a pigeon that was 1 quarter my size.

Nico: Ouch. Maybe J.D. thinks you're cute you know what I'm saying?

Bobby laughed.

Pesto: (to Me) You think I'm cute?

Me: (Shakes head for no.)

Nico: All right Pesto that's enough.

2012 Donnie: What the Hell are Hondo Ohnaka and Roman Torchwick doing here?!

Hondo: (puts arm around 2012 Raph) Relax. The two of us are your new best friends.

2012 Raph: Don't touch me.

Commando Man: (sighs) This wasn't our idea in any way.

Me: It was actually my idea but come on! Cut me a break! I've been beaten to a pulp in the last 24 hours. I'm getting ready to transform against the Shredder.

Poromon got out 2 beer bottles.

2012 Leo: What are those?

Poromon: 2 bottles of beer!

Seadramon: (laughs) You and your beer, Poromon!

Me: I don't think turtles can drink beer.

2012 April: Also I'm too young to drink. I don't like beer.

Me: But I do know a food they DO like.

I used my imagination powers and made PIZZA!

2012 Leo: Pizza!

2012 Mikey: All right!

2012 April: You know, Casey, this really is all your fault.

2012 Casey: My fault?!

Nico: Hey what did he do?

2012 April: No duh. If you hadn't opened your big mouth about Shredder killing Splinter, J.D. wouldn't have gotten pissed about it, he wouldn't be on a self destructive path, and we wouldn't have to join forces with pirates and other kinds of criminals!

Torchwick: Hey! I resent that last part!

Megamind: I know this idea is crazy. But, it's much better then us getting sacrificed. (to me) No offense.

Me: None taken. But yeah Casey you did open your big mouth and that's what set me off.

2012 Casey: Yeah you're right.

Unicorn: (to 2012 Donnie) Donnie, while watching a Robot Chicken sketch, we came up with an amazing idea.

2012 Donnie: What is it?

2003 Donnie revealed a set of blueprints.

2003 Donnie: Look this over. And tell me what you see.

2012 Donnie: Hmm. It's a Pizza Firing Tank.

Me: Yep. We saw it on a Robot Chicken Sketch where you made a tank like this and it fires pizza. It hit the 1987 Shredder and really burned him to death.

Nico: It was so funny.

Varie: It sure was.

2012 Leo: (to 2003 Leo) So, how well do you lead your time? Is it just as good as mine?

2003 Leo: I do just as good a job as you do.

Nico: Yep. Also do you have big time major enemies besides the Shredder here.

Me: Like the Purple Dragons, Baxter Stockman and other major enemies?

2012 Donnie: Well the Purple Dragons are not like the ones you faced.

Laney: We also heard there's no Underground City here in this world.

Sydney: That is a really darn shame though.

Me: No kidding.

2012 Donnie: (to 2003 Donnie) This pizza firing tank isn't a bad idea. Let's combine our brains and build it!

They then got to work.

Nico: Awesome.

Me: But I really need some help with me. I'm going through some major predicaments now.

Leni: Yeah can't you guys do something?

Nico: Leni calm down.

2012 Raph: (to 2003 Raph) I hope you kick lots of a** just like I do.

2003 Raph: Oh believe me I do.

Laney: He sure does.

Nico was patting my back.

2003 Mikey: (to 2012 Mikey) So, do you have a Justice Force here?

2012 Mikey: (excited) Is that a new kind of superhero team?!

2003 Mikey: You have no Justice Force here?! This is blasphemy!

Nico: No what's Blasphemy is Judge Claude Frollo taking the laws into his hands to kill peope.

Me: Yeah. Besides Mikeys this is a whole different world than what we have.

2003 Mikey: Oh right.

2012 Splinter came.

Me: Oh sensei. (Bows) Good to see you again.

2012 Splinter: Same to you J.D. (Bows) J.D., I want to thank you once again for resurrecting me. Now, I can personally help end Oroku Saki's reign of terror.

Me: I'm glad.

2012 Leo: (sighs) Actually, father, it's best if you stay out of the battle.

2012 Splinter: Why, my son?

2012 Leo: We already lost you twice. And I don't know if we can bear to lose you a third time!

Me: He's right sensei. You already got killed twice and we can't afford to have it happen a 3rd time.

2012 Splinter: That is understandable. But Saki's grudge started with me. And now, I plan to end it and him.

2012 Leo: Thought you might say that. (to Spiderman) Spiderman?

Spiderman: Sorry. But I'm not helping you web your own father up.

Ken Ichijouji: Besides, he has the right to help us destroy Shredhead once and for all. We Pinkie Promise we won't let him die.

Pinkie Pie: Cross My Heart, Hope to fly, Stick a Cupcake in my eye.

2012 Leo: We only have 3 fingers.

Stingmon: You know what we mean.

Me: Yeah. We promised that we are not going to let that happen a third time. I swore that I would never let that happen again. And I never break my vows. Also if you're thinking that I will sacrifice anyone for this then no I will not. I have too much honor for that. I will always keep my friends and allies close to me and I will always love them too like my own family.

Black Spider: I think we should focus first on dealing with that exterminator.

Me: Right. I have a feeling he is close.

Nico: Same here. But J.D. do you feel better now?

Me: I sure do. (Aura flares up with intense fury) WHOA! That was powerful! That means it's coming when I face the 2012 Shredder.

Nico: Awesome!

We later were at a warehouse.

The mascots were waiting in a warehouse.

Horsea: You sure he's coming?

Suddenly, someone kicks open the door and a pair of smoke grenades are thrown into the building, which explode shortly after.

Poromon: Evasive actions! (they hide behind some crates)

The mascots peer out from the crates. Through the smoke, they can see a large man in a pink jumpsuit and a gas helmet entering the building. It's the exterminator.

Poromon: There's something strangely familiar about that man…

The exterminator takes off his helment to reveal that it's Officer X.

Poromon: Holy shit!

Horsea: Uh oh!

Manaphy: It's Officer X!

Poromon: Now known as "Exterminator X!" J.D. was right!

Poliwag: You don't suppose he's forgotten about us, do you?

Exterminator X: (sniffs the air) I smell something… Something I haven't smelled since… MASCOTS?!

Poliwag: (gulps in fear) Guess not…

Poromon: Make for the exit! Go! Go! Go!

The mascots slide past Exterminator X to head for the exit, but he is too fast, and manages to close the door on them before they can make it out, leaving body imprints of themselves. Exterminator X stands over them.

Exterminator X: You pipsqueaks cost me my job at animal control. So oh yeah, it's payback time!

Dreadwind: (2012 Raph is about to intervene) No. This is the mascots' battle. We'll stop in only if it's necessary.

2012 Raph: Okay.

Nico: This will be fun.

Poliwag: Hey X! Yo mama so ugly that people go as her for Halloween!

Poromon fired a blast of fire from his mouth and it hit X and burned his face.

Exterminator X lunges for the Mascots, who leap out of the way. Manaphy and Poliwag push a crate behind his legs, while Poromon ricochets off the wall and jump-kicks Exterminator X in the face. Exterminator X trips over the crate, while Horsea got out a roll of duct tape. Horsea then tapes up Exterminator X's body, legs, and mouth, leaving him tied-up. He lands next to the other mascots.

Poromon: Grapple accomplished. Up high, guys!

The mascots celebrate their victory by high-fiving one another. Suddenly, Exterminator X rips through the duct tape on his legs and body.

Poromon: What the deuce?

Exterminator X takes out a grappling hook and tied up the mascots in retaliation. Before roping up mascots, Poromon pushes Poliwag to safety.

Poliwag: Poromon!

Poromon: Run for it, Poliwag!

Horsea: Save yourself, kid!

Poliwag: (hiding behind a nearby crate) What do I do? What do I do?!

Courage: (Quietly) Hey that's my line!

Exterminator X tears off the duct tape on his face, which cuts to the mascots, who look shocked. Exterminator X's feels his face and notices how smooth it suddenly feels. He looks at the torn tape, which reveals that he tore off his own goatee as well. Exterminator X screams in shock and pain, while the captured mascots wince and shudder at his pain as well.

Exterminator X: I've been carrying this around waiting. Because I knew, Oh-hohoho, I knew I'd see you Mascots again.

Exterminator X picks up and places the captured penguins on a nearby hook and begins looking around for Poliwag with a flashlight.

Exterminator X: Everyone thought I was crazy blaming mascots (imitating his mockers) "Oh, Mascots are cute and cuddly!" Oh, no they're not! (imitating his mockers) "Oh, yes they are!" No, you don't know 'em the way I know 'em! They've got devious brains.

Danny phased Poliwag out of there and back to us.

Danny: Poliwag, what happened in there? I thought you and the others had it handled!

Poliwag: We underestimated him!

Cluemaster: X must still have some of his old gear.

Me: Maybe.

Eli: Let me rough him up a bit while Poliwag comes up with a plan.

Nico: Go for it Eli.

Eli teleported and went in and he punched X in the face.

Exterminator X: You picked the wrong exterminator to fight kid!

Eli: Bite my shiny metal ass you fuckwiper!

Bender: (Quietly) HEY! That's my line!

Poliwag: (looks at Flik and the other ants) I have an idea. (shudders) A really, really horrible idea.

2012 Leo: Poliwag, this is no time for the willies. Those shadows are your friends. Stick to them and they'll help you in any situation.

Shield Shredder: We know what you're planning to do. And we know you can do it!

Me: Go for it.

Poliwag: (Maliciously) YEAH!

Exterminator X: (feels his hit cheek) Sometimes at night, I just lay awake thinking about… mascots.

As Exterminator X continues his search, Poliwag is now seen having reentered the warehouse. Private also has Flik and the others ants covering his entire body, using them as camouflage to hide from Exterminator X. As Poliwag hops away, a nearby crate is seen rattling around, which Exterminator X notices and approaches.

Exterminator X: Nowhere to run now, punk.

Exterminator X kicks open the crate to reveal that Lunatic Gary was inside it. Exterminator X screams in shock.

Lunatic Gary: (gets in X's face) YOUR MOTHER'S A WHORE! (runs out of the building)

Exterminator X: (huffs) Weirdo.

Manta Bayarsh: I knew Lunatic Gary would come in handy!

Eli punched him in the stomach.

Eli: SNIFF ON THIS! (FARTS IN HIS FACE AND THEN LIGHTS THE FARTS ON FIRE AND BURNS HIM ALL OVER)!

Me: (Quietly) Nice one Eli.

Poromon: Poliwag, that was a nice cover. How did you not get the willies with all those ants covering you?

Poliwag: It's all part of the job.

Mandy: He knew that saving you three is worth more than the willies.

Me: That's for sure.

I punched X in the face and smashed him into a bunch of crates.

Me: Trent can I borrow your dagger?

Trent Fernandez: Sure.

I used his dagger and drew an anvil over X and then it fell onto him.

CLANG!

He was hit on the head and he had a REALLY NASTY LUMP!

Me: Remind me to thank Zocks and the Zenkaigers for that idea with your dagger Trent.

In Japan back in our Earth, Zocks was with Kaito and then he sneezed.

Kaito: You okay Zocks?

Zocks: Someone must be talking about me.

Exterminator X: (to Poliwag) I knew you'd be back!

Ryugu Tamatebacco: Horsea, will you do the honors?

Horsea: Okay!

Horsea got out a toy gun and fired at Exterminator X. He ducks out of the way, but the dart ricochets off a light fixture, then a pole, and hits a light switch. Turning everything pitch black just as Exterminator X reaches for Poliwag.

Poliwag: Now boys! As we discussed!

Loud chirping is heard.

Exterminator X: (terrified) What? What is it?!

Exterminator X turns the switch back on and notices that the mascots are gone.

Exterminator X: Where'd they go? Where are the mascots?!

Ant 1: (pops out from the side of his collar) No mascots here!

Ant 2: (pops out from the other side of his collar) Just us!

Hundreds of ants begin popping out from Exterminator X's jumpsuit, some overflowing in places as well.

Exterminator X: (horrified) They're in my company-issued slacks?!

HOING!

Ant 3: (giving him a wedgie) Leave our friends alone!

As more ants begin pouring out from his jumpsuit's sleeves, Exterminator X screams in disgust and goes running out of the building, stumbling around in disgust from the ants' movements. The mascots come out of hiding to watch everything.

Exterminator X: GET 'EM OFF! GET 'EM OFF ME! (runs away)

2012 Raph: (laughs) Later, Dumbass X!

Me: (LAUGHS) Dumbass X that's a good one! Be sure to tell your whore of a mother to get a job as a prostitute!

Joe Swanson: (LAUGHS) That's a good one!

2012 Casey: I'm really sorry for telling you about Splinter's death, J.D.

2012 Raph: Don't be, Casey. It was bound to come out anyway.

2012 Leo: J.D., you can take care of Shredder when the time comes. But only if you promise that the next encounter with Officer X will be the last one!

Tricloid: Don't worry! We plan to have a good finale for our fights against Officer X!

Me: Yeah but this was the funniest fight we've seen. But thanks Leo, I actually plan to do more than take care of the Shredder here.

Nico: He's going to use the Black Gates on him and destroy him forever.

Me: Yeah. Now I think we should get back to base. It's time we demonstrate our power.

Nico: Yep in what we call our usual battles.

Count Nocturne: (to both Leos) Do any of you use a Katana? If not, I've got one right here. (brings out said Katana)

2003 Leo: Yeah we use a Katana.

2012 Leo: Yeah we do.

Me: Awesome. Also my son Jared has a great surprise when we go meet the Shredder. It should be here now.

We heard a car drive through the sewer and then in came Jared and he was driving The Bulleteers Car!

Jared came out.

Jared: I decided I'm going to make an opening for all of us by blasting through the building with the Bulleteers car.

Me: Awesome! That will piss the Shredder off son.

Vince: It sure will. Smart thinking there Jared.

Jared: Thanks.

Then Mysterio, Machinedramon, Stonedozer, Iceage, Stratos, DC Enchantress, Mummy, Kerbero Gangan, Melter and Marionette Shadow appeared.

Nico: Mysterio, Machinedramon, Stonedozer, Iceage, Stratos, DC Enchantress, Mummy, Kerbero Gangan, Melter and Marionette Shadow .

Mysterio: Awesome base guys.

Me: Please don't be mad about me bringing Hondo and Roman.

Mysterio: We're not. Those two actually are honorable.

Machinedramon: And besides, we need all the help we can get.

Stonedozer: We'll find a way to pay them later.

Me: Good. Thank you.

Iceage: (to Nico) We heard you fought a giant squid.

Nico: We sure did.

Stratos: Did you really fight it before?

Me: Yep it sure was. And we had an awesome Calamari Breakfast.

Nico: Tasty.

Stratos: Awesome. Oh and we have a new monster for you all to face.

A figure came out and it was SAFE JAMEN from episode 23 of Kiramager!

---

Safe Jamen (キンコ邪面 Kinko Jamen) was a safe-themed black body Jamenshi of the Dark Empire Yodonheim whose dark energy was used to release Gold Bar Ligany.

The Safe Jamen is sent down by Carantula to convert the entire population of Tokyo into coins to either gather more dark energy or leave it completely barren so that Yodonheim can conquer it. He is first seen after Queen Mabayuine is "alive" in Princess Mabushina, spraying a group of citizens in a playground as they run with his with his signature dust and having a group of Bechats collect them for him. He opens his safe and allows the Bechats to put them inside as the Kiramagers arrive and are disgusted at his actions although he tells them that they are safe and they attack. They do battle with the Bechats and soon defeat them before confronting Safe Jamen and unloading with thier Kiramai Shots but they bounce off of his safe head as Sena and Shiguru's Kiramai Swords bounce straight off of it. Juru unleashes his Kiramai Buster and its Dazzling Kiramai Charge which explodes on contact but fails to even dent his safe. Safe Jamen then blasts them down with a devastating lightning blast before leaving because he gets bored with how pathetic a resistance that they are offering against him.

Safe Jamen later returns and has some Bechats take even more former citizens and put them in his safe head although the Kiramagers (now joined by Takamichi who had sat out the previous fight due to relishing his adopted mother still being alive) confront him before he can go and find more. They attack with Safe Jamen pulling out a Numade to combat Juru but Sayo comes up with a stethoscope and tries to apply the Hollywood way of opening safes as Shiguru holds him but fails although she soon realizes the correct combination. She tries three to the left and two down but the door fails to open and he blasts them all down whilst revealing that he has the failsafe that both his face dial and keypad must be picked in order to open it. They get back up and restrain him as Sena types randomly away at his keypad but it fails miserably and he throws them off as he reveals that three failures to input the right code activates a level five security failsafe; destroy all contents in his safe in five minutes. They do battle once again in desperation with the whole team trying to brute force the door open with their bare hands but all fail and are blasted down as before as Safe Jamen takes all five down with his Numade blasts twice more. Fortunately, they are re-energized when Princess Mabusina starts a song number and continue thier battle and he manages to put up a good fight but mass energy blasts from their Kiramai Swords wipe out Safe Jamen and obliterate his Numade as the song ends. However, Safe Jamen quickly recovers and reminds them of the countdown but Takamichi transforms and enters battle with Queen Mabayuine as four the other male Kiramagers restrain him. He then uses his Shiny Breaker's Shiny Beam attack through the Queen which focuses it into an immensely powerful laser that cuts clean through the door using full power which releases all of the coins which turn back into people. Before Safe Jamen can react, Juru forms the Kiramai Buster, firing a Dazzling Kiramai Charge through the Jamenshi's face at point blank range which knocks back Safe Jamen who explodes almost immediately.

---

Nico: Safe Jamen!

Safe Jamen: That's right guys!

Me: Wow! I remember you! You were sent to turn the entire population of the city into gold coins and fill up your bank account.

Safe Jamen: That's right! Good memory on you.

Nico: Awesome! We meet the Kiramagers on June 14th and we're already facing one of their monsters.

?: That is cool.

Then another figure came out and it was TEACHER TELEPHONE from episode 15 of Dairanger!

---

Telephone, like her teammates Boss Kamikaze and Company President Gravestone, were Gorma Minions who were born quirkier and apparently weaker than other Gorma Minions, to the point that Major Zydos stated they were useless on their own and could only be useful working together. With Kamikaze taking the lead, the trio became their own unit within the Gorma and worked to defeat the Dairanger in their own unique way.

Their first plot involved the abduction of Ryo of the Heavenly Fire Star's little sister Yoko, forcing him to play them in a game of soccer in order to save her. Through the bizarre game, the team defeats her and his partners, but they somehow escape even after being defeated by Dairen'oh

---

Eli: Teacher Telephone! I remember you! You were sent to abduct Ryo's sister Yoko and force him to play Gorma's minions, Boss Kamikaze and Gravestone in a game of soccer!

Teacher Telephone: That's right Eli. Good memory.

Me: That is cool! We are facing one of the retired Sentai Team Monsters.

Teacher Telephone: Too bad I wasn't adapted in America.

Nico: I know, right?

Me: Yeah what a ripoff.

Bloo: Nothing wrong with people who look like telephones. I actually met a man in a phone suit myself.

Mac: I remember that Bloo.

Teacher Telephone: We also have archenemies for 2012 Leo and

Kai.

Out came THE PIZZA XENOMORPH and DORA FRANKE from Zyuranger!

Me: Whoa! The Pizza Xenomorph from the TMNT books.

Eli: And Dora Franke the Japanese version of the Frankenstein Monster from Mighty Morphin! Wow!

We got the usual battles underway.

## Yusei, Twilight Sparkle, Starshine Sparkle, Sunny Starscout, Magic Skylanders, Ghuul and Ri'Oha VS Mysterio - Nico's Rescue

Mysterio was first.

Mysterio: (to Yusei) Nico really got us a good meal in his rescue. And which Heartless robot should I summon this time?

Yusei: He sure did. 5,000 pounds of squid can give us a lot of food and how about Invisibles?

Mysterio: Ooh good choice.

He summoned said Heartless Robots.

Mysterio: Boy that squid must've been huge.

Twilight Sparkle: It sure was and it was 110 feet long and weighed 5,000 pounds. It was amazingly huge!

Starshine Sparkle: Yeah it sure was!

Sunny Starscout: The largest creature we've ever seen.

Spyro: Yeah no kidding! What a massive squid! And we faced this squid ages ago.

Ri'Oha: This squid was a good breakfast for us.

Mysterio: Wow! That must've been a huge squid turned into a big breakfast. Lets do it!

They fired waves of stars and magic and smashed him down.

Yusei: ALL RIGHT!

Twilight Sparkle: That was amazing!

Sasuke: It was infernal! It was a battle burning in intense fire.

Pinkie Pie: This guy was setting all kinds of fires to save his fire department from being shut down.

Thing: Her name is Rochelle Yokoshima and she is from Japan. Really cool.

Applejack: Yeah and she looks amazing as a Darkfire Dragon.

Apple Bloom: She sure does and she found out something horrible about Pablo and Anderson.

Stonedozer: Oh boy. What did those two do this time?

Apple Bloom: Well it's not pretty. Rochelle found out from the police that Pablo and Anderson have done more than just bully sixth graders and tried to rob people, She found out that those two have actually killed someone in cold blood, and their lowlife dads were also with them. They enjoyed taking the level of pain and suffering they inflicted on their victims to a whole new level, and if they weren't stopped, they would've gone on to kill more people, and they would've started on Lincoln and his friends. So, Rochelle called the police on them, and the cops went after Pablo and Anderson, along with their lowlife dads, but they killed the cops sent after them and they got away.

Stonedozer: WHOA MAN! Those two are heartless psychopaths! Pure evil from birth!

Flashwing: That is exactly the right term for it.

RD Lynn: Yeah no kidding. They had it coming. Now they are locked up in solitary confinement sells with rainbow chains and straitjackets holding them.

Stonedozer: Good riddance. Lets do it!

Thing: IT'S CLOBBERIN TIME!

They fired waves of rock, earth, crystal and apples and smashed him down.

Samus: He'll appreciate your concern but yeah what he did was completely and utterly horrible.

Starlight Glimmer: But the 2012 Shredder's Crimes are nowhere near as bad as the Utrom Shredder's crimes. He killed millions of people all over the galaxy.

Rarity: Oh indeed it was darling. I thought it was absolutely amazing how J.D. uses such an amazingly powerful device like that.

Sweetie Belle: It sure was awesome!

Gill Grunt: And it was so cool how J.D. uses a Star Phoenix Beyblade like that.

DC Enchantress: WOW! That is amazing! We'll have to see what that is like from P'andor when he goes next. LEts do it!

They fired waves of jewels, water and ice and smashed her down.

Mummy: Is that even possible to be born with 2 stomachs?

Sunset Shimmer: Leon said exactly the same thing. It was crazy.

Pipsqueak: (British Accent) But it reminded me of a really funny movie I saw called Thunderpants.

Mummy: I remember that movie! That was so funny and I laughed myself so hard that I nearly unraveled.

Sunburn: That was a really funny movie. We couldn't stop laughing.

Gaz Membrane: Yeah no kidding. He is completely psychotic. He belongs in a mental hospital forever.

Princess Luna: Yeah he needs lots of help.

Moondust: Boy he sure does. He needs to go to the Saturn nuthouse!

Snowdrop: I agree there too.

Gari: Same with me.

Blackout: I have a feeling we'll face him later on for the last time.

St. Patricia: (Swiss Accent) Ja and lets hope it will be the last time.

Kerbero Gangan: Lets hope. Lets do it!

They fired waves of darkness and smashed him down.

Gaz: DARKNESS FALLS!

Princess Luna: A true victory of the night!

Melter: (to Aquaman) I hope Officer X gets fired after this. And I hope the next time we see him really will be the last time.

Aquaman: I have a feeling it will be the last time. That guy has some serious problems and he should have never been allowed to get a job at all.

Fluttershy: Yes I most agree. The Mascots are like my animal friends and he has no right to go after them.

Tornado Bolt: That is right! He needs to be locked up!

Stealth Elf: For life!

Melter: Lets make it eternity! Lets do it!

They fired waves of leaves, flowers, grass and energy and smashed him down.

Princess Celestia: It sure will. And the Safe Jamen is really cool. He has a vault for a head.

Amber Morning: He sure does. I wonder if he has any treasure inside.

Spotlight: I remember watching him on TV and that was so awesome how the Silver Kiramager used a powerful focus laser to cut open the safe and free everyone!

Marionette Shadow: That was really ingenius! I wonder what Vypra has in store for each of the Kiramager and Zenkaiger Monsters.

Style Queen: We'll have to find out later.

---

The usual battles were done!

Nico: YEAH!

Lincoln: Okay, now that we got the usual battles out of the way, now to work on our battle plan for the big fight.

We then gathered, and Lincoln made a map of 2012 Shredder's fortress.

Lincoln: Now, we know that 2012 Shredder's got guards all over the place, and they'll also have traps set up for us, but we're going to be smart about this. First, we'll take to the shadows and take down the Foot Clan ninjas that are lurking all over the place, and if there's Foot-Bots all over the place, I've got just the thing for them.

Lincoln also handed us some miniature EMP bombs to use on them.

Lincoln: If any Foot-Bots get in the way, use the mini-EMP bombs on them. Then, we should also take care of Shredder's henchmen in the process, and then, Lester will head in and keep 2012 Shredder distracted. Then, we'll do our entrance, and drop the main EMP bomb that I gave J.D., which'll disable the technology of The Kraang, and the Foot-Bots. In the height of the ensuing chaos, we'll take the fight to the 2012 Shredder, and make him pay for everything he's done.

Nico: And then, when we get to the main fight, we also know what to do. Amazing plan, Lincoln.

Lincoln: Thanks, Nico.

Nico: Alright, get ready, Shredder. (Eyes turning red) We're coming for you, and you're paying for all of your crimes.

Me: In blood!

Suddenly, Lincoln's deep sapphire blue eyes glowed even more, as he sensed a dark signal moving fast, and he saw a vision of who the dark energy signal belonged to, it was a Twisted version of Maid Marian, but she has a tattered version of her dress, and she's taking down the hordes of Kraang and Foot-Bots with the bow belonging to her world's Robin Hood. When we saw that, it definitely meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, who's here in this world?

Lincoln: You won't like this one bit, Nico, it's a Twisted version of Maid Marian, and she's taking down the hordes of Kraang and Foot-Bots with the bow belonging to her world's Robin Hood.

We gasped in shock.

2012 Mikey: Why is that bad? She's doing a good thing in helping us.

Lincoln: No, 2012 Mikey, this is really bad. This is the Twisted Princesses that we've also been dealing with in our world, they're the twisted evil versions of the Disney Princesses that we know, who have become evil due to the dark events done unto them because of the villains they've had to deal with. We killed them long ago, but last year, they've returned from the dead, and we had to stop them yet again. But, for Mulan 2, Belle 2, Tiana 2, and Snow White 2, who were once Twisted Princesses, we gave them back the lives that were unjustly taken away from them.

Helena Nicos-Knudson: And Twisted Maid Marian's story was born from the death of her world's Robin Hood.

Robin Hood (Disney): Now, that's something I want to hear.

Maid Marian (Disney): Same with me.

Helena Nicos-Knudson proceeded to tell us about Twisted Maid Marian's story, and we were in for a shock.

---

Twisted Maid Marian

Upon hearing that Friar Tuck had been captured and that Prince John planned on hanging him, Robin Hood and Little John set a plan in motion to rescue him as well as the other citizens of Nottingham. All seemed to be going according to plan until Robin Hood was confronted by the Sheriff of Nottingham. An epic sword battle ensued that lead throughout the castle. The Sheriff had Robin cornered but Robin made a quick escape into the moat surrounding the castle. The Sheriff ordered his archers to fire on Robin as he began swimming to shore where Little John and Maid Marian were waiting for him. Maid Marian called out to him and just as she did, an arrow pierced her love's back. She screamed in horror and began to rush out towards him but was stopped by Little John who shielded her from an onslaught of arrows. Tears filled her eyes as she saw the life leave John's eyes and his body slumped over in front of her. Her heart sank as her attempts to awaken Little John had failed. As she looked up she could see Robin crawling out of the moat with two arrows in his back. She rushed over to him to help assist him. He looked in her eyes and placed his hand on her cheek and smiled. And as he looked deeply in her eyes he said "I….love…..y-"… but before he could finish, an arrow fired from the castle flew by Marian's face, scarring her eye and hitting Robin in the chest. She screamed and held him in her arms as a new rage and determination filled her heart. Friar Tuck noticed Marian and rushed to her aid and hurried her away from the shore before another volley of arrows was fired. Maid Marian, heartbroken and alone, vowed to avenge her fallen love. She took up Robin's bow and sword as they would be the tools of her revenge… and she WILL have her revenge!

---

When Helena Nicos-Knudson was finished, we were really shocked.

Me: My God.

Nico: You said it, before her world's Robin Hood was about to say the three words, "I love you", he was hit in the chest by the arrow, and it pierced him in the heart, and pierced her in her eye, his life came to an end, and it broke her heart, and she vowed to take revenge for her fallen love. Is there a way to save her, Lincoln?

Lincoln: There is, Nico. But, Emerald's going to have to beat Twisted Maid Marian down and have her tied up, so she can't escape. Then, I'm going to bring her world's version of Robin Hood back from the dead, so that way, her heart and soul will be repaired.

2012 Splinter: That's indeed a wise choice you made, Lincoln.

Emerald Goldenbraid: It sure is, and Lincoln's resurrected several people before and restored them to life.

Nico: Yeah, he's resurrected the Warners' parents, and after Mulan 2 and Belle 2 were defeated, he'd resurrected them, and gave them back their lives.

Eret: Now that the usual battles are done, let's find Shredder.

Me: Yep and Lincoln said that already. We're going to make that monster pay. (Eyes glow Red) Shredder you will pay for your crimes.

Eli: And you will suffer big time for EVERY single one of them.

2012 Donnie: Whoa! How come his eyes glowed red light that?

Nico: It's what we call the Justice Glow. (Eyes Glow Red) Whenever we go after a huge villain we have our eyes glow red and it shows that we're going after them.

2012 Leo: Wow! That is cool!

2012 Donnie: Biowulf, you're part wolf, right? Can you track Shredder?

Biowulf: I can try. But actually I wasn't always like this.

Nico: It was part of a nanite project that was accidentally unleashed and it mutated everyone on Earth. Long story. He's now biomechanical.

Biowulf: Yeah. But it's a long story. Lets see.

He sniffed for the scent of the 2012 Shredder and he found him.

Biowulf: This way!

We followed him.

We arrived at the tower of the Shredder.

Me: This must be it.

We got to the entrance and there we saw 2012 BAXTER STOCKMAN AND HE HAD A HEAD THAT WAS THAT OF A FLY! WHAT THE F*** HELL!?

Me: What in the 9 fucking levels of hell!? You're Baxter Stockman of this world.

Nico: You look like an ugly freak of nature.

2012 Baxter Stockman: But I'm much more handsome.

Nico: You are not handsome at all. You're a totally hideous freak!

2012 Raph: Look, Stockman. As much I'd like to kick your a**, we don't have time to mess with you.

2012 Stockman: That's too bad. Because I have time to mess with all of YOU!

Eli: Somebody get me a can of bug spray!

Just then, a familiar looking shield hit 2012 Stockman from behind.

CLANG!

Nico: Nice throw, Cap.

Captain America: That wasn't me.

?: It was from me.

We saw UA Captain America, UA Luke Cage and UA Iron Fist!

Me: Captain America, Luke Cage and Iron Fist of the Ultimate Alliance Universe!

Sydney: Oh guys!

She went over and hugged Steve.

Sydney: Thank goodness you guys are okay.

Me: Yeah we were worried. After that explosion we thought it was going to be the end.

Nico: But thank goodness you guys are safe.

UA Luke Cage: Yeah but the world we're from is now in turmoil because of the SRA.

Me: Looks like the events we foretold are now in full swing.

UA Captain America: Yep. Let us deal with this fly faced freak. You guys go on and face the Shredder.

Nico: With pleasure Cap.

Sydney: I'll help you guys. And then, we REALLY need to talk about what went down after me and J.D. left.

Me: We have a lot to catch up on. (Makes a sign) Shadow Clone!

I formed a clone to help and we went into the tower.

We ran through the tower and then Electrocutioner, Dodgeball Wizard, Weather Wizard, Kaa, Tock, Brainiac 8, Gate and Minotaur (Sailor Moon) joined up.

Maria: Thanks for joining us, Electrocutioner.

Me: And you two guys.

Typhoon Mary: No problem.

Electrocutioner: This is gonna be so fun!

Kaa: I hope I get the Ssshredder in my coils.

In the top of the tower 2012 Shredder was concentrating. But then he heard a noise and then flying fast as a bullet was The Bullet Car and it smashed through the tower top and flew through it and the place exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

It was destroyed and ripped apart leaving the floor left.

Jared: That's one way to make an entrance.

Electrocutioner came up.

2012 Shredder: So, you are the one they call the Electrocutioner?

Electrocutioner: That's right.

2012 Shredder: Do you think you can kill me all by yourself?

Electrocutioner: (smirks) No. But I'm NOT by myself.

Then the Full Moon came and then the spirits of the animals of the Night of The Full Moon Swirled around the 2012 Shredder and then they converged and then…

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off and a phoenix cry was heard and we came out.

2012 Shredder: Who are all of you?

Nico: Your worst fucking nightmare! We are Team Loud Phoenix Storm! And we have come for you Oroku Saki or do you prefer to be called the Shredder?

I went up to him.

Me: I've waited for this day for a long time. Shredder you will pay for everything you have done! I swore that I would make sure that I would kill you and make sure that you paid for all the suffering you have caused!

2012 Splinter appeared!

2012 Shredder: Hamato Yoshi. I thought I killed you before. No matter. This only means I can kill you again!

2012 Leo: (to 2012 Splinter) This is why I didn't want you to come!

2012 Splinter: It is too late to back out now. What matters is finishing what we started!

Me: No sensei. I swore that I would never let you die again. Now it's my turn to fight him. He will pay for his crimes.

The Foot Ninjas came!

Ed Cowart: You think we didn't come prepared?

Ed pressed a button and then Electromagnetic Pulse Bombs detonated and destroyed all the Foot Ninjas.

2012 Shredder: I may not have any Foot Ninjas left. But I DO have a new army. Kelzaks, come!

An army of Kelzaks appeared.

Shane Clarke: Kelzaks!

Nico: I had a feeling you would summon them Shredder!

Me: Leave the Shredder to me. He's mine. It's time I unleashed my ultimate power on him.

Nico fired waves of lightning and destroyed many of them. We got to fighting the Kelzaks,

Then the Kelzaks jumped the 2012 Turtles. The 2012 Turtles lay defeated at the hands of the Kelzaks.

2012 Shredder: (laughs evilly) You don't have to worry about mourning your precious master, Turtles. Because I won't make the same mistake twice. This time, I'm going to send you ALL to Hell!

POW!

I punched the 2012 Shredder down!

Me: You really love to here yourself talk don't you.

2003 Mikey: (hits Kelzak with Nunchucks) Bros, our counterparts need our help over there!

Emerald then got an idea.

Emerald: (to everyone watching) Everyone out there in both worlds! Lend the Turtles your strength! They get stronger with your support! When I go "1, 2", shout "Booyakasha"! Okay? 1, 2…

All: BOOKYAKASHA!

Emerald: One more time! 1, 2…

All: BOOKYAKASHA!

Emerald: Louder! 1, 2…

All: (louder) BOOKYAKASHA!

At these words, 2012 Leo found the strength to get back up.

2012 Leo: Everyone's right. We got our father back. Hell will freeze over before we let the Shredder win!

With that, 2012 Leo used his katanas to slice a nearby Kelzak in two.

2012 Leo: Thanks for the support, everyone.

2012 Donnie: I never thought so many people would be aware of us.

2012 Mikey: Hey, I'm not complaining!

2012 Splinter: I suppose the surface world knowing of our existence isn't so terrible after all.

2012 April: Of course it isn't.

2012 Raph: Don't turn away yet, folks. You're all about to see a major a** kicking!

Nico: Yep!

Me: I've had it with you Shredder!

My eyes glowed neon rainbow colors and my rainbow aura flared up.

Me: (In my head) Sensei Splinter what you have done for April and the brothers here in this world shows that you are not only a great teacher but also a magnificent father. You have done so much for them and everyone. But then the Shredder took you away from them twice. And what he has done is unforgivable! I won't let him do so again! I swore that I would not let you die a 3rd time!

Then something snapped inside my head!

Eli: Uh oh! EVERYONE HIT THE DECK!

Everyone ducked for cover!

Me: (In my head) AND I WON'T LET THIS MONSTER GET AWAY WITH HIS CRIMES EVER AGAIN! (OUT LOUD) AAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAHHHHHHHHHHHHHHH

I SCREAMED LIKE A MADMAN AND THEN…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive explosion of incredibly powerful rainbow fire and energy exploded out with unbelievable force and power! UA Luke Cage held 2012 Baxter Stockman down.

2012 Stockman: What are you waiting for? Finish me!

Sydney: No. We're going to cure you. Just like J.D. and the others cured me.

She held out an auto injector full of Crystal Moon Serum that she still had from our last trip.

My clone: You still have some of the Crystal Moon Serum we made.

Sydney: Just a little momento from when we destroyed the Underground City.

She injected him with the serum and then he was reverted back to normal.

My Clone: Awesome!

UA Luke Cage: Wow! That is a powerful cure.

My Clone: It sure is.

We tied him up.

Sydney: Guys, tell me. What happened while me and J.D. were gone?

UA Luke Cage: (sighs) Sydney, I'm not gonna lie to you. Things back home got bad after you left.

UA Captain America: After the SRA was passed, all of us had to choose sides. Those who supported the SRA. And those who went against it. Tony chose the side that supported the SRA.

UA Iron Fist: They've locked up a few of our friends as well. Prodigy and Havok, just to name a few. And what's worse is that now, SHIELD's enlisted the help of Nanite agents.

Sydney: Who are the Nanite Agents?

UA Luke Cage: Lady Deathstrike, Green Goblin, Venom, Grim Reaper, Bullseye, Moonstone, Molten Man, Diamondback, Whirlwind, Wizard, Electro, and Jack O Lantern.

UA Iron Fist: They've also got plans to inject Equinox with Nanites as well.

Sydney: Dear God. It's worse then I thought.

Me: Oh man! This is serious!

UA Captain America: (smiles) Don't give up, Sydney. I won't stop fighting until Tony comes to his senses. Just like you and the others won't stop to help unite us against whatever it is we're gonna face soon.

Me: Just hold on for 5 more days Steve.

2012 Donnie used the Pizza Firing Tank to fire pizzas at Super Shredder, burning him.

Super Shredder: AARGH! IT BURNS!

Electrocutioner: This'll help it burn even more!

Electrocutioner used his electricity on the pizza, making it hotter.

Ed: ZAPPITY ZAP ZAP!

Eddy: Shut up Ed.

Super Shredder (smirks evilly): You know, Leonardo. I may have been the one to end Hamato Yoshi the first time. But he was there because of you. You were the one who killed him.

2012 Leo: (sighs) Which is why I didn't want him to be in this fight. But now, I'll make sure you can't kill him!

With that, 2012 Leo used his Katana to slice off Super Shredder's left arm.

2012 Leo: (smirks) What do you know? My sword's strong enough to slice off any part of you!

Me: And now to finish you for good.

Super Shredder: Poor J.D. Knudson. Too scared to kill me already!

I went at him and then…

SLASH!

I slashed him in half down the middle and killed him instantly! Then his spirit appeared.

Me: You are not going to get me to give into darkness easily Saki. But there's a place for you that"s worse than that.

Varie and Misty came and Comforted me.

2012 Leo: I want to thank you guys for helping us.

DC Enchantress: No problem, Leo.

Nico: It was our pleasure.

Mummy: (to UA Captain America) You and the Luke Cage and Iron Fist you know helped too.

UA Luke Cage: Damn straight!

Nico: That is for sure.

2012 Leo: Just keep fighting the SRA until we get there, okay?

UA Captain America: (smiles) I'll make sure to remember that.

2012 Leo bowed while UA Cap saluted back to him.

Nico: Just hold on for 5 more days and we'll be there to help you all.

UA Iron Lung: We will.

They left.

Kebero Gangan: All's well that ends well.

Nico: Not completely. Officer X is still out there.

Melter: But we'll be ready for him.

Marionette Shadow: He's not even worth killing.

Nico: He's going to jail though. (Looks at me crying) Poor J.D.

?: I will make sure that no one leaves here alive!

Lincoln: There's no mistaking that voice from anywhere. You can come out now, Twisted Maid Marian.

A figure came out, and it was none other than Twisted Maid Marian, the twisted version of Maid Marian, driven by revenge born from her broken heart.

Nico: (Gasps) Oh man, is that…?!

Allie Knudson: Yeah, Nico, that's the twisted version of Maid Marian.

Just like Lincoln said, she's been driven by her desire for revenge born from her broken heart when she saw her world's Robin Hood killed in front of her eyes.

Eli: To see the one who was about to say the words "I love you" struck down, that sight's enough to break their heart and send them down into darkness.

Lincoln: So, it's up to us to pull them out of the darkness and back into the light.

Emerald Goldenbraid: And that's what I'm aiming to do to help her.

Suddenly, Emerald Goldenbraid's grey eyes turned neon grey, and she was surrounded by a pink energy aura with magic and unicorns, she got out her massive Defenders of Gemina and Drake City sword, and as she approached Twisted Maid Marian, she left pink energy, magic, and unicorns with every step.

Emerald Goldenbraid: Twisted Maid Marian, what happened to you and your world's Robin Hood was tragic, but you crossed the line when you gave into a desire for revenge. But, you're not going to die here, I'm going to make sure that you finally return to the light once more!

Suddenly, Emerald Goldenbraid was surrounded by a massive vortex of pink energy with magic and unicorns surrounding the vortex, there's a unicorn running around the vortex, and in the vortex is a blonde phoenix. Then, as the vortex faded, Emerald Goldenbraid emerged, but she was changed forever.

Emerald Goldenbraid grew to 6'5" in height, she had the body of a goddess, she had pink highlights in the bangs of her long blonde hair, she has neon grey eyes and an pink energy aura with magic and unicorns surrounding her, she has a unicorn with the Magic Kanji above its horn emblazoned on her forehead, she has on unicorn earrings with pink gems for the eyes and the Magic Kanji in its horn and her Crystal Necklace of The Buddha with pink crystals links and gems and with a unicorn with pink gems for eyes and the Magic Kanji in its horn for the pendant, she has on a sleeveless purple blouse and sleeveless purple shirt with an pink phoenix on it, purple skirt with unicorns on them, purple pants with orange flames on it, purple ankle-high combat boots with phoenixes on it, and a long purple sleeveless trenchcoat with unicorns and magic on the coattails and on the back is a unicorn with magic surrounding it. Suddenly, Emerald Goldenbraid felt a sharp pain on her back, and then, massive blonde angel wings with purple tips on the large blonde feathers, sprouted out from her back, and Emerald has on her White Lantern corps ring on her left ring finger and Ring of The Phoenix ring on her right ring finger.

Suddenly, Emerald's massive Defender of Gemina and Drake City sword and her Mysticon Knight sword merged together, and were surrounded by a kaleidoscope of purple energy with magic and unicorns surrounding it. When the kaleidoscope faded, the merged swords were transformed into Gemina's Unicorn Knight Sword of Magical Justice, it's a brand-new large sword with a 6'9" massive, wide, double-edged silver blade with the symbol of the Mysticons etched on it, large unicorn heads for the crossguard, large purple gem for the hilt, longer black handle, and a large purple gem surrounded by angel wings for the pommel. Emerald Goldenbraid has on her new large gold cuff Bracelets of the Champions of The Universe with purple gems on her wrists, large gold Belt of Elemental Bravery with a gold unicorn head with purple gems for the eyes and a large pink gem in its open mouth for the belt buckle, large pink Spellbook of The Gods and The Universe and large pink Universal Spellbook of The Elemental Forces on her left hip and Eater of Sins revolver holstered on her right hip. There's a pink kanji below the unicorn that said, "Emerald Goldenbraid, Mysticon Unicorn Knight, Sister to the 2012 Turtles and Friends, Destroyer of Necrafa, Tazma Grimm, and The Spectral Hand, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, Amazing Member of Team Loud Phoenix Storm, and Master of Unicorns, Magic, and Swords" Emerald Goldenbraid has transformed into SUPER ANGEL INFINITY MYSTICON PINK UNICORN KNIGHT ANGEL OF ANGELIC LIFE AND MAGICAL JUSTICE!

We were amazed by Emerald Goldenbraid's Super Angel Infinity transformation, but when Twisted Maid Marian saw it, she fell into a rage and tried to kill her, but Emerald fired a powerful blast of pink energy with magic and unicorns, and it hit her and sent her flying into a wall.

Nico: Oh wow, Emerald's become the next Mysticon to transform, that's awesome!

Arkayna Goodfey: Whoa, Emerald, you look amazing. How do you feel?

Emerald Goldenbraid: (Divine Echoing Cosmic Voice of The Magical Unicorn and Magical Justice) **I feel incredible, Arkayna, and now, I've got to put a stop to Twisted Maid Marian.**

Emerald Goldenbraid went after Twisted Maid Marian, who fired arrows at her, but she dodged them and then, she fired powerful blasts of pink energy, pink magic, angels, and unicorns, and they explode with incredible power as they hit Twisted Maid Marian. Then, Twisted Maid Marian engaged in a fierce swordfight with Emerald Goldenbraid, as sparks were flying. Then, Emerald disarmed Twisted Maid Marian of her sword, and then, Emerald tied her up with purple energy rope, so she couldn't try to escape. We cheered wildly as Emerald Goldenbraid holstered her new massive sword on her back and powered down, and Emerald Goldenbraid's new body, clothes, weapons, jewelry, and angel wings are permanent.

Emerald Goldenbraid: Maid Marian, I know that what your world's version of King John and his cronies did to you and your world's Robin Hood was unforgivable, but we know why you did this. However, when it was born from revenge, you descended into darkness and began walking down a road from which there's no return. But, we're here to pull you out of the darkness. Lincoln, would you do the honors?

Lincoln: On it, Emerald.

Lincoln snapped his fingers, and a light shined down as the angels sang, and then, Twisted Maid Marian saw who it was that came back from the dead: her world's version of Robin Hood.

Twisted Maid Marian: No, this can't be, it's got to be a trick.

Robin Hood 2 went up to her, kneeled down to her, and he hugged her. When she heard his heart beating and felt his embrace, it was indeed all too real. Then, we saw tears coming out from her eyes, and we knew what it was: her heart was being repaired, and she was crying. Then, we saw the energy ropes disappear, and she embraced her world's Robin Hood, as she broke down and cried. Then, we saw her clothes being mended, and her missing eye was restored. Then, Robin Hood 2 then kissed her on the lips, which she returned.

Robin Hood 2: Now, I can say the words that I've wanted to say to you. Maid Marian, I love you.

Those three words finally restored her heart and soul, as she had a smile on her face and tears in her eyes.

Maid Marian 2: I love you too, Robin Hood.

They kissed yet again, and we also had tears in our eyes and smiles on our faces.

Nico: Now, their lives have finally been restored for good.

Eli: That's right, Nico.

Lincoln: What their world's King John and his cronies did was truly pure evil. When we pay a visit to that world, we're throwing them into The Neptune Prison for Traitors for good.

Nico: Yeah, what they did, they'll be thrown into a new prison where they'll stay there until the day they die.

Eli: And now, at long last, we're now rid of The Shredder for good.

Nico: What he's done can never be forgotten, but we've made sure that he's now a forgotten memory for good.

Eli: You said it.

Lincoln: He was a monster, plain and simple. And monsters like him deserve to be nothing more than a forgotten memory.

Nico: Yep.

2012 Leo: (To the viewers) Now we have officially shredded the Shredder! We're free of him forever.

Nico: Yes we are. Great job everyone! Especially to J.D. for delivering the final blow. But also Roman, Hondo, you are now given amnesty for helping us. Thank you.

Roman Torchwick: Thanks Nico.

Nico then raided the Shredder's tower and gave Roman and Hondo all of the Shredder's money and more and the Shredder was now nothing more than a forgotten memory. We all went back home after merging the 2012 TMNT World with ours and then we enjoyed the rest of the day after going back home and we went to sleep later on. I was asleep ever since we got back because I was crying so hard.

Another awesome fanfic done.

The 2012 version of Teenage Mutant Ninja Turtles was a really awesome and great show that had a really cool story behind it and more. It was really awesome but what the Shredder of this version did was absolutely unforgivable and as you saw I swore that I would make that monster pay. And I did. The show aired from September 28, 2012 - November 12, 2017 and it was awesome. The first part was for the 1996 movie Peter Benchley's The Beast and that was a scary and awesome movie. That squid in that movie was MASSIVE! It's hard to imagine that a Giant Squid like that can cause a massive number of problems. It aired on TV and was a 2 part movie. The second part was for the 1991 movie Backdraft and that was an awesome and blazing hot movie. NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, XP4Universe, Darkhai, vinjedi1995, Drako1234658, Nflemingful, Etstheclarencefan and ninjakingofhearts gave me the ideas for this and so did the guest reviewer. Nico's next rescue is gonna be in the 1998 movie John Carpenter's Vampires and Nico, Eli and Yumi Ishiyama are going after the evil vampire Valek and we're going to also kill his minions too. And we're also going to meet a Vampire Bat Gene-Slammer named Sylvia Exetor and she is a goth girl from Nico's Poetry and Chess Classes and this will be awesome. Also Lincoln's rescue is gonna be in the Saturn Insane Asylum and we're going to stop a brutal fight with all the patients and the guards from kicking the crap out of each other brutally. Also I won't be with the group because I'll be sad. Also the group will meet a Hurricail Gene-Slammer named Olivia Echmeneff and she has a terrible revelation about Mr. Burns and it is far worse than anything that Joe Quimby did. The next chapter is gonna be in the world of the Animated Buzz Lightyear series and get ready for an out of this world adventure as we help Buzz Lightyear's animated counterpart with taking down the evil Robot Vampire No and Emperor Zurg is gonna help us in an unlikely alliance.

See you all tomorrow.

# Buzz Lightyear in the 523rd Millennium

Walking through an Old West Ghost Town that was long abandoned for years was Nico, Yumi and Eli.

Nico: Thanks for coming with me, Yumi.

Yumi: No problem Nico. This will be awesome to go with you on an amazing rescue.

Eli: It always is fun. But what really has me concerned is J.D. He hasn't gotten any sleep since we came back yesterday.

And he hasn't stopped crying.

Nico: Oh man. He really is distraught. The Shredder really hurt him emotionally when he killed 2012 Splinter.

Eli: Yeah.

Nico: Yumi, whenever you transform into a Hammerhead, how does it feel to have your eyes push out of your head?

Yumi: It feels really weird but it's amazing.

Nico: Wow.

They walked around the town and Nico was getting a bad feeling.

Nico: I've got a really bad feeling about this.

Eli: Me too. The strongest presence is coming from the saloon.

Yumi: Lets go.

They went into the saloon and looked around.

Eli: It's quiet. Too quiet.

Nico: Yumi, I hope you and Ulrich start a family together.

Yumi: I have a feeling we will soon.

Eli: Guys we're not alone in here.

Nico looked around and turned on his infrared vision.

Nico: Hmm.

Then he saw an unusual heat signal and it was a human but it had a temperature of 50˚Fahrenheit!? What the?!

Nico: 50˚Fahrenheit Temperature? Uh oh. That means only one thing. VAMPIRES!

Yumi: There are vampires here!?

Nico: Yep.

Eli fired a blast of Force Lightning at the vampire and knocked it down.

Nico: These vampires obviously do not know WHO THEY ARE FUCKING WITH!

Nico activated a sun grenade and the vampires came and then it exploded in a massive flash of ultraviolet light. THEY WERE TOAST!

Nico: Yumi, can you use your vampire powers in your shark form?

Yumi: I sure can.

Nico: Go for it!

Yumi turned into her Hammerhead Shark form and she had her eyes glow red and then she had all the Vampires came out. Including JAN VALEK!

Jan Valek, mainly known as Valek is a 600-year-old vampire who is the first of his kind as well as the first of their Masters, and he is the main antagonist of the 1998 horror film John Carpenter's Vampires, which is based on the 1990 dark fantasy novel novel Vampire$ by John Steakley.

He was portrayed by Thomas Ian Griffith, who also played Terry Silver in The Karate Kid Part III.

Biography

Jan Valek was born in Prague in 1311 A.D. He was a Catholic priest who turned against the Church and led the Bohemian peasants in an uprising. Valek was later captured, tried for heresy and burned at the stake. But after his death, there were reports that Valek was seen walking at night. It was said that he murdered the living to drink their blood. His grave was found to be empty when local and church authorities first opened it. This became the first known case of vampirism.

Because of his actions against the Church, it was decided during his trial that Valek had at some point become possessed by demons. He was taken to the small town of Berziers (or Béziers) in the province of Languedoc, France, and subjected to an ancient, forbidden, and brutal form of Catholic exorcism. However, something went horribly wrong. Although the accounts are confused, they refer to an "inverse exorcism," an exorcism in which dark powers are called upon to reclaim the possessed soul. In the ritual, Valek's body was destroyed but the possessed soul remained within him. This horrible mistake transformed Valek into a creature whose body is dead but continues to live on: a vampire.

Although the ritual made Valek more powerful than ever, it was never completed and thus left him with only one weakness: the inability to walk in the daylight. In the 600+ years since his transformation, Valek has searched for an ancient relic of the Church: the Black Cross of Béziers. It was the same cross used in Valek's exorcism, and upon finding it and completing the ritual, he will regain his ability to live in sunlight, becoming completely unstoppable as it will also do with many of his fellow vampires.

Nico: Jan Valek!

Jan Valek: Nicolas Chan.

Nico: Lets see you suck on this.

Nico threw holy water on him.

The Holy Water burned him all over.

Nico: It stings, doesn't it?!

Valek: You will pay for that!

He ran at Nico and then A Vampire bat swooped in and bit Valek on his neck and sucked him dry of all his blood and then the bat let go and Nico grabbed him and threw him outside and then the sunlight hit Valek and he bursted into flames and then exploded into fire and ashes!

Eli: That is how you kill a vampire.

Nico: Thanks to our little bat friend here.

Vampire Bat: (In a girl's voice) I'm more than a bat Nico.

Nico: Sylvia Exetor!? WHOA! You look awesome as a Vampire bat.

The Vampire bat reverted back and Sylvia was a girl in all black clothes and she had red eyes and vampire fangs.

Sylvia Exetor: But his blood was tasty.

Nico: Awesome to see you again Sylvia.

Sylvia Exetor: You too Nico.

Yumi reverted back and she had her black bra on and she was hurting.

Nico walked over to a now human Yumi and rubbed her back.

Yumi: Thanks Nico.

Nico: No problem.

Sylvia Exetor: She's a Hammerhead Gene-Slammer. That is amazing.

Nico: It sure is. Many more like you out there Sylvia.

Eli: Yep. Are you also a true vampire?

Sylvia Exetor: That's right. But I'm actually half vampire. My mother was attacked by a vampire while I was still inside her and I was born half Vampire like Blade. I am also a Daywalker Vampire too. I have immunities to sunlight, silver and garlic.

Yumi: Wow! That is amazing.

Sylvia Exetor: Yeah.

Yumi: What's your favorite memory of Nico?

Sylvia Exetor: I have a lot of them. But my favorite would be in Chess Club. We were playing chess and there was this nasty kid that was armed with a knife and he was about to hurt the Teacher and then Nico held him in place and I killed him by draining him dry of his blood and throwing his body into our school's furnace.

Nico: I remember that. Local gangster and the world is better without him.

Eli: Good riddance.

Sylvia Exetor: You said it.

Nico and Sylvia hugged.

Nico: I really missed you.

Sylvia Exetor: Me too Nico. I hope there's a blood bank at Gotham Royal York.

Nico: We have plenty of those.

Eli: We sure do.

Sylvia Exetor: Good. I could use some.

They went back home.

After Nico's rescue, Lincoln, Nico, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, Sima Shi, Sima Zhao, Sun Jian, Guo Jia, Zhang Bao, Guan Xing, Cao Cao, Liu Bei, Sun Quan, Sima Yi, Jiang Wei, Yukimura Sanada (Samurai Warriors), Keiji Maeda (Samurai Warriors), Kanetsugu Naoe (Samurai Warriors), Hanzo Hattori (Samurai Warriors), Musashi Miyamoto (Samurai Warriors), Heathcliff, Sonja (Heathcliff), Riff-Raff, Hector (Heathcliff), Wordsworth, Mungo, Cleo, Leroy, and Marceline are heading to the Saturn Insane Asylum, and not only is Lincoln going to rescue the twenty seven girls there, but they're also going to stop a brutal fight with all the patients and guards from kicking the crap out of each other brutally. But, I wouldn't be there with them because of the events of what happened yesterday.

As soon as Lincoln and his group arrived at the Saturn Insane Asylum, it was utter chaos as patients and inmates were in a brutal fight.

Lincoln: Whoa, we're in The Saturn Insane Asylum, and I know what we're going to do here, not only am I going to rescue the twenty seven girls there, but they're also going to stop a brutal fight with all the patients and guards from kicking the crap out of each other brutally.

Nico: That's right, big guy. Eli got the call from the warden there, and he said that the patients and guards are caught in a brutal fight. We've got to stop them and restrain the patients, and when we find the one who started this, that person's going into Solitary Confinement.

Eli: That's true, and J.D. couldn't join us in the rescue today.

Lincoln: It's because of the events of what happened yesterday, but

I have a plan to bring him out of his depressed mood, and it'll be later on today. But, I need everyone's help for this one.

Nico: You can count on us for this one, Lincoln.

Lincoln: Thanks, Nico. And thanks for joining us, Marceline.

Marceline the Vampire Queen: No problem, Lincoln, and from the looks of things, it looks like you're going to need a lot of help to get the patients restrained, and we also need to help the guards.

Lincoln and his group went through the Saturn Insane Asylum, and they had to restrain the patients with rainbow energy straitjackets and rainbow energy chains, and they saw the guards who were really knocked around and bleeding badly. Lincoln made a shower of healing rain, and healed the guards.

Guard: Thanks, Lincoln. Hey, where's J.D.?

Lincoln: He's been depressed after we got rid of 2012 Shredder yesterday, but we're going to bring him out of his sadness. Now, back to the topic at hand, what happened here?

Guard: It was awful, the patients started getting into a brutal fight with the guards, and they started kicking the crap out of each other. When we checked out the security cameras, we found out who it was that started the whole thing: it was Lila Rossi, the one we all know here.

They were shocked and enraged.

Nico: Lie-la was the one who did this?! That bitch is getting thrown into Solitary Confinement, where she'll suffer an even worse fate even more cruel than death!

Lincoln: We'll make sure she'll leave out of here in a pine box.

?: HELP!

Suddenly, Lincoln heard the sound of twenty seven girls calling for help. With his deep sapphire blue cyborg eyes and superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the twenty seven girls, but they've been cornered by TLPS Lila Rossi, and she's going to kill them.

Lincoln: Guys, I found the twenty seven girls, but they've been cornered by TLPS Lila Rossi, and she's going to kill them.

?: (Russian Accent) That miserable bitch! Let's rip her to shreds!

Suddenly, Lincoln saw the Hurricail Duel Monster appear before him and his group, and when Lincoln and Lori heard that Russian accent, they knew who it was.

Lincoln: That voice, I knew it was you, Olivia Echmeneff.

Lori: But, we'll have plenty of time to catch up later. Right now, we've got a miserable psychopathic bitch to stop.

Lincoln and his group rushed on over, and Lincoln fired a powerful barrage of rainbow energy balls and elemental forces, which hits TLPS Lila Rossi in the back, and that allowed the twenty seven girls to get away. When TLPS Lila Rossi saw them here, she was enraged.

TLPS Lila Rossi: How dare you pathetic losers show your faces to me?! Without J.D. here, none of you can do anything to me! I will get out of this prison and I will kill everyone on Earth and I will destroy everything that you all sought to protect!

Lincoln: Shut your trap, you miserable bitch! You're never leaving out of this prison ever, you're going straight into Solitary Confinement, where you'll stay there until the day you die a bitter and insane old lady!

Lincoln unholstered his improved massive Sword of Universal Hope and Elemental Bravery from his wider and muscular back and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, The TLPS Bad Guys Gang transformed into their Super Angel Infinity forms and unholster their massive swords, Sima Shi, Sima Zhao, Sun Jian, Guo Jia, Zhang Bao, Guan Xing, Cao

Then, Lincoln knocked her out with a really strong punch to her face, and he tied her up in a rainbow energy straitjacket with rainbow energy chains, and then, he threw her in an isolated cell in Solitary Confinement, where she was also chained to the wall with rainbow energy chains and Neutronium chains. They cheered as they holstered their weapons and power down.

Lincoln: That's it for that miserable bitch. (To Olivia Echmeneff) And it's good to see you again, Olivia.

Olivia Echmeneff: (Russian Accent) You too, Lincoln, it's been a long time.

Lincoln went up to Olivia Echmeneff, and they hugged, and Olivia Echmeneff was also very surprised at just how much taller and much more muscular Lincoln's gotten since she last saw him.

Lincoln: It sure has been a long time, I haven't seen you when you were fourteen, and as you can see, I really grew a lot since then.

Olivia Echmeneff: (Russian Accent) Whoa, you sure have really big and strong like a tree, Lincoln, you've really grown a lot from the eleven-year-old cute little boy into a 17-year-old 7'0" tall and very handsome and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, that's so awesome.

Nico: Whoa, Lincoln, you know her?

Lincoln: Indeed I do, Nico. This is Olivia Echmeneff, she moved to Michigan from Russia, and I knew her from Lori's high school, and she's in the same class as Luan.

Olivia Echmeneff: (Russian Accent) And I've got a terrible revelation about Mr. Burns, and it's far worse than anything that Joe Quimby did.

Nico: We'll have to hear about that later.

Lincoln: Right, let's get you back to normal. Boys, you know the drill?

Nico, Eli, and the rest of the boys cover our eyes as Lincoln snapped his fingers, and Olivia Echmeneff was reverting back to normal. Olivia Echmeneff is a beautiful 17-year-old girl with long flowing light blue hair, light blue eyes, fair skin, she's 6'5" in height, she had the body of a goddess, and she has massive light blue angel wings, as she reigned in the power of The Hurricail, and she's in her birthday suit.

Lincoln: How do you feel, Olivia?

Olivia Echmeneff: (Russian Accent) Good. (Realizes she's in her birthday suit) But, I'm also in my birthday suit.

Lincoln gave Olivia Echmeneff her new wardrobe, a short-sleeved blue blouse, short-sleeved light blue shirt, light blue frilly skirt, blue pants, blue sneakers, and a long light blue sleeveless trenchcoat with tornadoes on the coattails and on the back is The Hurricail, and on her back is a large Hurricail-themed sword with a 6'5" massive, wide, double-edged, man-sized light blue blade with The Hurricail etched on it, large light blue angel wings for the crossguard, large light blue gem for the hilt, longer black handle, and a large light blue gem surrounded by angel wings for the pommel.

Olivia Echmeneff: (Russian Accent) Wow, I love the new outfit you made for me, Lincoln.

Suddenly, a Thunderbird Necklace of Eternal Love appeared on Olivia Echmeneff's neck with light blue gems on the gold lightning bolts and light blue crystal links from her new Crystal Necklace of the Buddha, which merged with her Thunderbird Necklace of Eternal Love.

Olivia Echmeneff: (Russian Accent) (Surprised) Whoa, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love, which means you're now part of my harem and my many future wives, Olivia.

Olivia Echmeneff had a smile on her face and tears coming from her eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around her waist and he leaned down and he kissed her on the lips, and she returned it, and we cheered for them. Then, we went up to the twenty seven girls here, and when Lincoln saw them, they immediately recognized them. The twenty seven girls are Zoey and Rochelle from Left 4 Dead, Fuuka Reventon, Rinne Berlinetta, Corona Timil, Einhart Stratos, Gill Stora, Miura Rinaldi, Nove Nakajima, Rio Wesley, Takamachi Vivio, and Yumina Enclave from Vivid Strike, Eris, Futaba Aoi, Kinjou Manami, Chaica, Coone, Durel, Ichika, Itokazu Maki, Maya, Melwin, and Sara from Cat Planet Cuties, Akebi Komichi, Kizaki Erika, Kojou Tomono, and Usagihara Touko from Akebis Sailor Uniform.

Lincoln: Oh wow, it's Zoey, Rochelle, Fuuka Reventon, Rinne Berlinetta, Corona Timil, Einhart Stratos, Gill Stora, Miura Rinaldi, Nove Nakajima, Rio Wesley, Takamachi Vivio, Yumina Enclave, Eris, Futaba Aoi, Kinjou Manami, Chaica, Coone, Durel, Ichika, Itokazu Maki, Maya, Melwin, Sara, Akebi Komichi, Kizaki Erika, Kojou Tomono, and Usagihara Touko.

Nico: From Left 4 Dead, Vivid Strike, Cat Planet Cuties, and Akebis

Sailor Uniform, awesome.

Lincoln: Are you girls okay?

Fuuka Reventon: Yeah, we're okay, thanks to you for saving us from that psychopathic bitch.

Then, when Fuuka Reventon and the other twenty six girls saw who it was that saved them from TLPS Lila Rossi, their faces turned atomic red upon seeing the 17-year-old 7'0" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide right pec and it was surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top was the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, and Buffalo, and below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and a Mark of Manhood tattoo of a bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that

Eris (Cat Planet Cuties): Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made twenty six clones of himself, and he and the twenty six clones went up to the girls, and hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrap their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Eris (Cat Planet Cuties): (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, twenty seven Thunderbird Necklaces of Eternal Love appeared on the necks of Zoey, Rochelle, Fuuka Reventon, Rinne Berlinetta, Corona Timil, Einhart Stratos, Gill Stora, Miura Rinaldi, Nove Nakajima, Rio Wesley, Takamachi Vivio, Yumina Enclave, Eris, Futaba Aoi, Kinjou Manami, Chaica, Coone, Durel, Ichika, Itokazu Maki, Maya, Melwin, Sara, Akebi Komichi, Kizaki Erika, Kojou Tomono, and Usagihara Touko with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha. Lincoln and his group returned to the Estate, and he told everyone what'd happened in stopping the fight in the Saturn Insane Asylum, and they were shocked when they found out the villain we went after was TLPS Lila Rossi, who orchestrated this whole riot, so she could break out and get revenge and destroy everything.

But, when Lincoln showed what he and his group did to her, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Olivia Echmeneff now have a lot of catching up to do, now that she's back home. And Lincoln's already got his plan in place to get me out of my sadness.

After stopping the brutal riot inside the Saturn Insane Asylum and throwing TLPS Lila Rossi in Solitary Confinement, we were training intensely in the gym, this time, doing 150,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Olivia Echmeneff saw Lincoln working out like crazy, she had an atomic red blush on her face.

Olivia Echmeneff: (Russian Accent) Whoa, Lincoln's really grown to be a 17-year-old 7'0" tall, really big, and really strong man, just look at those abnormally massive and powerful muscles hard at work, and to work out with those 9,500-lb barbells and not even get tired, incredible.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Olivia, and now, I can also defend myself.

Olivia Echmeneff: (Russian Accent) That's incredible.

Nico: It sure is, Olivia.

Then, I came outside, but they saw that I had pale skin and the sclera of my eyes were red from the crying that I did yesterday.

Lincoln: J.D.

The rest of the team stopped for a bit, and they ran up to me and hugged me. I returned it, and they saw I still had tears in my eyes.

Nico: J.D., are you alright?

Me: (Sadly) No, I'm not, Nico. After what happened, even after I killed 2012 Shredder, I still fell such sadness. It hurts, it hurts so bad.

Lincoln and the others kept on hugging me, as soon as they saw fresh tears coming from my eyes, and I cried heavily again.

Nico: Whoa.

Lincoln: Oh man, this is ten times worse than all of those times that many of us had fallen under this kind of depression. (To me) But, you have to remember this, J.D. You have done many great things throughout your life, and when you moved to Michigan and met me and my family, you helped us out greatly and you made our bonds stronger. You, along with me and my family, Riley's family, and The Weathers founded Team Loud Phoenix Storm, and over the years, we've gotten stronger and stronger throughout our adventures, and we went through both good times and bad times, but we've emerged from those times stronger than ever.

Lori: He's right, you helped me, Lynn, and Lola in improving our bonds with Lincoln, and got rid of our murderous Dark Sides, and now, we're better sisters to Lincoln.

Lynn: You also helped us out in so many ways that we couldn't keep track of.

Nico: And most important of all, you also helped me when I went through depression during the 20 Days of Darkness, and you got rid of MaloMyotismon for good.

Lincoln: And we know that you'd never sacrifice anyone, that's the true mark of a hero. So, please, J.D., allow us to help you in the very same way that you've helped us in the past six years since you moved to Michigan.

This suddenly hit me deep in my heart, and the comforting and warm words of Lincoln and everyone here suddenly rang true, as I let out a gasp of realization.

Me: Guys… , you, you're right. I have done all those great things, and I've done so much for everyone here. I… I.

Everyone still hugged me, and that kind of warmth caused me to really let out a fountain of tears, as I cried really heavily, but everyone still hugged me and it lasted for hours.

Lincoln: (Soothing Voice) It's okay, J.D., let it out.

Lori: Yeah, we're still here for you, and that's never going to change ever.

Then, hours later, I finally stopped crying, and I finally had a smile back on my face.

Lincoln: How do you feel, J.D.?

Me: I feel so much better, Lincoln, thanks for that.

Lincoln: You're welcome.

We then head back for the gym, and we resumed our workouts. Lincoln also proceeded to tell me of what happened during his rescue, and I was shocked when I found out the patients and guards at the Saturn Insane Asylum were in a brutal fight kicking the crap out of each other, but I was glad Lincoln and his group stopped them. But, I was really horrified when I found out our Lila Rossi caused this whole mess, so she can break out and kill everyone and destroy everything. But, when Lincoln showed me what he and his group did to her, I was really proud of what they did to her, and he threw her in Solitary Confinement, where she'll remain forever isolated for the rest of her life, and where she'll leave out of there in a pine box when she dies of old age.

Nico: So, what's this terrible revelation about Mr. Burns that you have for us, Olivia?

Me: A terrible revelation?

Lincoln: Yeah, and she said it's worse than anything that Joe Quimby did, J.D.

Olivia Echmeneff: (Russian Accent) None of you are going to like this one bit. I was asked by the FBI to find out what Mr. Burns was up to, and I naturally agreed to the task, because I hated that bitter old vulture. I infiltrated Springfield, and I went into his office, and what I found was quite shocking: I found out that Mr. Burns was planning on destroying the world with a nuclear bomb, so that way, he can get rid of anyone who'd report the corruption of Springfield to the President of The United States. I wasn't going to let that hate-filled traitor get away with it, so I called the FBI in, and they seized the nuclear bomb and permanently disabled it. When Mr. Burns and Smithers saw the FBI here, they tried to bribe them, but the FBI were armed with an arrest warrant for Burns and Smithers, and they were going to take them into custody. But, Mr. Burns and Smithers got away, and they went into hiding until the heat died down.

We gasped in pure shock.

Nico: Oh my God.

Me: I knew that old buzzard was nothing but trouble from the get-go, and we've also proved that he's nothing but a traitor who's lived for far too long. Olivia, you did an awesome job in stopping that old vulture's plan.

Olivia Echmeneff: (Russian Accent) Thank you, J.D., and I'm glad Lincoln and everyone here cheered you up.

Me: I am too, and I suspected Lincoln had a plan for that, and he included everyone in this.

Lincoln: You bet.

Lily Loud: And of course, he also had to reprimand a few people.

Nico: (Winces) It's best that none of us explain it to you, J.D. It's worse than all the other reprimands that the Mane 12 and the others have given.

Me: (Shudders) Good point.

Poromon: It was horrible, now, we also have a new rule: never piss off Lincoln Loud.

Rita Loud: He got that sort of thing from me, you know how I get when someone tries to mess with my family, right?

Me: How can we ever forget that? I still remembered the beatdown you gave Principal Huggins years ago, along with the beatdown you and Ms. Chi-Chi gave Mr. Shu when he brutally beat Lynn.

Lincoln: And now that you're all better and we've finished our workouts, I've got a surprise: we're going to meet Jessica Shannon's family.

Me: Really?

Lincoln: Yeah, I made her a promise that we'd one day meet her family.

Nico: And they're wanting to meet their future son-in-law, and as always, we'll be there for you.

Lincoln: Thanks, Nico.

Me: But, first, we'd better get a shower. (To Lana) And Lana, don't think you're getting out of not taking a bath.

Lana: Dang it.

We then got a shower afterwards, and then, we were getting ready to meet Jessica Shannon's parents, and they're going to want to meet Lincoln, their future son-in-law.

Jessica Shannon: Oh man, this is going to be so awesome seeing Mom and Dad again, and they're going to love meeting you, Lincoln.

Lincoln: Same here, Jessica.

Me: Plus, things have been very peaceful here, now that we sent those Celebrity Five douchebags to prison for life.

Nico: You said it.

We then arrived at the home of Jessica Shannon, and it was an awesome-looking mansion.

Lincoln: Wow, so this is your family's mansion?

Me: It's so awesome.

Jessica Shannon: That's right. Now, let me ring the doorbell, and that'll get my parents out.

Jessica Shannon rang the doorbell, and then, the door opened, and standing at the door were her two parents. When they saw her, they were surprised to see not only their daughter, but also, all of us.

Mr. Shannon: Jessica, is that you?

Jessica Shannon: Yes, Mom and Dad, it's me.

They ran up to their daughter, and they hugged her.

Jessica Shannon: It's so good to see you both again, and I've also got someone that I want you both to meet.

Lincoln then went up to Mr. and Mrs. Shannon, and they already knew who he is. Plus, they were also surprised to see the 17-year-old 7'0", handsome, white-haired, and extremely muscular man.

Mrs. Shannon: Why, you must be Lincoln Loud.

Lincoln: Yes, that's correct, Mrs. Shannon.

Mr. Shannon: Whoa, you sure are one big and strong man.

Me: (Laughs) He's got to be, not only because he's a hero, but also, he has to defend himself and his family and future wives.

Lincoln: And that's also why I also wanted to talk to you both about.

Lincoln then explained to Jessica's parents that he rescued Jessica Shannon from a bunch of bullies, and since he's part of the ordinance as me and Clyde, he also has a harem, and Jessica Shannon is a part of his harem, as pointed out by her Thunderbird Necklace of Eternal Love which had merged with her Crystal Necklace of the Buddha, and he loves her and his future wives with all his heart, and he'd promised to take good care of them. This impressed Mr. and Mrs. Shannon, and they also offered their congratulations to Jessica Shannon and Lincoln, and we were really impressed.

Me: Wow, alright, big guy, you really made a good impression towards Mr. and Mrs. Shannon.

Lincoln: I've also done the same with the other relatives of my future wives, J.D. Making a good impression towards my future wives' relatives is important.

Me: Big time.

Mrs. Shannon: And we also know that Nico's now the new leader of Team Loud Phoenix Storm, and he worked hard for that, J.D. You must be so proud of him.

Me: We all are, he earned it fair and square.

Mr. Shannon: And that nightmare demon, did you guys get rid of it?

Lincoln: One of J.D.'s kids, Brittney Knudson, did get rid of it, and sent the nightmare demon back to the Underworld. Those creatures tend to slip out of The Underworld and cause trouble for us in the Dream World, and they're only one step closer to becoming part of The Dream World's Top 10 Most Wanted.

Mrs. Shannon: That's good. (To me) And are you doing okay, J.D., dear?

Me: I'm okay now, Mrs. Shannon. Lincoln and the others really cheered me up after what happened yesterday, and I'm back and out of my depressed mood.

Mr. Shannon: That's good, and we're also glad you guys put The Celebrity Five behind bars for good.

Chris Taylor: We sure are, Mr. Shannon.

Akira Akatsuki: They've caused us enough trouble for the last time, so they deserve to go to prison for the rest of their lives.

Mr. Shannon: So, when are you two getting married?

Lincoln: That won't be for a long while, Mr. Shannon. I'm only 17 years old.

Nico: True, but you're one year from turning 18, Lincoln, that means, you'll be a full-fledged adult.

Eli: And when he does propose to his future wives, Lincoln's going to invite his future in-laws to join the wedding.

Mrs. Shannon: I think you're going to need a really massive church for that kind of wedding.

Me: I was just about to say the same thing for myself when I pop the question.

Lincoln: But, it'll be a future wedding to remember. It's been a pleasure meeting you both.

Mr. Shannon: You too, Lincoln. (To Jessica Shannon) And it's so good to see you again, sweetie.

Jessica Shannon: You too, Dad.

Jessica Shannon hugged her parents, and Lincoln also joined in, the same went with the rest of us, and we returned home to the World Tree Estate.

Lincoln: That was an awesome meeting with Jessica's parents.

Me: You said it, and they've really helped Jessica and her friends out greatly.

Nico: You said it, J.D.

But deep down I was still sad.

---

Later it was time for Pinkie Pie's second Ambassador Mission. But I was not feeling up to going because of me still feeling guilty about killing the 2012 Shredder in an act of vengeance. I was sitting on the sofa holding my legs and crying still.

Everyone couldn't help but feel sad for me.

Varie: I've never seen J.D. this broken.

Laney: Yeah poor guy.

Nico: Pinkie, it's best to go without J.D. for this one. We need to give him space for now.

Pinkie Pie: Okay. He really is this broken huh?

Nico: Yeah. He really is hurting.

Celica: If we don't cheer him up soon I don't want to know what he will do.

Nico: Me neither. May you watch J.D. okay.

May: Will do.

Lincoln: I don't understand it. I thought for sure he would have been happy after we exercised.

Nico: Yeah. Lets get moving.

Pinkie, Nico and Eli went to Dirt.

In Dirt, Nevada, Nico, Pinkie, Eli and Lincoln arrived.

Nico: Wow! So this is Dirt, Nevada. Nice place.

Eli: It sure is.

Lincoln: Awesome place.

Rango then came.

Rango: Howdy Pinkie.

Pinkie Pie: Howdy. Rango, meet a few more of my friends!

Nico: Awesome to meet you Rango. Nicolas Chan, Leader of Team Loud Phoenix Storm.

Eli: Eli Winston Bullock. Awesome to meet you.

Lincoln: And I'm Lincoln Loud. Pleasure to meet you.

Rango: Pleasure to meet you too. Where's J.D.?

Nico sighed.

Nico: He's feeling down in the dumps today.

Lincoln: We got back from a mission yesterday and J.D. avenged a sensei that loved his sons more than anything who was killed by an evil monster. J.D. swore to kill that monster a month and a half ago and he did so.

Nico: Yeah. He feels bad too.

Rango: Don't you guys worry about J.D. Sure, he's gonna be upset for a while. But he won't break. He'll still be the heroic guy I've known ever since I met him a few days ago.

Nico: I hope you're right. The last thing I want is for J.D. to be ruling Earth with an iron fist when we get back.

Lincoln: J.D. would never go that far.

Eli: Yeah he learned never to do that.

A desert iguana girl came.

Rango: Pinkie, this is my girlfriend Beans.

Beans: Howdy there.

Pinkie Pie: Pleasure to meet you Beans.

Nico: Pleasure to meet you Beans.

Lincoln: Same here.

Beans: It's an honor to meet you Nico and you too Lincoln and Eli.

Eli: Same to you.

Beans: Sorry about J.D. That must be hard for him to go through that.

Nico: Yeah I'm worried about him.

Eli: The team is doing their best to cheer him up but so far our efforts have been fruitless.

Beans: Oh boy. Poor guy.

Nico: Yeah. He is REALLY feeling guilty about what happened on our last mission.

Pinkie Pie: We tried many things to get him cheered up. Not even the Three Stooges could do it.

Eli: Yeah if they can't get J.D. better we don't know what will.

Rango: Well he will get better.

Nico: Yeah.

Rango: Be honest. Do you really think Tortoise John's gonna make a comeback?

Nico: I have that strong feeling there.

Eli: Me too. And we'll turn that tortoise into turtle soup by the time we're done with him.

Pinkie Pie: Like the 1987 Shredder said: WE'LL DINE ON TURTLE SOUP!

They laughed at that one.

Nico: That was a good one.

Then 3 outlaws were stealing water!

Beans: One day without outlaws trying to steal water. Is that too much to ask?!

Eli: I got this!

Eli used The Force and pulled the outlaws to them and they were floating over to them.

Eli: You guys are in big trouble.

Nico: And you have failed this town.

Rango: Lets get these 3 to the pokey.

Nico tied them up and Pinkie Pie gagged them.

Nico: Rango, I know that before, you were still struggling to be the Sheriff this town needs. But now, I can safely say that you're truly a good sheriff.

Rango: Why thank you kindly for that.

Nico: Yep you turned this one-horse town into a truly safe place and with us coming on May 6th, we'll make it more safer.

Pinkie Pie: Yes we will.

Lincoln: It sure will be fun to come here.

They came back.

May: How did it go?

Nico: Awesome catch in Outlaws. Rango is awesome too. (Sees me moping) How is he doing?

May: Not good. J.D. is really upset.

Nico: Oh man.

Pinkie Pie: Yeah.

May: INSTIGATOR should go with you next time.

Pinkie Pie: Good idea! I like that.

Nico: I think I know what would cheer J.D. up. A trip to the mall.

Leni: The mall!? Let me check my schedule! (Grabs Lori's phone) Delete delete delete delete! (Realizes something) Oh sorry Lori this is your phone.

Lori: Uch! (Takes the phone back)

Hondo: Thank you for not throwing us in prison.

Maria: You're welcome. But we should be the ones thanking you two for not double crossing us.

Torchwick: Just hope you guys learned a good lesson from this.

Shocker: We sure did. To defeat a bigger enemy, keep your friends close. But your enemies closer.

Nico: Good saying. I have a feeling things are gonna be amazing. But lets get moving to the mall. J.D. are you coming to the mall with us?

Me: (Sighs) Yeah sure whatever.

Tessa just grabbed something from my hand.

Tessa: J.D., have you been taking pills?!

Me: Huh? Pills? What pills?

I looked in my hand and saw that I had some kind of pill.

Me: What kind of pills are these?

Nico: Hmm. (Looks at the pills) (GASP) These are sadness pills! They make you sad over the stupidest things!

Me: What!? I would never take pills like those! Someone is trying to poison me!

Blast Off: Oh no. Don't you even try to pin the blame on other people for this, J.D.!

William: Blast Off's right. I get that Shredder needed to die. But you were the one making yourself sad.

Nico: J.D., please. I'm saying this to you as a friend. For once, take responsibility for your own actions.

Me: I swear! I did not take these pills! I accept full responsibility for my actions! But I swear that I DID NOT take these pills!

Eli: J.D. is telling the truth! He was fine when he woke up earlier this morning but for some unexplained reason he got sad after he had breakfast.

Nico: Weird.

Fireflight: Oh really. Then explain why you were crying right after Shredder got killed. Hmm?

Maria: Besides, I know that Nico's leader now. But none of us would ever try to do anything to you!

Me: I know but it's just that after I powered down I felt a really sharp pain in my butt and I ignored it. Wait a second.

I reached into my pants and then I pulled out a dart!

Nico: A tranquilizer dart!

Me: Hmm.

I did an analysis of the medicine in the dart and it was Nuedexta.

Nico: Nuedexta? That's a Pseudobulbar Effect drug.

Eli: What is Pseudobulbar effect?

Lisa Loud: That is a medical condition in which the afflicted individual suffers from emotional imbalance.

Nico: Whoa!

Maria: Like I said, none of us have a reason to do that to you!

William: Maria's right. Even though you chose to let that dart do it's job and give into sadness, none of us would ever try to poison you. At all!

Nico: And don't even blame Shredder for this. He could not have done this while he was fighting us. And Stockman was fighting Sydney and the Anti Registration Heroes the whole time.

Eli: Nico! J.D. did not put that dart on him like that. The Force is telling me that someone fired it from the shadows. And I think he's right here in the estate and it's not us.

Eli scanned the place and then saw a figure behind the clock!

Eli: THERE!

Eli jumped the figure and we heard a voice!

?: HEY LET ME GO KID!

Tai Kamiya: I haven't heard that voice in a while!

Eli: It's a Bat Digimon!

We saw that it was DEMIDEVIMON!

Nico: Demidevimon!? What the hell are you doing here!?

Me: Aren't you Myotismon's right hand Digimon!?

Demidevimon: I WAS UNTIL HE ATE ME! I poisoned J.D. with that medicine to make him cry!

Nico: So that sadness was induced!

Eli: You sneaky little creature of the night!

Me: Yeah! Nico you aren't gonna beat him up are you? He's just a little guy.

Nico: (takes a deep breath) No. I'm not J.D. I'm not gonna mercilessly beat him up all because you tried to make him sad. Instead, I'm gonna make you a deal.

Demidevimon: What is it?

Nico: Would you like to join the Masters of Evil?

Me: Uh Myotismon is in the Masters of Evil and from what I was told, VenomMyotismon double-crossed him and ate him. Destroying him.

Nico: You're right on that. But he can't keep a grudge on him.

Demidevimon: Yeah you're right. Okay I'll join the M.O.E.

Me: Only if you give me the cure.

Demidevimon: Okay.

He gave me an elixir and I drank it and I was cured.

Me: Much better.

Maria: Now, let's go to the mall!

Me: YEAH! Lets go! (Stomach Growls) Man I am starving.

Nico: I had a feeling you would be hungry.

Eli: Lets go get some grub.

We were off to the mall.

We got to the mall and We got to having Lunch. We were having Pizza and our favorite meals.

Nico: (Eating Pizza) Mmm! Good pizza.

Me: You said it. I was hungry.

Then Stratos, Mysterio, Machinedramon, Stonedozer, Iceage, DC Enchantress, Mummy, Kerbero Gangan, Melter and Marionette Shadow appeared.

Stratos: Can me, Mysterio, Machinedramon, Stonedozer, Iceage, DC Enchantress, Mummy, Kerbero Gangan, Melter and Marionette Shadow go with you guys?

Nico: You all sure can. And I have an awesome mission for us all.

Iceage: I have a feeling this will be awesome.

Nico: Oh it will. We're going to the world of Buzz Lightyear the Animated Series and we're going to take down one of his enemies.

Eli: Awesome!

Buzz Lightyear: Wow! An animated version of me. This will be fun to see.

Nico: Yep.

Sunny Flare: Nico, which Gene Slammer do you think you'll meet on your next rescue?

Nico: I'm gonna meet a Slamworm Gene-Slammer next.

Ben: The natural predators of the Talpaedons next. Good choice.

Shanan: That will be interesting to see in that one.

Me: So it'll be one of the Earth Users, Gaara, Karura or Sandman next.

Nico: Yep.

Iceman: Wow you're all better J.D.

Me: Yep. Found out that is was a dart from Demidevimon.

Stonedozer: Myotismon's right hand Digimon? Whoa! Didn't see that coming.

Me: None of us did.

Nico: Yeah. Lets get moving.

Me: Alright, now that I'm better, we're ready for our next mission.

Nico: You said it, J.D. Alright, everyone, let's get going.

Suddenly, Lincoln's deep sapphire blue eyes glowed even more, as he sensed a dark signal moving fast, and he saw a vision of who the dark energy signal belonged to, it was The Beast, the demonic enforcer of the former Powers That Be, Jasmine, and he's heading for us, mainly towards Angel. When we saw that, it definitely meant trouble.

Me: Uh oh, I know those glowing eyes from anywhere. Lincoln, does this mean the last douchebag from Buffy's past is heading for us?

Lincoln: You guessed it, J.D., it's The Beast.

Angel (Angel): The demonic enforcer of that God Wannabe, Jasmine. I should've known he'd show up now, he still wants to kill me because I killed him, but this was back when Angelus took over.

Lincoln: But, now we have the chance to kill him, and find out who brought him, The Master, Dracula, and Warren Mears back from the dead, and separated Angelus from you with the use of The Dark Orb.

Gina Boyd: That's right.

Nico: And this'll mean that when we find the guilty person who did this, there's only one fate that will await them.

Lincoln: Yeah, The Black Gates. Alright, Nico, shall we?

Nico: Oh yeah, let's get going.

We headed off, but later on after our mission, Gina Boyd and Lincoln are going to face The Beast, the last of the five douchebags who returned from the dead to seek revenge on Buffy Summers and Angel, and they'll also find out who it was that brought them back to the dead.

We were off.

We arrived in the world of Buzz Lightyear of Star Command.

We arrived at Star Command Headquarters and it was a really advanced place that was something out of the distant future.

DC Enchantress: Is this the place?

Nico: Yep. Star Command. Headquarters of Buzz Lightyear and his team

Me: Wow! It's amazing.

Eli: So advanced and amazing.

Laney: It sure is cool.

Lana: Buzz this is amazing.

Buzz Lightyear: It sure is.

We went into Star Command and we saw Buzz Lightyear.

Thunderblast: Hi. Are you Buzz Lightyear?

Animated Buzz Lightyear: That is right! (Sees us) Team Loud Phoenix Storm! It's truly an honor.

Nico: Pleasure is ours.

Animated Buzz Lightyear: It's an honor to have you all here at Gamma Quadrant in Sector 4 and as you can see I am a member of the elite Universe Protection Unit. I protect the Galaxy from the Evil Emperor Zurg, sworn enemy of the Galactic Alliance!

Nico: Emperor Zurg is one nasty piece of work.

Eli: Yeah no kidding.

Me: Yeah.

Buzz Lightyear saw his animated self.

Mira Nova: Aww! Look, Buzz! It's a toy version of you!

Melter: (to Toy Buzz) Don't try and protest this. You knew they would have this reaction.

Animated Buzz: This is amazing!

Me: Yeah cool story on that one.

Nico: I agree there. Wow Toy version and Animated version. How cool is that.

Laney: It sure is.

Tornado Man: So, these are your teammates, huh?

Princess Mira Nova: That's right Princess Mira Nova.

Booster Sinclair Munchapper: Booster Sinclair Munchapper and it's an honor.

XR: And I'm XR and it's an honor.

Nico: Same here. Pleasure to meet you all.

Lana: Same here. This is awesome.

Buzz Lightyear's Superior Officer Commander Nebula came.

Commander Nebula: (salutes) Team Loud Loud Phoenix Storm. It's an honor to meet you all.

Nico: (salutes back) The honor's all ours, sir.

Me: Honor to meet you too Commander Nebula.

Mummy: I heard Zurg's been giving you guys some trouble.

Commander Nebula: He normally does. But right now, he's the least of our problems.

William: What can be possibly worse then Zurg?

Commander Nebula: I'm afraid it's NOS-4-A2.

We gasped!

Me: Wasn't he that Evil Robotic energy vampire that is always causing you as much grief as Zurg is?

Commander Nebula: Yes that is correct.

He told us about his history.

---

NOS-4-A2 is a major antagonist of the Disney cartoon series Buzz Lightyear of Star Command.

He was a robotic energy vampire created by Emperor Zurg as a way to defeat his nemesis Buzz Lightyear. He is also the archenemy of the Space Ranger robot XR.

He was voiced by Craig Ferguson, who also played Confidence in Red Dwarf, Samuel T. Philander in The Legend of Tarzan and the Henchperson of Indeterminate Gender in the film adaptation of A Series Of Unfortunate Events.

a cargo ship by Team Lightyear and brought over to Star Command, as part of Zurg's plan to take down Star Command. There, NOS-4-A2 emerged and attempted to take over Star Command, but XR manages to drain the vampire's energy, allowing Star Command to take Nos-4-A2 into custody.

In the episode "Wirewolf", NOS-4-A2 cross path with Space Ranger Ty Parsec and bites him, turning Ty into Wirewolf. He expresses distaste at drinking blood, before fleeing from the pursuing rangers. He is later seen taking pieces of the destroyed green moon and leaving the area.

In "Dirty Work", NOS-4-A2 invades a diner that is the home of a state-of-the-art liquid metal cooking system and takes control of the system with his bite, trying to kill the diner owners in the process and using the diner as a robotic flytrap to lure in unsuspecting ships so NOS-4-A2 can drain the ships of power and kill the passengers. Our heroes confront NOS-4-A2 as he tries to drive the diner straight into Star Command and spread his liquid metal taint, and they manage to drive him off.

In "The Slayer", He terrorizes the robot population of Tradeworld. He stalks robots in dark alleys and preys upon them. NOS-4-A2 kills the adoptive robot parents of Savy among several other robots and plans on getting revenge on XR for foiling his plot, though this too failed as well.

In "Revenge of the Monsters", he recruited XL on his new plot to take over the universe by turning everyone into Wirewolves. To that end, NOS-4-A2 betrays Zurg by usurping control of Planet Z and turning all of Zurg's army of Hornets into Vampire Hornets. He then kidnaps Wirewolf as a means to use him to turn everyone in the galaxy into Wirewolves for himself to feast on, using Ty to power a weapon which drained him of his energy in a painful process. When XL realized he would also be consumed, he defected and helped Buzz and XR. He was defeated when Buzz Lightyear managed to destroy the device holding the Wirewolf, badly injuring NOS-4-A2 in the process. As he made one, last spiteful attempt to kill Buzz, the Wirewolf turned against him both because of the mistreatment and Ty's friendship with Buzz, where he was impaled and exploded, screaming.

---

When he was done we were shocked!

Me: Whoa man! He is one nasty machine.

Eli: No kidding! That is terrible!

Spoiled Rich: A robotic vampire?!

Animated Bumblebee: Remind me never to dress up as a normal one ever again.

Nico: Noted.

Shade Man: (Transylvanian Accent) At least he's not like me and I'm a robotic vampire.

Me: That's true. But it's hard to imagine that Zurg would make a robot like that.

Eli: Yeah.

Commander Nebula: Luckily, the LGMs are currently working on an energy field that will protect any machines in here from falling prey to Nos 4 A 2's powers.

Kerbero Gangan: Smart thinking. The last thing we need are the robots on our sides like our Cybertronian Friends to be affected.

Nico: That's true.

Eli: Wait I sense a force coming.

An energy portal opened and out came none other than EMPEROR ZURG HIMSELF!

---

Evil Emperor Zurg, or better known as Emperor Zurg or simply known as Zurg, is a recurring antagonist in the Toy Story franchise, being the main antagonist within the in-universe Buzz Lightyear toyline. He is Buzz Lightyear's archenemy and Utility Belt Buzz's "father".

In the main films, Zurg is the secondary antagonist of Toy Story 2 and returns as a cameo character in Toy Story 3. He will be appearing in some capacity in Lightyear. He is also the main antagonist of the series Buzz Lightyear of Star Command and its 2000 film Buzz Lightyear of Star Command: The Adventure Begins.

In Toy Story 2 and Disney's Extreme Skate Adventure, he was voiced by Andrew Stanton, who also played Hopper in the A Bug's Life video game and the short film It's Tough to be a Bug. In the Buzz Lightyear of Star Command media, he was voiced by Wayne Knight, who also played The Penguin in Harley Quinn, Al McWhiggin in Toy Story 2, Krudsky in Scooby-Doo! and The Goblin King, Dennis Nedry in Jurassic Park, and Newman in Seinfeld. In the Disney Park attraction Buzz Lightyear's Space Ranger Spin, he was voiced by Frank Welker, who was best known for voicing several incarnations of Megatron in the Transformers franchise and Doctor Claw in the 1983-1986 Inspector Gadget cartoon. In Lightyear, he will be voiced by James Brolin.

In the series, which is presumably where the Buzz Lightyear character originates in-universe, Zurg is the main antagonist, and rules an empire on Planet Z, and wants to rule the entire galaxy while destroying Star Command. Emperor Zurg considers Buzz his archenemy and often takes any opportunity to eliminate him. Most of his subjects are robots. His feet double as rockets and he can transform his arms into a variety of weapons.

His most personal ally is Warp Darkmatter, who was a Space

Ranger and Buzz's partner until his betrayal. Despite often breaking the seriousness of otherwise purely evil statements, Zurg is widely considered the most evil person in the galaxy, especially by the other villains. In the series, Zurg is a flamboyant villain who is just as much a comic relief character and has many comedic habits, though he remains as a competent, formidable and influential opponent similar to his role in Toy Story 2.

The episode "War, and Peace and War" was notably the only episode where Zurg was forced to team up with Buzz Lightyear to defeat the Heed (led by Guzelian), a common enemy that was trying to take over their galaxy by tricking all planets to dismantle their defense system for peace.

In Stranger Invasion, he revealed himself to be Buzz's father (a parody upon The Empire Strikes Back and a nearly identical scene in Toy Story 2), but quickly took it back, using the statement as a "Made You Look" to stun Buzz and gain the upper hand.

Me and Rex: IT'S ZURG!

Buzz Lightyear: ZURG!

Animated Buzz: ZURG!

We were shocked to see Zurg, Gravitina, and Warp Darkmatter in front of us.

Zurg: Hello, Team Loud Phoenix Storm. Sorry if we're interrupting something. But we need to talk.

We pulled out our laser guns and had laser scopes pointed right at him!

Me: You don't know how long I've always wanted to point my blaster at you Zurg.

Lori: I don't think we literally want to listen to what you have to say!

Gravitina: We need your help, you ugly girls! Honestly, did you all lose the entirety of your brain cells when you encountered the Joker for the first time?

Lola: DID YOU JUST CALL US…

Lynn: UGLY?!

Me: UH OH!

Lori, Lynn, and Lola charged at Gravitina but she used her gravity powers to make the Trinity of Violence float helplessly in the air.

Warp Darkmatter: Look, Team Loud Phoenix Storm. None of us are here to fight. Just listen to what Emperor Zurg has to say.

Marionette Shadow: Give us one reason why we should!

Me: Yeah!

Nico: How do we know this isn't a trick!?

Zurg: Because like Gravitina said, we need your help. Your dogs tried to attack one of my minions. That makes you the aggressors.

Nico: (sighs) Good point. (to the Trinity of Violence) Girls, stand down please.

They sighed and did so. Gravitina then stopped using her powers as the three Loud Sisters fell to the ground.

Nico: Now, what's this about?

Zurg: Clearly, you all know that NOS 4 A 2's out there.

Maria: I figured you three would be helping him.

Warp Darkmatter: Wrong, sweet cheeks. The asshole's targeting us too.

William: Why's that?

XR: I think it's because NO tried to overthrow Zurg before.

Me: Really?

Eli: He's telling the Truth. The Force is telling me that he is telling the truth.

Me: Oh man.

Molly Hale: Where's NOS-4-A2 right now?

Zurg: He attacked us on the way here. I sent Torque to keep him occupied. But I know he won't last. Eventually, he'll make him talk.

Mira Nova: You sent Torque to die?!

Me: ARE YOU CRAZY!?

Zurg: That's what a team is for, right?

Me: Maybe from your twisted point of view, but not ours. A real team watches each others' backs no matter what, and a real leader doesn't sacrifice his teammates needlessly whenever he feels like it suits him as if they were disposable.

Zurg: Oh, don't act all high and mighty with me, Knudson. If I remember correctly, back in 2019, you were the one who left McGee and Spicer to fend for themselves agaisnt Anti-Cosmo.

Nico: HEY! Arguing about the past doesn't matter. What does matter is stopping NOS-4-A2. That means putting our differences aside and working together.

Zurg: Do I have your word that you all won't try to double cross me.

Nico: I Pinkie Promise.

Pinkie Pie: Cross my heart, hope to fly, stick a cupcake in my eye!

Zurg: First of all, we don't have time for your silly girls promises. And second, (looks to Buzz) I was talking to him.

Animated Buzz: (sighs) Zurg, you and I might be on opposite sides. But right now, the last thing we need is to be at each other's throats.

But after this, we're back to being enemies.

Buzz Lightyear: No promises but we have an agreement.

They shook hands.

Nico: Machinedramon, take some of the others to get Torque out of there and to here. The rest of us will prepare for when NOS-4-A2 comes.

Machinedramon: Right!

He left.

Animated Buzz: (to Warp): Just like old times, huh, Warp?

Warp: Got that right. Shame it's gonna be business as usual when this is all over.

May: Let's just hope we live long enough to see that happen.

Me: Oh Buzz, what year does all this take place in? I've always wanted to know about that.

Animated Buzz: Oh this whole universe is set in the year 523,123 A.D.

Everyone: WOW!

Me: Wow! That's 521,101 years into the future! We're from the year 2022.

Nico: That's a long time from our time.

Laney: It sure is!

Torque was fighting NOS-4-A2.

NOS-4-A2: (to Torque) This has been fun, Torque. But now, it's time to end this. I have more important things to do.

?: Giga Cannon!

Two superdreadnought-class energy waves hit NOS-4-A2, knocking him to the ground. Torque saw Machinedramon there.

Torque: Boy, am I glad to see you goody goodies!

Machinedramon: Just follow us back to Star Command before we change our mind.

Torque agreed and they teleported back.

Back with everyone I was thinking.

Zurg: Penny for your thoughts?

Me: Like I would share them with you.

Zurg: Look, I know you don't trust me. But like it or not, you need me and my minions if NOS-4-A2's to be defeated.

Me: Only because Nico's in charge now! If I were still leader, you'd be in the Warp by now and we would've already defeated NOS-4-A2! (sighs) God, things used to be so simple!

Zurg: I admire you, JD. It takes a special kind of idiot to actually get dumber with time.

Me: (growls) Unless you want me to use the Black Gates on you, you'll shut your fucking mouth! If you have one!

I start to walk away until Zurg spoke again.

Zurg: You think your leadership made you special?! No, it's because of your friends that you were special. And you still are! And it's sad that it's an evil emperor like me who has to point this out to you! (I turn around to face him) How do you think Lightyear and his buddies always defeat me every single time? And I honestly want to have friends. But I can't, because you know, I'm evil. (sighs) The point is, just because you're not leader anymore doesn't mean you're not still a great hero. And if you can't get that through your immortal skull, then you might as well have NOS-4-A2 come here and kill us right now!

With that, Zurg walked away as Strut and Animated Buzz walked to me.

Animated Buzz: Never thought I'd see the day when me and Zurg actually agree on something.

Me: Buzz, villains like him are never right!

Strut: No, J.D.. Contrary to what you think, sometimes, villains have a point. I know you still show off your power because you want to prove you're still a great hero. But you still are. Because you have friends like us by your side.

Nico: He's right J.D. and you know that sometimes Villains and heroes have to team up to solve problems. Just like what's gonna go down on March 19th and what happened yesterday.

Me: (Sighs) You're right.

Nico: J.D. I know you're not happy about this. But we had no choice but to make this temporary alliance.

Overkill: The boss is right, J.D. Like we learned before, to defeat a bigger enemy, keep your friends. And your enemies closer.

Me: I always thought it was the other way around on that one. Keep your enemies close and your friends Closer. But yeah. You're right. But maybe Zurg can be in the M.O.E. Someday.

Nico: True.

Lori: Guys, I'm sorry that me, Lola, and Lynn lost it back there.

Maria: It's okay, Lori. We're not mad at you three at all.

Iceage: It's actually been a while since someone's called you three the four letter U word.

Nico: Yeah it has been a while.

Eli: No kidding.

Circe: What else should we expect from NOS-4-A2?

XR: Well, he did have a Wirewolf at some point.

Poromon: Wirewolf?!

Me: Wirewolf?

Nico: Uh oh.

Maria: I know that he's a robotic vampire. But just in case, I brought a vampire killer whip with me.

Mysterio: Which Heartless robots should I summon for the fight?

Yusei: How about a Wyvern Heartless?

Mysterio: Good choice.

Nico: That is a cool one.

Sly (Ty): (Australian Accent) Alright, mates. Here he comes!

Nico: We do our entrance when I give the signal.

Me: This is gonna be good.

We hid.

Then a figure appeared and out of a bolt of lightning came NOS-4-A2!

NOS-4-A2: Now this is gonna be fun for me to drain.

Nico: (Whispers) Now guys.

We went at him and then he looked around and then the spirits of the Furious Elements of Power appeared around him and swirled around and then they converged and then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted out and a phoenix cry was heard and we came out.

Nico: NOS-4-A2 your butt is going to get kicked!

Stonedozer: Looks like XR was right. NOS-4-A2 DID bring a Wirewolf.

NOS-4-A2: (laughs) Lowering yourself to working with Lightyear, Zurg? You must be very desperate!

Zurg: You're the one who wants to control all life in the universe! If I have to team up with heroes like Lightyear and J.D. to bring you down, then so be it! (to Animated Buzz) Activate the energy field, Lightyear!

Animated Buzz: (sighs) When I woke up this morning, I never expected to team up with Zurg of all people. (presses button)

The energy field activated and NOS-4-A2 was trapped! We had him trapped like a rat!

Me: Good luck trying to get out of this!

Then Zavok, Speed Demon, LaGrange, Vortex, Shiva, Madame Masque, Mirror Master, Multiplex, Technus, and Puppetmon appeared.

Nico: Zavok, Speed Demon, LaGrange, Vortex, Shiva, Madame Masque, Mirror Master, Multiplex, Technus, and Puppetmon.

Puppetmon: Looks like the fun is about to start.

Nico: Yep it is.

Zavok: You guys weren't kidding when you said Zurg was helping us!

Zurg: Don't get any ideas! Both of our sides had to suck up our pride for this.

Speed Demon: Good to hear.

LaGrange: The last thing we need is any betrayals.

Me: No kidding.

Vortex: (to Nico) We heard you fought another vampire.

Nico: Yep.

Shiva: Who was it this time?

Nico: Jan Valek. That was an awesome Vampire Hunt.

Then Witchblade appeared for another round.

Nico: Witchblade. You sure are a glutton for punishment.

Witchblade: Yeah I sure am.

Nico: Nice.

Witchblade: We also have a bunch of new recruits.

We then felt thunderous footfalls and we saw BLOB HOMER! It was a HUGE HOMER turning into a blob! (Season 18 Episode 4A)

Sir Mix-a-Lot:

I like big guts and I cannot lie!

Double chins with the chafin' thighs!

When a dude walks in with the hanging jowls,

My stomach starts to growl - I'm getting hungry!

So I masticate, chompin' on the overweight,

I eat fat people for days, like potato chips by Lay's,

Try to eat just one but it can't be done, I gotta eat a ton!

Baby likes fat!

Baby likes fat!

Blob Homer just ate a bunch of Hornets controlled by NOS-4-A2.

Warp Darkmatter: (tries not to puke) Just when I thought this temporary alliance couldn't get any weirder.

Witchblade: It's Blob Homer. What do you expect?

Blob Homer: These robots are just as good as eating fat people.

Nico: Glad you like them.

Homer: Wow! I look awesome as a blob like this.

Blob Homer: (Laughs) Thank you.

Then a bunch of figures came out and they were YODONNA, NOHYAS, SMARTSY FARTSY AND THE TAFFY GANG!

Yodonna

**Yodonna** is one of the top generals of the Yodonheim serving as a personal assistant to Emperor Yodon himself and the secondary antagonist of *Mashin Sentai Kiramager*, as well as the main antagonist of *Mashin Sentai Kiramager vs. Ryusoulger* .

It is later revealed she is in fact an aspect and split personality of the Emperor that houses his true form.

She also appears as the main protagonist of the special *Mashin Sentai Kiramager Spin-Off: Yodonna* .

She is portrayed by Nashiko Momotsuki.

Disguising herself as a shrine maiden named Shuka, Yodonna went to investigate a shrine located in a place that contained large levels of darkness energy. While there, she encountered Juru Atsuta, Tametomo Imizu and Takamichi Crystalia, who were there in search of the third Kanaema Stone. She soon drew the attraction of

Tametomo, who had a thing for tomboyish shrine maidens, but appeared to be unaware of his feelings.

After Takamichi inadvertently unearthed a Monstone and fed it the Energia Kanaema Stone, Shuka dug up some of the dirt in the ground and placed it on her wrist, causing it to transform into a Yodon Changer. Confirming that the site she was at was the correct one, Yodonna contacted Carantula and ordered him to send reinforcements. Carantula initially protested, but Yodonna reminded him that she was Emperor Yodon's executive assistant before shocking him for his disobedience. Yodonna then informed him that she was going to upgrade his latest Jamenshi before ending the call.

Yodonna later showed up to confront the Kiramagers, accompanied by Bomb Jamen. Using her Yodon Changer, Yodonna revealed her true form to the Kiramagers before using her powers to turn the Bechats with them into "zombies" and siccing them on the Kiramagers. Yodonna announced that her plan was to use the darkness energy in the site of the shrine to construct a tunnel from Earth to the Realm of Darkness where the Yodonheim resided, allowing dozens of Jamen Beasts to come to Earth and wreak havoc.

To gather darkness for her Yodon Tunnel, Yodonna instructed Bomb Jamen to use his bombs to gather enough darkness to create super-bombs to blow the tunnel. Bomb Jamen was initially confused as to why he wasn't allowed to bowl anymore, but Yodonna stated she had her own form of motivation and split Bomb Jamen into five before sending all five Bomb Jamens off. At the same time, Yodonna's Bechats succeeded in overwhelming the Kiramagers and knocking them out of their transformations before collapsing into dirt due to the overload of energy Yodonna gave them. The Kiramagers were shocked that Yodonna would sacrifice her subordinates like that, but Yodonna proclaimed that they were only "pawns" for her to use as she pleased. Though the Kiramagers were vulnerable, Yodonna chose not to finish them off, as she did not believe they were a threat to her any longer, and walked off after mocking them for their beliefs in friendship.

After the five Bomb Jamens were done gathering darkness, they met with the Yodonna at the forest where Yodonna intended to create the Yodon Tunnel. The Kiramagers (minus KiramaiRed) arrived again to battle Yodonna, but Yodonna and her "zombie Bechats" easily overpowered the injured Kiramagers. However, KiramaiRed then arrived with a new weapon, the Kiraful Go Arrow and used it to power up the other Kiramagers to destroy the five Bomb Jamens. With the Bomb Jamens all destroyed before they could place their bombs, Yodonna chose to retreat for the time being to the Realm of Darkness. There, she was approached by Galza, who complimented her on the strategies she used in battle and proposed that they work together.

For her next plan, Yodonna sought to study humans and how much they could endure. Observing that Sena was partnering with SCRTC, the same company which sponsored the Gekirangers, and using a device created by them to track her speed, Yodonna decided to use Sena as a test subject and brought Galza with her to attack the SCRTC. Galza captured Miki Masaki and her daughter Natsume, while Yodonna used her magic to turn the device around Sena's waist into a bomb that would explode if she ever stopped running. To keep her from being able to remove the bomb, she had Super Glue Jamen shoot a squirt onto it super gluing it to her. As her plans were going smoothly Yodonna let out an evil laugh, only to question if it was the right time for her to laugh, to which Galza let out a simple shrug. However, Natsume Misaki was able to escape Galza's clutches thanks to her mom attacking Galza and buying her time to escape. After Natsume helped the Kiramagers defeat Super Glue Jamen, Sena was freed from the bomb when the glue disappeared and joined her teammates in fighting the Super Glue Shellga Carantula summoned.

Yodonna would later hatch a scheme to use Movie Jamen to create a movie that would fill those who watched it with despair and broadcast it to the whole world in order to gather enough darkness to corrupt the planet. To gather actors for it, the two set up a fake movie theater where those went to watch movies in it would be abducted to appear in the movie. They soon ran into difficulty with making it on a short staff, as Movie Jamen quickly became tired from having to handle all the aspects of production. After Movie Jamen came across Kureon, who was visiting Earth after having gotten into a fight with Wizeru, Yodonna captured him and stomped on him to force him to make Minosaurs, Kureon inadvertently created the Director Minosaur from Movie Jamen, leading Yodonna to stomp on him until he made three more. Yodonna would then divide up the directing duty between Movie Jamen and the four Director Minosaurs, while she acted as producer of the film. Among those who wound up cast in the film were the five Ryusoulgers, as well as the Kiramagers after they went to investigate the movie. Canalo and Oto met up with Takamichi to investigate, only for Canalo to fall in love with Yodonna upon seeing her. Despite this, he was able to put his feelings aside after seeing how wicked Yodonna was. Koh and Juru later managed to free everyone who had been trapped in it by stealing Movie Jamen's clap board and using it to signal "cut". With their actors all freed, Yodonna ordered that the film by completed by stitching together what scenes they had left. This upset movie Movie Jamen, who saw it as his masterpiece being defiled, leading him to fuse with the four Director Minosaurs to transform into a giant Director Minosaur. The Director Minosaur was destroyed by the Ryusoulgers and Kiramagers in their mecha, thwarting the Yodonheim's scheme.

Yodonna's next scheme involved using Gomoryu, the same beast that had destroyed Crystalia, to rampage across the Earth. Carantula modified the beast by placing a Jamen mask on it and turning it into Projector Gomoryu, allowing it to camouflage itself through having a life feed of the city filmed and projected onto it by Yodonna and a group of Bechats using a tablet. Galza observed the scheme from the Yodon realm, commenting that it was going efficiently. The Kiramagers eventually discovered how Gomoryu was camouflaging itself and found where Yodonna and her Bechats were filming the city, going to confront them. Yodonna passed the tablet onto one of the Bechats and used her power to multiply them before sending them all off. The Kiramagers were able to track down the one with the tablet and destroy it, revealing Projector Gomoryu, but Yodonna simply complimented that the battle was far from over and the Kiramagers were still no match against Gomoryu's tremendous strength.

Yodonna and Galza's next scheme was a fairly complicated one. First, Yodonna enlisted the help of human researcher Yujiro Kusaka in order to develop a stable form of the Yodon Ivy Seed that could be used to transform Earth into another Yodonheim, in exchange for promising him that he and Sayo Oharu, whom he was in love with, would be allowed to live. While this was going on, Galza traveled to Atamald to personally destroy his brother Oradin and keep him occupied while their plans rolled off without a hitch. Once the Yodon Ivy Seed was fully developed, Yodonna betrayed Yujiro and left him and Sayo to be killed by Bechats while she prepared for the Yodon Ivy Seed to sprout. Carantula then used extra darkness energy he had been storing up to unleash three Jamen Beasts, Sengoku Basra, Shield Shellga and Tank Ligany to cause havoc and distract the rest of the Kiramagers. However, KiramaiRed was able to rescue Oradin by having him transport his soul into Kiraful GoArrow and use it to save Sayo. Despite the best efforts of Galza in Smog Jouki and the three Jamen Beasts to guard the Yodon Ivy Seed, it was ultimately destroyed by the Kiramagers before it had time to sprout.

For her next mission, Yodonna accompanied Golf Jamen to Earth on a mission to gather darkness energy. While there they encountered a drunk Mabushina, who stuffed the Jamenshi into Drilljean before driving it into the ocean and knocked a popsicle into Yodonna's mouth. Upon tasting the popsicle and realizing how delicious it was, Yodonna demanded to the popsicle man that he hand over all his popsicles to her. Yodonna later returned to the Realm of Yodonheim, where she, along with Carantula, observed Galza destroy Cart Hildon thinking Takamichi was still fused inside, causing Yodonna to comment that Galza would be furious when he realized that Takamichi had gotten out.

At some point, Carantula asked Yodonna to split him into five in preparation for a worse case scenario should he ever be lost in the field. After returning to Yodonheim in search of Carantula, Galza sensed Emperor Yodon's presence, only to turn around and realize it was Yodonna. Yodonna informed Galza that Carantula had gone down to Earth to pursue his next scheme. Yodonna later showed up as "MC Yodonna" during Carantula's rap battle against Juru to take him on in round 2. Having already lost once to Carantula, Kiramai Red was no match for Yodonna's burns and was quickly defeated before Yodonna sent Bechats to finish him off. However, Mashin Fire showed up to provide encouragement to Juru and together with their positive raps they were able to free everyone who had been corrupted by Carantula's influence. As the Kiramagers assembled once more and Carantula rode Turntable Gomoryu against them, MC Yodonna retreated from the scene, later observing the battle between the Kiramagers in their Mashins and Carantula riding Turntable Gomoryu.

After hearing that Emperor Yodon was coming to address the failure of Carantula's last plan personally, Yodonna was shocked to hear that Carantula had met Emperor Yodon face-to-face, as she had only ever communicated with him through her Yodon Changer. Yodonna then received an order from the Emperor through her Yodon Changer to seek out King Oradin, and nothing more. To track down Oradin, Yodonna attacked Sena and Sayo while they were eating to make them reveal where Oradin. Yodonna struck Sena with her staff and accidentally split her into five, as she had forgotten to switch off that feature from her staff. As the five KiramaiGreens faced off against her, the hyperactive Sena bragged that Yodonna could never reach Oradin because he was in Atamald. Remembering "Atamald" as a location Galza had mentioned, Yodonna teleported away and enlisted Galza's help in reaching it. Galza brought Yodonna to the island where the entrance to Atamald lay, but Mashin Hakobu refused to let either of them in and flew off so they couldn't capture him. Galza then decided to go with Plan B and summoned Smog Jouki so he could fight the Kiramagers and hijack King Express in order to force Oradin to appear. After having Smog Jouki combine with King Express and take it over, King Oradin appeared to face his brother. With Oradin forced out into the open, Yodonna went and stood before him, confused about what to do next. It was at that point however that Emperor Yodon emerged from Yodonna and revealed himself, revealing Yodonna to be an embodiment of him that he used to travel in between Yodonheim and Earth. After the Emperor gave his declaration to Oradin and the Kiramagers and leveled the city he reverted to the form of Yodonna. Yodonna was left confused at what happened and wandered around asking where the Emperor was before Galza picked her up in Smog Jouki and brought her back to Yodonheim. There, he and Carantula revealed to Yodonna the truth about her connection to Emperor Yodon, and how she was simply an aspect of him.

After Galza was incorporated into Emperor Yodon's body, becoming a personality aspect of the Emperor, he found Yodonna asleep inside the room representing the Emperor's mind and woke her up. Yodonna was later present when Galza seized control of the Emperor's body, but was knocked out by him before she could do anything.

Yodonna later awoke to find Galza had become the new ruler of Yodonheim. She asked Galza what he intended to do with her, to which he responded that he intended to do nothing, as he had no use for her now that he was in control.

Later, after Emperor Yodon ousted and killed Galza, Yodonna mocked Galza for not being beloved by the Emperor like she was. She was then informed by the Emperor that they were going to go out and seize the other three Kanaema Stones from the Kiramagers, and was told to leave the Illusia Stone in Yodonheim where it would be safe.

However, during their confrontation with the Kiramagers, Tametomo used the Reversia stone to revert Emperor Yodon to the form of Yodonna, allowing King Oradin to seal them both in stone. Yodonna questioned the Emperor as to what they would do, to which Emperor Yodon responded there were other options before striking down Yodonna so their consciousnesses would be separated. Shocked and fatally wounded, Yodonna asked why the Emperor had sacrificed her if he cared for her, to which Emperor Yodon responded by saying he only cared for himself. A tearful Yodonna then asked if this was when she should cry, but Emperor Yodon told her to laugh instead as she had given her life for her, right before Yodonna passed on.

Nohyas

Nohyas is the evil doppelganger of Prohyas Warrior. He is a recurring antagonist throughout the series who seeks to impersonate the Warriors for Hire to make people like him.

3-minute shorts

His first TV short appearance was in "The Land Before Slime", where his evil cottage (with a mustache symbolizing him) was stomped and destroyed by King Rexxtopher.

In his second appearance, "No Robots for Old Men", he appears with his hand puppet, Handbre.

In "Whose Hyas is it Anyway?", he appears in Galacton with the Confusing Alien Magisword and uses it to shoot duckies (supposedly his favorite) at Prohyas' head, change his voice to a lispy Ed Wynn-esque one and make his scarf plaid. Nohyas ends up creating an interdimensional vortex, out of which comes a giant hand that grabs and pulls him in, ultimately depositing him at Slugburger.

5-minute shorts

His debut is in the short "Identity Theft", in which he and his hand, Handbre, pretend to be the Warriors for Hire in order to get Prohyas' burger, Vambre's book and many Magiswords from Ralphio's shop. The Warriors for Hire duel the doppelgangers but since he has the same Magiswords as them, they lose. However, he does not have any one-of-a-kind Magiswords such as the Oinkus Oinkus Magisword and the Dolphin Magisword, so they use the Super Teamwork Combo to vanquish him.

TV-series

He made a small appearance in the episode "Gotta Get Grup to Get Down" where he entered the Rhyboflavin Talent Contest. His talent was impressions which was pretty much dressing an audience member with a mustache and derby like him.

He made a slight cameo in the episode "Little Sword of Horrors" as Prohyas watering plants.

He was one of the supporting players of the Rhyboflavin Grups in the episode "Grup Jam".

In "Random Acts of Memory" it is revealed that Nohyas has known the Warrior siblings since they were children, however up until adulthood he would use his signature "Selective Memory

Magisword" to erase memories they made of him after things take turns for the worst. It is revealed that he was actually the one to burn down the barn with Vambre's tomato magisword (which she went to therapy for blaming herself for years), was the new kid in Vambre and Prohyas' adventure class where even under truth paste he still admits to believing he's Prohyas (and subsequently Vambre). He is also the reason why they didn't remember meeting Grup's brother Prug, only wanting them to remember a positive memory of him. After several more stories (some of which false) Prohyas uses the Pencil Magisword to trick him into giving him the Selective Memory Magisword, and uses Paperbag Magisword to trick him into thinking he's talking to himself.

## Smartsy Fartsy

Smartsy Fartsy is a green, farty gas cloud that came to life from Melvin Sneedly's machine. He is the main antagonist of "The Sickening Fumes of Smartsy Fartsy" and "The Troublesome Treachery of the Thieving Toot Fairy."

## The Taffy Gang

Ickis, Oblina and Krumm go on a scare in an abandoned building. They spot three gargoyles, monsters condemned to live out their days in cement for stealing toenails; they claim they did not commit that crime, though. Ickis frees them from their prison, but soon has to run for his life when he discovers they are guilty of the crime.

## Plot

A couple of construction workers are set to demolish an abandoned building, which is claimed to be haunted since there were voices heard, when they hear voices saying that they are not ghosts and run away in terror. The Monsters are then seen emerging out of a fountain and find that nobody is around, getting the feeling that they are being watched as well. They suddenly hear voices telling them to free them and hide into the fountain. They discover that the voices are from the gargoyles on the front of the building named Chimera, Echnida, and Typhon. They ask The Monsters if they could free them, but Oblina gets the premonition that they would be up to no good. The gargoyles tell The Monsters that they were held as prisoners and tell an anecdote of their imprisonment.

In the story, which took place exactly 75 years, one month, two weeks and four days ago, three monsters busted into the first monster toenail treasury and sprayed the entire room down with perfume tied everyone up with salt water taffy. They stole a bag full of toenails and escaped. They claimed that toenails were never found. The gargoyles, once live monsters, are then shown in their dorm room when they get convicted of the crime and sent to court since the salt water taffy stain was on the sock inside their dorm room. They took the fall and became sentenced to life as gargoyles.

Back in reality, the gargoyles try to convince the monsters that they are innocent and as a wrecking ball shows up to destroy the building, Ickis, saves the gargoyles from getting into conflict of the destruction of the building. The three gargoyles break, revealing the monsters as they escape with the other three monsters through the fountain right before the building quickly demolishes. Chimera thanks the three young monsters for saving him, and Oblina and Krumm remind Ickis that they will be taken to The Snorch if they don't get to class on time. Chimera, Echnida, and Typhon decide to have Ickis give them a tour around the monster school.

Later, Oblina and Krumm go to Gromble's room to tell him that Ickis is hanging around the monsters once gargoyles, who Gromble describes them as "The Notorious Taffy Gang." He tells them that they were the ones who stole the toenails out of the treasury 75 years, 2 months, 1 week and 4 days ago. Gromble leads Oblina and Krumm to the old farmhouse, where the Taffy Gang are causing mischief and steal toenails from the robbery 75 years, 2 months, 1 week and 4 days ago, much to Ickis' shock. He attempts to leave, only to get held back by the Taffy Gang. But he manages to escape with the bag of toenails in his hands, with the Taffy Gang chasing after him. He comes across Krumm, Oblina, and Gromble, the latter of the three retrieves the bag of toenails and catches the Taffy Gang. But Chimera grabs Ickis and attempts to dump him into a cement truck replete with wet cement. He orders Gromble to give up the bag of toenails in order to spare Ickis' life, which Gromble complies to. Oblina, however, grabs the toenails from the Taffy Gang and throws them through the hole, which the Taffy Gang falls through and into the cement truck right after Krumm retrieves the bag. As the Taffy Gang are getting hardened by the cement inside the cement truck, Gromble tells Ickis, Krumm, and Oblina how proud he is of them and says that the Taffy Gang are going to be doing some "serious hard time."

The Taffy Gang are later seen at the freeway paved into the streets, where the cars repeatedly run them over. This proves to be far worse than being trapped inside gargoyles.

Me: Good to know.

Multiplex: Okay. What will you do in the meantime?

Zurg: Watch all the Angry Grandpa videos up until his final one that he starred in.

Nico: May he rest in peace.

Torque: I think I'll stick to watching the Psycho series by McJuggernugets from start to finish.

Me: Ooh like it horrifying huh?

Gravitina: I'll be watching the Ridonculous Race starring all of you when it's time.

Me: That starts on the 20th. This will be fun.

Technus: Who are you rooting for?

Gravitina: No one, honestly. I just want to see what happens.

Me: You'll have fun.

Warp Darkmatter: When I get back to base, I have to take a long shower.

Puppetmon: How come?

Warp Darkmatter: (shudders) I have to get that image of Blob Homer out of my brain!

Me: Oh-kay.

They left.

Nico: This was so awesome. But J.D. I think I know what will make you better when we get home.

Me: What's that?

Nico: A Simulator Fight against all the villains of M.H.A.

Me: Ooh! Bring it on!

Eli: Awesome!

?: (Demonic Voice) I will have my revenge on you for what you did to me, Angelus!

Angel (Angel): Oh great, there's no mistaking that voice from anywhere. You can come out now, Jasmine's little demon pet.

A massive horned demon came out, and it was none other than The Beast, the demonic enforcer of the rogue Powers That Be and God Wannabe, Jasmine.

Me: So, that's The Beast?! Whoa, he looks really dangerous!

Nico: No kidding, since Buffy did say that he's a literal demon from Hell who was brought to our world back in the late 18th Century.

The Beast (Buffy): (Demonic Voice) And now, I will have my revenge on you for what you did to me, Angelus.

The Beast was about to attack, but Angel fired a bullet into The Beast's eye and blinded him.

Angel (Angel): There's something you should know, Angelus is long gone, and he's never coming back.

Gina Boyd: And the same is about to go with you.

Suddenly, Gina Boyd's blue eyes turned neon blue, and she was surrounded by a grey energy aura with wind gusts and phoenixes, she unholstered her massive Defender of Silverman Gym sword from her back, and as she approached The Beast, she left grey energy, wind gusts, and phoenixes with every step.

Gina Boyd: You sure don't know when to quit, do you, even after you were put down for good? Well, this time, I'm going to make sure that you stay dead and gone for good, and whoever brought you, The Master, Dracula, Warren Mears, and Angelus back, that person's also going to join you in Oblivion for good!

Suddenly, Gina Boyd was surrounded by a massive vortex of grey energy with winds surrounding it, there's a phoenix flying around it, and in the vortex is a blue phoenix. Then, as the vortex faded, Gina Boyd emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Gina Boyd grew to 6'5" in height, she had the body of a goddess and she has blue highlights in the bangs of her short neck-length white hair, she has neon blue eyes and a grey energy aura with wind gusts, dumbbells, and phoenixes surrounding her, she has a phoenix with the Wind Kanji in its claws emblazoned on her forehead, she has on phoenix earrings with blue jewels for the eyes and the Wind Kanji in its claws, and she also has a phoenix with blue gems for the eyes and the Wind Kanji in its claws for the second pendant of her Thunderbird Necklace of Eternal Love along with the Thunderbird pendant with grey gems on the gold lightning bolts and grey crystals from her Crystal Necklace of The Buddha which merged with her Thunderbird Necklace of Eternal Love. Gina Boyd has on a long sleeveless white trenchcoat with wind gusts, dumbbells, and phoenixes on the coattails and right on the back is the symbol of Silverman Gym with lightning bolts, a grey blouse and grey midriff top with a silver phoenix on it, black skirt with wind gusts on it, grey gym shorts with wind gusts on them, white sneakers with wind gusts, and she has on a Star Sapphire ring on her left ring finger. Suddenly, Gina Boyd felt a sharp pain on her back, and then, massive white angel wings with blue tips on the large white feathers sprouted out of her back.

Suddenly, Gina Boyd's massive Defender of Silverman Gym was surrounded by a kaleidoscope of blue energy, wind gusts, dumbbells, and phoenixes, and when it emerged, it was transformed into Silverman Gym's Hurricane Phoenix Sword of Cyclone Justice, it's a brand-new large sword with a 6'9" massive, wide, double-edged silver blade with the symbol of Silverman Gym etched on it, large white angel wings for the crossguard, large blue gem for the hilt, longer black handle, and large grey gem surrounded by angel wings for the pommel. Gina Boyd has on her new large gold cuff Bracelets of the Champions of The Universe with grey gems on her wrists, large gold Belt of Elemental Bravery with a gold phoenix head with blue gems for the eyes and a large grey gem in its open mouth for the belt buckle, large grey Spellbook of The Gods and The Universe and large grey Universal Spellbook of The Elemental Forces on her left hip and Eater of Sins revolver holstered on her right hip. There's a blue kanji below the symbol of Silverman Gym that said, "Gina Boyd, Student of Koyo Girl's Academy, Friend of Sakura Hibiki, Tachibana Satomi, Uehara Ayaka, and Soyurin Akemi, Loving Future Wife of Lincoln Loud, Gym Member of Silverman Gym, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Wind and Phoenixes."

Gina Boyd has transformed into SUPER ANGEL INFINITY ATHLETIC HURRICANE GYM PHOENIX ANGEL OF CYCLONE JUSTICE AND DIVINE LOVE!

We were amazed by Gina Boyd's Super Angel Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes. But, when The Beast saw it, he fell into a demonic rage and tried to attack her, but she dodged his attack, and she fired a powerful grey energy blast with winds, dumbbells, and phoenixes, which hits The Beast, and sent the massive demon into a wall.

Me: Alright, Gina Boyd's become the last one to transform, and now, she's going to put an end to that overgrown monster, and there's also an advantage that Gina and Lincoln have over that demon: The Beast's rock-covered hide may be powerful, but it's also given him limited mobility, and his eyes are the only thing that aren't protected by that rock-covered hide of his.

Nico: Either way, he's a dead demon walking.

Lincoln: Wow, Gina, you look beautiful. How do you feel?

Gina Boyd: (Divine Echoing Cosmic Voice of The Hurricane Phoenix and Athletic Divine Love) **I feel incredible, Linky. Now, shall we put an end to this monster for good?**

Lincoln: (Smiles) With pleasure.

Me: Show that monster no mercy, guys.

Lincoln unholstered his improved massive Sword of Universal Hope and Elemental Bravery from his wider and muscular back, and transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, and he joined Gina Boyd.

Lincoln: (Divine Echoing Cosmic Elemental Voice of Universal Justice and Elemental Hope) **Your day of judgement has come, spawn of Satan!**

Angel OST: Main Theme

Gina Boyd and Lincoln went after Jasmine's demonic enforcer, who fired blasts of Hellfire at them, but they dodged them, and they fired powerful blasts of rainbow energy, grey energy, dumbbells, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Gravity, Magic, Blood, Thunderbirds, Phoenixes, Angels, and Buffalo at The Beast, and they exploded with incredible power as they hit the the demonic monster. The Beast summoned an army of demons to attack, but, Lincoln's neon deep sapphire blue eyes glowed even more, then, he ordered them to kill themselves, as they'd slit their throats with their clawed hands, and they died in a massive pool of blood, which Lincoln had devoured, as he absorbed the blood into his body.

Then, Gina Boyd and Lincoln attack The Beast's eyes with their massive swords, and permanently blind the demon, and they were bleeding profusely, as he screamed in so much excruciating pain. Then, Gina Boyd and Lincoln tied The Beast up, so he couldn't escape.

Gina Boyd: **Okay, Linky, let him have it.**

Lincoln: **You got it, Gina.**

Lincoln spreads his massive deep sapphire blue angel wings, and red energy was already forming in them. This filled The Beast with dread, as he sees that his death was fast approaching, and his desire for revenge is about to be cut with a knife for good.

Lincoln: **DEATH WING LIFE DRAIN!**

Lincoln fired massive red beams of energy from his spread-out massive deep sapphire blue angel wings, and as the blasts hit Jasmine's demonic enforcer, Lincoln began sucking out and absorbing The Beast's life energy, demonic powers, and abilities, and Lincoln's rainbow energy aura with elemental forces, angels, phoenixes, buffalo, and thunderbirds flared up extremely, as he gained a massive power and energy boost to his infinite power, and we saw that The Beast was being drained of his life force. When Lincoln was done, The Beast was reduced to a lifeless and mummified husk, and as soon as his spirit appeared, Lincoln Super Hakaied him and The Beast was banished to Oblivion for good. We cheered wildly for them, as Lincoln and Gina Boyd holstered their massive swords on their backs and power down, and Gina Boyd's new body, clothes, weapons, jewelry, and angel wings are permanent.

Gina Boyd: Alright, we did it, the five worst douchebags of Buffy Summers' past have been dealt with for good. Thanks for helping me in putting that monster down, Linky.

Lincoln: (Smiles Warmly) You're welcome, Gina.

Suddenly, Gina Boyd wrapped her arms around Lincoln's waist, and Lincoln wrapped his abnormally massive and powerful muscular arms around Gina Boyd's waist, and then, he brought her into an embrace, which took her by surprise and it brought an atomic red blush to her face. Then, as Lincoln leaned down to Gina Boyd's face, they kissed passionately as Gina Boyd wrapped her left arm around Lincoln's wider and muscular back, and placed her left hand on Lincoln's massive and wide right pec, and right behind them is a Thunderbird, Phoenix, and Angel flying in the air, and we also saw a herd of Buffalo running across the field, wind gusts blowing behind them, and the display of the elemental forces behind them, and we cheered for them.

Nico: Alright, they did it!

Me: The five big bad enemies of Buffy's past have finally been dealt with for good.

Lincoln: You said it, J.D. Plus, I also found out who it was that brought The Master, Dracula, Warren Mears, and The Beast back from the dead, and separated Angelus from Angel with The Dark Orb.

Me: Really, who was it, Lincoln?

Lincoln: It's Jasmine, the rogue Powers That Be and God Wannabe, and like Uehara said, it was another of one of Buffy and Angel's enemies from long ago, but mainly Angel.

This caused Angel and the entire Angel Investigations group, including Buffy Summers and the Scooby Gang to gasp in shock, including us.

Me: Oh man, I thought we were rid of her for good. But, it looks like she's come back from the dead.

Angel (Angel): Looks like it, J.D. So, she's the one who used that Dark Orb to separate Angelus and myself, and brought The Master, Dracula, Warren Mears, and her demonic enforcer back from the dead. Looks like we're going to have to deal with her again.

Nico: J.D., Angel, what can you guys tell us about Jasmine? Looks like we've got a battle with her first thing tomorrow?

Me: You won't like her, Nico.

I proceeded to tell everyone about Jasmine, and as predicted, no one was going to like her one bit.

Jasmine (Buffyverse)

Jasmine is one of the two main antagonists (alongside Angelus) in the fourth season of the Buffyverse TV series Angel.

She was also unique amongst Buffy villains, in the fact, she was not truly malevolent. In fact she was a force of good, sadly her methods were akin to those of a fascist dictator and as such made her a danger to everyone around her including her cosmic former allies known as The Powers That Be whom she used to be a member of.

She was portrayed by Gina Torres, who also voiced Airachnid in Transformers: Prime and Superwoman in Justice League: Crisis on Two Earths and in Lego DC Supervillains. While possessing Cordelia Chase she was portrayed by Charisma Carpenter.

History

Second Life

Angel attempted to give Darla, who was dying at the time, a second chance at life by passing a series of trials. However, unbeknownst to Angel, Darla couldn't use the new second chance because she was already on her second life.

Jasmine claimed that she was able to use the life that Angel earned to create Connor after he had sex with Darla (who had been re-sired by Drusilla at the behest of Wolfram & Hart). Following the birth of Connor, Jasmine was able to maneuver Cordelia with Skip's assistance into becoming part-demon and later ascending into the realm of the Powers.

Once in the realm of the Powers, Cordelia found herself consumed with boredom. Cordelia eventually elected to give up her godhood and return to Earth in her previous half-demon form, but Jasmine used this interdimensional trip to "piggy-back" into our dimension by possessing Cordelia. However, the Powers had in place a safeguard for this type of travel.

## Secret Revealed

Jasmine finally blew her cover during a secret ritual where Lorne was expected to be alone, "Cordelia" arrived with a large knife to kill him. It was really a trap set by the AI team who had all realized that Cordelia was possessed, but she was saved by Connor.

## Peace on Earth

Though she kept her human appearance, she was covered in boils and her eyes turned purple. Her followers ran horrified as the sensation of inner peace and bliss they experienced as part of Jasmine's collective was obliterated. Many caused riots and chaos, while others even contemplated suicide. With her name revealed, Jasmine's mind control powers were destroyed, though she kept her superhuman strength and could easily withstand electricity. Her unique psychic link with Connor also remained, as their connection was of a different nature. Through this link, Connor tracked down Jasmine.

## Exposed

Soon after, Jasmine was attacked by an increasingly unstable

Connor, who then killed her by putting his fist through her head.

---

When I was finished, everyone was horrified at Jasmine's actions.

Lincoln: I can't believe it, she may be a force for good, but her actions are like that of a fascist dictator, and we can't let someone like that live.

Me: That's right, and tomorrow, Jasmine needs to pay the price for her crimes against mankind and she needs to be obliterated from existence forever.

Lincoln: That's right, J.D.

Nico: Yeah, what she tried to do in creating her so-called utopia will result in throwing the balance between light and darkness into chaos, she needs to pay the price and she need to be destroyed for good.

Lincoln: But, we can't make any mistakes with her, since she's a former Powers that Be, she's very powerful.

Me: That's right, Lincoln. But, we're ready for her.

Nico: Yeah. J.D. I hope you learned a huge lesson from all this.

Me: I sure did and I'm sorry.

Nico: Apology accepted.

Sylvia Exetor: (To the viewers) This will show you that vengeance is never the answer to anything and that it only leads to sadness.

Nico: Yep. But this was awesome. Great job today everyone.

Buzz Lightyear: It sure was awesome.

Nico: Yep. Lets head home.

We went back home and had a great meal and enjoyed the rest of the day and went to sleep later on.

THE END

Another awesome fanfic done.

Buzz Lightyear of Star Command was a really awesome show that was a great animated version of the iconic Toy Story Space Ranger and it was so awesome. If they ever do make a Toy Story 5, I hope it centers around Buzz Lightyear and friends and everyone. The show aired from October 2, 2000 - January 13, 2001 and it was awesome! The time the show was in was something I made up. It did say that the show took place in the far future but it didn't say what year specifically. So I made it up. The first part was for the movie John Carpenter's Vampires and that one was awesome and scary too. And vampires are wicked. The second part was a made up scenario. NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, XP4Universe, Darkhai, vinjedi1995, Drako1234658, Nflemingful, Etstheclarencefan and ninjakingofhearts gave me the ideas for this and so did the guest reviewer. Nico's next rescue is gonna be in the Teen Titans episode Aftershock Part 2 and Nico, Tara, Eli and Shanan all have a score to settle with Slade for controlling Tara and they and the Teen Titans are all going to stop Terra from sacrificing herself. They are also going to meet a Slamworm Gene-Slammer named Lila Slater and she is from Nico's Geology and Earth Science Classes. Lincoln's next rescue is gonna be in the Real Adventures of Jonny Quest episode called Nuclear Netherworld and they will stop Von Romme from digging uranium and selling it all to terrorists to make nuclear weapons. He is gonna be in huge trouble for treason and more by the FBI and us. Also they are going to meet a Wattaildragon Gene-Slammer named Gallie Kenovich. Gallie Kenovich is from Croatia and she is the gene-slammer of Wattaildragon and she is not only as fast as lightning but is also the smartest one out of Lincoln's Guardian Angels and she has powerful knowledge more powerful than that of Lisa, Dexter, Levi and the geniuses combined and has psychic powers that allow her to utilize 100% of her brain power. She is also one of Lincoln's smartest and most skilled out of all of his Guardian Angels. She also has a really horrible revelation involving Lila Rossi and what she was going to do to Marinette, Paris and everyone in the city. The next chapter is gonna be for where we take down the 2012 TMNT villain Speed Demon and this is gonna be a combination of Speed and the movie Christine!

See you all tomorrow

# NIGHT OF THE SPEED DEMON

In Jump City, Nico, Tara, Eli and Shanan were walking through the area and the city was a mess.

Nico: Thanks for coming with me, Tara.

Tara: No problem Nico. This is gonna be so awesome. And I can't wait to help you out on a rescue.

Shanan: And it looks like we're back in the time to where you were under Slade's control so you can destroy the Teen Titans. Good. (Cracks Knuckles) This time I'm going to kill that heartless and ruthless bastard Slade myself.

Eli: He will pay for all of his crimes in blood.

Nico: He sure will. Slade ruined Tara's life before. And forced her to make the ultimate sacrifices to atone for her sins. And what he did was horrible and unforgivable.

Eli: Yes it was.

Shanan: I know where Slade's lair is.

They followed Shanan.

Shanan: (Eyes glow red) Get ready Slade, this will be your last day ever. I will see to it that you never torment anyone again.

Eli: YEAH!

Nico: Tara, you and Beast Boy can both shapeshift into animals ever since 2020. The difference is that you can only turn into a killer whale.

Tara: I know and that is awesome. But Beast Boy can shapeshift into all the animals. I wish I had that power too.

Nico: Yeah but your kids do and that is cool.

Tara: It sure is.

They went down a tunnel.

Shanan: Stay close guys.

Nico: I sense something.

Shanan: It's Slade. He's close.

Nico: Tara, you have your leotard underneath your clothes, right?

Tara: I sure do.

Nico: Good.

Eli: Lets get ready.

Nico: Right.

They entered Slade's lair and they saw the Teen Titans about to kill Terra.

Slade: Strike, apprentice! Now! (Robin lands, followed by Cyborg with his cannon ready.)

Robin: Terra! No!

(Starfire flies in; Raven's eyes glow from the shadows, and she steps forth with both hands set to blast.)

Raven: It'll be the last thing you ever do!

(The standoff is now well and truly joined; Terra holding Beast Boy at the point of her lethal stone barb, while she herself faces down checked starbolts, cannon, telekinesis, and explosive discs.)

Slade: I gave you an order!

(Terra stares wide-eyed; cut to Starfire in midair, hands and eyes fully loaded.)

Slade: (from o.c.) DO IT!

Starfire: Please, Terra, no!

Cyborg: Don't do it! Don't do it! (Cut to her and Beast Boy.)

Robin: (from o.c.) Listen to us, Terra.

(His voice and those of the other three armed Titans call out a jumble of arguments, trying to talk her down. As they fall silent, cut to Beast Boy and zoom in slowly.)

Beast Boy: It's your life, Terra. Your choice. It's never too late to change.

Terra: Sorry, Beast Boy, for everything I've done.

Suddenly a red energy blast was fired from offscreen and it went at Slade and hit him square in the back and exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Slade had a nasty blast hole in his back and then Terra's suit short-circuited and she was free from his control.

Nico: Game's over Slade!

Shanan walked over to him.

Shanan: (Flares up aura) You and I have an old score to settle! This time I am going to kill you for good!

She transformed into her SUPER ANGEL INFINITY FORM!

Shanan: (Divine Echoing Voice of Nature and Life) **I will never forgive you for everything you did.**

Tara: You want to see a monster, Slade? (hair starts to fall out) You got one!

She went into her KILLER WHALE FORM!

Slade: WHAT THE!?

She went at him and smashed him with a powerful ram and smashed him into the cave wall.

Shanan then teleported as Slade got up and kicked him in the back and then punched him in the face and smashed him further into the wall.

Slade got up and went at Shanan and she teleported behind him and she teleported again as he punched at her and then again as he kicked at her and she teleported and punched him down.

Robin: Whoa! That girl is powerful.

Slade got up.

Slade: (Enraged) I HATE YOU!

Shanan's aura flared up.

Shanan: **You hate the fact that you're powerless to stop me and completely outclassed and outmatched in every way. Well imagine feeling the way you do now all of the time like the people of the city do. You motherfucker! How do you think Terra felt when you forced her to betray Beast Boy, the one true friend she has EVER Had as well as all of her friends and you forced her to do your insidious dirty work all for your own murderous ambition to kill the Teen Titans! Because of you, Tara sacrificed herself and I witnessed it and I swore that I would make you pay for doing everything you did to her! Now it's your turn to feel the same pain but this time I'm going to make sure you suffer!**

Shanan teleported and kneed him in the stomach with devastating force and kicked him in the face and knocked off his mask! The Teen Titans then saw Slade's true face for the first time! He was a man with an eyepatch on his right eye and he had white hair.

Robin: So that's your true face!

Nico: That's it all right. He was once a student of Ra's Al Ghul and he abandoned him in pursuit of his own selfish desires.

Shanan: **And soon he will be a forgotten memory.**

Robin: Wanna say it?

Nico: (smirks) Sure.

Nico and Robin: TITANS, GO!

They went at Slade and viciously and brutally smashed and pulverized him all over the place with merciless fury!

Shanan fired a number of energy blasts at Slade and blasted him all over the place with incredible fury!

(Terra really let all hell loose on Slade. and with a scream of supreme fury, she swings her hand across the lair. The projectile pivots to point in that direction, away from Beast Boy and all the other Titans, and rockets directly at Slade. He jumps away from his vantage point, but the shock wave throws him off balance and sends him much farther back. She starts after him before anyone else can, then opens up a fissure to swallow him up; he leaps clear and perches amid a jumble of steel girders at the ceiling.)

Shanan fired a massive volley of energy blasts at Slade again and then Eli grabbed him and smashed him into the wall and fired a blast of Force Lightning at him and electrocuted him.

(This is only a temporary respite, though, as Terra floats up and breaks the beams' attachment points to send the mass of metal thundering down. Cyborg clears away the rocks pinning Beast Boy. Slade gets to his feet and finds Terra descending behind him; her gritted teeth and pinpoint pupils show that she has had all of him she can stand.)

Slade: You ungrateful, little-

Shanan: **I'VE HAD IT WITH YOU SLADE!**

(Without finishing the thought, which surely would have ended with a very colorful obscenity, he charges at her. She holds her ground and brings up an immense column as he approaches; it carries him upward a bit too fast for his own comfort, and the Titans look on from the far end of the lair. As loose rocks rain down everywhere, Slade is driven to his knees before Terra. She begins to pelt him with one chunk after another, pushing him to the edge of his perch and finally over it. As his scream fades away, she gasps for breath and lets her powers wind down.)

Terra: Is he?

Nico: No not yet.

Suddenly a massive structure grabbed Slade and hauled him up and it was A SLAMWORM!

Slamworm: (In a girls voice) Looks like it's time for both me and Terra to deliver the fatal blow.

Nico: Lila Slater!? Wow!

Slamworm: Awesome to see you again Nico!

Lila smashed Slade into the ground and Nico entombed him in a ball of rock with his head exposed.

Lila Slater reverted back and she was a girl with blond hair and she had yellow and clothes and red eyes.

Lila Slater: Lets finish this bastard.

Terra: With pleasure.

Shanan: Time for him to pay for his crimes.

Shanan, Terra and Lila charged up powerful energy blasts!

Terra: YOU CAN'T CONTROL ME ANYMORE!

Shanan: THIS IS FOR ALL THE PAIN AND SUFFERING YOU CAUSED!

Lila Slater: GIVE MY REGARDS TO KING TUT ASSHOLE!

They fired waves of energy and they hit the ball of rock and he light of their power burns the rocks outline. From-the-ground shot of the rock with Slade's head; that terrible glow stands out as a brilliant sphere in the dim upper expanse. It intensifies greatly and starts to spread down the sides of the Rock, then blossoms into a massive and infernal explosion!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

SLADE WAS DEAD AND OBLITERATED IN THE EXPLOSION!

Tara reverted back.

Terra: (chuckles bitterly at Tara) Nice leotard.

Tara: (chuckles bitterly as well) You're making fun of my leotard? You're the one with the bad looking armor.

Terra: Touche.

Now the entire underground complex begins to tremble as a jet of lava fountains up behind the Titans and the group.

Robin: Terra's power! It's triggered a volcano! (Another eruption; Cyborg checks his forearm panel.)

Nico: OH NO!

Cyborg: Big enough to take out the whole city! And way too big to stop! (Another one, which Raven blocks.)

Raven: We have to get out of here!

Nico: COME ON GUYS!

(Robin signals retreat, and all but Beast Boy follow.)

Eli: RETREAT!

Beast Boy: Terra! (She floats down to him amid the cataclysm.) Come on! We gotta go!

Terra: (resolutely) I have to stay.

Nico: Terra! Come on!

(The lava is now rising quickly, and more rocks are coming down.)

Beast Boy: (horrified) No!

Terra: I'm the only one who can stop it.

Nico: Terra no!

Beast Boy: Please, Terra, you can't! It's too late!

(She brushes the hair from her face, giving him a clear view of both eyes for the first time since she left him in the funhouse to join Slade.)

Terra: (smiles) It's never too late.

(His face softens as he realizes what this decision means; both for Jump City and for the flawed hero finally finding redemption, and Terra gives him one last hug. Close-up: Terra's eyes are filled with tears.)

Terra: You were the best friend I ever had.

Shanan: **No Terra! Not again! I watched you die like this before and I will not let that happen to you again!**

Nico: Terra, let me stop the volcano.

Terra: But stopping that might kill you!

Nico: It's better then you dying after you just freed yourself from Slade.

Tara: Or the three of us can combine our powers to stop it.

Nico: Besides we have the power to do so.

Shanan: **Lets do it!**

They flared up their powers and unleashed a massive energy blast and it stopped the volcano!

Nico: YEAH!

Eli: That did it!

Robin: It sure did.

Lila Slater: Thank goodness.

Shanan: **One last thing to tie up.**

Then Slade's spirit appeared.

Shanan: **I've had it with him.**

Shanan went over to him and drew a Kanji on him.

Shanan: **UZUMAKI SECRET BLACK JUDGEMENT ART: BLACK GATE!**

The spirits of everyone he killed over the years appeared and they found him guilty and obliterated him and Slade was gone forever! Shanan powered down.

Nico: Good riddance.

Terra: Thank you guys. (Crying) Robin, guys I'm so sorry!

Robin: Terra it wasn't your fault. Slade forced you to do all that against your will.

Cyborg: Yeah little missy you redeemed yourself.

Starfire: We realized now that you were punished enough by Slade.

Raven: I agree there.

Nico went over to Tara and rubbed her back.

Tara: Ahh. Thanks Nico.

Eli: But this is gonna be one amazing story to tell the team.

Shanan: It sure will. And now we've seen the last of Slade Wilson.

Nico: Yes we have.

Terra and Beast Boy then did something that was awesome. They kissed for the first time.

Lila Slate: Oh that is so adorable.

Nico: After what they went through, Those two deserve to be a happy couple.

Eli: Yep.

Shanan: Dad always knew they were special too.

Tara: Yep. Lila what's your favorite memory with Nico?

Lila Slater: I have a lot of them but my favorite has to be where Nico and me discovered a sapphire cave in Sri Lanka and that was so awesome.

Nico: I remember that. It was amazing.

Eli: That must've been a beautiful sight.

Lila Slater: It sure was Eli.

Then Lila and Nico hugged.

Nico: I really missed you.

Lila Slater: Me too Nico. Me too.

Shanan: Awesome. Robin, guys, I'm sorry about all the trouble that Slade has caused to you.

Robin: It's all right Shanan. But the important thing is that we've now seen the last of him.

Eli: We sure have. But there are many more villains out there. So you must remain vigilant.

Robin: We will Eli.

Robin then gave Nico, Eli, Shanan and Lila Teen Titans communicators and Tara was already in the Teen Titans. Terra Redeemed herself.

Nico: Awesome! Thanks Robin.

Terra: What about Ternion?

Nico: The fusion of Cinderblock, Overload and Plasmus? Don't worry we'll face him later. But I have a feeling he'll be one of our frenemies in the future.

Eli: Yeah.

They went back home later and told us everything that happened and it was amazing.

After Nico's rescue, Lincoln, Me, Nico, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, Sima Shi, Sima Zhao, Sun Jian, Guo Jia, Zhang Bao, Guan Xing, Cao Cao, Liu Bei, Sun Quan, Sima Yi, Jiang Wei, Yukimura Sanada (Samurai Warriors), Keiji Maeda (Samurai Warriors), Kanetsugu Naoe (Samurai Warriors), Hanzo Hattori (Samurai Warriors), Musashi Miyamoto (Samurai Warriors), Heathcliff, Sonja (Heathcliff), Riff-Raff, Hector (Heathcliff), Wordsworth, Mungo, Cleo, Leroy, and Mallow are heading to Las Cruces, New Mexico, and not only is Lincoln going to rescue the twelve girls there, but we're also going to help the Quests take down Von Romme and stop him from digging for uranium and selling it all to terrorists to make nuclear weapons.

Lincoln: Wow, we're here in Las Cruces, New Mexico, and I know what we're going to do here, not only am I going to rescue the twelve girls there, but we're also going to help the Quests take down Von Romme and stop him from digging for uranium and selling it all to terrorists to make nuclear weapons.

Me: That's right, big guy. As soon as Nico and his group came back, we got a call from the Quests, and they told me that Von Romme is in New Cruces, New Mexico, digging for Uranium, and he's going to sell it all to terrorists to make nuclear weapons.

Nico: That bastard's in huge trouble for treason and many more crimes, not only with the FBI, but also, with us.

Suddenly, we saw lightning crackling in the skies and thunder booming, but it was a clear day.

Lincoln: Whoa, did you guys see that?

Eli: We sure did.

Lincoln: And we're also going to meet the Wattaildragon Gene-Slammer who's here, and I also feel a very powerful psychic presence here. And thanks for joining us, Mallow.

Mallow: You're welcome, Lincoln. I can't wait to teach that jerk, Von Romme, a lesson.

We continued onwards, and we also saw more lightning crackling in the skies above us.

Lincoln: More lightning? There's no doubt that it's the Wattaildragon Gene-Slammer, alright.

?: HELP!

Suddenly, Lincoln heard the sound of twelve girls calling for help. With his deep sapphire blue cyborg eyes and superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the twelve seven girls, along with the Quests, but they've been cornered by Von Romme, and he's going to kill them, and he also has his army of mercenaries with him.

Lincoln: Guys, I found the twelve seven girls, along with the Quests, but they've been cornered by Von Romme, and he's going to kill them, and he also has his army of mercenaries with him.

?: (Croatian Accent) That greedy, psychopathic, murderous excuse for a human being, he needs to be stopped for good.

Just then, we saw the Wattaildragon Gene-Slammer appear before us in a flash of lightning.

Lincoln: That Croatian Accent, I knew it was you, Gallie Kenovich, but we'll have to talk later, we've got to put a stop to Von Romme.

We rushed on over, and Lincoln fired a powerful barrage of rainbow energy balls and elemental forces, which hits Von Romme, and it allowed the twelve girls and the Quests to get to safety, and Gallie Kenovich fired a powerful blast of lightning and electrocuted Von Romme's mercenaries. When Von Romme saw us here, he was enraged.

Von Romme: How dare you get in the way of my business, Team Loud Phoenix Storm! I will kill all of you, along with the Quests, for ruining my plans!

Lincoln: Don't even think about it, Von Romme.

Gallie Kenovich: (Croatian Accent) And you're not going to get away that easily. Before Lincoln and his group arrived, I already sent all of the information about your plans to mine for Uranium and sell it all to terrorists to make nuclear weapons, along with your shady business deals in the past to the FBI, and they'll be here any second now, which, according to my calculations, gives us enough time to pummel you into the dirt.

We were amazed and stunned at how Gallie Kenovich was able to accomplish all of that before we arrived at Las Cruces, New Mexico.

Me: (Stunned) Whoa, how did she do all of that before we even got here?!

Nico: We'll find out about all of that from Lincoln later, right now, it's showtime.

Lincoln unholstered his improved massive Sword of Universal Hope and Elemental Bravery from his wider and muscular back and he transformed into Super Angel-Ebonwu-Thunderbird Eternity Infinity Elemental Thunderbird Buffalo Angel of Universal Justice and Elemental Hope, The TLPS Bad Guys Gang transformed into their

Super Angel Infinity forms and unholster their massive swords, Sima Shi, Sima Zhao, Sun Jian, Guo Jia, Zhang Bao, Guan Xing, Cao Cao, Liu Bei, Sima Yi, Sun Quan, and Jiang Wei got out their weapons, The Samurai Warriors got out their weapons, Lincoln's sisters transformed into their Super Angel Infinity forms and unholster their massive swords from their backs, Lincoln's sisters transformed into their Super Angel Infinity forms and unholster their massive swords from their backs, Lincoln's harem unholster their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Eternity Infinity Stellar Darkness Demon Hound of Dark Compassion and Demonic Justice, and he unholstered his massive Sparda's Demon Fang of The Demon Hound sword from his wider and more muscular back, Mallow, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their swords, Hector got out his massive Heaven's Maw of Judgement sasumata pike, and Me, Nico, Nicole, and Eli unholstered our massive swords and transformed, and we went at Von Romme, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time Energy, Gravity, and Magic, steel orbs, stars, rainbow flames, rainbow crystals, orange flames, blue flames, ice, green flames, and water, and they exploded with incredible power as they hit him.

Then, Gallie and Lincoln fired powerful blasts of blue and rainbow super lightning at Von Romme, and electrocuted him and knocked him out, and Lincoln tied him and his mercenaries up in rainbow energy straitjackets and rainbow energy chains, and then, a few minutes later, the FBI came here and they loaded Von Romme and his hired mercenaries into armored trucks, and carted them off. We all cheered wildly as we holster our weapons on our backs and power down.

Lincoln: That's it for that bad businessman. (To Gallie Kenovich) And it's so good to see you again, Gallie Kenovich.

Gallie Kenovich: (Croatian Accent) You too, Lincoln, it's indeed been six years since last we met, I knew it was you when I sensed your presence.

Lincoln went up to Gallie Kenovich and they hugged, and Gallie

Kenovich was also very surprised at just how much taller and much more muscular Lincoln's gotten since she last saw him.

Lincoln: It sure has been a long time, I haven't seen you when you were eleven, and as you can see, I really grew a lot since then.

Gallie Kenovich: (Croatian Accent) Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the eleven-year-old cute little boy into a 17-year-old 7'0" tall and very handsome and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, that's awesome.

Me: Whoa, Lincoln, you know her?

Lincoln: Indeed I do, J.D., this is Gallie Kenovich, she's from Croatia, and she's not only as fast as lightning, but she's also the smartest one out of my Guardian Angels, and you're in for two awesome surprises: she has powerful knowledge more powerful than that of Lisa, Dexter, Levi and the geniuses combined, and she has psychic powers that allow her to utilize 100% of her brain power.

We were really surprised and stunned.

Me: Whoa!

Nico: Holy crap, she not only has powerful knowledge which is more powerful than that of Lisa, Levi, Dexter, and the geniuses on the team, she also has psychic powers that allow her to utilize 100% of her brain power, that's really awesome.

Lincoln: And since she's fast as lightning, it made sense she'd be transformed into the Wattaildragon Duel Monster.

Gallie Kenovich: (Croatian Accent) And I have a really horrible revelation involving the Lila Rossi from our universe, and what she was going to do to Marinette, Paris, and everyone there.

We gasped in shock.

Lincoln: We'll hear about that later, let's get you back to normal. Boys, you know the drill, and Nicole, you know what to do?

Me, Nico, Eli, and the rest of the boys cover our eyes as Lincoln snapped his fingers, and Gallie Kenovich was reverting back to normal. Gallie Kenovich is a beautiful 17-year-old girl with long neck-length electric blue hair, electric blue eyes, fair skin, she's 6'5" in height, she had the body of a goddess, and she has massive electric blue angel wings, as she reigned in the power of The Wattaildragon, and she's in her birthday suit.

Lincoln: How do you feel, Gallie?

Gallie Kenovich: (Croatian Accent) I feel incredible. (Realizes she's in her birthday suit) But, I'm also in my birthday suit, and I also know you have a new outfit and sword for me.

Lincoln: (Smirks) You know me too well.

Lincoln gave Gallie Kenovich her new wardrobe, a sleeveless electric blue vest, sleeveless electric blue midriff top, electric blue skirt, electric blue pants, blue sneakers, and a long electric blue sleeveless trenchcoat with lighting bolts on the coattails and on the back is The Wattaildragon, and on her back is a large Wattaildragon-themed sword with a 6'5" massive, wide, double-edged, man-sized electric blue blade with The Wattaildragon etched on it, Wattaildragon's wings for the crossguard, large electric blue gem for the hilt, longer black handle, and a large electric blue gem surrounded by angel wings for the pommel.

Gallie Kenovich: (Croatian Accent) Wow, I love the new outfit you made for me, Lincoln.

Suddenly, a Thunderbird Necklace of Eternal Love appeared on Gallie Kenovich's neck with electric blue gems on the gold lightning bolts and electric blue crystal links from her new Crystal Necklace of the Buddha, which merged with her Thunderbird Necklace of Eternal Love.

Gallie Kenovich: (Croatian Accent) Newton's Theory, is this…?

Lincoln: Yep, that's a Thunderbird Necklace of Eternal Love, which means you're now part of my harem and my many future wives, Gallie.

Gallie Kenovich had a smile on her face and tears coming from her eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around her waist and he leaned down and he kissed her on the lips, and she returned it, and we cheered for them. Then, we went up to the twelve girls here, and when Lincoln saw them, they immediately recognized them. The twelve girls are Ooguro Mikiko and Shihonmatsu Hamako from Animation Runner Kuromi, Asagaya Minoa, Kamiigusa Arisu, Kouenji Miko, Akabane Tsubaki, Aoyama Erika, Obata Yui, Osaka Ayame, Toda Matsuri, and Yang Beibei from Anime-Gataris, and Cinderella from Cinderella Monogatari.

Lincoln: Oh wow, it's Ooguro Mikiko, Shihonmatsu Hamako, Asagaya Minoa, Kamiigusa Arisu, Kouenji Miko, Akabane Tsubaki, Aoyama Erika, Obata Yui, Osaka Ayame, Toda Matsuri, Yang Beibei, and Cinderella.

Nicole Knudson: From Animation Runner Kuromi, Anime-Gataris, and Cinderella Monogatari, awesome.

Lincoln: Are you girls okay?

Ooguro Mikiko: Yeah, we're okay, thanks to you for saving us from that greedy businessman.

Then, when Ooguro Mikiko and the other eleven girls saw who it was that saved them from Von Romme, their faces turned atomic red upon seeing the 17-year-old 7'0" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide right pec and it was surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top was the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, and Buffalo, and below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Lightning Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, and Golden-Hearted Lover, Father of Many Kids, Son, and Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry Bastards, Talented Comic Book Writer and Video Gamer, God of Truth and Justice, and Ambassador and Beacon of Hope to The Universe", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it and a kanji that read "Spiciest Man of The Loud House" on his broader and muscular left shoulder, and a Mark of Manhood tattoo of a bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

He had his massive Sword of Universal Hope and Elemental Bravery holstered on his wider and muscular back, his orange Crystal Saber holstered on his left hip and his Eater of Sins revolver holstered on his right hip, the Pisces the Fish constellation and Aquarius Zodiac sign on the back of his neck and the Cygnus the Swan constellation on the back of his massive left hand, large weighted orange bands on his massive biceps and thighs with silver phoenixes on them, his large gold Cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, massive and indestructible deep sapphire blue angel wings and the stars and blue nebulae reflecting on them with rainbow tips on the large deep sapphire blue feathers, and he was dressed in an orange version of He Man 2002's loincloth with hanging silver lightning bolts and long orange trenchcoat coattails with elemental forces, Thunderbirds, Phoenixes, and Buffalo on them and with hanging mini silver lightning bolts held up by his large gold Belt of Elemental Bravery with a large gold buffalo head with orange gems for eyes and a large orange gem in its mouth for the belt buckle on his waist, a pair of large blue pants with multicolored lightning bolts on the thighs with the orange kanjis "Savior of The Loud House, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of The Thunderbird, and The Unifier of The Three Kingdoms" on the left legs, and large white leather combat boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and armor on the toe area, silver Buffalo head stud earrings with the Thunderbird and Eternity Kanji on it, large Thunderbird Necklace of Eternal Love with colored gems on the gold lightning bolts and orange crystals from his merged large Crystal Necklace of The Buddha with a large deep sapphire blue gem in the shape of a Thunderbird on top of a silver Buffalo head with the Thunderbird and Eternity Kanji on his neck and across his bare chest, large fingerless orange gloves with the symbol of The Loud House on it and surrounded in a diamond formation are a Phoenix, Thunderbird, Buffalo, and Angel, a large Orange Buffalo Animal Spirit Ring which merged with his Ring of The Phoenix on his left ring finger, large Blue Lantern ring on his right ring finger, he had eight large orange orbs orbiting around his legs, and circling around his feet on the floor are eight golden crosses with angelic runes.

Ooguro Mikiko: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made eleven clones of himself, and he and the eleven clones went up to the girls, and hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrap their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Ooguro Mikiko: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, twelve Thunderbird Necklaces of Eternal Love appeared on the necks of Ooguro Mikiko, Shihonmatsu Hamako, Asagaya Minoa, Kamiigusa Arisu, Kouenji Miko, Akabane Tsubaki, Aoyama Erika, Obata Yui, Osaka Ayame, Toda Matsuri, Yang Beibei, and

Cinderella with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha. We return to the World Tree Estate, and we told everyone what happened in Las Cruses, New Mexico, and they were shocked when they found out the villain we went after was Von Romme.

But, when Lincoln showed what we did to Von Romme, everyone cheered wildly for Lincoln and the rest of us, and they hugged us, and the girls in Lincoln's harem then went up to Lincoln, and they kissed him all over. Lincoln and Gallie Kenovich now have a lot of catching up to do, now that she's back home, and thanks to Gallie handing all the evidence of Von Romme's crimes to the FBI, Von Romme was convicted for his crimes, and he was sent to The Neptune Cryoprison, where he was frozen and put in a special cell kept in Sub-Zero temperatures, and he'll remain there for the rest of his life, and the same went with his hired thugs.

---

After putting a stop to Von Romme's illegal Uranium mining operation, we were training intensely in the gym, this time, doing 150,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Gallie Kenovich saw Lincoln working out like crazy, she had an atomic red blush on her face.

Gallie Kenovich: (Croatian Accent) Whoa, I was right that Lincoln has really grown to be a 17-year-old 7'0" tall, really big, and really strong man, just look at those abnormally massive and powerful muscles hard at work, and to work out with those 9,500-lb barbells and not even get tired, incredible.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Gallie, and now, I can also defend myself.

Gallie Kenovich: (Croatian Accent) That's incredible.

Me: It sure is, Gallie. So, what's this really horrible revelation involving our universe's Lie-la, and you also said that she was planning on doing something really horrible to Marinette, Paris, and everyone in the city?

Gallie Kenovich: (Croatian Accent) You won't like it, J.D., along with you and your friends, Marinette. I was on vacation in Paris with my parents, and then, I felt something very dark from Lila Rossi, and it wasn't good. I used my psychic powers, and I found out that she's planning on hooking a detonator to Marinette, which'll also be hooked to a massive bomb. All she has to do is kill Marinette, and then, the detonator will go off, and the bomb will explode, destroying Paris, and killing everyone in the city. I wasn't going to let that evil, little, condescending cow get away with it, so I used my psychic powers to hypnotize her, and I got her to confess her crimes to the public.

We were horrified by the revelation.

Me: I knew that she had a rotten brain and even more rotten black heart, and she tried to do the same thing that Rotwood and his group tried to do to May.

Nico: Yeah. But, it's a good thing that bitch is now trapped in Solitary Confinement, thanks to Lincoln yesterday.

Me: So, what did you do to her after you made her spill the beans, Gallie?

Gallie Kenovich: (Croatian Accent) (Smirks) Trust me, you're going to bust out laughing when I tell you all this. After I got her to spill the beans, everyone was enraged, and they wanted her head on a pike. But, I decided on what to do with her: I dumped buckets of tar on her, covered her in feathers, and put a beak and rubber glove on her. Everyone laughed hard at her, and I also sent the picture to Marinette and her friends, and they laughed hysterically at her.

When we saw the photo, we busted out laughing hysterically at what Gallie Kenovich did.

Me: (LAUGHING HYSTERICALLY) OH MAN, OH, THAT WAS WAY TOO FUNNY! CALL A DOCTOR, NICO!

Nico: (LAUGHING HYSTERICALLY) I THINK YOU SHOULD ALSO CALL A DOCTOR FOR ME, AS WELL, THIS IS WAY TOO HILARIOUS!

Marinette: That was way too hilarious, it's still funny even now!

Lincoln: (Laughing Hysterically) The classic tactic of tarring and feathering and turning her into a chicken, that was way too hilarious.

We then got a shower afterwards, and then, we were on our way to Japan, because Lincoln's going to meet Julie Makimoto's parents, and they've heard a lot about him from Julie, and the rest of us came as added support.

Lincoln: I can't wait to meet your parents, Julie.

Julie Makimoto: You'll love meeting them, Lincoln. I've told them a lot about you, and I also told them that I'm part of your harem and one of your many future wives.

Me: That's right, and things have been really peaceful now that Barodius is gone for good.

TLPS Mr. Wolf: What he's done in the past has proven that he deserved to be wiped from existence for all eternity.

Nico: You got that right, TLPS Mr. Wolf.

Me: However, should he dare return, he's getting a one-way trip to The Black Gates.

Nico: You said it.

We then arrive at Julie's home, and it was an amazing house.

Lincoln: Alright, just like before, I'm ready to meet my future in-laws. Okay, Julie, you can ring the doorbell.

Julie rang the doorbell, and as soon as her parents heard it, they opened the door, and when they saw Julie here, they ran out to hug her, and she also returned the hug.

Mr. Makimoto: Julie, it's so good to see you.

Julie Makimoto: You too, Dad and Mom. Plus, I've got a surprise for you both.

Lincoln then went up to Mr. and Mrs. Makimoto, and they already knew who he is, thanks to Julie. Plus, they were also surprised to see the 17-year-old 7'0", handsome, white-haired, and extremely muscular man.

Mrs. Makimoto: Oh, why, you must be Lincoln Loud, the man that my daughter's spoken about.

Lincoln: Yes, that's correct, Mrs. Makimoto.

Mr. Makimoto: Wow, Julie wasn't kidding when she told us about you, you sure are one big and strong man.

Me: (Laughs) That he is.

We then went inside their house, and we talked with Julie's parents and they've known about all of our adventures, and Julie also showed them pictures of the dates that she's had with Lincoln and the members of his harem, and they were happy to see it.

Mrs. Makimoto: And I know that one day in the future, you and Julie will be married, and I know that when the day comes, it will truly be the happiest day of your lives.

Lincoln: Indeed it will, Mrs. Makimoto. Oh, speaking of which, it's time for me, my harem, and my kids to go on our date.

Me: The same goes with me, my harem, and my kids.

Lincoln: It was a pleasure meeting you both, Mr. and Mrs. Makimoto.

Mr. Makimoto: You too, Lincoln, and you kids have fun.

Julie Makimoto: We will. Bye, Mom, bye, Dad.

We then said our goodbyes to Julie's parents, and then, we returned home, and Lincoln, his harem, and his kids, along with me, my harem, and my kids are about to head to the world of Mario for our dates, but in different locations.

After meeting Julie's parents, Lincoln, his harem, and his kids are about to head to Whimsical Waters in the world of Mario, and me, my harem, and my kids are heading to the Water Park in the world of Mario.

Lincoln snapped his fingers, and the 17-year-old 7'0", white-haired, handsome, and extremely muscular teen was dressed in large orange swim trunks with a phoenix, thunderbird, buffalo, angel, and elemental forces on it, along with his large weighted orange bands with silver phoenixes on his massive biceps and thighs, his jewelry, large orange sandals, and eight large orange orbs orbiting around his legs, and he also had his weapons holstered, in case of trouble.

I snapped my fingers, and I was dressed in large red swim trunks with a phoenix, angel, and elemental forces on it, along with my large weighted rainbow bands with silver phoenixes on my massive biceps and thighs, my jewelry, large red sandals, and eight large planets and stars orbiting around my legs, and I also had my weapons holstered, in case of trouble.

Lincoln's harem and my harem were dressed in two-piece bikinis in their favorite colors, sandals, along with their jewelry, and they also had their weapons holstered in case of trouble.

And Lincoln's kids and my kids were dressed in swimsuits in their favorite colors, sandals, along with their jewelry, and they also had their weapons holstered in case of trouble.

Lincoln: Alright, J.D., everyone, are we ready?

Me: We're ready, big guy.

Lincoln, me, our harems, and our kids went out of the World Tree Estate, and we headed for the world of Mario, and Lincoln, his harem, and his kids head for Whimsical Waters, and me, my harem, and my kids head for the Water Park. When we arrived at our locations, we were amazed.

Lincoln: Wow, we're here in Whimsical Waters, we're so going to enjoy getting wet.

Me: Wow, we're here in the Water Park, we're so going to have tons of fun here on the rides, and we're also going swimming in the waters in this one.

Lincoln, his harem, and his kids dived right into the waters at Whimsical Waters, and me, my harem, and my kids got started by going on the rides from the Ferris Wheels to the roller coasters. Then, we also dived right into the waters, and we also got wet from deep-sea diving as well. Then, both of our groups went to the picnic areas to have lunch that Lincoln and I packed for the dates. Then, as the sun was about to set, Lincoln and I made clones of ourselves, and Lincoln and his clones went up to the girls in his harem and me and my clones went up to the girls in my harem, and we picked them up in our in their abnormally massive and powerful muscular arms, and as the sun turns orange, we passionately kissed and hugged with supercharged and intense passion. Then, they came back home to the Estate, and we were in their original clothes.

Nico: Hey, guys, how was your date?

Lincoln: It was awesome, Nico, we went to Whimsical Waters in the World of Mario.

Me: And we went to the Water Park in the World of Mario.

Lincoln and Me: Whoa.

Nico: Whoa is right, you guys both had your dates in the World of Mario, that's really awesome. But, I'm also glad you guys had tons of fun.

Me: We sure did.

Lincoln: You said it, we both had fun, and everything has been okay while we were gone?

TLPS Mr. Wolf: That's right, we've been keeping an eye on the Estate while you guys were on your dates. Oh, and we had to lock up the beer, just a precaution for when we go into the Ultimate

Marvel universe.

Lincoln: Nice one, TLPS Mr. Wolf.

Me: That might not be easy though, you know our mascots are capable of pulling tricks, TLPS Mr. Wolf?

TLPS Mr. Wolf: Hey, you're talking to the leader of The Bad Guys, and I know every trick in the book when it came to bank robberies and pickpocketing in the past, so those mascots can't pull one on me.

TLPS Mr. Snake: Or on any of us.

TLPS Ms. Tarantula: You said it.

TLPS Mr. Shark: Besides, when we go into the Ultimate Marvel universe, we need to be prepared, ready, and alert.

TLPS Mr. Piranha: Yeah, and bringing beer is going to cause trouble.

Lincoln: I agree with you guys, and I hate to see what kind of security you got to keep the mascots out of the beer cabinet.

Nico: At least, it's not with how you kept your sisters from getting into the chocolate that you use for your Chocolate Pies, that was with the Mascots.

Lincoln: Actually, not anymore. I decided to use a keypad with hyper-encryption technology and a built-in retinal scanner that only responds to my retinas, and if Lisa tried to hack it, I asked Gallie to include an anti-hack security system designed to outsmart a genius like Lisa.

Gallie Kenovich: (Croatian Accent) That's right, and it was an incredible marvel of technology that you invented, Lincoln.

Lincoln: Thanks, Gallie.

Nico: Yeah, I saw it for myself, and that was really impressive, big guy.

---

Later, Nico, May and a few members of the team were heading out.

Nico: Look, J.D., I can tell you're probably still mad at me for us having to team up with Zurg and his minions. But I think he's worthy to be in the Masters of Evil now. (sighs) I'll leave you alone to cool off. Me and the Stunticons are going for a drive. Coming, May?

May: Sure.

Maria: Me, William, Ken Masters, Skywarp, and Skydive are coming too.

Vegeta: I think I'll tag along as well.

Me: Nico wait! (They stopped) No I'm not mad at you for any of that and you made the right call with Zurg and teaming up with them in that world and I'm proud of you for that. You made the right call on that.

Nico: Thanks man. Glad you accept that.

Me: Same here. But you go have fun. I'm gonna head to the Simulator for blowing off some leftover steam. I'm going to practice for the upcoming battle against All For One and all the villains on April 7th.

Nico: That's great you want to be prepared for this. All right. Go for it.

Me: With pleasure.

I went to the simulator and Nico and everyone left.

I was in the simulator and I was gonna prepare for the upcoming battle.

The Simulator Activated and I found myself in Hosu City. It was an abandoned city west of Tokyo.

Me: So the hideout of all the villains of MHA is in Hosu City. Now we know where to go on April 7th. This is gonna be awesome.

I looked around and then I saw a really tall tower.

Me: That must be their main HQ. All right then. (Cracks Knuckles) Time for some action.

I fired an energy ball and it hit the tower and exploded with incredible power in a massive fiery explosion and sent the tower crashing into the ground and destroying it. Then out of the rubble came all the villains.

Tomura Shigaraki

Tomura Shigaraki (in Japanese: 死柄木弔, Shigaraki Tomura), born as Tenko Shimura, is the main antagonist of the My Hero Academia franchise. He serves as the archenemy of Izuku Midoriya.

He is the leader of the League of Villains, whose overall goal is to become Japan's next greatest villain. For a while now, Tomura had no clear conviction and relied on his master, All For One, to provide every resource he needed. His initial objective was to destroy the society of heroes, specifically All Might who he held great hatred for.

Ever since All For One's imprisonment, however, Tomura has slowly begun to learn and develop into a more independent villain and formed a conviction where he desires to destroy everything he despises, ultimately wanting to bring down society as a whole. Upon defeating Re-Destro and his Meta Liberation Army, Rikiya submitted to his commands and made Tomura the grand commander of the Paranormal Liberation Front.

He is voiced by Kōki Uchiyama and Arisa Sekine as a child in Japanese and Eric Vale and Emily Fajardo as a child in the English.

In the past, Tenko Shimura was a young boy, born to Nao and Kotaro Shimura. Tenko lived a normal, but strict life with his family. He loved heroes and would often play with his friends and discuss about them, but because his father detested heroes, due to his mother abandoning him, Tenko would be punished for bringing up any topic relating to heroes. At the same time, Tenko was developing a rare, but unusual Quirk that would cause itchiness.

At some point, Tenko and his older sister Hana snuck into their father's office where they came across a picture of their paternal grandmother, Nana Shimura. They learned that she was a hero and decided to keep it a secret among each other. Kotaro eventually found out, however and decided to punish Tenko by slapping him and voicing his hatred of heroes (by extension his mother). That night, Tenko would sit outside in the dark and cry, as no one in his family tried to help and comfort him. He was left alone with his dog, who was the only form of comfort that he had at the moment, until he accidentally killed his dog with his Quirk.

Due to his inexperience with his Quirk, Tenko proceeded to kill his entire family, starting with his sister, who had come to apologize but had been killed by accident. His mother and maternal grandparents later witnessed the scene in horror, only for them to be killed in the process. His father eventually came to see the massacre that took place and Tenko begged him for help, as the area around them was destroyed. A crying Tenko ran to his father for help. However, Kotaro attacked him in order to get him to stop. Unfortunately, Tenko's instincts were roused up to the point where he proceeded to attack and kill his father with full intent, while destroying his family home. At that point, Tenko's humanity had disappeared and became a whole new entity. Tenko recalled feeling satisfied at ending his father's abusive treatment.

He was later left alone in the streets with vague memories of his past until he was approached by the man that would become his sensei, All For One. When All For One took him in, he revealed that Tenko had killed his family and the only things that remained of them were their hands. This revelation brought Tenko into despair, but All For One assured him that he will be able to teach him how he can control his feelings of anger and hatred and that he must direct them towards the society of heroes.

Tenko later found himself getting into trouble with two crooks on the street. He later came home in tears, but All For One encouraged him to let out his true potential and pursue what he truly wants to do. Tenko later came back to those same crooks with the hands of his family members attached to him and killed the crooks. All For One later collected their hands and offered them as gifts to Tenko. Tenko then proceeded to attach their hands to him.

It was from here where All For One decided to rename the young boy "Tomura", a word that signals the sorrow of death and parting but also to celebrate a new age of Tenko Shimura. He then gave him his last name, "Shigaraki", granting Tenko his new name; Tomura Shigaraki. From this point on, All For One began to raise the young boy as his new successor and the new face of evil.

Tomura secretly slipped in through the media crowd and destroyed the gate, allowing them to slip in. He and the other villains first appeared at the training site where the students were practicing. When he did not see All Might, he was frustrated and decided to use his force to attack all the other heroes there as a way to draw All Might's attention. He fought Eraserhead, impressed that the latter can hold his henchmen off and called him cool. However, Nomu was responsible for defeating him. Seeing that All Might wasn't around, he tried to attack the students but All Might eventually appeared.

Amused at All Might's appearance, he watched as All Might fought Nomu but soon watched as the latter sent Nomu flying. He was encouraged by Kurogiri who had seen that Nomu had weaken All Might and tried to attack him as well but Izuku intervened but Tomura was unable to kill him because more heroes appeared. After being wounded from a gunshot, Tomura decided to retreat with Kurogiri.

While they were able to retreat, he complained to Kurogiri that they were unsuccessful in their objectives to take out All Might and ended up losing their men, including Nomu. He was instructed by an individual to start looking for new men for the organization.

Later on, Tomura watched the Sports Festival on his computer and was carefully observing Izuku during the event.

After the Sports festival, he met with the Hero Killer Stain. He decided to let him join the League of Villains since they were in desperate need of a new member. The two then got into a skirmish where Stain pinned him down. However, Tomura remained defiant and Stain was surprised by Tomura's declaration of wanting to destroy the society revolving around All Might.

After discussing the values of the League of Villains, Stain asked to go to Hosu to continue his work. Kurogiri then teleported Tomura, Stain and himself to city of Hosu. As Stain took off to try and cleanse Hosu of the "fake" heroes, Tomura began complaining about Stain and his motives. He decided that he wanted to unleash a few Noumu's upon the town to destroy it.

As the Noumus were getting defeated by the heroes and Stain fell in battle against a few heroes, Tomura got infuriated and decided to leave the town. The next day, he read the news and was frustrated that Stain got recognition from fighting the heroes and that his Noumus did not get any recognition from the media.

Tomura later was introduced to new members of the League of Villains, Himiko Toga and Dabi. Tomura was very unpleased by their praise of the Hero Killer and attempted to kill them, but was prevented by Kurogiri from doing so. Eventually, Tomura leaves the room out of spite.

Tomura later decides to confront Izuku at a public mall in his civilian appearance. He took the teen as hostage and asked him a couple questions about himself and the Hero Killer. Izuku states that while his and the Hero Killer's motives were because of the inspiration of All Might, he could understand what the Hero Killer was aiming for as he never gave up on his dream, while Tomura ultimately abandoned his cause.

Tomura then begins to realize why he's constantly failing, and it's all because of All Might. Coming to this realization, he concludes that all of Stain's ideals and convictions have been nothing more but a stepping stone for him. He decides to leave when Izuku's friend, Ochaco Uraraka, questions him. He left the mall thinking about his grudge against All Might.

Tomura commissioned the Vanguard Action Squad to attack the Yuuei students at night when they were on their summer school trip to enhance their powers. He ordered them to capture Katsuki Bakugou and placed a hit for Izuku Midoriya and other students at

U.A. The attack ultimately resulted in many students getting minor to major injuries (some of which would have to get hospitalized), Katsuki and Ragdoll getting captured, and the trip coming to an abrupt close.

Tomura wanted Katsuki to join the side of the villains. He was a bit frustrated when Katsuki declined his offer and states that All Might was his hero and that he would always support him. Tomura decided that he did not have time to deal with Katsuki's defiance and sought power from his master to convert him to the dark side. As he was about to attack Katsuki, All Might and the other heroes broke in to rescue Katsuki. At the sight of All Might's appearance, Tomura recalled his past and yelled at All Might out of spite. Tomura's master took each of the villains and Katsuki with a black sludge substance and teleported them to a destroyed warehouse on the other side of town.

As Tomura's master tried to fight All Might who came to save Katsuki. Tomura tried to capture Katsuki again but he was saved by the combined efforts of Izuku, Tenya, and Eijirou. Tomura's master decided to teleport Tomura and the rest of the villains away from the area where he was fighting All Might for their safety. Tomura was unwilling to leave, concerned for All For One's condition but All For One told him that he should continue his plans. When his master was defeated in his fight against All Might, Tomura was furious.

After their crushing defeat, Tomura and the League of Villains form a new hideout for themselves and remain hidden out of the public eye for the time being. Eventually, they are later approached by the the leader of the Eight Precepts of Death, Kai Chisaki.

Chisaki told Tomura about his failures and how his lack of tactician allowed the heroes to arrest Muscular and Moonfish, including the arrest of Stain. Chisaki wanted Tomura to join his organization and that together he would have a greater power to take down the hero-dominated society. His meeting with Chisaki became harsh as Chisaki killed Magne for attacking him and severed Mr. Compress's arm. Tomura tried to kill Chisaki to avenge his comrades but killed one of his men instead when Chisaki used him as a human shield, much to Tomura's disgust.

Despite their conflicts, Tomura decided to have the League of Villains join in the Eight Precepts. He sent Himiko Toga and Twice to Chisaki's headquarters to help Chisaki against the heroes who plan to invade his house, secretly trusting them to betray Chisaki and ruin his plans, indirectly allowing the heroes to stop him.

After Chisaki's defeat, Tomura leads the League of Villains to attack him, with Tomura allowing Compress to compress one of Chiskai's arms as pay back for the loss of his arm while Shigaraki decays the other as payback for his actions against the League, leaving Chisaki quirkless. Shigaraki took his quirk removal drugs and stated that they will be the new overlords.

Prior to the events of the Hero Billboard Chart JP, Tomura and the rest of his league continued searching for more recruits, while Tomura personally has been trying to get in contact with All For One's doctor. Spinner, frustrated with the current state of league, demands what direction is Tomura exactly heading towards. Before he could respond, the two are interrupted by the arrival of the Gigantomachia, who has been looking for the league as well.

To see if he truly is a worthy successor, Gigantomachia engages him and the other villains in a battle, only to find himself beating them with ease, causing him to break down in tears. Eventually, the doctor speaks through the radio that Gigantomachia's been carrying around, subduing him with the voice of All For One and transporting the league to his hideout. The doctor introduces himself with the alias Daruma Ujiko and reveals that he's been producing a stronger variation of the Nomus known as High-End. Ujiko calls out Tomura for being a piece of trash that's accomplished nothing and asks what exactly does he plan to do as All For One's successor.

Tomura explains to him that he's felt nothing but anger and loneliness ever since he was a child and ultimately wishes to destroy the very things that he despises. He believes that with Ujiko's talents, he will be able to accomplish great things for the league. Ujiko laughs at how much of a pipe dream Tomura's goal is, but ultimately accepts his offer, believing that villains are the ones who make pipe dreams into a reality. Ujiko then sends the league back to Gigantomachia, in which Tomura reintroduces himself as the "future king".

A month has passed and Tomura continues to work on earning Gigantomachia's trust in him. As Gigantomachia would continuously attack him and the others, Tomura did not get any sleep. That did not appear to bother him, however, and instead developed him into more of a thrill seeker. He eventually gets in contact with Rikiya Yotsubashi, who challenges him to either face him in battle or to fall in the hands of the heroes.

Tomura, along with the rest of his companions, arrived in Deika City, where they are confronted by Curiousand Koku Hanabata. The two executives signal their army to attack the league, resulting in a battle between the villains. Tomura focuses on taking down them individually, as well as the other league. During the chaos, Tomura recalls a childhood memory of him and his sister, Hana, who showed him a picture of his grandmother and told him about how she was a hero. Despite his exhausted conflict with Gigantomachia, Tomura was able to take out a large group of the Meta Liberation Army by spreading his Quirk around them.

Meanwhile, Twice confronts Rikiya in the watchtower, where he's keeping Giran held captive. Twice then proceeds to create clones of other members of the league, including Tomura. The clones then attempt to attack Rikiya but are quickly defeated when he utilizes his Quirk. The real Tomura, however, manages to bring the whole building down, leaving him confronted with Rikiya alone. Tomura then attempts to disintegrate him by touching the ground, but Rikiya manages to avoid his attack. Rikiya then manages to land a hit on him, causing Tomura to lose two of his fingers on his left hand.

When Rikiya states how meaningless and hollow his ambitions truly are, Tomura frees himself from his grasp by decaying his finger and proceeds to go berserk, as the hands of his family that adorned his upper body are destroyed, causing him to recall various aspects of his past that constantly develops him into a more dangerous being. From here on, Tomura decides to let go of his past sorrows and unleash the true evil within him as he crushes the hand of his father.

With his newfound strength, Tomura proceeds to come into clash with Rikiya once more, destroying the city around them in the process. With the sudden turn of events, Rikiya decides to unleash one of his devices from the Detnerat Company to defeat Tomura once and for all; Cresto.

Despite Rikiya's best efforts, Tomura laughed manically and manages to overwhelm his opponent by proceeding to destroy the city around him with his sheer power, causing Rikiya to lose his armor and eventually come in contact with the decay when reaching the ground. With nothing left to continue on the battle, Rikiya is left laying on the ground, as Tomura watches over him, reminding him how he started this conflict. Trumpet, Spinner, and Gigantomachia eventually arrive to the scene, along with the Meta Liberation Army, who attempt to help Rikiya, but are scared when Tomura smiles at them. Trumpet was shocked his quirk was overwritten by fear while Rikiya calls off the army. Instead, Rikiya decides to surrender all of his resources and submit to Tomura's command, much to Tomura's amusement. Gigantomachia also acknowledges Tomura as All For One's Successor after seeing his great power in action.

In the aftermath, Tomura is announced to be the Grand Commander of the newly formed Paranormal Liberation Army. He makes the members of the League of Villains and high ranking members of the Metal Liberation Army into sub commanders. It is also revealed that one of the hands survived the destruction and Tomura now wears that hand over his face, though it holds no significant meaning. After the initial announcement, Tomura collapses and is contacted by Doctor Ujiko, who offers him the power he promised and requests that Tomura make a special delivery for him.

Tomura is next seen with Doctor Ujiko as he prepares to undergo surgery. Before beginning, Ujiko asks Tomura why he seeks more power, as he's become destruction incarnate after awakening his Quirk. Tomura explains that his newfound power isn't unbeatable, and that he isn't going to underestimate the heroes again and intends to utterly destroy them the next time they meet. Ujiko is amused by Tomura's answer and informs him that the operation he's about to go through will grant him power greater than All For One himself and even allow him to obtain the very Quirk he created: One For All. However, the process will take four months to complete and he'll experience endless pain the entire time, something Tomura has no issue with.

A month after Tomura Shigaraki started the operation to become more powerful, he was seen still going through it, with it being extremely agonizing and gruesome as Dr. Ujiko had assured him. The Doctor was impressed that the process seemed to be going better than he originally planned as he excitedly cheered Tomura on from the sidelines as numerous tubes and wires were shown sticking out of his spine and head, while a bigger mechanical tube operated on his midsection which had been completely torn open, all accompanied by copious amounts of blood. Despite the painful process, Tomura was fully conscious throughout it, laughing madly.

Less than a month before his surgery was completed, Tomura had been relocated to a large tube underneath Jaku Hospital, with Ujiko overseeing the completion of the process while using a clone of him created by Twice to handle everything else. When the Heroes launched a raid on the hospital, Ujiko ordered Johnny to warp him and Tomura out, only for the Nomu to be crushed by Mirko barging into the lab. While the High-Ends attack Mirko, Doctor Garaki flees the battle, hoping they will buy enough time for Tomura's operation to finish, which is at 71% completion.

However, Tomura's operation immediately gets interrupted once the other Heroes in Jaku Hospital back up Mirko during her struggle against the incomplete High-Ends. Kyudai desperately begs Mirko to stop her assault but the Rabbit Hero ignores him as Tomura's operation reaches 74% completion, telling the other Heroes that they cannot allow him to awaken.

Soon, Present Mic manages to destroy most of Kyudai's equipment with his voice, including Tomura's operation tank. This releases Tomura's unconscious body at a 75% completion state. X-Less then restrains Tomura's body and notes that he isn't breathing and his heart has stopped. Kyudai reveals he put Tomura into a state of suspension to lighten the burden of stabilization and that the container was meant to accelerate the stabilization process, support his system, and resuscitate him when necessary, all the while crying about how he lived for Shigaraki's sake.

While unconscious, Tomura experiences a facsimile of his warped past. Tomura explores the illusion and encounters many visions of his deceased family members that he accidentally murdered. He also encounters his father Kotaro, the man who was responsible for his unintentional Quirk awakening. Tomura then destroys the fake illusion of Kotaro, only to see a shadowy abyss swallowing everything up. Tomura walks forward and realizes that the man standing in front of him is an illusion of All For One.

Tomura walks forward but visions of his family, including Nana Shimura, try to stop him from falling into darkness. Unfortunately, Tomura coldly destroys the remaining bits of his humanity away and accepts All For One's empty embrace. Once the vision ends, Tomura snaps out of his subconscious dream and finally awakens from his deep slumber. Tomura slowly rises from the ground and mutters that he feels cold before unleashing his Decay Quirk and disintegrating the entire hospital and a large portion of the city; killing many heroes and civilians in the process. He then observes the destruction left in the wake of his attack, noting that Ujiko's operation was a success and he now has full control over his Decay. Tomura picks up Ujiko's phone and contacts Gigantomachia, ordering him to gather all the members of the Paranormal Liberation Front and come to his location as he's finally going to destroy everything in their path. However, Endeavorsuddenly appears to fight Tomura.

Suddenly, Tomura has an epiphany and believes that his father was right all along: quoting how he said that heroes only hurt their families to help others. He tells them about his philosophy that heroes ignore those who they believe they can't save (as Tenko had been in the past), and only protect the "common trash" who are overly reliant on heroes to protect them. Filled with hatred and disgust towards a system which has always rejected him, Tomura says this is why he became a villain and says the system is what makes heroes and villains. Suddenly, Endeavor fires a blast of fire, thanking him as his monologue allowed his flames to cool down, but he is completely unfazed by the flames.

Gran Torino tries to tackle Tomura, but the latter decays his leg and slams him into the ground. Gran Torino recognizes the villain's familiar face as a Shimura, thinking about how Nana Shimura gave up Kotaro when he was a child so All For One wouldn't exploit their connection, which in turn made Kotaro resent heroes and influence Tomura into being who he is today, a reflection of his father. Gran Torino remembers Nana crying as he comforted her, questioning the choices that they made before Tomura, the result of the Shimuras' mistakes, impales Gran Torino in the chest.

During the battle, All For One starts to possess Tomura's body, causing him to utter strange statements such as referring to Izuku as "little brother", confusing Tomura. The controlled Tomura grabbed Izuku, causing the hero to see into his mind as he fought with All For One over control of his own body. Tomura resentfully told All For One that he wanted to start his own path of villainy to be greater than his and he would not be his pawn, but All For One told him that he meant a lot to him and that he would be "the next me". Suddenly, the vestiges of Nana Shimura steps in to fight All For One, who tells her that Tomura's hatred towards her is causing the will of One For All to crumble away, but she and the other users resist their will, making Izuku and Tomura separate from each other.

## Himiko Toga

**Himiko Toga** is a major antagonist from the manga/anime series of *My Hero Academia* . She is affiliated with the League of Villains, and a member of the organization's Vanguard Action Squad. She is a suspect on the run for serial murders involving blood drainage.

Like Dabi and Spinner, she was inspired by Stain and his ideology and decided to join the League, which was believed to harbor the Hero Killer's cause. However, unlike the other two, she is only interested in Stain's ideals, simply because of bloodshed and murder.

She is voiced by Misato Fukuen in the Japanese version, and Leah Clark in the English dubbed version.

Himiko Toga was born in her family as the oldest daughter of out of her siblings. At a very young age, she found a deceased bird covered in blood. Finding the dead animal both pretty and cute, she could not help herself but drink its blood. Later wanting to share her joy with her parents and make them happy, she presented the dead bird to them with a bloody smile. Her parents were upset with her twisted nature. Worried how society would view their daughter and how that would reflect on them as parents, the two subjected Himiko to Quirk reformation where she was forced to suppress her natural instincts and not develop her Quirk.

Since Himiko's admiration of blood was caused by her Quirk and a natural part of who she was, this only caused her instincts to grow. In middle school, she was considered to be a very bright and friendly girl by her classmates and teachers until she was found drinking the blood of a boy named Saito that she fell "in love" with. Everyone looked at her with nothing but horror and disgust and as a result, she ran away from her middle school graduation.

Since then, she has been on the constant run from the law and became a suspect of a series of serial blood loss cases. Her parents also publicly cut all ties with their daughter after the incident, claiming that she was always a lost cause and branded her as a "creepy demon child", trying to deflect blame on their parenting by claiming that she was just born bad.

Himiko Toga was one of the few villains gathering together to the League of Villains, once Stain and his ideology were made public to the media.

Himiko first appeared at Tomura Shigaraki's base with Dabi as new recruits for the League of Villains. Here Toga expresses her psychotic desire to become like Stain and kill him. Tomura was not impressed by their praise of the Hero Killer, and tried to attack them out of spite, but his and their attacks were deflected by Kurogiri. Despite the hostile encounter, Tomura accepted them both into the League of Villains.

Himiko later appeared with a few other villains in the Vanguard Action Squad. Their objectives were to attack the U.A. students at the camp while they trained. During the attack, Himiko encountered Ochaco and Asui. She had a device that was being used to take blood from her targets. As the fight continued, Himiko held a conversation with Ochaco about a crush that she had. As the confrontation continued, Himiko retreated in the woods as the other U.A. students came to their location.

As she left the scene, she glanced at Izuku in his beaten up appearance from Muscular and blushed. She made it to the exit point of the forest where she waited for a villain to bring Katsuki

Bakugou with them. Kurogiri appeared and he was able to help the members of the Vanguard Action Squad retreat from the scene and capture Katsuki.

Himiko, alongside the rest of the league, kept Katsuki under them intending to make him join the League of Villains. With the help of the heroes and the U.A students, they were able to retrieve Katsuki from the villains. All For One also transported the villains out of the way to deal with All Might.

After All For One's defeat, the League of Villains scattered all over the place, in order to stay hidden from the police. On her own time, Himiko took the DNA of a girl named Camie Utsushimi and infiltrated the U.A students during the Hero License Exam. From there, she encountered Izuku Midoriya and attempted to capture his blood, while also wanting to know more about him. Eventually, she managed to make her escape with his blood and went back to the League of Villains caught.

Himiko reunited with everyone else in the league's new hideout. Twice brought over Kai Chisaki, believing him to be a new recruit, in which Himiko noted how different he is compared to them. When Chisaki departured with the Shie Hassaikai after a chaotic fight, Himiko asked if she could stab him, but Tomura refused.

Himiko and Twice were later briefly recruited as members of the Shie Hassaikai by Chisaki, after a meeting with Shigaraki. Before she meets up with Chisaki, she asks Tomura why she has to be stuck with partnering Chisaki. Tomura believes that she and Twice are capable and places his trust in them, assuring them with a smile.

When the heroes infiltrate and attack the Yakuza base, Himiko and Twice begin to make their move. As Mimic uses his Quirk to separate Rock Lock from his group, Himiko manages to fool him with a clone of herself made by Twice. She then sneaks up behind him and stabs him, sucking up his blood. When Aizawa and Mioriya arrive, Toga disguises herself as Rock Lock and attempts to play off as him. However, Aizawa was able to erase her Quirk, destroying her disguise. Aizawa then engages into a brief fight with her, having her wrapped around his cloth and pinned down. Himiko, however, was able to escape by maneuvering herself and get a stab in his shoulder. Aizawa manages to shrug her off after cutting her cheek with the knife she used. The two are then separated by Mimic once more.

Himiko eventually meets up with Twice, in which she helps keep his sanity stable by wrapping up his head with a bandage. Disappointed and uninterested in the Yakuza as a whole, Himiko abandons the group with Twice, ultimately wanting them to suffer in pain and humiliation. Eventually, the two managed to reach to the surface. Disguised as Midoriya, she falsely leads the heroes to Chisaki and Eri's location. Planning to capture Eri, she and Twice send a clone of Mr. Compress to capture her with his Quirk, but ultimately fails. Later on, she and Twice watch as Midoriya battles Chisaki at his full potential, remarking at how strong he is.

After Chisaki's defeat and arrest, Toga wanders around the street with Twice (who is still trying to maintain his sanity together). She then comes in contact with the real Mr. Compress and helps guide him to where exactly Chisaki is being escorted to. Mr. Compress reveals what he and the rest of the league plan to do with him, much to her pleasure.

After leading a massacre on the Creation Rejection Clan, Himiko and the other villains continued to keep a low profile while at the same time Tomura tried to get in contact with All For One's doctor. Himiko later takes part in a battle with Gigantomachia, who was seeking for the league to see who the successor of All For One is. After a brutal beating, Himiko and the rest of the league are taken away and introduced to the doctor, who addresses himself as Daruma Ujiko. After a conversation between Daruma and Tomura regarding his convictions, the league is sent back to deal with Gigantomachia.

A month has passed and while Tomura, Compress and Twice battle Gigantomachia, Himiko scouts the area with Spinner. When Spinner asks why she still remains with the league, despite their ideals not matching with Stain's, Himiko replies to him that he simply loves Stain and wishes to become the people she loves. Eventually, the two meet up with the other villains again and headed out to the city after Tomura received a phone call from Rikiya Yotsubashi to save Giran.

With Dabi later meeting up with the league, they headed out into the city where they encounter Rikiya's army and are forced into a battle with them. Himiko in particular battles one of the main executives, Chitose Kizuki, who exploits Himiko's past and her true nature through an interview, while at the same time putting her through a brutal battle. Eventually, Himiko shifts her face to that of Ochaco's and tags Chitose, as well as her followers. She then activates Ochaco's Quirk, causing them to float then releasing them, causing them to drop on the ground in a bloody mess.

Himiko later fled the scene in order to recover from her injuries but collapses from fatigue and blood loss. Twice eventually discovered her, who believed she was on the verge of death. He attempted to escape with her, but is prevented from doing so when Skeptic summons a clone group of Twice to capture the two. The clones attempt to kill Himiko while at the same time try to recruit Twice to join the Meta Liberation Army, but Twice eventually regains his sanity and forms a clone army of himself to save Himiko. Twice then measures and clones Himiko in order to perform a blood transfusion to save her life, whilst Twice's other clones go to assist the League.

Toga later recovers from her injuries at the hospital, revealing to Twice, who was mourning at a picture of her, that she is very much alive. She later watches Re-Destro's speech and comments on Tomura still having one of his hands (the only one that survived). Himiko and the rest of the League then walk to the stage as the League of Villains and Meta Liberation Army unite to become the Paranormal Liberation Front, with Himiko becoming a lieutenant of its Carmine Regiment.

A while later, Himiko fully recovers from her injuries with her eye remaining intact. She is present at Hawks' report that Endeavor would be taking on two new interns and she muses on one of them being Izuku, she soon thanks Hawks for the report and discusses their goal alongside the rest of her allies. Himiko then brings up Tomura's plan to destroy everything once he gains a handling on his powers.

After four months, Himiko is assigned as a commander of the Carmine Regiment alongside Skeptic, despite not liking him for trying to kill her and Twice. The villains are initially unaware of the heroes raid until they see the Gunga Mountain Villa mansion splitting apart and destroyed by Cementoss' Quirk.

Unprepared for the attack, the Paranormal Liberation Front send their lower-ranked soldiers to fight while the lieutenants evacuate. Himiko and Mr. Compress end up getting ambushed and nearly captured by a hero who restrains them both with his Quirk. However, Twice arrives and kills the hero with a knife to the back of the head. As the two villains get back on their feet however, Twice explains that he is unable to create anymore clones and begins melting, signifying the original Twice's death. Twice's clone approaches Himiko and gives her handkerchief back that she used to patch up his mask back at the Shie Hassaikai Raid, while explaining that Hawks had betrayed them and apologises for trusting him. Realising her friend has perished, Himiko embraces the clone and thanks Twice for saving her life.

Enraged by Twice's death, Himiko disguises herself as the same hero who attempted to capture her and goes on a blind killing rampage, slaughtering every hero in sight. She laments that it is hard to live and that all she wants is a world where she can be her, and that the heroes keep taking everything away from her. As Himiko's disguise wears off, Gigantomachia retrieves her and the other PLF lieutenants.

Following Tomura's orders, Gigantomachia heads for Jaku City while attempting to throw Mt. Lady out of the way. During this, Himiko and the others comment on what had just happened but the behemoth soon grabs all of them. The students of U.A. manage to subdue Gigantomachia while Red Riot climbs up the giant's arm and prepares to throw a sedative into his mouth, Himiko reacts quickly and throws a knife which shatters the sedative. However, Red Riot reveals to have another jar of sedative and throws it to the giant's mouth.

As more Pro Heroes join the battle, Gigantomachia manages to overwhelm the opposing forces and tears through multiple cities while destroying everything in his wake as the remaining PLF members follow behind.

As Gigantomachia presses forward, Mr. Compress sees Himiko viewing the distance and deduces that she is searching for "those U.A. scamps [she] loves so much." Himiko questions as to where heroes draw the line and asks if Twice was not considered a person in their eyes and if they plan to kill her as well. She then goes to find Midoriya or Uraraka to question them, despite Compress warning her of the dangers. Spinner speaks up saying that she isn't the only one who is shocked over Twice's death and tells her that although that doing as one pleases is "the villain way", that she should come back to them safely. Himiko thanks Spinner with a smile.

Himiko soon finds Uravity and Froppy, using her Quirk she disguises herself as an elderly woman and pleads for Uraraka to help her trapped husband. As Uraraka follows Himiko and comments on how fast this old woman can run, she replies by saying that she loves her husband. Himiko soon drops her disguise, much to Uraraka's shock and leads her into an abandoned house.

Himiko comments on how cute Midoriya and Asui are while the zero-gravity hero searches for her. Fully-clothed, Himiko ambushes Uraraka from behind and holds her down while questioning Uraraka as to what they plan on doing with her. Ochaco incredulously asks her if she lured her all the way out just to ask her that, and questions if she killed the old woman she disguised as for her blood. Ochaco angrily says that she wants to save as many people as she can and that if Himiko gets in her way, she won't hesitate to apprehend her.

Himiko glares at Ochaco in response as the latter manages to throw her off of her. Himiko comments that she is much stronger than last time, she then charges at Uraraka while explaining her way of thinking that she loves others and is unable to resist seeing them bleed out but knows that others don't think like her and can't accept her as a result. Because of this, Himiko finds it hard to live in society. She then explains how used Ochaco's Zero Gravity Quirk against Curious and her underlings, murdering them all in the process. Uraraka is horrified at this information and attacks Himiko with her wires only for Toga to dodge and strike back at her, knocking Uraraka into another room then wrecking everything inside. Uraraka stands up in anger, saying that she'd never use her Quirk to kill anyone and demands to know why Himiko wanted to talk with her.

Uraraka then notices Himiko pick something up and, much to her horror, realises that its the All Might keychain Izuku gave her for Christmas. Uraraka pursues Himiko around the house, demanding for her keychain back. Himiko questions as to if it's something precious to her which Uraraka confirms.

Himiko then mentions that Twice was somebody she cared about as well, and sees that Uraraka is the same as her for liking Izuku, who Himiko correctly guessed gave her the keychain. Uraraka retorts she has chosen to push those feelings down as she uses her new Super Move: Zero Satellite to drop wires and objects down on Himiko. Himiko dodges Uraraka's attacks and responds by saying that she has been doing the same since she was a child and that suppressing her feelings only made them grow further. Ochaco replies by saying that if the way Toga chooses to live harms people then she must also live with the consequences. Himiko responds by saying that she thought so, as tears begin to form in her eyes, which catches Uraraka off-guard.

Toga prepares to throw her knives at Uraraka, but Tsuyu storms in and strikes Himiko with her tongue. Tsuyu asks what Toga is doing here but the three are all distracted when Gigantomachia's movement makes the house shake. Himiko takes this opportunity to escape while Tsuyu prepares for if she plans to attack them again. Uraraka confirms that she ran away however, as she picked up her keychain left on the floor and wondered why Himiko was crying.

## Dabi

**Dabi** (in Japanese: 荼毘, translated as *Cremation* ), also known as **Blueflame** (in Japanese:蒼炎 *Sōen* ), is a major antagonist in the manga/anime series *My Hero Academia* . He is affiliated with the League of Villains and the leader of the organization's Vanguard Action Squad. Like Himiko Toga and Spinner, he was inspired by Stain and his ideology and decided to join the League, which was believed to harbor the Hero Killer's cause.

It is later revealed that Dabi is actually the eldest son of the Todoroki family, **Toya Todoroki** (in Japanese 轟 燈矢), who was long thought to have been deceased. His father, Enji Todoroki, sought out to make him his successor due to his powerful Quirk, but because of his weak constitution, his training was abandoned entirely. He is the archenemy of both his youngest brother, Shoto Todoroki and his father, Enji Todoroki.

He is voiced by Hiro Shimono in the Japanese version, and by Jason Liebrecht in the English dubbed version, who is best known for voicing Zeke Yeager in *Attack on Titan*, and Rob Lucci in *One Piece* .

Toya Todoroki was the first child to be born in the Todoroki household. He inherited his father's Quirk, but to a more powerful degree, as his Quirk allowed him to cast hotter flames. Toya was close to his father and strived to become a hero like his father and hoped he would be able to perfect his father's technique with his Quirk. Due to this, his father, Enji, made it his task to train his son as his successor who would surpass him and All Might. Unfortunately for him, however, Toya inherited his mother's weak constitution and as such, Enji decided to abandon his training. Toya refused to let go of this, however, believing he is destined to surpass All Might and so he would continue on his training on his own time.

Toya slowly began to feel despair for himself when his parents had two more children into the family, as he was being neglected. Despite this, Toya would still interact and play with his siblings when he had time to spare. When Enji learned that Toya was still trying to master his technique, he pleaded for him to stop as he was constantly getting burns on his skin. Toya refused, before lashing out towards Shoto.

Five years later, Toya is seen playing with siblings, but they are prevented from interacting with Shoto, as he was being subjected to their father's constant, harsh training. Toya could only watch as his little brother was being dragged away by their father. Toya later spoke with Natsuo about how he was in the wrong for putting Shoto in harm, but was greatly upset over their father neglecting them. Natsuo was not interested in talking, however, as he tried to go back to sleep, causing Toya to become upset.

Later on, Toya went on to train at Sekoto Hill once more, with the intention of continuing his training once more. Before he could leave however, Rei tried to stop him, as she suggested for him to go play with friends and to stop thinking so much about his father. Toya was frustrated with this and accused his mother of not knowing anything, saying she came from a poor family that sold her, which is why he was born.

Sometime later, Toya eventually under went a growth spurt as he trained on the hill. He discovered his flames turn blue because of his emotional state and felt great accomplishment of handling his Quirk, with tears of joy coming from his eyes. He later went to his father and asked for him to visit him at Sekoto Hill, with the intention of surprising him with his newfound techniques, as he believed he'll compete with Shoto and that he wasn't a mistake. However, this only added more stress and frustration to Enji, when he discovered the recently new burns on Toya's body.

Toya later went back to Sekoto Hill during the holidays, but was greatly upset when his father did not show up to see him. As Toya began to tear up, his quirk acted up and he eventually burned himself and the entire area around him. With the flames of his Quirk exceeding two-thousand degrees, it was presumed that Toya was completely incinerated from this incident, as only remains of his lower left jaw were found. His death alone had a great, negative affect on his family. A small altar was made by his father and placed in his room, who would often go there to pray, expressing his regret for the loss of his son.

In truth, Toya had survived this incident, but presumably suffered with terrible burns. He would hold extreme disgust and disdain to his father who slowly became the No. 2 hero. He would later dye his hair black and take on the alias, Dabi.

Dabi first appears in *The Aftermath of Hero Killer: Stain*, where he is shown to be watching a news broadcast about Stain's capture.

Later on, Dabi and Himiko Toga are recruited by Giran to join the League of Villains. The two then meet Tomura Shigaraki, who Dabi comments on about his gross appearance. Displeased, Tomura immediately demands Kurogiri to get rid of them, but he refuses as he wanted Tomura to at least hear them out. Giran then begins the introductions.

After Himiko's introduction, Giran introduces Dabi as a criminal who hasn't committed any major crimes and that he follows Stain's ideology. Dabi was not on board with the League of Villains, questioning about the league's motivations and was displeased of seeing the possibility of Himiko Toga joining.

Tomura asks for him to introduce himself, in which he does, but refuses to give out his real name. When Dabi brings up Stain's ideology, Tomura becomes extremely frustrated and attempts to kill him and Toga, as they prepare for him but Kurogiri managed to prevent this from happening. Tomura then leaves the building, who Dabi comments about how sickening he is.

Together with the Vanguard Action Squad, Dabi observes the campsite of U.A. While Toga bickers about her mask and Muscularwishing to rush in, Dabi tells everyone to remain silent and wait for everyone to arrive. Once all ten members arrive, Dabi begins to take the lead by burning down the forest. Dabi then takes on Shota Aizawa, catching him off guard. Aizawa was able to evade his attack, however and was able to successfully capture him after a quick battle. He then begins to interrogate him, but Dabi begins to turn into liquid and dissolves away. It is later revealed that was a clone and that the real Dabi was with Twice, who had made a clone of Dabi to keep the heroes occupied for the time being. Dabi then orders him to make two more clones to keep Aizawa busy again.

After Mr. Compress captures Katsuki Bakugo, Dabi waits for everyone to arrive before making their escape. Eventually, everyone arrives, including Toga, bringing back one sample of blood from one person, much to Twice's disappointment. Dabi eventually spots the remaining heroes chasing after them and attempts to hold them off once more while Toga and Twice battle them. Mr. Compress eventually reaches to him, but without the marbles.

Kurogiri then begins to open a portal for the Vanguard Action Squad to make their escape. They ultimately failed at capturing Fumikage Tokoyami, but Dabi was successful in capturing Bakugo. He personally taunted his brother Shoto for failing.

Dabi and the rest of the league are later present in the hideout, where they observe Tomura welcoming Bakugo to the team. The group of villains watch U.A.'s public apology regarding the villain attack on the camp. While Tomura explains to Bakugo that the League of Villains are aiming for a just society, Dabi sends Twice to free Bakugo from his restraints under Tomura's orders.

Once Bakugo is freed, he immediately attacks Tomura, refusing to accept their delusional ideology. Despite this, the villains are not afraid of him, with Dabi even thinking that he's a fool. Eventually, All Might, leading a group of heroes and the police charge into their hideout and restraint the villains.

However, the villains are suddenly saved by All For One, who uses Kurogiri's Quirk to create a warp gate for them to escape.

After All For One's defeat in the hands of All Might, Dabi begins searching for recruits for the League of Villains. He comes across a group of low life thugs that act hostile towards him, only for him to kill them, thinking of them as nothing but trash.

Dabi later accompanies Tomura, Spinner and Mr. Compress in capturing Kai Chisaki. The Pro Hero, Snatch, attempts to fight them off, but is eventually trapped in a marble by Mr. Compress, containing his fire. Mr. Compress asks Dabi if he is going to die. Dabi claims that only his upper half was composed of sand and was unsure whether he'd die or just be heavily injured. After Tomura finishes humiliating Chisaki and taking his Quirk bullets, he takes his leave with the rest of the villains.

Dabi is first seen giving out orders for High-End to accomplish. After High-End was defeated, Dabi eventually confronted Endeavor himself, surprised by the results of the battle. With his vision blurred out, Endeavor can barely recognize him, but from his voice, he can tell that Dabi is the one responsible for killing the Pro Hero, Snatch. Dabi unleashes his flames, trapping him, Endeavor and Hawks in a wall of flames. With the two heroes weakened, Dabi takes the opportunity to kill them, but he is stopped by the No. 5 Pro Hero Miruko. With her being present, Dabi forces himself to flee the area by calling out for Ujiko, but not before he calls out Endeavor's full name, planning to talk with him another time.

Some time later, Hawks meets with Dabi, revealing himself to be associated with the League of Villains (in reality however, Hawks was a spy sent from the heroes to gather info on the villains). Hawks is mad to find out that the Nomu, High-End, attacked today at the city and not tomorrow at a nearby factory. On top of this, he noticed that High-End was much different compared to previous Nomus. Dabi told him he changed his mind and that he wanted to see High-End's capabilities. Dabi tells him that it's not wise for him to place his trust on him and he was testing to see if Hawks was truly on his side. Eventually, the two depart their own way, with Dabi saying that though he won't let Hawks see the boss yet, he plans to contact him again.

Dabi is later seen at a dock nearby and begins to remember who Endeavor was talking about. He rubs his eyes which begins to drip out blood as he recalls when Snatch asked if he ever thought about the families of his victims, stating that he thought about them so much it drove him crazy.

Prior to the events of the Hero Billboard Chart JP, Dabi continued his search for more recruits to join the league, only to kill them back and forth as he struggled to find those that had any value. Making no progress, he eventually returned back to the hideout, in which he questioned why everyone was gathered up here instead of searching for new recruits, only for Toga and Twice to mock his actions at recruiting people. He later participated in battling Gigantomachia with his fellow league, only for them to lose.

Dabi and the rest of the villains were then transported to the doctor's hideout and noticed the amount of Nomus contained and how different they looked. Soon, the doctor revealed himself and introduced himself as Daruma Ujiko. After hearing Tomura's motive, Ujiko agreed to help him, as long as he can tame Gigantomachia. Dabi refused to take part and was more invested on searching for recruits instead, only for Ujiko to request for Dabi to test out the High Ends, though Dabi showed no interest in that either.

Dabi later accompanied the league after Tomura received a call from Rikiya Yotsubashi to challenge the Meta Liberation Army and rescue Giran from their clutches and took part in the battle. During the battle, Dabi engaged in conflict with one of the Meta Liberation Army's warriors, Geten and held his own against him for an extended period of time. Following the events of the battle, however, the Meta Liberation Army submitted themselves to Tomura's command. As a result, this allowed the League of Villains and Meta Liberation Army to unite as one. Dabi became one of Tomura's nine lieutenants.

Following this, Dabi later had a private meeting with Hawks, in which Hawks decided not to share his true thoughts regarding the formation of the Paranormal Battle Front.

Dabi was one of the nine lieutenants present during a meeting with Hawks, who informed them about Endeavor and how he's taken on three students on an intern. Dabi commented on how they haven't changed ever since the Training Camp Incident.

Four months later, Dabi is assigned the role as the leader of **Vanguard Action Guerilla Warfare Regiment: Violet**, alongside Geten. During the raid led by the Pro Heroes, Hawks confronted Twice in a private room. He was about to kill him, until Dabi interrupted the scene by firing his blue flames. Hawks rescues Twice from Dabi's attacks, causing the latter to commend that Heroes are always willing to save lives. When Twice breaks free of Hawks' grip, Dabi joyfully encourages him to go wild and that the others are waiting, yet Hawks kills Twice as he is too much of a threat to keep alive.

Dabi is enraged at Twice's death and burns away Hawks' feathers in retaliation. Hawks asks him if he cares about Twice being killed. Dabi admits that he does care about Twice's death (though only because he needed Twice to make his dream come true), and that he can't cry because his tear glands are all burned up. Hawks asks Dabi who he is, and the latter tells him his real name, though it is censored to the readers. Afterward, Dabi explains his motivations to a surprised Hawks: he claims that there are no "real" Heroes and he is the ultimate manifestation of Stain's will. Before Dabi can finish off Hawks, Fumikage arrives to defend him.

From there on, Dabi reveals to Fumikage that Twice was killed in battle by the hero he's defending, Hawks. Dabi asks why he bothers to show up here, claiming that the Pro Heroes are no better than they are. Fumikage states he's here, simply to protect his mentor, in which Dabi then accuses him that he's stopped thinking for himself. He then proceeds to attack Fumikage, in which Fumikage manages to avoid, thanks to Dark Shadow. Dabi continues to taunt both him and Hawks, while Fumikage awaits for Hawks's orders, who insists that he must leave the area, now. Fumikage proceeds to do so, resulting in a chase between him and Dabi, who attempts to finish him and Hawks off. He is interrupted by Geten's ice attacks, however, from his battle with the other Pro Heroes.

Dabi later rejoins with Mr. Compress, once Gigantomachia sensed Tomura's calling. Upon arriving, he asks Mr. Compress where the other lieutenants are, in which Mr. Compress tells him that he was suppose to be with them together. He then senses that Twice was killed and explains to them that he tried to calm down Himiko, but failed as she has gone ahead and entered in a state of berserk against the Pro Heroes. The two observed both her and Gigantomachia from that point on, unleashing their wrath upon the Pro Heroes.

Eventually, Dabi and the other lieutenants managed to get together and head off to Tomura's direction with Gigantomachia. Dabi believes that Tomura has finally awaken from his slumber and is currently battling the Pro Heroes on the other side, explaining to the villains why Gigantomachia has suddenly made his move. While Gigantomachia continues to battle against the heroes, Dabi prevents Skeptic from leaving, ensuring his safety. Dabi and the others play their part in creating obstacles for the heroes as means to prevent them from stopping Gigantomachia.

Gigantomachia manages to defeat the Pro Hero, Mount Lady, but he is then stopped by the group of heroes from U.A., who are working together to put him to asleep. Dabi and the other villains then work together once more to prevent them from doing so, in which they managed to defeat the heroes, allowing Gigantomachia to continue his rampage.

The villains eventually arrived to the scene where Tomura is at, in which Gigantomachia manages to rescue him before the Pro Heroes could do any more damage to him. From this point on, Dabi reunites with the Pro Hero, Endeavor and spots that his son is accompanying him, Shoto Todoroki. This allowed Dabi the opportunity to reveal to them on who he truly is. As he proceeds to wash away the black dye from his hair, he reveals to them that he is the long lost eldest child of the Todoroki family, Toya Todoroki.

He was disappointed to see that his own family couldn't recognize him at first, but nonetheless, he explains to them why he's committed the acts he's done as a result of the abuse he's lived under his father's selfish desires and dreams. He also brings up how he was deemed unworthy to carry on his legacy. He then reveals to them that all of this has been pre-recorded and is currently being broadcasted across Japan by Skeptic, with the rest of his family learning of his survival. Dabi then reveals that his plan was to originally kill Shoto some time after he succeeded his father, but changed his approach when he learned that his father managed to actually become the No. 1 Pro Hero instead.

He expresses his frustration over how his father refused to die during his battle with Hood in Kyushu, how Ending and Starservant had failed to kill him while reminding him that he never forgot what he did to him, stating that he intends to bring him down to his demise with him.

In disbelief, Endeavor denies that Dabi could really be Toya due to seeing him die, but the latter says that he really is Toya and taunts his father for being unable to suspect him, despite having so much fire-based heroes in the Endeavor Agency. As his pre-recorded video continues, he shows the audience his DNA test results to prove that he indeed has Endeavor's blood, and talks about Shoto being his final successful creation, but even then Endeavor abused Shoto many times from what Dabi had seen.

He claims that Endeavor doesn't have an empathetic bone in his body and he's obsessed with his self-importance and being in the limelight, which is anything but what a hero should be. Dabi also talks about Hawks and shows how he killed both Twice and Best Jeanist apparently without remorse, which makes sense since his father was a criminal so Hawks' origin had to be kept secret, and Endeavor captured that criminal and it was fate that caused them both to meet. Finally, Dabi gives a speech to the crowd that heroes are dishonest people who only care about their reputation to the public in order to hide their sins, as part of his goal to make the civilians lose their faith in heroes, who would be stupid if they didn't. Dabi thanks Endeavor for staying strong until now, so he could finish him off. However, his words come back to bite him when Best Jeanist turns out to be alive and restrains the villain, proclaiming his return to hero duty.

Dabi is in disbelief, claiming that he was sure that he saw Best Jeanist dead, but the hero says that Dabi has overreached and he'll come apart like inferior denim. Dabi says that him being alive won't change the Todoroki family's past and addresses Shoto, who is crying in anger. Nejire Hado attempts to strike at Tomura and Spinner, but Dabi blasts her with flames, taunting Endeavor that another child's bright future has been burned by his flames. Shoto attacks him and tells Dabi that he was responsible for Ending nearly killing Natsuo, even though Toya used to come to him for comfort when he was younger. Dabi only reacts that it was shameful since Natsuo's death would've really hurt Endeavor. Shoto calls him insane, and Dabi confirms that he has no feelings anymore and he will kill Shoto too, with a sadistic grin.

Izuku confronts Dabi, saying that he will protect both Shoto and Endeavor because Shoto is his friend and Endeavor was his mentor who made him better, and has the potential to change for the better. Endeavor is encouraged by Izuku's forgiveness and gains the resolve to fight back against Gigantomachia, while Dabi taunts Izuku about how he was only trying to show his truth towards the young hero and even then society is starting to accept it. After the end of the war, Dabi ultimately succeeded in his goals: turning the public against heroes via his video and ruining Endeavor's reputation as the No. 1 Hero. Dabi returns to the escaped villains' new headquarters, where he talks to himself about how Endeavor can't die without making a public statement about the mess he created, while celebrating his victory to himself and wishing for the rest of the Todoroki family to meet him in hell.

After recovering from the hospital, Endeavor realizes that he caused his son to become a mass murderer and he can't fight him, causing him to break down into tears and apologize to his family for everything he'd done to them. Rei comes in to talk to her husband about Toya, recalling how he used to idolize Endeavor and had an obsession with achieving his father's goal of surpassing All Might to the point where he would harm himself physically and emotionally while training. In concern, Enji tried to make Toya live his life normally, but his son says that with Endeavor as his father, he has ignited a flame within him and rushes towards his mother and infant siblings with his fire Quirk so that his father will finally notice.

Twice

**Jin Bubaigawara**, more known by his Villain name **Twice**, is a major antagonist in the manga/anime series, *My Hero Academia* . He is affiliated with the League of Villains and a member of the organization's Vanguard Action Squad.

He is a villain that can create clones of people or objects through physical contact. He suffers from severe dissociative identity disorder due to a past incident with his Quirk that drove him insane, and wonders if he's the true Twice or a clone that killed the original. He eventually discovered that he is the original, while providing help for his comrades.

He is voiced by Daichi Endou in the Japanese dub and Newton Pittman in the English dub.

In the past, Jin's parents were killed during a villain attack when he was in middle school; leaving him an orphan with no blood relatives to take him in, and having to focus on finding paid work. He ended up finding employment that gave him food, clothes and room and board. However, when Jin was sixteen, he accidentally ran over a young man with his motorcycle. While the victim survived, he had broken his arm in the accident. Despite obeying the speed limit and insisting to the authorities that the man jumped into the road without warning, Jin was given a criminal record due to the incident. When returning to work, he was punched by his boss after getting a complaint from a top client, who said that the victim was one of their workers and was furiously threatening to pull all their contracts with them. This resulted in Jin being fired, evicted and left homeless and alone.

Eventually, Jin's depression and loneliness became so severe that he used his own Quirk to create a copy of himself to comfort him and have someone he could trust and talk to all the time. He later created more copies to be his friends and used them to go on several crime sprees; making him one of Japan's most wanted criminals. Jin also abused his Quirk to create more clones to do all his work for him.

However, this soon backfired as the clones, being perfect replicas of Jin, began to rebel and claim that each one was the original. This resulted in them cutting Jin across his forehead then strapping him to a chair and engaging in a long, brutal fight that lasted nine days. Eventually, all the clones had killed each other and Jin was the only one left remaining. Since that incident, Jin has struggled to come to terms on whether he is the original or just another clone, and avoids serious injuries out of fear he'll disintegrate.

Sometime after this, he encountered Giran, who told him that there are a lot of people similar to him in the world and recommended he join a group of these similar people, introducing him to the League of Villains.

Twice first appears in *Good Evening*, where he and the rest of the of the Vanguard Action Squad plan to attack the U.A. students at their camp.

After the team separated on their own, Twice accompanied Dabi and created a clone of him to attack the students at their camp facility. The clone was later defeated by Shota Aizawa, much to Twice's criticism about Dabi's strength. However, when the real Dabi showed up, Twice contradicts himself by praising Dabi for his strength, leaving Dabi slightly confused. Dabi then orders him to create two more clones, in which Twice does so. He then sends the clones to keep Shota Aizawa and Sekijiro Kan occupied for the time being.

After Katsuki Bakugo's capture, Mr. Compress informs Dabi and the rest of the Vanguard Action Squad. Twice was very glad to hear such news, but was told by Dabi to wait for his return. Dabi points out how there is no gas or fires nearby to make their escape more successful, but Twice doesn't mind, as he claims that the plan doesn't always have to go accordingly. Immediately, Dabi heard noises behind some bushes (which in truth was Yuga Aoyama hiding in fear) and went to investigate, but was immediately stopped by Twice, who asked him to call back the Nomu, since he was the only one that could command it.

Eventually, Himiko Toga later regrouped with the two. Twice was unpleased with how she only got one sample of blood since she was told to bring back at least three. He noticed how Toga looked more cheerful than she normally does. He asked her why that was the case, in which she replied how she met some new friends and a boy that's fallen in love with. Believing she was referring to him, Twice was disgusted, saying he had no interest in taking her, while Dabi was trying to get them to be quiet. The three were eventually discovered by Izuku Midoriya, Mezo Shoji, and Shoto Todoroki, who had managed to defeat Mr. Compress. Twice commented on how he knew the three heroes, then immediately asks who they are.

After Dabi made the first attack, Twice attempts to fight Todoroki, but is pushed back by his ice wall but manages to dodge it with ease. He attempts to fight him once more but was defeated once again. Eventually, Kurogiri opens his Warp Gate for the Vanguard Action Squad to take their leave. Twice was one of the few villains that managed to escape.

After Bakugo's capture, Twice and the rest of the villains observed as Tomura Shigaraki welcomed Bakugo to their team. They then watch the U.A's public apology regarding the attack on the camp, which Tomura then criticizes for their failure of creating a just society. After explaining to Bakugo what the League of Villains is aiming for, Tomura orders Dabi to free him, but Dabi has Twice done it, being very cautious around Bakugo.

Once Bakugo is set free, he immediately attacks Tomura and attempts to intimidate the other villains. However, none of them are afraid, as he has no chance of escaping. However, the hideout is immediately raided by All Might and the rest of the Pro Heroes, who restrain the villains down. All For One rescues them by using Kurogiri's warp gate to give them their escape.

After All, For One's defeat, the League of Villains eventually split up, with Twice hiding back in an apartment. He eventually receives a call from Giran, who tells him that Tomura plans to bring back the

League of Villains together. After the phone call ends, Twice observes the villainous group, Team Reservoir Dogs, only to see that they have been beaten by the Shie Hassaikai.

Eventually, Twice rejoins the League of Villains and meets Kai Chisaki, believing he has come to join the team as well. This turns out to be false, however, as Chisaki plans to instead use the League of Villains as a stepping stone for him to accomplish his goals. Chisaki then sends his men to raid their hideout, which almost breaks out in a brawl. Eventually, the group of villains' leaves, leaving Twice furious, wanting to dispatch them. However, Tomura refuses.

During a meeting, Chisaki asks Tomura for Toga and Twice to temporarily join his group, to which he agrees, believing that they are capable and puts his fate in them. When the heroes infiltrate the Yakuza base, Twice makes a clone of Toga, which then attacks the Pro Hero, Rock Lock. Twice then later confronts Sir Nighteye with a clone of Rappa, only to be defeated very easily.

Twice eventually escapes the battle, having a panic about his mask being torn, due to his personality separating. Toga eventually meets up with him where she wraps his face together with a bandage, much to his appeasement. Eventually, the two were able to make their escape.

Twice still participated in various activities with his fellow comrades, taking part in the massacre on the Creature Rejection Clan. He later participated on subduing Gigantomachia, who had managed to find the current whereabouts of the League of Villains. Like the other villains, he was taken to Daruma Ujiko'shideout where he got to meet the doctor, as well as see the various High-End Nomus that he has been creating. Twice was then later sent back to their base, like everyone else.

A month later, Twice attempted to aid Tomura and Compress in subduing Gigantomachia once more, who has been attacking the League of Villains, non-stop. When Gigantomachia finally rested, the league regrouped themselves. Twice then receives a phone call from the villainous leader of the Meta Liberation Army, Re-Destro, who reveals that he's kidnapped Giran and challenges them to come and rescue him.

When the villains arrive in Deika City, they are ambushed by the Meta Liberation and are forced to battle them. The battle causes the league to separate, leaving Twice on his own for the time being. He eventually comes across a fatally injured Himiko, who had barely managed to win her battle with Curious. Twice attempts to save her, but becomes distraught when he is confronted by Skeptic's puppet group of Twice.

The puppets attempt to kill Himiko right in front of his eyes, while wounding him but after recollecting his thoughts and memories of his past, he realizes that in spite of his pain he has not disappeared, confirming he is indeed the original Jin. This restores his confidence in himself again and he proceeds to create a clone army of himself and sends them to attack the puppets, while carrying the unconscious Himiko away. He also sends his clone to attack the Meta Liberation Army in the city, aiding the other villains. In the meantime, Twice clones Himiko and attempts to save her life by performing a blood transfusion with her clone.

Meanwhile, one of Twice clones confront Re-Destro in the watchtower and continues to create more clones of himself, as well as clones of the other League of Villains. They then attempt to attack him, but Re-Destro easily manages to defeat them all. Before he could wipe them all out, however, the real Tomura brings the whole building down, leaving him confronted with Re-Destro.

After Tomura defeated Re-Destro, Twice and the other members of the League of Villains eat sushi after the battle. He mourns Himiko's death through a picture of her, before the real Himiko shows up and tells him that the picture is creeping her out. Twice then has an outburst, causing the others to comment on how he hasn't changed.

Twice met Hawks and formed a friendship with him due to sympathizing with his desire to build a better world. He asked Hawks to tutor him about Meta Liberation ideology, but unbeknownst to him, Hawks was a spy gathering the information from the villains and relaying it to the heroes to prepare them for the fight.

During the heroes' raid of the Meta Liberation Army's hideout, Hawks confronted Twice in private. He tells Twice that he was easy to manipulate and intends to turn him in when the war is over. Twice has an emotional breakdown over Hawks' betrayal, since he remembers the last time that he blindly trusted someone, it caused his friend Magne to be killed. Back to the present, Twice believes that it was his own fault for giving the information to Hawks, who caused the heroes to make the first move and gain the advantage. Had the Meta Liberation Army been the ones making the first move, they would have won. With all the blame and guilt on his shoulders, Twice lapses into despair and rage as he expresses his hatred of heroes.

Hawks tells Twice that deep down inside he is a good person and attempts to offer Twice a chance at reformation, but the villain refuses to trust Hawks ever again. Breaking down into tears, Twice unleashes a massive army of clones to attack Hawks, but he destroys them with ease due to the clones created by Double being weaker with each use. Twice is severely wounded in the confrontation, and laments how Himiko will never comfort him again. He attempts to make one last clone, only for it to be crushed by Hawks. As Twice is about to meet his end, Dabi saves his fellow villain's life and turns the tables on Hawks.

Dabi unleashes his flames to attack, yet not caring about Twice being caught in the crossfire. Hawks saves Twice, causing Dabi to comment on how heroes always instinctively save others. Twice then begins to escape, with Dabi stopping Hawks from pursuing him with his flames. Twice sees the war taking place and creates a clone to help them, but Hawks decides to kill him as he is too much of a threat. Twice's final clone saves Himiko and Mr. Compress by killing a hero about to detain them, but begins to melt away as he realizes that the original had "hit the concrete". He apologises to Himiko one last time while giving her back her handkerchief that she used to fix his mask beforehand, making her hug her fallen friend and thank him for saving her, greatly saddening her at also realizing that her friend had perished.

As the real Twice lays slowly dying, his last thoughts involve his gratitude towards Himiko and the League of Villains for providing him with a purpose in his life, making him as happy as he could have been.

Before Gigantomachia took the League to aid Shigaraki in the war, Dabi managed to retrieve a sample of Twice's blood from his original body and gives it to Himiko; knowing that her Transform Quirk allows her to use the Quirk of someone close to her heart. He then tells Himiko that they will help their late comrade keep his "Sad Man's Parade" marching by having her use his Double Quirk.

Kai Chisaki

**Kai Chisaki** (in Japanese: 治崎 廻 *Chisaki Kai* ), also known by his villain name " **Overhaul** ", is a major antagonist in the anime and manga series, *My Hero Academia* . He served as the main antagonist of the Shie Hassaikai Arc.

He is the leader of the Shie Hassaikai, a Yakuza organization comprised of villainous Quirk-users. Following the defeat of All For One, Chisaki believes he is destined to become the next ruler of the criminal underworld and plans to destroy the current Quirk society and return the Yakuza to its former glory.

He is voiced by Kenjiro Tsuda in the Japanese version of the anime. In the English dub, he is voiced by Kellen Goff, who also voiced Funtime Freddy, Freddy Fazbear, Diavolo, Fiddlesticks, and Techno Pirate. As a child, he was voiced by Caitlin Glass in the anime series, and Terri Doty as a child in video games. In the Korean Dub, he was voiced by Ho San Lee.

In the past, Chisaki was a young street child taken in by the Yakuza's boss. Hoping to repay him for his kindness, he has been developing bullets that could erase somebody's Quirk that he could sell on the black market. To achieve it, he used his Quirk, Overhaul, to take apart and reassemble a girl named Eri, who has the power to reverse a person's physical state. However, the Boss found Chisaki's actions unethical and was clearly alarmed by Chisaki's sociopathic mindset, threatening to kick him out of the yakuza. Only wanting to repay his debt to his father figure, he put him in a coma so that he could lead the Yakuza and distribute the Quirk Erasure Bullets, intending to wake him up once he completed his plan and showed him the results were worth it.

Chisaki is first seeing stopping a group of villains called the Reservoir Dogs, disassembling them and fusing them into parts of the truck. Believing them to be sick and in need of curing, Chisaki then heals and cures them of their sickness'. Chisaki then encounterts the villain known as Twice and is taken to meet the League of Villains.

Chisaki later meets Tomura Shigaraki and tells him about how he hopes to rise in the criminal underworld after the power vacuum set by All For One's arrest, much to Shigaraki's annoyance. He offers a merger with the League of Villains, but Magne is against the offer. After Magne tries attacking Chisaki, he blows up her upper body, and then severs Mr. Compress' arm after he retaliates. When Shigaraki tries to retaliate to avenge his comrades, Chisaki orders one of his minions to act as a human shield, protecting him. After Chisaki and Shigaraki calm down, Chisaki offers his business card to Shigaraki in case he wants to re-consider an alliance.

One day, during Izuku's internship with Mirio, Eri manages to escape Chisaki's clutches. Realizing they were in a situation where they couldn't stop him, Izuku grudgingly lets Chisaki take Eri back. When Chisaki returns to his lair, he kills another one of his lackeys for failing to restrain Eri.

He later has a meeting with Shigaraki, who demands to know what the quirk nullifying bullet is. Shigaraki is enraged and still feels as though they are not even, with Chisaki casually using one of his henchman as an expendable shield to protect himself while Shigaraki is angry over Magne's death and Compress losing an arm to Chisaki. Shigaraki decides to pragmatically work with Chisaki, offering him Twice and Himiko Toga, secretly trusting them to betray Chisaki.

When the heroes raid the Shie Hassaikai's hideout, he is seen talking to his father figure, apologizing and assuring him that everything will be alright. He encounters Togata Mirio, who manages to put up a decent fight. One of his underlings shot Togata with the Quirk nullifying bullet, but that didn't stop him. When he encounters Izuku, in an act of desperation, he fuses with Shin Nemoto. Chisaki manages to fatally wound Sir. Nighteye but after a brief fight with Izuku, Eri uses her Quirk to defuse them.

Chisaki then fuses with Rikiya Katsukame. After learning what Eri could do, Izuku lets Eri ride his back so that he can use One For All at 100% without hurting himself and manages to completely dominate Chisaki in their battle. With Chisaki defeated and arrested, the police convoy who's taking him to prison is intercepted by the League of Villains.

When Shigaraki has Chisaki cornered, he asks if he's going to kill him, but he has something worse in mind for him. Shigaraki has had a grudge against him for killing Magne and severing Mr. Compress' arm. As payback, he and Compress sever his arms, ensuring that he could never use his Quirk again. The League of Villains then make off with the Quirk Erasure Bullets while Chisaki is left in a helpless state screaming in sadness that not only had everything he'd worked towards been stolen from him, but he could no longer bring his boss out of the coma Chisaki put him in. Chisaki later receives medical treatment for his arms and had his Quirk remodeled, but due to his dangerous ideology, he was still imprisoned in Tartarus.

Chisaki remained in Tartarus still until Tomura raided the prison with the Near-High End Nomus. Though many villains escaped, Chisaki was still sealed inside his cell as he could not open the door, due to his missing arms, but he was eventually freed by another villain, allowing him to escape as well, with his goal being to reunite with his boss.

Chisaki met up with his rescuer, Lady Nagant, and told her about Izuku, who ruined his plans and suffered from "Hero Syndrome", making Nagant believe that it was fate. She asked him to identify Izuku, and he agreed on one condition. Nagant said she wouldn't take revenge for him, but Chisaki broke down and told her that he'd lost everything and his boss is the only one he has left, while silently apologizing to him.

Chisaki later accompanied Lady Nagant in which the two came across Izuku Midoriya, having him cornered. As Nagant attempts to capture Midoriya, Chisaki remains off in the corner, rambling about wanting to see his boss. Slightly annoyed with his presence, Nagant assured to him that he will see him once she's finished her mission, while at the same time wishing she had left him behind. Eventually

Nagant pointed her gun at Chisaki and threatened to shoot him though Chisaki was indifferent to this, only screaming at her to hurry up and finish so he can go back to his boss. Deku is shocked at the sight of his old enemy.

As she took her shot, Izuku saved Chisaki from the bullet, despite all the things he'd done to him and Eri, with the hero telling him they'll talk later. After breaking Lady Nagant's rifle arm, he told her that her aim was slightly off when threatening to shoot Overhaul, showing that she didn't want to kill him and she still had a conscience inside. Unfortunately, All For One triggered an explosion within her body, seeing her as nothing but his tool. As she regained consciousness and got detained, Kai worried that she wasn't supposed to get caught, as she was his only hope of saying sorry to his boss. When Izuku noticed, Kai insulted him, but after Izuku talked about what he'd done to Eri, he was eager to go back to her but still held no remorse for his treatment of her, only thinking of how to use her to heal the boss. Izuku made a deal with him that if he made amends with Eri, he would assist him to heal his boss in Nagant's place.

Stain

**Chizome Akaguro**, or better known as **Hero Killer: Stain** and formerly the vigilante **Stendhal**, is a major antagonist in the Manga/ Anime Series *My Hero Academia* . He is a Villain and former vigilante that is notorious for killing many Pro Heroes that go against his ideology. He serves as the main antagonist in the Vs. Hero Killer Arc.

He is voiced by Gou Inoue in the Japanese version who also voiced Keyloid from *Tokumei Sentai Go-Busters*, and Robert McCollum in the English dubbed version, the latter of whom is best known for voicing Reiner Braun in *Attack on Titan* and Donquixote Doflamingo in *One Piece* .

Sometime before the series Chizome was inspired by All Might to enter a private hero school to be just like him. However, he descended into hopelessness and despair after realizing that most students simply wanted fame and fortune. This caused Chizome to drop out and start the revival of heroes ideology but no one listened so eventually becoming the vigilante Stendhal using action and violence to change the world.

Chizome later took on a career as a vigilante named Stendhal, where he would kill villains. Around this time, he was working in a villain operation with Kuin Hachisuka, who was selling drugs to criminals that would enhance their Quirks. Later on, he got himself in a fight with the vigilante, Knuckleduster, who ended up smashing his nose. Stendhal eventually returned back to Kuin, only to betray her. Eventually, he cut off his entire nose completely and eventually becomes his current persona, Stain.

Stain was first mentioned in an incident where he nearly killed Ingenium. He later appeared on a building in middle of town. He began stating how people are misguided and that he will be the one to show them reality. He was approached by Kurogiri who asked that they could meet elsewhere.

Stain was brought to the League of Villains hideout where he met Tomura Shigaraki, who was interested in making him join his group. Stain had no interest, as he did not approve of Tomura's goals of destroying All Might and other people who stands in his way. Their meeting ended up becoming physical when Stain had pinned down Tomura but amused by his defiance. As the meeting with the League of Villains ended, he expressed interest in seeing Tomura develop with time and asked to be returned to Hosu so that he could resume his work.

Stain cornered a hero in the alley that he deemed a fake. He was about to kill him until Tenya Iida decides to confront him. Chizome did not want to fight the teen but the latter was insistent on getting vengeance on for his older brother, Igenium, that he nearly killed. After getting into a skirmish, Stain decides that he would kill Tenya since he did not uphold the true values of a hero and was blinded by vengeance and vigilantism. Izuku appeared soon enough to prevent Stain from killing Tenya.

The fight continued when Stain overwhelmed Izuku. He decides that he would spare Izuku's life since he is a true hero who is willing to save his friend. Stain turned his attention back to attempting to kill Tenya and other individual. Shoto also appeared as a back up to stop Stain from killing the men. The fight dragged on for nearly ten minutes until Stain was knocked out by a combined attack from Izuku and Tenya.

After the fight, Stain was immobilized and taken by the men and was about to be handed over to the police. When one of the Nomus tried to kidnap Izuku, he got up and immediately attack the Nomu. He saved Izuku and then decided to take him as a hostage. Endeavor appeared on the scene, as Stain let out an intense amount of blood lust which left everyone there in fear. Before collapsing from his injuries, he said that he would not want to be killed off by any of the *fake* heroes and that he deserves to be killed off by All Might. After collapsing, Stain was taken into custody by the police. His detainment became one of the major news outbreak throughout Japan and other places.

After his arrest and imprisonment, Chizome's ideology would become an inspiration to many villains and an excuse to commit horrible crimes against the public.

After All For One was defeated, he was later arrested and placed in Tartarus. Stain observed him, while still recovering from his injuries.

Stain was still kept imprisoned in Tartarus, along with many other villains, and appears to have fully recover from his injuries. He was originally planned to have a face to face meeting with All Might himself, but due to unknown circumstances, All Might had to delay the meeting.

Like the rest of the prisoners, Stain was freed from his imprisonment when Tomura proceeded to break into the prison with Near-High End Nomus, allowing him to escape. He eventually made his way to an abandoned building, presumably his home, where he came across his katana and unsheathed it. Free to operate under his own terms now, he proceeds to resume his duty as the Hero Killer once more. He then eavesdropped on Izuku's conversation with All Might, telling his mentor that he shouldn't worry about him since he can now take care of himself, before leaping away as All Might collapses and cries.

Yu Hojo

**Yu Hojo** is a minor antagonist in the manga/anime series *My Hero Academia* . He is a Yakuza affiliated with the Shie Hassaikai and a member of the organization's Eight Bullets.

He is voiced by Kenichirou Matsuda in the Japanese version, who also voiced Lloyd Reed and Zephiel in *Fire Emblem Heroes*, and by Eric Lopez in the English version, whom also voiced Future Blue Beetle.

Yu Hojo was once used to produce crystals by someone obsessed with greed, who would then sell them to make huge profits. However, once it was discovered that the crystals he made were worthless fakes, he was called useless before being beaten to near-death and left to die. Yu was later discovered by Kai Chisaki, who gave him the opportunity to become one of his men. Grateful for being given a sense of worth, he joined up with the Shie Hassaikai and became a member of the Eight Bullets.

Yu Hojo is sent along with Toya Setsuno and Soramitsu Tabe to ambush and stall the heroes invading the Shie Hassaikai hideout so Chisaki can escape with Eri. Mimic drops the main group of heroes inside a small room where the three prepare to battle them. However, Tamaki Amajiki decides to fight them alone to prevent the Pro Heroes from exhausting their abilities too soon. Yu and Toya attempt to attack the heroes, but Shota Aizawa erases their Quirks and gives Tamaki the chance to restrain the trio before he and the heroes leave to chase after Chisaki. Tamaki attempts to use this chance to knock the three out, but Toya manages to hit him with a surprise attack and give them enough time for their Quirks to return.

Yu then activates his Crystallize Quirk to break free from his bonds and assaults Tamaki with his crystal-enhanced attacks while Toya removes his defenses with his Larceny Quirk. However, he underestimates Tamaki and is overwhelmed when he uses the maximum output of his Manifest Quirk to repel them; forcing Yu and Toya to have Soramitsu wake up after he was knocked out by Shota earlier. Soramitsu then starts eating Tamaki's attacks with his Food Quirk, allowing the trio to completely dominate Tamaki with their teamwork.

Tamaki tries telling the villains that even if they defeat him, they're still going to be arrested by the heroes and authorities. However, Yu and the others explain that they've had no future for a long time and that they're completely loyal to Chisaki for giving them worth and are willing to sacrifice themselves for him. Tamaki tells them that they're just being used, causing Yu to become infuriated and claim that a hero could never understand their feelings before preparing to deliver the final blow. However, Tamaki breaks up their teamwork by blinding Toya and blocking Yu's attack by manifesting his Crystallize after he ate the latter's crystals earlier. He then successfully manages to knock the villains unconscious with a combination attack.

Yu is later arrested and imprisoned along with the rest of the Shie Hassaikai in the aftermath of the raid.

## Wolfram

Wolfram (ヴォルフラム Vorufuramu) is the main antagonist in My Hero Academia: Two Heroes. Wolfram is a power-hungry terrorist who desires to steal David Shield's Quirk Amplification Device and kidnap him to create and mass produce more into selling them in a black market.

He is voiced by Rikiya Koyama in Japanese version and Keith Silverstein in English version.

Nothing is known of Wolfram's past. But, he does reveal that before he began the staged invasion of I-Island, All For One contacted him unexpectedly, wanting to aid in his plans of his own volition (apparently just to torment All Might more, as his own friend was involved in it). Wolfram accepted his aid, which came in the form of him being granted a second Quirk, and unknown muscle/strength-boosting power.

Wolfram broke and entered I-Island and hacked into the security system, threatening to kill the inhabitants there. He also restrained all of the pro-heroes attending, including All Might and took David Shield and his assistant Sam hostage in order to break into the island's vault. The Class 1-A students and Melissa Shield plan to go to the 200th floor of the building that they were partying in to stop Wolfram's evil plans. Having lost their way to the party, Katsuki

Bakugō and Eijiro Kirishima venture into the building without noticing the hack.

When the students reach the 80th floor, Wolfram and his team become aware of their plan and attempt to apprehend them. While hiding in a plant room, the group attempts to escape from two of the villains until Bakugō and Kirishima accidentally cross paths with them and engage in a battle with the villains. Todoroki helps others escape to a higher floor and joins Bakugō and Kirishima in their fight. Mineta uses his Grape Quirk to climb up the tower and lower a ladder to allow the others to climb up with him. Wolfram's men send an army of sentry robots after both groups of students, which incapacitate Kaminari. Iida, Yaoyorozu, Jirō, and Mineta defend against the robots while Midoriya, Uraraka, and Melissa make their way to the top of the tower.

Uraraka uses her Zero-Gravity Quirk to carry Deku and Melissa to the security room before the robots overpower her. Just in time, Todoroki, Bakugo and Kirishima save her. Deku and Melissa continue working their way to the top. they discover David and Sam in the vault as they unlock a suitcase. It is revealed that David and Sam orchestrated the night's events with actors in order to steal back their greatest invention - a headset that maximizes the power of a person's Quirk. I-Island's top men decided that it was too dangerous, so they took their invention and research away, and locked it up so it wouldn't end up in the wrong hands. Deciding that All Might needed it to remain a hero and keep the world safe, David decided to get his invention back. Wolfram arrives, restrains Deku, and reveals that he is a true villain and not an actor. Sam then betrays David and gives Wolfram the suitcase, revealing that he worked with Wolfram to make sure he could sell the invention to other villains and achieve fame. However, Wolfram shoots Sam after getting the suitcase and David jumps in the way of another bullet in order to save his life.

Before Wolfram can kill Melissa, Midoriya breaks free in order to fight him. Wolfram uses his Quirk to hold off Midoriya and escapes to the rooftop, having kidnapped David so he can make more copies of said invention. Deku races to the top and attempts to stop Wolfram from taking off in a helicopter with David, but fails and falls from the helicopter. Melissa also takes back control of the security system, freeing the pro heroes and disabling the robots. All Might, now freed, races to the roof and stops the helicopter from taking off.

Wolfram, in a last attempt to succeed, uses the Quirk-Amplification headset to amplify his power and starts to overcome an already tired All Might, creating a giant body made up of metal parts and debris that traps David inside it. He overpowers All Might further with multiple Quirks and reveals to him that he is in league with All For One, who gave Wolfram an additional Quirk and helped fuel David's fall from grace in an attempt to demoralize All Might. The rest of the students soon arrive on the roof to help All Might and Deku who work together to finish the fight. The two throw a smash together that is ultimately strong enough to defeat Wolfram, destroy the Quirk-Amplification device and free David.

It is unknown about Wolfram's fate afterwards, but is presumably that he was left alone in the destruction or arrested for their crimes alongside his gang.

Spinner

**Shuichi Iguchi**, better known as **Spinner**, is a major antagonist in the manga/anime series *My Hero Academia* . He was affiliated with the League of Villains and a member of the organization's Vanguard Action Squad. He is now a lieutenant of the Paranormal Liberation Front.

Like Dabi and Himiko Toga, he was inspired by Stain and his ideology and decided to join the League, which was believed to harbor the Hero Killer's cause.

He is voiced by Ryo Iwasaki in the Japanese dub and Larry Brantley in the English dub, who also voices Hody Jones.

Shuichi had grew up living in Japan where he was mistreated by society, due to his appearance. He earned nicknames such as "Lizard Guy", much to his hate. This poor treatment made him felt empty for awhile and caused him to stay home for most of his time, until he witnessed the man that inspired him on TV, the Hero Killer Stain. Admiring Stain and his ideals, Shuichi believed that he could change the world and began to take on the path of villainy. Assuming the alias "Spinner", Shuichi decided to join the League of Villains, believing they were heading towards a similar direction to Stain's.

Spinner first appears in *The Aftermath of Hero Killer Stain*, where he is shown to be one of the villains inspired by Stain's ideology, wearing a costume and wielding weapons similar to that of the Hero Killer.

Later on, Spinner joins up with the Vanguard Action Squad on a cliff, planning to attack the U.A. students. Once the team split up, Spinner and Magne went ahead and attacked the pro hero Pixie-bob. Magne then gets ready to crush her head, but Spinner stops her, as well as calms down Tiger, due to his belief in Stain's ideology. Because of this, he recognizes Tenya Iida as one of the people that defeated Stain. Spinner introduces himself and declares that he will make Stain's dream become a reality. He then pulls out a strange looking sword and proceeds to charge forward to the heroes.

Spinner attempts to attack Mandalay, but she quickly used her Telepath Quirk to give him compliments. Being thrown off by her compliments, she was able to avoid his attack, much to his anger. She then attempts to attack him, but Magne used her Quirk to pull her away from him.

Spinner attempts to attack Mandalay once more with his sword, but it was quickly destroyed by Izuku Midoriya, leaving him to fight Mandalay without it. Realizing how powerful he is after Muscular's defeat, Magne attempts to kill Midoriya, but Spinner stops her dead in her tracks, once again believing in Stain's ideology, respecting his view of the young boy. Magne then scolds him for his action, and demands why he even came here in the first place, in which Spinner explains that only Tomura wants him dead and that he's doing it to respect Stain. Being distracted, Mandalay was able to knock Spinner down with a kick. Eventually, he was pinned down by her, but he and Magne were able to escape by going through Kurogiri's Warp Gate.

After successfully capturing Bakugo, Spinner was among the rest of the league, while Tomura welcomed Bakugo among their ranks. While watching the U.A.'s public apology, Tomura criticizes how unjust the current society of heroes are, to which Spinner agrees, stating that heroes today are only doing this as a job and nothing more.

Eventually, the league's hideout are raided by All Might's raiding team. The villains are then temporarily restrained by the heroes, until All For One interferes and transports everyone out.

Spinner accompanied Tomura, Dabi and Mr. Compress as they chased the police, who happened to be escorting Kai Chisaki after his defeat with Izuku Midoriya. Dabi insulted both Spinner and his driving skill, much to Spinner's irritation. While driving, Spinner questioned what Tomura was exactly aiming for here, unsure of whether they were following Stain's ideology or not. Tomura's reply was simply that it was a necessary sacrifice.

Spinner continues to accompany the league, in which he takes part of the massacre on the Creation Rejection Clan. The league return back to their hideout where they continue to lay low for the time being, though Spinner begins to question exactly how long they're going to be in here. As he's been living this lifestyle for some time now, Spinner finally snaps at Tomura and demands what direction he's towards with the league. Before Tomura could answer his question, the two are interrupted by the arrival of Gigantomachia.

After being beaten badly by Gigantomachia, Spinner and the rest of the league are taken to the doctor's hideout, where he reveals himself to be Daruma Ujiko and that he has been working on a stronger variation of the Nomus known as High-End. When Ujiko asks what Tomura plans to accomplish in All For One's foot, Tomura reveals that he simply wishes to destroy everything he despises and that with the combined force of the league, he can make that dream a reality. It was from here that Spinner showed great concern for the direction that Tomura was heading.

A month has passed and Spinner is seen carrying out his own tasks with Toga. When he asks her if she had joined simply because she liked Stain, Toga responds to him that she joined so that she can get the opportunity to be with everyone she loves. Spinner simply calls her a free spirit and continues to remain silent for the time being. When the League of Villains regrouped after Gigantomachia rested, they receive a call from Re-Destro, who challenges them to save Giran.

The League of Villains arrive in Deika City, where they are forced to battle the Meta Liberation Army. The league are eventually split apart, but Spinner manages to find his way regrouping with Tomura and Compress. Tomura eventually heads off to face against Re-Destro himself, leaving Spinner to deal with Koku Hanabata with Compress and the Twice clone army.

After Spinner and the remaining members of the Paranormal Liberation Front make their escape and when the war was over, All For One, who is taking over Tomura's body, ask Spinner and the remaining members to watch over his body while he rests. Spinner looks on sullenly at All For One, telling him he's not the one he chose to follow, but All For One tells him that he insists that he has the best intentions for Tomura's wishes, and that once his body is perfected, their desires will be achieved.

But before Yu can deliver the final blow, he blinds Toya to stop him from using his Quirk and blocks the punch by manifesting Yu's crystals after eating some earlier. Soramitsu tries to attack Tamaki, but stops when he puts Toya and Yu in the way, giving Tamaki the chance to defeat all three of them at once with a combination attack.

Soramitsu is later arrested and imprisoned along with the rest of the Shie Hassaikai in the aftermath of the raid.

Slice

Darwinist

Kiruka Hasaki, also known as Slice, is one of the two secondary antagonists (alongside Chimera) of the 2019 Japanese superhero anime film My Hero Academia: Heroes Rising and its upcoming 2021 manga adaptation of the same name.

Slice was voiced by Mio Imada in Japanese and Lydia Mackay in the English version, with the latter also voicing Kuroka in High School DxD.

Slice was born into a superhuman society with a potent quirk that allowed her to manipulate and harden her own hair, as well as fire off strands of it in the form of destructive needles. While her past is mostly unknown, she is seen in one shot resting in a trashed apartment room. Due to the power of her Quirk, she felt ostracized by society who labelled people such as her villains and monsters. She was eventually recruited by a villain called Nine, who sought to create a world where the strong ruled above the weak, a sentiment that Slice agreed with.

Nine

**Nine** (ナイン *Nain* ) is the main antagonist in the 2019 Anime movie, *My Hero Academia: Heroes Rising* . Originally a man outcasted by society, he became the test subject of Dr. Daruma Ujiko's experiment, which granted him the Quirk known as All For One, allowing to steal and use up to nine different Quirks.

He seeks to destroy society, in hopes of creating a new one where the strong rule over the weak. However, before he can accomplish this goal, he must find a way to cure his body as his Quirks have been destroying the cellular tissues in his body. He is one of the most dangerous villains Izuku and Class 1-A have ever faced.

In the Japanese dub, he was voiced by Yoshio Inoue. In the English dub, he is voiced by Johnny Yong Bosch, who also voiced Izuru Kamukura, Lelouch vi Britannia, Tohru Adachi, Yu Narukami, Izaya Orihara, Sasori, Ryuunosuke Uryuu, and Hector Doyle.

The man that would be known as Nine was born with a Quirk that allowed him to control and manipulate the weather around him. His Quirk was immensely powerful and was viewed as a god-like ability. At the same time though, Nine was one of the many who felt outcasted in society and believed that it should not be this way. Instead, Nine believed that he should be the one at the top of society's hierarchy, due to his powerful Quirk. Nine sought out to reshape society into his image, where the strong stand above the weak and powerless. His ideology has attracted those that would later become his close companions, Slice, Mummy, and Chimera.

One problem however was that his Quirk was doing a great deal of damage to his body. This was because his Quirk was too powerful for his body to handle and so he needed to find a way to cure this problem. This is where he would find himself meeting the League of Villains' doctor known as Daruma Ujiko. Nine presented himself as a test subject to Daruma's experiment, in hopes he would cure him. Daruma examined and was amazed at his Quirk, as well as how he was able to live so long, despite his body slowly dying. He was curious as to why Nine was interested in taking part in his experiment, in which Nine explained to him his history and his goals. Daruma eventually decided that he would in fact be a good candidate to use for his experiment and began the procedure on him. Nine was told that he would be kept stabilized into a capsule until the procedure was fully complete.

The experiment performed on him would grant him a cloned version of All For One's original Quirk, allowing him to steal other Quirks. What Nine didn't know was this experiment would only cause more problems for him in the future, but nonetheless, he thought of himself as nothing more than a guinea pig and went through with it.

Some time after the events of Deika City Incident, the League of Villains were tasked with transporting Nine's capsule, though not knowing what exactly they were transporting. Twice made clones of Dabi, Spinner and Mr. Compress to carry out the task and transport the capsule in an armored truck. Though as they were doing so, they were caught up by Pro Heroes on the highway, in which they were eventually able to ambush them and cause the truck to crash off to the side of the highway. Despite this, Nine had managed to awaken from his capsule and escape before the Pro Heroes could reach to him.

Nine later reunited with his comrades, in which he informs them about the power he obtained, granting him the ability to steal Quirks. On the other hand, he told them about the side effects that he received, which led Chimera to believe the experiment was nothing but a waste of time. Nine assured to him that he simply needed a Quirk to cure his illness and that in time, they will be able to achieve their ideal utopia.

Nine and the others carried out their plans by finding a person who may possess such a Quirk that would heal him. They eventually came across Katsuma Shimano's father, who Nine was able to deduce that he had a healing Quirk by scanning him. Nine then proceeded to take his Quirk and then uses his original Quirk to call up a storm and destroy the city around him. However, to his surprise, Nine still suffered pain from using this Quirk and realized that Mr. Shimano's Quirk was not compatible with him, as it only worked on those with blood Type-A, wheres Nine's blood type was Type-B. Slice then shows him a video from Mr. Shimano's phone of his children, in which Nine realizes that Quirks are inherited through genetic relations. Thus, Nine intends to meet with the children and take their Quirks, in hopes one of them possessed the one he needed.

Nine and the others eventually reached to the island, in which he sent his comrades to create a diversion to attract the heroes, in order for Nine to secretly carry out their true plan. Nine eventually confronts the two Shimano siblings, in which he uses his identification Quirk, identifying that Katsuma has the Quirk he is looking for. Before he could capture him, however, Izuku Midoriya manages to arrive and prevent the villain from stealing his Quirk. Nonetheless, Nine manages to overpower the hero and even tries to steal One For All from him, but is surprised to see that he is unable to do so.

Believing that he is prevented from having his Quirk, Nine instead decides to get rid of Izuku Midoriya entirely and focus capturing Katsuma. He blasts him, as well as the kids away with his air blasts, then paralyzes Izuku with his energy blasts. Katsuki Bakugo manages to arrive and help Izuku fight against Nine. The combined forces of the two causes Nine to forcefully use his Weather Manipulation, destroying everything around him. Now under the impression that the two have been defeated, Nine sets out to capture Katsuma once more, but the usage of his Quirk causes him to strain his body, forcing him in a paralyzed state. As a result, he is saved by one of his comrades, Slice, and the two relocate with Chimera in a nearby lighthouse to recover for the time being.

Having been well rested and healed from his condition, Nine is now determined to capture Katsuma at any costs necessary. He and his comrades make their way to Mount Shiroyama, after learning that everyone on the island, including Katsuma, has been relocated here for safety. The three managed to get caught in a trap set by the UA students, however, forcing them to separate from each other. Nonetheless, Nine continues to carry out the mission on his own while his comrades dealt with the other UA students. Nine manages to defeat all of the students until he is left to face against Izuku Midoriya and Katsuki Bakugo once more.

The two manage to drive the villain to his breaking point after their initial battle, causing Nine to lash out in rage. Nine is then forced to amp his power with a Quirk enhancement drug, causing his power to go beyond the limits his body can handle. He then unleashes his Weather Manipulation to its full extent, destroying everything around once more and overwhelming everyone opposing him. After having to defeat the students, he proceeds to take Mahoro hostage and threatens her life on the line, as he demands Katsuma to surrender his Quirk to him. Izuku manages to stop the villain and save Mahoro, however, after he and Katsuki managed to survive the damage done from his Weather Manipulation.

The two then proceed to overwhelm him once more, causing Nine to go all out once again. This time, Nine uses his Quirk to create a large tornado, surrounding the entire island, which proceeds to create all sort of cataclysmic damage. His overwhelming power was too much for the two heroes to handle and as such, he was able to easily overpower the two. Having them in his possession, Nine explains to them his view on society, how he aims to create a society where everyone of pure power will be equal, while Katsuki insists such a dream was impossible. This leads to Izuku having to share One For All with Katsuki and thus, the two proceed to use One For All at 100%. With this newly obtained power, they destroyed the tornado that Nine created with a Detroit Smash, causing Nine to be shocked at this display of power. After a drawn out battle, the two heroes were finally able to defeat Nine for good.

After everything has settled, Nine was left behind in a field of flowers, though in a heavily injured condition. Tomura Shigaraki then arrives to the scene as he watches Nine barely able to crawl on the ground. Tomura asks if Nine had a good life, in which Nine tells him his goal has only begun and that he will fulfil it. Tomura insists that he plans to make his dream come true, in which Nine then states there can only be one true king among them. Tomura agrees with this statement and decides that Nine must be out of the picture. As such, Tomura proceeds to kill him with his Decay Quirk, ashing away Nine's body.

## Kurogiri

**Kurogiri** is a major antagonist of the manga/anime series *My Hero Academia* . He is the League of Villains' second-in-command, and one of Tomura Shigaraki's most faithful servants and guardian. Like the rest of the League, he desires to kill All Might and help create a new world in Tomura's image.

It is later revealed that Kurogiri is actually the long-lost friend of Shota Aizawa and Hizashi Yamada, **Oboro Shirakumo**, who was believed to have been killed in an accident during their internship. It is revealed that his corpse was taken away before its cremation and mutated into that of a unique Nomu by the acts of All For One and

Daruma Ujiko, programmed to be Tomura's protector.

He is voiced by Takahiro Fujiwara in Japanese and Chuck Huber in English.

The man that would later become Tomura's right hand was once a student at U.A. known as Oboro Shirakumo. Oboro was a Class 2-A student, who was in his second year at U.A. At this point, he had become familiar with his classmates, most notably with Shota Aizawa and Hizashi Yamada. He was also good friends with Nemuri Kayama, though it appeared that he may have had slight romantic feelings for her.

The trio did various things during their time in U.A. such as taking part in joint exercises with Class 2-B and discuss about their Quirks during their free time. Oboro and Shota in particular took part in their work studies with the Pro Hero, His Purple Highness, who Nemuri recommended they should join with. Their first mission was to defeat a villain with a smoke-based Quirk. They were unsuccessful at capturing the villain, due to him using his smoke to let him escape. Oboro was praised for attempting to capture the villain, but Shota was critictized for letting the villain escape, leaving a bad impression on him. Later that day, Oboro tried to cheer him up and advised him that he should simply keep up a smile, even if things don't go his way. Oboro then handed out his goggles to him as a way to ensure that Shota would be able to counter the villain's Quirk, should he ever come across him again.

The next day, the two came across the same villain, but this time around they were able to successfully defeat the villain and capture him. Their teamwork was praised by their intern, His Purple Highness, leaving them both with a victorious feeling.

One day, Oboro and Shota came into a troublesome situation where they had to deal with the villain known as Garvey, who caused various mass destruction around civilians. Oboro attempted to save kids that were about to be crushed by falling debris. While he was able to save them, Oboro ended up being crushed by the debris, causing everyone to be shocked in horror.

Though believed to have perished, his body was taken away and came into possession of All For One and Daruma Ujiko. His corpse served as the basis subject for various experiments until he was eventually reborn into the Nomu known as Kurogiri. With his mind completely altered, Kurogiri's only mission in life was to serve Tomura and ensure his safety.

During Iwao Oguro's investigation on the underground area, Kurogiri utilizied his Quirk to open portals nearby the arena fighters, in which All For One proceeded to take their Quirks. Oguro noticed this and tried to evade the portals, along with Kendo Rappa and Rumi Usagiyama. While a hooded villain battles the three, All For One and Kurogiri observe in silence, in which All For One note that their plans have been tampered with. With the cameras destroyed however, they are unable to tell exactly what's going on, in which All For One decides he should take care of the situation himself. Kurogiri advises him not to, however, believing that his presence will only draw attention to authorities and possibly All Might himself even.

With All Might eventually arriving to the scene, All For One initially comes to the conclusion that this is their loss and that they will lose test subjects. However, he then comes up with an idea to buy some time and asks for Kurogiri's assistance once more. Kurogiri then opens portals near the drugged fighters and has All For One send them out in the city for them to cause havoc. Though All Might and Rumi managed to dispose of them, it bought the two villains three seconds, which was all the time they needed.

Kurogiri first appears in *Rescue Training*, where he is shown to be transporting a variety of villains (including Tomura Shigaraki and Nomu) to the Unforeseen Simulation Joint. Afterwards, he confronts Thirteen and the U.A. students, where he begins introductions. Katsuki Bakugo and Eijiro Kirishima attempt to attack him, but their attacks went right through him. He then uses his Quirk to warp the students across various areas in the USJ.

Afterwards, he takes on the pro hero Thirteen. Thirteen attempts to suck him with their Quirk, but Kurogiri notes how Thirteen has no actual combat experience when facing villains. Using this to his advantage, Kurogiri managed to trick Thirteen into using their own Quirk against them. By doing so, he opened a warp gate behind Thirteen and as a result, the vacuum of Thirteen's Quirk ended up tearing them from behind.

After dispatching Thirteen, Kurogiri then turns his attention to Tenya Iida, who planned to escape the USJ and receive back up. He was held off by Mezo Shoji, and Ochaco Uraraka later used her Quirk on him by touching his neck collar, causing him to float in the air. He was then taped by Hanta Sero and was thrown away by Rikido Sato.

Eventually, Kurogiri got back on ground and teleported next to Tomura Shigaraki. He informed him that Thirteen was defeated, but one of the students managed to escape, leading to Shigaraki being incredibly frustrated, threatening to kill him.

When All Might arrived, Kurogiri used his Quirk to save Nomu from All Might's attacks and was able to capture All Might in the process. He then plans on killing All Might by dragging him down into the warp gate then closing it between him till his body pops off in half. Before he could so, he was attacked by Bakugo, who then pins him down, preventing him from using his Quirk. He is later freed by Nomu, after All Might saved Bakugo from being killed.

After Nomu's defeat, All Might attempts to bluff Shigaraki and Kurogiri from attacking, in order for back up to arrive. Although Shigaraki began to panic, Kurogiri calmed him down, assuring him that Nomu had greatly weakened down All Might, giving them the opportunity to finish him off. As more villains were beginning to get back on their toe, Shigaraki eventually calmed down and agreed with Kurogiri. The two then charge towards All Might, but are later distracted by Izuku Midoriya, who plans to stop them from killing All Might. Kurogiri, however, uses his Quirk, in which Shigaraki's hand pops out of the warp gate in front of Midoriya, ready to kill him. However, the villains were eventually stopped as backup had arrived to drive the villains off. Eventually, the two barely managed to escape, with Kurogiri shielding the injured Shigaraki from Snipe's bullets and escaping Thirteen's Quirk.

The two arrived back into their hideout. A mysterious voice from a screen monitor asks them what had happened to Nomu, in which Kurogiri reports that he was defeated and were unable to bring him back, since they had no clue of his whereabouts.

While Tomura Shigaraki observes the U.A. students during the Sports Festival event, Kurogiri seeks out for new recruits. Eventually, he comes across the infamous serial killer known as Stain.

Kurogiri eventually brings back Stain to the league's hideout, where he introduces him to Tomura Shigaraki. However, things begin to not go as planned, as Tomura and Stain's conversation starts heading into a downfall. Kurogiri asks his master from the screen monitor if the meeting should still continue, to which the man replies not to intervene.

Eventually, the meeting breaks out into a battle, with both Kurogiri and Tomura injured. Kurogiri attempts to get rid of him, but is unable to as he is paralyzed. Eventually, Tomura manages to recover and attempts to kill Stain once more. Stain eventually realizes that while their interests' conflict with each other, they do share a common goal in that they want to destroy the present.

Stain is eventually brought to a rooftop by Kurogiri then he resumes back to his killing spree of Pro Heroes. Tomura decides to take the opportunity of having fun with the situation by sending in three Nomus to cause havoc. However, the Nomus were eventually dispatched and Stain ultimately became the center of attention to the media, leaving Tomura incredibly frustrated. The two then head back to their hideout.

Giran eventually returns to the hideout, where he introduces Tomura and Kurogiri two villains that are interested in joining; Dabi and Himiko Toga. While Tomura was displeased, Kurogiri suggests that he should give them a chance, considering the fact that Giran went through the trouble of looking for them. Tomura eventually attempts to kill them once they realize they blindly follow Stain, but Kurogiri intervenes before anyone could get injured. Kurogiri suggests once more that he should not discard them, because once he does, there will be nothing left for them. While Tomura leaves the building, Kurogiri suggests to Dabi and Toga to give him time to cool down and return another time.

While the Vanguard Action Squad were out carrying the task of capturing Bakugo, Tomura and Kurogiri remained in the hideout where the two discuss whether or not they will succeed. When Kurogiri asks if he's simply using them as pawns and nothing more, Tomura assures him that he's not that cruel and recognizes their strength and talent.

Kurogiri eventually appears in the campsite where he uses his Quirk to allow the remaining members of the league to escape with Bakugo.

Kurogiri was present among the league in the hideout, after Bakugo's capture. Tomura attempts to welcome Bakugo as a new member; however, Bakugo refuses to join and eventually strikes Tomura once set free. Kurogiri attempts to help Tomura, but Tomura simply tells him and the rest of the league to handle Bakugo.

Eventually, the hideout is raided by the Pro Heroes, who then begin restraining the villains. Kurogiri gets knocked out by Edgeshot, leaving him unconscious for the time being. Nomus then begin to suddenly appear in the hideout, attacking the heroes, while the villains are taken away by All For One

All For One then activates his Quirk to forcefully activate Kurogiri's Warp Gate, giving the villains the opportunity to escape. The villains are eventually teleported away.

While the Pro Heroes battled Kai Chisaki and the Shie Hassaikai, Gran Torino, accompanied by the police, were out hunting for Kurogiri. Eventually, they managed to track him down and capture him in a forest. While Gran Torino believes that the league will fall without Kurogiri's help, Kurogiri reveals that he's been out seeking for a "ruffian" that has been living among this area.

A large monster then slowly reveals itself as it approaches towards Gran Torino and the police. Kurogiri then reveals the monster to be a faithful servant of All For One's: Gigantomachia. Kurogiri was eventually caught and imprisoned in Tartarus, however he refuses to confess or disclose information about the League of Villains to the heroes or authorities.

Sometime later, Gran Torino and Naomasa Tsukauchi bring Shota and Hizashi to Tartarus and inform them that they've unravelled important information regarding Kurogiri. With Shota's impatience being tested, they skip to the point, in which they discuss how they've discovered that Kurogiri's Quirk is a fusion of several different ones with the base Quirk being Cloud; which belonged to their late best friend Oboro Shirakumo. They further reveal that Kurogiri is most likely a Nomu that was created using Oboro's corpse, which was taken by All For One before it could be cremated, leaving the two incredibly shocked in horror. In an attempt to reawaken Oboro's memories, Gran Torino and Naomasa have Shota and Hizashi try talking to Kurogiri, believing they might uncover more important information out of him.

Kurogiri eventually awakens from his slumber and his surprised to see the two Pro Heroes faced to face with him. During this, Shota attempts to erase Kurogiri's Quirk, but Hizashi noted how the mist did not disappear, proving that Kurogiri is a mutated being. Kurogiri asks how Tomura is doing, in which Shota pointed out how much he cares for Tomura. Kurogiri tells him it's his duty to ensure Tomura is safe and sound, which brings back memories for Shota of how much of a caring person Oboro was to his friends.

As he begins to tear up, Shota attempts to get Kurogiri to recall his time when he was at student at U.A. and his best friend. Kurogiri doesn't know what he's talking about as he ensures himself that he is Tomura's loyalist, but his body suddenly begins to slowly morph and reveal Oboro's face hidden in the mist. His only words were "hospital" before eventually going to sleep once more. This word alone was the beginning to figuring out what the League of Villains are currently up to.

Kurogiri was kept sealed in Tartarus, along with many other villains. Due to Tomura (under All For One's influence) raiding the prison with the Near High-End Nomus, Kurogiri was later shipped from Tartarus, along with other captured Nomu, to the Central Hospital to begin research that could potentially restore their memories. Shota has also been speaking to Kurogiri every day, but has made no current progress with him.

While still no progress has been made in restoring Kurogiri back to Oboro Shirakumo, Neito Monoma copies Kurogiri's Warp Gate Quirk and uses it to summon all the Pro Heroes in their final battle against

All For One and his villains, then uses Warp Gate again to split the heroes and villains up.

All For One

**All For One** (in Japanese: オール・フォー・ワン, *Ōru Fō Wan* ), also known as **Sensei** (in Japanese: 先生, *Sensei* ) is the overarching antagonist of the *My Hero Academia* franchise. He is the archenemy of All Might and Izuku Midoriya.

He is a mysterious man with a completely deformed face which he had suffered in battle and was defeated by the hero All Might. He is the founder and benefactor of the League of Villains with his disciple, Tomura Shigaraki, as his successor. After his defeat, All For One was imprisoned, and Tomura took his place as the leader of the League. Following the war between the heroes and the Paranormal Liberation Front, however, All For One managed to break free from his imprisonment and sets out to fully expand his army of villains once more. He spends the remainder of the series targeting Izuku, hellbent on destroying him to complete his centuries-long plan of stealing One For All.

He is voiced by Akio Ōtsuka in the Japanese version of the anime, and John Swasey in the English dubbed version, who also voiced Crocodile and Hakumen no Mono. In the Korean Dub, he is voiced by Eung-Sik Min, who also voiced Ryuk from *Death Note* and Evolt from *Kamen Rider Build* .

During the time that Quirks began to pop up, a mysterious, sinister man was born with a powerful Quirk that allowed him to steal other Quirks. Going by the name of his Quirk, "All For One", he stole many Quirks from people. His overwhelming power would help him rise in rank, allowing him to become Japan's ruler, submitting its people by force.

His younger brother Yoichi, however, refused to submit to his evil ways. All For One explained to him that he's simply trying to help people by granting them powers for them to accomplish their dreams, especially those that are weak. He believes that he is trying to restore order to the world, but his brother didn't want to hear it. He then demonstrates his power on two people that wanted their dreams fulfilled, a man who wished to have his mutated jaw removed and a man that wanted power. Once he granted them their desires, they genuinely thanked him, hoping to repay him. Despite all of this, Yoichi could see that he was merely submitting them to his will.
